Open Doors and Opportunities

**SHALL WE GRASP THEM**

Possibilities! Opportunities! Open doors! Possibilities such as only prayer, consecration and devotion to the Master will only enable us to attain. Opportunities, such opportunities as we must seize upon, and open doors, more than we can enter, unless there is a far deeper yielding up to God on every line. This is true of the home land from the length and breadth almost. Shall we be equal to the occasion? And some of the greatest open doors of our history are before us in the Foreign Mission work. In China we have purchased a home in Kowloon, Hong Kong, and while it is not fully paid for and we urgently need money to finish paying for it. This home is a wonderful step forward in our work in that vast empire of Gospel-less heathens, and without this home our hands would have been tied in a great measure. Now we have there on the field a staff of Missionaries that are staunch true-hearted soldiers of the Cross, some of them have mastered the Chinese language to where they are able to preach it well, and others are progressing well. But in China there is one great need. It is the need of the hour. That is finances to go forward. It had been planned to penetrate back into the interior opening up Mission stations, placing Missionaries as they became proficient in the language, while we sent fresh Missionaries to Hong Kong preparing themselves for the work. The possibilities of such a work as this are unlimited. Millions of souls dying without God, and we need to reach them, we must reach them with the Gospel. Just now we are held back on account of finances. Shall we hold our Missionaries in check until the lack of means, or shall we deprive ourselves of a few more pleasures, even necessities, and give them more rein and tell them to go forward. In India what seemed to be a golden God-given opportunity presented itself to us for the purchase of a Mission home and a permanent place for the spread of the Gospel, and thanks be to God, our General Official Board saw the opportunity, and through faith in God they went ahead and bought the place. It is located in a very good location it seems.

**GOOD MEETING AT CENTER**

A good meeting at Center, Okla. I thank the Lord for victory and for the good meeting we just closed the 17th. The Lord blessed in preaching the Word. 5 were saved and 3 sanctified and lots of folks at Center are convinced that we are on Bible lines and say they want more of the Lord. Bro. M L Dryden helped do the preaching. Bro. E M Roberts didn’t get to be with us as he was called to another meeting. Sister Lee was with us the first week of the meeting and she worked faithful what time she was with us. I thank the Lord for Pentecost I certainly enjoyed meeting so many of the brethren at the Camp meeting and enjoyed the good preaching. Pray for me. Your brother in Christ,

Jew Mandate is Great Document

END OF THIS AGE SEEN

Zion, Ill.—The ratification of the Jewish mandate, giving the Jews the right and protection to re-enter their homeland, is regarded by Wilbur Glenn Voliva as the greatest document in history—not excepting the famous magna charta signed by King John at Runnymede. This ratification by the supreme council of the league of nations on July 24, 1922, confirms the Balfour declaration and places Great Britain as the mandatory power and guarantees protection by international law to the Jewish race in their return homeward, after wandering throughout the earth for centuries.

“I consider this mandate the greatest document in history,” said Overseer Voliva, “not excepting King John’s famous magna charta, signed by him at Runnymede. It means we have reached a stage in the world’s history significance of which cannot be estimated—it is so stupendous in importance. It is a sign to the whole world of the approaching end of this age.

When Jesus said: ‘And they shall fall by the edge of the sword and they shall be led away captive into all nations; and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled’ (Luke 21:24) His word were literally fulfilled, and we find that the Jews have been scattered throughout the world for centuries, without a home, and yet not

Greetings in Jesus dear name. I will write a few lines as I never have written to the most welcome Faith paper. It is so welcome to my home. I love it for I get so much good out of it’s pages. It is growing to a large paper. Myself and little girl helped Bros. Dunnagan and Luther Dryden in the Center meeting. It was well attended, large crowds and good interest for so hard a place. Some few saved and sanctified, several seeking the Baptism. I sure believe God has some jewels He wants dug out at Center and Bros. Dunnagan and Dryden didn’t fail to dig, praise the Lord for such Holy Ghost preachers. This finds me still saved, sanctified and filled with the Holy Spirit, looking for the coming of Jesus. MANY GET TO GOD

Dexter, Okla., Sept. 25
I praise God for victory. Today finds me saved and enjoying the blessings of salvation. Closed a meeting at Powell, Okla., last night where God met with us in power. There were 24 saved, 23 sanctified and 9 received Pentecost. Left lots of hungry hearts there, a number seeking a deeper experience with God. Indeed I never met with a better class of people than at that place. Believe Pentecost's established at Powell. We are expecting greater things from the Lord yet, one man 69 years old, who has been a member of the Missionary Baptist church for 53 years, received Pentecost. His wife also was sanctified. Another Baptist man was sanctified and shouted. And danced, said he didn't know there was so much joy in salvation. A Nazarene preacher and his wife received the Baptism and spoke in tongues as the Spirit gave utterance. We are to begin a meeting here Sept. 26 to Oct. 13. Saints pray for me that God will make me a blessing to these hungry hearts. Your sister for a clean Gospel. ANNIE CARMACK

A FINE MEETING

Greetings to all the saints everywhere. Tonight we closed a meeting at Lexington. God has wonderfully saved, sanctified and baptized with the Holy Ghost. This town sure is stirred for God. One man said he thought there was two thousand people there the last night. The devil tried to keep Pentecost out of this town, but God had some pure gold there. There were 7 saved, 6 sanctified and 4 received Pentecost. This is the first time Pentecost was ever preached here. I want to be preaching when Jesus comes. I love the way of Pentecostal Holiness. I am glad I belong to a church that believes in a clean life. The meeting went on three weeks and also Bro. Dan T Muse came down and gave us a sermon on Foreign Missions, we took an offering and received $16.88. I go from here home for two days and then south of Washington to help Bro. McAllister in a meeting next Thursday. I am sending in 9 subscriptions to the paper. Pray for me. Your little brother for the lost.

VICTORY AT DUNCAN

Duncan, Okla., Sept. 25
The meeting in Duncan is moving on for God. While the battle has been a awful hard—every kind of a 'doctrine' has been preached here—and it took a week for Pentecost to break through, but thank God, victory has come at last, good real old time Pentecost is moving this town. I thank God for the Bible Pentecost way, I love it better every day that I live. Yours in Jesus for the lost.

MEETING AT KIOWA

Kiowa, Okla., Sept. 25
Greeting in Jesus dear name. Just want to send in a report of our meeting at Kiowa. We came here from Dillard last Tuesday and began a meeting at the Pentecostal Holiness church and our crowds have been increasing every night; had a street service Saturday and had a big crowd of hearers. There were 12 of the saints in the street service and God gave us good liberty. On last night we had one of the largest crowds that has been at the church since last spring. The house was crowded with people and some hungry souls gave their hand for prayer. Bro. D P Thurmond and wife, who were sent to FairOaks as pastor, are helping us in the meeting and others who live here. Pray for this place that God will shake this old town as never before and pray for us. With love to all the saints and our editors.

AT MILL CREEK

Sulphur, Okla., Sept. 25
Came home yesterday. Bro. Ferguson and I closed the meeting at Mill Creek Sunday night, and say I was raised on a farm and I know what it is to clear new ground and dig stumps and break new land, then I know what it is to get on a prairie or smooth land on a riding plow. We have been clearing and digging stumps and breaking new land ever since the Conference, but the Lord has been blessing us. I will not go into the details of it all, but will say God gave us the victory at Mill Creek, 1 saved, several reclaimed, 5 sanctified, 3 received their Baptism, 4 baptized in water. Closed with several in the altar, and a hearty welcome by all to come back. On the first of the meeting it wasn't that way. When you have Bro. J P Ferguson for a partner you have one that will stay and work any time or place, preach and pray or listen as humble as can be. Call him if you want a meeting. You'll do well to get him. As the finance is so scarce he and I can't go together all the time. Enclose 8 subscriptions for the paper. Amidst all the underhinging traps and firey darts of the devil, I still have the victory. Was wonderfully healed yesterday of something like appendicitis. Feel all right and expect to trust God to the end. Yours out for the lost. DAVE TROUTMAN

In the report of the list of preachers in last issue Evangelist Josie C Williams name was omitted by mistake. We are sorry this mistake occurred.

Evangelist L G Chilcoat and Seborn Posey passed through the City Wednesday night from the meeting at Cyril. The meeting at Fairview was a success and several got through on all lines. Evangelist Josie C Williams helped hold these two meetings. A further report is to appear in next issue.

LEXINGTON REVIVAL

It was our privilege to visit Lexington Sept. 16 and 17, upon invitation of Bro. Clarence Neukirchner, who was in the midst of a revival at that place, and desired us to hold a Missionary service, which of course we were glad to do. We had a right good Missionary service, and we were enabled to tell the needs of the Foreign fields to hundreds of listeners. An offering was taken up for the Foreign Missionary work. It was blessed indeed to hold this service in the midst of this revival, and other evangelists would do well to have a Missionary service also during their meetings.

The meeting at Lexington is the first Pentecostal Holiness meeting to be held in the town, and it is creating quite a stir, and while there has been much opposition, the walls were crumbling some and people, many of them saw the truth of Pentecostal Holiness. Many professed Christians have had their eyes open to the truth of God, and some have been seeking the Lord, and some prayed through. The crowds were very large, and attentive. Bro. Clarence has been laboring faithfully. The first man we met and talked to after arriving, told of the wonderful things that had been done for his home. His wife had been sanctified, and 3 of his children had the full experience, whereas at one time one of them formerly stole away at nights to the dances, but now rejoicing in a Pentecostal experience. No wonder this man would say a blind man could tell the difference. Another young man who had been accustomed to drinking heavily, has been saved, and sanctified and filled with the Holy Ghost, and is indeed a fire brand for God.

and believed and went down and received the Pentecostal Baptism of the Holy Ghost and spoke in tongues and was rejoicing in this great blessing. Others there were. It would be impossible to estimate the amount of good that has been done in Lexington and contiguous territory through our brother's ministry in this and other meetings.

A GOOD REVIVAL

Evangelist E G Murr held a revival meeting at Mountain View from Sept. 3 to 17th. This was a very blessed meeting with good victory, and with good interest, and attended by large crowds. A noticeable feature seemed to be the number of grown men and women praying through and getting the victory. Some 20 definite experiences were received by seekers, and all but one of them were heads of families so we understand. The meeting closed with many in the altar, 6 were baptized in water the last Sunday of the meeting, and 10 grown people united with the Pentecostal Holiness Church there. Bro. Murr's next meeting is at Dillard.

5 HAPPILY CONVERTED

A revival meeting was held at Woods from Sept. 3 to Sept. 17. Evangelist Marvin Oden helped the writer the first week, but on the second week was assisted by Bro. and Sister Scrivner and Mrs. Muse, who were a blessing to the meeting and the people. The visible results of the meeting insofar as definite experiences with the Lord were some 5 saved and 2 or 3 sanctified. Some were more or less revived and etc. Numbers of people came for quite a distance to the meeting. Much good was done. The conversions were genuine, 4 of the conversions were full grown people who rayed until they actually got victory and received some of the glory of heaven in their souls. The other conversion was of a young lady who seemed to get a good experience. A Missionary offering was taken up at this meeting.

SOME GET VICTORY

The meeting held at Beggs, Okla., by Evangelist OC Wilkins resulted in much good being done. Bro. Wilkins is an able fearless preacher that does not hesitate to declare the whole counsel of God without favor, and preaches it straight and clean. Some of the visible results of the meeting were 2 saved 2 sanctified, and 1 received the Baptism of the Holy Ghost according to Acts 2:4.

3 SAVED, 1 SANCTIFIED

There was 3 saved, and 1 sanctified in the meeting at Troy, Okla. The meeting lasted about 6 days. Numbers told us they were better men and women after the meeting closed (got reclaimed). Bro. Dave Troutman was with me and sure did some good preaching. Numbers came to us and said it was the best preaching they ever heard. We have thousands of souls here in our country without the full Gospel, Let us keep Bro. Dave in the field, for God has His hand upon him. I mean when we have him to hold us a meeting, do our best for him. Remember when he goes out into new fields his collections are very small. God bless all the evangelists. We organized a church at Reagan with 7 members. Baptized 12 since our revival there. Wife and I are open for calls to hold meetings except one Sunday a month. Can give reference if you are not acquainted with us. Saved, sanctified and filled with the Holy Ghost.

MT. VIEW CHURCH

Snyder, Okla. Sept. 19

Greeting in Jesus name. I will write you this morning while it is raining. Bro. Murr just closed a meeting Sunday night at Mt. View, Okla., where I am pastor. We sure had a fine meeting. I didn't believe I saw a power meeting. I have seen more people go through on different lines. There was about 22 went through on different lines, but they were folks that will be a power for God. I think they will be folks that will pull when we start up a hill. You know we will have some hills to climb. Thank God, we want folks that will pull when it comes time to pull. We have got too many now that pull back. We want saints that will pull forward and will say glory, while pulling, thank God. I feel like saying glory, now to the glory of God, for I know there is victory ahead for those that are overcoming, Saints let us run for our life, God is leading this army.

Bro. Murr sure did some good preaching. God stood by him, I never heard any better come from a plow boy. God sure is with Bro. Murr in giving out the Word and he don't get puffed up over it, he gives God all the glory for it. We sure had large crowds all the time; the altar was full most of the time. The night before the meeting closed there were 24 in the altar and the night the meeting closed there was 22 in the altar. I never heard such praying for God to help, several came up and said pray for me. Ten united with the church and six were baptized in water. The devil howled as usual when he gets hit and he sure did get hit with the Bible. The devil runs around and says we haven't got a clean church here but I will say we have and we have got as good a church as there is in the State, it is open for inspection we haven't got anything covered up here. We mean to go to heaven, if any good people want to come in with us we would be glad to have you, if you don't want to measure up to the Word we don't want you, we could get lots of that kind; we are not seeking numbers but it's the clean we want to come in with us, I am proud of the Mt. View church, bless God. If anyone wants some one to hold a meeting for them I am sure you won't make a mistake in calling Bro. Murr, we have made a date with him already for a meeting at Mt. View to begin the first Friday in April, if anyone wants to come to this meeting we would be glad to have your help. Well I will close. My days at Mt. View is Saturday before the second Sunday in each month. Pray for me, Your brother in Christ.

OAKDALE MEETING

Something we overlooked in last issue, was to report something of the meeting held by Evangelist C T Reece at Oakdale where 10 were saved, and 3 sanctified. This meeting was held where it had been customary for the arbors to be burned down, and almost impossible to hold a meeting, but the Lord blessed Bro. Reece and gave him access to hearts.

That quarter or half a dollar you carelessly spend could be well spent helping to get the words of eternal life to benighted souls in heathen lands.

CENTER MEETING

Center, Okla.

To the Faith family. Greetings in Jesus name. Just closed a meeting at Center. Bro. Dunnigan and I held a 2 weeks meeting. The Lord gave us a good meeting. Some few prayed through, God helped us to give out the Word and the town was stirred. Thank God for the truth. If we'll measure up to it, it will make us free. I am sending 2 subscriptions. Yours in Him.

ANOTHER NEW CHURCH

Since Conference I have been called to the following places to see some church business: New Model, Clinton, and Lookeba, Okla. The Lord blessed and set His approval on the work that was done for which we praise Him. We organized a church at Lookeba, Sept. 17th with 11 members with others to come in at the first opportunity. The Lord especially blessed in this service, convincing people that God was pleased with the action.

A full announcement of the quarterly conferences will appear in the next issue of the paper. Yours for His service.

Dear Faith family. I am truly glad that to day still finds me saved and sanctified. I know that there is a Jesus that can save from sin. I haven't been in this holy way very long but with His help I mean to go all the way with the Saviour of this world. I am only fifteen years old, but I feel that I am just starting out for Him. I feel that He has a great work for me. Every time I think of the souls that are on the downward road it makes my heart bleed for them. All who read this pray for my home, my father and mother believe in sanctification and the Baptism but neither one of them have the experience. Pray that I may go on, doing the Lord's will, and also that I may receive the Baptism of the Holy Ghost. Your sister in Christ looking for the soon coming of Jesus.

Greeting in Jesus dear name.
To the Faith family. As I am sending in my renewal for the Pentecostal Holiness Faith paper, I feel led to send in a few words of testimony for my blessed Saviour. I want to be found on the witness stand testifying for Him when He comes or calls, bless His dear name. I am still fighting sin and the devil, praise His dear name. My soul mounts up towards heaven with the joy bells of heaven ringing in my soul, oh glory to His name. Saints let's look up for His coming draweth nigh. Pray much for me that I may keep humble at His feet and do the little things He would have me do. Pray that my unsaved family may be saved before it is too late. Your sister under the Blood looking for His soon coming.

Elta Millions

Wagoner, Okla. Sept. 12

Greetings to all the Faith family. We arrived at our new home last week: we like this place and feel that we are in the center of God's will. Feel just like we are at home, praise God. We ask God to give us the best year of our life and I know He will. We are sorry to report the death of one of our members, but we feel she is in a better place than home, my father and mother be.

Mrs. Elizabeth Roberts was born in 1845, and died Thursday evening at 7 o'clock. Before her death she sang a song 'Beautiful home, beautiful flowers.' Her last words were 'I want to go home to mother.' Surviving her are 3 daughters and 3 sons, namely Mrs. Villa Smith and Mrs. Delta Bradshaw, of Okmulgee, Mrs. Naoma Ogden, of Independence, Kans., George, Benjamin and William Heath. She was a member of the Pentecostal Holiness church at Wagoner.

Jefferson D. Anderson was born in Cleburn County, Ala., Jan. 22, 1861, died at Wesley Hospital, Oklahoma City, Aug. 19, 1922. He had been failing in health for about two years and the last two weeks of his life he suffered intense pain.

We truly feel that he has gone to rest with Jesus. He was converted when 18 years of age and united with the Primitive Baptist church. Afterwards was dropped from their church because of uniting with the Mason lodge which is against their rule. He drifted back into the world and at the time he was brought to the hospital was in a backslidden state. It was my privilege to visit him daily and talk with him. He told me he was not clear in his acceptance with God and ask that we pray for him: we did so, and after several days he was gloriously reclaimed and on my last visit with him he told me he felt all right and nothing in his way. Praise the Lord for His great love. We here just urge the loved ones to live to meet their dear father in a land where sorrow never comes.

Bro. Anderson was the father of a fine large family of sons and daughters. I think all but one are living and all had the privilege of being with him part of the time during his illness. His remains were shipped to Carnegie Okla. and laid away in the Alfalfa Cemetery to await the resurrection morning.
Dear Faith family. Am glad to report victory over sin and the devil. Am so glad this eve that the time ever came in my life that I was willing to give up the world and all worldly pleasures for Jesus. Greeting. Will report the Lord for the way of holiness because I know that no unclean thing can pass over it. I love the way with all my heart. Oh I am so glad because I know beyond a shadow of a doubt that I am saved and sanctified and I expect by the help and grace of God to go through with Him regardless of the cost. Oh, I do thank the Lord for the service we had Sunday night. The Lord was most surely present. Several at the altar. One saved, one reclaimed and one sanctified. O I am so glad because I know God is still on the throne, still able to save and keep saved, bless His dear name. I praise God for His many blessings and for the way He has kept and cared for me. Saints I have many unsaved loved ones help me pray for them that God will in some way get hold of their hearts and save them. Husband is also unsaved pray much for him I do want to see him saved so I will have some one to help me fight the battle. Pray for me that I may receive the Baptist of the Holy Ghost. Your sister in Christ.

Can you rest content so long as the Master says “Go ye into all the world and preach the Gospel to every creature.”

The record tells us that “he that believeth and is baptized shall be saved; but he that believeth not shall be damned.”

Consecration

“I aim to preach it. I know my calling, and by the grace of God, I aim to stay with it.” That is an extract from a personal letter we received from a minister on the battle field just after he had been in a meeting and his offering was some $4.00, and he is a man of a family, whose wife and children need clothes and food as well as others. This same brother has rode miles and miles over rough roads in a wagon to hold a meeting and received something over a dollar, and a consecrated heaven-given wife at home telling him to go on that she’ll live on what comes in.

Say brother, “how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? and how shall they preach except they be sent?”—Rom. 10:14. The great responsibility is upon us and we must meet the situation or millions will be lost.

Just came in home. Since Camp meeting I have been with Banner church. God is blessing me in giving out the true Word of God. According to His Word, "We know we have passed from death unto life because we love the brethren." We see a few that are trying to go through and have a spiteful spirit toward their brethren; but God says in Prov. 16:25, "There is a way that seemeth right unto man, but the end thereof are the ways of death." Praise God for showing me I had to manifest the spirit of love to my fellow man and brothers and sisters. We see today if God places some of us in His church to do His work we take so much authority of our own that it soon ruins the influence with other people in the town or community, then our own hearts condemns us and then we think, well this is me I don’t have to go the humble way with Jesus I can shout and make it all right with the Lord then they get up to testify they begin to try to pump up a shout but God holds them down. They will walk and slap their hands until their hands are almost blistered to try to make people think they have the victory. Say do you know that James 5:16 says "Confess your faults and pray one for another that you might be healed." Now if we come to the place where we can’t have the victory or the love for our brother let’s obey James 5:16 and confess our faults and God will fill us with great power and love from above. Pray for wife and I we will go to Schulter, Okla., at 5 o’clock this evening to hold a revival there. Then the 30th of this month we will leave (D V) for Greenville, S C where we will remain in the Holmen Bible School. Pray that God will teach us by the Spirit of the Holy Ghost. Your brother for lost souls until Jesus comes or calls.
