A Personal Talk

There is something we wish to speak of tonight, and we want to speak it to you personally. Wish I could see you face to face and tell you about it, it is something that burns in my soul. And that is concerning the "other fellow." I mean the pitiful, sorrowful, eternity-bound millions of heathendom that are dying without the Gospel, and dying lost. My soul is too full to tell you the yearnings of my heart, but do you know we are falling far short of sending the Gospel to them as fast as we ought. Don't say times are hard. I know that. But hell with its lake of fire and brimstone is terrible. God help us. Who wouldn't sacrifice and give something anyhow to keep a soul out of hell. A Stratford mother viewed her son's body at his funeral in Oklahoma City and threw up her hands and praised God and shouted because her son died saved. A heathen mother throws up her hands and wails because she has no hope. You kneel down and worship the Lord for the good salvation He has given you. The heathen kneels down in sorrow to a dumb idol and yearns for a hope that he never finds. Oh the millions of yearning hearts, reaching out for a ray of hope they cannot find. Grooping in darkness for an outlet they never find. And you—you have the key. You can send the ray of Gospel that will penetrate hearts and send the sunshine from Heaven into the souls of these yearning ones. One poor woman told a Missionary in India "Tell your people how fast we are dying, and ask them if they cannot send the Gospel a little faster." Can you, brother or sister help send it a little faster. God grant it. We can if we will. Did you know that scores of people are failing to repond to this call for the Gospel. Scores of saints are failing to hear the call of Jesus to "Go ye into all the world and preach the Gospel to every creature." Come, let us respond. Let's sacrifice. Let's give something. Less than half of our churches are responding to this call. Has the Lord got your church recorded as a Missionary church that responds to His "Go ye" commands. How many times has He put you down on record in Heaven as giving to send the Gospel to the yearning ones in heathen lands. God bless you.

Letter From China

Below we give a portion of a personal letter received from Sister Anna Deane Cole.

Feb. 16.

All of us are well and enjoying health. My health is better than it has been for years. Am sure it is God that has touched my body, and I am sure many of God's children have been praying for me.

We have been having a revival. Am glad to tell you that we feel the Christians were lifted up and got deeper in God. The night services were very good. There were from 3 to 6 at the altar nearly every night. I mean heathen men. Sometimes I could not help from crying for joy, because they had never bent their knee to God before. We are praying that they will continue to go on with God.

Often I think of the good time I had there in Oklahoma.

The Lord laid it on my heart to do some work among the Sanpan people. It is such an interesting work. I have been going out there twice a week. We hire a little boat ten cents per hour and go from one boat to another and give out tracts and tell them of Jesus. I hope that we can soon have a boat built for that neglected work. Then we can have a school in the day on it and services at night. The boat people are a separate people. They do not mingle with the land people. Therefore in order to win them for Christ, we must have a separate work. In order to do this it will take a boat for school and service. Do join us in prayer that God will give us this Gospel boat. It will cost one thousand dollars U S A mon-

FROM BRO. STARK

Clinton, Okla. April 10
Dear readers of the Pentecostal Holiness Faith. Greeting in Jesus name. Glad to say this morning I am still enjoying salvation from sin, glory to God. I have had the privilege of visiting 3 churches since last writing, Mt. Park, Elm Valley and the church at this place. The Lord blessed in each place for which I praise God. Found them all in good condition, and the most of the members on fire for God. The Lord wonderfully helped us in handing out the truth of God and can say they seemed to enjoy it, bless the Lord. Some got through most every place. At Clinton one young man came to the altar and was only there a very few minutes until he arose with victory and praising God for saving him. Can say that I certainly enjoyed this trip in the western part and believe God blessed the visit to each church. And sure found some at each place that are pure gold—even refined gold. Glory to God. The pastors at each place seem to be doing their best and have their work at heart. Have had the privilege of meeting many friends at each place, that I have known before and was sure glad to meet them and to find the most of them still standing for God and this truth. Well I go from here to El Reno today and will be there until Saturday the 15th, then go to Seminole for Sunday School Convention, and then home Monday 17th, being absent from home one month. Oh so glad to think of getting to be at home with my family for a few days. Will go Friday 21st to Alabama church where I am pastor. So pray God will bless in laboring for Him. Now am sending in 13 subscriptions for the paper. I thank God for the little paper. Pray for me. Your brother saved, sanctified and the Comforter still abides, thank God. S E STARK

AT LINDSAY
Lindsay, Okla. April 4
I want to report more victory here in Lindsay for our coming King. Bro. Offutt was with us again for a week end meeting. Last Friday night the power fell during the beginning of the song service and one sister danced in Spirit, all the saints were blessed as they lifted their hearts to God in adoration and worship. On Saturday night several came to the altar to seek the Lord. One lady received the Baptism of the Holy Ghost, praised the dear Lord. Sunday afternoon Sister Carson opened the service by reading the 7th ch. of St. John followed by a free for all prayer. The anointing came on Bro. Offutt. I wish the whole fallen world could have heard the Scriptures brought forth by the Spirit of prophecy. At the close of the service 6 came to the altar, 2 received the Baptism, with the evidence, bless the Lord. At the night service hekinen the folks that are trying to get by in this life as holiness and carrying along a lot of pet sins or weights that doth so easily beset us (Heb. 12:1) Several came to the altar and got sanctified. I bless the dear Lord for the way He leads His dear people, and these here at Lindsay will be rewarded by Him for the way they came forward and put their offering on the Bible for Bro. Offutt, to take him and his wife, and Sister S M Weatherford, that precious worker for the Lord, back to Sulphur. Pray for the work at Lindsay.

AT SHAWNEE
Report of meeting at East End Mission at Shawnee: Praise the Lord forever and ever. I am saved and sanctified and filled with the Holy Ghost. I am so glad I said yes to the whole will of God. We have been having some blessed services here. We're having the real Word of God. Have had a wonderful meeting, and God has wonderfully blessed. Most every night 2 received the Baptism of the Holy Ghost as they did on the day of Pentecost. Bro. Murr left last night for his home, however the meeting will continue for a while as there are still hungry souls seeking God. We had been praying for God to send us some one that would declare the whole counsel of God, and God sent Bro. Murr this way, praise God for Bro. Murr. We had a fight with the devil all through the meeting. We have seen devils cast out and people healed, praise our God forever. Bro. Murr is weak in body, but mighty in Christ. Will ask everybody that prays to pray for Bro. Murr's body as he goes forth to do God's will. Yours in Christ.

AT STRATFORD
Stratford, Okla. April 10
Dear Faith family.Greetings in the name of Jesus. Just a word of praise "Unto Him that loved (loved) us, and washed us from our sins in His own Blood." I wish to thank God for Jesus, the Plan of redemption, the Bible and the Spirit to reveal the Truth to us.
We have just closed our study on Revelation with the church at Stratford, and despite the fact of much rain to hinder the attendance the Lord blessed beyond measure; the interest grew from the very first and yesterday and last night God was wonderfully in our midst. I am sure we are all more encouraged to press on to the end, and enjoy the bliss of the Everlasting Ages. Amen! One thing I thank God for, that is we had several of the preachers and prospective preachers in this section to attend—some attended every Lecture, I am very confident these are the days that God desires us to know the truth of this blessed Book. May God bless the editor and each reader is my prayer. Yours for His

DAN W EVANS
Dear Faith readers. I just want to add my testimony to the little paper. I enjoy the paper and the good testimonies of others. I, with other workers, began a meeting at Canton, Okla. Mar. 14th and closed the 28th. God sure blessed in giving out the Word. The house and yard was full most all the time. 11 were saved and 8 sanctified through the Blood of Jesus. 5 received the Baptism of the Holy Ghost as in Acts 2:4. Two little girls while under a burden for a girl at the altar to get saved, they both received the Holy Ghost and began to speak with tongues and magnify God. Sinners melted under the power of God and called on Jesus. One young girl received the gift of the Holy Ghost; after she raised and stood up as we would ask her questions she would answer in another language. The last Sunday night there was 7 at the altar and 1 sanctified before meeting. God has some pure gold saints there and they are of one mind and one accord and stand for the one faith. One Nazarene family attended and a daughter got saved and sanctified and 9 a few nights she was up for the Baptism. She said she was going through. Her father said it was all right, but he hasn’t made a move himself. While God was working the devil worked too, and one night some young men left the meeting for a dance and while riding a freight train one boy lost his hold or jumped and one arm was torn off and his left limb cut off just above the knee. They took him to Okene to the hospital where he died next morning from loss of blood. They said if he had got well they would have to take the other limb off too as it was in worse shape than the other one.

One lady who was there a few minutes after he was found said he cursed until they took him away. He told them to tell his mother he still loved her. If he ever called on God it was unknown. It was sad indeed to see those parents who were unsaved and will not listen to the Word of God. But my prayers are that God will get a hold of their hearts and save them.

Jesus proved Mark 16:17 for us. Myself and another sister were called to a place where a girl was possessed with an unclean spirit. I asked all that wasn’t under the Blood to leave the room and father, mother and all left but one sister. One by one they left her body, the last one I took the Word of God and placed it on her head in the name of Jesus and it moved down until at last I placed it on her feet and then it passed on as the Word would touch her. The spirit of the devil would tear her. After the last one had come out she said it was done and asked for a drink. She said she was empty Matt. 12:43-44. Praise God for the signs following. I am not rejoicing in that devils are subject in His name alone but am rejoicing this morning to know that Jesus has written my name in heaven Luke 10:20. I am going all the way and preach the Word 2 Tim. 4:2. We had some wonderful healings in this meeting. I am sending 5 subscriptions. May the dear Lord bless the paper and readers.

MABEL ADAMS

Wewoka, Okla.

I want to praise the dear Lord for what He is to me. I feel His dear presence with me. I have been used to going to church and testifying for the Lord, but have not got to go much this winter my health is so bad and it is hard for me to stay at home and not go do what little I can when we are so much to be done. Oh if we could all wake up to the fact to how the world is going today and what great loads the dear saints of God are carrying that are holding up this Gospel. If every one would share their part and get close enough to the Lord where they could have a burden to pray the Lord would bring things to pass and it would not be so hard on our pastors and evangelists and we could have more deep things of the Lord, but it keeps them a part of their time trying to get the church to line up and help pull the load and then they won’t work. Oh I tell you, my dear people, the time has come when we have got to let our light shine or we can’t stand. We can’t live a half way Christian life this day and time, for as we receive the light we must walk in it. Did you ever think what it took to live a holy life. It takes living it every day just like you do on Sunday. Some folks claim to be Christians and never pray at home with their families. I tell you if you are living where God wants you to live, you will have a burden to pray at home. I get just as hungry to pray as I do to eat. I used to when I would go to pray, I would all the time be praying for myself, and I would look around and see so many that I thought a Christian ought to have a burden to pray for and I went to ask the Lord to help me get through with self and get strong enough to pray for some one else, and now I do praise the dear Lord that He has given me my desire. I love to pray and help pull the load for there are so many that faints and falls by the wayside for the want of help. Oh dear saints if we can’t preach we can help them that does, with our prayers. Many a burdened heart they carry that you didn’t know about unless you are deep enough in the Lord to feel it. Oh I tell you God wants us to have so much love in us that we will love and pray for each other and help bear each other’s burdens. We sure do have some good deep meetings at Bethel. our pastor has drilled us on all these lines and I praise the Lord for it, Many preachers fail to do their duty on these lines. If our pastor leaves out anything we can’t see it. Well praise the Lord, Please pray for me that the Lord will heal me. Your sister in Jesus.

INTERCESSION
And he said that there was no man, and wondered that there was no intercessor.—Isa 59:16.
We feel that at this time much should be said in regard to intercession, for without intercession the people will fall away and darkness will prevail. When we look at the condition in Israel at the time of this statement we can see the fearful results when there is no intercessor. They were at this time fearfully backslidden. It is strange that only as God can find intercessors does His kingdom advance. Never did it seem that there were many intercessors at any one time, nor does it take many, for one man who can really intercede with God can revolutionize kingdoms. He who would intercede with God must know something of the great compassion Christ had for the suffering, withering masses, and be able to see their needs. Self will no longer be the shrine of his worship. He will have a passion for God's will, meditate upon it day and night, welcome it in all its manifestations. It will be easy for him to put self aside because something infinitely superior to his own will has been offered him. He has got a view of the Divine will, which has satisfied him of it's supreme loveliness; and perceiving that self-abandonment is the necessary preparation to attain this better thing he will have but little difficulty in putting self entirely away.

He counts it not sacrifice, but investment; not loss but gain. He has discovered that by going down he goes up, he who gives all gets all and in his service pain is gain. That which is highly esteemed among men is abomination in his sight. The things of time do not interest him greatly. He lives in and for the unseen, beholding the invisible. How many will qualify for this most sacred calling? Not many, but oh how abundantly will the grace of God flow into that heart which will thus yield itself to God. Oh that we might know how to pray.

A woman out here recently told a missionary, "Tell your people how fast we are dying, and ask them if they cannot send the Gospel a little faster." Another one said after hearing the Gospel for the first time, "Oh, tell us again who He was, and tell it slower, for we forget so soon." And the others who cried, "Where does Jesus Christ live? Tell us so we can find Him!" And the others when they were told that Christ died nineteen hundred years ago, exclaimed, "Why is it that we have not heard of Him before?"—Benares, India, Pilgrim's Progress.

HAPPY HOLLOW MEETING

Ro. 9, Okla., April 4

I am at Stratford to be with Bro. Evans to hear him on the Book of Revelation, came up yesterday. We had a very good meeting at Prairie View a week. The Baptists claimed they had a date ahead of us for a revival meeting but now they have it into a debate between them, and the Christians (or Campbellsites), haven't heard of anyone being saved over there yet. We came over to Happy Hollow church and held a meeting until last night. Were sanctified at Prairie View; I saved, 2 sanctified and 1 received the Baptism of the Holy Ghost at Happy Hollow. Expect to go back to Prairie View the 10th for a 2 weeks meeting or about. From there to Blue Mound, southwest of Pontotoc.

As I never entered your paper before I beg a place in your circle this morning to sound a note of praise for King Jesus. I praise Him for His saving power, bless His name and for that love in my heart for poor unsaved souls that I never felt until Gods so wonderfully saved me, praise His name. I feel the glory rolling in my soul. Praise God for the Bible, and also for sending Bro. Murr. He has been with us 2 weeks and he has sure been giving out the Word under the anointing of the Holy Ghost. It has certainly been soulfood. May God bless Bro. Murr in his work and keep him humble that God may exalt him. I request an interest in your prayers for us that God will lead us to His own glory. We have been in the way of holiness nearly 8 years. My husband has been preaching nearly 4 years. Pray that we may stand true till Jesus comes. Your sister saved, sanctified and Baptized with the Holy Ghost and looking for Jesus to come.

Mrs. P. D. Montgomery

Dear Faith family, I am praising God for victory in my soul just now. I am more determined to go through this than ever before. I want to be a live stone in the building not a dead one. Glory to His name. Still saved, sanctified and holy. Pray for me and my family.

HOLINESS

Holiness Is it a sound Bible doctrine? Is it practical, and can we obtain it in this life? Holiness has been "cussed" and discussed from various angles, I know. But let's look into it a little and see if there is any real foundation for such a doctrine. It's better to be plain and to take the plain Bible statements concerning it. To begin with for a foundation we might turn to Luke 1:73-75 and there we find where God made an oath that we could serve Him in HOLINESS all the days of our life. "The oath which he swear unto our father Abraham, That he would grant unto us, that we, being delivered out of the hand of our enemies, might serve him without fear, In holiness and righteousness before him, all the days of our life." Well, that's a safe foundation all right. I like sure foundations. No slippery sand for me. And God's oath for a foundation for an experience of Holiness ought to be good enough for any man.

Then to add to that SURE foundation for Holiness we find that God the Son purchased the experience for us with His own Blood. Turn with me in your Bible to Heb. 13:22, and there we find this positive declaration: "Wherefore Jesus also, that he might sanctify the people with his own blood, suffered without the gate." Oh yes, that is a plain statement, but a positive one, and as a believer in the Bible I must accept the Blood of Jesus as a foundation for Holiness that is unshakable. With HIS OWN BLOOD. That's solid enough for anybody.

By turning your Bible to Heb. 10:14-15, we find another wonderful statement of fact the Holy Ghost witnesses to the experience of sanctification or holiness. "For by one offering he hath perfected forever them that are sanctified. Whereof the Holy Ghost also is a witness unto us."

Therefore we find that an experience of holiness that God the Father swore we could have, and that God the Son purchased for us with His own Blood, and that God the Holy Ghost is a witness to, becomes the direct will of God. Please turn with me to 1 Thess. 4:3, 4 and read it for yourself. "For this is the will of God, even your sanctification, that ye should abstain from fornication: That every one of you should know how to possess his vessel in sanctification and honor." Just as plain isn't it? Holiness or sanctification being the will of God then surely it must be God's command. Let's turn to 1 Peter 1:15-16 and see what we find. "But as he which hath called you is holy, so be ye holy in all manner of conversation; Because it is written, Be ye holy; for I am holy."

Well, then, it must be very essential. Heb. 12:14 says to "Follow peace with all men, and holiness, without which no man shall see the Lord."

In the face of these above Scriptures it would be holy to try to deny Holiness as an experience. Certainly we know that God wouldn't swear that we could serve Him in Holiness, and then not let us embrace it. It would be foolish to even suppose that Jesus would make provision for an experience that we couldn't obtain. Common sense tells us that God would not command us to obtain an experience that it isn't possible to obtain.

Thousands are rejoicing in the experience today, and you may have the experience It's for you.

Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of the Lord.

-2Cor. 7:1-

Detroit, Tex.
I am still saved and sanctified

and the personal Holy Ghost abides. May God bless the Pentecostal Faith and sanctify it to His use in spreading the Gospel and aiding His preachers. Well the Lord and I just closed a meeting here at Wards Chapel, about 8 miles from Detroit, Tex. Closed Sunday night the 19th, this is a new field for Pentecost and a hardened place. The Lord blessed from time to time. It seems to me that I was never in all of my preaching for this last 10 years so much under the hand of God in giving out the Word as I have been here. While that's a new field for Pentecost I feel sure some of the seed fell into good and honest hearts and will bring forth fruit some day, for God says, "My word shall not return unto me void but shall accomplish that whereunto it was sent...."

One Baptist man got happy the last night and praised the Lord and went all over the house shaking hands with everybody. One holiness sister said she wanted a full salvation and wanted it all when I preached on sanctification and the Baptism of the Holy Ghost. She left the meeting last night crying because there was no one saved and the Word was so plainly given. Saints pray for me. I think I will hold a meeting at Blossom, Tex. next and then I will hold one at Post Oak, 8 miles east of Carner, Okla. I shall be in meetings continually the Lord willing. I shall be glad to hear from the brother saints at any time. Your brother in Christ under the Blood. A D Rice Detroit, Tex. North Star Route.

Testimonies and Obituaries

Oakland, Okla.

I want to add my testimony this morning that I still love the Lord. I am so glad He ever saw fit to save, sanctify and fill me with the Holy Ghost, Glory to God. I have 3 brothers and a father that are not saved. I would like for the saints to join me in prayer that they might be saved. Mother and I are the only ones that have the full experience in our home. So pray for my brothers and father that they may be saved. I was saved and sanctified Nov. 4th and received the Baptism of the Holy Ghost Feb. 5th, and mean to go all the way. Glory to God. Your sister in Christ.

Rosa E Priddy

Roff, Okla.

I am glad to report victory in my soul over sin and the devil. I am saved, sanctified and the Holy Ghost abides. I feel like going on and fight this battle till Jesus comes. Some times the way gets dark and we have many things to bear for Jesus sake, but He promised to be with us in every time of need. I expect to go through with Him by His help. I didn't start in this way to turn back. I know the Lord can undertake for me and help me carry my burden, glory to God. One day I expect to wear a crown in glory. I want to be ready, have my lamp burning bright when Jesus comes and I don't believe it will be long. Pray for me. Your sister in Jesus looking for His soon coming.

Miss Jettie Brown

Weleetka, Okla.

I am praising God tonight for salvation. I am saved, sanctified and filled with the Holy Ghost and intend to go all the way with Jesus. God has visited my home and taken my dear husband away. I have been in this way for five years and for 4 years I prayed God to save my dear husband that I might have a helpmate to go hand in hand. God saved him just about a year ago and sanctified him last May, and he received the Baptism last summer at the Camp meeting, and God called him away January 11, 1922. I am left to fight the battle alone again. I don't understand why God took him away but God knows best. I know he is at rest. I am determined to go all the way, God being my helper. I also ask the saints to pray for me that I will stay in the center of God's will and raise my children to the glory of God. Pray for me. Your sister in Christ looking for Jesus to come.

Mrs. Bessie Lewis

Dear Faith family. I am 12 years old, The Lord saved me in November 1921 in a meeting Bro. Offutt held here. I was sanctified in January, glory to God and received the Baptism Feb. 5th in a meeting Sister Annie Carmack held here. Glory to Jesus. Me and 2 of my sisters have the full experience. My mother is seeking the Holy Ghost. One of my sisters is sick. I ask you all to pray that she will be healed. I ask you all to pray for my mother that she may receive the Baptism. Pray for me that I may be faithful to Jesus until He comes or calls, Your little sister in Christ. Saved, sanctified and Baptized with the Holy Ghost.

Velma Blagg

Roff, Okla.

I am so glad I found this way a way that keeps you from a life of sin. I used to fight this way but God showed me it was the right way and He had more for me. I used to be a hardened Baptist and I was hard to turn, but thank God He is all powerful, and will lead us on and I am glad He showed me He had more for me. Well I am so glad I said yes to Jesus. I have lots of trials and tribulations but that's nothing to me God's grace is sufficient to carry them all. There will be a bright day on ahead if we hold out to the end. Well I am so glad that He ever sanctified and filled me with the Holy Ghost that makes me able to stand these trials. I am determined to see the end of this way, I have went too far to ever turn back and besides that there is nothing to turn back for, it is all ahead. Well I praise the Lord for victory. I desire the prayers of God's saints. Your sister in Christ.

Sallie Frayer

In memory of my sister Miss Viola Smith. She was born in McClain County near Byars, Okla., in the year of our Lord 1908, and departed this life Jan. 11, 1922, making her 14 years, 10 months and 8 days old. She took sick in November and was taken to the city hospital where she stayed until her death. I visited her in December, She was saved about 3 years ago or longer but had backslid, and when I went into her room, among the first words she said to me was "I believe if you will pray for me, I will be healed." We went to praying; for some reason God who doeth all things well, didn't see fit to heal her, but she repented, confessed her life to God and prayed earnestly for Him to restore her to His favor. She wasn't entirely satisfied until a few hours before she died, when I had the privilege of taking our dearly beloved Bro. J H King, General Supt. of the Pentecostal Holiness church, with me to her bedside, where our faith took hold on God and claimed her salvation. Bro. King stated that he felt something taking place in his soul that he never had felt before praying for the sick. She died in 4 hours after we prayed for her; one of the women that was there when she died said she told the nurse after we had prayed for her that she was perfectly ready and willing to go. It was hard to give her up but the good Lord has taken her from us and we hope we shall meet her again. She leaves behind a father, mother, one sister and four brothers. Her brother, one sister and four brothers. Bro. J H King preached her funeral in the Pentecostal Holiness church at Okmulgee and her body was laid away in the City Cemetery. Written by her brother.

Dear Faith family, I'm praising God for victory in my soul. We are still having good services over here. We have no church building, so we just hold services in different homes. Well, glory, we always pray the power down and something happens. There has been about 7 received the Baptism and spoke in tongues. We have many saved and sanctified since I last reported. Praise God for the power. We only have 8 members and they all have the Baptism. 3 saved and 3 or 4 sanctified in one service. The meetings are once or twice a week. We have about 36 straight Holiness folks that have not joined yet. I would be glad for some good evangelist to come this way to hold a meeting. Your brother in Christ, M P Rose

getting sick of these fellows for the corn field preachers.

Troutman done the preaching. Bro. Dave with us in power. Bro. Dave done some good preaching. The Lord is using him to His glory. I praise God for the corn field preachers. I am getting sick of these fellows that's going around as some big gun and can't have a revival, but you take the plow boy, he feels his dependence on God. He that humbleth himself shall be exalt-ed. There are some that are smart in their own imagination, preach a week or two and nobody get saved; then they will go off and say I sure give out the Word and no fruit behind and some of the saints will set back and laugh and say amen till the Spirit is grieved and when the altar call is made no body comes. Every body goes home feeling bad. The thing that preacher needs to do is soak his sermon in the Blood of our crucified Lord until they can have an influence over the people.

I will say that nobody would make a mistake in getting Bro. Dave Troutman to hold them a meeting, he sure stays with his job. About 12 saved, 12 sanctified and 6 received the Baptism. Closed with an altar full of old people. Brother let us learn that Jesus must be lifted up instead of the preacher. I ask all to pray for me and family, and that I may still feed this church on the Word of God, as I am the pastor. Your brother out for the lost.

As you probably have noticed in the Pentecostal Holiness Faith that we sell song books. We are handling these song books that we may turn a little more money into the Foreign Missionary work. We give every cent of profit on the handling of the books to the Foreign Missionary work, and do what work that is attached to it free. So you can see we are not getting one cent of it for ourselves. And of course we are glad to get your orders for books. We appreciate them, because it means a help to send the Gospel to the heathen. But we are not financially able to carry on a credit business. We plainly and simply state the facts when we say we haven't the money to handle a credit business, so please do not ask us for credit. If you desire we can send books C O D. We write this kindly. Please do not take offense. Respectfully, in the Master's service.

Some people believe in the soon coming of Jesus. Others not only believe in His soon coming, but anticipate His coming with a heart full of loving, yearning, adoring expectancy. Even so, come, Lord Jesus.

It is easy to "take the hide" off of folks, but it usually leaves a "sore" that's hard for the sheep-herd to "heal" up. Be careful how you "skin."

I don't care who you are—nor to what heights of fame you may have climbed—if you have failed to find Jesus and live for God, your life is a miserable failure.

It's no trouble to "bruise", but it takes time and trouble to "bind up", and sometime it's hard to keep a "bandage" on in some places. so handle your "club" carefully. You might "stun" a dozen "sheep" while you are trying to "floor" one "goat."

Don't try to imitate the other fellow's style and language in your preaching. Be humble and natural. and God will put a supernatural power in your words that will have some effect when they land.

It isn't how much you can get the folks to see you. It's how much you can get them to see Jesus.

If you do without food you will starve to death. If you do not feed on the Word of God and read it you will starve to death spiritually.

Many of the saints of God are fat and flourishing in their souls. And there isn't any use whatever for you to be poor and lanky. Get away from the "dry pasture" Jesus said Whosoever will let him take the water of life freely.

"Did not our hearts burn within us?" is the the testimony of the Emmaus traveling disciples. Maybe you will feel the fire burning in your heart more if your conversation will be more about Jesus, and less about your neighbor's faults and blunders.
