Some Have Been Marvelously Healed
By the Lord

O magnify the Lord with me, and let us exalt His name together—Ps. 34:3. Glory to God. It has been the privilege of the saints at Oklahoma City to witness the glorious power of our Christ and His power to deliver and to heal, especially in the past few weeks. Numberous marvelous healings have taken place in answer to the prayer of faith as Jas. 5:14-15. Accounts appeared in last issue of the miraculous healing of several, and others have been healed; and an humble and close walk with God, and with praying and believing hearts many more great victories may be won, and Jesus glorified in the ministry of the saints.

Sunday, Feb. 19, Bro. Basil Scrivner was sick in bed, in fact very sick and suffering intensely. Some elders were called in and prayed for him, and God healed him and in about 4 minutes he got out of bed, and in about half an hour was out doors. God had instantly healed him. Glory to God.

A blessed case of healing was that of my brother in Texas who had been in a serious condition. In fact we had been informed to not be surprised to hear of his death any time, but thank God the Lord has had mercy on him and healed him. We quote a part of a personal letter that he wrote us.

Feb. 19, 1922

I am writing you tonight to let you know that I have been healed glory to God for His healing power. Dan. I was just about all in, and I heard of Bro. Richie at Fort Worth, and I went down and he prayed for me and God healed me. Hallelujah, praise God for it. I am sound and well now. Dr. — told Alice I would have to quit my mail route for 30 days anyway, he could see the death color coming into my face, but glory to God, I am going back tomorrow. I have no pains and aches now. Can walk any where I want to now, and before I was healed I could not walk a block, so you see I have a right to praise the Lord. Glory, it is such a sweet feeling to know that God has healed you.

Dear Faith family. I am praising God for the deep settled peace I have in my soul just now. I am more determined to go through than ever before, I thank God for the healing power. I thank Him for healing my baby when he was so sick. Pray for my unsaved husband and pray for me that I will hold out faithful to the end. Your sister under the Blood and looking for Jesus to come. Saved, sanctified and the Holy Ghost abides.

And They Were All Filled with the Holy Ghost

"And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance."—That multitude of devout Jews that came rushing together when "this" was noised abroad were confounded, were amazed and marvelled and were in doubt—and what confounded them so was these Galillean disciples speaking in the various languages of the nations. "Every man heard them speak in his own language." "How hear we every man in our own tongue, wherein we were born." "We do hear them speak in our tongues the wonderful works of God." "What meaneth this." Such were the exclamations. Others mocked. But Peter said this is that which was spoken by the prophet Joel, "And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy." It was unexplainable from a natural standpoint, for never had a man been able to speak in so

6 Receive Baptism of the Holy Ghost

Woodville, Okla.

Dear Faith family. Glad this evening to report victory in my soul. I enjoy very much reading our little paper. Indeed it is food to my soul to read the good testimonies from the dear saints.

Closed a successful meeting at Oakland, Feb. 10. God put His approval upon the meeting, the power of God was manifested wonderfully. 1 sanctified and 6 received the Baptism of the Holy Ghost; others seeking God. Sinners were made to weep, I never saw deeper conviction on the people. Truly God is working a wonderful work in these last days. I am now holding a meeting at the Star school house near Woodville. The Lord is blessing; we are expecting God to give us an old time revival here. There are many who are hungry for God. I never saw better moral people than are here, but Oh such a few who know God. We expect to close here Feb. 26th.

Our next meeting will be at Providence, near Madill, beginning March 1st. There are many souls who are yet in sin and it behoves us as God's people to do our best in spreading this Gospel in every place we can, for we see His coming so near, what we do we must do quickly. Pray for me that I may stay humble before God. Your sister in His service determined to fight the battle to the end.

I want to praise God for old time religion. Glory to God. This morning finds me saved, sanctified and Baptized with the Holy Ghost and looking for Jesus to come. I thank God for the privilege of going to church and worshipping God. It is wonderful how the Lord blesses our souls at meeting. Sunday evening we had a grove service and the dear Lord sanctified and Baptized 2 young girls, and I want to say there was some shouting and dancing in the woods when those 2 young girls prayed through. Ask all the saints to pray for me that I will stand true to God, and be a soul winner for Him. Your sister.

Some Healed and 4 Receive Baptism of Holy Ghost

Checotah, Okla. Feb. 24

We have had some good services and prayer meetings in this country. Two weeks ago today Bro. Sterling had a bad spell with his heart, he almost passed into eternity but the dear Lord healed him instantly, the power came down and 4 received the Baptism of the Holy Ghost, and spoke in tongues as the Spirit gave them utterance, praise the Lord. We went to an old neighbor 7 miles away last week for prayer meeting, one sister received the Baptism of the Holy Spirit, which makes 3 Spirit filled in that family. Some were sanctified. The Lord is blessing in many ways, glory be to God forever. I'm still saved, sanctified and filled with the Spirit, healed up to date, feel the power of God and looking for Jesus to come. We must pray, pray the prayer of faith will bring God's blessing down. Your brother in Christ.

People are still getting saved in the old time way. Among those praying through and shouting the victory at the Oklahoma City Mission was one elderly man who prayed through and got genuinely converted and awoke some parties up at 2 o'clock in the morning to make restitution for wrong doing done 20 years ago.

Sister Grace Hope sent in $1.00 for the Foreign Missionaries.

2 Get Sanctified.

Truth is Opposed

Roff, Okla. Feb. 23

I am home again. I tell you I am. The Lord and I stirred up a hornet's nest at Non. It was a new field; there wasn't any holiness at all there and they didn't want it, but they have it anyway. There are lots of church folks down there but they knew nothing about Pentecostal Holiness. 2 of their members got sanctified and I got a few rocks. Seems I had better deliverance in preaching than I ever did. God picked me up as never before. Large crowds, people came and taken scripture after me all the way through. We had several to testify to being saved, sanctified and Baptized with the Holy Ghost, but they claimed that they got it all at once, and said it had landed millions safely over the tide and would land millions more, but say I believe they have a bone that will last them till I can get back in the summer. I heard a preacher say one time to be an evangelist was to go to new fields, if that be true I have been on an evangelistic trip, rode in a wagon 65 miles, preached a week offering $1.15. Now if that is evangelizing I have a taste of it, but I am proud I went. 2 sanctified. We have a few friends there and expect to go back in the summer and have a good meeting. We expected to have 2 or 3 meetings' own close to Non but was hindered, and will go back later. I will be at home in a few days meeting north of Roff and go to Woodrel church the 3rd of March, close to Bebee. May the Lord bless all the Faith readers. I don't stop when I get the paper until I read everything in it. I notice the editor misspelled where I was they had it won it is Nun. Pray for me and mine, I expect to preach it clean and straight. Your brother saved sanctified and the Comforter abides.

Testimonies and Reports

Oriental church Feb. 15
Dear Faith readers and family,
I am praising God this evening for His goodness to me and for victory over sin. Well the devil roars but God can carry us safely through with victory. Last Saturday at 3 p.m I had just gotten out here to the church. I was taken with fever, didn’t think I could preach that night, but God knew the condition and enabled me in body to give out the truth of God’s Word, victory came and the power fell and two were reclaimed. Praise God for His help in time of need. My fever remained high until Monday night at 8:30 the Okmulgee and Oriental saints continued in prayer and God heard and answered and all the fever and all the pain left me, glory to His name forever, I am able to sit up today. Praise God for His Son Jesus and for His healing power. Will ask all the Faith readers to remember the work here at Oriental church, also for me and my wife while we labor for Jesus. Yours for lost souls till Jesus comes.

I feel the need of God’s grace in our country, would to God we could have great grace like they did after Pentecost Acts 4:33, when great grace was upon them all. Bless the Lord for His wonderful love that is shed abroad in our hearts and for the shed Blood of Jesus that cleanses and sanctifies me and every one who will come to the Cross where the Blood is shed. I love that old song about The old rugged Cross. I love to hear the cross for Jesus because I know some day I will exchange my cross for a crown, so I shall cling to that old cross until all these burdens and hard tests are over and exchange them for a crown one of these days. I praise God for our good prayer meetings at Sulphur Friday nights, not very many attend but the Lord is there and that makes me like to go and be with the saints and rejoice with them also I feel like we are gaining ground for God here and also at Happy Hollow, the house was over full the last time I was there and a fine band of God’s people over there and I love them all. Some of the saints were called to pray for Sister Shadrick’s little girl Sunday evening and we had a real good blessing, then most seemed to have healing victory, the little girl wanted to get up and dress and go play. Thank God for Jesus and what He is to me. Pray for me and mine. I am still under the Blood, living for Jesus.

J C Combs

Dear Faith paper. This is my first time to write to the paper. I want to praise the Lord tonight for ever saving me from sin and sanctified me and gave me the Holy Ghost. I want to serve the Lord the rest of my life. I am a little girl 14 years old and I know I am not too young to serve the Lord, for the Bible says suffer little children to come unto me and forbid them not for such is the kingdom of heaven. So I want to live close to the Lord so when He comes He will take me with Him. I want all who reads this to pray for me that I may do the Lord’s will. Your little sister in the Lord.

"And this is the victory that overcometh the world, even our faith."—1 John 5:4.

By faith in God kingdoms have been moved, armies have been put to flight, the violence of fire has been quenched, the sick healed, and the dead raised. In fact the most glorious victories of all history have been by faith. By faith Eleazar withstood the Philistine army "and the Lord wrought a great victory that day." By faith David with a shepherd sling slew the armored giant. By faith Daniel was delivered out of the lion's mouth "because he believed in his God." By faith the leper prostrated himself at the feet of Jesus to arise cleansed from his leprosy. By faith Enoch was translated. By faith. Oh the innumerable things that can be conquered by faith. To the troubled father who had come in behalf of his daughter Jesus said "believe only." And to the troubled, despairing Martha Jesus says "Said I not unto thee, that if thou wouldest believe, thou shouldest see the glory of God." Do you want to see the glory of God, believe God. Yea there is plenteous victory—overcoming victory to the believing ones. Believe God.

We have a small Mission here. The work has not been established long but a few have been gathered out and I am glad to say are getting settled and grounded in the Word. A few have been saved since we came here and we are expecting that more are going to get saved. We have a Sunday school numbering about 30 with a regular attendance of 20. Nearly every Sunday some new scholar comes.

We crave an interest in your prayers. We are in a very hard field but "God is able" He hears prayer.

With Christian love. Yours in His service.

Westville, Okla. Feb. 20

Dear Faith readers. Greeting in Jesus name. Just a few lines to let you know we are still living and trying to do our best for God. Oh how I praise Him for the victory He gives us over sin and the devil. The stronger and cleaner we preach this glorious Gospel the more effect it has upon the people. When we preach it so clean and straight that it makes the devil roar and spread himself, it only gives God a chance to show His power as the great Jehovah. Although the kings of the earth stood up and the rulers gathered together against the Lord and His Christ; yet we know He is the Christ any how, blessed be God forever, and His people continue to pray to Him, (not withstanding the opposition it may bring) to grant

Our Coming One.

I have something sweet to tell you, Of Him who died for me;
How he gave himself a ransom, And hanged upon the tree;
He loved me e'er I knew Him, And chose me for His own;
To be His Bride and share His heavenly home

Chorus

Daily does He feed me manna,
Milk and honey sweet and pure;
And He sends me from His storehouse,
Wheat that's ground to finest flour;
And He gives me oil of gladness,
That does make my heart rejoice;
Bids me sing and praise Him with my voice.

Now I'm waiting, watching, longing,
For my Bridegroom and my Lord;
So He sent His Holy Spirit,
That I should not be alone;
And He comforts and He guides me,
Tells me of my Saviour's love,
That He'll keep me till I reach my home

Several Get to God

Jacksboro, Tex. Feb. 17

I want to report victory in my soul this morning thank God forever. Wife and I stepped off here at Jacksboro on our way to Electra, Tex., where we have been called to begin a meeting, and the saints here asked us to preach Wednesday night which we gladly did and I preached on the second coming of Jesus and that close of the message I made an altar call and several gave their hand for prayer; so they asked us to preach again Thursday night and we preached on Holiness and almost every sinner of a large congregation gave their hand for prayer and 6 remained at the altar and 3 of them were converted and the power of God came like a land slide from the glory world and there was 8 or 10 of the saints shouting and dancing in the Spirit and talking in tongues and about that time in stepped the pastor of this place Bro. Lonzo Jones from Burk Burnett, Tex., and joined in with us and we had a real time in the Lord. He asked wife and I to remain over until Sunday night and preach for them so we gladly accepted and preached again last night and had a number of hands for prayer, 4 or 5 remained in the altar and 2 were converted. We have had a real time every night this week—on Friday night while Sister Gaither was leading the praise service the power began to fall and about 8 or 10 saints arose to their feet and began to shout and dance in the Spirit, among them was the pastor's father who is 82 years old, and as the dear old white headed grandfather began to dance like a young man, the sinners over the congregation began to weep and I tell you I could almost see the glory of God rolling over the congregation. Some people say this dancing in the Spirit is of the devil. Of course when a man just has head salvation he is liable to say most anything but his prayers but when a man really gets the preserving process that Jude 1 and 1st Thess. 5:23 tells us about he may glorify God with his feet as well as head. Well praise God for the real Spirit that goes through and through a fellow makes us glorify God with our feet as well as our head or mouth. Well this is Monday morning and we are still in the fight here and old slue foot is sure chewing and spitting red and declaring there is nothing to that "Holy roller gang," but in spite of him there have been 8 prayed through and there were 8 or 9 in the altar last night for prayer. Pray for Jacksboro. They have a real fine band of saints here and Bro. Jones and wife are what I call real pastors. May God bless you all is the prayer of your brother and sister.

To the Faith readers. Greetings in name of Jesus. I wish to appeal to you in behalf of one of our preachers, Bro. A F Greene, of Caney, Okla. He has been suffering severely with appendicitis trouble ever since early last fall and as yet is not able to do any thing he is greatly in need of financial assistance; having over a hundred dollars to raise soon. Brethren pray for him and if God moves on you to send him an offering address him Rev. A F Greene, Caney, Okla. A little from each of us will help him out. He has a family to support. Yours in His love.

Oh how I love Jesus. Dear Faith paper. I want to tell you all that I am glad that God loved us so much that He gave His only Son to die on the Cross for us. I am so glad His Blood was not shed in vain for me. I remember well a way back in old Kentucky about 22 years ago when the precious Blood of Jesus reached my soul and made me so happy. He sanctified me wholly as a second work of grace and about 12 years ago when Bro. Wilkins was holding a meeting near where Bethel is now, the dear Lord Baptized me with the Holy Ghost and I still feel Him in my soul tonight. There never has been a time since He gave me the blessing but what I could think of Him and He was always present. Oh I love the way with all my heart, and the more love we have in our soul the more love we have for this lost world that is in darkness and sin, and the more we can love the dear saints of God that are spending their life to spread this wonderful Gospel over this great wide world of darkness. I haven't words to tell you how my heart reaches out to God for you all. If I never get to meet many of you in this life I love and pray for you just the same. I can feel the connection with you when I read the Faith paper. I have a brother in Oklahoma City, and I told him to go hear Bro. Beall preach. Pray that he may hear the Gospel and receive it. When I see what sin is doing it grieves my heart and I ask God to help us live close and walk so straight and hold out the light so strong that they may see and understand before it is too late.

FROM BRO. COOK

Dear Faith family, I want to thank God for the blessing, and for one that will keep to the utmost all that will live it. It means so much for a child of God to fight the devil and have grace enough stand all he has to meet with, but I thank God that He has a store house with a good supply. We hear many people talking of the coming of Jesus, but there are so many things for us to notice as we go along, we are commanded to watch as well as pray, but we have too many people that watch the other folks and don’t watch themselves, and they are the very fellow to watch. If people would learn to watch themselves, the other fellow wouldn’t have such a hard time getting along. We see such a spirit as that creeping into the Holiness movement today, and it is my candid opinion if people don’t quit cultivating it, that it will ruin something. We need the brotherly love that all men may know that ye are my disciples. There are too many that have a rebuking spirit that is their ruin. It is all right to rebuke but the person that has not the love of God has no business trying to rebuke. A rebuke out of the spirit of Christ isn’t of God, or Bible, and these kind of people always have their eyes on someone else that they may make a break that will look big in the eyes of the people. But that isn’t what a but Christ is. Surely we are now living in the days of perilous times, when men are lovers of themselves, when awful things are coming on the world, and if I see aright the people that are of such, are not ready to meet it. Those bitter spirits are not going to do you any good then. Paul said they would be lovers of themselves and they are. They will make as though they love you while in your presence but look out when you turn your back. While you are with them all that they will talk about is the other fellow and his faults, but they never mention theirs. The next thing Bro Paul said they would do to boast, they are all right themselves and can see other’s faults but can’t see their own. They never make a crooked step or strain the truth, or do a wrong, but the other fellow. Oh my what if the world was made up with people like they are wouldn’t we have a world. Yes we would have a world but what kind would it be? I know some people who claim to be very strict when someone that is religious is around, but when no one is there their life don’t fit the Bible. If there is any thing that will tire me it is some one that will kill everything around with their tongue. They will love you to your face, and when you are gone they will kill you with their tongue, and at the same time boast themselves. Those people don’t want but about one friend at a time. We have so many fault finders in our land today. If people would learn the golden rule it would be good, and next learn their own business and attend to that. My mother always taught me that it would take half of my time to attend to my own business and the other half to let others alone, and I find that to be true. I never was persecuted for what I did but it was for what others said. Someone meddling with something that was none of theirs. If I can’t help a man I won’t do him any harm. I don’t want to live all this life to myself. If I had to live this life by myself it wouldn’t be worth while for you to have been born. But there is a place for every one, and we ought to learn it and that the other fellow has feeling and has a right to live too. I want to glad some one’s heart as I go along. When you have a burden on your heart never will I get on that burden but let me share it with you; let me have part of it, “bear ye one another’s burdens and so fulfill the law of Christ.” When a man is in distress and trouble that’s when he needs a friend to help him; he has enough to cast him down without some one getting on to make the load harder for him. May God help us to remember that the other fellow has a feeling and has a heart as well, and that he also is a human, not a dog. If there is hatred in your heart toward any human on earth I can’t see from the Bible that you have the love of God in you. Let’s be careful what kind of a spirit you have; if you have a bitter hatred spirit or an old jealous spirit it will grow worse and worse till finally it will make you believe that things sure do happen. Did you know that there is such a thing as believing a lie and being damned; well this is it. Let’s be our fellowman and not hate him; let’s try to do them good, and not harm; let’s seek to help him and not be his downfall; try to be a blessing to him, and not a curse; bless and you will be blessed; you make sad and you will be sad; bring joy, and you will get joy. May God bless all the saints everywhere. And be careful what you listen to and what you say in reply to them, if someone is talking to you about someone it isn’t the right spirit, and be careful how you fellowship it, a child of God can’t persecute a saint neither will a real child of God listen to such. May God burn those words home to some hearts, they are needed.

The death angel visited the home of Bro. and Sister W U McDonald Feb. 10 at 7:36 a.m. and called little Drumon to the sweet beyond. Drumon was the third child in the home. He was born Feb. 10, 1915 died Feb. 10, 1922, making his stay on earth 7 years. He had been sick about two years. He was loved by all. It was hard for his parents to give him up, yet our dear heavenly Father does all things well. Dear saints pray for Bro. and Sister McDonald in their sad hours. Yet this is but a few days and full of trouble. Oh I’m so glad we have a hope beyond this vale of tears. If only in this life we had hope we would be miserable. Glad we are looking and longing for that beautiful home where comes no deaths, no sad good-byes; where God will wipe all tears from our eyes. Bro. T W Vaughn conducted the funeral service. Little Drumon’s body was laid to rest in the Blue Ridge cemetery to await the glorious resurrection morning. They have put away the suit their darling used to wear; he will not need them on earth again, for he is clothed in white linen over there. Jesus is the only one that can take the place of loved ones. May the dear Lord bless the Pentecostal Holiness Faith and it’s many readers. A sister in Him.

3 Receive Baptism of Holy Ghost

Washington, Okla. Feb. 27

Dear Faith family. I want to sound a note of praise for my King. I praise Him this morning for victory over sin and the devil. I just closed a meeting here at Old Washington last night. God gave us the victory. There were 9 saved, 6 sanctified and 3 received the Baptism of the Holy Ghost as in Acts 2:4. The meeting closed with several at the altar and lots of hungry hearts. Bro. McAlister and I were called on to go and pray for Bro. Amos Vaughn and we found him suffering severely and we anointed him and prayed for him and the Lord healed him instantly. I praise Him for His wonderful power, glory to God in the highest. I am sending you 6 subscriptions. May the Lord bless you in your labor for Him and all of the Faith family is my prayer. Pray for me. Yours for the lost.

language he had never learned. And unto this day it staggered men, and many mock. These were devout Jews too that had assembled there, ostensibly to worship Jehovah and yet they could not fathom this. It's the thousands of professing Christians today that fail to recognize God in His great outpouring of the Holy Spirit. To be sure they should have been acquainted with the fact that God was going to pour out His Spirit upon all flesh. But this was an unusual phenomena. They had overlooked that God had said "For with stammering lips and another tongue will He speak to this people"—Is. 28:11. That solves it. It was God in them speaking and speaking with other tongues, for doesn't the record read "and they were all filled with the Holy Ghost and began to speak in other tongues as the Spirit gave them utterance." And then Peter stood up with the eleven to testify. And that is just the Bible order, for Jesus said "But when the Comforter is come, whom I will send unto you from the Father, even the Spirit of truth, which proceedeth from the Father, he shall testify of me: And ye also shall bear witness."—John 15:26-27 It is a noticeable fact that they were all filled with the Holy Ghost, and that they all began speaking in other tongues. And so we find when Peter went down to the household of Cornelius, and God poured out His Spirit upon them, while it astonished these Jewish believers, yet they recognized God had given them the Holy Spirit also, "For they heard them speak with tongues and magnify God." And then at Ephesus when the Holy Ghost was poured out upon the believers there they "spake in tongues and prophesied." In fact it was a recognized initial evidenee of the reception of the Holy Spirit when they began to speak in tongues as the Spirit gave them utterance. And in these last days thousands of people in almost every part of the world have received this same Baptism of the Holy Ghost and spake in tongues. And it's the same great manifestation whether in America or China, whether in Europe or Africa, the Islands of the sea, or India. God is pouring out His Spirit upon all flesh and verifying His eternal truth, for the record reads "For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call." Personally we have witnessed people of varied age, from little children to those of gray hair receive the Baptism of the Holy Ghost, and they all spake in tongues as the Spirit gave utterance, according to the Bible record. Oh hallelujah. It's glorious.

ISOM SPRINGS MEETING

Feb. 23, 1922

A letter from Evangelist E G Murr tells us of the meeting at Isom Springs, which he has been holding. Bro. Murr left the meeting after the 19th, and left the meeting in charge of Sister Annie Carmack, and was to be in Missouri to hold a meeting beginning last night. The meeting was attended with great interest, and the crowds were so large at the last that they didn't have room enough to make an altar call, as the house was full, packed, and the behaviour good. His next meeting is Bado, Mo., starting last night. Pray for this meeting.

HIS COLUMN

"I don't see any harm in wearing this ring." Possibly you do not but the children of Israel got into trouble over wearing such paraphernalia and it finally became a "god." "And there came out this calf."

"And the Lord plagued the people because they made the calf."

God said "put off thy ornaments from thee" "and the children of Israel stripped themselves of their ornaments by the mount Horeb."

When Jacob and his household started to Bethel to erect an altar unto the Lord they took off their earrings and Jacob hid them under an oak. Don't dig any of them up.

Of course if you are an Ishmaelite? Judges 8:24.

"The tongue of the just is as choice silver." Prov. 10:20 How do you use your tongue? Certainly there is counterfeit "silver" and there are vitriolic tongues also.

"And my tongue shall speak of thy righteousness and of THY praise all the day long" ..... "and talk of THY doings." Not my neighbors, nor my neighbors faults, as too many do.

The Bible says "Make straight paths for your feet" not the other fellow's ways.

And it is the best policy to deal with the beam in our own eye first before bothering the other fellow's mote.

"And the men took of their viuitals, and asked not counsel at the mouth of the Lord," and it brought them into many humiliating difficulties. That sounds like many folks who, instead of asking counsel of the Lord and consulting the Word, open wide their mouths and get a lot of undigestible brush instead of the finest of the wheat.

Never be in too big a hurry to ask counsel of the Lord.
