ORU Students To Attend Brazilian Crusade

On August 3, 1966 the Maracana-
zhino Auditorium, situated in the heart of Rio de Janeiro, Brazil, will
open its doors to a group of Ameri-
can ambassadors of the Gospel, the
Oral Roberts Evangelistic team.

However, this evangelistic crusade
will not be as others have been; for
along with the dedicated members of
the crusade team there will be twen-
ty students from the University who
will go along to help and be
helped by this crusade.

These students have been chosen
during the summer and in associa-
tion with the Metropolitan Opera
production "The Magic Flute," and the
students will participate in the
musical and the overall orientation
of the crusade team.

The students who were chosen to
participate on this trip are Eugene
Baylor, Larry Dalton, Dave Eland, Sam
Hillis, Patricia Holcomb, Martha
Hope Rutherford, Joyce Tyson, Dona
Wanabide, and Paul Williams, from
or are already_matriculated level;
and Cecile Allen, Glynn Dickens, and
Paul Oriley from the grad programs.
The alternates who were chosen are
Hans Beisterer, Roger Staub, Bev
Hubbard, Marcelle Hensel, and
Richard Engley.

These students have already start-
ed preparing themselves for this
crusade. They are being instructed
in Portuguese, the language of the
Brazilians and will be able to con-
verse with the people about the
Gospel. Each individual has begun
personal preparation by asking the
Holy Spirit to guide him.

The students will be leaving around
July 21 and will stay until the
crusade is over August 7. How-
ever, "says Hope Rutherford, "the
return home will not be the end of
the experiences for the memories
of this journey will live always with
the twelve."

So Long — Not Goodbye

It has been our honor and privi-
elight to live in a faculty stu-
dent body this year that are
unique. I say unique because they
have been drawn together by the
charismatic pull of the Holy Spirit
and a family, a true ecclesial
body, and have demonstrated that
people can live together in unity
and love in their quest for wholeness.

I have never failed to feel the
presence of God at any time when
I have walked on this campus nor
have I failed to receive inspiration
from any student or faculty member
throughout the year. I can truly say
that you have brought great inspira-
tion to my life and added a major
dimension to my vision and faith.

Much prayer has ascended from
these grounds, these halls and the
rooms. Faith has reached God and
miracles have been wrought. The
vagaries of life have been
succeeded even beyond our expecta-
tions; only a few have failed to
imagine up the good things they
had for themselves. We have much
to be thankful for.

I have the keenest admiration for
this campus family because they
have faced the frontier with vigor
and faith in the midst of a bustling
building program. There have been
few complaints while hundreds of
partners were on campus in differ-
tent seminars and family and stu-
dents have pitched in at last
to meet their needs. All the partners
have gone away with reserved hopes
and greater determination to help
put ORU over the top. I thank
every one of you for helping to
reach and our goal and I thank God
for our partners.

So long, but not goodbye, dear
student friend. I am proving that I
will see you again next fall as we
begin what I can safely call the
rest of your college experience. It
will be a great period for you and
future ORU students. This campus
will continue to rise in excellence and
promise. If you for some reason
should not be back next fall, I still
do not say goodbye. You are a part
of us and we are a part of you.
We will carry each other in our
hearts forever.

So stand up on the inside, reach
high and far, believe God with all
your heart and expect a new miracle
every day. Be determined to becom-
the whole person God in-
kindness you to be.

Electoral Held For Coming Year

On Thursday night, May 5th, ORU
students went to the polls, and a
week of vigorous campaigning was
climaxed. The offices filled were
those of the Student Body Officers
and the Sophomore Class Officers.
Also the Associated Men's And
Women's Presidents were elected.

The Student Senate Officers for
1966-67 are: Eric G. Pinion, presi-
dent; Paul Bigandt, vice-president;
Jenet McCubbin, secretary; and
Yvonne Dykstra, treasurer.

Upon hearing of his success, Pres-
ident Pinion said this to say: "All
I can say is thank you to everyone
who supported me. I will do my
best to make ORU a school to be
proud of."

The Sophomore Class Officers are:

Steve Shakarian, president. Cory
Nickerson, vice-president; Judy
Thomas, secretary; and Andrew Wever,
treasurer.

The Associated Women's President
is Karen Bach, and the Associated
Men's President is Allen (Buck)
Ellington. These presidents will pre-
side over their respective Judicial
Boards.

In September election of the Freshmen and Junior Class Officers will be
held.

All of those elected will have a seat on the Student Senate, which
is the center of student government.

ORU Story Filmed

The development and growth of
ORU and its students were profes-
sionally filmed May 1–5, for world
wide production. This film will tell
the story and purpose of ORU.

Professional counselors and direc-
tors for Cinema and Hollywood
such as Peter Larskov, who rec-
ceived an Emmy award for the mo-
tion picture direction of PAY 
BREAKER and HENRY ORIENT, are
directing the filming of ORU.

The movie will follow a student
from the time he first entered the
university until the end of the freshmen year on May 5. It will depict this stu-
dent and other students, and faculty
as well, in many of the situations
and activities on campus.

The theme around which the film
is developed is the whole man
concept. The film will show various
aspects of the physical, social, spirit-
ual and mental aspects of the uni-
versity to give an all round view of
the purpose and goals of Oral
Roberts University. It will always
be the importance of such an institution
centered in Christ while having a
liberal arts curriculum.

Dr. Tuel Looks Forward

Dr. Tuel, dean of student affairs,
has presented a tentative list of se-
veral new courses to be added to the
curriculum as well as developments in
Learning Resources for next year.

A thorough study of the humani-
ties program is being made. For
further improvements in this field
of study there will be aug-
mentation for elementary German,
and also Hebrew in the Seminary.
Colloquium will be covering Europe
and Asia, and there will be five de-
partments of study on a junior level.
These are English, philosophy, so-
 ciology, and speech. A course in
orientation for all new students is
under consideration for the coming
school year.

The Learning Resources will be
used to a greater extent and more
audio-visual material is to be
stolied. New faculty members are
coming in to cover new courses.

Dr. Tuel mentioned the possibility
of a non-credit reading course for
next year also, but nothing defi-
inite has been established concern-
ing this. Two new additions to the
science department are the bot-
any and zoology. Also dramatics
have been added to the speech depart-
ments.

"There is much to look forward to
for the coming year," Dr. Tuel
stated, "which will bring more ad-
vances to our modern ways of learn-
ing at ORU."

ORU Joins Opera

ORU students will sing in the
Tulsa Opera production of Puccini's
"Turandot" on Nov 3-8. Voice ma-
jors and minors with an grade aver-
age of A or better have been se-
lected to participate in this famous
opera. The students chosen are:
Richard Elks, Don Fec, Eric Fico,
John Helbig, David Hoyt, Corey
Nickerson, and Joyce Tyson.

"Turandot" has named Mr. Clark
as a music director for "Thu-
randot." He was chosen because
of his past experience with the
Metropolitan Opera production of
"Turandot" at Minneapolis, Minne-
sota.

PRESIDENT ROBERTS

Mr. Gomez, Paul Oxley, Paul Williams, Sam Hills, Dave Eland, Eugene
Boy, Larry Dalton, Hans Brotterlund, Richard Ingley, Glyne Dickens,
Grant Row, Patti Holcombe, Joyce Tyson, Hope Sutherland, Marcelle
Hensel, Rev Hubbard and Cecile Allen.

Pins Go On Sale

On Tuesday, May 17th, ORU
charter pins and lapel pins were
available. It was felt by the Student
Senate that the students were privi-
eged to attend ORU the first year
and should have something to distin-
ghuish them from later classes.

For the woman a lavaliere was de-
designed, and for the man a lapel pin
in the same design was put on sale.

The sales have gone very well
and everyone who purchased one will
be anxiously awaiting the arrival of
their pins this summer at home.
Seek Ye First

As we face the summer with its opportunities and possibilities let us remember the words of Jesus Who said, "But seek ye first the kingdom of God and His righteousness; and all these things shall be added unto you." We might well asked what is this "kingdom of God" and what will happen to us when after asking it, we find it. But when we ask what He had done that caused the child priests to deliver Him, up to him for judgement, Jesus simply answers that His kingdom is no of the world's thoughts, but of the Father's words. "The kingdom of God is not near and is small, but righteousness, and peace, and joy in the Holy Ghost."

One of the most shocking statements ever uttered by human lips is the declaration of Jesus found in Luke 17:20. "... for, behold, the kingdom of God is within you." If we have Jesus Christ as our personal Savior, He is our righteousness ... in fact, He is within us. Not only is the righteousness of Jesus ours, but so is His joy and peace which are outwepters of His divine Love. Now we understand that the kingdom of God is a kingdom of peace, "For God is love."

This summer as well as the rest of our lives let us allow His kingdom of joy and peace to flow out of our lives to a world that is seeking liberty and justice. When we listen to His joy as our hearts leap up in praise to Him, then as we continue to walk in Him, His joy leads us into His peace that passes understanding. The utter simplicity of it all ... we first recognize that His kingdom is within His believers, praise Him, for He is worthy of ALL PRAISE ... then We have given Him all our joy and eternal peace. The just shall live by faith and praise is the highest expression of faith. Great works have been won by faith, greater ones have been won by praise ... offer a sacrifice of praise today to God and see if His kingdom of joy and peace does not become more real and satisfying to you.

Mrs. Jaycox Publishes Poems

Mrs. Clarice Jaycox is a member (now honorary, due to gain of miles) of Phi Spelun Na Serenity, a creative writing group in Northern Indiana. Among their many goals the study and setting of pattern poetry, with an attempt to have as many published as possible. "Exiled" publication being one of the most awaited "markets." The following double Cinquain, written by Mrs. Jaycox was the first poem from the group to be purchased by "Outdoors" at $3.00 per line.

A Thought

Came out of space
Found lodgings in my mind.
Just briefly, for it
Had not come to stay.
It grew
In that brief moment
From thought to real action.
Therefore, beware what thought
You house at all.
The next poem in Rodeo pattern... It was accepted by "Chimera", a poetry magazine published in Indianapolis, Ind.

In Early Spring

In early spring the delight is flowers, peeping out for light. As they push up such tiny head And make alive, each flowered rod.
Oh! What a lovely poet's sight.
At first the crocus owns in all its pride.
With shades of color, soft in each flowered rod.
They come along most any day
In early spring.

Maestro Autori Visits ORU

The conductor of the Tulsa Philharmonic, Maestro Autori, visited our campus and spoke to the music students at 1:00 p.m., on Friday, May 13.

The Maestro (Instructor), who has been in the United States since 1938, was impressed at the "golden opportunities" the students here on campus.

Mr. Autori opened the floor: to questions from the students. When asked how much time he spent on his music, he replied, "I practice from 6 to 10 hours a day. Let me say this to you who are considering music as a profession, unless you are willing to give all your time and energy, unless you are willing to dedicate your life completely to music, as a minister does to God, forget music as a career. Music is not worth the time and work involved unless this dedication has been made.

The Maestro's visit was greatly appreciated, as well as his words of encouragement and exhortation, by all those who visited with him in the Music Room.

Year Book to Be Mailed

The charter edition of the ORU yearbook will make its debut in August. The '64-'66 yearbook will be mailed to students of the outgoing freshman class, and payment will be covered by the activities fee. The staff is devoting much time and effort to produce this logo edition a source of pride and an impressive remembrance of the first class of ORU.

Eiland Slates Great New Year

By Andrea Hohrigit

Mr. Gene Eiland, head of the music department is a man of astounding energy and love for the Lord. He has worked hard along with the other members of the faculty and the students to help develop a superior music department.

Mr. Eiland came to ORU from Denver, Colorado. He has studied at Colorado State University where he received his B.M.E. and M.M.E. He also did undergraduate study at Arkansas university and master's degree at Denver University and Colorado. University. Further, he has received his Ph.D. from the Bremerton Washington Symposium. He was also a clarinetist and saxophonist in the Denver Symphony Orchestra. Besides this he has been 1st stand clarinetist in the Denver Municipal Band and a state band director for Washington, Colorado, and Oklahoma.

The outstanding performances by choir and band in the community and state. The band next year will have 60-70 members as the student applications thus far for next year. The band plans to give two formal concerts next year, one in the winter and one in the spring.

**DUTCHEM'S DOUBLE-DUTCH**

1. Crisp sheets—These are known as encyclopedias on note cards. These are very helpful and are clumsy and some professors tend to notice students who carry a microscope to read their note cards.

2. For biology students I am selling iron-on transfers. The transfers are on the cut of a whole sheet. It contains a picture of the human skeleton with all the bones labeled. These are on sale for $1.00 each.

3. For the students who have been caught cheating before, I have the perfect answer. I am a biol-fraud proof method. All you have to do is gather your own information and take it on the work of your eye ball. No one will ever respect you if you have all the answers.

4. If everything else fails including chemical formulas on your finger nails, so a last resort you can study for the test. This usually works quite well.

I want to wish everyone good luck with their exams and I will see you all next year. Have a good summer and may God bless you in whatever some laughter into your hearts this year.

See you soon.

The Dutchman.

Spring Dinner Party Held

Friday evening, May 13, at 7:30, the Dutchman, Head of the Minkie-Barton Building, was seated at the head of a dinner table, which was filled with persons. The guests included members of the faculty, students, and other friends of the university. The hall was decorated with flowers and candles, and the atmosphere was warm and inviting. The guests were served a delicious dinner, consisting of roast beef, potatoes, and vegetables.

The evening was filled with conversations and laughter, and everyone enjoyed each other's company. The Dutchman hosted the dinner party with grace and elegance, ensuring that everyone felt welcome and included.

The following morning, the students awoke to the sounds of birds chirping and the sun shining brightly. The atmosphere was one of excitement and anticipation for the day ahead.

**Picnic Success**

On Saturday, April 30, the Student Senate sponsored the first class picnic. It was held at the Larkins Amphitheater Park at 1:00 pm in spite of the cloudy and brisk day. Despite the weather, more fun was had by all as the skies cleared for an hour and a half. Also the penny arcade featured various games which tested the skills of many ORU students.

Then following the Amphitheater Park, everyone adjourned to Me-Donald's for a formal picnic. A$1.00 was charged for the fare. The day was long remembered as a highlight of our new year.

**Sols Unlimited**

A group of ORU men and women dedicated to Jesus have gathered to gather every Friday or Saturday afternoon for 12 noon. Gene Eiland, a former ORU chapel director, volunteered to help with the formation and mediation of the group of students. The group has grown from a handful of students to a dynamic and lively chorus of students who are interested in being by Jesus and his teachings.

The group started out with only a handful of students, but now has grown to a size of 20. These students are filled with aunction for God and love for each other, as they share their own personal stories and day to day experiences of their faith. The group has become more than just a place to gather, but exciting and challenging bringing forth joy and peace.

**ORU Choir Has Successful Year**

"The ORU choir has had a very successful year and has served the needs of the institution in every way this year as a chapel, seminar and concert choir," stated Mr. Clausen. The choir has received wide acclaim for itself and the appreciation of ORU.

Next year there will be a double choir. Mr. Clausen would like to have a concert choir of special members, or singing students of the college. Meanwhile, the ORU choir has been asked to sing with the Philadelphia Philharmonic in the spring.

"The choirs has had a very successful year and has served the needs of the institution in every way this year as a chapel, seminar and concert choir," stated Mr. Clausen. The choir has received wide acclaim for itself and the appreciation of ORU.

**Dante's INFERNO**

Since this year and this semester are nearly gone, never to be recalled again. I have thoughts for us and others. As you all know, finals are upon us. Each of you will be required to give an account of what we have learned this year. For these students who have taken 100, this article does not pertain to you.

If you have trouble remembering facts, perhaps this will help you pass.

**Candide Campus**

By JOKAH

(Note from the Kitchen)

Ronnie Wiggins, head chef, is becoming well known for his surgical abilities. His sharp knives almost out Tom, alias the Princess, his left thumb. Ronnie is applying for Dr. Napolding's assistant next year.

Then there was the time the power went out during the biggest seminar ever to hit ORU's campus. Would you believe at dinner time? Would you believe twice? We were supposed to ORU's dining room being ushered to higher authority.

One last word—

Cheri Johnson, how did you get those brownies to be so chewy? There has been rumor that the recipe was mixed up with a mix--it yourself guile formula. Better sources would say that Dave Camera of the kitchen's helpers and also Dr. Cain's young protégé has engraved Cheri in chat of his new book "DINNER PARTY HISTORY OF BREAD." The brownies have just plain over-boosted: What a tremendous thresh- until next year, Candide Campus Friends, so long.

**Life-Saving Class**

An American Red Cross Dr. Life-Saving Class has been successfully completed, by 5 of the 9 who enrolled. Those who participated were Ken Anderson, Zane Fields, Gede Halter, Mark Hendy, Paul Simon. CONGRATULATIONS!
