Faith vs. Fear

A stirring sermon about fear in our pulpits . . . and its paralyzing effect on our churches.

Contending for the Faith

By Rev. Wm. A. Caldwell
Pastor, Faith Assembly of God Church,
Hazleton, Penn.

We are indeed grateful to God for ever sending Brother Jack Coe to Hazleton. Truly He has answered prayer and blessed us far beyond our expectation. When Brother Coe called me from Binghamton, N. Y., and told me he would come to Hazleton for three days, needless to say we were thrilled beyond measure. We knew great things were in store for us. Yet what happened was so wonderful, it is really difficult to describe.

Although we had very little time in which to spread the news, still the church was packed beyond capacity. The people came expecting great things, and were not disappointed. People keep telling us, "We never saw anything like it."

Since the meetings, the testimonies keep coming in, and daily we hear reports of those who were healed by the mighty power of God. Cancers, goiter, tumors, deafness, all these and many more responded to the prayer of faith. Many were healed without even coming in the prayer line. Some did not discover their healing until after the meetings had closed.

We shall not soon forget the positive faith of Brother Coe as he would come to one with a tumor, lump, or growth. He would permit people to come from the congregation to feel

the growth, before prayer and after. Time and again the lump had disappeared as Brother Coe prayed.

A little boy with crossed eyes was prayed for. The mother said, "They are straighter than before." Brother Coe said, "We will pray again." This time the mother looked and said, "They're straight." As mother and son walked down the aisle, a man stopped the boy to examine his eyes. Brother

Coe noticed this and called to the man. "Are they straight?" The man immediately responded. "They're straight."

Is it any wonder that everyone seems to be asking the same question, "When is Brother Jack Coe coming to Hazleton again?"

WHAT GOD HATH WROUGHT

EYES HEALED

Dear Brother Coe:

About three months ago, I sent for an anointed cloth for my mother's eyes. She was losing her eyesight. She pinned it upon her clothes and about three weeks later she went back to the eye specialist. He told her that she had perfect eyesight for one who was 80 years old. We praise God and give Him all the glory.

HEALED OF CANCER

Dear Brother Coe:

The cancer which I wrote to you about is gone. After you prayed, it began to heal and was completely gone within a month. There isn't even a scar where it was. This is the first time in three years that I can wipe my eyes and not feel that cancer. Praise the Lord forever.

HEALED OF STOMACH TROUBLE

Brother Coe:

On March 22, 1952, I got a handkerchief back from you. Afterwards I recovered from stomach trouble. I had been unable to eat anything that was greasy, but through your prayers the Lord healed me and now, March 4, 1954, I am still healed and can eat anything I like. Beulah Sullivan

VERICOSE VEINS DISAPPEAR

Dear Brother Coe:

I was suffering with vericose veins and had to be off my feet most of the time. I had to do my work sitting in a chair. After I wrote to you for prayer. I was healed. My daughter for whom you prayed was also healed of the same affliction. I want to thank you for the prayer handkerchiefs which you sent and which God honored as an act of faith.

Mrs. June Slater

HEALED OF TUMORS

Dear Brother Coe:

About two years ago, I went to the doctor for an examination, as I knew that something was wrong. As I started to the doctor's office, I mailed you a letter asking for prayer if the doctor found anything wrong . . . that God would heal me. The doctor found two tumors, but wasn't sure about the type. He told me to come back in two weeks and if they had grown, I would have to have them removed.

A few days later, I received the anointed handkerchief from you. As I placed it upon my body, I felt something like an electric current flow through my body . . . and I began praising God for my healing.

When I returned to the doctor's office, HE COULD FIND NO TRACE OF THE TUMORS. He accused me of going to another doctor to have them cauterized, as the womb was black where they had been. Thank God, I

Faith versus Fear

By Evangelist Mildred Wicks

As preached at the Dallas Revival Center opening

1st Samuel 17: Then said David to the Philistine, thou comest to me with a sword, and with a spear, and with a shield, but I come to you in the name of the Lord of hosts; the God of the armies of Israel, whom thou hast defied. This day shall the Lord deliver thee into mine hand; and I will smite thee, and take thine head from thee; and I will give the carcasses of the host of the Philistines this day unto the fowls of the air and to the wild beasts of the earth; that all the earth may know that there is a God in Israel. And all this assembly shall know that the Lord saveth not with sword and spear; for the battle is the Lord's, and he will give you into our hands. And it came to pass, when the Philistine arose, and came and drew nigh to meet David, that David hastened, and ran toward the army to meet the Philistine.

And David put his hand into his bag, and took thence a stone, and slang it, and smote the Philistine in his forehead, so that the stone sunk into his forehead; and he fell upon his face to the earth. So David prevailed over the Philistine with a sling and with a stone, and smote the Philistine; and slew him; but there was no sword in the hand of David. Therefore David ran, and stood upon the Philistine, and took his sword and drew it out of the sheath thereof and slew him, and cut off his head therewith. And when the Philistines saw their champion was dead, they fled.

I am going to talk to you on "Faith versus Fear!" We ARE . . . not will be or were . . . more than conquerors through Jesus Christ, our Lord. Sometimes I grow very alarmed at the fear there is . . . not only in the world and

the church . . . but in the PULPITS today. There is fear in the hearts of the leaders, the deacons and the Sunday school teachers.

I have made the statement many times that if the church had half as much faith in Jesus as we have in the devil, we would take the world for Jesus! God has not left us in this world to fear the devil . . . but that the devil might be afraid of us. He has given us the power of his Spirit. We are walking under the blood-stained banner of Jesus Christ and he is our ever-present invisible leader. I never take a step without him. We're not fighting this battle alone. The battle is God's. We are Christians . . . with one cause and one purpose . . . to loose the fetters that bind helpless men and women. We are learning that we must cease from arguing about creeds and doctrines. The denominational barriers are crumbling as we turn to face the enemy of our souls in one last united effort to defeat him as a united army . . . following our Captain, Jesus Christ!

David was a rugged red-headed boy. He had seven older brothers who had little respect for his ability. He did not become a Spiritual giant and leader overnight. People never do. We must prove ourselves. But after years of tending sheep in the wild hills where he faced dangers from lions and bears, he came to bring food to his brothers, who were with the Israelite army. For 40 days and nights the great giant, Goliath, had had them shaking in their tents . . . paralyzed with fear! Fear is the worst emotion that can come into the hearts of Christians. It will do more damage to the Church, and cause more wreckage than the ravages of sin and disease. It will render God's people powerless and leave them quaking and trembling.

Thousands of people have a call of God upon their lives, but they are afraid. God wants them to arise and go out to meet a giant in his name! Always the devil is dangling before them their unworthiness and insignificance. Many times he will tell them that they are failures. He tells me that! I agree

(Continued on Page 4)

with Him and say, "Sure I am, but the One I serve isn't. I can do all things through Christ Jesus, who strengtheneth me!"

I do not go out against the devil in my own strength, but I go in the power and the glory of the Holy Spirit of God, with all the resources of heaven behind me!

Someone may say, "Sister Wicks, doesn't the devil bother you?" Yes, he does, **BUT I BOTHER HIM MORE!** There is power in the blood of Jesus! My Saviour goes before me and carries my shield! Omnipotent is His power and strength.

David arrived in the camp about lunch time. The tremendous giant, who was almost 10 feet tall, began to parade and strut before the Israelites. He began to blaspheme the God of Heaven. David turned to his brothers and asked, "Why is that man talking about God like that? I'll stop him!"

The brothers said, "Now David, don't be rash. You'd better go home and tend the sheep. What makes you think you can fight HIM? Look how big he is!" I tell you it isn't how big you are or how small you are . . . **BUT HOW MUCH FAITH DO YOU HAVE?** David was young. David wasn't large; but he knew that he had a big God. He didn't need to be weighted down with a worldly armor. He shook off their efforts to bind him down . . . and I shake off such efforts too. When I feel like shouting, I want to shout! I had rather be in one Holy Ghost service where the power of God is being manifested, than in 50 cold, starched, formal services.

David said, "The same God that gave me victory over the lion and the bear will give me power over Goliath!" He had won small victories and he was encouraged to fight a greater battle. The reason many people never win victories is because they never enter into the battles. They want to be protected and petted. There are thousands of Christians in the full-gospel ranks today who would launch out for God, but they are afraid of what 'so-and-so' would think. Friends, there is power in the blood of Jesus. Many seem to think that the devil is going to 'get' them. Why don't you say, "Out of my way, devil. I'm coming through, by the power of God."

David stood before that giant in simple shepherd clothes, with only a sling and a bag of stones. At least that's all they could see . . . but you can't see faith. You can only see the results it produces. David didn't tremble and

quake. He didn't say, "Let me go pray through. I've boasted and I'm not sure that I can do this."

He didn't retreat an inch from his statement or from the giant. HE RAN to meet him. He didn't consider natural circumstances, his size, what he had to fight with or anything else. There was no place for fear in his heart, because it was filled with faith. Fear separates us from God, but faith will bring a direct connection with the source of power. Strong men have broken under fear. We need to keep our eyes on the Savior, with whom all things are possible.

You say, "Oh yes, I'm a Christian, but I have the greatest problem in the world." Christ is the master of problems. I have problems too, but I take them to Jesus and leave them with him every day. I do the possible and let him do the impossible. Have faith and He will see you through. Fear will defeat you. If you are afraid that you won't be healed, YOU WON'T BE! Instead,

stead, turn and look that disease squarely in the 'face' and say, "I'm going to defeat you in the name of the Lord. By his power I am made whole." You will be.

I don't know whether the man who wrote the song, "Coming In on a Wing and a Prayer," is a consecrated man or not . . . but I know that he is a man of faith. It doesn't matter how holy you may be and how much you cry and pray, **IF YOU DON'T BELIEVE YOU WON'T GET ANYTHING FROM GOD!** Someone may say, "I'm living such a clean life and I didn't get healed, but old sister 'so-and-so' got healed, and they don't live half as good as I do. What's the matter?" The truth is, my friend, that they believed and you didn't.

The children of Israel, like David, were confronted with a 'big' problem. Before them were the walls of Jericho. They began to march around the walls in faith. The inhabitants of the city

The Solemn Feast!

By Rev. Jack Coe

A timely message for every Christian who wants to be used by God in these last days.

Lamentations 1:3-4—Judah is gone into captivity because of affliction, and because of great servitude: she dwelleth among the heathen, she findeth no rest: and all her persecutors overtook her between the straits. The ways of Zion do mourn, because none come to the solemn feasts: all her gates are desolate: her priests sigh, her virgins are afflicted, and she is in bitterness.

Every denomination or movement that has ever done anything for God has started with a solemn feast. Luther started the reformation with a solemn feast. Everyone likes to attend when there is joyous music. Everyone likes to come to a feast of rejoicing, and good food for the guests. Christians like to shout and worship God, but if I should announce that we were going to come into the church and wait upon God the entire night, I'm afraid that there would be only a handful present. Yet every revival has started with a solemn feast. **EVERY REVIVAL HAS STARTED WITH A SOLEMN FEAST!**

WE MUST PRAY!

I believe that God is sending a revival into the world today! However, I'm afraid that it will not reach the mammoth proportions that God desires unless we are willing to wait upon our knees. I believe in prophesying, wisdom, knowledge and the operation of the gifts of the Spirit. I believe in shouting and rejoicing . . . but we must be very careful that we do not neglect our prayer-life. The difference in Pentecost today and 'old-time' Pentecost lies in the hours which were spent in the upper room, waiting upon God. The outpouring does not come before the waiting upon God . . . but afterwards! Jesus did not say, "Go and receive power, then tarry 10 days in Jerusalem." He said, "Go and TARRY in Jerusalem. . . THEN you shall receive power. We are getting the cart before the horse.

I believe that prophecy will be an important factor in this last day revival.

Tongues and interpretations have had a strong influence in the first half of this century . . . but I believe that God is raising up prophets who will prophesy . . . but not until the church has gathered to a solemn feast to wait upon God. We must cry out, "Oh God, search me, know me, sanctify me and consecrate me!"

Be Sincere With God

I am not satisfied with what we have seen thus far. People come to church and hear a tremendous message anointed by the Spirit of God and then will not even come to the altars for five minutes to pray afterwards. We have our hands outstretched saying, "Oh God I want to do something for you. I want to have a part in this last day move of your Spirit," but we don't mean it enough to fall upon our knees and show God that we mean business!

Many people today say that we don't need to tarry and pray for the power. I don't agree with that at all! Jesus interceded for Peter when the devil was trying to sift him and grasp his

Peter, I have prayed for you

soul. How many of us have been interceding for our friends and relatives as we should? Jesus is able to save to the uttermost all who come unto God by him. He ever liveth to make intercession for them. Someone may say that when Jesus had prayed His last prayer upon earth that he would never have to pray again. You need to read your Bible more carefully. He is still making intercession for us . . . praying unto the Father continually. We likewise need to pray for our lost neighbors and intercede for lost souls. We need to ask for a mighty outpouring of the Spirit of God, that sinners be converted and Jesus glorified.

We Must Do Our Part

Every promise that God has promised, both in His word or through prophecy is conditional and calls for cooperation upon our part. Some people, like a little bird, are sitting around waiting for God to shove something into their mouths . . . but the Bible has said that we must approach God and THEN He would approach us. God wants to feed His people and yet we must humble ourselves before He can do so. If He cannot induce you to come to the solemn feast, He will raise up someone who IS hungry!

I can visualize old Jeramiah sitting near the gates of the city watching the people passing on the highway, laughing, talking and enjoying life . . . but

Jeremiah, the weeping prophet

NONE were sober and solemn. He knew that this was a city which was dark and wretched; sick and cancerous with sin. He was probably thinking, "My God, doesn't it mean anything to all you that pass by . . . that people are perishing in sin! Aren't you concerned that our city is in a desolate condition spiritually? How can you laugh and rejoice?" I ask YOU WHO ARE READING THIS SERMON . . . "Doesn't it mean anything to you that our nation is steeped in sin . . . that our virgins are afflicted and none come to the solemn feasts? Doesn't it mean anything that physically afflicted people can come into our churches and leave in the same condition? Doesn't it break your heart to see sinners sit through the services without shedding a tear or seeing the reality of God?" Friends, God has given us POWER but we need to fall upon our faces in apostolic hunger. The mighty power of God

(Continued on Page 6)

**THE SOLEMN FEAST—(Continued
from Page 5)**

is the only means by which they can be set free.

Freely Give

Someone may say, "Brother Coe, we're waiting for you to set the cripples free. We want you to pray until the sinners get saved!"

That's what they said about Jeremiah! They said, "Jeremiah, we're having such a good time. We're shouting, singing and listening to the prophets. We're waiting for the PREACHERS to deliver the afflicted!"

Jeremiah said, "Is it nothing to you . . . is it nothing to YOU! Why don't you stir yourselves and get hold of God so that God's power can be manifested throughout the land?" You can't give someone something you haven't got. The Bible says, "Freely you have received . . . freely give. "You need to quit using the preachers as a crutch and begin to walk in supernatural power . . . as individuals. He that waits upon the Lord shall renew his STRENGTH. You need to wait upon God that you may be a strong Christian. We are spiritually lazy. We try to substitute enthusiasm for the power of God . . . but it is a poor substitute! In the early days of the Pentecostal outpouring people would sit with the Bible in their hands almost 24 hours a day. They were searching the scriptures daily. Today, we hardly have time to read a chapter. We want to get something for nothing. It doesn't come that way! However there are some that are willing to pay the price and God will use them! He will push the spiritual sluggards out of the way and choose the humble and hungry souls to confound the world.

If I could get seventy people to attend a solemn feast and wait upon God we could take any city in the land for God.

Prayer Brings Power

The Methodist denomination started out with the power of God. I have personally seen them dance up and down the aisles, shouting and praising God. I have seen them jerk until they would shake the hair-pins out of their hair. They called in the 'holy jerks.' Some of them would leap like a deer at times. I have seen Methodist preachers get so filled with the power of God that they would jump the pulpit. As long as the Methodists prayed and sought God, His power was in their midst . . . but when they ceased to attend the solemn feast and began to have base-

ment banquets, they grew cold and dead. God departed.

The mighty hero, Samson lay in the lap of Delilah and she cut his hair. He arose and shook himself . . . but the power had departed! There are many Christians who still try to 'shake' themselves, but they do not realize that the Power of God is not in their lives. They have neglected the solemn feast! I have cried myself to sleep many nights because there were people coming from all over the nation to my meetings and many of them would return to their homes without deliverance. They would still be cripples, blind or deaf. I believed God to heal and deliver, yet something was wrong. I believe it is because there is so much doubt and unbelief in our churches today.

We Must Die!

Someone called me on the phone recently and said, "I'm going to quit coming to the Dallas Revival Center, where you are pastor, if you don't quit doing a certain thing!"

I said, "Quit then! You'll never get anything from God as long as you are murmuring and complaining." People who have not died spiritually will always find fault and criticize. We need to die and remain dead spiritually. The Bible says that he that loseth his life shall find it. Churches are TOO ALIVE! A corpse in a funeral home wouldn't even flinch when a needle was stuck into it, but the Christian who is too 'alive' can't stand to be needled. It is time for us to die! We need the solemn feast.

Azusa Street, Los Angeles—1906

In that great outpouring on Azusa Street in Los Angeles years ago, there were tongues, laying on of hands and miracles . . . but they also had waited upon God! People could hardly wait to get off work. Services were held 'around the clock.' The young people would climb on the streetcars with a handful of tracts and start talking about Jesus. They would join together in gospel singing. They spread the story everywhere of the saving power of the blood.

One day the janitor fell from the top of a ladder in that old 'livery stable' church and broke several bones so badly that they were protruding from his flesh. They didn't call for the ambulance! They picked up that man and laid him upon the altar. They began to pray, praise and magnify God. Those limbs were made completely whole instantly! What a difference in our churches today!

Ananias and Sapphira came into the church determined to lie to the Holy Spirit. They fell dead. We need some more FUNERALS in the church today! Then people would stop 'playing church'

PLAN NOW TO ATTEND THE FULL GOSPEL BUSINESS MEN'S FELLOWSHIP INTERNATIONAL CONVENTION

Washington, D.C. — June 21, 22, 23, 24 and 25

By Demos Shakarian, President

The Full Gospel Business Men's Fellowship International extends a cordial invitation to all business men, laymen and ministers of all churches, to attend the Second Annual Convention to be held in Washington, D. C., June 21, 22, 23, 24 and 25. Headquarters will be at the Shoreham Hotel, located on Connecticut and Calvert Streets.

Bring your whole family and make this a vacation trip. There will be four mass meetings at the Constitution Hall, June 21, 22, 23, and 24 at 7:30 p.m. There will be five Breakfast Meetings, June 21, 22, 23, 24, and 25, in the Shoreham Hotel, closing with a huge banquet in the Shoreham Hotel, Wednesday evening, June 25.

We feel that the churches of all denominations have done a tremendous job at reaching people for the Lord, but we also feel their efforts are not enough when we realize that less than five per cent of the world's population is saved—that Satan and his evil forces have captured 95 per cent of the peoples of the world for his kingdom. In the light of these known facts, we can very readily see that we as Christians, have in a great measure, failed God. God's spirit is moving today upon the face of the earth, and He wants this generation to be filled with all the fullness of God. Surely this is the time to work, while men are being stirred the world around. I have traveled several times across the

United States, from coast to coast, in the last few months, and I have never before seen such an overwhelming desire in the hearts of men to draw nearer to God. It reminds me of the days of Noah when the ark was completed, how the beasts of the fields, fowls of the air and all sorts of animals by pairs, were brought to the ark by the moving of God's spirit. We have a similar situation today, where the spirit of God is moving men to be willing to draw together and work harmoniously in an all-out manner to serve Him.

I realize how that we as business men, have given a per cent of our income and titles to our churches, and have been abundantly blessed of God for doing so, but I do not feel that it is altogether pleasing to God for us to think that in thus giving, we have discharged our whole duty to God, and so fold our hands and do nothing more. I believe with all my heart as the spirit of the Lord reveals it to me, that He is not satisfied with just our material substance. What God wants is for every man to give himself 100 per cent unto Him, to be willing to say, "I will go where you want me to go, I will do what you want me to do." True, our money belongs to God, but more than that we belong to God. I believe when business men with all other laymen, begin giving themselves to God to be used by Him, com-

pletely yielded to His moving, we can accomplish a thousand times more than by just giving our money to God.

Truly, this is the time when God wants spirit-filled men to be behind pastors and churches, and all Christian endeavors around the world, and this is what we are seeing born today. Men are dedicating their lives to God for a real consecrated service to Him. Business men and all other laymen alike, should realize that this power of God is theirs also, and that it is available to them for use in their businesses, to direct and guide them. If our lives are holy and consecrated to God, then we have the boldness to come to Him and ask and receive the things He has intended that we should have.

We have come to the crossroads, and ministers realize that they need the sincere cooperation of every church member if they are ever to see this world evangelized for Christ. We are not interested in forming new organizations or in telling the ministers what to do, but we are interested in helping all of our ministers. We are sincere in our endeavor and we as business men, want to become more and more effective in reaching the lost. We call on all men across the nation and around the world to stir one another for a Holy consecrated life, so that we can influence the world for a more effectual promotion of the Kingdom of God and help the ministers bring in a greater harvest of souls than heretofore. I pray that the ministers will fully understand that these men are rising up because the spirit of God is moving in their lives and prompting them to do so.

Many of our nation's top business men will be bringing stirring messages at the Convention that will be of lasting value to all who hear them, as they

FIRE IN THE SKIES

BY REV. JACK COE

Psalms 34:15-17 And the eyes of the Lord are upon the righteous, and his ears are open to their cry. The face of the Lord is against them that do evil to cut off the remembrance of them from earth. The righteous cry, and the Lord heareth, and delivereth them out of all their troubles.

Almost everyone in the world today is troubled. Even the average American citizen who has faith in his leaders still feels uneasy and fearful. If a man or woman is not looking to God, they have no one to depend upon for deliverance. If you know God as your Father . . . you can stand secure in the knowledge that He will deliver you from your troubles if you cry unto Him . . . no matter how many A-bombs, H-bombs, or C-bombs man may create! I have nothing to fear! Why should I fear? I am hiding in Jesus Christ, the Son of God.

Scientists are actually afraid to test

the devastating new C-bomb! One scientist stated in Dallas recently that it is actually possible for one H-bomb to start a chain reaction which could circle the entire earth, burning and searing its surface!

Every intelligent person knows that everything in existence is composed of atoms. God used the atom to make the world, water, animals and the human body. The devil was present at the time that these things were created. The Bible states that Satan walked on the stones of FIRE . . . which scientists agree is the atom! God said, "Satan, you were there when I created the world. You walked on the stones of fire!"

SATAN KNEW HOW GOD CREATED THE UNIVERSE

The devil . . . even though he saw the method which God used . . . could create nothing since he too is only a created being, made of atoms also. He

seeks only to cause man to use the power available in the atom to commit world suicide, and thus far that is about the only thing that man is able to do with this unseen force.

I was in New York City at the time the announcements concerning the H-bomb test flashed across the headlines and radios. I entered a store that night to make a purchase. Everyone was talking about the tremendous explosion. The Jewish merchant who owned the store said, "I'm getting out of this city! I'm going to the plains of Texas."

I said, "What about your business? How would you make money?"

He said, "What good is money at a time like this. Why should I stay in New York City until I am killed by an H-bomb. The defense authorities tell us that we could be evacuated, but I don't believe we could ever make it in time to escape the blast!"

I feel like the woman who called the civil defense authorities in Dallas and said, "I don't want to know what to do after the H-bomb is dropped, but I want to know what to do NOW!"

The Jewish merchant wanted to know the same thing. He wanted immediate knowledge to help him escape. Conditions are rapidly making money of little importance. Businesses for which people have labored a life-time will be destroyed in an instant! The thing that is vital to everyone in the world is BEING ABLE TO STAY ALIVE!

ONE H-BOMB WILL KILL 30 MILLION PEOPLE

An H-bomb dropped in New York City would wipe out one-fifth of the entire population of the United States. It would destroy Binghamton, Philadelphia, Baltimore, Washington, D. C., and most of the other cities in that heavily populated area. Why shouldn't people be worried? The only hope which the people of this nation have is that we can build H-bombs so fast that we can blackmail the world and maintain peace through fear of our power. We are all aware that Russia has the H-bomb. However, it is possible at present for our plants to produce five bombs to their one!

THE H-BOMB DWARFS OUR IMAGINATION!

THE TERRIBLE DESTRUCTIVE POWER OF THE H-BOMB IS AMAZING! One bomb would cause 50 square miles of complete oblivion . . . 200 square miles of complete destruction . . . and 800 square miles of partial

I Bear in My Body the Marks of the Lord Jesus

By EVANGELIST JACK COE

John 20:25: The other disciples therefore said unto him, We have seen the Lord. But he said unto them, Except I shall see in his hands the prints of the nails, and put my fingers into the print of the nails, and thrust my hand into his side I will not believe.

Galatians 6:17: From henceforth let no man trouble me: for I bear in my body the marks of the Lord Jesus.

I do not believe that there was any doubt in the mind of Thomas that Jesus was dead. He saw him killed and knew of his burial. He later had heard that

Jesus was alive . . . but he wanted to be sure that it was really Jesus whom they had seen! He wanted to put his fingers in the nail prints. He wanted to thrust his fingers into his side before he believed that the Lord had risen. He wanted to see the marks of the Lord Jesus.

The Bible says that the cross is foolishness to them that believe not. It is foolish, not only to the sinners but to the church today! We preach a blood-bought, born-again experience . . . a healer that is the same yesterday, to-

day and forever . . . and the power of God . . . yet the professing church mocks our gospel. They say, "We don't want that 'slaughter-house' religion! We don't want divine healing. God has given us doctors and medicine."

Doctors can do amazing things . . . and their knowledge of medicine has increased at a phenomenal rate, but they cannot give you peace. They cannot give you eternal life! But friends, the only assurance of eternal life lies in the marks of the Lord Jesus!

THE CROSS IS THE ANSWER

Only through that old rugged cross where he bled and died can we find assurance for our souls. Doctors go to the very limit in experiments and expenditure trying to find cures for diseases . . . but there is an easier way. We don't have to be like Naaman, the leper. He wanted a cleaner river. He wanted a glorified religion . . . but he had to go God's way. Many people today are saying, "We don't need the blood of Jesus for salvation. We want to join the church and do the things that man tells us to do. But God wants you to accept his sacrifice which he prepared!"

I'm trusting in the blood that oozed from the Son of God's body and trickled down his back! When I was laying in a bed and doctors shook their heads sadly, then He came into my room . . . He that bore the marks for you and for me. He bent over my bed and said, "Jack, you're healed." I felt his healing virtues sweep over my body and I was made whole.

WE MUST HAVE THE MARKS

Friends, people are looking for the marks of the Lord Jesus in the church today! They are looking but they can't see them. His marks are not in the sermons and they are not in your lives. The world is turning away, sick and despondent.

I can say now, friends, that if I know my God I bear those marks in my body. The disciples said to the man at the gate beautiful, "Look on us." They weren't dressed in fine linens. They didn't have a great reputation . . . with university degrees! No, they were only fishermen . . . but they had the marks of the Lord Jesus Christ . . . and they could say look on us. They took his hand and he ran leaping and praising God into the synagogue. He ran into the beautiful church with its ornate fixtures . . . but the marks of the Lord Jesus couldn't be seen there. They didn't have God's power. They

FIRE IN THE SKIES—(Continued from Page 8)

destruction! The deadly effects of an H-bomb dropped in Kansas City would reach Dallas, Texas!

H-BOMB Could Paralyze Area of 30 MILLION People

Acts 2:17-19 And it shall come to pass in the last days saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And upon my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy: And I will shew wonders in heaven above and SIGNS IN THE EARTH BE- NEATH; BLOOD, AND FIRE, AND VAPOR OF SMOKE: This is not speaking of SPIRITUAL SIGNS! God said BLOOD . . . and blood is a physical, visible sign! This generation will see blood . . . fire . . . and vapors of smoke . . . AND IT WILL BE THE RESULT OF A NUCLEAR EXPLOSION!

If the anti-Christ obtains control of the H-bomb or the C-bomb . . . he will blackmail the world! A man walked into a bank in Chicago one day which was considered invulnerable. Machine guns around the gallery, guards and burglar alarms were considered adequate to foil any attempt to rob this bank . . . but this man stood in the middle of the floor, raised a fountain pen above his head and yelled, "This is full of nitro-glycerin. If you shoot me it will fall and destroy everyone in this building. If you sound an alarm for the police I will throw it down rather than be caught. I want bags of money with only bills of big denominations."

The guards stood with their fingers on the triggers of their guns . . . but not one dared to shoot. He was given suitcases filled with money as they stood helpless, turned and walked out to a waiting car without a shot being fired!

People today are standing helplessly watching as the nations hold the H-bombs . . . ready to drop them in an instant! Everyone knows that World War III will be of short duration! The anti-Christ, like the man in the bank, can blackmail the world if he gains control of the H-bomb! People will stand and cry, "Who is like unto the anti-Christ and who can make war against him!"

THE BIBLE TELLS US EXACTLY WHERE TO HIDE WHEN THE H-BOMBS ARE BEING DROPPED!

Some people are saying, "I am going to dig me a hole somewhere on the plains and crawl in it!" That is not the place to go when H-bombs threaten.

In Matthew 24:15-16 we read these words: When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) Then let them which be in Judea flee into the mountains.

An H-bomb will spread further on the level plains than in hills or mountains. The effects of the blast are partially broken by uneven terrain or large buildings. Let him that is in Judea flee into the mountains! Let him which is on the housetop not come down to take anything out of his house: Some people say that this is referring to the RAPTURE of the church. That is ridiculous! When the rapture occurs . . . you will be caught up IN A MOMENT . . . IN THE TWINKLING OF AN EYE! No one will have an opportunity to come down from the house top before he is caught up! God told us to flee to the mountains . . . TO ESCAPE THE H-BOMB!

The first H-bomb target will not be New York City . . . but Jerusalem and the Holy Land! The Bible says that at the time the abomination of desolation stands in the holy place . . . it will be a time of tribulation such as was not since the BEGINNING OF THE WORLD, to this time, no, nor ever shall be. This portion of the New Testament is speaking of the GREAT TRIBULATION which is to occur JUST BEFORE THE END OF TIME! Because the church is to be taken out of the world before God pours out his wrath . . . this tribulation has not already taken place. The church is still here . . . so it is still to come upon the world! And except those days shall be shortened there should be no flesh saved; but for the elect's sake those

days shall be shortened. The elect are still in the world!

THE CHURCH WILL SUFFER BEFORE THE END COMES

There are many that contend that the saints will never undergo hardships or tribulations before the rapture . . . but you would have a difficult time convincing the Christians in Russia, Korea or China that this is true. It is only the mercy of God that has permitted the Christians of America to escape thus far. It is not because we are holy and righteous. Our nation is filled with sin and vice!

SCRIPTURES ABOUT H-BOMBS ARE BEING FULFILLED

There will be other H-bombs dropped . . . but thus far one scripture has already been partially fulfilled. (Rev. 16: 20): And every island fled away and the mountains were not found. And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and all men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great. The island upon which the H-bomb was exploded literally FLED AWAY. In its place was an ocean hole 175 feet deep! THIS GIANT CRATER WAS A MILE WIDE! The destructive force of this bomb far exceeded anything expected by the scientists who produced it. Though scientists are certain that it cannot at this time destroy the earth . . . the trend is definitely in that direction! The only hope which officials have for preventing world suicide is that no nation will start a major war which would inevitably involve its use.

Someone is probably thinking, "Is man going to destroy the earth?" No! God will destroy it! The Bible says that THE DAY OF THE LORD SHALL COME AS A THIEF IN THE NIGHT IN WHICH THE HEAVENS SHALL PASS AWAY WITH A GREAT NOISE, AND THE ELEMENTS SHALL MELT WITH FERVANT HEAT, THE EARTH ALSO and the works therein shall be BURNED UP. (2 Peter 3:10) ARE YOU READY FOR THAT DAY?

Knowing that these things are coming to pass . . . what kind of life are you living? Would you be ready to go if the day of the Lord should come? God has reserved the earth for the day of the Lord! (Revelations 9:18) By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone which issued out of their mouth.

One-third of the entire world pop-

ulation will be killed by fire, smoke and brimstone! Einstein, the noted scientist, has declared that the world will not be destroyed by the H-bomb . . . in spite of the fact that many of his colleagues disagree with him! He says that ONE-THIRD of the people will be killed by its effects. This is exactly what the Bible says! The rest will survive until God brings an end to human existence!

PEACE TALKS ARE FUTILE!

Day after day we hear of proposed peace conferences! The United Nations has tried desperately to bring peace to the world with no success! Man cannot bring peace to the world. Jesus Christ is the only one who can insure peace to all men . . . because He is the PRINCE OF PEACE!

I do not believe that the H-bomb will be used at this time! I believe that Russia, the United States and England will agree to refrain from dropping one, with a treaty to that effect. These nations are like three small boys who stand toe to toe . . . declaring that they will hit each other . . . each hoping that neither of them will strike the first blow. They will lash each other with words for a long time, but finally walk away relieved because no one struck a blow. Russia is definitely afraid of our bomb . . . and we are anxiously watching her every move because we know that they also have the H-bomb and would not hesitate to use it if she were not afraid of retaliation.

Everything will go well until the day Russia breaks her covenant with the Jews and starts down to the plains of Moggido . . . and then all nations will arise and go down to Palestine! That is when the H-bomb will be dropped! THAT DAY FIRE WILL BLAZE IN THE SKIES. Then will the people flee to the mountains and the land be made desolate!

WHAT ABOUT THE CHRISTIANS?

John 16:33 *These things I have spoken unto you that in ME ye might have peace. In the world ye shall have tribulations; but be of good cheer; I have overcome the world.* Jesus alone can give peace! I'm safe in Jesus. I have His peace in my heart and I'm not afraid. I've anchored my soul in the Haven of Rest. If you don't feel that peace . . . ask Jesus to give it to you. He is the only hiding place in this storm of life. THE END

HEALED OF TB AND GLAND TROUBLE

Dear Brother Coe:
In February, 1953, I sent you a hand-

kerchief to pray over and now I am completely healed of tuberculosis and gland trouble. The doctors had made two X-rays and had told me that I had spots on my lungs. After I received the handkerchief, I went back to them for another X-ray, but there was no longer any spots, so I am completely healed. Thanks to the Lord for His healing power.

FEAR—(Continued from Page 4)
were booing and shouting, "fanatics." The Israelites began shouting as they were commanded by Joshua, a man who believed God. The walls fell down and the inmates of the city were confounded.

If you can't pray through, try **PRAISING THROUGH**. When the enemy is glaring at you and defeat seems certain . . . look up. In the name of the Lord of Hosts say, "The Lord will deliver you into my hands. Disease, you must GO . . . no matter what the doctor says. Sin, you are defeated in the name of Jesus." Get your hands up and begin to praise God for the answer. That's my formula for victory. In the face of darkness and in the face of the giants, I say, "I'm depending on you, Jesus."

You can push the devil around or you can let him push you around. He's a bully . . . but you can take the **ROCK OF AGES** and smash his forehead. You can climb up on his carcass and cut off his head with the sword of the Spirit. The very thing he meant to kill you with can become a weapon to kill the devil with. We are more than conquerors through Christ Jesus, our Lord. He is the **WAY**, the truth and the life.

Friends, you can talk about the power of God until dooms-day and you will have a dooms-day unless you believe God. You can talk about how he answers prayer, but **YOU** won't get anything from him until you get definite about what you want. Start praising God for the answer to the prayers you have been praying for the past 20 years. He is a mighty God. Fear not . . . **ONLY BELIEVE! HE WILL BRING IT TO PASS!**

THE END

**THE SOLEMN FEAST—(Continued
from Page 6)**

and become serious and earnest. You can talk about the goodness and the power of God, but your talk is hollow before God. If you would only bend your knees and your wills to him, he would move through you and the world would know that you were God's child.

A Form of Godliness

Exodus 32:1-4—And when the people saw that Moses delayed to come down out of the mount, the people gathered themselves together unto Aaron and said unto him, Up, make us Gods which shall go before us; for as for this Moses, the man that brought us up out of the land of Egypt, we wot not what is become of him. And Aaron said unto them, Break off the golden earrings which are in the ears of your wives, of your sons, and of your daughters, and bring them unto me. And all the people brake off the golden earrings which were in their ears, and brought them unto Aaron. And he received them at their hand, and fashioned it with a graving tool, and he had made it a molten calf: and they said, These be thy gods, O Israel, which brought thee up out of the land of Egypt.

Here we find a group of people who were backslidden, yet they wanted a God. There are many churches today that are backslidden . . . yet they have a form of godliness. They have substituted formality for the moving of the Spirit of God. They no longer truly worship God. They contend that the gifts of the Spirit are no longer for us. They say that God no longer performs miracles today. Many of our Pentecostal churches are among the skeptical.

The Israelites said, "These be thy gods, O Israel."

Someone says, "My God, how could people do that, after the miraculous way that God had brought them out of Egypt?" The church of the living God has turned to idolatry again and again since that day! Aaron made an altar unto the golden calf and made a proclamation, "Tomorrow is a feast to the Lord." Even the preacher had backslidden.

Some of you may say, "Oh, but the pastor of our church is such a good man, because he has been with us so long. The Israelites said that about Aaron . . . because he had been with Moses, even before they left Egypt. There was no one 'more qualified' to make a god than the brother of Moses. Aaron had seen the mighty power of God as it was manifested, yet he back-

The children of Israel worshipping the golden calf which Aaron made!

slid! He knew that he couldn't make a god out of earrings! There are many preachers in Pentecost today who are substituting 'idols' for the Spirit of God. If I had been there that day, I would have said to Aaron, "You KNOW you are doing wrong and the people need to know it! You need to get back to God!"

They Played Church

They arose early on the day of the feast and offered peace offerings and burnt offerings; and the people sat down to eat and to drink, and rose up to play. They had offered burnt offerings to God. They still offered burnt offerings in a form of worship . . . BUT THEY HAD CHANGED GODS. They no longer worshipped the true God. They probably would have told us that their minute books still read the same and they still had the same form of service. But their love of God had grown COLD! They sat down to eat and drink and rose up to PLAY! Nearly every larger church in the country has a kitchen in the back of the church. The Methodist churches even have dance halls in the basement and television in the upper rooms. The Baptist churches have pool halls, skating rinks and kitchens at the rear of their churches. They rose up to PLAY . . . after they began to worship the false God. They began to have pie suppers, socials, watermelon feasts, etc., in the house of God. Today they have Sunday School contests with a party for the ones that win.

Someone called me on the telephone

recently to ask me what type of food they should bring for the opening of the Dallas Revival Center. I said, "Sister, we aren't having any dinner on the ground at this Church. We don't come here to eat. WE COME TO WORSHIP GOD! If you're hungry, I'll buy you a dinner!" Some people tell us that we will lose the young people if we don't have socials and ice cream suppers for them. If you will get on fire and attend the solemn feast . . . your young people will get on fire and you won't have to worry about keeping them. They'll be out bringing others. I'm not sure it's the young people you are worrying about, but just your own desires to be 'playing around in the church.' You need to feast at the table of the Lord in the solemn assembly.

The church that preaches the unadulterated word of God is often accused of trying to hold too high a standard. YOU CAN'T HOLD TOO HIGH A STANDARD . . . it's just that the one's who complain have such low standards. They might as well find themselves a compromising, worldly church and go to hell with them or make up their minds to sell out to Jesus and live a holy life. I believe there is only one way to reach heaven and that is to walk in holiness . . . covered by the blood of Jesus!

Some people commit wilful sin and when they are reproved they say, "Brother, don't you believe in grace?" I believe in grace . . . but I also believe that when you sin, you had better repent and quit that sin! If you

ask for grace and continue to do the same abominable sin. I don't believe that you will obtain grace . . . until you honestly REPENT! If a person has what he should have on the inside he will LOOK right and LIVE right . . . on the OUTSIDE.

Some people come to me and say, "Can I get by with doing 'this' or 'that'?" Friends, you can sneak around and do anything without my finding out about it . . . BUT YOU WON'T GET BY GOD!

There are people who still speak in tongues who haven't ATTENDED A SOLEMN FEAST IN YEARS! Many of them love to be seen . . . and heard. The real Spirit-filled Christian can tell in an instant if God is using them in tongues or prophecy . . . or if they're standing to be seen and heard.

It Is Revival Time

In the Song of Solomon 2:17 we read . . . The voice of my beloved! Behold, he cometh leaping upon the mountains, skipping upon the hills. My beloved is like a roe or a young hart: behold, he standeth behind our wall, he looketh forth at the window, showing himself through the lattice. My beloved spoke, and said unto me, Rise up my love, my fair one and come away. For is the winter is past, the rain is over and gone. The flowers appear on the earth; and the time of the singing of birds is come, and the voice of the turtle is heard in our land.

Millions of people . . . in the clutches of Satan . . . with no one to help!

Oh thank God . . . the flowers are blooming. The singing of the birds can be heard. It is a TIME OF REVIVAL and God has begun to take a church out of the church. He has raised up a new people . . . with a song of praise on their lips and love for Jesus in their hearts. They are the people upon whom he is pouring out his Spirit . . . and giving the gifts of tongues, interpretations, prophecy, wisdom and knowledge. They are the people who are filled with the power of God; who can lay hands upon the blind, the lame and the sick and see them made whole. The winter is over. The voice of the turtle is heard throughout the land. Someone says, "Brother Coe, what is the voice of the turtle?"

That verse is speaking of the turtle dove! John baptized Jesus and the Spirit descended in the form of a turtle dove! The voice of the turtle is heard throughout the land. The Spirit is making itself known and heard everywhere. The latter rain is coming! The drops are falling . . . the downpour will soon follow. If you want to drink of the refreshing waters, my brother, you will have to attend the solemn feast. God is recruiting a mighty army . . . but it will be the last. Join with us in a feast of prayer and earnest desire for his Power. Does it mean nothing to you, all you that pass, that millions are captives of the devil?

THE END

MARKS—(Continued from Page 9)
threw him out . . . but he followed Jesus?

People are so hungry to see those marks in the church today! Dr. Zellers, who was an instructor at Wayland

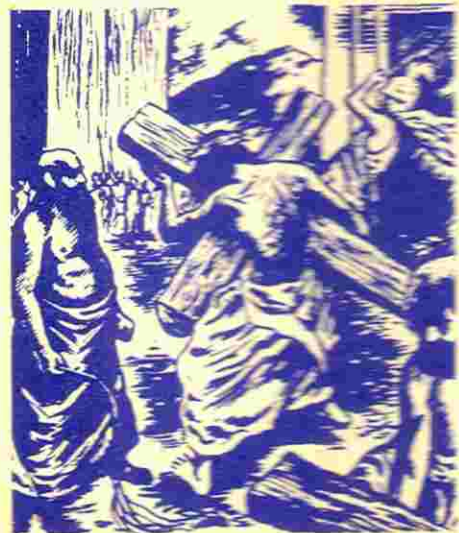

Baptist College in West Texas, was filled with the Holy Spirit in my meeting in Lubbock and told me that he took his wife to ministers asking for prayer. Time after time they would pray, saying, "Lord, if it be thy will, heal our sister . . . but if not take her." He said, "I even went as far as Moody Bible Institute in Chicago and again they prayed that same prayer. I did not realize that there were men today who bore in their bodies the marks of the Lord Jesus. I did not realize that there were those who could do the works of Christ. Brother Coe, if I could only have found some one who could stand on the promises of God; who could stand and look a disease in the face with the power of God in their lives and say, 'Look on us.'"

A woman brought a little child into my last meeting which was crippled with polio. This woman, a member of the Lutheran Church, looked up into my face with tears in her eyes, and said, "I've come to see you pray for

the sick. One of my friends said I shouldn't come. Is it wrong to be here? I've never seen anything like this before."

I said, "No, sister. What did you want to see?" (Continued on next page.)

MARKS—(Continued from Page 15)

She said, "I want to see the Lord Jesus heal my child. I want to see my baby walk."

I prayed for the little 5-year-old daughter and stood her upon her feet. God healed that child who could not even stand alone. The woman raised her hands and praised the Lord. She had seen Him in power. She had seen the marks of the Lord Jesus. You too can see those marks. You can have the marks in your own life if you will be not faithless, but believing. **BLESSED ARE THEY THAT HAVE NOT SEEN, AND YET HAVE BELIEVED!**
