17 Saved, 13 Sanctified, 6 Get Pentecost

Woodville, Okla., Aug. 1

The meeting at Woodville, Okla., is in full blast now, and God is wonderfully blessing. There have been 13 saved, and 10 Sanctified, and 5 have received the baptism of the Holy Ghost up to date. The meeting has been on two weeks and is still going on, and the altar is full every service. This is a new field. All of the churches are taking an interest in the meeting.

We are having a real old time camp meeting, and people are coming from Texas and for 20 miles around.

My next meeting will be at Dillard. All pray for me. Come to the Camp Meeting at Seminole Aug. the 19th. E. G. Murr

LATER

Woodville, Okla., Aug. 2

Will give you a report of the meeting last night at Woodville. There were 4 Saved and 3 Sanctified and I received the Baptism of the Holy Ghost. Some lay under the power all night. This is a real old time Pentecostal Camp Meeting. Almost all of the church members says “he sure preaches the Bible.” May the Lord bless all of the Pentecostal Holiness Faith readers.

Pontotoc Meeting

40 Experiences

Aug. 1, 1921

I am praising God for the wonderful meeting which was closed last Thursday night at Pontotoc. I am glad that I had the privilege of seeing 40 souls pray through on all lines.

It was a real old time camp meeting. People came for more than 50 miles in covered wagons and camped during the meeting.

I am glad that I got to see Bro. Jimmie Cook (Bro. Jesse Cook’s brother) get the Baptism of the Holy Ghost and dance and talk in tongues. I really believe he is a full-blooded Holiness now.

The last night of the meeting they took ten into the church, 8 of whom were young girls and 6 of them were filled with the Holy Ghost praise the Lord.

Bro Cook goes to Oilton in a battle for the lost, so every one who reads this hold him up to God in prayer. Pray for the band of young people at Pontotoc, and for me. Your brother under the Blood, Saved, Sanctified and filled with the sweet Holy Ghost.

HILL TOP CHURCH

Dear little Faith and your friends. We are glad to report a grand old victory time in the Hill Top meeting out near Calvin.

When we came in and opened fire it seemed the folks couldn’t hardly understand us. Some of the folks would look sour and others would look sweet and good as the Word went forth. We have found a large number of friends at Hill Top for which we thank God.

We began here July the 16th, and closed the 31st, and when it seemed things was being bound and so tied up until no one would get to God, the Lord began to put an old time fast on the saints and a number went into a fast and prayed and would not give up until the Lord dropped a load or more of hot shot into the camp and things went to moving around and from 5 and 6 to as high as 20 in the altar at a time and by this time they begin to get saved at home, then at the service; then one received the Baptism of the Holy Ghost at home; then that night while I was preaching on Sanctification as a second work of grace one of the workers, who was in the fast, had gotten hun-

3 Receive Baptism of the Holy Ghost

Again our hearts are made to rejoice at the good work of the Lord at El Reno. Many have been the victories there since the Lord so definitely led our Bro. Rhea to that field of labor. Now comes the report of a great meeting at El Reno Sunday night, Aug. 7, when 3 received the Baptism of the Holy Ghost and some were Saved in this service also. Amen. Just the Sunday before two received the Baptism of the Holy Ghost, including the pastor. We appreciate God's blessing upon this Church. God has blessed it since its organization.

Annual Conference Meets Aug. 29

The Annual Conference of the Oklahoma Conference of the Pentecostal Holiness Church is to begin its sessions at Seminole Aug. 29. It is desired that every member be present, and also a delegate from each church. The Oklahoma Conference has grown to where it is no small gathering, and we are expecting it to be a time of great fellowship. The fellowship enjoyed at the gathering of the saints from the battle fields can be an elixir to your soul and that that will help to re-energize and encourage you for another year's work should Jesus tarry.

We wooka, Okla., Aug. 9

This past week has been the trying time of our lives. Wife and I have been suffering untold agony in behalf of our baby who it seems would die at almost any hour with convulsions for about six days. The death rattle seemed to take hold at one time, but we held on to God and so far she is spared. While we are having to give special care with her, yet we can see signs of improvement. We wish to thank the good people around Bethel for the assistance they have given in nursing the baby.

You see we are hindered from making our meeting with Bro. Corbit near Atoka. We ask all to pray that we can attend the Camp Meeting and Conference. Yours in love.

$1017.24 in Year Foreign Missions

Tuesday night, Aug. 9, was our final Foreign Missionary service for the Conference year in the Oklahoma City Pentecostal Holiness Church and surely it would have done your soul good to have been there. The approval and blessing of the Lord was upon this meeting and has been on this work for the entire year. As the roll was called and the offering taken for the Foreign work it was found to be $102.92, making a total for the Conference year of $1017.24, which was greeted with some hearty praises to the Lord and a spirit of rejoicing and thankfulness amongst the saints. $1017.24 for the Foreign field for the Conference year. We rejoice that the Lord has been so good to us in enabling this Church to respond thus from their hearts to this work that is so near to the heart of God. Rejoice with us and praise the Lord.

10 or 11 Saved and Some Sanctified

Word has reached us through our Bro. M L Dryden of a wonderful meeting that God is giving Bro. Ellis Roberts and workers near Ada. Many people are getting to God and it gives indication of developing into one of the best revivals of the year. Bro. Dryden helped in the meeting a few days and had to go to another appointment and sends us a report of the meeting to the time he left. Bro. Dryden writes:

Stratford, Okla., Aug. 5

I have been helping Bro. Ellis Roberts in a revival near Ada. God is in our midst. There has been 10 or 11 Saved and some Sanctified since Saturday night. 5 got saved last night with about 45 in altar.

I am on my way to Washington to enter another battle. I feel like fighting the battle to the end. Yours for the lost.

Woodville Meeting
57 Experiences

What has developed into one of the great meetings of the year is at Woodville, Okla., where our Bro. E G Murr started a meeting which got to going at such a rate until it kept Bro. Murr from going on to his next appointment.

Numbers of people have gotten to God and of course many are the happy and rejoicing ones. Besides the reports of this meeting on the front page, we take pleasure in giving these later reports of the meeting.

Woodville, Okla., Aug. 5
Will write you a report of our meeting again. It's in a sweeping way. There have been 22 Saved, 19 received Sanctification, 6 received the Holy Ghost, and the altar is full every service. Glory. Hundreds of people are coming. One man told me last night that he lived in Texas and he could hear me preaching plain. I tell you people are interested here. I never saw the nominal church members take in with the meeting as they are here, but I'm looking for them to buck up at any time. It may be that I can't get to Dillard at all now. I was to be there Aug. 3, but I couldn't leave here at all and I wrote Bro. Gaither that I would be there the 8th, and I don't know whether I will get there at all or not. I may stay here until the 14th and then to the Camp Meeting. My calls are great. So pray for me.

Emmanuel Meeting

The Emmanuel arbor meeting began Aug. 6, in charge of Rev. G C Waterfield. God is blessing the saints and Bro. Waterfield is doing some good preaching and conviction is upon hearts, and we are expecting a great reaping. Bro. Jake Kenney is there with his cornet. Pray for this meeting.

Sister Susie Taylor is back in Oklahoma City after holding a few meetings in Missouri.

The annual business meeting of the Oklahoma City Church on Thursday night, Aug. 11, was indeed one of victory. God has given the Church a good year. Bro. R B Beall was chosen as pastor for the coming year.

T. P. Depot waiting for my train for Oklahoma. Dear Faith family. I just closed my last meeting in Tallahassee, Fla., for this trip night before last, which made me 6 meetings in Florida, 1 in Atlanta, since the General Conference that met at Roanoke, Va., in May. It will be 3½ months, when I get home, since I have seen my family. But I praise God for sacrificing for Jesus.

God has given me one of the best evangelistic tours of my life up to this time. He has set His approval on our efforts every where I have been on this trip. I am almost broke down in my lungs and voice, but oh such glory that is flooding my soul. I know I am ready to meet Jesus at any time. He has kept me true to Him and helped me to preach it straight and clean on all lines. I aim to take a rest for my voice and lungs till over Conference. I am getting anxious to get back to Oklahoma and see the saints and be with my family awhile. I have always had a desire to come to the City of New Orleans ever since I was a boy. Well this morning finds me here, and I have always had a desire to go to the City of New Jerusalem, ever since I have been saved, and some bright morning I will be there. Oh glory my soul is on the mountain peaks of Glory. Heaven is near to me today. Your brother in Christ seeking the lost. O C WILKINS

In the Nick of Time

I am sure you will be interested in knowing of the wonderful blessing that God made the Pentecostal Holiness Faith to a certain minister during a testing time just recently. These testings come and sometimes they are very severe. This good minister was undergoing some real tests on the line of the necessities of life, etc., and had been presented with a temptation to give up and go back to work when just in the nick of time The Pentecostal Holiness Faith arrived laded with columns of good news fresh from the field, and our brother read it, and as he read the good reports of meetings he determined in his heart to stick it out and stay in the harness and go through with God, and with a fresh inspiration said no to the lure of a life of ease and determined to endure hardness as a good soldier of Jesus Christ. Amen. And I desire you to know that what proved such a blessing to him was your good reports of meetings. I knew you could be a blessing. Praise the Lord. Reports of souls getting to God in the experiences of Salvation, Sanctification, the Baptism of the Holy Ghost and of bodies being healed by virtue of the Blood of Jesus, always carry blessings to the hearts of the saints. It did the early Christians (Acts 15:3), and it’s been just the same all along with the Blood-washed Holy Ghost filled saints of God.

Healthy Progress Is Being Made

We appreciate indeed the progress that has been made in the Foreign Missionary work in the Oklahoma Conference during the past 2 years. It is with joy in our souls that we view this mighty upward trend in the Missionary work, as it has proven and will prove the greatest source of blessing that can come into our ranks. God has said that “Behold, to obey is better than sacrifice, and to hearken than the fat of rams,” and the more fervently and whole heartedly we hearken to the Lord Jesus’ final command to “Go ye therefore and teach all nations,” the greater the spiritual and temporal blessing coming to our work in general, or to the local churches or individuals in particular. And it is no mere coincidence that our great development in the Foreign Missionary work and the great development in the home work have come along side by side. It is but what might be expected for it is written that “he that watereth shall be watered also himself,” and a fervent Missionary spirit in active force is a source of great spiritual uplift.

In order that we get an idea of the progress that has been made in this work we give figures for a few years back. In the Conference year 1917 the Oklahoma Conference gave only $146.46 to Foreign Missions. The following year 1918 we reached up to $210.80, and in 1919 we increased just a few dollars and reached $263.41; then began the awakening, and some of our eyes were opened and as a Conference we gave in 1921 $1408.96. A considerable increase indeed. And praise the Lord for this Conference year already there has been upward of $3083.16 given in this work. And this despite the general depression in business and the slump in prices of farm products.

When the general depression came it was prophesied that we wouldn’t pay a tenth of our pledge to the China Home, but praise the Lord we are glad to inform the saints that there has been already given approximately on the China Home $1496.42. Amen

Our Missionary work is on the upward trend for which we are thankful to the Lord. I realize there is much room for improvement as many of our churches have not as yet been responding to this great work and are thereby missing some of the richest of God’s blessings. Pray for this work.

ARE YOU READY TO MEET GOD

From Bro. Hosey

Reeding, Aug. 1

Wish to praise Jesus our coming King for His love for mankind. When I think of what my dear Lord has done for me, and how many times He spared my life, I can’t find words to express how much he is to me. 12 years as a railroad man, brakeman and switchman many times have missed my step and fallen under cars and engines, and been in wrecks and came through it all uninjured then when I praise God. And to stop and think I was unsaved and going down and Jesus picked me up and made a man out of me. O, praise His Holy name forever and ever. Saints pray much for me in my weak efforts to hold Jesus up to the lost world. God has done so much for me and my family. Your brother for the lost.

2 Receive Baptism of the Holy Ghost

Sunday, July 31, the church at El Reno enjoyed a real refreshing from the presence of the Lord. The pastor, T E Rhea, had invited Bro. G C Waterfield over. In the afternoon Bro. Waterfield baptized 7 in water. After the baptismal service they returned to the church preparatory to taking the Lord's Supper and then foot washing, and while at prayer just preceding the Lord's Supper the Lord mightily baptized our dear Bro. Rhea with the Holy Ghost and he spake in tongues as the Spirit gave utterance. After the ordinances another one received the Baptism of the Holy Ghost and spake in tongues, then a backslider was brought back into the fold with a Thank God. Hallelujah! May the dear Lord give us more services and days like that.

A Testimony

Dear Saints. I want to praise my dear Saviour for what He has done for me. I am so glad that He ever saw fit to save me, and I am so glad that when He called me I gave myself to Him and have learned to lean on Him and to put all of my trust in Him, glory to His blessed name. I just can't praise Him enough for what He has done for me and mine. He has healed me and my family both and He has answered my prayers in making the unsaved ones in my home to believe in His healing power. Pray for them that God will save them. I have been in this way 5 months. Praise God the way grows brighter each day. I would not go back in the way of the world for anything. This way just suits me. Pray for me and Robert that we will hold out faithful till Jesus comes or calls. I want to live for Jesus and hear His Cross below and if the Saviour calls me to suffer pain and woe I want to be like Jesus, still and always watch and pray that I may reach that happy home in the realms of perfect days. Then let me die in Jesus His presence I shall have while crossing over Jordan to calm the troubled wave, and when over death I gain the immortal shore, reign with my dear Saviour when this world shall be no more.

THE WEEPING PROPHET

"The pangs of hell got hold of me." Moses said to the people, ye have sinned a great sin and I will make atonement for you.

Paul said, "I have great heaviness and continual sorrow in my heart, for I am conscious that myself was accused from Christ, for my brethren, my kinsmen according to the flesh." Joel 2:17. "Let the priests, the ministers of the Lord, weep between the porch and the altar, and let them say, Spare thy people, O Lord, and give not thine heritage to reproach." We ministers and workers should take the word of God to heart enough until we would not only give until it became a pain and burden, as we call it (it hurts). My dear Brother, remember there is never a birth without a pain. So God wants us as laborsers to plant vineyard of lost souls to work and toil in the difficulty, as well as when all is so pleasant and nice. Don't refrain from Jacob. There are only two roads. Yes, for a lost soul, that is as precious as ours. Go to the lost with an old-time message, or a song of cheer, and a spirit that will plead the case so that God will hear. With a heavy heart (not that you have sinned, but somebody else has sinned), and you only want to suffer the burden and let them go free. O that God would make our head a fountain of tears. Brother, God is bottling up all of our tears in Heaven. Psalm 126:5 "They that sow in tears shall reap in joy." So there is weeping as well as rejoicing in God's work. See what it brings. "He that goeth forth and weepeth, bearing precious seed shall doubtless come again rejoicing and bringing his sheaves with him." When God inclines the heart to pray He hath an ear to hear. Who can tell the outcome? That prolonged struggle of wrestling with God in prayer. Go after a lost soul in prayer and tears and a lot of worth and faith, then I want to say God will help us to weep, hunt and dig after them until we can bring in some sheaves instead of a bad report. Saints today, we sow in tears, tomorrow we reap in joy. We can get so thawed out and softened up, our hearts melted up that you feel you are running into liquid, and would melt away with sorrow for souls and compassion for the lost. You see the one who testified, he laughed and cried, and cried and shouted, and told how God had mercy on him. How he wanted somebody to come to God. It's the tears mingled with prayers, works and faith. and some shouts that aggravates the devil.

We read of one man who rose at 4 o'clock every morning for 90 days and another one who prayed with his face to the wall until the wall was wet with breath. he stayed there for so long. I wonder if we folks rise up that early, and pray that long. If we would we would catch so many fish we would have to have a boat to hold them. (John 21: 6). When you pray believe that it will come to pass, and God will bring it to pass. In 1895 I think it was when I met my first person by the name of Thurmian in Jackson County, Texas, when R. A. Thompson, of Dallas, pitched a battle in old Pentecost "Brother' Alvarado. Here God used a man by the name of Jefrires, red-headed as he was he wept, shed tears, shouted and sent the Word forth with power. It struck my heart like a dagger. The cry and weeping seemed to get hold of me, so I put myself at His feet for prayer. God was so real. Me and some of my friends were at ours. I went and fixed up all of it, come to the altar and Sister Tyra and others got hold of God as though a soul was dropping into hell, and it seemed that I was. O, what a glad time we will have some day in the sweet bye and bye. And we are still weeping and crying over the lost. Eternity can only tell it in full. I hope I will never see the day when I don't weep over a lost soul.

When Rev. Knapp was dying the last words he said was "Wake them up, wake them, wake them up." When Tucker Booth's wife (I think it was) was crushed in a railroad wreck and was carried out to one side. She, there away from husband and babies, died asking and pleading to those who stood by to give their hearts to God and meet her in Heaven. Don't be ashamed of your tears. God knows all about it. Yours in Him for the lost.

W. D. YORK,
Ravia, Okla.

THE WAY

There are two ways. The one to hell, the other to Heaven. In Matt. 7:8 "Ask and it shall be given you; seek and you shall find; knock and it shall be opened unto you." Now, when we assess God's law and when we seek. He sanctifies, and when we knock. He opens up the Baptism of the Holy Ghost to us and we receive Him. But the last knock, out seeking after Sanctification and get it in a finished way. Now let's see Matt. 7:13 "Enter ye in at the strait gate and broad is the way that leadeth to destruction." Now this is our country and the world. The way is going this way. Now sorry to say, but there are preachers in that way. In Micah 3:5 "Thus saith the Lord concerning the prophet that makes my people err." Now the Lord spoke this and not Offutt. So now for the way, the 14th verse "Because strait is the gate and narrow is the way, which leadeth to life, and few there be that find it." Now this is the way of life and few will enter in thereat. There will be many false prophets in sheep's clothing, and inwardly they are ravening wolves. They make outside appear beautiful, but inwardly are full of dead men's bones, full of old things. So you see the strait way has life. It's a clean way in Isaiah 35:8 "And an highway shall be there." Now this will take you out of sin. Now, "and a way, and it shall be called the Holiness (or Sanctification). The unclean shall not pass over it away from the dead things, they smell bad. Let's get in the strait way. Now, some lower the standard, and cause people to err. (Isa. 35:8, 66:10-12) "Go through the gates, prepare the way of the people, cast up the highways, gather out the stones. Lift up a standard for the people."

Now, no stoney hearts will be there, nothing but the pure in Heart (Matt. 5:8) "Behold the Lord has proclaimed until the ends of the world, say ye to the daughters of Zion (or the Church) Behold thy salvation cometh, behold His reward is with Him and His work before Him." Now listen to who the Lord says is in the way and the names He gives them. Then the world says we are lowering the standard. All right, Isaiah, the Holy Prophet gets on the stand, 12th verse "and they shall call them the Holy people, the redeemed of the Lord, and thou shalt be called sought out, a city not forsaken." Then you will hear some say it is too strait for me. Isaiah 49:20 this is the ones that have lost the highway. The children which thou shall have after thou hast lost the other. Shall say again in thine ears, the place is prepared for thee. Now in Jer. 30:6 you will find why they have gone astray, and who caused it. "My people hath been lost sheep, their shepherds (or preachers) have caused them to go astray, they have turned them away on the mountains, they have gone from mountain to hill, they have forgotten their resting place." May God help us preachers to not lead the wrong way. Keep on the highway, and in the way may God bless.

Meeting at Blackwell
Church Organized

To the little Faith Family scattered abroad peace be multiplied. I want to strike a note for my King, I am glad to report victory in my soul this day. You know that lots of folks are troubled and bothered and not settled but I truely thank God because Jesus left the comforting words He did John 14:1-3 Let not your heart be troubled, ye believe in God believe also in Me. In My Father's house are many mansions if it were not so I would have told you, I go to prepare a place for you, and if I go and prepare a place for you I will come again and receive you unto myself that where I am there you may be also.

It makes no difference what comes if we believe in Jesus He has a mansion for us. Lots of God's saints some of these days will trade their old log huts and get a mansion with rubies, pearls and gold, and thank God we won't have to burn oil for a light, but God will be our light, and we can feed our souls on the hidden manna, oh saints let's look up and if we don't have enough to eat here the time is nigh at hand when we shall have a good supper and never get hungry any more.

I just closed a meeting at Blackwell, where God truly blessed us, and we set a church in order with 10 Blood-washed saints, and several others intend to come in, God has promised a work at Blackwell, and I know He is true to His promise, so let's live true saints and God will give a church house there. I ask the prayers of the saints for this place for we have some hills to climb but Jesus is the Captain - so press on children. Oh I never hated to leave a place like I did there. It just seemed like God just put a deep morn on the saints, and as I

would take their hands and say goodbye Heaven would turn loose in our souls while the tears would trickle down their cheeks, I could see a deep determination in there they meant to stand. And like Paul of old, when I went to the train the saints and others accompanied me with love and sobbing hearts. Oh, I tell you some of these days I expect to meet them around the throne where we will thank God for coming to Blackwell. The town was stirred and Pentecost was the talk. Sinners didn't want us to leave. I am expecting to see a building go up there for true Pentecost there are lots of honest hearts that are in sympathy with Pentecost since we organized.

I am in a meeting at Ponca City with Bro. Kenneth Jolliff in his new church. Saints pray for us. One sanctified last night, 4 others seeking to be saved, and conviction on others. Home address Sulphur, Okla., Box 68

New Model Meeting

Holdenville, Okla., Aug. 7

Dear saints. The Lord has delivered me out of the cage. I really enjoy being out in the battle with the other brethren.

We have just opened a revival at New Model school house, near Holdenville, and have found several sincere seekers of every line of experience, up to the present time. We are expecting a break at any time as there is considerable interest being taken.

I especially request the prayers of all the saints as there are several calls for meetings in the same community and we need all of your prayers. In the rescue service for the Master. From your Bro. JOHN SONDEREGER

Blountstown Meeting

Blountstown, Fla., July 27

To the readers of the Pentecostal Holiness Faith. Greetings in Jesus name. The last time I wrote to you I was in the Lake Mystic camp meeting. God gave us a good camp meeting at that place for which I praise God. People came from several miles away to attend that meeting. One thing there they all seemed to love the Truth, and stood by it. I love to preach to people that love the truth. God has some of the salt of the earth at Lake Mystic, Fla.

At this writing I am engaged in an arbor meeting at Blountstown. We have a fine arbor 60 feet square. We have large congregations and God blesses us as we cry out against sin and spiritual wickedness in high places and some few have been saved, but we are having a hard fight here. The devil is here in many forms, but we are not handling him with gloves on, and we have no sympathy for him. We will be here till this coming Sunday night, the Lord willing, and then we aim to close here.

We intended to go home from this meeting, but it seems that God ordained otherwise. It means so much for us to deny ourselves for the Gospel sake. I go from here to Tallahassee, Fla. I hope to get back to Oklahoma in time for Conference. Surely the fields are white unto harvest but the laborers are few. Who will say yes to God and give up his life of ease for one of toil. We don't need any tenderfeet on the battle field today, but we need men who will live on the firing line and face hardships and suffer for Jesus sake. If we do I believe we will have treasures in Heaven awaiting us. When I said yes to God 17 years ago I didn't know what all it would mean to me, but there is still a yes away down in my soul to God's will. I feel His love in my soul today and Heaven is inviting me. Praise God. one day I will pack my old suit case for the last time, one day I will kiss wife and my children goodbye for the last time, and one day I will leave this earth for Heaven, I am glad I can read my title clear to mansions in the skies.

'When you read this I will be in a meeting at Tallahassee. Be sure and pray for me and that meeting. Oh glory, I am glad that I have a love in my heart for lost souls. Your Brother in Christ seeking the lost.

O. C. Wilkins

Under date of July 28, Bro. Wilkins writes us in a personal letter that "God gave us a landside last night, for which I praise Him."

Hill Top Meeting Continued

got that day and ate a meal, and thought he had committed a sin, when it was God smashing and bursting in upon us. He arose and stopped me in the discourse, came in the altar for prayer. We all prayed and the fire seemed to shower down on everybody. I will stop any time to pray with a hungry soul, and it does not hinder me in preaching the Word, it's only a tonic to me, Glory. So from then on the cries and weeping was not a strange thing to be heard while the Word was going forth; sinners who have not been touched for time, and children of God under the burden weeping and mourning with words unutterable. It seemed at times you could almost hear the shrieks and cries of lost souls as they are turned out into outer darkness to reap their reward.

Dear Bro. Clyde Hardy and wife and Bro. Frank Clark and Bro. Calhoun who lives here, Bro. Isbell the pastor, also Brother Vaughn and wife who are all on fire steamed up and will pull to the top of the Hill, toss their hands up in praise to our God, and say "come on boys and girls, men and women and let's go to the front and over the top." We all as a band of workers bound together in Him who always gives victory.

We held two street meetings while in the meeting, over at Calvin. God put His seal on both of them, and the saints shouted, danced and talked in tongues while sinners would weep and look hungry. They said they never seen the like before at Calvin. People came for 10 miles away in wagons to the meeting. We closed last night in the midst of a high tide. 17 were Saved, 5 Sanctified, 6 received Pentecostal Baptism of the Holy Ghost and two children gloriously healed and some more adults healed. And then we baptized 7 in water. The power fell and there was shouting and rejoicing in the creek and on the bank, and two stretched under the power on the bank. Then we took 3 into the church the last night.

So we go this week to Arkansas for a camp.

We will never forget the Hill Top church and its, and our, new friends. Good bye till we meet in Heaven.

A blessed time was enjoyed on Sunday, July 31 at Emmanuel Church when 4 Sunday Schools (Texas, Valley, Kansas and Newalla) combined together for an "all-day" meeting with dinner on the ground. The program consisted of recitations, songs and readings from the different Sunday Schools and also several talks by different ones, including our Supt. Dan W. Evans. Mrs. Grace Hederson and Mrs. Dan T. Muse were present from Oklahoma City. A good spirit prevailed throughout the entire meeting and some shouted the victory. At the Sunday night service Sister Willard Short preached.
