Many Get to God

Tallahassee, Fla., Sept. 26

To the Faith family. Greetings in Jesus. I closed here last night. The meeting closed out with victory, yet we had a hard pull. The last week near 50 received definite experiences with God for which I praise Him. The Lord stirred the town; business men as well as others were stirred. Men confessed out their lives and made restitution and erected family altars in their homes. Truly there has been great joy in this place. One man stopped his wife and daughter and his wife's sister all from coming to church and all 3 of these women had received experiences from God. Oh what will the judgment mean for a man that interferes with his family serving God. One man who was at the meeting and rejected God, a well caved in on him and killed him before the meeting come to a close. Another man who attended the meeting died without God before the meeting come to a close. Oh how sad for men to reflect their last call. I go from here to Cody, Fla., for 10 days, then to Wetumpka, Fla., for a camp meeting. Pray for me. Yours for the lost. O C Wilkins

Meeting at Ames

Ames, Okla., Sept. 23

Dear Brothers and Sisters in Christ, praise God for His sufficiency in all walks of life. With trembling in the flesh but firmness in the Spirit I started this years work in Okeene and neighboring vicinity. The first and greatest need in Okeene was a mission hall, therefore we began to make plans to meet this demand. We, by faith in God launch this undertaking but the finance must come from the community and church at large, therefore we request the prayers and assistance of all the saints everywhere.

At present we are in a meeting at Ames, Okla., we begun the 14th of Sept., with the help of Bros., Martin Sturgeon, Oscar Phillips and Martha Henderson. Bro. William Morris and wife of the Wesleyan Methodist are furnishing the tabernacle and assisting in the meeting. While natural rain was falling on the out side, Bro., Brook Krout and Bro, Chas. Phillips were renewed and amid much rejoicing consecrated themselves again to God and His work. The battle is being hard fought but we will by the help of the Lord overcome all opposing forces and plant Pentecost at this place.

Special greetings to the little flock in New Model and to all the Faith family everywhere.

El Reno Meeting

El Reno, Okla., Sept. 28

The meeting is good. Large crowds and a good interest, and 2 have been saved up to date. The following is clipped from the El Reno daily paper about the service of the 26th. "Last night some unknown miscreant threw a bomb with a lighted fuse attached into the tent where the "Holy Rollers" hold forth each night. on North Evans. The congregation "stood not on the order of its going" but went. The minister very heroically severed the fuse with a knife the frightened spectators reassembled and the meeting proceeded."

While the outsiders run, the saints shouted and danced and talked in tongues, and the outsiders are saying that the Holiness people are hard to scare.

20 Saved; 8 Sanctified

Sept. 27, 1921

Greetings to the saints abroad. I want to send in a report of our meeting at Alabama. God sure gave us a fine meeting. We had a hard battle at first but our Captain led the way and we came out victorious, thank God. There were 20 saved and 8 sanctified, and 12 united with the church and more to come in yet. The country is stirred, and lots of hungry hearts. Closed out with the altar full of seekers. They say it was the best meeting that ever was held here, praise God. There is some of the salt of the earth there. They sure know how to make a fellow feel at home. May the dear Lord bless their hearts and multiply his blessing upon them. To know them is to love them. Bro. Stark helped us in this meeting. God made Bro. Stark a blessing to the people. Others rendered valuable service, Bro. Sandlin, a Methodist brother, had charge of the singing most of the time and was a great help to the meeting. God bless him and Bro. Hopkins and his faithful wife was on the job to help fight the battle. They are two faithful soldiers of the Cross. There were others that fought valiantly. God bless and reward them for their service. Thank God for a clean way, I go from here to Lookeba, about 60 miles west of the City, to begin a meeting Sept. 30, and I desire your prayers for that meeting and pray for me that God will use me to His glory and for the salvation of souls. Thank God for victory over sin and the devil. I feel like pressing the battle for my King, glory to God. Praise Him for Pentecost, saved, sanctified and Baptized with the Holy Ghost.

Harjo and Woostrel Revival Meetings

Sept. 1, 1921
Woostrel Church

Dear little Faith. How are you all today? I am well in body and happily in soul, shouting the victory in Him. Just been in a meeting at Harjo. Was called to preach in the same meeting and while I was tipping on the Sanctification plow, the preacher with her hands almost over my head tried to rebuke me, or cast the devil out of me. She said that she was not born of God until she was fully sanctified wholly, and the fun went on as I tipped on the plow handles. But 6 or 7 got saved and 2 got sanctified anyway. She had run two preachers off from the meeting, but I got my hook in some fishes mouth and I was not going to be shoved off of the bank until I got them out, so I stayed with them until the meeting closed, and then came on to Woostrel church and jumped in the middle of a good battle with Bro. Ellis Roberts and wife and others that are as true as steel. Any one would do well to get Bro. Ellis Roberts and wife for meetings. Here 7 were saved, 2 sanctified, and one got Pentecost. Now I go home today until next Friday, then back to Ada, to get ready to start the meeting in Ada the 17th of September. Rev. Ellis Roberts and wife and Sister Weatherford and probably Sister J L Smith, of Murr. We are expecting a landslide and many souls for our Lord and King. All who read this pray for God to give a band at Ada that will stand for full Pentecost until Jesus comes.

I feel the power of Heaven on me this morning. Pray for me and wife, as we mean to keep constantly in the work on through-out the coming Conference year. Wife can't be with me until the first of the year, after then she means to be with me in the work. You saints pray for her that she may keep true, for she is chewing the bits, and not a stick, shouting the victory, saying, "stay with it Dan." Yours in Him for the lost, and calls accepted in much prayer. W D York

Church at Sulphur

Sulphur, Okla., Sept. 16

To our Oklahoma Pentecostal Holiness paper. We organized a Pentecostal Holiness Church here Sept. 13, 1921, with 13 members, and a preacher Bro. T W Rogers. We have no church building, but have permission to worship at the County Court House. Our dates are the First and Third Sundays and Sunday nights and prayer meeting once a week. So you are invited to come, and you who are close enough to Sulphur to come, you put your membership in with us. We need your help and you need ours. And you know it makes us stronger to band together. We sure feel that God has answered prayer by giving us this little band and a preacher and we want to do our best for Jesus. The Lord has a work for you to do that I can't do, so let's get busy now. To you dear Bro. Muse, this church has elected me for their Secretary and Treasurer so look out for our Missionary money; I mean for every member of our church to send some money and some prayers once a month even if this is one penny each member and some prayers, and if we get more money in the treasury than we can use I will tell them to just send it to the Missionaries. So I will just give you a big hearty welcome to Sulphur church to preach us a Missionary sermon any time. Don't forget to pray for us. Your Brother in Christ.

God Blesses in Bro. Murr's Meeting

Sept. 20, 1921

The meeting at Carnegie, Okla., was a great success. Many souls got through to God on all lines. The meeting run a little over two weeks, and closed out the 19th, leaving the altar full of seekers. Old men and old women were in the altar. And while the saints would sing the power of God would fall and people would rise from the altar shouting the praises of God for redeeming them from sin. It was wonderful the way the Lord blessed. People got through on all lines. I will go from here to El Reno the 22nd. All pray for the meeting and pray for me. Other dates will come out later. Sasakwa Meeting

One of Victory

Sasakwa, Okla.

To all the readers of the Faith paper. I would like to testify this morning to salvation through Jesus. I never felt any more like going through with Him in all my life than I do today. The trials fiercely assail us and trials come thick and severe, but Jesus gives us the blessed assurance that He is always near to be a present help in the time of need. I wouldn't give this blessed way of Holiness for all the treasures of the United States. It suits me better than any thing the world can afford. Eight years ago when I laid my hand in God's hand and said one eternal yes to Him little did I think it would cost me what it has, but I bless God because the way is a clean way and Heaven is cheap at any price, and I mean to see my loved ones over there.

Beloved I am having the best meeting of my life here. This old wicked town that has been captured by the devil for years, is stirred as never before. Business men, the courts and the law are reading their Bibles on the street. The thronging multitude begin to gather before night to get a seat. The altar won't hold the penitants that press their way to the altar to seek Jesus. The cries for mercy fill the elements until people are made to know God has been on the scene in power to destroy sin. This is a new field here. Pentecost never was preached in this town. I have no help here except Bro. Clyde Hardy and wife, but thank God we know what it is to get into new fields and dig up the grubs and plow up new ground. Glory be to God for victory. I mean to go on. Would like for all the saints to pray for me, as sometimes it seems the devil has the way blocked before me, but I always have found a way up. Glory! Yours till He comes or calls.

Souls Get to God in Revival Meeting

Seminole, Okla., Sept. 14

May God bless you and yours. We are having victory at our church, and everything is moving on in harmony, praise God. We are now having a revival 4 miles northeast of Seminole, under an arbor. 3 saved last night and 1 sanctified and several in the altar. We have 2 more meetings before cold weather. One 12 miles north east, and the other 5 miles south of Seminole. Pray for these meetings. It is where Pentecost has not been preached. Yours in Jesus.

From Bro. Taylor

Little Rock, Ark., Sept. 10

This morning finds me saved, sanctified and the Holy Ghost abides, and healed for which I give God all the praise. I left Oklahoma City 1st, went to Perry and it was announced in the papers that I would preach in the court house on night of 3rd. I was expecting a large crowd and I went and prayed for an offering. Just before I went to service I found a $5.00 bill, and I just had 3 to preach to. Of course I had gotten the offering before service I preached at Pawnee and Claremore on the way. I missed my train here this morning and had to lay over here 7 hours. I was counting my money, seeing I was very short, and it looked a little hard. In a few minutes I was walking around the depot and picked up a $5.00 bill. I said Praise God, surely the Lord is with me on this trip. Pray for me.

Sister Colvin with Jesus

Mrs. Francis Ann Colvin was born near Southwest City, Mo., in McDonald Co., Sept. 2, 1854, and departed this life Saturday morning at 12:18, Sept. 17, 1921, making her stay here on earth 67 years and 15 days. Sister Colvin was married to George W. Colvin in 1870, and were both converted about 40 years ago. She was one among the first to unite with the Westville Pentecostal Holiness Church when first organized in Sept. 1916. She had a stroke of paralysis a little over 3 years ago and has been an invalid ever since but has been faithful and borne her afflictions with patience. I have seen her rolled to church in her chair several times since we have been here and heard her testify that she was waiting and ready to go. Our hearts were made sad to have to say good bye to her; we will miss her, the home will miss her, but the Lord wanted her and we are confident it was better for her to go than to stay. We have lost a good mother, but Heaven has gained. We wept to have her; we will miss her, the home is made sad to have to say good bye to her. The funeral services were conducted by the writer in the Pentecostal Holiness Church Sunday afternoon at 2:30 in the presence of a large crowd. The church couldn’t hold the people, many had to stand on the outside. The hospitality and kindesses of the many friends of Sister Colvin was greatly appreciated by the bereaved family.

33 Get Saved

Okmulgee, Okla., Sept. 21  

Dear ones in Christ,  

Will report our last meeting, began on Friday after returning from camp meeting. Held 10 days, and 10 days before going to camp meeting, making a total of 20 days. God wonderfully blessed. There were 33 saved, 11 sanctified. I received Baptism. Organized with 18 members, and 10 more to come in next appointment. Bro. S. E. Stark organized the church for us. Praise God for souls for our labor. Bro. Chas. J. Phipps and wife were with us in the meeting. We are placed as pastor over this work, the Pentecost Holiness Church, Orintoe, Okla. Yours in Jesus love.

GEO. A. BURNS AND WIFE

Meeting at Stratford

Stratford, Okla., Sept. 20

I want to praise the Lord this afternoon for the blessing of Holiness and the sweet assurance of Heaven I have just now. HE is so precious to me these last days. While the tempter is howling and growling we have the privilege of shouting and shining. Glory! I feel the joy bells ringing, and peace like a river flowing through my soul. I have missed 2 nights in service since I came from the camp meeting. We had a two weeks meeting to close Sunday night. Bro. M. A. Wood did most of the preaching. The meeting was good. Not very many got through to the Lord, but we certainly enjoyed and appreciated the straight Gospel truths we heard. We thank God for the young preachers we have in our movement, and may the approving smile of Jesus ever be in their lives to bless and help spread Pentecost. Pray for me and the work at Stratford, that we will be kept in unity and harmony with the teaching of the Bible until Jesus comes. Your sister in Jesus.

LULA J. SMITH
Several Get to God

Carnegie, Okla., Sept. 19

To the dear Family. I am truly thanking God this morning for victory through the precious Blood of Jesus. Glad that we are serving a God that never lost a battle. Bro. E G Mnr closed his meeting at this place last night with great success and much interest. The altar was filled with seekers, and some prayed through. One young man gave a good time with praying and fell under the power of God and lay there until about 3 o'clock in the morning; testified he was sanctified and lifted from the bottomless pits of hell. This was in the last service. The Lord worked and souls got through from the beginning of the meeting. One boy, whose father and mother were Baptists, got saved, sanctified and the Baptism of the Spirit before he left the altar, and his mother came to the altar seeking to be saved. So on last Sunday he went home and told his folks that he believed he had gone to bed. In a little while they heard him crying and praying and pretty soon he came out shouting and praising God; another man, who had also been coming to the altar, was there and the Lord saved him too, so when they could not quit shouting they got in a car and came to the tabernacle to tell the saints and we all had a good time with the Lord. Praise God for His conviciting power. The saints from Mt. View attended most every service which was a great help to us. There was such sweet harmony and unity of the Spirit that we could feel the presence of the Lord with us as soon as we came together. The Lord wonderfully blessed Bro. Murr in giving out the Word. One Baptist brother, whose wife is Methodist, was lots of help in the meeting; and they helped take care of the preacher and workers and were lots of help financially. We thank God for our Baptist and Methodist brothers and sisters that are honest hearted and full of the love of God. 23 in all got through on different lines. Old gray haired fathers and mothers got saved. Dear Sister Weatherford was with us and the Lord wonderfully used her to His own glory in helping the lost to Christ. We desire the prayers of all the saints that God will continue the work at this place. The seed is sown and Pentecost is at "Arkansaw Bend" to stay until Jesus comes, glory to God. May God bless the little paper and the editors is my prayer. Your sister in bonds of love. MRS. L M NIX

Meeting at Ada

Ada, Okla., Sept. 22

I am in a meeting at Ada now. Just dropped in for a few days, and the Lord for some reason is holding me here by myself so far, but the Word is going forth any way. God is sending out some hungry hearts. The preaching does not bounce back and hit you in the face like it does in some places. It is sticking some where I am sure. We are praying the Lord to give us means to buy some ground in Ada and build a Pentecostal Holiness Church here. We need it and God would be pleased in doing so, but if I can't get a house to preach it in, I will preach in the streets, but I feel God wants us to have quarters in Ada, so pray on. I believe God will give it in some way. I will close out for the present next Sunday night, as we are out in the open, and I will start a meeting in Okmulgee the 26. Will probably be there two weeks, so pray for us. All who want to write me, address me at Ravia, Okla. But if you want some one that has compromised and has a lot of whitewash or soft soap and soothing syrup instead of hot gospel shot, send after the other man. Bless God, God has helped me to have enough grace to preach sanctification and as a second work and a preacher at my back with hands over my head trying to cast the devil out of me. Oh glory, the fire burns now. Yours in Him for the lost. W D YORK

SASAKWA MEETING

Sasakwa, Okla.

On Sept. 3. Bro. Jesse A Cook began with the Gospel hammer and souls drank in the messages but did not move for several nights, and then they began to come to the altar and to pray through. The Oak Grove Pentecostal Holiness Church, the Rock Point Methodist Church, and the Baptist and Methodist in town joined in and it looks like the country is going Pentecost. We had a twenty foot altar, and we extended it 14 feet last night. This is similar to the camp meeting. There are from fifty to one hundred, in the altar the last three nights. People here say this is the first meeting the town ever had that the men attended, and some say that Bro. Cook is the best preacher they ever heard. The large tabernacle is full and people all around it for about 15 feet. Your Bro. for the lost.

Victorious Times at Rossville Church

Dear readers of the little Faith paper, I want to sound a note of praise for our King Jesus. Yesterday was indeed a victorious day here at Rossville Church. Friday night we had a cottage prayer meeting at Bro. E Byus. God surely did bless our hearts in a special way. Seemed the glory of Heaven flooded our souls almost more than we could contain. Sure was a noisy crowd as the shouts and praises of God ascended Heavenward. We sure had music and dancing; some danced for 1½ hours. Two precious young men got definite calls to go India. Now preparing to go to Holmes Bible School. O thank God for these that are hearing the call of God. Saturday night was a very precious service with unusual victory and power. Much conviction on the unsaved. Sunday was sure a high day in Zion. O thank God. We took the Lord’s Supper and had Foot Washing at the close of the morning service. God gave us a real feast. Seemed we got a new vision of what it meant for our precious Saviour to shed His Blood, suffer and die that we might be redeemed. We had a baptismal service in the afternoon. Five were buried with Christ in baptism. As they went into the water the power fell on them and they shouted, danced and talked in tongues in the water, as the shouts ascended from the saints on the bank.

Sunday night the power fell. 14 on the floor shouting and dancing at one time, while the devil howled and criticised. Several in the altar seeking God. Two prayed through, got saved, while 15 or 20 gave their hands, said pray for me. Conviction rested heavy upon many.

I go from here to Reeding, where I call home, to assist Bro. Campbell and Bro. and Sister Hosey in a meeting. Pray for me. Your Sister in the fight against sin until Jesus comes or calls. MRS. SALLIE TOLBERT Reeding, Okla.

Lord Gave Victory
Revival Meeting

Wetumka, Sept. 16, 1921

To the readers of the Pentecostal Holiness Faith. This morning I want to sound a word of praise for my blessed Saviour that saves and keeps glory to God. This morning finds me with victory in my soul. We are here at Alabama Church in a meeting. Bro. M L Dryden is with us. The Lord is blessing and giving victory. Several in the altar. One sanctified last night, and an old brother 71 years old was sanctified Wednesday night and said in testimony last night that he had said before that he was sanctified when he was saved, but knew now that it comes as a second work. Thank God for the convincing power. Things are surely stirred here, so pray for the work.

Was out 4 miles south of Okfuskee last Sunday night with Bros. Phipps and Bro. Burns in a meeting and organized a church with 18 members, and several more to come in. Thank God for Pentecostal folks are getting their eyes open to the Church and see the need of it. Thank God for the Camp Meeting and Conference, was a blessing to me. Pray for me. Your brother in the Lord, looking for Jesus to come.

Meeting at Lindsay

Lindsay, Okla., Sept. 15

Greetings to all in Jesus sweet name. Thought I would sound a note to the glory of God. Still saved, sanctified and the Comforter abides. I am in a battle for King Jesus here at Lindsay, and there are large crowds coming and some coming to the altar. No one got through yet, but the outlook for the meeting is good. The devil is stirred and old formal preachers stand around on the street corners and puffs and blows and spits and stinks, fighting true Holiness. Other meetings started in, and some old moss backs are doing their best to keep their members away, but Jesus said “If I be lifted up from the earth, will draw all men unto me,” so Jesus is being lifted up and my tent doesn’t hold all the crowds. I am alone, haven’t any one to help me not even an organist, but God has given me strength so far to give the best I have. I mean to stay until the 26th and longer if God sends me any one to help me in the meeting. We also had Bro. George Byus, the new pastor of Dillard and Healdton, with us last night, who handled the praise service for us, and God gave us a real time. Saints pray for us and this meeting. As ever,

Meeting at Hewitt

Wilson, Okla., Sept. 20

This leaves us in a meeting in Hewitt, Okla., (near Dillard), and God is wonderfully blessing our preaching and the people are getting hungry. God sure gave us a fine meeting last night and had a fine altar service. Bro. D P Thurmond and wife are helping us in the meeting. We also had Bro. George Byus, the new pastor of Dillard and Healdton, with us last night, who handled the praise service for us, and God gave us a real time. Saints pray for us and this meeting. As ever,

Many Get to God

Pauls Valley, Okla., Sept. 22

Just closed our meeting with great victory. 22 got through to definite experiences. The Lord manifested His power through a little 12 year boy. He gave a message in tongues and said Jesus was coming soon. The devil sure did howl, but God gave us victory anyhow, for which I praise the Lord. I can feel the glory rolling in my soul just now, praise the Lord. I am at home now, but will go to El Reno Sept. 24, the Lord willing. Pray much for that place. I am sending 4 more subscribers. May the Lord bless the little paper. I do all I can for it.

Bro. Byus’ Testimony

Wellston, Okla., Sept. 12

I thank God this morning for victory in my soul. Am glad that I feel the glory bubbling up in my soul and willing to say yes to the whole will of God. Dear loved ones this way suits me better every day. I thank God that He is calling some of my family to carry the untold riches of Christ to the unenlightened. We had a most wonderful meeting at my home Friday night. I felt like calling in the saints and have a good meeting and indeed we did, the dear Lord met with us and we had a great outpouring of the Spirit and my son, George, got his definite call to India while he danced about one hour and a half with another boy, the Holy Ghost began to speak out through each of them; Oh what a holy feeling came over all. And then on Saturday night we went to Rossville to church. It was Sister Tolbert’s regular appointment and the Lord sure was there with power and victory, and Sunday we sure had a most wonderful time in taking the Lord’s Supper and Foot Washing and baptizing, 5 being baptized in water. God sure did pour out His Spirit in each service, and then the night service was a service long to be remembered on account of the great outpouring of the Spirit. The power fell and a dozen or more were dancing at one time. Sister Tolbert sure did do some powerful preaching. She does not shun to declare the whole council of God. She is a pastor indeed and has a dear band of saints here, and God is blessing them. I sure regret to move out from among them.

Well saints I may be taking too much space in the little paper I love, so I ask you all who read this to pray for me at Dillard church. I need your prayers. Your brother looking for Jesus to come soon.

Some 5 were saved and 2 sanctified in Bro. Reece's arbor meeting

Okmulgee, Okla., Sept. 24

Greetings in Jesus name. This morning finds me still shouting the victory, praise the Lord. Our meeting at Banner, Okla., was one of the best of our life. It would be impossible to give the results of this meeting because they went through in the woods and cornfield and almost every where. Many saved and sanctified, and baptized 7 in water. Largest crowd ever seen at this service. We held one service at Orintoe school house and organized a church with 18 members. Thank the Lord. Bro. Stark did the organizing for us. I would like to say if any evangelist could go to this needy field please let me hear from you. We have several calls for meetings but could not go on account of the church at Okmulgee. We are now in a battle against Satan here. Bro. W D York will join us Monday, 26th. We are expecting a meeting in the old time way. Praise the Lord. God will have His way with us. Bro. and Sister Burns were with us in the meeting and are also pastors of the church we organized. Your Bro. in Jesus. CHAS. J PHIPPS

REEDING MEETING

Reeding, Okla., Sept. 27

Dear saints. I want to praise God for what He is to me and for the good meeting He gave us here at Reeding, and for men like Bro. J A Campbell who stands for truth and God's eternal Word. God gave us some wonderful messages through Bro. Campbell. I never saw the devil howl and come with such force, but God worked just the same, praise His holy name. There were 5 saved and 5 sanctified and 4 got the Baptism, and many got helped. And as pastor of this church can say that I learned much and God wonderfully blessed me and wish to recommend Bro. Campbell to all pastors. We had a fight here but God gave victory. Saints pray for us. We need your prayers. Your brother in Christ,

C A Hosey

Livonia, Mo.

Dear Bro. Muse and Holiness Faith Family. Greetings in Jesus Name. Glad this morning finds me on victory side, for which we praise the Lord. We arrived in Livonia Friday found it raining and very muddy but began the meeting on Saturday night. The meeting has started off fine. The Lord blessed us in a wonderful way. We aim to be in this country for some time. This is a new field and many places for meetings. Please pray for us that God may give us some wonderful meetings here in this part. We are about 250 miles northeast of Kansas City. So pray for us. We are as ever. Yours for the lost.

The meeting is in full blast. Several in the altar last night, and deep interest shown over the large congregation. Bro. Cook just arrived. Am expecting great things to happen in the next two weeks. Pray for us,
