Oklahoma City Revival Opens With Victory and Souls Seeking the Lord

TUESDAY NIGHT, NOV. 8

The Oklahoma City revival is on. Hallelujah! Bro. Lewis Sawgalsky, a converted Jew, is here and preached the first sermon Tuesday night, Nov. 8, and it was rich and juicy all the way through. He preached on the subject of "And He went a little farther and prayed." God blessed in the preaching and surely it was an inspiration to go a little farther with God. An altar service was called and it seemed like the majority of the congregation wanted to go a little farther with God—Saints talked in tongues and shouted the victory. Among the trophies of this service was a Catholic woman who after much wrestling in prayer was saved and arose happy and praising the Lord.

God has blessed our work out there, it was a new field, now we have 20 real saints of God, a number received experiences in this meeting. 15 were saved, 11 sanctified and 2 received the Baptism of the Holy Ghost. I am giving all my time to the cause out there at our church.

Pray for the work at Oriental church. Praise God! I love the Pentecostal way. Yours for the lost.

WEDNESDAY, NOV. 9

The service Wednesday night in the Oklahoma City revival was a good one. Bro. Sawgalsky preached a splendid sermon, and many came to altar. And while the altar service seemed blocked for a while, yet it ended with God giving great victory and amidst the shouts of saints souls prayed through and got the victory.

THURSDAY, NOV. 10

Thursday night Bro. Sawgalsky preached a good sermon on "false religion", and he by the Spirit of the Lord surely showed the need for the Blood of Jesus. Again several at the altar. 1 got saved and 2 sanctified.

FRIDAY, NOV. 11

The Friday night meeting was indeed victorious, and many were the shouts of victory. Shout after shout went up to the glory of God during the altar service as the power would fall and souls get through to God. Some of the trophies of this service were 5 saved and 1 got sanctified also. Some danced, among them was a grandmother. Many talked in tongues and shouted. The power was on one young lady, who can not naturally play a piano at all, and she went to the piano and played heavenly songs we've never heard played before, also sang in tongues and played other songs. A true manifestation of the power of God. Bro. Sawgalsky again in his message set forth the great power of the Gospel and the Blood of Jesus.

SATURDAY, NOV. 12

At the Saturday night service, after a good live praise service Bro. Sawgalsky preached on "past feelings," and he got so full he couldn't preach any more. The altar was filled with seekers and the power of God came down on this altar service and several

got the victory. 3 were saved, 1 sanctified and 3 received the Baptism of the Holy Ghost and many others were blessed. Hallelujah!

Snake Worship

The other day, not far from the house where we were staying while on tour, we noticed a woman worshiping an ant hill, and finally she dropped some food in the opening. We asked if she were worshiping and feeding the ants, which is sometimes done. She said, "No, I am worshipping a snake that lives in the ant hole."

When we asked if she did not know this was a sin, that she should only worship God through His Son Jesus Christ, she replied "How can I worship Him whom I have not yet heard of?"

This is so trival an occurrence, so every day common-place, that we hesitated about mentioning it. But it is typical of India. This kind of "animal worship," is very common in nearly all parts of India. You may perhaps ask, "Why do they do it? Do they know better?" The only reply is that nine times out of ten they do not know better. They worship snakes, monkeys and cows, because no one has yet told them of that "better way," in the worship of the true God through His Son Jesus Christ.—Benares, India, Pilgrim's Progress.

Scott City Meeting

Greetings in Jesus name. We are in a battle against sin in this little city, and it is a real fight. We have been in 12 services here and it seems that God holds us on the sin question all the time. Pentecost has never been preached here; it is new to this town, but God is working with some. I don't know the outcome, but I know that God is dealing with hearts. I have seen some people sit in their seats and cry and get up and leave the house. I was speaking to a man that is in business here, and he told me that he was a Baptist but he hardly ever went to church for there wasn't nothing there for him. He has been a regular attendant at the meeting. When I close here I will return home. The people failed to get a house for me at Healy, so I will be back in Oklahoma as soon as this meeting closes. May God bless the Faith paper and spread its branches until there won't be any end to it's influence, Praise God for the power of its columns, I remain as ever your brother saved, sanctified and filled with the Holy Ghost.

Victory in Meeting

Yeager, Okla.

To the Faith family: Well praise the Lord, just closed our meeting last night had a wonderful meeting. Several prayed through, but don't know just how many. Sure are some good people in Yeager, never was treated so nice in my life by any people. The Lord bless Sister Floyd and family they were so nice to me. Well praise the Lord this morning for real victory in my soul, never was so determined in my life to do more for God than I am this morning, it means so much to live for God. Saints hold on to God, don't compromise with the devil. I will go from here home, will be home for a while, don't know just how long. So may the Lord bless the Faith paper. You find enclosed 10 subscriptions, May the Lord bless you all.

SM Weatherford

Wewoks, Okla. Nov. 7

I feel like it would please God for me to testify in and through the Faith paper that brings so much pleasure to me. Glad I am still saved from sin and sinning, sanctified by the precious Blood of Jesus and the Holy Ghost is the abiding Comforter, thank my God for the way that makes men and women straighten up crooked lives. It makes me hungry to be on the battle field, when I read how God's children are out in the work, but I mean to do my best for the One who has done so much for me. Your sister in Christ.

Healdton Meeting

Healdton, Okla. Oct. 27

To the dear saints scattered abroad, greeting in Jesus name. We are still in a meeting at Old Healdton. God is wonderfully blessing here now, we have had a hard fight but thank God we are gaining fast now. Night before last about 25 of our band from Dillard, Okla. came over and joined in with us in the battle and the Lord sure did give us a real land-slide from the glory world, as dear Bro. Lamb from Dillard led the praise service saints began to shout as the power fell until a large majority of the saints were shouting and praising God, at the close of which we made an altar call and there were 7 came for prayer out of which 3 men were converted all men of families; and the sinners looked on with tears in their eyes. Dear saints pray for this place that God will shake this old sin cursed town as never before. Pray for the saints at this place as they surely need your prayers, there is some as pure gold as has ever been through the refinery, right here in Healdton, men and women that have their whole heart in the work of God. and we do appreciate their kindness to us since we have been here. So dear saints pray for us that God will use us to His glory and that He will continue to give us victory in this meeting.

Yours for the Master and lost souls.

"The fruit of the righteous is a tree of life, and he that winneth souls is wise."—Prov.11:30.

Some people rejoice that their name is in the hall of fame. But God has a Lamb's Book of Life and we rejoice that our names are written in Heaven.

N. T. Morgan has said that in his heart he was a Methodist and in his head he was a Baptist and when he got his heart and head together he was Pentecostal Holiness.

There is an expression that "If we please you tell others, if not tell us." So if the Pentecostal Holiness Faith pleases you tell other saints and friends and get them to subscribe.

Bro. preacher isn't the "Where they are at" column interesting to you? It is to others also. Help us keep it interesting by keeping us informed as to your whereabouts.

It isn't so much whether we have "blue blood" in our veins, it's whether the warm, pulsating cleansing Blood of Jesus has been applied to our souls. The Blood of Jesus Christ, His Son, cleanseth us from all sin.

Yes indeed, we appreciate that good list of new subscriptions sent in by the different workers, and we are going to try and do our part by making the paper a blessing to them at least 24 times a year.

You may think that Holiness is not necessary but as sure as 2 and 2 makes four you will have to "Follow peace with all men, and holiness, without which no man shall see the Lord"—or miss your calculations of seeing the Lord.

To their shame some folks are more concerned about the title to a sandy lard farm than they are about having a title to a mansion in Heaven. Others are mighty interested in having their hogs registered—their cows and horses of the registered variety—and are seemingly unconcerned about having their own names registered in the Lamb's Book of Life.

Buddie is less than 4 years old but he knows how to pray and believe God. The house where his parents live is practically surrounded by timber. His father was burning off a strip of ground the wind arose and the fire got beyond control, and was fast licking its flames near a large barn and just beyond this the hay barn and a berry patch was in its path. The fire was so hot near the barn until the mother saw it was all going unless God prevented it. She rushed in the house and got the children and together they began calling on the Lord. The fire turned from the barn and burned out another way, and the mother returning to the house found the children playing.

Buddie said "Mamma Jesus spoke to me while I was praying," upon inquiring he declared the Lord told him while he was praying that nothing would burn up.

Sister Willard Short, one of our evangelists, has been doing a splendid work here in Oklahoma City among the outcast women in a certain institution, where she has been granted a special permission to talk to them and to pray with them once a week. One girl she found was just a stripling of a girl, yet in her teens, pale, wan and haggard. Some mother's girl true, at one time pure and loved. Her mother passed away and the horrible, terrible slimy band of sin underhandedly and shamelessly fastened upon this wisp of a girl in a most revolting manner, destroying virtue and sending her fast on the primrose path to shame and hell. Sister Short put her arms around her and told her she loved her. With tears this pallid wisp of a girl responded "nobody loves me." Sister Short had prayers with them and most of these unfortunates wept. Pray for them. And pray for God to bless Sister Willard in this noble work and enable her to love them and pray them into the Kingdom of God.

The Meeting at Washington

To the Faith family, greeting in Jesus name: I will send in report of our meeting at Washington up to date. The meeting wasn't what we liked for it to have been. There was much good done and the town and country was stirred and several prayed through on Bible lines. Brother Cook did some straight preaching. I enjoyed being with him in the battle. I left the meeting Friday and can't give a full account of the meeting. I am here near Lindsay in a battle and I go from here out near Wetumka for a meeting and I desire the prayers of the saints that God will bless in the meeting and many souls will get to God. I will be at the meeting near Wetumka the 16th of Nov. Yours in His glad service.

In regard to the meeting at Yeager, Okla. The meeting started Oct. 15 in a garage 24x40, and the crowd got so large that we had to get a larger building, and so the Hallford Bros. said to come right in their garage and have the meeting. It was a large building that held lots of people, and the Boys said the building won't cost you all a cent. Praise the Lord for such people. The trial were 36 saved through on God will undertake further, and the crowd got too large. The young people there gave us such nice behavior. May the Lord bless them.

FOOD TO HER SOUL

Pottersville, Mo.

Greetings in Jesus name. As I feel led this afternoon to write a testimony to the Pentecostal Holiness Faith that has been a welcome visitor to my home. It sure is food to my hungry soul. Oh how I love to read it, just seems like news from heaven. It is surely a God sent paper. I am praising the Lord this evening for the way, this wonderful way of Holiness, and praising Him for ever saving, sanctifying and Baptizing me with the Holy Ghost praise the Lord, and the Comforter still abides, Glory to His precious name. I find in Him all I need. The trials come thick and fast, but He has promised never to leave us nor forsake us; He is ever ready to carry us through if we will only trust Him. This would be a dark world indeed if it wasn't for Jesus and the bright hope I have beyond the grave. I ask all who read this to remember your unworthy sister in your prayers that I may hold on to God's unchanging hand and be true to my blessed Saviour until He comes or calls. Remember my unsaved family that the Lord will save them before it is too late. Your sister under the Blood looking and longing for the coming of our King.

Bro. Nicholson in Meeting

McAlester, Okla. Oct. 31

I am glad to report victory in my soul this morning. I am still in the fight for Jesus and doing all that I can for the lost world trying to get them to accept my blessed Christ. I have begun a meeting at Arndt school house, about 7 miles west of McAlester, and I earnestly beg your prayers for me and the meeting that-God will give us a good meeting. Yours for the cause of Christ.

W A NICHOLSON
Sawgalsky Sayings

Pithy extracts from Evangelist Sawgalsky's sermon in Oklahoma City revival Nov. 10.

Over 100,000 Jews today in Jerusalem.

We are living almost at the beginning of the tribulation.

I tell you it will take all the religion we can get to stand in these last days.

Oh brother you are going to be in the Bride?—But you will have to go a little farther.

We are living in the days of the close of the age**The Bridegroom cometh—and a lot of folks won't be ready—they are too worldly.

It will take old time sanctification, it will take the Baptism of the Holy Ghost to stand when anti-Christ comes.

Some of the Holiness people will die at the stake, some heads taken off, but will say that the Blood of Jesus Christ cleanseth from all sin.

When they say the Blood cleanseth, heaven is there.

Preach the Blood and you can get all the victory you want.

If you take the Blood out of religion—I don't want it. It's the Blood of Jesus.

The Blood of Jesus can keep us, thank God. The Blood of Jesus Christ can do anything.

When a man says you can't live above sin he is denying the Blood of Jesus and it's power to keep.

Every religion that denies the power of Jesus to keep them from sin is of the spirit of anti-Christ.

God didn't say when I see the Lamb I will pass over you, but when I see the Blood I will pass over you.

God says enter boldly in—a lot of folks with cotton string backbones never will get in.

From Bro. Stark

Okmulgee, Okla., Nov. 7

Glad to report this morning with victory in my soul. Closed the meeting at Pleasant Valley, near Mounds, Sunday night, Oct. 16, with good interest. While there was not very many that got to the Lord, but was a seed sowing time. Preached the first night 1 Cor. 14 ch. Sure was great interest and many were convinced of the truth. Went to Alabama Friday the 20th for over Sunday, had a precious time there. Then to Banner Monday 24th with Bro. and Sister Burns, had a wonderful meeting there; was about 15 saved, 11 sanctified and 2 received the Baptism. Altar was full of seekers almost every night crying out to God. Was a time, as Joel said, of rending hearts and not garments, praise God. Some would pray through going home and others in the woods; certainly left lots of hungry people, praise God. Bro. and Sister Burns are certainly fine workers, I love to be with them. I go Thursday the 10th to Hardwood, to visit some churches in that part of the country for the Supt, as he could not get to them. I will be at Hardwood 10-11 to Wapanucka 12-13th—Liberty Hill 14-17th New Hope 18-20th. So pray for me while at these places. Oh how I love the Lord this morning am determined to go all the way with Him by His help and grace. Your brother in the Lord, out for lost souls.

4 Saved, 4 Sanctified
4 Receive Baptism

Westville, Okla., Nov. 11

I praise God for the victory this morning. Bro. Britton is sure doing some straight preaching. He will talk so straight to some of the chronic seekers and dig them out until we would wonder if they were going to get offended and quit coming, but when the altar call is made they come and pray through. There is some one goes through in almost every service. Has been 4 saved, 4 sanctified and 4 received Pentecost for we heard them speak in tongues and magnify God. We don't know what more God is going to do for us, we are expecting great things to happen between now and Sunday night. Quite a number still seeking God. The devil is mad, but we are glad and shouting the victory right on anyhow, bless God, The Lord said to the Prophet Ezekiel "and they whether they will hear, or whether they forbear (for they are a rebellious house) yet shall know that there has been a prophet among them." So it is with Bro. Britton most every where he goes, before and after he leaves the people can tell that he has been among them.

Your brother, ARTHUR SMITH

William Addison Pope was born in Lawrence Co., Ky., Oct. 22, 1864. While young went to Gallatton, Mo, and while there met and married Nancy Woody. Later moved to Oklahoma where he was living at the time of his death. About 15 years ago he accepted Christ as Savior, later on sanctified and later on was Baptized with the Holy Ghost as Acts 2:4. He departed this life Nov. 6, 1921, age 57 years and 15 days. Leaves 2 children, Fred and Clara Whitley of Kansas, 7 grandchildren and other relatives and a host of friends. He was so kind and patient; In all his sickness was in his right mind and talked with each one and exhorted them to meet him in heaven. He sang and shouted to the last. While sick and at the home of the writer he expressed a desire to see many of the Pentecostal people and especially Brother Cook and Sister Tolbert. He longed to see the Pentecostal people more closely united in the one Body (The living church of God) Sermon was preached at his home by the writer, text. Psalm 92:1-3 after where we laid his body to rest in Weatherford cemetery to await the First Resurrection at the coming of the Lord. A part of a song he sang just before he went to be with Jesus, "Keep your lamps all trimmed and burning, for the Bridegroom watch and wait; He'll be with us at the meeting just inside the Eastern gate."

Good Work at Sulphur Church

Sulphur, Okla. Nov. 3

We are getting along nicely with the church. Please announce in your paper that we have services every Sunday and Sunday nights, also Sunday school at 10 a.m, prayer meeting Friday night. On every 1st Sunday we will take a Missionary collection. The church has also promised to pray each day for some one. We are looking for Jesus to come soon and we must be busy. On Sunday we pray for the Home land U.S. and Indians; on Monday we pray for Mexico and workers; Tuesday we pray for India and her Missionaries; Wednesday we pray for China and her Missionaries; Thursday for Japan and Missionaries; Friday for Africa and her Missionaries; Saturday we pray for all those we have left out, and that puts us around the world in prayer every week. So be sure you don't stop off at one of these stations during the week and not get back home for Sunday. Be sure and make this round every week and it will make you feel good when you get back home after visiting all of these missionaries. Pray much for our Sulphur church, we are asking for a great harvest. Your brother in Christ. GUY T MENASCO

The New Model Meeting

The meeting at New Model, having large attendance and good order, the meeting has only been in progress 5 nights, but quite a number are seeking God. The power fell last night and we sure did have a real old time Pentecostal shower, and the saints surely did make the hallelujahs ring; laughed, shouted, danced in the Spirit, talked in tongues while a mighty throng stood by, some shouting, while others were doubting, but praise be to the Lord the glory rolled on just the same. Part of the Bethel band were with us and they were all on fire and ready to work, and the saints at New Model are good ones too, with dear Bro. W.M. Isbell their pastor a dear good saint of God; and a good Baptist brother leads the song service, he is a good helper in the meeting for which we are thanking him and praising the Lord for some true blue ones like our dear Brother Charley Mullens God bless him in singing for his service. Dear Bro. Posey was with us some too and Bro. Davis is quite a helper in the meeting. Will give full details of meeting after it closes. I am going to remain in Calvin for the winter, we are going to build a church, in the town of Calvin, a place to worship God as there never has been any place for our people. I felt it was the Lord's will so by His grace and help we will soon have one so all can hear the Pentecostal message.

to His name, and still answers prayer. There are many hungry and seeking hearts yet, and we are still believing God for them, for the devil is mad and I am glad, glory to the name of Jesus; I feel like shouting, saved, sanctified and got the wonderful Baptism of the Holy Ghost and speak in tongues as the Spirit gives utterance, praise the dear name of Jesus. He is my healer and keeper. Pray for me and the little mission, that we will keep on fire for God. FRANCIS HATFIELD
