20TH ANNUAL NATIONAL CAMP MEETING TO BE HELD HERE JULY 16 TO AUG. 16

REVEREND CHARLES F. PARHAM HAS RETURNED FROM CALI-
FORNIA AND HAS DEDICATED THE BEAUTIFUL NEW COM-
MUNITY CHAPEL ON TWELFTH STREET AND WILL HOLD
NATIONAL CAMP MEETING HERE.

The annual National camp meeting
has been held in different sections of
the Ozarks, and this year the National
Camp Meeting will be held in Baxter
Springs. The National camp meeting
was held in Joplin three years ago
which was a great success. Crowds
gathered from the local Tri-State dis-
trict from two thousand to seven thou-
sand nightly and many campers were
camped on the grounds to attend the
services. The National camp meeting
which will be held at Baxter Springs,
in the tourist park on Twelfth street
this year is anticipated to be the larg-
est convention of all.

of the National know speakers will be
honorable ex-senator Callahan of
Oklahoma. Mr. Callahan was also
high commissioner under President
Wilson. He was formerly a Metho-
dist preacher and is a very interesting
speaker who will have a number of
pleasing things to tell us.

"Benny" the boy singer from the
western coast will be one of the lead-
ing attractions for the coming meet-
ing. Benny has been in California, all
winter and has attracted great num-
bers with his songs.

There will be three services a day:
10:30, 2:30 and 7:30 with different
ministers and evangelists in charge.
