18 Saved, 18 Sanctified, 4 Receive Baptism of the Holy Ghost in Wagoner Meeting

Wagoner, Okla. March 20

Blessed be the Lord who has blessed us with all spiritual blessings in heavenly places in Christ. The Wagoner revival meeting came to a close last night. I believe there were 18 saved, 18 sanctified and 4 Baptized with the Holy Ghost. Bro. Willis Warren from Choteau, Okla. preached the last 2 weeks of the meeting and God surely blessed him in giving out the Word. There were as many as 25 seekers at the altar at one time. Bro. Warren intends to stay on the battle field for God steady until October, any church will do well to get him for a meeting. The Lord willing he will go to the Greenville school next October. My heart was made glad last night when Bro. Dean asked for the money to send him and the people responded gladly with $10.00 and $5.00 a month while he is in school. Praise the Lord. The young people are more interested in the work of the Lord here now than I have seen in a long time. We are also having good jail services every Sunday conducted by Sister White. The Lord is blessing her in this work. Am sending 11 subscriptions to the paper. A W Smith

God is Blessing the Work in Oklahoma City Mission

The power continues to fall in the Mission here in Oklahoma City and souls are getting through to God. At the last Sunday night service Sister Willard Short preached. Some 4 were saved and one of them got sanctified. Numbers of people have gotten to God the past few weeks. And several have united with the church here. Many heads of families have prayed through and received genuine conversion, then definitely sanctified, and filled with the Holy Ghost, as well as some younger people. Marvelous cases of healing have taken place in our midst. One of them a sister who was healed of tuberculosis and abscess on the liver, after one lung was completely gone and the other almost gone. Of course she shouts and praises the Lord. All the pains gone, after her body had suffered so long. Miraculous, yes. And it seems that God is giving us a token of the wonderful things that He wants to do for us. Having been intimately associated with the work here for near 9 years. I believe am safe in saying that there have been more instant-definite cases of Divine Healing in our midst, and new workers added to the Mission in the past few months than has been in any similar period of time before during the near 9 years. Bro. R B Beall is pastor of this work and is faithful at the job. He appointed Bro. John Sonderegger to look after the street services, and Sister Willard Short has been Continued on next Page

12 Saved, 12 Sanctified, 6 Get Pentecostal Baptism

Roff, Okla. March 20

Dear Faith readers. I am still in the battle for God and determined to stay till Jesus comes or calls. Times are hard but we are still enjoying salvation. The meeting closed at Woostrel. Good victory and good interest, several in the altar, among them fathers and mothers, said they didn't expect to give up till they got saved as they needed God in their homes to help them raise their children. There were 12 or 13 saved, 12 sanctified and 6 received the Baptism of the Holy Ghost at Woostrel. Lots of good saints there and they have a good pastor, Bro. Roberts and wife, they have a desire to see souls pray through. Thank God for a home like Bro. and Sister Roberts' and many other homes at Woostrel. We enjoyed being at Woostrel and have a hearty welcome by all to come back and expect to be with them this summer. I am in a meeting at Prairie View, started the 17th, good interest. One Baptist last night got sanctified and another said he got a blessing hasn't named it yet (and they called his name John.) All pray for me. Your brother. DAVID TROUTMAN

appointed to look after the young people's services. It was our privilege to "listen in" over the telephone on a young people's meeting at Bro. and Sister Scrivener's. They were having a genuine Pentecostal meeting. Souls getting through to God and of all the shouting, talking in tongues they were having it. At the last Foreign Missionary meeting the Lord gave us a good service and over $60.00 was sent to help spread the Gospel in heathen lands.

There was an attendance of 202 in Sunday School March 26. At the Sunday night service many were unable to find seats. And it is that way most every Sunday night. At the Tuesday night service, March 28, the power fell on the altar service and 2 were sanctified gloriously, and one of them receiving the Baptism of the Holy Ghost also.

AT PONCA CITY

Ponca City, Okla. March 27

We have been having some blessed services here, just some real feasts with the Lord. The saints shout and dance and the sinners look on with wonder and tears. One girl was saved a week ago last Sunday night and was sanctified Tuesday night and is seeking the Baptism. There is one Nazarene woman seeking the Baptism. Pray for us that God will bring us out over the top with victory. Also I wish to ask every body to pray much for the church building here, we owe $300.00 on the lots yet. We have it all pledged but about $175.00, and it is all due in May. Pray that God will provide it some way. As ever, your brother and sister. K E and Anna Jolliff

There was an attendance of 57 in the Pentecostal Holiness Sunday School at Ponca City Mar. 26.

PROVIDENCE—LEBANON

Lebanon, Okla. March 24

Dear saints. I feel like sounding a note of praise to our King. This morning finds me saved and in the fight against sin. Just closed a 2 weeks meeting at Prov-

idence. Indeed it was a hard battle against the powers of darkness; yet God blessed and some prayed through to real victory. It seemed that God gave me extra anointing in giving out the Word to hungry hearts. I expect to go back there for a meeting in July. I am now in meeting near Lebanon. The Lord is blessing. 2 sanctified last night, others seeking. This is a new field for Pentecost, some are hungry for the experience. God is sending His Word to hearts, sinners seem to be deeply convicted. The harvest truly is great, but the labourers are few; pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.—Luke 10:2. Indeed it takes the real power of God to reach hearts in these closing days of time. People are hungering for the pure Gospel. May God bless the saints everywhere. Pray for me that I may ever do the will of the Master. Your sister seeking the lost.

FROM BRO. STARK

Mountain View, Okla. Mar. 24

Glad this morning to say that I have victory in my soul and a determination to go on with the Lord and make heaven my home. Since last writing to the paper have been in a few meetings and God blessed. Was at Wagoner 2 weeks and God wonderfully blessed, several got through on different lines, for which I praise God. Oh how I love to see folk come to the altar, pray through till the light of heaven beams out of their very countenance, glory to God. Well, have had the flu, but can say God has healed me. Glad for healing in the Atonement, bless the Lord. Just closed a few days meeting here at this place last night. God gave us some precious services, thank the Lord. Glad to say this church is in very good condition, praise the Lord and God is blessing them, and it surely has grown since I was here last. Think the pastor is doing fine for the chance as he lives so far and only comes once a month but God is blessing his labors and surely they have some real good here. praise the Lord. Services closed last night with a fine spirit, glory to God. I go from here to Mt. Park today.

Will be in this part of the State visiting churches until April 15. So I ask all the readers to pray that God will bless me and make me a blessing to every church. Enclosed you will find 9 subscriptions for the paper. Your brother in the Lord, out for lost souls.

AT MOUNTAIN GROVE

Mountain Grove, Mo. March 21

This finds me in old Missouri. Just closed a meeting and considering the bad weather, the meeting was good. The Lord blessed. On last Saturday night I was stricken with a bad affliction. For three hours it looked like that in spite of all I would die. The Pastor, H D Montgomery and wife and a cousin of mine, Jack Murr, held on to God for me and after holding on for 3 long hours, the Lord wonderfully healed me. Thank God for such loving care. Bro. and Sister Montgomery sure are fine, and they know how to make a brother feel welcome in their home. May God bless them in their work here in Missouri. I am at my Sister's Oma Smith, visiting for 24 hours which I am enjoying. Will leave tomorrow, the 22nd for home. Will be in Shawnee, Okla., for a meeting, starting March 25. On April 14 will start a revival 10 miles west of Snyder. May the Lord bless you all.

AT DILLARD

Healdton, Okla. March 25

Have just closed a two weeks meeting at Dillard with Bro. Offutt of Sulphur. The battle was hard; the devil contested every inch of the ground, but praise God, He gave the victory. Several prayed through. Some professing Holiness were dug out and made up with their brethren. One Nazarene Sister got Pentecost. Bro. Offutt did some good preaching and God wonderfully blessed. The meeting closed with victory.

I am at present in a battle for King Jesus at Healdton. Interest good. Pray for us here. We have a good band of saints here and at Dillard. May God bless the Faith family. If any one desires to write to me about the Lord's work be glad to be at your service. Your brother out for lost souls.

AT SULPHUR

Mead, Okla. March 15

I have just returned home from Sulphur, Okla. God gave us a great victory there, bless His name. I was there in time of the storm, I am sure you have heard about it, on the 13. Well it sure was a good time to keep saved thank the dear Lord for His kind providence. We closed the meeting on Sunday night and the storm came Monday evening about 3:30 or 4 o'clock. I never did see such a smash. I do pray God to bless folks and help them to prepare to meet the Lord. We had a real good meeting, several prayed through, some to pardon and some sanctified and 2 received the Baptism of the Holy Ghost. Well I don't want to make this report too big, I want to tell the truth about it. I never did enjoy trying to preach the Word any more than I did there, the church was all in good working order ready to do anything they could to help some one to the Lord. Please remember the church in your prayers they have no place to worship in now, the Court house was wrecked in the storm. It sure was a nice place, they had Sunday school and prayer meeting regular and preaching. I do pray God to open up the way for the saints to have a place to have service. I thank the Lord for the Faith paper and I do not want to miss a copy so enclosed a money order 50 cts for my renewal for another 12 months. Yours in Jesus name.

C L SMITH

Sulphur, Okla.

I am glad to know that today I am saved and sanctified and the Holy Ghost abides in my soul. We are so glad for our meeting that has just closed. Sister C L Smith of Mead, Okla. gave out the blessed Word of God under the anointing of the Holy Ghost. Every one who heard her seemed to be edified and many hungry souls were inquiring about Pentecost. Some received their Pentecost during the meeting and some were saved and some sanctified.

We all feel that God gave us a blessed meeting. I can hear people say in different places in town that they sure liked that kind of preaching. I know that God blessed me. I am glad that I know the devil was defeated and said many hurtful things about us, never the less God kept charity in our soul to keep us loving them that would not come out and prayed for them until the house was full. We hope to have Sister Smith with us again some time, she helped us much in the church. We feel like she was at her best and preached the Word so straight and sweet until united with the church and one Bro. Furgison received the Baptism of the Holy Spirit and spake in other tongues as the Spirit gave him utterance. Of course we love in each church the God that is in me loves the God that is in you and if you come my way brother or sister I will show kindness to you. Oh how I delight to help poor sinners to God and believers sanctified and clean hearts receive the Baptism of the Holy Ghost. I know that sometime we will go out to meet God and I want to do all I can for my blessed Saviour while I am here and then I will be able to say that I have done my best without the respect of persons, glory to God. Pray for both churches that I am pastoring, Happy Hollow and Sulphur. We are getting along fine and our fellowship is perfect in both churches. One new member united with the church at Happy Hollow the last appointment. God bless you all. Yours for Pentecost.

AT PARSLEY HILL

Electra, Tex.

I am always glad to read a copy of the Faith paper. We closed our meeting near Vernon last Friday night. Had a hard pull there as Pentecost had never been preached there very much before. There was some reclaimed and a few saved and several healed. We had a good time and made many friends while there. We never was treated better in our lives than we were at Parsley Hill and we never will forget the kind treatment of dear Bro. Rudolf Streit and family, also Bro. A J Moore and the 2 Bro. Box and families, Bro. R R Cantrell and Bro. McNabb and others whose names we have not space to mention. The house would not hold the people. Bro. D A Lane of Electra. and Bro. D P Thurmond of Bridgeport helped us in the meeting and when we closed there were 3 car loads of the good people came with us to Vernon, where Bro. Dorton of Electra met us and brought us over to Electra and we are now in a meeting here. Bro. D A Lane and Bro. D P Thurmond are with us here and other preachers. Saints pray for the faithful few at Parsley Hill that God will keep them true also this place. As ever.

Reports of Meetings

AT SULPHUR

Sulphur, Okla.,

Praise the Lord for ever and ever. This morning finds my soul rejoicing in my Saviour. I am real glad that I found this wonderful way. It's a beautiful way: it's beauties outshine the sun; the Holy rays of this wonderful way reaches out to every part of the globe, glory to God; reaches dark India, yes and black Africa, and yellow China; reaches every Country and every Island and thank God it reaches American Indian like me and I love this way, because Jesus passed this way before. My soul rejoices because of the presence of the Lord. I love to tell sinners about my Christ and about the salvation of our God. When friends have forsaken you, old grim death has called all your loved ones away, your enemy has hurled his darts at you; this cold world has turned its back on you, though wife, children, father and mother, sister and brother forsake you; Jesus still loves to the end and will never forsake nor leave us. I am so glad I said "yes" to the whole will of God. About September last year after we had returned from Conference the Lord put His approval on a little band organized in the way of Pentecost. Not long after a little Sunday school was organized, praise the Lord. The Lord has added to this Sunday school wonderfully. The enemy has been fighting us; trying to get us to believe the progress of the Lord's work but praise the Lord, victory came. The blessing were to the overflowing and God's power so wonderfully manifested. We had been praying for the Lord to send some one to Sulphur to preach Pentecost. Sister C L Smith came in answer to our prayers. I'll tell you she didn't fail to preach it straight and clean. There was no compromising nor sugar coating, but "thus saith the Lord." I truly thank God for some of God's tried gold. I sure love to work with them. They are real soldiers for the King.

I held a meeting in Seminole, Okla.; for Bro. Pinkston the pastor there, and we certainly had a good time. Many souls found God. I sure love Bro. Pinkston and the good people there. I then came to Elk City, Kans, and visited Bro. Stinson and the church there. We had a real good time at Bro. Stinson's, also preached for the church there. Then came on to Iola where we entered a battle in Goss City, with most all discouragements. But dear Bro. Bickwell's gave me a nice home and a good welcome, and God gave us a lot of Gospel to preach to those people there. There are many doctrines gone into the world and have lodged in that place, but I find some of the salt of the earth there. Saints pray for me that I'll stand true to God. Amid all the trials I feel the fire burning on the altar of my heart. I never felt any
more like going through in my life than I do now. I wouldn't give this holy way for all this world. God has made me every thing that I am. I feel that pret-
tty soon the trials of this life will all be blown over and we will pass to one eternal day. I feel encou-
aged to go on in this bless-
ed way. Pray for me saints.
Yours looking for Jesus.

WOnderfully healed

Chandler, Okla. March 20

We are praising God tonight for victory through the Blood of Jesus. Last Wednesday just be-
fore dawn I had a vision of a great serpent that was after one of my children. It was made
plain to me that it was my eight month's old baby. Also in the vision that I killed the serpent.

So that day about 12:30 wife sat in the high chair by the window where there happened to
be some water color paint. She drank some of it, and as it was very poisonous it soon took ef-
fect. We prayed for her and anointed with oil in the name of the Lord and after some little
time we got the victory; the Lord touched her body and raised her up. During the time she was
lifeless and cold and as she was dead. That night she got worse again. Bro. Bank Byns of the
Rossville church was here, we had prayer service for her and the Lord answered. Then Thurs-
day morning grew worse again, had some of the Rossville saints to come this time and it appeared
that the healing was definite.

On Friday evening they sent for me to go east of Sparks to pray for an old lady whom the Lord
wonderfully healed. She had lost the use of her body from her waist down, the Lord healed her,
she came out of the bed shouting and praising God. While out there wife phoned that baby was
worse so there was two of the brethren came home with me. We had services for the baby and the
Lord healed her. All the praise be to God. So dear saints you see we must persevere and
remember Elija prayed earnestly. He was a man of like passions as we are. The Lord said
"These signs shall follow them that believe." Your brother in

E L NEWBY
Dear readers of the Faith. I have been silent through columns of the paper, but not silent in the service of the Lord. I have moved into a community where Holiness is not plentiful. When we first began to preach people were greatly astonished at us and seemed distant toward us, but they are beginning to realize that we are only pointing them to the "old paths" and the great high way of Holiness. We mean to do our best and preach a clean way. Yours in His service.

Dear brothers and sisters in Christ. Will send a word of praise for my King, glory to Jesus. I am really glad that He ever convicted me of my sin, and I yielded myself to Him. Have only been in the way a short time but praise His name I find it sweeter than all the years spent in sin. There isn't any Pentecostal people here, except my mother-in-law and myself. So we have the battle alone. God is able to take us through victorious. Pray for my companion her out in sin. A sister saved, sanctified and the Comforter abides, looking for the soon coming King.

Mrs. G A Wallar

Dear Faith readers. This evening finds me still saved and sanctified and want the prayers of all who read this, that I will get the Baptism, and ever be found humble at the foot of the Cross and I want all of you to pray for my little girl she is 3 years old and has been paralyzed ever since she was 3 months old and we are trusting the Lord for her healing. My husband is saved, sanctified and the Holy Ghost abides in his soul and we have some good times all by ourselves in our family prayer. We have prayer meeting at Bro. Autrie's every Tuesday night and once in a while Brother Dave Troutman preaches for us. I have been a reader of the Faith a good while but this is my first time to write. Pray for me and my family.

Your sister under the Blood.

Sarah Emma Cooper was born Dec. 16, 1900 in Chatauqua Co., Kans., and died Feb. 10, 1922, in Seminole Co. Okla. She moved from Kansas to Oklahoma at the age of 10 years and lived near the town of Seminole until her death. She became a Christian in her early childhood, later on was sanctified and lived a devout Christian life. She taught school in Seminole County about three years. Funeral services were held and her home conducted by Rev. J P Pinkston, pastor of the Pentecostal Holiness church at Seminole, Okla.

Maudie May McDonald our precious little Sister and the little daughter of Mr. and Mrs. W C McDonald of Calvin, Okla. was born May 2, 1919 and departed this life Jan. 19, 1922. Her clothing caught fire from a fire that was burning in the yard and before her mother could reach her and put the fire out her dear little body had just burned nearly all over. While all was done that loving hands could do the death angel came in a few hours and relieved her suffering and carried her where there will be no more suffering or dangers. Only our kind heavenly Father knows how much we miss her baby blue eyes and her little prattle and presence here, and the mother's and father's grief and sorrow for their little one is great. But we are praying daily that our home will be unbroken in heaven. She our precious darling has only joined the dear ones who has gone on before and she can't come back to us but how sweet to know that we can go to her. Pray for the dear father and mother. FROM BRO. PINKSTON

Seminole, Okla.

Dear Faith family and all the churches in the Oklahoma Conference. It is a great thing to have faith in God, and utmost confidence in our brothers and sisters and those that do not complain when our offerings are short. We have Bro. Evans as our Conf. superintendent and let's stand by him with our money, he is a man that I have never heard complain; but I have learned he has visited two churches asking him to come and never got enough money to pay his car fare. Now if our evangelists can't get their support and have to stop and go to work to support their families, let's not send for him to come to our church without making up his car fare and send it along with your letter and then give him enough to send home to his family. We say well Brother, times are so hard now and money scarce we can't do any thing, how about him and his family, we all expect him to go it don't make any difference how scarce money is and if he don't, then we will say well the Superintendent hasn't done his duty. Now I am not scolding you that do this but let's see to this and be more prompt from now on I very well know his financial condition, May God bless you is my prayer. Your brother in Jesus.

AT SHAWNEE

Under date of March 28, Evangelist E G Murr writes us from Shawnee, where he began a meeting last Saturday. "The meeting started off nicely, large crowds, and lots of people asking for interest in prayers." Bro. Murr is pretty well worn out in body, so pray for him, as he is on the go preaching Pentecostal Holiness over Oklahoma and into Missouri.

Shawnee, Okla. March 22

Dear Faith family, Greeting in Jesus dear name. On board the train for the south east part of the State to labor for the Master, arrived at Shawnee this afternoon. The dear Lord began to use me to His glory, giving out tracts in the depot and exhorting backslidden, troubled hearts to return unto the Lord. Met an old friend and brother in Christ, went home with him for supper and went to the Mission and run into a real live meeting with Bro. E G Murr. Had an interesting testimony meeting. Bro. Murr preached a wonderful sermon. The saints began to shout and dance and the altar filled up with seekers for the Baptism, among them a U B preacher. So thank God for victory tonight and for hungry hearts for the real old time way. Pray for me. Your brother seeking the lost E Boys

AT LINDSAY

Sis. Edna Frankenberg writes us of the meeting held at Lindsay by Evangelist E M Offutt, assisted by Bro. Maxie Poythress, and also Sister S M Weatherford. She states: "28 saved, 10 sanctified and 7 Baptized with the Holy Ghost, as in Acts 2:4. Closed with good attendance. There was not standing room and the building seated about 600 people. We sure had a good time with the Lord. This was Bro. Offutt's 4th meeting at Lindsay. At first he couldn't hardly get a place to put his tabernacle, and this time he had a building on Main St. Praise God. People are seeing the light at this place at last."

URGENT APPEAL

To all the Pentecostal Holiness Churches and the people of our Conference. Please take note of the needs of our work at Gowen. As the recent storm there wrecked and demolished many homes and literally tore the building out of our church house, they are in great need of assistance from any and all to rebuild the church; since no place can be had for worship and for Sunday school. And all the church houses were razed. Heed the Golden Rule and send an offering there to the church, Sec. and Treas., Mrs. Willie Caudron, Gowen, Okla., Box 73, also pray for the saints there. Yours for His service. Dan W Evans

Conf. Supt.

Under date of March 19, Evang. C Messer writes of his father's death, and says "If ever a man died in the Faith he sure did. He didn't take or rub on one bit of medicine and he said he was ready to meet Jesus face to face and those of his that's gone before. He died Dec. 22, 1921, leaving a wife, one son two daughters and a host of friends to mourn his departure. The funeral was conducted by Bro. Howard.

Bro. and Sister Howard are sick. They request prayer. Do not forget it please.

Bro. M L Dryden and Pastor Walter Harris were conducting a revival up till March 13th and a tornado ended the revival. It took the Mission away and the Baptist church too and the Catholic church was badly damaged. Up until last night 11 have died, many wounded, about 50 houses have been broken in pieces, but not one of the saints suffered a scratch, thank God. We want to rebuild the Mission again. There are only 4 men that belong to the church, 2 of them are able to work and only 1 out of the 4 that has work and I can't help a hundred, but a hundred can help one, now brothers, sisters send your dollars, 5 and 10 dollars in to Mrs. Willie Caudron, Gowen, Okla. Send now in 15 days. Everybody send something."

Dillard, Okla. March 14

I thank and praise God tonight for a time of Pentecostal Salvation. We are in a fight for God and in battle against sin and the devil. Bro. Offutt is here with us in this meeting. The Lord poured out His Spirit on the people. The altar was full last night. The saints are rejoicing and shouting and dancing, glory to God for old time repentance. I am saved and sanctified and the Comforter abides.

ACCIDENTS

A horrible accident occurred at Newalla when it is believed a can of gasoline exploded in the home of L M Harder. In order to keep them from being burned up in the building it was necessary for Bro. Luther to carry his wife and 2 children out at one time, another child escaping alone. Both Bro. and Sister Harder and 2 of the children were burned horribly. One of the children died the following day, and Bro. Luther died March 23. His body was buried in the Pilgrim's Rest Cemetery. Before his departure he had a bright experience of salvation and rejoiced in the Lord. Pray for his wife, who has been in a precarious condition, but is somewhat better at this time.

Sister J K Forbes (formerly Susie Taylor) was seriously injured in an automobile accident near Cashion recently. In a letter to us she says "I am feeling pretty good now, can walk a little on crutches. The Lord has wonderfully touched my body, and I believe by trusting Him I will soon be all right. I am glad that I felt the cleansing Blood of Jesus over me when I was hurt. Please request prayer for me in the Faith. I know nothing but the power of God will ever make me well again."

HIS COLUMN

Gossip is putrifying to the soul; but praise is comely to the upright.

A fault-finding disposition is one of the first earmarks of a backslidden heart.

Yes, Love covers a multitude of sins (1 Peter 4:8); Jealousy is cruel as the grave (Cant. 8:6); envy the rottenness of the bones (Prov. 14:30). Give us love.

Don't let the devil use your ears for a dumping ground. It will breed "flies" and "gnats" and "mosquitoes" that will "spoil" your soul, and destroy the sweetness out of your life.

If you want to be blessed in testimony, forget your trials, and hide behind the Cross and exalt Jesus. Exalt His Blood, His Grace, His Power, His Presence, and His Soon Coming.

Some folks don't seem to get much beyond telling the devil done this and the devil done that. Of course they don't shout. God says resist the devil and he will flee from you. Exalt Jesus, live it and talk it and the glory will roll over your soul, and your face will shine and the folks will get blessed when you testify.

For that harshness—let the Holy Ghost submerge and saturate your heart with the Love of God.

Live close enough to Jesus for your soul to be so filled with blessing until it will sweeten the lives of others.

"Chips" and "bark" on your shoulder will be a breeding place for worry, fret and stew.

A suspicious or evil thought against a brother is like yeast in the dough. It sour, ferment and will permeate and pollute your mind and heart.

Don't dwell in the chill laden atmosphere of the swamp of gossip and doubts and surmisings, near the slough of despond. There is a place on the mountain of glory for you where the atmosphere is serene, pleasant and sweet, laden with the breath of God's love, surcharged with faith, power and glory.
