51 Saved in Wynona Revival Meeting

We are glad for the good meeting the Lord gave at Wynona, in which some 51 prayed through to salvation and some were sanctified. Below is a report of the meeting.

Praise the Lord from whom all blessings flow. In Psalms 103:1-12 He says “For as the heaven is high above the earth, so great is His mercy toward them that fear Him. And as far as, the east is from the west, so far hath He removed our transgressions from us. Like as a father pitieth his children, so the Lord pitieth them that fear Him.” And He will do more than we can even ask or think. I have been under heaven a woman preacher and they had expected the invitation from them and the Professor and there were about 60 I talked to. Then I preached to women only in the M E church and many were helped. Some of the brightest conversions I have seen for years, their faces would shine and they went to work to see others saved. One man said he was to go to be saved but God gloriously saved him. I don’t think I ever saw so many hungry people. I promised to go back this summer for another meeting; I trust God will give 50 for Pentecost. One of the shows closed the last week the meeting went on because of no attendance. And on Saturday night they tried to have a dance but there was not enough to have it. One of the men who was so gloriously saved turned his dancing pavilion into a revival platform and told me he wanted us to hold our meeting there. Bro. Melvin is a good stand by and he and Sister Melvin sang and played and worked faithfully. The people there have so much confidence in them; one young man that got under such conviction he could not stay still he knew no one to give him to had so much confidence in as he did in them. That is the way many feel toward them. May God bless them as they carry on the prayer meetings. We left several seeking to be sanctified and several seeking the blessed Baptism of the Holy Ghost. Pray for them. Several were healed, one woman with rheumatism could hardly lay down or stoop, the dear Lord healed her instantly, praise God. One of the bankers told me that

12 Saved, 7 Sanctified

Evangelist E G Murr was in the city the 8th on his way home from the Mt. View meeting. The Lord blessed in the Mt. View meeting and numbers prayed through to victory, the final total being 12 saved, 7 sanctified and 4 received the Baptism of the Holy Ghost and spoke in tongues as Acts 2:4. The last night of the meeting proved to be a blessed one indeed when some 25 were at the altar seeking God. Both old men and young were there and God gave glorious victory. In this service several were saved and 3 sanctified. Bro. Murr was to begin a meeting at Gas, Kans., Friday night May 12, following which he is to hold tent meetings in different places. Pray for Bro. Murr as he is pretty well worn out in body.

are you this morning, well in body and happy in soul I trust. We have just closed a grand revival at Limestone. Rev. T. W. Vaughn, of Calvin, Okla., did the preaching. He sure preached the Word and it got into hearts of the people. There was 11 saved, 3 sanctified and some seeking the Baptism of the Holy Ghost but didn't go through please pray that they may. A church was set in order with 14 members. Oh we do thank God for His goodness to us. Say it pays to be where you can stand still and see the salvation of God. This church is 3 miles from Bethel church. This victory was won through the faithful efforts of Rev. T. W. Vaughn, Rev. F. E. Isbell, Rev. Frank Clark, Sunday School Supt. Ed Page and other workers of that community. Well thank God for soldiers of the Cross. Pray for us. Amen.

LUTHER G. CHILCOAT
Saved, sanctified and Baptized with the Holy Ghost.

To Sunday Schools

In order to make our Sunday Schools better we will have to pray more and work harder, then too, it will be good to know something about our neighbor Sunday Schools. In order to do this the editors of the Pentecostal Holiness Faith have offered to help us by publishing from time to time such articles and reports as may be helpful along this line, and have requested me to keep in touch with the different Sunday Schools and at least once a quarter make out a report of the progress of such Sunday Schools as will report 'to me, and in order to do this I must have the co-operation of the Superintendents and Secretaries, so if you haven't already heard from me it is because I haven't got your name and address, so please let each Secretary write me at once giving me the name of your Sunday School, the enrollment, average attendance, finance and such other report as you think necessary and please don't forget rule no. 7 of the Sunday School Association which reads as follows: The tenth of all Sunday School money, except the Missionary money and all the money of the fifth Sunday shall be sent to the Secretary-Treasurer of the Sunday School. Association to bear the expense of the Sunday School work in general, and one Sunday each month shall be given to the Foreign Missionary cause. N. T. Morgan Sec.-Treas.-1522 W. Main, Oklahoma City

Many Get to God in Enid Meeting

Enid, Okla. May 8

In the 4 weeks revival meeting many have received some of the best and most solid experiences I ever saw. One man testified that he had been raised a Catholic and confessed his sins to the priests for 14 years, but as he shouted the glorious peace of heaven he said he never felt such peace as this before. And many others put their tobacco on the altar and Jesus delivered them. Jesus our Captain has helped us to establish a Pentecostal Holiness Mission at 319 E Maple, to preach this wonderful salvation, and many of the best people of Enid are on this bright and shining way of Holiness. Wife organized a Sunday School with 52 members with fine interest. We wish to thank the many earnest and willing workers from Pleasant Valley church and others of Enid for praying and working to the establishment of this Pentecostal Holiness Mission.

One lady who had been solitute for the Christian church testified she had spent much money developing her voice, and she received the Baptism of the Holy Ghost and she went back to church to sing and when she started to sing she began talking in tongues. Of course the church wouldn't have that. So she is singing for God at the Mission now; the other night she sang a wonderful classical piece in the Spirit and it sure set things on fire for a while. The crowds are large and we are having some wonderful times.

SEVERAL GET TO GOD

Hickory, Okla.

Dear ones in Christ. I desire to report our meeting at Blue Mound. Bro. Troutman did most of the preaching. Bro. Forquen of Sulphur was with us and was a blessing in the song service. The attendance was good considering the bad weather. There were 5 saved, 2 sanctified and 1 received the Holy Ghost, and 2 saved since the meeting closed. We sure did enjoy and appreciate Bro. Troutman's preaching. He found it much easier than we did a year ago. We have preaching twice a month, also Sunday School and prayer meeting every Sunday. People are getting better acquainted with us and are learning that we are not as far from the truth as they thought. We are expecting Bro. Troutman back some time in July. We are looking for a great revival from the throne of God. Remember us in your prayers. W H HART

Truly these are wonderful days for which we praise the Lord. A few Sundays ago I asked the ladies of our church who would give their Sunday's eggs for the Missionaries and several responded. One of the sister's hens laid 3 dozen eggs on Saturday and on Sunday 5 dozen—so in 4 Sundays she had $4.14 Missionary money. Praise the Lord. I wish to ask all the ladies who have chickens to give their Sunday's eggs to this needy cause and help to spread this wonderful Gospel to the whole world. Pray for us. Your sister in His service.

GOOD VICTORY

The work in Oklahoma City is getting along in a good shape. Numbers have prayed through to victory during the past few weeks. In fact there is seldom a service that there isn't an altar service with souls seeking God. Several have been saved and some sanctified and several have received the Baptism of the Holy Ghost and spoken in tongues as in Acts 2:4. God has given some unusual services, the Holy Spirit has been poured out and we have worked in a miraculous way. Saints have shouted, talked in tongues and danced in the Spirit. Some have been healed. Some interpretations have been given.

Here is my testimony in poetry form:

Sometimes I am tempted to murmur,
That life is flitting away.
With only a round of trifles
Filling each busy day.
Dusting nooks and corners
Making the house look fair
Patiently taking upon me
The burden of a mother's care.

Comforting childish sorrows
Charming a childish heart
With a simple song or story
Told with a mother's art.

Setting the dear home table
Clearing the meal away
Going on little errands
Till the twilight of the day.

One day is just like another
Sewing and piecing well
Little Jackets and trousers
So neatly that none can tell
Where the seams are joining,
Oh the seamy side of life
Is kept out sight by the magic
By many a mother and wife.

And oft when I'm ready to murmur
That life is flitting away
With the self same round of trifles
Filling each busy day.
It come to my spirit sweetly
With a thought of grace divine
You are living, toiling for love's sake
And love should never repine.

You are guiding the little footsteps
In the way they ought to walk
You are dropping a word for Jesus
In the midst of your household talk.
So live your life for love's sake
Till the homely cares grow sweet
Then sacred the self denial
That is laid at the Master's feet.

DOLLY YORK

Dillard, Okla.

Thank God for salvation in the old time way. I want to praise God for His healing and saving power. We were called into pray for a sick baby, and the power fell and God healed the baby, and while we were praising the Lord for what He had done the power fell on the mother of the baby and she lay for an hour or two, and then came up shouting and praising God for His saving power. Glory to God it is so sweet to trust in the Saviour for our all and all.

14 Saved, 5 Sanctified

Limestone, Okla. May 1

The Limestone meeting commenced April 16, closed April 30. Had a wonderful meeting. 14 were saved and 5 sanctified. God sure did bless from the first service to the close with a real old time Pentecostal flood from heaven. The power fell on several of the services but the best of all at the close the saints shouted, danced and talked in tongues. 25 at the altar. Closed at a high tide amidst all the rain and bad weather. God met with us in a wonderful way. In general young and old were awakened to the fact that Pentecost was right. Many true saints helped in the fight for King Jesus. Bro. Fred Isbell Bro. Frank Clark and dear Bro. Luther Chilcoat all steamed up for the battle ready for service as God demands and dear Bro. Sebern Posey led the song service and played the organ with the assistance of that precious good sister Bertie Stafford with many others, all rendered efficient service for the Master. On Sunday, April 30, after I delivered the message on the importance and the great need of an organized body, Bro. Fred Isbell and Bro. Luther Chilcoat set in order a Pentecostal Holiness Church at Limestone with 14 members, all adults, 7 men and 7 women, making a good able class to open fire for Jesus, for which we praise God. Bless His name forever. Pray for wife and I. We sure did appreciate meeting the dear people at Limestone. They gave us a hearty welcome one and all. May God’s richest blessings rest and abide on them all is our earnest prayer. My next meeting will be at Tushka, Okla., the 2nd Saturday in May. All pray for us. I am sending in 4 more subscriptions making 5 in all at Limestone. Your brother in Jesus till He comes.

BLUE MOUND MEETING

Hickory, Okla. April 26

Dear Faith readers. I am in a meeting at Blue Mound, have a good interest, 9 in the altar last night 8 to get saved, only 1 prayed through. We are expecting a landslide from the glory world here. Bro. J F Ferguson is with me here, a fine worker for the Master and he sure enjoys the blessing. He is a real live wire. I will go from here to Lone Tree, 2 miles south of Stratford beginning May 2nd, and from there to Sulphur church the 16th, the Lord willing. All pray for me I want to be a soul winner for Jesus. Your humble brother in Christ out for the lost.

ELLIOTT CHAPEL

Snyder, Okla. April 27

Report of meeting at Elliott Chapel 7 miles south and west of Snyder, Okla. Bro. E G Murr just closed a meeting here Sunday night. He sure did preach the Word straight. We had good crowds and they seemed to be interested. Some got saved and sanctified and were seeking the Baptism of the Holy Ghost. There was a big crowd of saints to help in the meeting and they all had the victory all through the meeting. Some danced in the Spirit and talked in tongues most every night. I’m praising God for this wonderful blessing we can have. Bro. Murr went from here to Mt. View to hold a meeting. I pray God will let Bro. Murr come this way again. Your sister in Christ. Saved, sanctified and filled with the Holy Ghost looking for Jesus to come.

SQUAW MOUNTAIN

Bridgeport, Texas, April 26

Just want to report victory in my soul tonight, praise His dear name. Well we closed our meeting at Squaw Mountain; had a pull there but made some good friends and the dear Lord sure did bless Bro. D P Thurman and my wife and myself in giving out the word and helped us to dig up a few preachers and get them out from under the gourd vine and get to work for God. O it is awful to see how the devil is trapping for God’s true children. Say old Bro. let’s be true to God at any cost and preach it straight, thank God. There is one thing I like about our old Pentecostal preachers; they will preach it straight and can come as near living on the wind and sleeping on a clothes line as any bunion I ever met. Another thing I like about them and that is this, there is not one of them that is trying to keep up the Bull Durham tobacco factory; and they are so busy following the Lamb that they haven’t time to ride the goat. Well we intended on holding another meeting in Jacksboro, Texas, but what I can get on the side, old slue foot hindered so we are here in west Bridgeport firing away at the devil and he is sure howling. We are in the Nazarene church. May God bless Bro. J T Standfield, of Chico, who is the pastor and Bro. Luther Lockie, of this place, who is one of our warm friends and Bro. in the Lord, for letting us have the church. As far as we know our next meeting will be in Oklahoma somewhere as we are about 2 or 3 weeks ahead of what we thought for and have not any dates as yet. With love and best wishes to all.

Dear Faith readers. This finds me saved, sanctified and the Comforter abides praise God: I am giving my time and talent all to God from this time on. I am the fight against sin and the devil. My desire is to lift Jesus up for He says "If I be lifted up from the earth I will draw all men unto me," John 12:32. Pray for me and my family. Your little brother.

Greetings to the Faith family in Jesus name. I want to report this morning that I am saved from all sin, and the Blood of Jesus sanctifies and the Holy Spirit fills me just now. I also want to report that God has a band of saints here that are on fire for Him, and this little town is sure stirred for Holiness and Pentecost. God has been giving us some wonderful services the past week. We have a splendid lot of young people to help in the singing and Sunday School. The teachers of the young people's class took their pupils and a few of the older ones and went about 5 or 6 miles from town last Saturday for an outing; some of the good sisters prepared lunches and at noon they spread a nice dinner which was enjoyed by all present. After noon we had some real good singing and a Scripture lesson and prayer, which we trust made an impression on some young minds. God gave us a wonderful service yesterday just after Sunday School. We had a real live testimony meeting and without any preach but a successful altar call.

A number made their way to the altar. One young man got saved, and two more girls, who had grown cold in their experiences, got wonderfully renewed up and the Holy Ghost spake for himself through both of them. Saints pray for our revival that will be held in June by Bro. E G Murr. Yours under the Blood.

Love Not the World

O. C. Wilkins

Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him” —1 John 2:15.

This does not mean that we can not love the things that God has placed here to be used to His glory. I love the handiwork of God. I love flowers, animals, birds and such things that God has placed here for us to use to His glory, but God does not want us to love worldliness that will interfere with our spirituality, and that will have a tendency to draw us from God. There is a spirit of worldliness creeping into the Pentecostal ranks today that anybody can see if they know what the old line Pentecostal folks stood for 12 and 15 years ago. There are some who will go to picnics, county and state fairs that are operated by the devil and his agents and become defiled with that worldly atmosphere, and some of our preachers have compromised with the world until they are afraid to lift their voice against such things. Some of their members are contaminated with the spirit of the world and instead of the preacher crying out against it and showing Israel their sin like a faithful shepherd should he will put some of those same folks on the back and call them his best members when that old land mark saint of God is weeping and groaning under the burden of worldliness that is creeping into our ranks, is criticised and classed as narrow and has to take a back seat many times. It is time our shepherds are sounding an alarm against worldliness. That is where the other churches have lost out is by compromising with the world. Drop back 25 years and call on some of our old sainted Methodist mothers on the line of dress and they would be grieved to see how worldly some of our Pentecostal folks dress our children in immodest garbs that are enough to make any sainted man or woman hang their heads in grief. May God help us. Some of our preachers when they touch on these things do it in a way that no one is disturbed and the Comforter still abides in my soul. I am trusting the Lord for my healing, He has healed me many times, I am sending in a report of the Wagoner Missionary work. In March our offering was $10.65, and in April it was $6.40. I want all who prays to pray for the Wagoner church that we all may do more for the Missionary work in the future. Your sister in Christ.

Mrs. J T Stone
Sec, and Treas of the Wagoner church.

Wapanucka, Okla.

I truly praise God for what He is to me just now. Am sweetly saved, sanctified and the Comforter abides. bless His matchless name. I love Jesus this morning with all my heart, mind and strength and feel more determined to serve the Lord in true holiness than ever before. I feel His sweet presence this morning. I find Him such a sweet friend in every trial. Dear saints of God pray for me for it takes praying in these last days to stand, but I feel His grace sufficient. I am so glad for the sweet peace and freedom I have in the Lord. I don’t feel any condemnation on my life; have victory in my soul. I praise Him for His healing power. Some few weeks ago I was taken with an awful pain in my back could not scarcely move or breathe good. I called my 3 little ones to prayer I had hardly started praying until it seemed the heavens opened and the whole room seemed to be filled with the power and glory of God and the healing was done, hadn’t had a touch of the pain since. To God be all the glory. O how I praise Him for His goodness to the children of men. Pray for the little band here, also for our Sunday school. It is growing nicely. I remain your sister in Christ and want to be a real worker.

FROM WAGONER

Wagoner, Okla. April 26

I am saved, sanctified and Baptized with the Holy Ghost. I was saved when I was a school girl about 20 years ago, but just lived a saved life until about five years ago when I saw the light on holiness and when Bro. Wilkins was pastor of the Wagoner church I got sanctified during a revival meeting Bro. Capps held; and 2 years ago received the Baptism of the Holy Ghost when Bro. Campbell was speaking at the church.

O C Wilkins
Dear Faith readers. As the clouds roll and the thunder roars and the lightning flashes and the rain falls I still have the victory. Am at Rosedale. Postponed the meeting at Lone Tree on account of the rainy weather and came up here to visit my step-father and mother and brothers and sisters and to be with them in a few days meeting. There are only a few Holiness people here. Bro. Ferguson is with me, he sure is enjoying his Baptism. He was a Nazarene preacher and received his Baptism in Sister C.L. Smith’s meeting in March. He also was with me at Blue Mountain. Had a very good meeting considering the rainy weather. 7 saved, 2 sanctified and 1 received the Baptism of the Holy Ghost. Will go from here to Sulphur the 16th. All pray for the meeting there and come if you can. Will have it under a tabernacle. I enclose 3 subscriptions. May the Lord bless the Faith paper and make it a blessing to a lost world. I am your brother in Christ out for the lost.

During the storm that devastated a goodly portion of Gowen all three of the churches were demolished, among them being the Pentecostal Holiness Church. This church is located in a mining town in the Eastern part of the State. Conditions are such that they need immediate help in trying to rebuild their church there. They have no place to worship. Many souls at that place that need the Gospel. Are we going to stand by these faithful ones and join hand in hand with them in rebuilding by sending them an offering for that purpose. Come brethren, let’s sow beside all waters. Sister Willie Caudron, Box 78, Gowen, Okla., is the church treasurer.

3 SAVED, 2 SANCTIFIED

Stratford, Okla. May 7

I want to report a few words about the Stratford meeting beginning April 20 and closed April 30. There was 3 saved, 2 sanctified and 1 baptized with the Holy Ghost, and I reciprocated. We had lots of rainy weather but we just missed one service. Bro. Albert Melton and Bro. Sam Brandstant were with us. They sure are pure gold. The last night of the meeting we had the Lord’s supper and foot washing. The Lord sure did bless. The Lord willing Bro. Melton and I will hold a meeting at South Walker beginning May 7. I will go from there to Sulphur to be with Bro. Dave Troutman in a meeting beginning May 16. The Lord’s will I will go from there to Lone Chapel, west of Paul’s Valley the 1st of June, Bro. Albert Melton will help me in this meeting. Pray for me. I need your prayers. The harvest is white and the laborers are few. I remain your brother for the lost.

I am still on victory side and love the way of Pentecost I believe better than ever. The more I tell it to the people the better I like the way, because it looks like the way gets plainer and cleaner all the time. Pray that I maybe get deeper in this way of Pentecost.

GALEY MEETING
Byars, Okla. May 3

This finds me with victory in my soul, enjoying salvation. Just closed a meeting at Galey, Okla. The Lord met with us in power, and we enjoyed His presence. Galey has been a place where the Word has been sugar-coated and when it came to the naked truth some of them didn't know how to take it. It was more of a seed sowing, and we hope to go back in the near future and hold another meeting. We seen the sun only one time during the meeting, being such bad weather, but in spite of the bad weather we had large crowds and good interest. One saved, and a number at the altar to be saved and some to be sanctified. The one that got saved sure done some praying and God surely did save her, and then she told the Lord she wanted to be sanctified. Never had people treat me any better, and the young folks gave good order. I am "tied" down this year, but I expect to be loose another year and be in the work continually. Up to this date I have conducted 5 revivals, besides pastoring a church. I want to do all I can, God being my helper. Am sending in 1 new subscription. As ever.

FROM BRO. COOK
Blanchard, Okla.

I want to send a word of praise through the Faith paper. I want to praise Him for His power to keep me up until this present moment with victory in my soul. I closed a wonderful meeting at Lawton. The Lord rained down manna from heaven and our souls feasted. People flocked to the altar and prayed through on all lines, for which we give God all the praise. There are some fine saints of God at Lawton, some of the salt of the earth there. They are of the Church of God. I surely enjoyed myself while there. The pastor is a blessed man of God, and his wife. I also met my cousin there. Mrs. Nellie Kelling, she was a Nazarene but received Pentecost. Thank God for people that love the Bible, and will stand for it. I am at present near Blanchard. The rain is hindering greatly here, but people come out and give attention. Saints I will say in conclusion, that I surely need your prayers. I've been falling behind since last summer financially. On my return home from Lawton I learned my car had been stolen, so I put in a search for that. After about 3 days and nights I found it, but it sunk up in debt about seventy five dollars more, and with this and many other things to discourage me, I surely need your prayers. I mean to go through with Jesus, I started to go through. May God bless all the Faith and make you all a blessing to the world in these last days of perilous times. Saints of the Living God keep an upward gaze it won't be long till we will see Jesus coming to redeem us out of all this trouble. I want to go there don't you?

 Yours for the lost,

Well as I have been hid away in this little corner of the earth so long very still, some may wonder what has become of me, but praise the Lord this morning still finds me with victory in my soul. Saved, sanctified and Baptized with the precious Holy Ghost. O how I praise Him for what He is to me. Dear readers I am glad above all for Jesus; next I am glad that this way is so straight that we can't take any of this world with us. So glad that it takes all the love for worldly things out of our hearts. There is nothing disgusts me more than to see some one profess Pentecost and by their looks you can't tell them from the world. Now dear saints things like that is a reproach to the cause of Christ and to Pentecostal Holiness, so let us live this life for Jesus, and when we meet let's spend the time for the Lord not just talk till we talk all the grace out of our souls.

Let's keep our eyes on Jesus then we wont see so much to find fault with. I want my life to be a living testimony for our Lord. Pray much for the work here that God will use us all to His glory. Pray also for the young people's meetings they are doing a good work. Pray that God will bless them in their efforts for Him. Pray for your sister in the Lord.

A Chinese Man's
Confession

In our little chapel here in Shauking, a large man came in and heard the Gospel message for the first time. He was very interested and felt the Jesus doctrine was true. The Chinese Pastor talked to him about smoking and many other things. He thought to himself it was true and that smoking only caused him to waste his money and did harm. "I am going to stop it from now on." Of course he could not have done this within himself, for "without Him we can do nothing." He kept coming to service in just three or four days later he made up his mind he wanted to be a Christian. When the altar call was given he left his friends and came forward to the altar. He was not ashamed to kneel for the first time to God, even if his friends were there to make fun of him. What did it matter to them to do this? He said his friends would turn against him if he stepped out fully on the Lord's side, and he had the boldness. We prayed for him, and he offered his first prayer to God. We had to tell him how to pray, for he did not know. As we said one sentence at a time, he repeated it after us. That night he was saved from all of his sins. His face was shining for Jesus. He was not afraid of his friends for he had found something much better.

Every morning that he did not go to work early, he would come to our morning prayer service as well as to the night service. He told me he wanted to learn the Bible but did not know any characters; could not even read his name. So we taught him to read. One day he came in with a very beautiful false watch that he had bought with his Testament. He gave it to me and said, "I have bought this Bible and I am going to learn to read all of it." At this time he could read most of the Gospel of John. He said, "Before I believed in Jesus I smoked and it took much tobacco a day for me, but now since I believe in the Jesus doctrine I have saved the money I used to spend for tobacco and bought me this New Testament." He would always wash his hands before using it as he wanted to take care of it and not soil it.

He kept coming to service and always ready to testify. The day came that took him down so far down, and we wondered whether it was the trouble. This continued for quite a while and he would not testify. At last I came to me and said, "Miss Cole, I want to talk to you." I said, "All right, what is it, Jim Shing?" He said, "My heart is very much troubled, and I am very sad." I said, "What is the trouble, Jim Shing? We have known for some time you were in trouble for your face shows it very plainly." He then told me that a few years before he worked for an Englishman and carried his lunch for a long time, and during that time he drank too much called the puter oil tank, carrying it out in the lunch basket. "These things came before me, what must I do?" I told him he could do it, but to confess it. This seemed to shock him, and he said he could not. I told him he could, that the Lord would help him. He said, "They will put me into prison, and perhaps I will get out, and then I will be disgraced forever." I told him we would pray for him, but still he said he could not confess it. I said, "Jim Shing, are you going to let a puter oil tank, wood and brass keep you out of heaven?" And he said, "I do not want to." I told him it was right for him to confess it, and, too, it might be the means of winning the man to whom the confession was to be made, for there is anything between him and it is all that the way and to confess it is all that can be done. How downcast he looked, but he went downstairs to his room for the night. I told him we would pray for him, and God would help him to confess it. That night when I told Miss Deane about it, we earnestly prayed for him. We found he had slept very little that night for he was trying to decide to confess it, and yet he would think of the disgrace, and felt he could not do it. But he returned to God. If he did not he would be lost and could never see God, so he made up his mind that no matter what happened, even if he was given thirty-nine stripes according to custom, in stocks, prison, or whatever it might be, he was going to confess it, for he wanted to meet Jesus in peace when he left this world. Early the next morning, which was Sunday, he got up and cooked and ate his rice, then packed up his things: washed his clothes and hung it on the line. He came around to one of the Christian women and asked her to take them in and put them away when they were dry. He then came to see me with his Testament in his hand, that he had bought with the money, saying he had come to go to jail. When he told me this I felt like crying. He asked if I thought he would be allowed to take his Testament to jail with him. Of course I did not know, but I told him he could try it, for it is true I only know a few characters, but there may be some one in jail that can read, and what I do not know I will have him read it. I will pray to God to show me the meaning of the Scriptures, then I can tell the Gospel to those in prison," I told him I was glad he looked at it that way also that he was preaching there, many might believe in the Jesus doctrine. I tried to encourage him all I could.

Miss Deane said as he had to confess to an Englishman, she would go and talk for him, as he could not speak English, but she was an interpreter, but he was afraid to say things, and we were afraid to misrepresent things, therefore, to make it sure. When they gave Jim Shing was shaking like he was having a chill, so afraid every minute he would be taken to the prison. But instead as Miss Deane told him the story, his eyes filled with tears, and he could hardly speak for he was choked and under conviction. He said, "You tell me, I will forgive him, and not charge him for anything he has stolen, and go and preach the Gospel to his people." When they interpreted told Jim Shing he was so glad he could hardly behave himself. By this time Sunday School was over and I was upstairs watching to see them when they came back. In a little while Jim Shing was, in fact, so glad he could hardly behave himself. By this time Sunday School was over and I was upstairs watching to see them when they came back. In a little while he came to me and said he had been praying for God to show him what was the only way to really have peace with God.

Does not this show that it pays to give the Gospel to the heathen? MISS ANNA DEANE COLE, Hing Kong, China.

Dear Faith family. Greeting in Jesus name. This morning finds me more determined to go all the way with Jesus than ever before. We sure enjoy the Faith paper. It's growing better all the time. Well dear saints I have been praying for God to send some one here to preach for us and God answered my prayer in sending Bro. Frost of Booneville, Ark., to Lone Pine school house. There are some of the worst Holiness fighters here that I ever saw, but they have began to realize that Holiness is real after all. The house war crowded every night and a crowd out side. Every one listened to everything that was said and I am sure Bro. Frost puts lots of folks to reading their Bibles. Pray for me that I may stay in the center of God's will and that husband will receive the Baptism. Saved, sanctified and the, sweet Comforter abides. Your sister, in Jesus, OLIVER PLAXCO.

HIS COLUMN

Infidelity, evolution, etc., are permeating the professed Christian world today. All the more reason why you should stand for the whole Gospel as solid as an adamant stone.

If you expect to preach the preaching God gives you—keep your "face" deeper in the Word of God and stay on your knees a little longer.

A prayed-down sermon is better than a thought up one.

Maybe you're lean in your soul because you haven't feasted on the Word of God.

David said, "I rejoice at thy Word, as one that findeth great spoil."—Ps. 119:162. Nowadays too many are more concerned to find the latest scandals—or the latest newspapers.

Many a good preacher has been "spoiled" by being "bragged on" too much.

"And as long as he sought the Lord, God made him to prosper" is the record concerning King Uzziah. If you are not prospering in your soul seek the Lord.

When finances begin to run low some folks cut down on the Lord's work first.

That's the wrong step Brother. God's way "up" is "down," just so the way to "have" is to "give."

Didn't Jesus say "Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give unto your bosom. For with the same measure that ye mete withal it shall be measured to you again."

O yes, that's the way it reads, you'll find it in Luke 6:38.

Did you ever read 2 Cor. 9:6-8? Let's turn to it and read it again. Also Malachi 3:8-11.

That Temple at Jerusalem was built of timber, etc., made ready in the wilderness. The cutting, chiseling, felling, etc., was done before it reached the final place.

Don't grumble if you are being "cut" and chiseled and tossed about. The bumps must be planed off.

And some of that timber had to be dressed down smooth enough to be overlaid with gold.

Don't "finch" at the "dressing" process.

There is a richness in the presence of the Holy Spirit indwelling in the saints of God that passeth all description. If you will let Him He will take the things of Jesus and show them unto you. He will reveal the loveliness of Jesus in your heart until there will be such an inward revelation of Him that He becomes to you in reality the One altogether lovely.

I want to say a few words to the glory of God, praise His name. I am glad that I am saved tonight, sanctified and filled with the Holy Ghost, glory to God, and He heals my body. I haven't been in this way very long, but I am glad it seems like it has been a long time. When we love Jesus with all of our soul, mind and body all the time the time goes fast and easy. But when we were serving Satan the time seemed long and weariesome. We had Bro. Stark with us from one Friday night till Wednesday night. He sure is a blessed man of God, and certainly enjoys feeding the saints on the word of God, and establishing them in the faith that was once delivered unto the saints. (Jude 3) I love the straight and clean way tonight better than I ever did, and by His grace and grace that is to walk therein. Well glory, I know this is a highway and no unclean thing shall walk thereon. Oh I feel like telling it to the world. Amen. M A Sparks

It has been some time since I wrote to the Faith. I have just got through reading it and is does my soul good to hear from all of the dear saints and to hear of all of the good work that is going on. I am praising my Saviour for this full salvation, if it hadn't been free I wouldn't have got it, and I am glad it is for all who will accept it; go down and pay the price, forsake the world, and worldly pleasures and follow Jesus. I have so much to thank and praise the Lord for I can't praise Him enough for what He is to me. Pray for one of my uncles who is a cripple, and he has been ever since he was a boy. He believes in Divine healing. He was saved last summer and says he wants the full experience. He asked me the next time I wrote to the Faith to ask the saints to pray for him to be healed if it is the Lord's will. Saints pray earnestly. I am saved, sanctified and Baptized with the Holy Ghost, looking for Jesus to come.

MRS. LILIE CLUCK

I want to sound a note of praise for my great Redeemer. Oh how I love this way, it grows sweeter each day. I haven't been in the way long but find it sweet to my soul, praise His dear name. I am glad Jesus ever convicted me of my sins and I yielded to Him before it was too late for I feel He is soon coming. All who read this please pray for the little Mission here in El Reno, for we certainly need your prayers, and pray for my husband that he may be sanctified and filled with the Holy Ghost. This finds me saved, sanctified and filled with the Holy Ghost according to Acts 2:4. Your sister looking for the soon coming King.
