Empowered to Engage the Public Arena

Jesus said, “You shall receive power after the Holy Spirit is come upon you.” The Greek word for power here is dunamis. Inherent power. The word from which we get dynamo, dynamite, etc. (Get the idea!) Our prayer for the Global Congress is that the Lord will indeed empower us as we come before Him from around the world, in love and unity, asking and believing for the one thing that can accomplish the purposes of God—the anointing of His Spirit. (Zechariah 4:6). Join us in praying for this special meeting now. And join us in coming to Tulsa “expecting!”
