## A MESSAGE OF LIGHT & TRUTH & LOVE

From Thomas R. Nickel

SOME TIME AGO, an ac-  
quaintance said, "I resent the  
fact that you folks use the term  
Full Gospel. It would indicate that  
my denomination does not have the  
Full Gospel." As diplomatically as  
my frank nature would permit I  
assured him that his denomination  
did have the Full Gospel but did not  
believe it, teach it, preach it, nor  
practice it.

Catholics, Protestants and Full  
Gospel believers alike sing and  
speak of "the Faith which was once  
delivered to the saints." What is that  
Faith? A casual reading of the Acts  
of the Apostles will clearly reveal  
to the seeker of Truth how far even  
the Full Gospel believers, to say  
nothing about the Protestants and  
Catholics, fall short of the Glory of  
God in comparison to the Faith as  
originally delivered, believed, taught,  
preached and practiced.

That Faith is based upon the Word  
of God, comprising the Holy Bible.  
It includes the eternal salvation of  
the Soul through the shed Blood of  
Jesus Christ; it includes Divine heal-  
ing through the stripes of Jesus  
Christ; it includes the Baptism of  
the Holy Ghost as promised by Jesus  
Christ; it includes the soon return  
of Jesus Christ. Catholics, Full  
Gospel believers and Protestants re-

# Our Movement Is Spreading With Power and Speed

By Demos Shakarian

*President Full Gospel Business Men's Fellowship International*

Our organization is growing faster than we had anticipated. Members are affiliating, chapters are being organized and subscriptions to the Full Gospel Men's Voice are coming in from all parts of America as well as from foreign countries.

A great Fellowship Breakfast was held at Washington, D. C., recently looking forward to establishing a Chapter at the Nation's Capital. Many of the International Officers were present as well as a large number of Full Gospel Business Men and Ministers from Washington and the surrounding territory.

The Sioux Falls, South Dakota, Chapter continues to be a source of inspiration to a wide section in that part of the country, and the marvelous testimonies coming from their meetings are having repercussions across the nation. We had the report that a man in Los Angeles was saved through reading Noble Thormodsgaard's testimony in the April Full Gospel Men's Voice. As I read the article myself I sat down and cried and thought then that there would be many souls saved because of this tremendous testimony.

A new Chapter was organized at Lancaster, California, on July 18th.

Business Men and Ministers of the Antelope Valley gathered for the Breakfast-Broadcast and several from the Los Angeles Chapter as well as a number of the International Officers were in attendance. The Power of God was present in a manner which unmistakably placed His approval upon this new Chapter.

The Los Angeles Chapter has averaged over 300 in attendance for the past few weeks. Recently twenty-five stood for salvation and other special needs from the Lord at one Breakfast-Broadcast. Many are saved, healed and filled with the Holy Ghost at these meetings.

Another milestone was reached on July 11th, with the dedication of our Los Angeles Office, 1059 South Hope Street. Raymond T. Richey, of Houston, Texas, offered the dedicatory prayer. See front cover, also identification at bottom of this page.

A great achievement by the Full Gospel Men's Voice was the receiving from the Post Office Department in Washington of a Second-Class Permit, retroactive to the very first issue.

## Looking Back And Forward With Encouragement

By Lee Braxton

*Vice-President Full Gospel Business Men's Fellowship International*

As the date for the First Annual Full Gospel Business Men's Fellowship International Convention draws near, I become more anxious and more excited about attending.

Today, as I was going through some of my notes, I ran across some observations I jotted down when I attended the Los Angeles Chapter earlier this year. This brought back memories of the wonderful fellowship we had when the large crowd of 350 or more gathered in the Upper Room at Clifton's Cafeteria. I recall there were people present from Texas, Massachusetts, North Carolina, Alaska, California, New Jersey, Iowa, Pennsylvania, Florida, Washington, Mississippi, India, South America and the Bahamas.

I will never forget the good songs of Zion and the praises of God's people gathered there for the meeting as well as the messages that were interpreted to the edification of all. I will never be the same after God's blessings on my life at that meeting. The wonderful testimonies still thrill me as I think about them, and how I enjoyed the great messages given by the visiting evangelists.

I remember the Presbyterian who came by mistake, thinking this was another group and how he liked

it and continued to come. I remember the ranch owner who stayed after the meeting was adjourned and asked questions, also the remarks he made.

It is time for us to get over denominational barriers. The Body of Christ is being brought together. The Scriptures are being fulfilled by our healing evangelists.

It is with great anticipation that I look forward to our Full Gospel Convention!

spond alike to the power of this Faith when applied to their lives. There is no difference between a Jew and an Atheist after both have accepted the Full Gospel Faith of our Fathers!

We have watched the rich and the poor, the brilliant and the simple, the righteous and the sinful accept this Full Gospel Faith and have marvelled at the leveling influence. The high are brought low and the low are exalted. All meet at the foot of the Cross and march forth together to ascend their respective Thrones as Kings and Priests unto God!

O haste the day when Thou  
 Shalt have Thy rightful place;  
 When diadems shall deck Thy brow  
 As King of every race;  
 When righteousness shall rule,  
 And plough supplant the sword,  
 And all men join Thy praise to swell:  
 Thy kingdom come, O Lord!

### Our Movement Spreading

*(Continued from Page 3)*

Angeles from October 10th to 13th. This, no doubt, will give added impetus to our great Movement which God has raised up for His service. We urge every reader to be in attendance at this forthcoming Convention.

In addition to all these other blessings from God, our Movement has witnessed, first hand, in a few days' time, the transformation of an Atheistic Scientist into a Full Gospel Witness for Jesus Christ and the Word of God. People learning that this story is to appear in this issue of the Full Gospel Men's Voice are ordering quantities to distribute to others. It is our happy privilege to be able to present this testimony of Dr. N. Jerome Stowell to our readers.

# A SCIENTIST DISCOVERS GOD

The Testimony of Dr. N. Jerome Stowell  
Adapted For Publication By Thomas R. Nickel

*Here is one of the most amazing scientific discoveries of all times and a conversion surely as great as that of Saul of Tarsus! Dr. N. Jerome Stowell was a scientist working on terrible devices for the destruction of mankind. His previous experiments made him concerned in regards to his relation to God. His wife took a trip to Oklaboma, and in his loneliness he prayed to God that He would make Himself manifest. Doctor Stowell knelt for prayer with Don Tbrone and had a born again experience. He attended the Los Angeles Breakfast-Broadcast of the Full Gospe! Business Men's Fellowship and began seeking the Baptism of the Holy Ghost which he received two weeks later at a Holy Ghost Rally where Tommy Hicks was speaker, with Demos Shakarian as chairman. His wife felt she did not fit into this picture, but the immensity and reality of her husband's experience gradually became so apparent to her that she too sought and received her Baptism, being under the Power of God two and a half hours. Doctor Stowell has given up his work and is busily engaged witnessing as to the goodness and greatness of God.*

I was almost a devout atheist. I didn't believe that God was any more than a conglomeration of everyone's mind put together and

the good that was there—that was God as far as I was concerned. As for the real, all-powerful God existing and loving us all, with power over everything, I didn't believe that!

Then one day I had an experience that really set me thinking. I was in a large pathological laboratory and we were attempting to find the wavelength of the brain. We found more than just a wavelength of the brain: we found a channel of wavelengths, and that channel has so much room in it that the different wavelengths of each individual brain is farther separated in identity than the fingerprints on each individual's hand. This is a point we should remember: God can actually keep in Heaven a record of our thoughts as individuals just as the FBI can keep a record of our fingerprints in Washington, D. C.

We wanted to make an experiment to discover what took place in the brain at the moment of transition from life to death. We chose a lady whose family had sent her to a mental institution, but who had been discharged. The doctors could find nothing wrong with her other than the fact that she had cancer of the brain. This affected the balance of her body only. As far as her alertness of mind was concerned, and every other way, she was exceptionally brilliant. But we knew that she was on the verge of death and she

Dr. N. Jerome Stowell only a few weeks ago was a Scientist and an Atheist. Now he is a Full Gospel Christian declaring the wonderful truths of the Almighty God he discovered by scientific instrumentation!

was informed in this research hospital that she was going to die.

We arranged a tiny pickup in her room to ascertain what would take place in the transition of her brain from life to death. We also put a very small microphone, about the size of a quarter, in the room so that we could hear what she said if she had anything to say. Five of us hardened scientists—perhaps I was the hardest and most atheistic of the group—were in an adjoining room

with our instruments prepared to register and record what transpired. Our device had a needle pointing to 0 in the center of a scale. To the right the scale was calibrated to 500 points positive. To the left the scale was calibrated to 500 points negative. We previously had registered on this identical instrument the power used by a fifty kilowatt broadcast station in sending a message around the world. The needle registered 9 points on the positive side.

As the last moments of this woman's life arrived, she began to pray and to praise the Lord. She asked the Lord God to be merciful unto those who had despitefully used her. Then she reaffirmed her faith in God, telling Him she knew He was the only power and that He was the living power. She told God He always had been and always would be. She praised God and thanked Him for His power and for her knowledge of His reality. She told Him how much she loved Him!

Us scientists had been so engrossed with this woman's prayer that we had forgotten our experiment. We looked at each other and saw tears streaming down scientific faces. I had not shed tears since I was a child.

Suddenly we heard a clicking sound on our forgotten instrument. We looked and the needle was registering a positive 500 desperately trying to go higher, only to bounce against the 500 positive post in its attempt!

By actual instrumentation we had recorded that the brain of a woman alone and dying in communication with God had registered more than 55 times the power used by a fifty kilowatt broadcast station in sending a message around the world.

After this, we decided to try a case very unlike the first one. We chose a man lying in the research hospital, stricken with a deadly social disease. His brain had become atrophied to the very point of death. He was practically a maniac. After we had set up our instruments, we arranged for one of the nurses to

antagonize the man. Through her wiles she attracted his interest in her and then suddenly told him she didn't want to have anything more to do with him. He began to verbally abuse her and the needle began to register on the negative side. Then he cursed her and took the name of God in vain. The needle suddenly clickd back and forth against the 500 negative post!

By actual instrumentation, we had registered what happened in the brain when that brain broke one of God's Ten Commandments, "Thou shalt not take the name of the Lord thy God in vain."

We had established by instrumentation the positive power of God and the negative power of the Adversary. We had found that beneficial truth is positive and that non-beneficial things, covered by the "thou shalt nots" of the Ten Commandments, are negative in varying degrees.

If we scientists can record these things, I believe with all my heart that the Lord God can keep a record of our thoughts. He has more power than we have and is a better record keeper than any of us on this earth.

As a scientist I don't believe the halo painted around Jesus' head is merely an artist's conception. I believe with all my heart that it is emanating power, it is magnetic and electromotive power that was actually with Him because in all ways He was with God in His truth.

This power is promised to us. We are promised that if we think His thoughts and keep His commandments, the faithful will be caught

up to meet Jesus when He returns.

God has given us many great and wonderful things. The greatest and most wonderful of these is His only begotten Son, Jesus Christ, who was crucified on the Cross, who gave His life and blood that we might have everlasting life, that we might be cleansed from our sins and be healed of our diseases. Just before Jesus ascended to Heaven He said, "But ye shall receive power, after that the Holy Ghost is come upon you." Previously He commanded His followers to tarry until they be endued with power and had promised to pray the Father who would send another Comforter, the Holy Ghost, even the Spirit of Truth.

It is this Presence of God in us that gives us power, the extent of which we have no conception as to its magnitude!

I am a scientist who loves the Lord God with all my heart, mind, might and soul. I want you to pray for me that I will always be faithful, that I will always be humble, that I will always magnify His truth, that I will always think and say and do the things a positive God wants me to think and say and do, and that I will think and say and do nothing according to the wishes of a negative Adversary, who kept me blinded and bound so many years!

#### Example Never Fails

I'd rather see a sermon than hear one any day;  
I'd rather one would walk with me than merely tell the way;  
The eye's a better pupil and more willing than the ear;  
Fine counsel is confusing, but example's always clear;  
The best of all the preachers are the men who live their creeds,  
For to see God put in action is what everybody needs.

I soon can learn to do it, if you'll let me see it done;  
I can watch your hands in action; your tongue too fast may run;  
The lectures you deliver may be very wise and true,  
But I'd rather get my lessons by observing what you do;  
I may not understand the high advice you give,  
But there's no misunderstanding how you act and how you live!

### Preamble to Constitution of International Fellowship

While there are, already, international organizations for the furtherance of Christian Fellowship among men, and cooperative action in the Lord's work, we are led of the Lord to establish, by his enabling grace, an international fellowship organization of men who are "full gospel" believers, as defined in this Constitution. (Doctrinal Statement appears on back page of Full Gospel Men's Voice).

Some of the needs which this fellowship is designed to meet are: to supply means for spiritual fellowship in Christ, not now available elsewhere, among full gospel believing men; to promote effective co-operation of such men, in gospel work; to unite in the Lord's fellowship and work, groups of men characterized by more complete responsiveness to the movings of the Holy Spirit, and to establish an organized work which will strengthen Full Gospel Churches everywhere.

It is to these objectives that Full Gospel Business Men's Fellowship International is dedicated. By faith we commit this work unto the Lord, in full confidence that, according to His promise, our "thoughts shall be established".

## Contrasting Temporary With Permanent Values

By Miner Arganbright

*Vice-President Full Gospel Business Men's Fellowship International*

Our official publication, the Full Gospel Men's Voice, will carry from time to time success stories of Full Gospel Business Men. The Editor chose me for the first issue. Until that issue came out giving the facts, I never realized I had attained to such success.

But, you know, real success is not measured by one's material possessions or business ability nor by the amount of prestige one is able to exert. Neither is it reckoned by the great amount of applause one gets. But true success consists in the absence of fear and in its place the peace of God in one's heart.

The greatest business in all the world is that of making, with God, our peace, calling and election sure, and the greatest contract ever signed is not written with ink, but by the Holy Spirit on the fleshly tables of one's heart. This will pay dividends, not only in this life, but throughout the life to come!

As our Fellowship grows in such magnitude, I am inclined to contrast it with what I saw on my tour last Summer. I visited Luxor, Egypt, and the country around Damascus and over to Gerasha, one of the Decapolis cities that our Lord visited. I went from Galilee to Jericho and then to Jerusalem. I thought of the magnificence and wealth and splendor of those cities where now there is decay and ruin. This is the contrast: there is everlasting newness and freshness in the Gospel of our

Lord and Saviour Jesus Christ. There is an unspeakable pathos as one looks at the ruins of those magnificent places, but there is everlasting comfort and hope in the Gospel of our Lord, through His Grace!

### Who Walks With God?

Who walks with God must take his way

Across far distances and gray  
To goals that others do not see,  
Where others do not care to be.

Who walks with God must have no fear

When danger and defeat appear,  
Nor stop when every hope seems gone,

For God, our God, moves ever on!

At the Los Angeles Breakfast-Broadcast on July 25th, a Birthday Observance was held for President Demos Shakarian. He was presented a huge cake inscribed, "Happy Birthday Demos. Psalm 23." He was given a wonderful Bible with his name stamped on the cover in gold. A great number stood up and told of their appreciation for his life. He had previously received a flood of congratulations by mail and by wire. Then the August issue of Healing Waters came out with "The Story of Demos Shakarian and the Full Gospel Business Men's Fellowship" by Editor Gordon Lindsay.

## Holy Ghost Rallies Begin In Santa Clara Valley

By R. W. Culpepper

Monday, July 6th, marked the date of the beginning of another great interdenominational Full Gospel Holy Ghost Rally, conducted in Santa Paula, California, in the Assembly of God church, where Rev. Paul Wells is Pastor, with the Full Gospel churches of that area co-operating. The writer of this article feels honored to have been the speaker at this first rally in the Santa Clara Valley.

In the company of Demos Shakarian, Revs. O. C. Harms, Raymond Harms, and Paul Boyer, we arrived in Santa Paula at 7:30 p.m. to find the church packed with an enthusiastic congregation that was gathered together to worship God and enjoy the fellowship of many Full Gospel churches for one common cause: the breaking down of denominational barriers that would divide and separate the body of Christ! The spirit of love, unity and expectancy literally permeated the air to such an extent that the service was crowned with God's Divine anointing where souls were saved and the entire congregation was edified and lifted up in faith in this great rally.

The July Holy Ghost Rally for the Los Angeles area, which was conducted in the Garvey Theatre, in South San Gabriel, California, was mightily anointed of God. A number were saved, filled with the Holy Ghost and healed. Among these was a scientist, Dr. N. Jerome Stowell, who was gloriously filled with the

Holy Ghost and fire and has since felt the Divine calling to the ministry of the Lord Jesus Christ.

These rallies are reaching people from all walks of life. Many from nominal churches are being attracted

Esther Lei Johnson, center, of Pago Pago, Tutuila, American Samoa, daughter of an American Navy man, was a little girl at Pearl Harbor when the Japanese planes attacked and destroyed the cream of the American Navy. This attack was led by Captain Mitsuo Fuchida, right, Commander of the Japanese bombers. Since then Esther became a Student at Monte Vista Christian School, Watsonville, California, and became a Full Gospel Christian. Captain Fuchida, also has become a Christian, and has been witnessing for Christ in the United States under the direction of Chief Sky Pilot Elmer Sachs, left. to these meetings and thus getting their eyes opened to the Full Gospel message. There has never been the slightest hint of dissension between the many churches that are co-operating in these rallies. The truth that "Pentecost" is an experience with God and not a denomination nor limited to any certain group has inspired many outsiders to seek the Baptism of the Holy Ghost and search the Word of God concerning the Full Gospel message. This in-

evitably leads to the opening of eyes and hearts that have hitherto been closed to many great truths of the Bible and experiences that God has for all that will believe.

The August rally was held at Faith Tabernacle, Los Angeles, where Rev. Raymond L. Harms is Pastor. Rev. S. F. Bowler was Chairman and Rev. Walter Larson was the speaker. People came for many miles and none went away disappointed.
