Several Receive the Baptism of the Holy Ghost

Enid, Okla. Jan. 19

Dear Faith family. Greetings in Jesus name. Came home from the meeting at Columbia, Okla. The meeting was in a Baptist church, God blessed in many lines. One dear lady was sweetly saved and she was so happy, she said she had just been starving for years. Her husband, who was all paralyzed on one side, had us anoint him and pray for him to be healed and the Lord wonderfully touched his body and he reached the hand that had been paralyzed out and shook hands with his wife. Will you please pray that this dear man will be completely healed. Closed the meeting with good victory. No doubt it should have went on longer. Came home and thought I would rest a few days but the Lord opened up a Mission here for us to preach in. On Saturday night, the first service we had, one lady was Baptized with the Holy Ghost and she saw a vision of the Lamb's Book of Life and said she saw her name in the Book and that there was just a few pages that were not filled out. The altar was full and we had to make another altar. Sunday night a man was sanctified and pulled off his lodge pins and arose from the altar with real victory.

A little girl received the Baptism and she told things that she had never heard preached; she said Jesus came down to her and gave her the most beautiful fruit. We have had 4 services up to date, 6 have received the Baptism of the Holy Ghost. and I don't know how many have been saved and sanctified. One M. E. preacher who received the Baptism of the Holy Ghost right recently, his little 9 year old girl received the Baptism of the Holy Ghost; she was slain by the power of God in her school room one day this week during school hours. She said Jesus took her to heaven and she saw such beautiful flowers and when she would go to pluck one it would be a diamond. The Lord's power was so great on the child that they tried to arouse her the Lord all but slayed her. The little girl is a very timid child, she told her mother while the tears streamed down her face that Jesus was going to give her teacher an experience. God is truly moving upon Enid, will you pray with us for a great work here. Bro. and Sister Campbell from Waukomis, were with us in the service Monday night they both have the victory, they intimated that they might move to Enid which we would be glad of. The M. E. preacher that accepted Pentecost in the meeting I conducted in Crescent City, is still standing true and just this week he sent me an invitation to help in a revival in the M. E. church of which he is pastor at Royal, Okla. I want to tell you about a dear lady who lives here in Enid that had the most loathsome cancer I ever saw, it had ate all of one breast away and eat plum through. We went and prayed for her from time to time. The dear Lord has healed her, and she and 3 other sisters who live with her are candidates for the Holy Ghost. She is a business woman here in town. To go in the room where she has lain so long and pray the power falls in a wonderful way. Please pray for us to do His will at all times in all things. Oh how I love Jesus and want my life and time to be wholly given to Him. Husband has no work so we just live as it were by faith. We go all day and until 12 oclock at night. We need your prayers. Your brother and sister under the Blood, looking for the soon coming of Jesus.

Bible Conference Now in Session at Oklahoma City

The Bible Conference in Oklahoma City began as was announced Jan. 25. Gen. Supt. J H King, of Royston, Ga., who is conducting the Conference is one of the most able expositors of the Bible in all the Pentecostal Holiness ranks. The subject during the Conference at Oklahoma City Continued on next page

is the 20 forties of the Bible. Bro. King’s knowledge of the Bible and the able manner in which the Spirit enables him to present it—it’s a blessing indeed worth while to those in attendance. The out of town attendance is not very large. Some probably being hindered on the account of bad weather prevailing; others on account of finances.

Dear readers of the Pentecostal Holiness Faith paper: Greeting in the name of Jesus. I just want to speak a few words concerning the Bible Conference at Okmulgee. Let me say in the beginning that words are too weak to express the appreciation of the Truth as was explained. It seems Bro. J H King was at his best in every lecture. I believe it was the best Bible Conference I ever attended. I am sure that he created among all that heard him a greater desire to read the Old Testament: especially the Histoncic and Prophetic books,—where once lay heards of delirium and “dry bones” great gold mines were discovered. It certainly put the holy fire of “go tell it” in the ministers hearts. I wish more of our preachers would arrange to attend every Bible Conference. Let us continue to praise God for such a teacher as Bro. King and hold him up to the throne of grace with our prayers that he may live long yet on the earth to be a herald of Truth if Jesus tar- res. Yours in Him.

Dear Faith family. I want to praise the Lord for this know so salvation. amen glory. We have a hard place down in this country. Bro. E G Murr held us a meeting in December. I praise the Lord for a salvation we can live every day. And I thank God that I have salvation enough to live it every day in this place where the devil has got all the reins. Praise the Lord. On the 2nd Sunday of this month I preached my first sermon. The Lord called me to preach some time ago and I wouldn’t go. Bro. J G Powell preached for us last Sunday and Sunday night. I thank God for preachers like Bro. Murr and Powell, they preach it straight, bless God. Saints we want to hold onto God for there is something coming; we are going to have something to go through. I thank the Lord for His healing power. I was healed 7 years ago of lung trouble. Afterward I got away from the Lord and the asthma came on me and I was having it awful bad, but since I received the Baptism of the Holy Ghost I haven’t had a spell of the asthma glory to His name. I want all the saints to pray for me that the Lord will use me just where He wants me. Your brother under the Blood and looking for His soon coming. S A HALL

Some Landmarks
POINTING THE WAY
BACK TO PLENTY

If ye walk in my statutes, and keep my commandments, and do them; then will I give you rain in due season, and the land shall yield her increase, and the tree of the field shall yield its fruit. Lev. 26:4-6.

Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the Lord of hosts. Mal. 3:10-11.

“Let the people praise thee, O God; let all the people praise thee. Then shall the earth yield her increase; and God, even our own God shall bless us.” Ps. 67:5-6

Scott City, Kans. Jan. 24
Dear Faith family. As I have never written to the paper will send a note of praise for our King.

Tonight still finds me on my way to glory, praise His name forever. All my children are on the way with me except one son. I ask the prayers of all who read this in his behalf that he might make a speedy turn to God. I still mean to press the battle to the end. We have prayer meetings here sometimes and get happy, praise God and dance in the Spirit and talk in tongues as the Spirit gives utterance, praise His name forever. I sure do enjoy reading the little Faith paper and the good testimonies and reports of my brothers and sisters in Christ, it is almost like being to a good meeting to get the little paper. Your brother in Jesus.

Good Interest in Meeting
New Church Organized
Tushka, Okla. Jan. 17
To the readers of the Faith family, in Jesus name.
I opened fire on sin and Satan Dec. 24, closed on Jan. 15. Had
a real good time in the Lord. 4 saved, 3 sanctified and 1 received
Pentecost. It seems as though
most every body young and old
were delighted with every service.
The people came for miles
to hear the Word and I can truth-
fully say so for every seat was
crowded and they were standing
so one couldn't get around
through the aisle of the house.
God surely did bless us with
fine weather and large congregations
to preach to, also the best order
I believe with a very few excep-
tions. They sat spell bound and
listened eagerly. On Saturday
Jan. 13th dear Bro. W A Nichol-
son, of Atoka, Okla. came down
and stayed till the closing of
the meeting. He set a church in or-
der at 11 a.m. Sunday Jan. 13th,
with 12 members. I really feel
the Lord is in that place and ask
all to pray for High Hill church,
for I see great good can be done
in that place. There are some
as true blue there as I ever met,
or I feel so at least. We are go-
ing to try to secure a building at
Tushka to have a meeting in the
town the Lord willing. Glad I
can report victory in my soul over
sin. Saved, sanctified and the
Comforter abides just now, for
which I am praising Him, and I
am looking for His soon coming.

Dear Faith paper and many
readers. I want to thank God
this evening for ever saving my
soul from sin, sanctifying me and
above all things I thank God
for the Holy Ghost. I am truly
glad because He ever showed me
that this is the right way. I can
see where we need to be closer to
God for I believe Jesus is coming
soon and I want to be ready when
He comes or calls for me. Since
I last wrote to the paper we have
moved to Ponca City. I ask you
all to pray for me that I may live
so close to God that the unsaved
can tell that I have Him in my
life. Your sister in Jesus.

Stratford Meeting Victorious
Roff, Okla.
Dear readers. As the cold
wind blows and the devil howls
I am determined to go through.
The Stratford meeting closed
the 8th. 4 were saved, 2 sancti-
fied and 1 received the Baptism
of the Holy Ghost. Had a won-
derful meeting. God did bless
and all seemed to enjoy the meet-
ing, and am sure I did. The
meeting closed with the altar
full of seekers. The meeting
ought to have ran on but as some
others and myself expect to go
to the Bible Conference at Okmul-
gee the 11th, we closed. 4 were
taken in the church. There are
some real live wire saints at
Stratford that sure know how to
work in a meeting and too they
have a good pastor Bro. Clarence
Neukirchner I well know him as
I have been with him a great
deal in the Gospel work and he
stands for the truth and right
straight and clean. Say that
your man that got burned I spoke
of before, they took his left leg
off once and some how they had
to take it off a little higher up,
and say they will have to take
off part of his other foot as soon
as he is able to stand it, think
maybe he will get well, all pray
for him. Enclose 3 subscriptions.
I am your brother out for the
lost.

Some Saved and Sanctified
in the Healdton Meeting
Healdton, Okla. Jan. 18
To the Pentecostal Faith read-
ers. Greetings in Jesus name.
I will add my report this evening
for the first time to the Faith.
Have been a silent but interested
reader. Am well pleased with
the paper, and do enjoy the good
reports of the workers. I have
been preaching Pentecost 7 years
but have just belonged to the
church 2 years, and I want to say
right here that I think more of
the church now than ever before.
I praise God for Pentecost, for it
has come to stay until Jesus
comes. Last year was the best
year of my life. God gave me
some good revivals. I went to
Dillard Christmas and stayed one
week with the saints there. We
had a good time in the Lord on
the last night of the meeting.
Visited the Assembly of God
Tabernacle. I preached on Pen-
ectost, 2 prayed through to an
experience with God, and the saints
shouted, talked in tongues and
danced. We had a real good time
in the Lord. God has some of
the pure gold at Dillard. I went
from there to Healdton, had a
real good revival several got
saved, a few sanctified. While
there I had a great surprise on my
last Sunday service, and it was
in the form of the presence of
Bro. S E Stark, and a band of
Dillard saints. We had a good
time in the Lord. I closed on
Sunday night with victory and a
large attendance. Sister C L
Smith came over on the last
of the meeting and continued the
meeting on after I left and went
home. I have been called as sup-
ply pastor for Dillard and Heald-
ton. So you pray for us here,
for there is a band of real Blood-
washed saints at each of these
places. My new address will be
Healdton, Okla. Pray for me.
Your brother under the Blood.

God Remembered

And it came to pass . . . that God remembered Abraham and sent Lot out of the midst of the overthrow when He overthrew the cities in which Lot dwelt. Gen. 19:29.

One admirable trait about Abraham was his absolute obedience to the will of God in all things. It was only necessary for God to tell him to leave the land of his nativity to dwell in a strange land, for Abraham to without a murmur die out to his loved ones—his own kin and neighbors—and follow the Master. He never questioned as to what Aunt Mary or Uncle John or neighbor Brown would think as so many do. The Master said go and he did—It only required the Lord to tell him to give up his 14 year old son Ishmael—to put down in the record the fact of implicit obedience. Still later the son of his bosom, the beloved son in whom all his promises were centered—the very son God had supernaturally given him—and now God told Abraham to give him up. No murmuring whatever is recorded but again instant obedience to the Divine command—

And Abraham was a man of faith—yea "who against hope believed in hope," and the record of God's Word is that "He staggered not at the promise of God through unbelief, but was strong in faith, giving glory to God."

And of course Abraham was a man of prayer and knew the mercies of Jehovah and how to plead for a doomed people as Gen. 18 reveals—

Many a mother's boy has been saved from destruction because of mother's prayers. Just the other night a mother's unsaved boy was spared from death here in the city when a large automobile plunged into the smaller car the boy was driving and demolished it—A mother full of faith and prayers stood between him and destruction. It seems evident that God saw this mother and remembered her boy. Keep on praying mothers. God remembers.

An occurrence comes to our mind that happened just a few weeks ago. A few years ago a lady came to the light of Pentecost, in the Oklahoma City Mission, accepted it and was saved sanctified and received the Baptism of the Holy Ghost and in the face of much opposition from her family stood true and was a woman of prayer and faith. One by one they began to come into the Pentecostal way until husband, 3 brothers—mother and others took the way. Recently the father, unsaved, took to his death bed with pneumonia. Doctors gave up all hope. But the family held on to God—The doctors announced that he was dying—death had already taken

We Are Not Our Own

CLAUDE ROBERTS

Jesus gave his life on Golgotha's brow. That a doomed world might go free. There was not a drop of the blood He shed, But 'twas shed for you and me. He yielded His best that we might rest. Secure from the guilt of sin. Blood, was the price of your soul and mine. And He freely paid it in. There is not a kindred, a tribe nor tongue, But He hung on the cross for them; There was not a moment until the last, But He prayed for sinful men. Mankind lay prone 'neath the weight of sin. The sequence of Adam's fall. Blood, was the price of a fallen race, And He gladly paid it all.

He came of His own free will and choice, To suffer and bleed and die; To cancel the debt that we owed the law—'Twas even for you and I. He knew the cost yet He paid the price, That ransomed our fettered souls. Blood, was the price of a sin-sick world, He paid it—to make us whole.

He has purchased our pardon full and free, Paid the debt we could not pay.
He brought us the gift of eternal life, Are we bringing him gifts today? If we bring our best, yes even our all, We'll do but our honest share
For Blood was the price of your soul and mine And we're His—He bought us fair.

saved—but God bless them—they had a hold on God's mercies and wouldn't let go—and God remembered that sister who years before had taken the way—and also the other faithful ones—and stayed the hand of death off a few hours and saved her father and delivered him from destruction.

And God remembered Abraham. It is impossible to tell how many lives are hanging in the balance—dependant to a great measure at least on your faithfulness to God—your faith in God and your ability to pray and lay hold on God's mercies and God's
Testimonies and Reports

Sulphur, Okla.

Dear Faith family. Grace and peace be multiplied. They that live godly in Christ, shall suffer persecutions. We are living in the last days. Perilous times have come; and temptations are coming. God said He would not permit us to be tempted above that we were able to bear, so let us earnestly contend for the faith once delivered to the saints. We know that some will depart from the faith, and give over to doctrines of devils, 1 Tim. 4:1, yes and lie on God's true saints, their conscience will be seared with a hot iron. Now I imagine when a man or a woman gets so far covered up in hypocrisy that the conscience of the soul is seared that they can't be touched at all. Oh I do pray God to keep His power over the person that is in dangerous places, and keep the Pentecostal power burning in our hearts. Blessed are they that overcome for they will inherit all things. Now God has a lot in store for those that will contend for the faith and overcome. Oh it will be fine when we all rise in the air and set down with Abraham and Isaac and see all the true saints of God that stood true through all the persecutions coming in from all directions, and Jesus that will meet them with a crown. Oh glory, it will beat this. May God bless the cause for Holiness. I desire the prayers of all that read this. My right lung has failed me and I need your prayers that the Lord will heal me. Your brother in Christ out for a lost world till Jesus comes or calls. E M Offutt

Greetings to all in Jesus name.

I feel it would be a blessing to testify through the little Faith paper which brings gladness to my heart when I read of the fine meetings and testimonies. Thank God for those who love pure clean Pentecost, glory to God, the way that makes people love to straighten up crooked lives, praise the Lord, and will live clean for Jesus bless His name. New Model school building was blown down, but we have services at the homes. Sunday Bro. C C Davis was over, and preached a fine sermon. We have a good band of saints at New Model and a dear good pastor. The Lord has called me to preach the Gospel. I heard the first last summer, but preached my first sermon Jan. 1, 1922, at Coston, It is a hard place. There is not any church at Coston. They are just beginning to let Holiness be preached. Pray for me that I may do God's will. Your sister saved, sanctified and Baptized with the Holy Ghost, looking for Jesus to come.

CHESSIE PRICE

I have just received the Faith and it does me so much good to read it. It is like getting a letter from home folks. I am praising the dear Lord this morning for what He is to me. He is all and all to me. I praise Him for His healing power. My little boy was sick yesterday, had fever and a cold. We kept calling on the Lord for his healing, and I praise the Lord this morning for His mighty healing power. I desire the prayers of all the saints that I may live consecrated to Jesus and have the faith that I can trust my children's bodies into His hands. I want to be just what Jesus would have me to be, I want to be more like Jesus each day. He has been so much to me. Saved me and cleaned me up. I had to lay down my old snuff box too before the Lord would ever sanctify me. I praise Him for it. I believe everyone will have to do the same thing before they get the blessing. I praise Him for a clean straight way. I tell you it means something to serve the Lord and measure up to the Word. I am glad for this way, the way of Holiness. When I got the Baptism I had on a band ring but some one took it off of my finger and thank God it has not been back on since. I am glad too I can't use face powder, nor wear short sleeves, nor low neck dresses nor short skirts either praise His holy name for this humble way. I want to be at my best for Jesus. Still saved, sanctified and the Holy Ghost abides. Pray for me.

I praise God today for victory in my soul; that I am under the Blood. Thank God for the way that has been opened up here for us to have the Word preached to us. The Lord has been blessing the work here in Oklahoma. Dear saints all pray for Bro. E M Roberts' little girl as she is very sick. Your sister saved, sanctified and filled with the Holy Ghost, praise God.

Bro. Beall's Trip

Dear readers. Peace be unto you. From Jacksonville, Fla., we came to St. Augustine, 37 miles farther south, having about 7 hours to wait for train, we had a chance to visit the City. I feel it would be of interest to many to know something of this beautiful city where the wealthy of our country reside many hours away that they might put to better use. One thing of interest that should be mentioned here is the fact that St. Augustine is one of (if not the oldest city in the U.S.) It is named for Saint Augustine a very saintly Priest who did much to carry the Gospel to England. There is much here to make one think of Ancient times and yet in the march of progress it has become filled with the spirit of today. The idle rich with all the pomp and glory dominate the city. Extravagance and luxury on every side. Nature has contributed much to make it a paradise, together with the splendid climate. Situated on the Matanzas Bay whose blue waters sparkle in the warm sunshine of almost ever blue skies. In the distance are seen the white capped breakers tumbling and crashing on the beautiful beach. For many years it was a Government Military post, and today I had the pleasure of viewing the grounds as they are now. The booths of stone on the wall made us think of what one of old said "Watchman what of the night." And in this city is the oldest frame house in the United States, also the narrowest street in the United States being only 6 feet 1 inch in width. It seems I have only touched upon the things of interest, but I must not take up more space in the paper, but I feel that since God has done so much at this place to help man see His goodness also His power, I felt it worth while to say what I have. I should have said something of the beautiful palm groves, the everblooming flowers, ever green lawns and so many other things that stir ones heart to say praise God, for truly at times as I see the hand of God so wonderfully here my soul lights up with a heavenly flame until I can hardly contain myself. In a short time we will be flying through the country to our destiny. May God bless you all. Pray for me also for souls in this country.

Dear Faith family, I want to send in my testimony this morning. I am glad for salvation. I am glad that Jesus saves and I can report victory just now. I am saved, sanctified and the Holy Ghost abides. Your sister in Christ looking for Jesus.

Mrs. S M Harden

Holdenville, Okla.

Dear Faith Family, I am glad to report victory this evening, glory to God. I am so glad that the Lord looked down in mercy upon me and saved my soul from sin and the next night sanctified me, glory to God, and on the 3rd of November the Holy Ghost came in and took up His abode as Acts 2:4, glory to God, for which I am praising God. Last night we had prayer meeting at Bro. Bob Bowen's, we had a glorious meeting. I want you all to pray for our little field down here. I was 13 years old when I was saved. My Papa and Mamma are living in sin, I ask the prayers of the saints that they will be saved before it is too late. Bro. Hugh Isbell, a Methodist preacher, held a meeting at New Model last week there was I saved and several seekers. I ask the prayers of the saints that I may do more for the Lord each day I live. Meeting at Healdton

To the Pentecostal Holiness Faith. Greeting in Jesus name. I am glad I can report victory in my soul just now, glory. I have just returned home, I have been in a meeting in Healdton, Okla. and I sure was glad to meet our Assistant Supt. Bro. S E Stark while there. I don't know how I ever would have gotten through that meeting if he had not come and held a church conference. Well, I wish you all could have been at Healdton and just seen how God did help Bro. Stark out anyway. Oh, thank God for a few folks that are pure gold everywhere.

I do not know what all was done in the meeting, only that some souls were saved and Oh what a cleaning up—well I am glad this is a clean way. Glory, we had a fine service the last night of the meeting. One soul got saved and others were seeking, and the old devil had to do something and he did, but God gave victory, bless His name. Well I know we have a few pure gold saints there, bless the Lord. May God bless our little Faith paper and its readers, I ask you all to pray for me and mine.

I want to send in a testimony this evening. I want to praise God for the way He is blessing to day, and I want to praise Him for Holiness, because without Holiness we can not see God. I was at Mt. View church Saturday and over Sunday, and the Lord sure blessed. I prayed through to the Lord and the saints did shout the victory, for which I praise God. Pray for us that the Lord will save souls at any cost. Your brother saved, sanctified and the Holy Ghost abides, glory to God.

Woodville, Okla. Jan. 25

I'm praising God this morning for salvation. Glory to God praising Him for His mighty power. The Lord has been wonderfully blessing the saints in the prayer meetings since Bro. Murr's meeting which closed Dec. 25. Two have received the baptism of the Holy Ghost and spake in tongues as the Spirit gave utterance as in Acts 2:4. While we have enjoyed the blessings of the Lord, our hearts have been made and over the death of one of our little S S pupils. Pauline Hamilton 7 years old. She was playing in her clothes caught and burned her arm. She died Dec. 24. Her funeral services were held Jan. 21, and she departed this life to be with Jesus Sunday Jan. 23. Funeral service was held in the Pentecostal church. She leaves a father, mother, one baby brother and other relatives to mourn her loss. Our loss is heaven's gain for Jesus said "Suffer little children to come unto me and forbid them not, for of such is the kingdom of God." Luke 18:16.

Also Mr. D.E. Hensley died Jan. 17, 1925. He had been sick for some time with tuberculosis. He bore his sickness with patience and said just before he died he was ready to go. He always seemed glad for the saints to come and pray with him. He leaves a father, 4 brothers, 1 sister and many friends to mourn his departure, but we hope to live in such a way that we may meet these two departed ones again around the great White Throne of God. Your sister in Christ.

Testimonies and Reports

Ponca City, Okla. Jan. 22
I am glad that I can truly say that up until this present time Jesus has kept me from sin. He has been with me in every trial, and thank God I have the victory. Still determined to fight on until I reach the Pearly gates. Since I came to Ponca City we have sure had a battle, the devil has had control of things here so long he just thought he owned things. Bro. Jesse A. Cook started a meeting here Jan. 12th. The saints were in a poor condition at the beginning, but all have been wonderfully helped since the meeting began. The saints have prayed through and all seem to have the victory. Also quite a number of sinners have prayed through and have the shine of God on their faces. I am glad there is something to salvation more than just stick up your hand or sign a card, professing to know God, when they never shed a tear of repentance. The meeting was doing fine until the bad weather set in and we are still having a good meeting, souls are praying through in every service. Bro. Cook is doing some straight preaching. If we had a few more that would stand out against sin in every form, there would be more souls brought to God. I desire the prayers of all the saints that I might stay true to Jesus and be ready when He comes.

Your brother in the Lord.

I will write a few lines to the dear paper. We all love to read it. We have had our dear Bro. Rev. J. M. Taylor, who has just returned from Cuba, with us and he has preached several times for us, and the people are stirred on account of the pure Gospel preached. We have no holiness people here, except my wife is sanctified and I believe about all that we know of in this community. The Baptists are stirred up badly, it is just like stirring up a hornet's nest. There are some people we think are reading that never read the Gospel before. I myself am not sanctified, but I want the Faith family all to pray for me that I might get the blessing. If it is possible we would be glad to arrange to have a protracted meeting some time this year, as I think it would be a good time to have one. Our dear Bro. Taylor preaches justification by faith and sanctification as a second work of grace and the Baptism of the Holy Ghost and speaking in

To the Pentecostal Holiness Faith and readers. Tonight finds me saved, sanctified and the Holy Ghost abides, and I'm healed up to the present time. Thank God for the old time way. Bro. Kidd started a meeting Dec. 26th and held up until the 1st. We sure had a fine meeting. Several got through to God. Bro. Kidd is a man of God; he sure has the blessing. When he left Sister C. L. Smith held the meeting another week. There was saved and a backslider got back to God. I will close. From your brother in Christ, who stands for a clean
