Brother Carothers:

Dear Brother in Christ Jesus: Grace and peace from God. our Father and Christ our Redeemer be with you all sanis, Amen.

Dear Brother Carothers: We are having victory every night for 3 months. People are getting saved three times a day, justified, sanctified, Baptized with the Holy Ghost and the gift of tongues as a witness. Praise the Lord, Amen. Dear Brother Carothers, please send me my credentials, for Brother Parham said he was going to have them by the first of April. I was not at home, so I want you to please send it to me so I can have to show to get rates. We have workers to India, od paid their way since they got the Baptism with the Holy Ghost. Some going to Jerusalem-- about 4 workers; some are going to Africa, some to China. The Lord is working mightily. God bless you all. I hope you will send me 100 buttons for the workers. How is Brother Parham and where is he? We have some of the finest singers in the world baptised with the Holy Ghost. The Holy Spirit sings through them and some interpret right along while singing is going on. God is working wonderfully in this City. I want to get you all to pray a special prayer for us on Tuesday night at 8 o'clock.

Yours in Christ.
