A Sunday in Oklahoma City

SEVERAL GET TO GOD

It was the writer's good fortune to spend Sunday, Oct. 23, in Oklahoma City and be in services. For about 3 years our work has been principally away from the City and very seldom do we get to spend a Sunday at the good Mission here, and so we wish to tell you of the good day here with the saints. The Sunday School is a good one. Bro. Hyde, the Superintendent is a live Sunday School man, and he has an able Assistant and corps of teachers and it was my good fortune to teach my wife's class of young men—15 of them were there, and such attention as is seldom seen. A feature after the lessons was the singing of the "Oden boys"—8 brothers of them—a rare sight. Good Sister Oden went on to Heaven a few years ago and left a family of 10 boys and 2 daughters and a husband to follow her on and they are all believers in Pentecostal Holiness and most of them have the experience. The writer preached at the morning service from the scripture "Until the day breaks and the shadows flee away, I will get me to the mountain of myrrh and to the hill of frankincense."

One of the great features was the music, both during morning and night services. With a piano, 2 cornets, 2 trombones, clarinet, 2 violins, a base violin and a guitar with a choir of willing singers and the congregation joining heartily in singing, "Washed in the Blood," and "The half has never yet been told," and other good Pentecostal songs, it is enough to lift your soul up and send the glories of Heaven coursing through your soul. The Capp Sisters were here also and their good songs and music was to the glory of God and enjoyed. In the evening about 2 dozen workers gathered on the street and began a street service. Soon a large crowd of interested people were gathered around and some of them real hungry souls for Jesus. Sister Willard Short preached at the night service on the Kingdom of Jesus and used the B-attitudes and God blessed her preaching and made it a blessing, many came and gave their hand for prayer and many came to the altar seeking God and amidst the praying, shouting, praising and talking in tongues some 4 were saved sanctified and 1 or 2 renewed and other seekers blessed, glory to God.

Truly the Oklahoma City Mission is moving forward under the leadership of Pastor R B Beall. And there are other encouraging things about this Mission that for lack of space we will postpone mentioning in this article.

JESUS IS COMING

ARE YOU READY TO MEET HIM

EVEN SO COME LORD JESUS

Wagoner Meeting in Progress

NUMBERS AT ALTAR

Wagoner, Okla. Oct. 25

We began a revival meeting here Saturday night, Oct. 15th, Rev. Lewis Sawgalsky was to have been here on above mentioned date, but on account of misunderstanding failed to get here until Thursday 20th, and preached that night on prayer, very good service, church nearly full. Preached Friday night on the "Mercies of God are upon them that fear Him from generation to generation." Saturday night extra good service and the house full, much conviction, several at the altar. Sunday morning God gave us a splendid service, the altar was full and several knelt at chairs. Several at altar on Sunday and Monday nights. Nearly everybody seems to be interested. Please pray for this meeting. Yours in Him.

A Good Meeting at Banner

Okemah, Okla., Oct. 24

We had a wonderful meeting last night. I preached on the last days and the second coming of Jesus. The power fell and stirred the crowd. Altar full of seekers and there was crying and praying and shouting and dancing and speaking in tongues. 2 saved, 2 sanctified. Pray for the revival. I am going after Bro. S E Stark this morning to help me in the meeting. Pray for the lost at this place.

9 Saved and 4 Sanctified
Sulphur, Okla., Oct. 22
Greetings in Jesus sweet name. Well, I just feel fine. The meeting closed at Nashoba with 9 saved, 4 sanctified and 1 received the Baptism of the Holy Ghost. The meeting closed with the altar full of hungry hearts. When we went down there, there wasn't any one to pray, but now thank God there is a band that gets out in these old pine woods and pours out their hearts to God. I baptized 3 in water. Thank God for old time salvation that keeps our souls happy and living a life free from sin. I was preaching on holiness and the kind of a life it taken to be a Pentecost and God was digging out a Baptist preacher. He had just been shouting and taking in the meeting fine until God sent a holiness shot and it cut his old pipe and sinning religion, and after I got through, he said it was awful for a man to just come right under his door and tear down his work. He said he had preached a man had to sin and this old body never would be sanctified while here, that it had to sin. I knew he wanted me to leave, so I told him if he would just bring me one Scripture where it said the body sinned, I would leave next morning. So it never came, and I preached holiness and lived fat on it, while he stayed at home and tried to get excuses not to come back. He promised me $5.00, but it hurt him so that he broke that promise. The best of all I find in 1 Thess. 5:23 where the body was sanctified and preserved and in Rom. 12:1 where you present your bodies a living sacrifice. In Matt. 7:21 not every one that says Lord, Lord, shall enter in, but he that doeth the will of my Father, and it is His will for us to be sanctified. In 1 Thess. 4:3 we find it His will to sanctify to keep from fornication or sin, so the call is to holiness. 1 Thess. 4:7, Eph. 1:4. So let's pull the hill with this Gospel to dying souls.

Anybody wanting a picture of the preachers of our Conference, (I have the delegates also), write me, I have them and they're good at 35 cents each. If you would like to have a meeting I can give you my services. Pray for me and mine. May God bless the Faith family. E M Offutt

Revival at Pleasant Valley
Oct. 26
The many saints who have been praying for this church will be delighted to know how wonderfully the Lord answered prayer at this place. Saturday night near midnight the Lord gave us a gracious out pouring of His Holy Spirit and a spirit of humility also came upon us with mighty power and benefit to the church. Sunday morning while preaching upon the tenderness of Jesus, a mighty weeping spirit came from heaven and nearly all burst out into tears and crying. Oh what a picture of Zion in travail. Some sinners ran, others came closer to the Lord. There were 7 or 8 saved and all sanctified and the sweet Spirit that the Lord sent upon us all has done us untold good. "How blessed it is to dwell together in unity."

6 Get Baptism of Holy Ghost
Wetumka, Oct. 26
I want to say a few words for Jesus, praise His dear name. This morning finds me with victory over sin and the devil, thank God. I want to say since Conference and camp meeting I helped Bro. Pet. Jones in a meeting near Wetumka, and God wonderfully poured out His power in our midst. There were 3 or 4 saved, 4 sanctified and 6 received the Baptism of the Holy Ghost, for which we praise Him. This meeting was a blessing to the whole country near Wetumka. It was a blessing to me. We have been preaching there 2 years or longer.

GOD BLESSES AT GOWEN
And I want to say in regard to our work at Gowen church, we just returned home from there on our appointment, and I am glad to say the Lord sure did bless our hearts, especially on Sunday evening, we had prayer meeting at Sister Thuney's, and the Lord sure did bless. The saints were made to shout, dance and talk in tongues, for the presence of our Lord, Hallelujah I can feel it yet. We haven't done very much in the vineyard for Jesus this quarter on account of gathering our crop, but there hasn't been but one Saturday and Sunday that we have missed being in service. We will soon have our crop all gathered, then we mean to do more for Him. We are planning on moving to our work where we was assigned in the near future, we earnestly beg your prayers, that God will undertake for us and help us get there as soon as possible. Your brother in His service, saved, sanctified and filled with the Holy Ghost.

From Kansas

Scott City, Kans.

I am in a meeting 8 miles from Scott City at Rudof school house. This is a new field and the people are hard. I found one home that the mother in the home never heard a sermon preached. She is the mother of 2 children, and they haven't a Bible in their house. Pray for this home that God will save this family. Went to visit the home but the mother would not come in where I was. The meeting has been hindered at this place as we had a blizzard. Some people are interested here, but it is hard to get them to come to the altar. I go from here to Scott City and then to Healy, if God is willing. These are new places for Pentecost and the offerings are short. If any one feels like helping me stay in this needy field by sending my wife a free will offering it will be appreciated. I like to be in the new fields. We may not have so many shouts as where there are lots of praying people, but we trust that God will let us hear the shouts of newborn souls before we quit the fight. Your brother Saved, Sanctified and have the Holy Ghost.

Victory Amidst Persecution
Checotah, Okla., Oct. 6
Dear Faith family: I thought I would tell how God is blessing in these last days. Just before going to the Campmeeting, I conducted a prayer meeting at Pleasant Valley, the house was full but when I had talked awhile I asked all who wanted the prayers of the Christians to give their hand, as far as I know every one in the house gave their hand for prayer. Praise the Lord, a meeting was held later and many souls saved. So on returning I was asked to take charge of the Car Creek prayer meeting. A strange scene indeed was about 12 boys from 10 to 21 years of age came to the organ with shining faces to sing. They persuaded a girl to play the organ but there was not a sister to pray or testify that night. These dear little brothers rang out their testimonies with high praises to God and prayed with great power. Glory be to God; until the devil was stirred. An old hard shell baptist ordered us to close at 10 o'clock with 7 at the altar. He had the key and ordered us out with out dismissing, the boys just stepped outside of the school house and was invited to meet at a friends house close by, where no doors would be locked, we met with a good crowd Saturday night, I read some on sanctification and talked awhile on that, ten of God's children fell at the altar to be sanctified, 8 were sanctified and 1 received the Baptism with the evidence of speaking in other tongues praise the Lord forever! finished work was defeated again, we stayed till after midnight sang, testified, prayed, talked in tongues danced and shouted, well glory, something new for these people, then we were invited back to the school house, amen. On Sunday night the man that locked us out stayed till service was over, near a dozen at the altar but we were allowed to dismiss in order, I was with Bro. N T Morgan in a 12 days meeting, small crowds, but good interest, with 2 sanctified. I am still saved, sanctified and the Comforter abides. Pray for me, out to win souls for Jesus.

Good Services Oriental Church
To the Faith family. Greetings in Jesus dear name: Just in home from our last appointment at Oriental church, where we are pastors. God wonderfully blessed in the services. We have 3 Saturday nights, Sunday at 11 oclock and Sunday nights, each month and 1 at Banner school house where we expect D V to start a meeting Thursday night of this week. This is a new field and many hungry for Pentecost. We expect Bro. S E Stark to be with us, dear saints pray for us that God will give us souls for our hire. I am really glad to say of a truth Jesus is all and all to me praise His dear name He has always answered our prayers and healed bodies. I really esteem being a child of the King. Pray that God will help husband and I to lead lost souls to the Lamb of Calvary. Yours against sin and Satan.

Called Into The Work
I thought this morning as I have never attempted to write to the paper, the Lord would have me to put in my testimony as my soul is rejoicing in the Saviour's love: This morning I feel encouraged to press on more than ever, glory be to Jesus, I am praising Him for this full and free salvation; my soul is feasting on things above, praise the dear Lord. He is my sanctifier and baptizer and I take Him as my healer. Husband and I and are members of the Pentecostal Church at Seminole. Haven't been in the way very long but feel our call to go out in the work and work for the salvation of souls. My heart goes out for lost men and women. Pray for us that the way may be opened up that we may go and that we will let God have His way with us. Your sister in Christ; have the full experience and looking for Jesus to come.

Determined to Go Through
Sulphur, Okla., Oct. 14
Greetings. I thought I would write a word of testimony to the little Faith, as I feel the glory of God sweeping over my soul this morning. I have the sweet peace abiding in my soul. Thank God for victory through the precious Blood of the Lamb. I feel more like running this race to the end than I ever did in all my life; the nearer I get to the end of this Holy way the more determined I am to run every mile of the way. There may be mountains ahead to climb and streams to span, and hard things to overcome, but one promise that we have that HIS grace is sufficient, and that He will never leave us nor forsake us. I have found Him every thing that He has ever promised to be.

I am pretty soon off to Washington for a meeting there. After the Sasakwa meeting I went to Westville, Okla., to help dear Bro. Arthur Smith out down there. I find Bro. Smith to be some of God's real gold; he and his wife are as fine as I ever met. I sure enjoyed my stay with them in their home. There were some that prayed through to God, but the meeting was not as good as we would have liked to have seen but we praise God for it anyway, I found some fine saints there that love the Lord, and mean to go through with God. May the blessings of God be upon the Faith. Pray for me saints.

TESTIMONY AND REPORT

Harris, Ark. Oct. 18

To the Editors and readers of the P H Faith: May God bless you all is my prayer for Jesus sake. I have just seen and read a copy of the Faith, and I am delighted with it, because it is so well arranged, and filled with so much good news, as I was reading it the Holy Ghost came on me and I began speaking in tongues and rejoicing. God blessed me so good that I felt I should tell you about it. The issue of Oct. 15 is the first I have seen of the paper, wish I could have seen it before. Enclosed you will find 50 cts to pay for the Faith to be sent to Mrs. F M Britton, Royston, Ga. I am saved, sanctified and Baptized with the Holy Ghost and still speak with other tongues as the Spirit gives utterance Acts 2:4. And I am well and happy in Jesus glory, glory, glory to Jesus I am free, yes free indeed, oh thank God for this full and free salvation. I am here in a meeting in one of Bro. Arthur Smith’s churches, it has been a rather hard pull, but Bro. O C Maguire has received the Holy Ghost as in Acts 10:46, thank God for that, I told some of them the best man in this country had got the Holy Ghost. I am to begin a meeting at Stratford on Friday night Oct. 21 to close the 30th. Then I will be at Westville Nov. 2 to 13. You all please pray that we will have a glorious revival in both of these places. Your brother all for Jesus.

Prospects Good at Yeager

Yeager, Okla. Oct. 17

Greeting to the Faith family: We are here at Yeager in a battle against sin and the devil. The prospects are fine for a meeting. One got sanctified last night.

Large crowds, lots of conviction. The devil sure is stirred here, this is a new field, but I believe God will give us a great revival here, glory! I can feel it in my soul. All you saints pray much for this place, got no help much, but God is able to send us help. I am sending 2 new subscriptions to the paper. S M Weatherford

Several Get Good Experiences

Byars, Okla.

Greeting in Jesus name. The meeting at Chocktas began Sept. 18 and closed Oct. 2. It was one of success. We had good crowds. As we went there the devil went along too, but the dear Lord gave us the victory. The saints were greatly blessed and built up, and while I would be preaching the power would fall and they would shout, dance and talk in tongues. One man got mad and wouldn’t let his wife come to the meeting. We preached on the streets at Byars the 24th and the 1st of October. The Lord gave us a good meeting both times. I preached from Luke 13:3-5. I told them that I wish that they would get enough love in their hearts until they could brother each other. I tell you this world is dying for a little bit of love. “For God so loved the world that He gave His only begotten Son.” Since Conference I have helped in a meeting at Stratford. I feel heaven moving in my soul. Like David can say “Surely mercies and goodness shall follow me all the days of my life.” The Lord anointed my head with oil and my cup runs over. There was 1 saved, 4 sanctified and 3 received the Baptism of the Holy Ghost during the meeting. The altar was full of seekers almost every service. It done my soul good to see old gray headed people at the altar seeking to be sanctified. I will go from here to the Western part of Oklahoma. Pray for me. Yours for a full Gospel. W C Adkison

Saints Shout Victory at Dillard

To the dear saints scattered abroad, greeting in the name of our blessed Christ:

We just closed our meeting at Dillard, Okla. in which God gave us great victory. There was a few saved and several healed. Sister Loften while at her home praying by herself was wonderfully healed and began to shout and praise God. Oh, it is wonderful what God can and will do for us when we will let Him have His sweet way with us. And a dear brother, who had a bad case of the pellagra, came over from Healdton, Okla., and while the dear saints prayed over him the power fell and the Lord touched his afflicted body, and as the saints began to arise to their feet and shout and dance in the Spirit an Indian, Bro Jewel Haym, began to shout and to praise God which caused the people of Dillard to think on salvation as never before to see a full blood Indian shouting the praises of God, and as we had a farewell song and a hand shake and told each other good bye it just seemed like the whole heavens opened up and many shouts were heard, among them was the Indian brother. Oh may God bless the dear saints at Dillard who have been so good to us since we first met them. Do pray for this little flock that they may ever stand true. I believe if there ever was real sky blue, all wool and a yard wide bunch, the Dillard bunch is one and they sure deserve our prayers. Dear saints pray for wife and as we go forth trying to do what little we can for the Master. May God bless all the dear saints the world over is our prayer. As ever

JESUS IS COMING
Died Frothing at the Mouth

A SAD AFFAIR

(Oct. 18)

To the Faith family, greetings in Jesus. I just closed the We-
tumpka, Fla., camp meeting night before last. It was the hardest
pull that I have had all year, up until the 2 last days when God
gave the victory. I haven’t car-
ried such a burden for a meeting
all year as I did there. God only
knows what a burden was on my
heart. The people were very kind
to us. We enjoyed the privilege
of being with those people, but
oh how sad it was to see what
happened just before the meeting
closed. On Friday night I preached
on hell and continued the same
subject Saturday night. One
woman who was poisoned up with
the Mormon doctrine became very
much offended that night. The
next day she told J E Pittman, a
Pentecostal man and her cousin,
that I was misleading the people
because I was preaching that
there was no chance for the wick­
ed to repent after death. Said
what I was preaching was of the
devil; also called me an old bald
headed scoundrel. Of course it
wasn’t me she was fighting, it
was God’s truth, and God and the
Holy Ghost was insulted. The
man that she was talking to came
home and said he felt in his heart
that she had blasphemed the Holy
Ghost. The woman came to
camp meeting night that night and I
was preaching on hell. She got
mad and got up and went home and
as she walked out from under the
tabernacle she said she would
never come back there again.
Well she never had the chance to.
The next morning she went out
in her own yard and laid down.
Her husband carried her into the
house and laid her on the bed.
She began to froth at the mouth.
The doctor was summoned, but
ill in rain; he didn’t know what
was the matter. They sent for
some of the saints, but too late.
they found her running one hand
up in through her hair and froth­
ing at the mouth. About 8:30
that night she died. In 24 hours
after she left the tabernacle and
said she never would come back
to that place she was dead and
her soul gone to give an account
to God. The one who said there
is a sin unto death, 1st John 5:17.
The blasphemy against the Holy
Ghost shall not be forgiven unto
men—Matt. 12:31-32. That coun­
try has been made to realize that
God will take vengeance.
I go to Waycross, Ga., tomor­
row and preach one night for Bro.
Hampton, then we go to Atlanta,
Ga., where we begin a revival on
Sunday, the 23rd, in Bro. O. N.
Todd’s church. All who read
this pray for me, also for my
lungs and voice, they are about
down. After the Atlanta
meeting I intend to return to Ok­
lahoma the Lord willing. I get
so home sick at times to see my
precious wife and children, but
one day my battle will all be over.
Oh glory, I intend by the help of
the Lord to be in the round up.
Even so come Lord Jesus. Your
brother in Christ seeking the lost.

God Blesses in Bethel Church

Wewoka, Okla. Oct. 22
Greetings in Jesus dear name:
I was called home from the
meeting at Rossville, to be at
dear Bro. Henry Hayse funeral.
I sure enjoyed the meeting, may
the dear Lord continue to bless
them as my prayer. The Lord is
blessing here at home. Thurs­
day was a grand time, the power
began to fall when we began to
sing and continued throughout
the service. An altar call was
made and one sister came through
on the old fashioned line of sancti­
fication. She said she would
not come to the altar for the bless­
ing but would get it at home, but
the Lord had her meet Him at
the altar and would not let her
have the blessing elsewhere. It
is not our way but His. Thank
God for the privilege of meeting
Him any where for the blessing.
Yours for His glory.

Saved, Sanctified and Baptized
with the Holy Ghost.

3 Saved, 4 Sanctified, 2 Get
Baptism of the Holy Ghost

Roff, Okla. Oct. 17
Just closed a few days meeting
at Happy Holler 5½ miles North­
west of Roff. 3 got saved, 4
sanctified, and 2 got the Baptism
of the Holy Ghost. The altar
was full of seekers. Bro. Clar­
ence Neukirchner came down and
we organized a church with 11
members. There is lots of good
straight saints here that didn’t
come in the church, but we are
hoping they will; and believe
they will later. Something like
three years ago we built a church
there unorganized. It moved a
long very well for a short time,
then went down; no pastor, no
rules, nor regulations, no system.
So last Monday, the 10th we pull­
ed the weeds up out of the doors
and knocked the dirt dobbers
nests down and started the meet­
ing; closed the 16th with wonder­
ful victory. All pray for that
place, I am expecting to move
down there about the first of No­
vember. As I write this I feel
the power of God over me. I am
still saved, sanctified and have
the Baptism of the Holy Ghost,
doing my best for God. Your
brother in Christ out for the lost.

The Okmulgee Meeting Closed

CHURCH NEEDED AT ADA

Okmulgee, Okla.

The meeting at Ada was a seed sowing time. We had all kinds of doctrines to deal with, some of the Perfection doctrine, and Church of God, some unfinished work, and some Pentecost. Some of them wore short sleeves and low necks and short cut skirts and one preacher who would bar the front door of his store and take customers in at the side door and sell them meats, groceries, snuff and tobacco on Sunday. He just came out two times. And another preacher who would not come out at all because we would not beg him to come. He got all swelled up. Well I had rather those short sleeve and no waist, tobacco selling Sabbath merchant preachers, and puff and swells ups would get out of the way anyhow. I stayed with it, and as they kick we would tip on the plow handles and say come on — sinners would come and enjoy it.

We came over to Okmulgee to help our dear Bro. Chas. Phipps awhile in his work. We arrived here Sept. 26 and started in. We found a number that are true blue steel. Bro. Phipps is doing his best as a pastor standing by the flock in every way he knows how. Here we met so many old friends and made still more of them. I praise God for the saints at Okmulgee. Some got to the Lord on different lines. The band here gave unto us liberally, and we have host of friends here and a number of them we will meet on the golden shore. I go home today for a short stay. I am almost worked down. Glory, but it tastes good yet. W D York

Bro Hayse Has Gone to Heaven

Oct. 15th at 7:20 o'clock the death angel visited our Community and took dear Bro. Henry Hayse to be with Jesus. It was hard for us to give him up, he was so true to the cause of the Lord. He leaves a wife Sister Eula, three children, Leonard, Olafay, and Floyd, one sister, a host of other relatives, many friends to mourn over his departure, but cheer up in the sad hour, we all soon shall meet again to never part. Bro. Hayse was saved, sanctified and Baptized with the Holy Ghost about a year ago last August in Sister Williams and Sister Smith's meeting. Also joined the Pentecostal Holiness Church and was faithful in all the church work as long as he was able. Oh thank God for men like he was. His funeral was preached from Philippians 1:23, 2nd Timothy 4:6, 1st Thess. 4:14-18.

L G CHILCOAT, Pastor

Wewoka, Okla.

I truly thank God this morning for ever saving my soul and starting me out in this way. When I see how sin is wrecking girls and boys, tearing up homes it makes my heart cry out to God. Surely we are living in the last days, when God is pouring out His wrath on people. You know it pays us to live close to God and be ready to go. In this way we see so many that claim to know God but they haven't got any power on their lives. I see so many mothers that let their children go to church but they hardly ever go themselves; and they dress their girls in such a way it is not decent to look at but still they have brass enough to say they have the Holy Ghost, but not the Holy one. I tell you it will make you live right, walk right and glory to God you will want to dress right; it will make you talk right. I am so glad that Jesus ever saved me, sanctified and filled me with the Holy Ghost. I hear some folks say they can't make their children mind, well I am glad God gave mother enough religion to make us children mind, some folks say I have mine on the altar, well, you may have them there, but if you would tell them what is what and stand to it they would feel better and have better children. I know when my mother told us to do any thing we didn't say wait, I want to do this, or make her go. And thank God she lived the life before us and every one of us are saved. It pays to live the life as we go through Pray for me that I will do what God would have me do, Your little sister in the Lord, looking and longing for Jesus to come.

ETHEL HARDY
The Value of a Soul

One time Jesus said, "What shall a man give in exchange for his soul?"—Matt. 16:26, in comparing the whole world with a soul. Now let us think for a while, the whole world. Think about all the good farms with their millions of cattle, all the large cities with all their wealth, all the railroads with all their trains, all the seas and oceans with all their steamers. If one person could travel until they could see all the world, with all its wealth and finery, and could realize its value, then, to see some poor beggar sitting on the street with both lower limbs off, and both arms off, his face dirty, poor, forsaken, pitiful looking as any mind could picture, then think in that form there it a soul worth more than all the world.

No wonder Jesus said when He was being nailed to the cross, "Father forgive them for they know not what they do." I am sure if we could see the value of the lost soul as we should, we could pray many times when we fail. God help me as I am only passing through this world one time to live as I will wish I had lived, when I come to the end of the way. Now I am on the field if I don't get to go to China this winter, I want to be in the fight all the time. I want to go where Pentecost has never been preached, and if any one who lives off in a hard place, and you want some help, that is the kind of a place I want to go.

Your brother in Jesus, saved, sanctified and baptized with the Holy Ghost.

Good Report and Appeal for Workers

Box 224, Krugersdorp, Transvaal,
South Africa, Sept. 5, 1921

Dear Brother. May the dear Lord bless you in the work for Him. I am sure you will pardon me for answering your letter for my husband, as he has asked me to answer you, for he is kept so very busy in the work, and you know our Master's business requires haste and the work is growing so it is more than he can do. But Bro. Muse, though we work so hard through the day and if we get a letter from you or some other good brother or sister it seems to lift us up and helps to lift the burden. Oh! Bro. we are crying to God to send us more laborers, more real laborers. Blood-bought children of Christ that are willing to lay down the world and take up the cross and follow Jesus daily. The work is going on nicely, although we have many trials but we will have them as long as we work for Jesus.

The people are calling Mr. Rhodes on almost every side and he cannot go to every call. Please Bro. you and the people there, won't you help us pray for more real helpers to get the Gospel to people before the Lord comes? When we read your letter I told husband, well thank God some one has Africa on their heart. We need to build many churches now, there are so many places that need a place to worship in, and all we can do is to tell our Heavenly Father about it and I know He has supplied our needs so far and He is a God that changes not, praise His dear name. We have just opened another church that was lately finished. We do praise the dear Lord that we are well again; we have had quite a bit of sickness lately. I have been very sick and I think it was the hardest fight we have had since we have been trusting the Lord these nine years. Mr. Rhodes and our two little boys have been sick some also, but we praise our great Physician for healing us. Oh, what a privilege we have in Jesus to trust Him for every thing when we are sick and when we are in want. I have found Him to be a present help in time of every need, bless His dear name. Give our love to all the people there. Tell them I love them even if I never have seen them for I love all God's children. Please remember us in your prayers. Your sister in the Lord seeking to do His will.

Many are Healed

Just closed 2 weeks meeting at Crescent, Okla. The people secured the Community house of that place for the meeting. Although it was a busy time our crowds were good, and never did I preach to people who seemed to enjoy the Word of God as the people of Crescent did. The pastor of the Methodist church attended the meeting nearly every service and would help in the altar work, and exhort people to seek the Lord. He is a good sanctified man and the last week of the meeting he told the people he had always said if any one could show him in the Bible a higher standard than he had, that he would go to the altar and ask for it. I must say he was a man of his word. He plead with the Lord for the Holy Ghost and said he felt such a hungering in his heart for real power for service and that he was willing to take the Blessing any way God would give it to him. There were some saved, some conversed their life to the Lord more fully. One young lady gave her life to God and consecrated her life to the Lord for the ministry. There was also some wonderful healings. One child was healed of diptheria after the doctor had said it could not live, a man who had a stiff limb was healed. A little girl who had a stroke of paralysis was healed. Bro. and Sister Taylor of Edmond were with us for four services and the Lord blessed them. Sister Taylor has a brother living in Crescent whose wife was healed this past July of cancer of the stomach. I was at her house the day she was prayed for and anointed to be healed. She was gloriously healed and if any one could see her then and now would be found to say it is a miracle that God hath done. She is surely a happy woman and always testifies to being healed. On Sunday the 9th the people had a basket dinner; they sure know how to spread a good dinner. After having us promise we would come back soon and take the meeting up where we left off we sung "God Be with You till We Meet Again" and had prayer. I must say there are some good saints at Crescent straight and clear on Bible doctrine. They knew nothing of our church or little paper. I told them of both and Bro. Muse, the Lord willing, I aim to go back soon. If you will send me a roll of papers I will be more than glad to work in behalf of the paper for it is a blessing to me and I am sure will be to others. Pray for husband and I; we surely need your prayers. We are both doing our best to please Him who saved us and washed us from our sins in His own Blood. Yours in His glad service.

Stratford Meeting
Stratford, Okla. Oct. 29
I commenced the meeting here on Friday night the 21st. fairly
good crowd to commence with, and the crowd soon filled the
church to overflowing. I have
had good liberty in preaching all
the way through, the saints have
been blessed and built up. There
was some sifting of that which
was false. The devil soon got
mad and I was glad, some were
sanctified and on last night I got
the Holy Ghost and spake in
tongues as all do who gets Him.
I never was in a service that I
enjoyed better than last night
service. I preached on the "Seal
of the Living God," and before I
got through my sermon the power
fell so I had to stop and have al­
tar service, the saints leaped and
danced, talked in tongues, played
the organ in tongues and Oh
what a blessed time we had, I nev­
er was blessed more in my life in
any service, thank God. Interest
is increasing, the power falling,
and we are looking for greater
things. We will close Sunday
night in order to get to Westville
by the 2nd of Nov. May God
give all the readers of the Faith
and the good editors. Your Bro.
all for Jesus. F M Britton

HOPETON MEETING
Hopeton, Okla., Oct. 20
Wish to say that I am saved,
sanctified and baptized with the
Holy Ghost up to date. Once I
belonged to the Brotherhood of
Railroad trainmen and I had to
pay my dues if I kept up to date.
I find that if I keep up to date
with Jesus I have dues to pay, but
thank God I can pay them when
I'm broke financially, by prayer,
oh praise His holy name. This
leaves me in a battle fighting sin.
Have been here at Hopeton for
17 nights. Hard fight, some
wood, hay and stubble. Has been
a hard pull, but thank God vic­
tory has come last Tuesday in a
cottage prayer meeting, but it
took straight hard preaching.
The devil tried to tell me every
night, this your last night, but
I just looked up and thanked God
for Pentecostal Holiness Church
and that I could go back to Reeding
and other places would stand
for the truth, so I kept digging
up cold professing Christians and
thank God victory came, some
confessions and 2 healed and God
gave us victory. Two days more
confessions made. Saints pray
for me.

WILL A MAN ROB GOD
I am looking to the preachers
to send in their tithes for the
Lord's work. Our church is
growing as you can see by the
minutes and we are at a point in
our progress where finance is
much needed. Please do not have
Mal. 3:8 applied to your case. If
you wish your people to tithe and
you preach tithing to your church,
then let me whom you have elect­
ed to look after your finances
take my text against you and listen
while I preach to all the minis­
ters of Oklahoma Conference
my text is as quoted above, Mal.
3:8 "Will a man rob God?" The
State is in need of your tithe,
churches and ministers, "Give
and it shall be given unto you."
Are you guilty of putting off un­
til tomorrow. Send your tithes
today.

5 Receive Baptism
Our meeting at Rossville closed
Sunday night with victory, but the battle was hard. Bro. Jim
Campbell was with us the first
week. Bro. Chilcoat the second
week was called home to preach
a funeral—so we continued the
meeting another week. The dev­
il was on the job, but God gave
us some victory. 5 saved 3 recei­
ed their baptism. Many hungry
for God. I am now at Reeding,
found the little church here on
the mountain top; wonderful vic­tory last night in a business
meeting. Found Bro. and Sister Hos­
ey on the firing line. We will
begin a few days services here to­
night the Lord willing. I mean
to leave for California for about
two months, the Lord willing
will leave in a few days. I still
have the victory in my soul, just
heard from heaven about 30 min­
utes ago. I covet your prayers.
I mean to stay in the old paths.

I thought I would write a few
lines to the dear little paper. I
am praising God for full salva­
tion, praising Him because He
keeps me sanctified and free from
sin praise His name. Bro. E M
Ouffut of Sulphur, Oklahoma has
been holding a meeting at Lind­
say, several experiences were re­
ceived, the meeting closed with
several at the altar, but Bro.
Ouffut didn't have any help at all
and he was worn out and had
to close the meeting. But so many
here want him to come back and
we hope and pray God will send
him and helpers soon, as this is
a needy field. Many business
men are getting interested about
their soul. I will close and give
room for some one else. A sister
in Christ.
