Two Wonderful Cases of Divine Healing

Broken Bones Healed By Power of God

Dear readers of the Faith. I take this privilege to tell you how the dear Lord healed my little girl last July. I was washing with an electric washing machine and she was helping some, and she put a piece in the ringer and instead of it going on through it caught and wound around the ringer, she grabbed it and tried to pull it back and the force of the power pulled her hand into the ringer (before I could stop the machine). Her hand went almost to her wrist, and the bones in the palm of her hand were crushed, and the flesh was bursted or cut in the inside of her hand from between the second and third fingers almost as far as her hand went into the ringer. By the time I got her hand out of the ringer it had bled until there was quite a small pool of blood on the floor. But the dear Lord healed her that very day in answer to prayer, O praise His dear name. He healed the broken bones and knit the flesh together in less than one day. Completely healed it so she could use her hand. She was suffering intensely but when the Lord touched her she went to sleep. She slept 2 or 3 hours and I was busy when she awakened. When I first no-

ticed her she was on the floor playing with the baby. When I came through the room again I noticed she was picking up the toys with the hand that had the broken bones, so I stopped and took off the cloth that was on her hand. Oh praise the Lord there were no more broken bones, neither was there any cut inside her hand. It was a little tender that day and the next, but it was sound and well. Praise the Lord and forget not all His benefits.

Yours bought by the precious Blood of Jesus. MARY L EBV

Many Glorious Victories During Year

The year 1921 has passed and gone and now we are entering into another year battling against the powers of darkness as we await the coming of the Lord. Looking back over the past year from the the Pentecostal view point we see it has been fraught with many hard fought battles and is replete with glorious victories—victories attended with shouts and praises to our Lord. True the movement has been shelled from almost every angle, but anchored in the impregnable fortress of God's Word have been able to meet every onslaught, and as a whole are possessing new ground continual-

Healed of Paralysis Shouts Victory

Pauls Valley, Okla. Dec. 30

The Lord bless every one of you. This still finds me saved, sanctified and Baptized with the Holy Ghost and fire. We had a wonderful meeting at Center Walker. We were there 8 days. There were some got through (3 I believe), the saints were built up, and the most wonderful healing taken place that I ever saw in my life. Sister Little was taken sick very sudden and was paralyzed all on one side. We prayed 3 days for her and in the morning some one prayed the prayer of faith and the Lord healed her instantly. She shouted and danced all over the house. Well, praise the Lord it is wonderful what He can do. Then I went down to help Bro. Murr at Woodville. The Lord gave us a good meeting. There were two Nazarenes got their Baptism and they got it too. 3 sanctified and 2 saved. Now I am fixing to go to Louis school house to help in a meeting. Pray for me that God may use me to His glory. I am sending 2 subscriptions. May the Lord bless the Faith paper.

ly. As is to be expected some have lost the victory and the enemy has been enabeled to get in a few places as he did in the early churches. But the Pentecostal movement has made great strides during the year 1921. Thousands have been saved, sanctified, yes and thousands of people have received the Baptism of the Holy Ghost and spake in other tongues as in the beginning. In almost every nation and kingdom people have received the genuine Baptism of the Spirit and spake in tongues—The miraculous healing power of God has been manifest in the healing of hundreds of people—not only in the United States but in India, China and various other Missionary fields and countries. Here in Oklahoma also the work has advanced during the past year. Some of the churches have made good progress and God has been giving some splendid revivals where men and women have prayed through to old time salvation, sanctification and the Baptism of the Holy Ghost and spake in tongues and shouted the victory. We had the best Camp meeting we ever had, and since the Camp meeting some 11 churches have been organized. God has healed many people—

Ada, Okla. Jan. 3

I want to say praise the Lord for His wonderful works to the children of men. I have just finished reading the Faith paper and can't say how much I enjoyed it, for I don't know words to express the joy it brings to my heart when I read of the good meetings that are going on, even if I can't be in them. Oh how I praise God that Pentecostal Holiness is spreading so fast and I am praying God to send the fire this way. We have just got moved but haven't got straightened out yet. Last Sunday we went

to Woostrel church for services, as we have no church here yet or any place to worship. I certainly did enjoy myself while out there, the saints all seemed to be filled with the Spirit, and they seemed to enjoy our stay with them. I told them it made me think of when I was first sanctified 25 years ago in Johnson Co. Texas, when we all would walk out to a big flowing well that was on the Camp ground and just drink till our thirst was satisfied. I am glad this is a flowing well experience (St. Jno. 4:14) that turns into rivers of living water (St. Jno. 7:37-38-39). Praise the Lord, I still love to tell people about it and also enjoy drinking at the fountain. So pray for us that we may keep true to the Lord and do His will. Your little sister. DOLLIE YORK

PARISH CHAPEL MEETING

The meeting is still going on at Parish Chapel and some have gone through. God is blessing. The crowds are large, and there is good attention. The Lord is helping to give out the Word. I find some real good saints here at this place. Some of the Stratford saints came over and helped us feast on the good things of the Lord. We were glad to have them with us. I love all these people. I lived among them so long. May the Lord bless all and pray for me as my body is almost worn out.

FROM BRO. CHILCOAT

Wewoka, Okla. Jan. 10

To the Faith readers. I want to tell you all we had a blessed time Christmas week. Bro. D W Evans was with us and we went through the book of Revelation. It was sure fine. Our young preachers and workers were blest beyond measure. We shall never forget how much good it did our own hearts. And where there is an established workevery effort ought to be made to have them settled in the knowledge of those things which shall be hereafter. Now may the blessing of Heaven rest upon you all is my prayer. I am as ever. L G CHILCOAT
Saved, sanctified and Baptized with the Holy Ghost.

Stratford Meeting One of Victory

Stratford, Okla. Jan. 10

Greetings in Jesus name. I want to praise God for victory in my soul just now. So glad there is power in Jesus Blood to save and keep saved. Thank God, He is able to keep that which is committed unto Him, and can truly say I have yielded to Him both soul and body for time and eternity. I find it so blessed down here to live for Him and we can't conceive in our minds and hearts the good things He has in store for those who love and obey Him. Saints pray on, hold on, don't become discouraged at the trials and hardships of this life. Behind every cross there's a crown, beyond every shadow there's sunshine, and at the end of the way 'twill be Heaven. Oh! Hallelujah I can feel the glory of God all over and around me,

Our meeting began Dec. 30th and closed Jan. 8th. Bro. Dave Troutman did the preaching. God wonderfully used him in giving out the Word, which is a savor of life unto life or of death unto death. His preaching was so good and plain that never before has the young folks been so interested as they were in this meeting. The saints were greatly blessed. The power of God came down and there was music and dancing. Not only did we rejoice but there was rejoicing in Heaven over 4 souls being saved. 3 of these were young girls. Oh give us more boys and girls who will walk and talk for Jesus. 2 were sanctified and 1 received the Baptism of the Holy Ghost, and 4 united with the church. The meeting closed with a large congregation, some seekers at the altar, and a tidal wave of glory flooding our souls. Pray much for the work at Stratford. Your sister under the Blood, and in His service, till He comes or calls.

Good Report From Bro. S E Stark

Madill, Okla. Jan. 30
Greeting in Jesus name. Glad to say this morning that I am enjoying the blessings of a risen Christ, glory to God. Amon my way home this morning from visiting some churches in this part of the State by request of our Bro. Supt., and sure found some dear saints at every place, thank God, that are pure gold. First visited Ardmore church for only a few services. Then went to Dillard for several services. While there God gave us some precious services. Some got sanctified, saints shouted, danced and talked in tongues, thank God. Had a church meeting. God also blessed in it. Went from there to the Healdton church and found Bro. F M Kidd had been conducting a revival there for some days, but left Monday before I arrived on Thursday, but to my surprise I found Sister C L Smith was there and had kept the meeting going. Thank God for preachers like her that will preach it clean and straight. I was there until Monday afternoon. Had a very good meeting and the Lord blessed most of the saints. Sunday night was the best service while there. A Baptist preacher that had been preaching for about 20 years, up till about 6 years ago, and had been backslid for about that long, came to the altar and prayed through and said he intended to go on to Pentecost, thank God. Had church conference Saturday evening, good attendance and with very good victory. Finished up all church business Monday evening just in time to hurry and catch the train. So I'm on my way home and will be at home to attend the Bible Conference. Glad it is at Okmulgee so I can be with wife and the children. Have not decided where next meeting will be. Now as I visit various churches, I see the great need of us preachers preaching it clean and straight and

holding up the standard for the people. And then as Paul said walk circumspectly before the people, for he said we are epistles known and read of all men. Oh God help us to be careful not to make a misstep is my prayer. So I ask all the saints everywhere to pray for me. Your brother in the Lord. Saved, sanctified and the Comforter abides, thank God and looking for Jesus.

LIVONIA MEETING

Livonia, Mo. Jan. 3

Greeting in Jesus name. Fearing some one may think that we have frozen to death up here in this cold country, I will sound a note of praise unto the Lord. We are still in the battle for the Lord. Bro. Jesse Cook has just closed a meeting here, He sure did some fine preaching, the best I most ever heard. Would to God we had more such men as Bro. Cook. While the meeting has closed, but people are stirred as they have not been in a long time. One lady came yesterday inquiring the way of salvation and prayed through to victory. Pentecost is taking effect here. The merchants and all are beginning to see the way. Pray for us that we may obey the Lord on all lines. Just received the Faith paper, it was just like letters from home. This sure is a needy place, no Pentecost any where near here. Hope this New Year will be one of great blessing to all. Let's do our best this year. We are expecting a great revival before winter is over. Bro. Cook will be with us again before long. He certainly won the confidence of the people here and they are anxious for him to come again. What has become of some of the Pentecostal preachers, don't see any report no more from several of them. Pray for us. As ever yours for the lost.

BIBLE CONFERENCE JAN. 25 TO FEB. 5 AT OKLAHOMA CITY

Quarterly Conferences are as follows: Wagoner District at Okmulgee Jan. 20-21. Oklahoma City District at Oklahoma City Feb. 10-12. Mountain Park District at Spring Hill church—Seminole District at Seminole Feb. 24-26. Further information in next issue.

McKinney, Tex., Dec. 31

The glorious meeting that started at Woodville, Okla. Dec. 16th, closed Christmas night. The meeting was conducted by Bro. E G Murr, the evangelist. He is a successful Holy Ghost preacher. 3 were saved, 3 sanctified and 3 received the Baptism of the Holy Ghost. There were 8 additions to the church which makes us 25 members. I believe we will get several more when Bro. Wood opens the doors again. Christmas night the church house wouldn't near hold all the people. People are waking up at Woodville, Okla. The meeting closed with 8 or 10 at the altar. We had a good prayer meeting Wednesday night the 28th. Although I live in McKinney, I go back to Woodville to attend the revivals. Truly your friend.

Sin's Terrible Toll

Roff, Okla. Dec. 24

Vengeance is mine, I will repay saith the Lord. Rom. 12:19. Be not deceived, God is not mocked, for whatsoever a man soweth, that shall he also reap. Gal. 6:7. I came to Roff Dec. 10 to visit my sister, whom I had not seen since I came from the East. I went to a country school house by the name of Crisco, Sunday, 11th, where Bro. Dave Troutman was conducting a meeting, Bro. Dave asked me to preach that night, I gave them a talk on Missions, I told the Christians their duty in the spread of the Gospel, and I told the sinners the awful danger of the people in the U. S. A. not accepting the Gospel, when the heathen wanted the Gospel so much. I told them, while God was a God of love, He also was a God of judgement. This is said to be one of the worst places in this part of the country. So after service that night there were six men, one a man 43 years old, with a large family, some grown boys. These six men went off and stole a keg of wine (5 or 6 gallons) and went in a wood pasture and made a fire, and had a Pentecostal Holiness meeting as they supposed. The man with the large family did the "preaching." They used the keg of wine for the mourners bench. He would preach, and call for mourners and they would come up, and two of them would take up the keg and pour the Holy Ghost (the wine) as they called it into the mourners. One of them led the testimony service, another one danced and mocked talking in tongues, they sang the song "His face will out shine them all," but they said (calling one of them by name) face would out shine the sun. After they had gotten very drunk they went to a well to get some water, and there they disbanded to go home. Two of them started one way,

and went a little ways, where one of them got down. The other one made a little fire, and the other one's coat caught on fire, but his partner put it out. After while the one that did the "preaching" came to this fire, and in some way caught on fire. He managed some way to get his coat and cap off without them getting on fire, but all the rest of his clothes burned except his left shoe and the toe of his right shoe. He managed in some way to get his clothes off, but his left shoe. He said he yelled and called for 2 or 3 hours as loud as he could, but could not get any one to come, and one of the other men in less than 30 feet of him drunk (dead to the world.) He began to pray and call on God, and about daylight the other man awoke, and saw him sitting there naked and nearly froze to death. His left shoe was still on fire, just the sole and a little of the upper was left. The other man pulled it off, and put his coat on him, and went and got help to take him home. The one who did the "preaching" who was burned told his wife (who is a good Christian woman) on Sunday the day before, that he never intended to call on that man they call God, but when they got him home, he called for the praying people to come to pray for him. He got saved, and confessed out his life. He said he had killed 4 men, and shot, beat and cursed many. They sent for the doctors and they came, and said his left foot would have to come off, as it was nearly burned off at his ankle. While on the operating table he began to cry and pray, and said, "Men! don't put off getting right with God like I did." I wish every man and boy in the world could have seen and heard him, to know what sin and drink will do for men.

Bro. Dave left me on Friday 16th, to go near Shawnee, Okla. to another meeting, and I contin-

ued this one on until Tuesday night, and I sure had good order, and I never had to tell them one time, some of the mean boys got saved and sanctified and backsliders got back to God, and some went and made some things right with their fellow man. I went to Hart school house No. 1, and started another meeting. I preached 2 nights, missed last night, as it was so cold. After I get through here I have a call to Lightning Ridge, 6 miles north of Roff. God is blessing me in preaching the Word. I said in my announcement in the Faith paper, I wanted hard places, I sure have got my desire.

I would like to have a church to pastor the rest of this winter, as it's so cold to have meetings, and people will be busy at work in their crops. But if I don't, I want to preach all the time. I am sure I will not be out of a job for there is lots to do. Your brother in Christ. Saved, sanctified and Baptized with the Holy Ghost and healed and looking for His coming. H H MORGAN

As I have not testified through the Pentecostal Holiness Faith, I feel it God's will this morning to send in my testimony. I thank the Lord for the birth of the Spirit and His Spirit bears witness with ours and I know by that I am His, thank the Lord. I am glad the Lord sanctifies and Baptizes me just now and I feel the old time power burning on the altar of my soul, thank God. Bro. Dryden is here at Fairview holding a meeting and is sure preaching with the power sent down from Heaven. There's not many seeking the Lord but the power is falling and the saints shout, dance and talk in tongues, thank God for old time religion any way. Pray that God will have His way with me.
