30 Saved, 27 Sanctified, 14 Receive Holy Spirit and Speak in Tongues

Sulphur, Okla. June 5

Greetings in Jesus' dear name. Just closed a meeting here last night and will leave today for Shady Grove, north of Stratford, to begin a meeting. Bro. Clarence Neukirchner and I came here May 16 and with Bro. Ferguson and Bro. Rogers, pastor, and the other saints we opened fire on sin and the devil. I tell you I never had such a pull in my life for a revival for about 10 days. Bro. Clarence stayed 2 weeks, and about the time he went, or had to go to another appointment the walls fell and the victory came. He helped pull the load to the top of the hill and we shouted the victory. 30 saved, 27 sanctified and 14 received their Pentecost as Acts 2:4, 29 baptized in water and 20 united with the church. Sulphur is stirred for Pentecostal Holiness and they are anxious for our Annual Camp meeting to be here, which I pray will prove a blessing to this town. The church here has no place to worship but they are making arrangements to build them a house. Had a nice donation last night on it. Pray for the work here and the pastor as he has quite a burden, the church to pastor and no place to worship, and to send them of your means if you feel led. They need help. They are believing God for help to build a place to worship. May God bless the Faith paper and its many readers and the editors I love to read it. I always read it through when I get it. Pray for me as I am most worn out in body. I never wanted Jesus to come as bad in my life I pray, Lord send Jesus. Your brother in Christ out for the lost.

22 Receive Pentecost

Checotah, Okla. June 5

I am so over run with joy I don't know where to start, but I do know that I am saved, sanctified and filled with the Spirit. We have been running the prayer meeting with some preaching one to four services per week for eight months at Car Creek. I can't tell all that's happened for lack of space, praise God. I can tell you the power always falls and some at the altar. About 22 received the Holy Spirit last quarter, glory to God. A few nights ago 4 little sanctified sisters were dancing in the Spirit. They began to speak with other tongues as the Spirit gave them utterance. Well, glory to God forever. Six little sisters received the Baptism of the Holy Ghost in that service which lasted till 3 o'clock a.m. It was good to be there, hallelujah! Ten holiness were baptized in water yesterday. Yes, the power fell and the saints said they never heard so much talking in tongues at one place, glory. Last night's service was extra, we never heard so many saints giving out warning messages before, 6 or 8 going to the back of the audience, speaking in tongues, interpreting, prophesying, lasting 5 hours. Your brother under the Blood.

3 RECEIVE PENTECOST

Blackwell, Okla., June 5
God is wonderfully blessing at Rossville. We are having cottage prayer services most every night, and have had for the past 2 weeks The power fell last Friday night at Bro. Byus' home. 6 prayed through to victory. 3 prayed through to Pentecost, thank God forever. I came through Ponca City Saturday, 3rd. Stopped off for 4 services, where Bro. Murr is holding a meeting. Now the Lord sure is blessing in every service. Some praying through. I found Bru. and Sister Jolliff looking up with victory in their souls. There seems to be a very precious band of saints there. I am now in Blackwell for a few days. Pray for me and the work at Rossville. Your sister in Christ,
Mrs. Sallie Tolbert

CHURCH ORGANIZED

Okmulgee, Okla.
To readers of the Pentecostal Holiness Faith paper. Glad to sound a word of thanksgiving this morning to our blessed coming King. So glad to say, God has wonderfully helped me since last writing to the paper. Have had some grand meetings for which I praise God. Had the privilege of organizing a church at Bartlesville with 16 members and sure there are some pure gold there. Bro. Offutt had gone there and was having a real good revival when I got there. God had blessed him. Then had the privilege of going from Bartlesville to Dillard where held the quarterly conference, the Lord gave us a blessed time, though not many churches represented, and not very large attendance of conference members. But can say those that were there had the victory and seemed to enjoy it, praise God. After the conference we continued the meeting until last night. Bro. F M Kidd, pastor, was there with us and God blessed him and is blessing his labors. Also Bro. and Sister Gaither were there and are good workers. We certainly appreciate their being there and they are going to continue the meeting this week. Had large crowds could not accommodate all the people, at times many more than could get in the house. Several prayed through and were saved some sanctified and one received the Baptism, praise God. And left many under deep conviction. Glad to know God is still blessing honest hearts. My next work will be visiting the church at Cashion and Blackwell. Asking all the readers to pray for me, your brother in the Lord, still looking for our coming King.

VICTORY AT CARR

Seminole, Okla. June 5
Greetings to the saints scattered abroad. Just a line of praise this morning. Returned from our charge about 12 o'clock last night. Yesterday was a feast day to me though our Sunday School lesson was about a fast day. We opened fire on the devil about 8:30 o'clock last night and God opened the heavens on the saints and there was 7 on the floor dancing and shouting and talking in tongues for about 30 minutes. People came rushing in from the outside and the house was standing full listening to the heavenly music. After we had preached on sin and hypocrisy, 4 came to the altar. Saints pray for Carr. It is one of the old land marks, though it had died down, God is reviving it again, people are hungry for God's word. Two weeks ago we took 1 into the church and after dinner we went to a tank and baptized 3 in water in the name of the Father, and of the Son, and of the Holy Ghost. Thank God for the old paths. I am so glad God opened the way for us to come to Seminole. I expect to leave here next week for Enid and enter the harvest field. There is no joy in leaving the saints here, but we feel obligated to go on account of our finance. We want to go to camp meeting also, so we feel it best to take a step in time. Your Bro, in Christ looking for the soon coming of Jesus.

MEETING AT STRAIN

Choteau, Okla., June 2
Dear Faith family. I am glad today still finds me saved, sanctified and Baptized with the Holy Ghost, and with a determination in my heart to go all the way with Jesus and make Heaven my home. I have just closed a meeting at Strain, Ark. The Lord sure gave us the victory, and the saints were made to rejoice and magnify the God of Heaven. There sure are some genuine Blood-washed saints at Strain, and they certainly did receive me courteously. May the Lord bless them is my prayer. I am going to stay on the battle field for God, and preach His precious Word until Jesus says it is enough; come up higher. Any one desiring me for a meeting write me at Choteau, Okla. Box 54. Your brother in the Master's service.

FROM AFRICA

Krugersdorp, Transval, South Africa.

Dear editor and readers of the Faith. Greetings to all, wherever in Jesus name. For quite a while we have been thinking of writing a few lines to let you know how it is with us at the present. There are so many friends scattered abroad until it seems impossible to write to all a personal letter and so we can really praise God for the papers for they make it possible for us to correspond with many that otherwise we could never be able to write to for lack of time. And how we do enjoy the letters from various ones as we find them in the papers. As we often say one thing that endears the papers to us is we know nearly all of their editors and contributors personally. Praise God for these means by which we can come so close together in spirit while we be so far apart. We are still making a bit of progress and are very conscious of the blessing of God upon us and the weight of many of your prayers with us. We have just experienced a very serious time and anxious time on the Rand gold mines. The greatest strike we have ever seen and which turned into something of the nature of a revolution and in the fighting many were killed but it never came near our dwelling as the word of God says. To God be praise. But with these troubles and martial law being upon us it has hindered more than one can well imagine but God has helped and some have been blessed, There has been about 12 or 15 baptized in water, about 25 or 30 additions to the church and some healings. I do not know how many, and many sought God on different lines. How many found what they desired I cannot just now say. In the Franskei the reports from the Quarterly Conference down there show ten converts, five baptized in water and five healed. God is blessing those people down there and we ask prayer for them.

Our Quarterly Conference, though it was changed a bit on account of the strike was quite a success and went off very smooth. The spiritual part was good such a spirit of unity being felt all the way through and several earnest seekers.

The opportunities are greatly broadening, we need helpers and especially your prayers that God may give us a mighty revival that will shake this land from side to side and souls may get to God on all lines. Yours in Him for souls.

STRAIN MEETING

Fayetteville, Ark., June 6

This leaves us enjoying this wonderful salvation. We just closed a meeting at Strain P. H. Church. Bro. Willis Warren did the preaching, and he sure did some good straight preaching. Many of the saints were benefited and rooted and grounded in the Word. The saints rejoiced and the devil howled. The saints shouted, danced and talked in tongues as the Lord blessed. While the saints rejoiced some of the backsliders and dried-ups sat back and had indignation because of the way we worshipped God, but HE gave the victory. Some even threatened to have us arrested for disturbing the peace and accused us of hypnotizing folks, but amidst it all I got saved, I sanctified and received the Baptism and spoke in tongues. We also had a healing service and God gloriously healed. I baptized four in water last Sunday and God gave us a good time in that service. Any one wanting an e-vangelist to conduct a meeting will do well in getting Bro. Willis Warren. Chouteau, Okla. Your little brother, still out for old-time Pentecostal truth and lost souls.

MEETING AT LINDSAY

Lindsay, Okla., May 30

I praise God this morning for His wonderful love and for what He is to me. We are here at Lindsay in a fight against sin and the devil. We have had quite a pull but the Lord will hear and answer prayer. Several in the altar for prayer. I believe the Lord will give us a good meeting.

While the weather has been bad, haven't had services half the time but the Lord is blessing the saints. The power of the enemy is great but our Father is more than a match for the enemy. We will go to Pauls Valley for our next meeting, the Lord willing. We will start the meeting June 8th. Pray for the meeting. I am still saved and sanctified and filled with the Holy Ghost, looking for Jesus to come. Glory, I can feel the glory bubbling up in my soul and praise His name forever. May God bless you all is my prayer.

REQUESTS FOR PRAYER

Caddo, Okla., June 6

I feel like holding on to the Lord. He is all and all to me. I am still saved, sanctified and the Comforter abides, but Oh, I am so grieved about my dear husband He has an ulcerated stomach and the Dr. says he can't be cured without an operation, but I know the Lord can heal when all else fails. So I ask the entire Faith family to pray without ceasing for the Lord to heal him. He is getting weaker every day. Pray for me that I may be able to stand what I have to go through with.

We enjoy the little Faith paper
Your Bro. and Sister in Jesus.

OAK GROVE MEETING

Mounds, Okla., June 6

Greetings in Jesus name. I just closed a meeting at Oak Grove school house. God blessed in giving out the Word. It was a seed sowing time. We could see the Word was being planted in honest hearts and at the close of the meeting some 8 or 10 came forward and gave their hand for more of the Lord as I asked for all of the Christians that saw God had more in store for them.

Praise God for old time holiness. God helped me in crying out against fashion and pride, and all such stuff that defiles the souls of people. Praise His Holy name, let’s cry out and spare not for God has not called us to uncleanness but unto holiness. Thank God for His word and for grace and backbone enough to preach it straight and clean. My next meeting will be at Pleasant Valley school house near Beggs.

Saints pray for me that I may be a blessing at this place. Saved, sanctified and the Holy Ghost abides.

J W Knight

Choteau, Okla.

Just feel like this evening adding a few words of praise. Truly glad because one day I got acquainted with the man of Calvary, thought of the sufferings as He was on Golgotha, thanks be to God forever. Then my stony heart was broken and Jesus came in to abide forever. Then later Christ’s prayer was answered as in St. John 17:17-19. Later on I received the Holy Ghost as in Acts 2:4 and Acts 11 and 16 and 19:6. So I am just free, thank God. The Lord is my healer and keeper. I mean to be a soul winner for Jesus, bless His name. Just feel like pressing on and seeing the end of a Christian life. I have 3 brothers and one sister, mother and father, we all are saved and all trust God for healing. All readers pray for me.

James McClure

Trousdale, Okla.

I thought it to the glory of God that I let you know that I still have the victory in my soul, the fire is burning, one of the pilgrims seeking a city not made with hands. I am so glad for the way, it suits me. Like Bro. Paul my heart’s desire and prayer to God for Israel is that all might be saved. Knowing that some have a zeal but not according to the knowledge of God. Oh, dear ones this is the time that we should be earnestly engaged in prayer that the Lord will enable us to stand the trials that are coming on the saints of God. May God’s richest blessings rest on one and all is my prayer. Your brother in Jesus looking for His coming.

J W Knight

Oakwood, Okla.

I realize the Lord has blessed me in many different ways. He has saved, sanctified and Baptized me with the Holy Ghost. I have 2 sisters and 2 brothers and they are all saved and 3 of them are sanctified. My mother is saved, sanctified and Baptized with the Holy Ghost, and my father is saved and sanctified. Praise the Lord for healing me. He has healed me of tonsilitis, and the doctor said I would have to have my tonsils taken out, but glory to God I didn’t have to have them taken out but the dear Lord healed me the night I was saved and that has been 10 or 12 months ago and my tonsils have not been sore since. I am a little girl 12 years old and my cousin is 11 years old and received the Baptism the same time I did. I am on the ladder and taking a step higher every day and ask the prayers of all the saints to pray for me that I may get more of His real Divine love. Your sister in the Lord.

Myrtle Kuykendall

Holdenville, Okla.

I am so glad that Jesus hung on the Cross to redeem me with His own blood. Glad that one time I found Jesus and he saved me from my sins, bless His dear name. Later on He sanctified me glory to His name, and then gave me the sweet Baptism of the Holy Ghost with the evidence of speaking in other tongues as the Spirit gives utterance, hallelujah to the Lamb. Glad that Jesus said if I go away I will send a Comforter, which is the Holy Ghost and that He would testify of Jesus. I had the privilege of going to Limestone while Bro. and Sis. Vaughan were holding a two weeks meeting. Had some good blessings. I thank God for Bro. and Sister Vaughan. Pray for my papa and mamma that they may receive the Baptism. Pray for me. Yours for the lost.

Renew! Renew!
AT ROSSVILLE

Wellston, Okla. June 12

I feel that it would be to the glory of God to let you all know how we are getting along down here in this part of God’s vineyard. The church in general is on victory’s side, shouting terms with the Lord. We have gone through some tests the past few months but thank God in spite of all the opposition of the devil, a few have stood true, stood on the promise of God and held on to Him, the One that fights all of our battles, believed Him who said where two or three agree as touching any one thing it should be done, and through the faithful efforts of our pastor, Sister Tolbert we have victory. Certainly feel as a church we have a real shepherd, one that shouts the victory in trials as well as in encouragements, to which we give God all the glory. We are planning and praying and believing God for a real revival which is set to begin July 1st D V. Are expecting Bro. Luther Dryden and Sister Weatherford to be here to help give out the Word and shout the victory. Now we ask all that read this pray that God may use them in a marvelous way with a united effort of the church—that many may get to God on all lines and this entire community stirred for God as never before. We thank God our revival has already begun. Bro. Byus has arrived home from Greenville, S C where he has been in the Holmes Bible School. He certainly is a power for God. Also Bro. Thomas Lindsay of Erick, Okla. stopped off two days and preached for us—God wonderfully used him. At the close of the service an altar call was made, several came seeking God, six prayed through to victory. Three prayed through to Pentecost. Last Saturday the 10th several came to Bro. Byus home the occasion being Bro. George’s 80th birthday, brought well filled baskets. After dinner was over Bro. George preached to us, 3 saved, 2 sanctified and 1 praved through to Pentecost, a real Pentecostal revival thank God. Two mothers, of other faith had not spoke for years made friends, cried, hugged each other, asked one another’s forgiveness, shouted the victory, for which we thank the Lord. About this time many were on their feet with them shouting, dancing, talking in tongues and praising God. We covet your prayers. We feel encouraged to go on. Also invite any who can come this way, to come be in our revival and help us fight the devil and shout the victory. Your brother in Christ. G M Gentry

AT PONCA CITY

Ponca City, Okla., June 6

This finds me in a battle here at Ponca City, where Bro. KE and Sister Annie Jolliff are pastors. We are having a good meeting and some have went through on all lines. The Ponca City saints have a nice church here, and Bro. Jolliff sure is a pastor, that has the work at heart. They have a church property that is worth $3000 and have it all paid out except a little on the lots, and that is most all pledged. They tell me Bro. Jolliff took this work on his shoulders and worked at public works by the day and pastored the church too, and worked and sacrificed time and labor to get the church. We thank God for children in the Lord like Bro. and Sister Jolliff. A fine little band of saints here. The power falls almost every service. Pray for me. Remember the Camp meeting at Woodville, Okla., (on Frisco 16 miles north of Denison, Tex.) beginning July 15. Come and camp on the ground. Bring your bedding and meals will be free. Come and enjoy an old time camp meeting. The Woodville people will welcome you to their town. Pray for this camp meeting. Yours out for the lost. EVANG. E G MURR Box 33, Seminole, Okla.

AT DURANT

Durant, Okla. June 10

I thought I would report once more. I praise God because He has let me get back on the battle field once more. I am glad to report victory over sin and the devil. I am at Durant, Okla., now and I beg the prayers of all the saints to pray for me and the meeting. Pentecost has never been preached here before. There are lots of Nazarene Holiness but they seem to be afraid of us, but they are getting the word straight and clean. Bro. T W Vaughn and Bro. LT Hargis, a young preacher that God has just started out in His vineyard. Well I praise God for grace enough to go anywhere and tell people about the wonderful Baptism of the Holy Ghost. Some people seem to be ashamed of the evidence of the Holy Ghost, praise God I am not because Jesus said the Holy Ghost would tell of Him and that He would speak, so I am proud that I am in possession of Him this morning. I am saved, sanctified and the Holy Ghost abides. There has been 3 saved and 1 sanctified. I do earnestly beg your prayers for me and the meeting. Your brother in Christ.

VICTORY AT ADA

Ada, Okla. June 12

Well we are still gaining ground on the front lines day by day. The street meeting was good, a land slide from the start to close, and one sanctified at the service Saturday night, and on Sunday, the 11th, a message on obedience. The power of God fell on all it seemed, saints and sinners wept and some shouted for joy. Sunday night Rev. J T Ferguson talked on true Holiness, altar call was made and there was 4 saved and 1 sanctified. A number yet seeking God. Large crowds, good order and hungry hearts. We are on this line and mean to hold the front until July. So come and join the fight and help shout the walls down. Yours in Him for the lost.

GOOD VICTORY AT ENID

Enid, Okla. June 12

At the close of the service the other night a man came to the door of the Mission and said "my wife is at home near the Mission unconscious, wantsome of you to come pray for her." Several went, and in a few minutes she was sitting on the side of the bed singing "Near'er my God to thee." What a wonderful God. One night a large man tried to get out the door when God was dealing with him and the Lord struck him down in the isle of the mission. And another brother seeking the Holy Spirit had a wonderful experience, when the Lord came as mighty refiners fire and he lay under the power and said he was being burned, and was so happy. Many have been saved and sanctified and some filled with the Spirit, and many healed of different diseases. Wife has been a wonderful help to me in the work here and we ask for your prayers. AT WESTVILLE

Westville, Okla. June 9

Dear Faith family. Peace be unto thee. I praise God for the old time way of salvation that is leading to the goal. I am now at Christie holding a few services this week, came down Monday will probably hold over until Sunday.

Will say the work at Westville in general is getting along very well. We have a good Sunday School of from 75 to a hundred in attendance have had up to high as 135, have as good and large Bible class as I know of anywhere, never have less than 15 or 20 present every Sunday, has reached the 40 mark. I covet the prayers of all the Faith readers for the success of the work here, also for two meetings I have promised to hold just before camp meeting and conference. One near Wetumka for Bro. Walter Harris beginning July 20th and the other one near Byars, Okla., the place where I have been raised up until I went to preaching. Will begin there about the 1st of August the Lord willing and then on to Camp meeting and Conference.
