Saints Shout Victory as Power Falls

Wausau, Fla., June 13, 1921

We closed here last night. God set things on fire. The power fell while we were receiving some into the church and 14 were dancing under the power at one time.

There were 15 received experiences with the Lord and 5 were Pentecost. The congregation was so large at times that we couldn't accommodate the people. Last night there was a real good sized congregation outside that couldn't get in the building. The windows and doors were crowded. One fellow was so hungry to see the power falling that he climbed to the top of the door and sat on it. I thought of Zaccheus. Praise the Lord. The saints were greatly blessed and edified in their souls for which I praise God.

I leave here today and motor to Shady Grove Church about 45 miles, will preach there about 3 nights this week, then go on to Greensboro, Fla., where we begin another meeting.

I have special prayer for God to keep my body while I am in this country. It is a malaria district and the weather is awful warm. My soul is on the mountain peaks of glory; the living waters are flowing freely, oh, glory to God.

Don't forget to pray for my family while I am away. I get very home sick to see wife and children sometimes, but I endure this with Heaven in view for the sake of the Gospel of Jesus Christ.

Love to all. I expect by God's help to make the landing safely.

Your brother, looking for Jesus.

56 Prayed Through on All Lines

Dillard, Okla.

We have just closed a meeting at Dillard, Okla., where God has wonderfully blessed our labor for the Master. We have had since Feb. 22 three meetings at Dillard in which there has been about 56 prayed through on all lines.

Rev. Dan W Evans was with us 2 nights last week and God gave us good time in the Lord. Saints pray for this place that God will give us sweeping victory.

I certainly do think our baby paper is fine.

The dear Lord has been with me all along. While I haven't seen any visible results in my labors in the rescue and jail work. We have jail service 1st and 3rd Sundays of each month, for which I praise our Redeemer for this privilege. As ever, yours for the lost.

State Camp Meeting Begins Aug. 19th

The Oklahoma State Camp Meeting of the Pentecostal Holiness Church which begins at Seminole, Okla., Friday, Aug. 19 is expected to be one of the best that we ever had.

The camp meeting ground itself is located about ½ mile west of Seminole in a location where there is plenty of shade and is on higher ground than when it was held there before. A well has been dug which has 27 feet of water, and an electric line is to be run out to the camp ground also.

We are expecting Rev. E. D. Reeves, of Roanoke, Va., Assistant General Superintendent to be with us and give us some fire-filled messages from the Word. Those who have had the privilege of hearing our dear brother will be glad indeed to have him with us in this meeting and Conference. Sister Trout, who entertained so many of the Oklahoma delegation at the general Conference at Roanoke, writes that "Bro. Reeves has given us some wonderful messages since Conference."

Many of our preachers and workers are planning on being in the camp meeting. Pray that God will give us the best camp that we ever had. And the best testimonies and the best preaching. If you fail to be at this camp meeting and Conference you will certainly miss a treat.
Well Pleased Indeed

Indeed we feel pleased at the general reception The Pentecostal Holiness Faith is receiving in our ranks. We launched the paper at a time when financially things didn’t look very promising but many having felt for a long time the need for just such a publication in our ranks as the Pentecostal Holiness Faith is and what we hope to make it, that we felt that some one would have to take the initiative in supplying this need, and having felt that God was in it and that He would be pleased, and that it would be to His glory, and to the furtherance of His kingdom and the work of the Church, we launched forth this periodical. And indeed we are pleased at its reception. Already it has proven a blessing to many hearts, and we hope through your prayers and help to make it a great blessing to the Oklahoma Conference and the neighboring saints and also to the unsaved.

The Pentecostal Holiness Faith has a mission to fill all its own. We can not fill the place of any other periodical—neither can any other periodical fill the place of the Pentecostal Holiness Faith. But by the help of the saints we shall endeavor to fill the place God assigns to us whether it be large or small. But to make The Pentecostal Holiness Faith what you want it to be, and what we hope to make it, we must have your co-operation in the securing of subscriptions and in furnishing us news and reports of meetings that would be of interest to our people. We appreciate the faithful work of the number that are securing subscriptions and may God bless them. We appreciate the good reports and ask that all of the preachers and workers to keep us posted as to your meetings and reports of the same.

Let’s make this a real family periodical and one that’s different. Pray for us and with us.

A Call for Laborers

To the readers of the Pentecostal Holiness Faith family. Greeting in the name of Jesus. I am glad to report victory through the Blood of Jesus. Truly glad there is sufficient of power in the Gospel of Christ to save and keep us from all sin.

I wish to speak a word to the evangelists who wish to get out into some needy fields that the great state of Kansas lies at our door with thousands of hungry hearts going on to hell. I believe many of the long time Holiness communities are ripe for the Pentecostal Baptism of the Spirit.

Let us rally to the front for Kansas. We have a good beginning there already in the little band at Elk City with the Messenger Office. I am just from there visiting the Church. While they are few in number yet, but the blessings of God is with them. I find myself greatly delighted in visiting the “Messenger office” and seeing the entire contents together with the faithful labors of dear Bros. Stinson and Fennell dedicated to Pentecostal Holiness.

In a vision of my own I see that office as a nucleus of a good Pentecostal Holiness conference in Kansas. Such is the burden and desire of the manager of the said office. I would be glad to see at least a half dozen good evangelists from our ranks marching within that state evangelizing it and establishing Pentecostal Holiness. Yours for service.

Healings in Benares

We praise God for answered prayer in the healing of many sick people in Benares. In preaching the full Gospel we always emphasize that Christ is the healer of the body as well as the Saviour of the soul. One of our Christian women being examined by a lady doctor was told that an operation was necessary. Shortly after this she was prayed for, and then examined again by the same doctor and was told, "God has performed this operation for you for you are perfectly healed." A blind man was led into a room and as he walked he stumbled over the various things in his way. He was prayed for and he walked out unassisted seeing his own way. One of four Christian native girls was sent home from school as her head was covered with obstinate sores which refused to heal up under the doctor’s care. She was prayed for and in a few days not a trace of a sore was left.—The Pilgrim’s Progress, Benares, India.

GOD’S LOVE

God so this old world did love, That Jesus no longer could stay In his pure, beautiful home above, But came down. His Father’s will to obey. In his obedience, He cried, "Not mine But Thine will be done; I will go: I know Thy matchless love divine, Therefore I go. Thy love to show." No greater love has e’er been shown, That a man should give his life for me: Than this, which came down from the throne, From guilt of sin to set me free. O! can you imagine the mighty power Of love, the Father has for me and you. That He gave us the Pentecostal shower: To fill us with Himself through and through. For God is love, and the more we love The more like God we will surely be, To love God above all is not enough; We must love the brethren as well as He.

15 Pray Through at Shady Grove

Greensboro, Fla., June 22
To the Faith Family. Just a few words. I held a week's meeting at Shady Grove Church as I was on my way to Greensboro, Fla., and God set things on fire. The power of God fell in a great way.

This is an old camp ground and men told me that there was more in the altar seeking God in one service than they had seen at one time there for 4 years. About 15 received definite experiences with God. Some went through to Pentecost.

I am now engaged in a battle here at Greensboro, and it is a battle sure enough. You saints in the west pray for me. Your brother in Christ, O.C. Wilkins

From Bethel Church
(Wewoka, Okla., June 19)
This beautiful Sunday afternoon as the Lord has been so good to me and the saints around Bethel, I wanted to send a word for our band to The Faith. I wanted to say believe with all my heart that I am having the best time of my life in the Lord. I want to say too that there is still a Spirit of love in my soul for the lost. And in spite of the devil some are going through, and say, some will join the Church, and shout and dance in the Lord. Say it is fine too. Be where you know you are saved and sanctified and the Holy Ghost abides. Pray for me. General Kiker

Meeting at Westville
Prospects Good

Westville, Okla., June 24
The meeting up until it began to rain Wednesday was good with large crowds and good interest. Several in the altar seeking the Lord, some to be saved, others to be sanctified and receive the Baptism of the Holy Spirit. We expect the interest and crowds to pick up again as soon as it quits raining. Pray for us. Your brother in His good service.

P.S.—There has been one man sanctified already in the meeting.

Meeting at Ardmore
Ardmore, Okla., June 22, 1921
We are now in a meeting at Ardmore, Okla. Bro. Dan W. Evans was with us Sunday night and God gave us a good time.

May God bless our dear Bro. Evans in his great work for God and lost souls. Dear saints pray for this place that God will give us a landslide from the Glory world. Your brother and sister in Jesus.

From Bro. Wilson
Okmulgee, Okla., June 21
Dear brothers and sisters. Was very glad to receive a copy of Pentecostal Holiness Faith; was just like receiving a letter from home, so many I know. Reading the reports of different ones in meetings sure makes me want to get out in meeting myself. Hope to see the time when I can get in services. I will get a vacation from my work last two weeks in July, and I want to go somewhere and help in meetings that time. Don't know where it will be yet. I do think the paper a great blessing, as I think it is just what we need, a real home paper. Yours in Jesus.

16 Pray Through to Salvation, El Reno

El Reno, Okla., June 28
Bro. E G Murr has just closed a big revival here at El Reno.
16 were saved and 9 sanctified and 3 received the Baptism of the Holy Ghost, 5 joined the Church, and 7 were baptized in water.

On Sunday afternoon from the baptizing we came over to the Church where we took the Lord's supper, then laid aside our garments, girded ourselves with a towel, poured water into a basin and had an old-time foot washing.

Glory, praise His holy name. I never was so near Heaven in my life. I was so happy, I wanted to do it all over again. This was my first foot washing, but if Jesus tarries it won't be my last one.

Our little Church has 16 members now, and God is wonderfully blessing us. Bro. Murr has promised if Jesus tarries and he lives, he will come back to El Reno Sept. 15 for another big battle against the devil. Pray much for us that God will get glory out of our work here.

When passing through stop off and see us. Your brother looking for Jesus to come soon.

Meeting at Gowen Closes With Victory

Gowen, Okla., June 27, 1921
Dear ones in Jesus. Today finds me on my way from the Gowen battle. Some got through to victory and the saints were blessed up in general. Interest was somewhat low when we came but some of the saints got under the load and got the burden of the meeting at heart, and God began to bless and undertake.

The Lord sure did bless the last few nights of services, the house was crowded and a number outdoors who did not get indoors. Saints were praying for joy; sinners melted down and wept on account of the mighty hand of our God. We closed out with victory for our Lord. We open fire with Bro. Cook at the Bethel Church June 30. All pray the Lord to give victory in His name. Find enclosed 6 subscriptions for the paper. The Lord bless its readers and editors. Yours in Him for the lost.

Signs Are Following God Heals Bodies

From the meeting at Parish Chapel comes the report of some cases of definite healings by the Lord. One sister was very sick with heart trouble and the Lord healed her and she arose shouting and another case was where a sister was near death's door and the saints were hurriedly summoned.

She had a complication of diseases. She was anointed with oil in the name of the Lord and prayed for and the Lord touched her body in healing power and she sat up and shouted the victory. Our dear Bro. Luther Dryden was bedfast with fever; some of the saints came in and prayed for him and the Lord healed him and he got up shouting and talking in tongues, and went to the meeting that night and like many other of the Lord's patients talked in tongues and shouted almost all over the house.

Bros. S E Stark and Grover C Waterfield conducted this meeting. Some 7 were Saved, 9 Sanctified and 8 received the Baptism of the Holy Spirit.

NOTICE OF MEETING

Wewoka, Okla., June 27
Our meeting starts at Hill Top July 16 to 31. L G Chilcoat and Arthur Williams and other workers from Bethel will be the preachers. Pray much for this meeting. Yours for a full Gospel in an organized way.

Victory at Midlothian
Souls Seeking God

Midlothian, Okla., June 27
A word of praise this morning through this little paper, for what God is doing for us here at Midlothian.

This is a new field. Pentecost was never preached here until we came here one week ago. The rain the past week has greatly hindered the meeting, but God is helping us give out His word in a way its waking folks up, causing many to say "I never heard it in this way." Many are saying we never heard the Gospel in its fullness before. Conviction is seizing hearts, and several in the altar seeking the Lord most ever service. The Lord sure has put His approval on this meeting.

The 2nd night the power fell and two received the Baptism of the Holy Spirit. The saints shouted, danced, talked in tongues and praised God until 11:30 o'clock, while many stood in amazement, saying what meaneth this.

There has been some prayed through on all lines. Yesterday being Sunday, was a high day in Zion for us. The Happy Hill Church, many of them came over and brought their dinners. Had 3 services. The Lord sure did bless and stir hearts for which we give Him all the glory, bless His dear name.

The meeting will continue this week. the Lord willing. All you dear saints that read this pray that God will continue to bless and save, sanctify and fill with the Holy Ghost, bless His dear name. I feel like going on. Your sister in the battle for King Jesus until He comes or calls me home. Hallelujah.

SUNDAY IN OKLAHOMA CITY

In the absence of Bro. Beall the pastor, the writer had the privilege of spending last Sunday with the Oklahoma City Church.

The Oklahoma City Church has grown in the past few years, and indeed it is an inspiration to be in their midst.

The Sunday School is a Sunday School indeed with its well organized classes and good teachers, and such interesting features as will draw the scholars back again.

Then came the morning service, including the tithe and free will offering, after which it was a blessing to preach to so many attentive saints that had gathered in heart worship to the Lord and such good attention in the face of the fact that about 4 blocks away a $500,000 fire was raging, and fire bells were ringing as the fire wagons would dash back and forth in fighting the fire. In the afternoon was young people's meeting. The young people are a blessing to the work in Oklahoma City, and they also have service on Wednesday nights and God blesses them, and the power falls and they shout and talk in tongues, singing and making melody in their hearts to the Lord. A street service is held then preceding the night service. And the night service was a blessing with its singing and praise and preaching and altar services. The music is one of the most blessed parts of the evening service. With a choir composed of numbers of young people and with the piano, cornets, violins and guitars and the hearty singing of the choir and congregation it almost lifts one from their seat with the glory of God as they sing and play "Washed in the Blood!" and the other good songs of Zion. It's an inspiration to hear these Spirit-filled saints play on these different musical instruments the sweet songs of Zion and as the power of God hits your soul you truly mount up in the Lord and feel like shouting glory to his name.

At the Tuesday night service the power of God was upon His people and we had a real rejoicing from the presence of the Lord.

Seminole, Okla., June 27

Greetings to all of the saints.

Just got home from El Reno where God sure gave us a good revival. The meeting lasted a little over two weeks, and God blessed in every service. There were 16 Saved, 9 Sanctified and 3 received the Baptism of the Holy Spirit.

I thank God for such saints as Bro. Rhea and Sister Rhea. They are saints of God. He is a pastor that is a pastor. He is doing a great work in El Reno. The people got stirred in El Reno. The people in El Reno gave me the best attention than any place I ever preached. I never did see any one misbehave while I was there.

I will start a meeting at Dillard, Okla. the 30th of this month. The 15th of July will start a Camp Meeting at Woodville, Okla. All pray for these meetings. And all come to Seminole. Aug. 19th to the Camp Meeting.

Report of Quarterly Conference

GOD BLESSES AT HEALDTON

The Third Quarterly Conference of the Mt. Park District met with the Healdton Church June 17-19. Devotional service 10 a.m. June 17 was conducted by the Conference Superintendent. Dan W. Evans, who read and commented on the 37th Psalm.

The 3 p.m. service was turned over to Sister Ella Gaither who read and preached from the 12th chapter of Romans, after which a real good testimony service was enjoyed.

The evening devotional service was blessed by a lively testimony service led by Rev. G. W. Gaither, after which Dan W. Evans preached from Rev. 11:15.

The business session was called to order Saturday 9 a.m. by singing, followed with prayer. The Supt. Dan W. Evans read the 2nd chapter of James, after which G W Gaither led the prayer.

The following churches were enrolled by their respective delegates: Healdton, J W Cross; Dillard, W W Chaney; Ardmore, Sister H L Wages.

Pastors enrolled, G W Gaither and Sister S E Gaither.

Mission Worker, J T Copenhaver.

On motion Bro. C E Kennedy was granted a seat in the Conference.

The following churches reported: Healdton, Dillard, Ardmore.

Pastors reported, G W Gaither and Wife. Dan T Muse by letter.

Mission Worker reported J T Copenhaver. After an explanation on the new law relative to mission workers. Mrs. C R Gee was granted workers license.

Instructions was then given by the chair concerning more effectual and systematic evangelizing of the Mt. Park District and great interest and zeal was manifested along this line.

Rev. Ed Stroope having arrived was given a chance to report. Also a written report from Rev. J F McClure and Wife.

The afternoon service was given to a real inspiring drill on the Course of Study. And wound up with the power of God manifest in an unusual way with a great spirit of prayer followed by shouting and dancing and talking in tongues.

The service Saturday night was greatly enjoyed by a splendid experience meeting led by Bro. C H Raleigh, after which Rev. Gaither preached a stirring sermon. The altar was full of seekers.

Sunday 11 a.m. the Superintendent preached from 2 Tim. 2:19. Then at 2 p.m. the saints were greatly blessed at the Communion service and Foot washing. One soul was reclaimed during same.

All who failed to get to the Healdton Quarterly Conference missed many good blessings from the Lord. Yours in love.

Dear Editors. I feel like sounding a praise to my blessed Savior He has done so much for me, bless His sweet name. I am praising the Lord that this morning finds me still saved and sanctified, and the Holy Ghost sweetly abides Glory to God. I am glad that Jesus ever saw fit to pick me up out of sin and set my feet on this solid rock glory to Jesus. I have been in this way about nine months and the longer I travel this narrow way the brighter it grows, glory hallelujah. Jesus saved me when I was thirteen years old, and He sanctified and baptized me with the Holy Ghost when I was about fourteen glory to God. and this morning finds me looking for the coming of Jesus at any time. All who read this pray that I may be ready to go any time he shall appear. Your sister in Jesus.

Bro. Wilkins Letter
From Florida

Wasau, Fla., June 8, 1921

To the readers of The Faith.

Greetings in Jesus name. I received the roll of papers yesterday, was so glad to receive them. It was sure news from home to me. I am about 1300 miles from where the paper is printed and I have 6 subscriptions to send you so you see the paper has quite a wide circulation already. As I read its contents God blessed my soul, the tears fell from my eyes and it seemed to me that God had moved a part of Oklahoma down here in Florida and turned it loose in my soul. Send me a roll of papers to Greensboro, Fla., and send more than you did this time, the people are hungry for the paper from the West.

The meeting here at Wasau, Fla., is a Pentecostal meeting in reality. The power falls, sinners break down and weep in the congregation. The altar is full of seekers every night. Souls are getting Saved and Sanctified and Baptized in the Holy Ghost. The saints shout and dance and talk in tongues. Some are slain under the power of God. One old grand mother about 80 years old who never had been converted before, prayed through and God wonderfully saved her and she is shouting the victory. Praise God the women are having grove meetings, some are praying through in the grove meetings.

Bro. Harry Hampton is pastor here. He is a blessed man of God and it is pleasure to be with him. When I came to Florida on this trip Bro. Hampton met me at Tallahassee, which is the capital of Florida. We preached there one night. The next day we motored to Wetumpka and preached to a large congregation on the old camp ground that night. The next afternoon we started to drive about 100 miles to where I am at present. We had a move trip until it began to rain and night overtook us and we stalled in a sand hill. Our lights went out and it was raining and thundering and lightning. We got the car backed out of the road under some tall pines, put up the curtains to the car and retired in the car for the night without any supper. Bro. Hampton occupied the front seat and I the back. We erected a family altar and prayed, Heaven came down, we shouted and talked in tongues, after which we went to sleep and slept until after daylight next morning, then we got up, the car pulled the sand hill and we went on our way rejoicing.

Our next meeting is Greensboro, Fla. Then we go to Lake Mystic, Fla., for a camp meeting beginning July 1. Then we expect to go to Jacksonville, Fla., for a tent meeting providing proper arrangements can be made. After that we intend to return to Oklahoma and spend the month of August in Oklahoma. Then come back to Waycross, Ga., for a camp meeting beginning Sept. 2; and we are also billed for the Wetumpka, Fla., camp meeting beginning Oct. 15.

All who read this pray for me that I may stay where God wants me. I trust to see you all at the Oklahoma Camp Meeting and Conference. Your Bro. in Christ.

O. C. Wilkins

P. S.—Heaven is in my soul this morning, oh hallelujah. One day our battles will be over.

Meeting at Wostell
Some Get Victory

Maxwell, Okla., June 14, 1921

Will say that I am still enjoying the blessing, praise God. Glad that God is still watering our souls with the dew from Heaven at Wostell school house.

We had a good meeting. Bro. York got sick and had to go home. He preached 4 times. We were sorry to give Bro. York up for he done some good preaching. I preached 4 times, Bro. Dunagon preached 1 time and Sister Weatherford done some good singing and was a blessing in the meeting. God sure poured out His power on each service. One got Saved, 2 got Sanctified and I received the Baptism of the Holy Ghost. The saints were built up in the Lord. One old brother 75 years old, unsaved, got deeply interested. It is seldom that people that old will come to God.

I preached at Ada one night and an old brother about 80 years old got saved. Praise God.

I still praise God for the rivers of living water that is in my soul. The meeting would have been more wonderful but we got hindered. My boy cut his foot bad with an axe, but is getting along fine. I ask all the saints to pray for me that I will do God's will at all times.

Coalgate Meeting

Coalgate, Okla., June 22
Greetings to all, and peace be multiplied in the name of Jesus. I thank God for the Pentecostal Holiness Faith. This is my first attempt to write to it. This is something that I have thought we ought to have had for some time; and I do pray God that the dear Editors of this paper can be so filled with the Spirit that they will be able to withstand every opposition against it. I am going to do all I can for it. I think that we Evangelists and Pastors should take hold of this proposition, for it is the prize of our life and a blessing to Oklahoma. It will show the world and the fanatics what we stand for. Let's wave it high and go over the top. Well, I don't feel like writing a sermon at this time. I want to just give a word of testimony and get acquainted with the readers of the paper.

COALGATE MEETING

I am at Coalgate, Okla., in a fight against old split-foot. He is on the run. I have been here a week. I have been sanctified, and others hungry. Got a good interest, the business men and lawyers are attending with oodles of others. We ask prayer for this place. It is a new field, but we would like to see a work here.

I have had some good meetings in different places. We are thinking of holding a camp meeting at Hardwood Church in August, will know while here, and will advertise it.

I have seen souls pray through this year from the age of 10 up to 80 years, and I am looking for good results here. A man 70 years old got Sanctified, and Methodist are saying that this is nothing but old-time salvation that they use to get. You know that if we lift Jesus up He will draw all men unto Him. There is some saints here and some of them shout and dance in the Spirit and that makes the devil mad, that is why we know we are right.

Well, I will close for fear I will get too lengthy. May God bless this movement, and give us a fine harvest this season. Pray for me and mine. Any one wanting meetings or help write to me. Would be glad to give you my services if I can.

Pauls Valley, Okla., June 20
Greetings in Jesus dear name.

Well, praise the Lord for our good paper, I think it fine; just got through reading it. It is food to my soul; so I thought it pleasing to God for me to write a few words. I am home for the present time; have been home a week. My body gave down and I had to have some rest.

Will go from here to Noble where I will help in a meeting. Then from there I go to Madill; and then to Woodville, the Lord willing. From there to Comanche, Okla., and then to the Camp meeting.

Our meeting at Bebee was fine. 2 got Sanctified, 1 received the Baptism of the Holy Ghost, and 1 saved.

Then I went to Parish Chapel and stayed a week, The Lord blessed and some got through to God there, but don't know how many.

I have been in the battle all the year. We haven't wasted much time this year, glory be to God. I do love to work for Him. Bless His name. Pray that God will send some one here to hold us a tent meeting. People are anxious for a meeting here. May the Lord bless the little paper. All that read this pray for me that God may use me to His glory.

5 Receive Baptism of Holy Ghost

Parish Chapel Church
( June 21, 1921)

I want to praise God for salvation this morning and for the way He is pouring out His Spirit in these last days. Praise Him for the way He is blessing in the meeting here at Parish Chapel. Bro. G C Waterfield and Bro. S E Stark are with us and God is blessing, and souls are getting through on all lines. Five have received the Baptism of the Holy Ghost, and several have been Saved and Sanctified. Thank God for His mighty power. God is doing some wonderful things in these days. He is making bare His Holiness. He is revealing Himself to His people in a wonderful way. Praise His name.

From Reeding

Reeding, Okla., June 23
Dear Saints. Wish to say a few words of praises to our King Jesus through the little God given paper. Oh how we praise the Lord for the way He has led us for the past 8 months, and the way He has blessed us in our efforts to serve Him, and also for the dear souls that He has given us at this place, for there is a little band here at Reeding that the devil knows about.

Oh how we praise God for sending us this way and for the dear saints He sent to give out the Word and how He blessed it. Oh saints it pays to be humble before God.

Wish to say that I have two meetings waiting just as soon as busy season is over, in churches where the devil has got all the members and went to sleep in the belfry. Want all the saints to pray for us. Your brother and sister in Christ.
