Meeting at Rossville
Oct. 11, 1921

The meeting at Rossville was largely attended and some prayed through on all lines. On Sunday night was a great meeting indeed and many were under conviction, and the Lord poured out His Spirit upon the altar service. There were also several healed for which we praise the Lord. (One woman was in a dangerous condition and prayer was offered and God healed her and she shouted the victory.) I was sorry to have to leave this good meeting as the prospects look very bright, but the Lord’s two servants, both tried and faithful, Bro. Chilcoat and Sister Tolbert, will continue as I go to the Pleasant Valley Church beginning Oct. 13th. I thank God for the sweet fellowship and unity of faith we enjoyed together with these two of the Lord’s servants. May God’s richest blessings rest upon them and their labor. I ask the prayers of all the saints for a mighty revival at Pleasant Valley Church, where there are some pure gold, that still shines for Jesus. Yours in love.

Many Get to God
El Reno, Okla., Oct. 11

The El Reno meeting is good, a wonderful meeting. The meeting is in a sweeping way and lots of people got through on all lines. Altar is full all the time. The meeting will go on until Saturday, and then I go to Yeager to start a meeting the 15th. Will go to Mt. Park Nov. 5 for a meeting. I am not able to give a correct number of souls that prayed through on different lines, but a number got through on all lines. Some young people and some old people got wonderful experiences with God, for which I am praising God. All pray for me in my meetings. May the Lord bless all the saints.

E G Murr
Box 33, Seminole, Okla.

We enjoyed a visit from our dear Bro. E G Murr Saturday, the 8th. It’s refreshing to talk with the good brethren who are continually on the firing line for God. Among the good things Bro. Murr related was of one man 69 years old, that had never prayed before. He during Bro. Murr’s meeting at El Reno, got to coming to the services and went to the altar and wrestled in prayer until God saved his sin-sick soul and he came through shouting. The folks are still getting saved in the prayer meetings being conducted near Bro. Nix’s place, where Bro. Murr held a meeting since Conference.

Okmulgee Meeting
Okmulgee, Okla., Oct. 10

To the Faith family. Greeting in the name of King Jesus. Glad to report victory in my soul, praise the Lord. We closed our meeting last night with victory. Some prayed through to victory in the meeting, Bro York did some good preaching, and I feel like was a blessing to the Church. Some people don’t like his preaching because he just makes black black and white white. He speaks real plain English. He didn’t bring any white wash with him. I like the way better all the time. Thank God for Pentecost.

Our Missionary Society was one of victory. Took in several new members. The Lord is blessing in many ways at Okmulgee. Our Sunday school is fine. Pray that God will continue to bless on all lines. We added 4 to the church in the meeting.

May God bless the saints every where, Yours in His service.

JESUS IS COMING

Interest to Sunday Schools from S. Africa
P. O. Box 117
Rustenburg, Transvaal, S. Africa
Aug. 24, 1921
Greetings. Some time ago I received your little paper which we were very glad to have and do trust that the Lord might supply the means for the continual publication of same.

Some time ago one of the Oklahoma churches sent us a wall roll and a goodly number of the little picture cards for which we were truly thankful as we had completely run out of same. I not only want to thank that church through your paper, but I want to let all the Sunday Schools know just a little about our Sunday Schools here in Africa. Lack of space will not allow me to say much. We have nine Sunday Schools, and an average number of about 220 children. I wish I could speak to the Sunday School children of the States personally, but at present that is impossible, I however want to make missionaries of every Sunday School boy and girl, perhaps they would like to know how they can become missionaries so small. Well I will tell them how. Our children of Africa are very anxious to learn English, and so we take this opportunity to give them the Word of God. Besides the little picture card, we use the little text card, They are made to commit the verse to memory and translate it in their own language. Now if the children in the U. S. A. will save up all of their little text cards and when they have gotten a goodly number kneel down and pray over them and ask God to make them a blessing to the salvation of the children in Africa, and then take them to their Sunday School teacher and then ask him or her to send them to Sister Spooner for the children in Africa. They will indeed be doing real missionary work. Sister Spooner is the S. S. Superintendent and she too will be very happy.

Here is an example of what it would be like, "The Lord is my Shepherd"—"Yehova Modisa oa me," or "Ye were as sheep going astray"—"Gone lo, lo cuana yaka linku tse ri time twong.

"In reading the native language the i has an e sound, ri should read re and the Y has the J sound. May God help you to help us in this good work. Yours in Him for souls.

Two Meetings
WILLOW MEETING
Shawnee, Okla., Oct. 5
Greetings to all the dear saints. I want to add a word of testimony and send in my report since the Conference. I went from the Conference to the Willow school house 7½ miles northeast of Shawnee, a new field. Held 2 weeks, and there were 7 saved, 5 sanctified, and some seeking the Holy Ghost. Lots of hungry souls, and left lots of friends there we didn't have when we went there.

SPRINGHILL MEETING
We went from there to 3½ miles east of Lexington to the Springhill school house. I held a few days meeting there in the Spring but they didn't seem to want Pentecost there, fought me on every side almost. I left a number reading their Bibles. This time some were hungry for God. Bro. Clarence Neukirchner helped me at this place. I can say he is one that isn't cold shouldered, he will pull whether the load moves or not. We stayed 2 weeks, and 9 were saved, 7 sanctified and 2 received the Baptism of the Holy Ghost. One Methodist preacher got sanctified, and some Baptists. Had a good meeting for a new field I think. Organized a church with 9 members. Bro. Clarence took charge of the baptizing and the organizing the church. Some more expect to come in the church later. All pray for that place.

I am at home now. Leave Saturday, 8th, for Dolburg to open fire on sin and the devil. Pray for me and that place. I mean to do God's will. Still saved and sanctified and filled with the Holy Ghost, out against sin and the devil, Your Bro. in Christ.

Many Seeking God

Pontotoc, Okla., Oct. 10

Have just got in from Franks where Bro. Bill Dryden was holding a meeting. I was there two weeks and saw some wonderful works of God, people said “It was the best meeting ever held at that place.” Some came from Ada, Stonewall, Frisco and adjoining places to see the wonderful works of God and to hear the messages. Some tried to get Bro. Bill not to go there, said the boys and girls were so tough he couldn’t have any success, but when we go in the name of the Lord He always fights the battle for us Glory to His sweet name. And we couldn’t ask nicer behavior.

After service the altar would be crowded, one night I counted up to 37, and they kept on so fast I had to stop counting. God only knows the exact number that came through there was hardly a night that some one didn’t pray through on all lines. God used me in the homes, you know that is a sweet work, to visit in the homes of the unsaved and work and pray there. May God bless every one and help them to stand till Jesus comes. Certainly wished for a roll of the little Faith papers to hand out but I failed on getting to send for them. I will send in the names of those I got to subscribe. When I came home I found our pastor, Bro. Wood holding a meeting, he is certainly a man of God even to the sinners and other denominations, all praise his preaching. Your sister looking for Jesus.

I praise God for salvation through the blood of the everlasting Covenant for His Spirit that guides us into all truth and righteousness, for His providence which supports us, for His grace that preserves us unto eternal life.

C. will be with us to begin a meeting, Saturday night, Oct. 15th (a converted Jew) The meeting will no doubt be in progress by the time you read these lines. Will you as you read these lines, ask God to save many souls.

Yours in Him.

Several Get to God

Middleberg, Okla., Oct. 11

Glad to add my testimony once more to the glory of God. He is still blessing us as we go forth sowing the seed while some fall upon stony places, yet some fall into good ground and bring forth fruit. The Lord blessed me in the effort I put forth at Naples, about 8 miles from Blanchard, 4 was saved, 1 sanctified. Sister Annie Carmack joined me in the meeting at Valley View, where 2 was saved, 1 sanctified and 2 received the Baptism of the Holy Ghost. We are to begin a meeting on the 10th night, People asking us to come back again. We had a good Missionary meeting Thursday night in our church, the most interesting service we have ever had since we began our Missionary meetings.

We have just returned from our Sunday school outing. We had singing, prayers and preaching and a nice dinner on the ground. The children and the older ones had a nice time gathering hickory nuts. Praise the Lord. Your brother in Jesus.

Meeting Near Mounds

Mounds, Okla., Oct. 11

Glad this morning for victory through the Blood. I am here in a meeting with G. W. Knight and wife. This is practically a new field, only Bro. Knight held one meeting before this. God is blessing in many ways. Folks seem to be very much interested. I sanctified last night and several in altar seeking to be sanctified. Large crowds Sunday night one woman was wonderfully healed. She was out in a car suffering so she was almost wild when services closed and they asked us to pray for her, and even before we got through praying she was perfectly easy. Praise God for His healing power, it was convincing to the people. We are expecting a great break at any time. Wife was with us over Sunday and the Lord blessed her. She leads praise services while here. Bro. Knight and wife, I can say, are certainly people of God doing what they can for the Lord. I go from here to Alabina church. Several to be baptized while there.

Then 24th I go to Bonner school house, 7 miles south of Okfuskee, to begin a meeting with G. A. Burns and wife, so pray that God will bless at those places. Your brother in the Lord.

Meeting at Bonner

Bonnor, Okla., Oct. 12

I am sending in report of our meeting at Bonner, Okla. I still have the victory in my soul praise God for it. We had to close for a few days until Rev. S. E. Stark could be with me and I was almost sick and my voice very bad. We were having a good meeting altar full of seekers, for which I praise God. Feel more like pressing the battle than ever. I love the old Pentecostal Holiness way. Will ask all readers to pray for us that we might ever be found in God’s service. Will send 2 subscriptions for our little paper. I am doing all I can for God and this little paper. Pray for me.

Good Morning!

Good morning, dear Faith family. We are glad that we can come to you in the fullness of the blessing of the Gospel of Jesus Christ. Indeed we are glad to enjoy the water of life freely coursing through our souls, and to feel some of the glories from the glory world, and the power of the Holy Ghost energizing our very being. It is a wonderful privilege to enjoy these rich blessings and also a delight to pass it on to others that they may hear of it and also become a partaker of it. As a white winged messenger of real Pentecostal Holiness The Pentecostal Holiness Faith, we are glad to say, is proving an inspiration and a blessing, for which we praise God and give Him the glory, and we also wish to extend our appreciation to those who have sent in their reports of meetings, etc., that have made it such a blessing. We also appreciate the many subscriptions that have been sent in by the good brethren and sisters and thereby are helping to spread Pentecostal Holiness. Has The Pentecostal Holiness Faith been a blessing in your life? Do you enjoy the paper? Then let's help to give it a bigger circulation over the country. Get the other saints around you to subscribe, and get your neighbor to take it and get them interested in Pentecostal Holiness. Send it to your relatives and help to interest them in Pentecostal Holiness. And we wish every pastor would solicit subscriptions from every family attending his church. It will prove a blessing to your work we feel sure. And the evangelists as you go into different fields we would appreciate you sending in subscriptions. We certainly appreciate what has been done. At 50 cents a year The Pentecostal Holiness Faith furnishes the most wholesome reading matter for the price that we know of. Let's try to get The Pentecostal Holiness Faith in every home we can and make it a great blessing to them and to the work. May God multiply His rich blessings upon every one of you.

They Did Then

And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave utterance.—Acts 2:4.

While Peter yet spake these words, the Holy Ghost fell on all them which heard the word. And they of the circumcision which believed were astonished, as many as came with Peter, because that on the Gentiles also was poured out the gift of the Holy Ghost. For they heard them speak with tongues, and magnify God.—Acts 10:44 4b.

And when Paul had laid his hands upon them, the Holy Ghost came on them; and they spake with tongues, and prophesied.—Acts 19:6.

Speaking of the Baptism of the Holy Ghost on the day of Pentecost, Peter said: For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.—Acts 2:39.

Why Not Now?

Bro. Stark's Report

Oklumgee, Okla.

Readers of The Pentecostal Holiness Faith, I want to sound a word of praise this morning for my blessed Redeemer. Just closed a meeting at Alabama church, The Lord gave us a wonderful time with Him, bless His dear name. Had large crowds and good interest, Bro. M L Dryden was with us, and the Lord wonderfully used him in handing out the Word. Can say he is certainly a man of God. Sure love to be in the battles with him. Was about 20 saved, several sanctified, folks would pray through on the road and at home. Glory to God for old time revivals again. Took 12 into the church, which makes us 20 in the church. Am glad God is adding to it, praise God. My next meeting will be near Mounds, beginning Oct. lst.

May God's richest blessings rest upon all the readers of the little paper. Praise God for it. Your brother, saved, sanctified and Baptized with the Holy Ghost just now.

OBITUARY

Our dear father-in-law, Bro. J B Grebe, went to be with Jesus Sept, 16, 1921. He was very patient through his sickness and requested his loved ones not to grieve for him. He was converted when a young man and united with the M. E. Church of which he was a member when he died. He was what we often call an "old time Methodist," loved Pentecostal Holiness meetings and would quite often testify and shout in our meetings. He leaves a wife and five children to follow his example. One daughter, Mrs. Emma Kennedy, passed on before during the influenza rage. One small boy died several years ago. He was born May 26, 1849, in Jefferson County Ind., and moved from there to Kansas and then to Oklahoma.

Some Get Victory

Hewitt, Okla., Oct. 7

To the dear saints scattered abroad, greetings: We just closed our meeting at Hewitt, Okla., Sunday night. There were several saved and sanctified in the meeting, and we made many friends there. Dear saints help us pray for this place that God will wake people up to their sense of where they are before it is too late, as we well know that the day will soon come when they will have to stand before the white light of the judgment and give an account of their lives. I do believe if the devil ever did have a town captured at his will it is Hewitt, Okla. Oh there is every kind of ungodly things there that ungodly men and women can think of. But in spite of all this there are fine people in Hewitt as ever the sun shined on. We were treated better in our lives at any place than we were at Hewitt, we do pray for the time to hasten when God will clean this devil-ridden place up, and establish His people that live there so deep in His precious love that the devil can not shake them. Oh thank God for a few people that will stand for the right thing wherever they find it. We are so thankful to God for the good treatment we received while there. May God bless Sister Bridgewaters and son and wife, also Mr. L B Daniel and his wife, Bro. Russell’s folks, Sister Marks and others that we fail to remember their names. We are also very grateful for our good band of Pentecostal Holiness Brothers and Sisters of Dillard who came night after night and labored faithfully with us for the lost at Hewitt. We want to say further we greatly miss our boy preacher and wife Bro. D P Thurman who labored so faithfully with us in our last 12 meetings we held in Okla. He and wife have gone to Bridgeport, Texas to plan for a meeting, so dear saints pray for this boy as he is sure a God sent preacher. With love to all.

Addresses of Board Members

4 Saved, 2 Sanctified

Calvin Oct 4

From Sept. 13 until Oct. 2 Bro. Vaughn conducted a Pentecostal Holiness meeting at this place. Great good has been done. 4 have been saved and 2 sanctified and many are now studying the Bible as they never have before. This is the first time Pentecost has been preached in this town (except in a few street meetings). But we have now had three weeks of this kind of preaching and many, both Christians and sinners, acknowledge it is Bible truth, and the crowd has been growing mightily as they realized that they found food for their souls. The meeting was held in the park as no building could be secured, and only closed because the nights were too chilly for open air service.

Many say the truth has been preached as they never heard it before. Many have been convinced on the Baptism and speaking in tongues that never before could see any truth in the doctrine. God has blessed in giving out the message; saints talked in tongues, danced and shouted. We had a real Pentecostal shower and we think Pentecost has come to Calvin to stay until Jesus comes.

From Bro. Waterfield

Oklahoma City, Oct. 8

To the Faith family, greetings in Jesus name. This is my first report since the Camp meeting. I did not make any dates for meetings in this state at Camp Meeting as I was asked to come to Florida with Bro. O C Wilkins. We left here the 1st of Sept. and arrived in Tallahassee, Fla., the 3rd, and began the meeting in Tallahassee that night, and God began blessing from the first of the meeting. I was in the meeting two weeks. I only preached twice while there. The Annual Conference convened while I was there. Bro. S A Bishop, by God’s help, brought some real soul food from God’s Word. It was uplifting to the soul that loves the truth. After the Conference I went to Carribeil, Fla., for a meeting. I was there one week and God blessed at this place. I only found 3 members at this church, but God helped me to preach His Word without compromise, and you know what that always does to the devil. The people got stirred and the devil wanted to whip me, but God wouldn’t let him, and I was glad of that, praise God. The meeting ought to have gone on longer, but I received word that brought me back to Oklahoma, and I am ready to give my services to any one that feels that I could be of any service too. You may write me at 128 W E St., Oklahoma City. I will go to Scott City, Kans., the 14th of this month. Pray for me while there. Yours in Christ for the lost.

G C Waterfield

One good brother whose paper somehow failed to reach him writes us to “please send it for I don’t see how I can do without it. I sure love the little Faith.” We appreciate that letter. And if any one fails to receive their paper please let us know and we will endeavor to get you one.

Valley View Meeting

Middleberg, Okla.

Today finds me still saved and rejoicing in Jesus. Sister Susie Taylor and myself have just closed a meeting at Valley View and the Lord gave victory in every service, and some prayed through on all lines. God surely blessed in giving out the Word to hungry hearts. There was a real interest especially among the older people; some who had never heard Pentecost preached acknowledged this was the true way. God will surely reward the people for the kindness shown us while there. Truly the harvest is great. I can see more and more the need of spreading this wonderful truth of Holiness and Pentecost. I can't understand why some professors of Pentecost can sit with their hands folded and so many souls are dying. Saints let's wake up and be about the Master's business in these last days when so much false doctrine is going forth in the world, it takes the real power of God to reach hearts. D V we will hold meeting here beginning the 15 to 30. We then go to Oakhurst school house for a meeting from Nov. 5 to 20. Your sister in His dear service, saved, sanctified and the Holy abides,

ANNIE CARMACK

Greetings in the name of Jesus. A word of praise for our great King. Oh it is joy unspeakable and full of glory. There is joy at the fountain for all. There is a fountain at the house of King David for sin and uncleanness.

I have had a hard pull here at this place. There was a Campbelleite meeting going on, and a lot of old snuff and tobacco worms fighting true holiness and cleanliness. But praise God I got Captain Jesus in the lead and got the artillery aimed and began to shoot bombs into their old sinning religion, and joy and victory came when God got to cutting and their hearts got so filthy and rotten as they would break loose, some would say, "Well, Bro. Offutt you have ruined things tonight. You are awful plain." Well, praise God. God just set a shell and it cut a cord of sin and it hurt the devil and he roared. I surely have had the test here, but you know Daniel said Many would be tested and tried, and I know, thank God, that it is here now on us true saints, so let's never compromise with the devil no where, live true, clean Pentecost, and stand out for our rights. I have been alone in this meeting, and had to lead my song service, and pray and preach and cry and mourn over lost souls that have been coming seeking their salvation. There's been 5 or 6 saved and 2 sanctified up to date, and others coming to the altar. Here is a ripe field for true Pentecost. Well, thank God I am glad that the trials of our faith is more precious than gold. If the Lord's will I will close here Sunday night as I am worked down and almost sick. My chest is so sore from this hard pull here, pray that God will deliver. I don't know for sure the date of the next meeting, I will give it with the next report.

There are folks that wouldn't move to Sulphur on account of not having any church there. If you see any one that has a faint idea of wanting to come tell them that God has given us a church set in order with 14 members and the court house is opened up for us to worship in, plenty of good seats and lights. I know it has been a pull there, and hard on our wives and children to stand the test, but I think lots of them and I know that God will bless their tarrying, so pray for us there, I intend to hold a meeting there soon, and I want to ask the prayers of all for the Sulphur work. Come on, we mean to stay here. May the Lord bless all the Faith readers, and keep us close and humble together. Your Bro. in Christ's service. E M Offutt

Hewitt Meeting
Wilson, Okla., Sept. 26

To the dear saints scattered abroad, This leaves wife and I and Bro. D P Thurmond and wife still in a great battle at Hewitt, near Wilson. God is giving us a great revival; some have prayed through, others are seeking. This old town is getting stirred as never before. One of the worst men in town came to us last night after service and handed us a piece of money and said "Preacher, please pray for me that I may get right with God and live a better life." Please pray for this place that God will give us a great time in the Lord. We have had Bro. Byus, the Dillard and Healdton pastor, with us a few nights for which we are sure glad. May the dear Lord bless Bro. Byus in his work for the Master.

With love and best wishes to all of the dear saints, we remain as ever yours in the Master's service.

Westville Meeting

Westville, Okla., Oct. 10th

Dear Faith readers: Peace be unto thee. We closed our revival here last night with victory. We began the meeting Thursday night Sept. 22nd. Bro. Cook got here on Monday the 26th, and did some straight preaching up until he left on Saturday Oct. 8th. We didn't have all the victory we desired in the altar services, and didn't as many pray through as we desired. There were about 4 sanctified up until Friday night and 2 reclaimed. We continued the meeting until last night, and I preached from Luke 15:17-20 “and when he came to himself he said, How many hired servants of my father's have bread enough and to spare, and I perish with hunger! I will arise and go to my father, and will say unto him, Father, I have sinned against heaven, and before thee, and am no more worthy to be called thy son: make me as one of thy hired servants.” And indeed God gave us a blessed service, our hearts were touched with compassion when we saw a young man and his wife with others arose and came to Father's house, our hearts were soon turned from weeping unto joy and shouting when the young man's wife prayed a hole through the skies and heaven filled her soul. She got up and went to her husband and helped to pray him through. Another woman also prayed through and was saved, Hallelujah! to God and the Lamb forever. One thing have I desired of the Lord that will I seek after, that I may dwell in the house of the Lord all the days of my life to behold the beauty of the Lord and to inquire into His temple. Ps. 27-4.

We felt if we could have run the meeting on all this week that it would have been the best part of the meeting, but under the circumstances we thought it might be best to close and begin another revival in Nov. We may have Bro. Britton of Royston Ga. a few days in Nov. So pray for us and the work here, we are not discouraged but are trusting God for a good work here. Your little Brother in the service of our Master. Arthur Smith

Meeting at Cody

Tallahassee, Fla. Oct. 7.

To the Faith Family greeting in Jesus. I closed a 9 days meeting night before last at Cody, Fla. Souls went through with the Lord on all lines and some were healed for which we praise God, and the devil got mad, but God gave the victory in spite of the devil for which I praise God. I preached here last night, by request, on the Millennial, and God placed His approval on the service for which I praise Him. I leave this afternoon D. V. for Wetumpka, Fla. Camp meeting beginning tomorrow night. Then I go from there to Atlanta, Ga. to assist Bro. O N Todd in a revival in his church at that place. Our date at Atlanta is Oct. 23rd, May God bless the little paper and all the readers, pray for me that I may be used of God while on this trip.

Yours for lost souls,

O C Wilkins

Healed by the Lord

Pontotoc, Miss., Oct. 7

I have very much to praise God for. He saves me and sanctifies and the Comforter abides. I had 5 of the hardest chills last week I think that I ever had. People begged me to take something for them, I told them I would preach Holiness as long as I lived and I would die before I would take medicine. I got on the train and went to Memphis to Bro. and Sister Graham's house, and then I met Bro. F M Britton, and in a few minutes a hard chill came on me. They prayed for me and I was healed at once, for which I praise God. I have been very weak but am getting stronger. I have a date for Sunday 12 miles in the country. I will be here until about the 20th, then the Lord willing, I will then go on towards Cuba. Pray for me that I may do God's will. J M Taylor.
