THEY SHALL LAY HANDS ON THE SICK, AND THEY SHALL RECOVER (Mark 16:18)

DOCTORS, DEMONS & PILLS

BY REV. JACK COE

Many unscrupulous doctors who now take advantage of the people will be used as a tool by the anti-Christ during the tribulation!

In Matthew 8:16-17 we read: "He healed all that were sick to fulfill prophecy." Many people are asking the question, "Is it the Lord's will to heal?" They say that Jesus once healed . . . that he once had pity and compassion! My Bible plainly teaches that He is the same yesterday, today and forever. A good healing campaign is the best school of faith in the world today. The devil fights healing meetings. He knows that it is a means by which people acquire more faith, and that every healing is a sledge-hammer blow against him. Every clear-cut case of divine healing proves the reality and power of the living God! It is a stern rebuke to the unbelief and doubt of the modern church member and preacher. It is a victory over Satan and his host.

There is not one single text in the Bible to show that it is the will of God for the ministry of healing to be discontinued in the church. It is the master key to the human heart. God is going to use His power to heal as a means of bringing about a great world-wide revival. He is raising up men and women in every country who have faith to take Him at His word. He has made me to know that He is walking the earth today healing all manner of sickness and disease. He is performing miracles to cause His church to be a glorious army, terrible and with banners . . . going forth clothed with the power of God! Signs, wonders and miracles are following those who will dare to believe His word.

Stand Boldly On God's Word

The Bible says freely ye have received, freely give! We have something to give the world . . . something not to be ashamed of. We should stand boldly and proclaim to every man and woman that Jesus is still the miracle worker. When every doctor has folded his hands and shaken his head . . . Jesus can still deliver the sick. When every human remedy has failed, Jesus can still heal! Of all the many cases referred to in the Bible, not one single case of miraculous healing is attributed to the efficiency of the physician. We do not say that people in Bible times were not healed by human remedies.

Does God use means to heal people? Can God speak the words that will

heal a sick body without the aid of human remedies or human hands? I do not want to imply that I am fighting doctors, but I am telling you about a GREAT PHYSICIAN who is all-sufficient and he delights in doing the impossible. YOU can be delivered by His power and word. I believe that many men in the medical profession are glorifying the devil while the kingdom of God is neglected. As I said in the first part of this article, if you will look to God and receive your healing from Him, it will strengthen your faith . . . but when you turn to the arm of flesh for aid in time of sickness, then man receives the glory instead of God.

Does God Use MEANS TO HEAL?

Does God use DOCTORS, or do they help to defeat the plan of God and thus serve the purpose of the DEVIL. This should be an extremely easy question for anyone to decide! The world has always had medical remedies. Even in the time of Jesus many systems of healing existed. The ancient Egyptians had a knowledge of chemistry that exceeds that of our present day pharmacists. Their embalming fluids have rendered bodies almost impervious to the ravages of time . . . and the mummies which can be seen in many museums today are mute evidence of their knowledge. Anyone who thinks that the physicians of the past centuries were far less skillful than those of today are displaying a woe-ful ignorance of the facts which are known by every real student of medical history.

Professor Douglas McGlaggen, who occupied the chair of Medical Jurisprudence in the University of Edinburgh, Scotland, declares that there is no such thing as the Science of Medicine. He says that for hundreds of years we have been stumbling in the dark, going from one treatment to another. Dr. James Mason Goode of London, England, who was the official doctor of the royal family, declared his convictions in these words, "The science of medicine is founded upon improved murder! Our medicines have destroyed more lives than all the wars, pestilences and famines combined!"

A famous professor, Chauss, of Germany, stated with emphasis that the common use of medicine for curing of diseases is unquestionably highly de-

structive and in many judgments is an agent for the creation of diseases rather than their cure and that there are abnormal conditions set up in the human body more detrimental to human life than that from which the patient is suffering. Dr. Holmes of Boston, formerly president of the Massachusetts Medical Association, said in an address: "It is my conviction, after practicing medicine for 35 years, that all medicine should be cast into the sea. The human race would benefit, although the fish would suffer greatly!" Dr. John B. Murray, one of the greatest surgeons this country has ever produced has spoken these words: "Surgery is the result of helplessness. Being unable to assist the diseased organ, we remove it. If I had my life to live over, I would not operate on anyone!" Just before his death he wrote an article on the slaughter of the innocents.

God Has the Answer!

What then did Jesus have to offer as a substitute for the world's system of curing the sick . . . which He never used or approved. THE REMEDY THAT HE USED AND RECOMMENDED WAS A SPIRITUAL ONE. IT WAS THE USING OF GOD'S POWER AND WORD TO HEAL THE SICK! People who depend on the work of man for healing are throwing away their money. There is only one healer . . . and that is our Lord.

Many surgeons operate on people solely for the money which they receive. If people only knew how little many physicians really know, they would seriously consider before they call for their services. Here is an example of what takes place in many cases: Mrs. Smith goes to a general practitioner for an examination. He finds in her breast a lump. He immediately sends her to a surgeon with whom he has a business arrangement by which he receives one-half the operating fee for each patient he sends to him. When Mrs. Smith arrives at the surgeon's office, he finds that it is a simple, harmless tumor which would not require an operation, but he says, "Mrs. Smith, this is very serious. We must operate at once!" After completing the operation and removing the harmless tumor, he charges her \$300.00 and gives the practitioner \$150.00.

A general practitioner called a prominent surgeon at his home at 10:30 one night. He said, "I meant to call you earlier, but it slipped my mind. Mrs. Black is at the hospital with gall bladder trouble. I have her booked for an operation at 8 a.m." The practitioner had purposely waited until the last minute so that the surgeon would not have time to examine her to determine whether an operation would be necessary.

The call means a nice split for the two. The surgeon readily agrees to perform the operation and comes the next morning after the patient is prepared. The family has raised the money and stands anxiously near, convinced that it is absolutely necessary. The surgeon knows that he is only there to "cut and tie and not to reason why." He scrubs his hands, cuts and stitches and collects his money.

The Devil Will Use Doctors!

I firmly believe that the devil will use doctors during the tribulations period. One means of getting people to take the mark of the beast would be to use the doctors! People will take the word of a doctor before they will accept the word of a minister or of GOD! When the doctor enters your home and tells you that an operation is absolutely necessary, you will begin at once to make arrangements for it to be done. If he tells you that it will require a certain amount of money, you will obtain that sum, even if you must borrow it.

Sixty-six thousand doctors in Russia exerted their influence in behalf of Stalin, thus assisting him to rise to a position of great power. They have worked hand in hand with communistic scientists and officials. If socialized medicine is accepted in this country, the devil would certainly use them as a means to work with the anti-Christ.

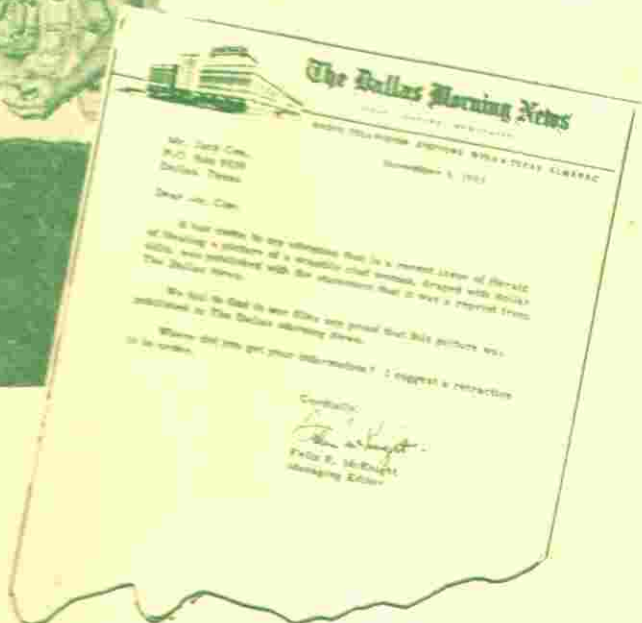

If you do not take the mark of the beast and obey the government which will be set up by the anti-Christ, you will not be allowed to have any physical treatment. Medicine will be socialized . . . many doctors will cooperate with the beast. I freely admit that doctors can allay pain temporarily, but I do not believe that any healing for your body can come from any human source. If the devil is in the healing business . . . then the house of the devil is divided against itself. Jesus went about casting out devils and healing all that were oppressed by the devil. We know from the word of God

THE DALLAS MORNING NEWS ASKS FOR RETRACTION!

The letter shown on this page was sent to the HERALD OF HEALING by the editor of the Dallas Morning News, who evidently resented the fact that we had mistakenly stated that this picture was a reprint from his paper. Although the Dallas Morning News publishes many photos daily in both editorials and advertisements, they did not seem to desire to have their name connected with what the editor calls "A SCANTILY CLAD WOMAN," who had allowed men to pin dollar bills to her bathing suit as shown in the photo to obtain money

for the Salvation Army, a religious organization.

Actually the picture (shown above) had been reprinted from a prominent Washington, D. C., newspaper which has been in circulation for about 75 years, but was mistakenly credited to the Dallas newspaper by the assistant editor of the HERALD OF HEALING. We still contend that it is not in keeping with the teachings of Christ to use such methods and publicity to obtain funds for any religious work, regardless of the merit of the organization itself.

God's Timepiece Is Moving...and All Nations Will Soon
Come Down to Palestine Arrayed for Battle...Because It's

2 Minutes Until MIDNIGHT!

BY REVEREND JACK COE

From the North, South, East and West... nations soon shall gather to the Holy Land for the bloody, horrible Battle of Armageddon!

People are living in a state of fear... and they don't know what to do next! Many people today are saying that the world is going to be destroyed by an A-bomb, others say that it will be destroyed by a C-bomb. Some of you who are reading this sermon are saying that a great depression is on its way. And "If only the Democrats were still in office." Let me tell you now, it won't make one bit of difference which party is in office or who the president is, God is going to work this thing out His way and His prophecy will be fulfilled. We are a privileged people and living in a privileged day... when we shall see God's word fulfilled right before our very eyes. We are the generation that will see the COMING of Jesus Christ.

God Always Destroys His Opponents

All through the word of God, we find that when any nation, or individual tries to become more important than God, God wiped them out of existence. Lucifer tried to rise above his creator and God wiped him out of his position, spiritually speaking. Men tried to build the Tower of Babel. They said, "There may be another flood. We'll go up into the heaven's and take over. We'll tell God what to do." God confused their tongues.

The Bible says that there is no other way to get to Heaven except THE WAY! Jesus Christ said, "I am the way, the truth and the life. No man cometh unto the Father except by ME." You don't have to try to build a tower of Babel to get to Heaven. You

don't have to try to rise above God to get to Heaven. All you need to do is to accept his WAY, Jesus Christ, and you are entitled to a place in eternity with Him.

The United Nations Is Trying To Give Us Peace!

They are doing everything in their power to bring peace to this troubled world... but brother, let me tell you, there is only one that can bring Peace... and His name is Jesus Christ, the Prince of Peace! Here are some headlines from some of our leading newspapers: "A plea for God rejected by the United Nations." Here's another: "God to Have No Place in The New World Order." They are saying, as did Lucifer, "We don't need God. We will rise above Him and run this earth without Him." I talked with a preacher in Pittsburgh and he said, "Away with that bloody religion! We need peace. We need a better entertainment program to keep our boys and girls out of the social evils of today." I said, "Preacher, you'll never find it with a better social program. There's only one thing that will turn them from their drinking and immorality, and that's the religion of the BLOOD.

God's Timepiece Is Ticking

Somebody is thinking, "What is God's timepiece?" God's timepiece is the JEW! In the 24th chapter of Matthew, the disciples asked Jesus for a sign of his coming. Jesus said, "Now learn a parable of the fig tree; When it's branch is yet tender, and putteth forth leaves, ye know that summer is night."

Everyone who is a student of prophecy knows that the fig tree represents the Jewish nation. God always used the fig tree to represent the Jew in his word. He is telling us to watch the Jews if we want to know when His coming is at hand. The best clock you can find anywhere is the Jew. Watch what they are doing! Somebody says, "Brother Coe, do you believe that the Jews are God's chosen people today? I certainly do not. He doesn't love the Jew any more than He loves the Gen-

He doesn't love the Jew any more than He loves the Negro or the yellow race. He wants them all to be saved by the blood of His SON . . . but I believe that the Jews had a particular part to play in God's plan. I believe that when the Jews rejected Jesus, God turned to the Gentiles, giving us an opportunity to accept salvation. In a short time He's going to turn back to the Jew again, there, you'd better give your heart to God TODAY, while you still have a chance! Some of you think that you'll wait until the tribulation to serve God. You'd better wake up right now and realize that God is going to be dealing, not with the Gentiles, but with the Jews during the tribulation period.

Palestine Is the World Center of History

The devil doesn't want the Jew to return to Palestine for he knows that their return is a fulfillment of God's word, and his time is almost at an end. He knows that when they return, God will cast him into the lake of fire and brimstone. The devil is doing everything in his power to prevent their return! It was believed by many that when the Jews and the Arabs began to fight that the great battle of Armageddon had started, but that was not the battle the Bible talks about, as it doesn't speak of the Arabs coming against the Jews. In Ezekiel we find that God will come from the farthest north. Friends, it's referring to RUSSIA. The Russian communists are stirring up strife among the Arabs today. We have the extremely wealthy Arabian sheiks, who live in palatial luxury . . . with fine cars, swimming pools and servants to supply their every desire. On the other hand, we find the poor Arabian laborers working for as little as 50¢ per day . . . hardly enough to keep their bodies alive! The Russians are telling the less fortunate workman that if he will only become a communist that he can share the wealth of the land which would be divided fairly. And all the time the Holy Land is flourishing and prospering wherever the Jew begins to labor.

Years of Famine Ahead

God spoke recently in the Dallas Revival Center and told us, through tongues and interpretation, that there would be a famine all over the world except Palestine. I believe in tongues and interpretations. God said that Palestine would blossom like a rose. It is blossoming!

DOCTORS—(Continued from Page 4) that during the tribulation period grievous sores are going to cover the bodies of men and women. I firmly believe that they will receive no medical treatment until they have taken the mark of the beast.

Put Your Trust in God

Friend, I am not writing this to discourage you, but I do want to convince you that you do not need doctors . . . that they were not intended for Christians! Stay as far away from the devil as possible. Put all your trust in Jesus and He will deliver you. Many people have been healed while laying in a hospital bed. I have prayed for many who were on their death-bed in a hospital. I do not say that God will not forgive you and heal your body. I go to hospitals to pray for the sick . . . but I believe that it is the will of God that we come to Him FIRST! He does not need a doctor to help him do the work. He is all-sufficient.

God wanted to be the HEALER AND KING of the children of Israel, but they wanted a king that they could

see. They preferred to trust in man rather than the living God. God was not pleased . . . He said it is not my will! Nevertheless, He permitted it and chose Saul as their earthly king. The children of Israel thus imitated the worldly nations about them. Are you, as a child of God, IMITATING THE SINNERS IN GOING TO MAN FOR YOUR HEALING, or do you follow God's plan as prescribed in James 5:14-15 . . . which was written to the CHURCH: Is any sick among you?

Therefore, holy brethren, having such positive and precious promises from God's own word . . . let us stand upon them and see Him confirm His word. Let your faith rest in the power of the living and omnipresent God. Faith in His word will bring healing to your body and glory to our Savior.

Out of the Mail Bag!

Edinburg, Texas,
November 8, 1953.

Dear Brother Coe:

I just received my **HERALD OF HEALING** for this month, and I am so grateful for such a wonderful magazine that isn't afraid to let go the plain truth. I am also thankful for the Children's Home. Oh, how I love little children. I only wish these two restaurants that we operate were money mint so that I could produce a home for children myself but since it isn't, I am thankful that I can have a small part in helping with your children's home. I hope some day in the near future to visit the home. I carry a burden for our children today because even those that have a home are not getting the love and attention they need to make our boys and girls what they should be. I have two little girls age six and eight, and three step-daughters and they are married now and have happy homes and to me that proves what real love can do where **GOD IS LOVE.**

I am always busy about the Master's business here in the valley, finding children and old people who need food and clothes. However, I am glad that **GOD** has given us such a wonderful

business that we can help others. We can never out give **GOD.**

Enclosed find a small gift to help the children. **MAY GOD BLESS YOU AND YOUR HELP IN THE CHILDREN'S HOME. I LOVE THEM AS THOUGH THEY WERE MINE. AS I GO TO BED AT NIGHT, I REMEMBER THOSE THAT DON'T HAVE A MOTHER TO CUDDLE THEM.**

THANK YOU AGAIN AND AGAIN FOR YOUR STRAIGHT FORWARD MESSAGES IN YOUR WRITINGS.

Mrs. D. E. Sibley.

I received my November issue of the **HERALD OF HEALING** this morning, and though I haven't completely finished it, I must stop and write you. Please accept this letter as a token of my appreciation. For I do indeed appreciate a man of God who will stand flat-footed, as you always have, and proclaim the truth as God reveals it to you. However, it took real courage for you to print the pictures and story. "Who is Capitalizing on the Christian's Money?" People don't like to be told the truth, so you will undoubtedly have a great deal of resistance coming your way.

As a Baptist minister, I was invited to attend your first meeting in Tucson at the Assembly of God Church. There, I saw you pray for many people; one of these was a woman with a large tumor on the side of her neck. I saw you anoint her with oil in the Name of Jesus and pray—commanding the thing to leave! Between eye-blinks, the enormous tumor disappeared. Brother Coe, it shook me to the core. Here was the proof of what I desired spiritually. It set me on fire, and I began tarrying for the Baptism of the Holy Ghost! One night while my wife was suffering the agonies of hell during a particularly bad attack of asthma (she had it for 22 years), I reached the end of my rope. Opening the Bible, it turned open to James 5, 15. We prayed; my wife destroyed her adrenelin, and God healed her instantly! That happened at least three years ago, and she is in perfect health today. All Praise and Glory be unto the Lord Jesus Christ!

Shortly after my wife was healed, the Lord filled me with the Holy Spirit evidenced by speaking in other tongues! At that time I was not in the active ministry. After telling my pastor, what God had done for me, I noticed the atmosphere had changed. There was no outright resistance, but suddenly I seemed to have lost my usefulness.

During a discussion, where I stood against "close communion," and Eternal Security; I lost what little popularity I had left. It then became common knowledge that I was against makeup and surely must have forced my wife with threats of violence to remove her's. Incidentally, I told my wife to never take off her makeup just to suit me—that she must be convicted by the Lord. About 60 days later, the Lord spoke to her in a dream, and she has never desired to wear makeup since.

After leaving Tucson, where I had a non-denominational radio program (preaching the full Gospel), we came to New Mexico. The Baptists here welcomed me with open arms until a district man made a call to Tucson and talked with the pastor that I told of my Baptism with the Holy Spirit. Since then, plans to start a church have been snatched out from under me. All this sad tale is just to let you know that I understand what resistance is!

I have known for some time of the jealousy, lukewarmness, and yes—corruption in certain full Gospel denominations. This is the reason why I have stayed in the Southern Baptist denomination teaching the full Gospel wherever possible. I think you ought to look into this business of percentages for gathering missionary money from the public. If we can't point with Christian pride at a Full Gospel denomination, where shall Spirit-filled Baptists and Methodists go when cast out of their own denominations?

As a result of reading your article concerning the jailing of the Monroe, La., preachers, I wrote the District Attorney of that city, and am enclosing a copy of the letter for you. Hope it will help in this crusade for the maintenance of a Freedom Bought with the lives of our forefathers.

Well, Brother Coe, I haven't said the things I started out to say. What I wanted to do was to thank you for being honest, forthright, and courageous. It has sort of restored my faith in preachers' intestinal fortitude.

If there is any advice you might feel led to give me concerning the obstacles facing the ministry to which the Lord has called me, please be kind enough to write me.

Thank you for any help you can give me.

Sincerely in Christ,
Rev. Dick Carter

WE ALL WISH YOU A VERY

*Merry Christmas
and a
Happy New Year*

We all wish to take this opportunity to wish you a MERRY CHRISTMAS AND A HAPPY NEW YEAR. This is a letter from not only Brother Coe, but from all the children in the Herald of Healing Children's Home. We thank God and you for all you have done for us at the home in Dallas, Texas. All the little children will be thrilled Christmas morning by the many gifts that you have already sent and that you will send before December 25. We thank you for all the support that you have given us in the past two or three years. We have gone through many difficult trials, but you have helped us by your financial aid and your prayers

on our belief . . . and we have always been victorious.

Those who have listened to the voice of God as He spoke to you in answer to my prayers, and have obeyed have made it possible for us to take care of these unfortunate children which are shown in the photograph above. Through their generosity, we have been able to keep them clothed and fed. We thank you for all you have done.

Friends, as you read this letter just before the Christmas holiday season, let God open your hearts to send us enough donations to brick veneer the buildings at the Children's Home so that they might be warmed and more comfortable. They would also be much

cooler in the summertime. The wooden siding with which they are now covered will deteriorate rapidly if they are not covered soon with brick. We are believing God for a large number of offerings by Christmas morning to start this work.

To everyone that sends us as much as \$5.00 to help us veneer the Children's Home and provide a happy Christmas for these little orphans, we will send a glass-covered 8x10 picture like the one you see above to hang in your home. Please help us. We need your help . . . to keep these children happy. I am praying for 200 children in the very near future. Even if you have no donation, you can pray. Write us and let us know that you are behind us in this work. Thank you again. May the Lord richly bless you throughout the coming holidays and new year.

Brother Jack Coe
and the Children.

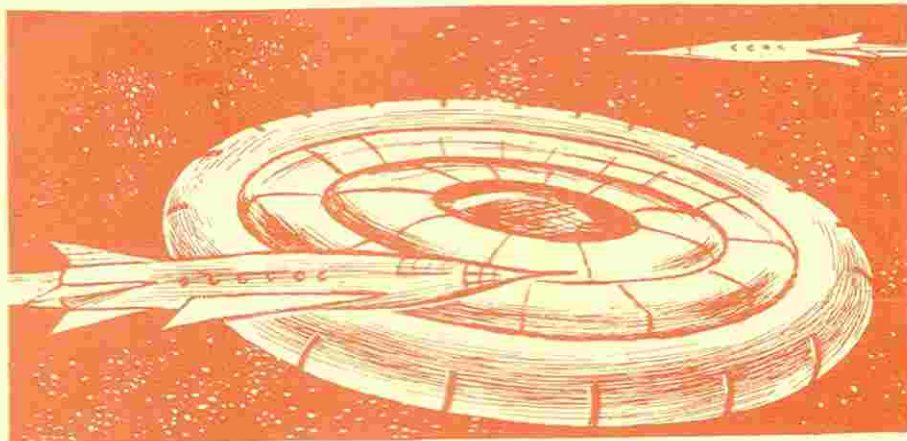

ATTENTION: If you have subscribed to the Herald of Healing or have written for books . . . and have not received whatever you ordered . . . please write again and I will personally see that the order is filled. We receive so much mail that occasionally an order will be overlooked or delayed.

DEFINITELY A PART OF THIS COUNTRY'S MILITARY PROJECTS...THE ESTABLISHMENT OF A GIANT MANNED SPACE STATION IN THE STRATOSPHERE

The City in Outer Space!

BY REV. O. L. JAGGERS

One reason I am preaching this particular message is because most people in our times are asleep. In this atomic age when our cities are setting up civil defense in anticipation of atom bomb attacks, and when the official announcements have been made that Russia has the A-bomb and H-bomb, and when we know that Russia has long range planes and guided missiles that can be flown into our nation to destroy our cities, yet the American people are sitting complacently by, asleep to the true facts concerning the things that are happening in this old reeling, rocking world today.

No City in the United States Invulnerable

Someone said to me last night, "Brother Jagers, aren't you afraid to live in Los Angeles on the West Coast? Aren't you afraid that you will be killed if they drop an atomic bomb on Los Angeles?" I said, "I wouldn't be any more afraid to live there than in Dallas, Texas. There is no longer any reason why Russia cannot pinpoint any city with guided missiles that they might desire to destroy!" We are getting ready for WAR! We are in a new day. We are in a modern day. We are in an atomic, globe-girdling, electronic age of madness and haste, but our hearts are still old-fashioned enough to hunger for a presence of God that will give us peace

in our lives at such a time as this! Many of us still have a longing for God in our lives that only God can alleviate. We love the God of our fathers, mothers, grandfathers and grandmothers! Our learned theologians have changed the religion of the Lord Jesus Christ. They have streamlined religion in the same way that science has streamlined the modern day materialistic world. But there is one thing that will never change and that is the blood of Jesus and its saving power. Times change . . . churches change . . . customs change . . . yet God and His word is the same! My friends, God is still ahead of man regardless of our progress!

A City in Outer Space Is Not Fantastic

I have inside information on this subject. I happen to be the personal friend of some men who are closely associated with the President of the United States. We know that science has reached a new pinnacle. No other generation has seen so many scientific advances as the one in which we live. For example, from the early horseless carriage to our present high-powered automobiles . . . what a change! From the first airplane built by the Wright brothers to the jet planes of our day . . . what an advancement! From the first talking machine to the modern radio and television sets which now exist we

see phenomenal improvements. Not many years ago these things which NOW EXIST would have seemed absolutely fantastic and ridiculous to our minds.

We Have Forgotten the Most Important Factor!

Ladies and gentlemen, we have left spiritual values out of our lives! If material achievements were adequate for happiness, then the people of this generation would be much happier than their fathers and grandfathers. We would be living in an age of peace and contentment. However, we see only unrest and misery everywhere. People are still searching and seeking after an elusive something. People are striving frantically for peace, not only among nations, but in their own souls! The more we conquer the elements . . . the more we speed up transportation and communication . . . the more we master outer space and break the sound barriers, the more dissatisfied man becomes.

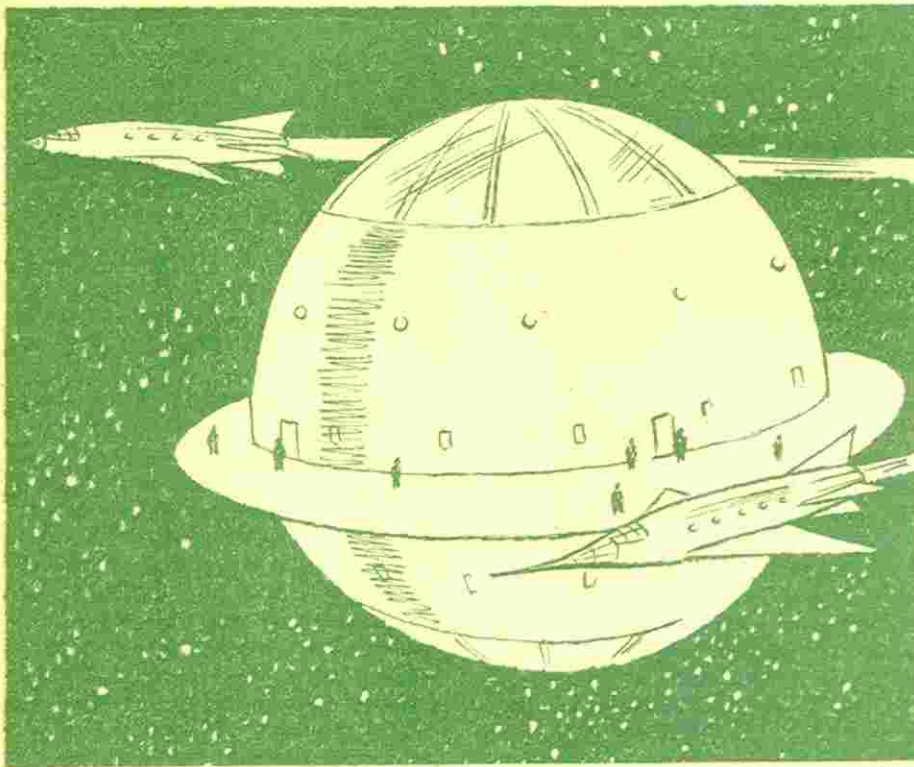

Many Seek the Answer Through Man's Wisdom

Thousands are turning to the psychiatrists to find relief for their troubled souls . . . but if the psychiatrist is not a godly man, how can he provide the solution. He will tell you that you must face yourself and speak

(Continued on Page 10)

Refueling in outer space will be made possible by vastly improved space suits which may be made of magnetized metal cloth.

Future space city which will circle the earth every 2 hours, moving at enormous speed of 15,800 miles per hour. It will be as tall as a 24 story building and weigh 7000 tons. It will appear to be a new star as it floats in space 1075 miles high.

openly of your phobias. He will interpret on a materialistic basis . . . but man is not a machine. He is a spiritual being and he can only find true happiness by looking to God, who created that spiritual hunger and who longs to satisfy all who will turn to Him. It is Jesus Christ, the Son of God, who said, "The kingdom of God is within you." The New Testament is full of good mental hygiene. Jesus laid down the rules which will guide men's thinking toward perfect peace and relaxation if they will only accept Him and His infallible teaching.

**We Are Anticipating, Not PEACE
... BUT WAR!**

In this atomic age when our cities are being prepared for attack and civil defense is being organized . . . we can expect the outbreak of hostilities at any time. You know that Russia could and would attack without warning and provocation the moment she could do so without fear of retaliation and when she is convinced that there would be a definite chance of destroying our military power. An atomic bomb could be dropped on every one of our major cities almost simultaneously . . . even today! But thank God . . . just as science has been sweeping to new

heights in the inventive realm . . . the church is not one step behind! God is arming His church with great POWER. He will have a people in this super-sonic material world who will do supernatural spiritual things that will astound and amaze. Just as science has attained a new height, I am happy to tell you that God is doing a NEW THING in the spiritual body.

**Future Inventions Will Stagger
Our Imaginations**

Dotted line shows path of huge city in space as it orbits about the earth. It can receive and discharge cargo from nuclear propulsion ships.

I will give you authentic information on the CITY IN OUTER SPACE that will convince the most skeptical person that plans not only exist . . . but that we are even now in the process of creating this city! Recently, on the front page of the Chicago Sun, one of our nation's leading newspapers, there appeared a full page illustration of a tower seven miles high . . . reaching into the stratosphere where men must wear space suits . . . and where it is 60 degrees below zero . . . with a jet plane base on the top where we would be above any attacking planes, which could be picked up by radar. The plans for this tower were on the desk of President Eisenhower. The four legs of the structure would contain elevators to carry men and equipment to the stratosphere.

Not long ago a test pilot reached the incredible altitude of 75,000 feet or about 15 miles . . . 96% of the earth's atmosphere was below him. HE HAD ACTUALLY REACHED THE EDGE OF SPACE!

GOD MOVES IN KILLEEN, TEXAS

We are proud to have the privilege of entering our church report in the HERALD OF HEALING magazine to give our testimony to the many healings in our work here in Bethel and miracles being wrought by the mighty power of God. Bro. Coe came to our church one night in September, drawing the largest crowd that has ever come to any of the churches in Killeen. They came from as far as four hundred miles. No one was disappointed for God truly blessed his ministry that night by working miracles and healing. Such as deaf hearing, goiters vanish, cancers healed. The altar call was wonderful. Our church auditorium was used for prayer room and it was filled to capacity, many having to stand for lack of space to kneel. No one knows how many were saved and filled with the Spirit. We preach the message of deliverance and God confirms his word with sign following. We have many people coming here that have a wonderful testimony of healing received at our church, such as restoring of ear drum, eczema healed, ulcerated stomach, kidney trouble, serious back trouble, blindness, T.B., and many other things. Souls being saved and filled with spirit.

Pastor in Alba Views State Fair

To The Dallas News:

Why don't you print both sides concerning the "great State Fair of Texas." I read your paper daily and found that you printed only the publicity that would bring more people to partake from a cesspool of iniquity. I refer to the Midway, where thousands of people indulged in the gross sensual pleasures.

The majority of the booths and side shows that lined the Midway were eggs hatched in Hell with the devil himself as the chief hen.

Innumerable gambling devices lined the Midway. Also, side shows where cheap, painted women displayed unashamed the features given them by God. Loud-mouthed announcers with more voice than brains yelled at the top of their voices urging teen-agers to come inside "where the girls take it off and hang it on a wall."

Allow me to quote another statement from a feeble-minded publicity agent: "If you have a backbone instead of a wishbone, come inside and see a real show; if you can't take it, go and ride the ferris wheel." Leaving the impression that to be a real man you must come inside and watch a shameless hull of womanhood take off her clothes and shimmy and shake!

Is it any wonder that Dallas is having a series of sex crimes when conditions such as this are allowed at the State Fair of Texas? I believe we can look forward to a real bright future because of the educational content of the side shows of the Midway in "the Great State Fair of Texas."

BILL DRAPER.

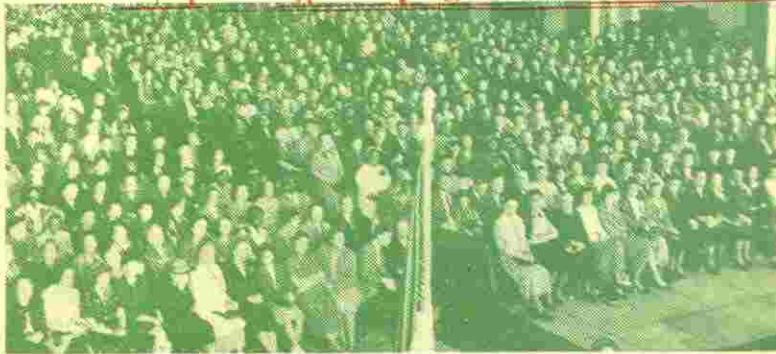

Pastor, The Methodist Church
P.O. Box 128, Alba, Texas.

Many Pentecostal people attended the fair and thought nothing of these conditions. The above article shows that the denominational people are awakening to the sinful conditions of our nation. It is time for Pentecostal people to take a stricter stand against such evils.

Revival means

and

CHURCHES

REVIVAL vs. FAIRS

The Methodist Preachers' Meeting of Boston was well attended last Monday, and Rev. W. N. Brodbeck, D. D., the pastor of the Tremont Street Church of this city, thrilled the brethren with an address on "The Relation of the Ministers to Revivals," during which he pointedly referred to fairs and festivals as barriers to revivals.

He declared that some ministers and churches would never have a revival, because they would not do the hard work and make the sacrifices essential to secure results. At Urbana, Ohio he began revival services, but at first only doubtful characters came to the altar, in whom the public had no confidence. Many were offended, and some said, "Do you know these people that are coming to the altar?"

He replied, "Yes, I know them. They are immortal souls for whom Christ died." When the meeting had run three weeks, one of the leading members came to him and said, "I think it is time these meetings were stopped; we have held them for three weeks, and we want to hold a fair and have some entertainments.

The pastor firmly and promptly replied, "You may do as you please, but these meetings will not stop!"

He was greatly disturbed as was one

of his devout women members. They expressed their feelings to each other and parted. They both spent the night in prayer, and at 10 o'clock the next morning, the pastor gained the evidence that his prayers were answered. After dinner he went out, and met the devout lady on the street, her face shining with the glory of God. She said, "The victory is coming."

"How do you know?"

"I got the evidence at 10 o'clock this morning, after spending the night in prayer."

This was the very time that the pastor gained the evidence. That very night, while the minister was preaching, a young man arose and came to the altar; others followed, so that the preacher had to stop preaching. God was among the people in great power. The church was quickened, backsliders were reclaimed and hundreds of sinners were converted. Places of amusement and saloons were closed! The face of the community was changed and 275 converts joined that church. **THE FAIR WAS NOT HELD!**

Oh for more nights of agonizing prayer for the souls of perishing sinners. Oh, for the mind of Christ; Then revival would prevail in our great nation.

An Exposé of an Unbelieving, Skeptical Denomination Who Deny the Supernatural Manifestation of God's Power!

CHURCH OF CHRIST

Bolsheviks

REV. JACK COE

Having a form of Godliness, but denying the power thereof: from such turn away. (2 Timothy 3:5).

We find that today the material world is largely dominated by a godless fanatical religion inspired by the devil known as Bolshevism, or Communism. The outstanding characteristic of this God-hating, Christ-denying horde is their denial of freedom of worship and activity. They will permit nothing to occur which does not please their leaders! To disobey is to endanger your life. They deny the power of the living God and accept man's thinking in preference to that of God.

In the religious world, we find their parallel in the Church of Christ, a narrow-minded group who seem to think that they have a monopoly on God's love and revelations. They deny that anyone has had any of the gifts of the Spirit since the day the last of Christ's chosen apostles died, in spite of numerous records to the contrary in authentic church history which every scholar accepts. They say that certain miraculous gifts were temporary in the church and were to cease "when that which was perfect (which they claim was the New Testament) is come." (I Corinthians, chapters 12, 13 and 14.) They are committed to the belief that miracles ceased over 18 centuries ago. They deny freedom of worship to their members. One would not be permitted to stand and praise God loudly in their services. No one can ask for one of their ministers to come and lay hands and anoint with oil (according to James 5:14-15), while praying a prayer of faith when that member is sick . . . because they have taken their denominational scissors and clipped all the scriptures from the New Testament which have anything to do with the power of God. They have a form of Godliness, but do not believe

God's word . . . "It shall come to pass in the last days that they that do know their God shall be strong and do exploits." Those words did not pertain to preaching, for we have had preachers for the past 18 centuries. How foolish they are! The Bible clearly teaches that knowledge, tongues, and prophecy (preaching) will pass away when that which is perfect is come . . . but has knowledge vanished? Has preaching ceased? Has tongues failed? Then why do they still preach? what makes them think that they possess any knowledge? If the latter has not passed away . . . why do they not also speak in other tongues as the spirit gives utterance?

One Church of Christ preacher asked me, "Don't you know that tongues have ceased??" I said, "If this is so, then knowledge has vanished away and that makes you an idiot."

The Coming of Christ Will Bring That Which Is Perfect . . . The Millenium!

Anyone who reads this pet scripture, behind which they hide, will see that Paul is trying to make the people realize that LOVE is the only thing that will be carried into the supernatural life which we will live with Jesus after He takes us to be with Him. We will need no prophecy (or preaching) then, for there will no longer be salvation for the sinners. We will no longer need tongues as a sign for the unbeliever, for the unbeliever will be in Hell. We will need no gifts of knowledge there for, like Paul, we will know all things. We will be GODS, clothed with glory and immortality! There will be no need for healing and miracles because there will be no sickness. Don't let the SPIRITUAL BOLSHEVIKS TAKE AWAY YOUR FAITH IN GOD TO SUPPLY EVERY NEED. If he still has the power to heal, yet sits in Heaven and laughs at you as

you earnestly ask Him to undertake, then He's not the SAME GOD who sent his Son to take your sins and sicknesses. He's no longer a God of mercy and compassion. I wouldn't want to serve a Heavenly Father who could feed the hungry, heal the sick, destroy that old cancer and fill us with the mighty power of the Holy Ghost . . . yet wouldn't! Friends, the Bible says that He's not a respecter of persons and if he would use Peter, James, John, Paul, Stephen and Phillip, I believe He will still use any fisherman, carpenter or preacher who will dare to step out on his promises. I'm so glad that Jesus didn't go up to heaven to sleep and rest, but is still touched with the feeling of our infirmities (sicknesses). I'm glad that we have a supernatural God who delights in doing supernatural things for His supernatural church! Let the Church of Christ have their

(Continued on Page 14)

(Continued from Page 13)

dry formality. Let them deny the power of God if they will . . . but as for me, I'm going to continue to believe God for an even greater manifestation of His glorious power in these last days.

In **THE COMMUNICATOR**, a weekly publication of the **CHURCH OF CHRIST** in Pittsburgh, Pa., there appeared the following article on August 30, 1953.

We quote from it:

"Let no man deceive you by any Means." We find these solemn words of the apostle Paul recorded in 2 Thessalonians 2:5, and they demand our closest attention. "Let no man deceive you by any means" is a warning concerning false teachers. John expresses the same thoughts in these words: "Believe not every spirit, but try the spirits whether they be of God: For many false prophets are gone out into the world." (1 John 4:1.) We must therefore guard against the devices of Satan because they can deceive.

A few months ago we had a series of articles in the communicator dealing with the subject of "Divine Healing." We are taking up that study again in this issue. On Thursday night the writer and another gospel preacher attended the "Healing Services" being conducted in this city (by Evangelist Jack Coe) and made the following observations:

Money was the chief topic of conversation from 8 to 9:30. Various methods were used to bleed the audience. Then, of course, the usual collection was taken.

The audience was worked into a state of frenzy before the main actor (The Healer) was presented to the audience.

The masses were 'healed' of the following: Headache, sinus-trouble, spinal pains, hearing, etc. . . . all of which could be forgotten in that kind of atmosphere.

Clapping of the hands, shouts of "Amen" and "Hallelujah" were repeated over and over. Spirited songs were sung by an expert director. The organ rolled out passionate melodies. All this served to arouse the tempo to a feverish temperature.

The fact remains that there was no real healing affected and never will be. It is a hoax and a money making scheme that borders on blasphemy, and we stand ready to prove it by the written word of God. Remember the words of the apostle Paul, "Let no

man deceive you by any means," for some will seek to deceive by appealing to the weak-minded and crippled in body with claims of 'healing'. Demand that they meet the acid test of debate with someone who knows the word of God on the subject."

UNQUOTE

The writer of the article which we have quoted above has requested that we meet him in a public debate on the subject of **DIVINE HEALING**. They seek to prove that God cannot and does not manifest His power in miracles, healings and the gifts of the spirit today. Paul said that we should turn away from those who have a form of Godliness, yet deny the power of God!

There are two kinds of people that I never waste time on. One is the disbeliever in God and the other is the disbeliever in God's word. While you are arguing with one willful disbeliever, you could be out winning ten souls to Christ! I am too busy working for God to waste my time trying to convince the blind leaders who see God moving . . . hear sincere people testify to His miraculous healing grace . . . giving all the glory to the matchless name of Jesus Christ who is **THE SAME YESTERDAY, TODAY, AND FOREVER**. He told us that the power of the Holy Ghost which we received on the day of Pentecost, would be with us **always**, even until the end of the world! Since that power is still with us and since Christ is the **SAME** miracle working savior (Hebrews 13:8), how can anyone possibly deny that Jesus can and will still heal all who dare to believe His words.

I do not have to debate God's word. It has already proven itself by the scores of testimonies and healings in evidence today. Even these blind leaders who want to argue and debate have had people from their own congregation healed by the power of God. Below are the testimonies and addresses of two persons who were definitely healed by God after they were beyond medical aid:

Mrs. Zimmerman's Testimony

In May, 1950, I was attacked by acute appendicitis, and was carried to the Phillips-Dupree Hospital in Levelland, Texas. During the examination they also found a large cancerous tumor in my left side. The tumor had grown to the size of a seven months pregnancy. I was unable to wear any of my clothes because of the tumor and also was swollen. After being the hospital for four days I was sent home.

Mrs. Stella Zimmerman who was a member of the Church of Christ at the time she was healed of cancer and peritonitis.

When I had been home only two days my appendix ruptured, and I was carried back to the hospital. For several days I remained in the hospital and doctors had no hope that I would recover, as my appendix had spread poison throughout my system and blood poisoning set in. I was paralyzed because of the poison going through my system, and was unable to feed myself or even move in bed. Again I was dismissed from the hospital and told I could not live.

I knew if I could get to the Divine Healing services in Lubbock I would be healed. My daughter was a nurse at the Phillips-Dupree Hospital and knew my condition and how serious it was. The George Price Funeral Home was called to take me to the services. The drivers were afraid to take me for fear I would die on the way, but I knew God was going to heal me when I got to the services and was prayed for. Every jolt of the ambulance was very painful for me. It seemed the pain was unbearable.

I was lying on the ambulance cot, and Brother Coe left the platform, came and knelt and prayed for me. The healing virtue of the Lord went through my entire body. He told me to get up and walk in Jesus' name. Immediately I got off the bed, free from all pain, wrapped the sheet around me and walked down the aisle without shoes on praising God. This was June 17, 1950. I returned home in a car, and I'm still healed. About seven months after my healing I returned to the doc-

tor for an examination. He said I was absolutely alright I said, "Doctor, what about the cancer?" He said, "It's all gone." Praise God for his power.

This testimony can be verified by friends, doctors, etc.

Former Church of Christ member healed of cancer by power of God.

Jesus is the same today, yesterday and forever.

He has healed my body of cancer. He has healed my soul and left a real salvation that I can feel. I was born again in March of this year and have evidence of speaking in other tongues. I was a member of the Highland Park Church of Christ for 20 years. I praise the Lord for helping me walk the strait and narrow road.

What God Hath Wrought

WEAK EYES MADE NORMAL

October 22, 1953

Dear Brother Coe:

I wrote you a letter last February, sending you a handkerchief to pray over. When I opened the letter which you sent me, the power of the Lord went through my body and I was instantly healed. I had been wearing glasses for 15 years and the doctor said that I could never go without them. I took my glasses off that day and haven't had them on again. I can read, sew and do anything without them.

DELIVERED FROM WHEEL CHAIR

Dear Brother Coe:

I am writing you to let you know that I am wonderfully healed. I was in wheel chair, but in the summer of 1952 I wrote for prayer. Since October of last year I have been out of the wheel chair, doing my house work, washing and going to church. Oh, how wonderful is the work of the Lord!

HEALED OF STOMACH TROUBLE

October 22, 1953.

Dear Brother Coe:

Last winter my husband was afflicted with stomach trouble. We sent you a handkerchief to be anointed and prayed over, and I'm happy to say that my husband was healed. We praise God for his healing power. We enjoy your broadcasts very much.

HIGH BLOOD PRESSURE, HEART TROUBLE AND NERVOUS CONDITION HEALED

September 11, 1953

Rev. Jack Coe:

Thank you for your prayers and the prayer cloth which you sent me. When I wrote you, I knew that I could only live a short time unless I had help from God. I was suffering from high blood pressure, heart trouble and a nervous condition. I couldn't eat much and the long, weary nights were terrible. I even had to take sleeping pills to sleep. When I went to see the doctor yesterday, he was amazed. He said, "I can't believe that you're the same person. My blood pressure was down to 180 and I had gained 2½ pounds in a week.

NUDE STUDENTS

(Continued from Page 6)

of the Paris medical students, highlighted by a nude beauty contest.

Tradition decrees all female guests wear "almost nothing" and all male guests, nothing. Only the members of the orchestra were fully clothed.

The ostensible reason for the "Bal Des Internats," was to honor 100 students who had just passed their "internat," the highest French medical examination.

The theme of the traditional ball this year was "Socialized Medicine Is Prostitution"—a take off on Jean-Paul Sartre's "The Respected Prostitute."

Each hospital sent a contingent of painted and scantily clad students to act out lurid tableaux based on their clinical experiences.

Outsiders are strictly barred from the revelries within the Salle Wagram and police were stationed outside through the night to frustrate would-be gate-crashers.

Dermatological students were reported to have staged the most riotous act—a chorus of nude nurses who offered free skin examinations. There were—it was reported—many takers.

The beauty contest requires nudity to "prevent faking."

CANCER, BAD EYES, AND COUGH

November 6, 1953.

Dear Brother Coe:

At the beginning of this year I was in a bad shape. A small skin cancer broke out on my face, my eyesight became blurred and I had a very bad cough. I was led to send a handkerchief so that you could anoint and pray for me. I was instantly healed of my afflictions when I laid the cloth upon my body. To Jesus be all the glory!

WE NEED YOUR HELP!

Dear Radio Listener:

I am writing you this letter to let you know exactly what God has laid on my heart for the Herald of Healing network future. We have been on the radio for about three years, broadcasting the gospel throughout the entire nation. Many thousands have been saved and healed as a result of these programs. Many broken homes have been reunited. I have even had the privilege of re-marrying a couple who had been divorced for some time, but who had been reconciled through these gospel broadcasts. They had two children and they were so happy to have daddy come home to be with them again.

I could not begin to tell you the many blessings that God is able to pour out upon the people as they listen . . . but I can only say that the letters which flood our mailroom daily telling of his saving grace and healing power are mute testimonies to the results of this vast radio network. I am in **DESPERATE NEED OF FINANCES** if I am to continue this work for the glory of God. I am appealing to you to send me an offering.

To every person who sends me an offering for radio expense, I will send a one-year subscription to my newly enlarged magazine, *The Herald of Healing*. Please help us carry on this great work while there is yet time. I believe Jesus will soon come and take his bride from this world and we are trying to reach your loved ones, in the only way that many of them can be reached, with the full gospel message.

This program has reached many hospital rooms and old folks homes to bring hope and healing to those whose hearts had despaired of help. Many of those who have been blessed do not have enough money to contribute but there are thousands who would be discouraged if the programs were cancelled due to lack of finances. Don't let that happen! Stand behind us. Even if you don't get a chance to hear the program, help those who do. If you will send \$1.00 or more toward the support of the programs, I will start your subscription to my magazine immediately. If you are already receiving *The Herald of Healing* magazine, I will give you an additional year starting with the date that your present subscription expires. Many of you have tithes which belong to God. If it is not possible for you to attend a church regularly and must depend on the radio for your spiritual food, I think that it is the will of God for you to support radio work. The radio is reaching thousands

of homes daily where a minister could never go . . . preaching to lost souls who need to find a savior. I hope to have 100 or more daily broadcasts going forth daily. Please let me hear from you TODAY. Help me for the glory of God and he will surely bless you. Address all letters to Brother Jack Coe, Box 8538, Dallas, Texas.
