Signs of the Soon Coming of Jesus are Evident on Every Hand

THE JEW AND PALESTINE

For the children of Israel shall abide many days without a king, and without a prince, and without sacrifice, and without an image, and without an epoch, and without teraphim: Afterward shall the children of Israel return and seek the Lord, their God, and David their king; and shall fear the Lord and his goodness in the latter days.—Hosea 3:4-5.

One of the positive facts of prophecy is the return of the Jew to the chosen land of Palestine in the latter days. It is indicated by the declaration of many of the prophets, and the Lord himself said, "And they shall fall by the edge of the sword, and shall be led away captive into all nations: And Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled."—Luke 21:24.

The Jew must return to Jerusalem, that is Jerusalem and Palestine. Just needs be restored back to the Jew again in the latter days, and so Jerusalem was to be trodden down of the Gentiles until the times of the Gentiles be fulfilled. And now we have come to a period in the history of the world when Palestine is reverting back to the Jew again. Most all of us are familiar with the fact of the capture of Jerusalem from the Turks by the British and of the promise to restore it to the Jews and have an independent Jewish republic under British protectorate. In our last issue we gave some clippings from secular newspapers, one of them telling of the ratification by the supreme council of the league of nations of the Jewish mandate giving the Jew the privilege of returning to the home-land, which is regarded by some as one of the greatest documents of history. Now we are giving an article from the New York Sun telling of the Revived Sanhedrin: "The official revival of the ancient Sanhedrin at Jerusalem is an event of no small significance, at least sentimentally, as a symbol. It will mean much to Jews the world over, through what its authority or power may be remains vague. At its most modest valuation it is a graceful and generous political gesture. Sir Herbert Samuel, the English High Commissioner in Palestine opened the first session of this venerable council with a speech which has been compared to "the first appeal of Nehemiah after the return from Babyloon. It aims to mark a genuinely new beginning, but harks back also to the misty beginnings of Jewish history, that ye may be this is not the first official attempt to revive this ancient council. Napoleon entertained the idea in 1807, but planned to recreate the body in Paris. The present British revival, following other lines, may conceivably become permanent." And so rapidly the Scripture is being fulfilled and those who are watching intently for the coming of Jesus and are scanning the horizon, as it were, for His coming, recognize in this a direct testimony of the coming of Jesus, and many hearts are being thrilled at the expectancy of His soon coming. God says, "For if the casting away of them be the reconciling of the world, what shall the receiving of them be, but life from the dead?"—Rom. 11:15.

In the face of the Scriptures and the actual happenings that are transpiring now concerning the Jew it can not mean less than that the times of the Gentiles are rapidly coming to a close, and that life from the dead, or the rapture of the saints is near at hand. Our adoration could be described in the language of the Bible: "The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light."—Rom. 13:12.

"Seek ye the Lord, all ye meek of the earth, which have wrought his judgment; seek righteousness, seek meekness: it may be ye shall be hid in the day of the Lord's anger."—Zeph. 2:3.

And also the words of Jesus to "Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man."—Luke 21:36.

CONCENTRATED WEALTH

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: lo, I am with you always, even unto the end of the world."—Matt. 28:19-20.

"And now I say unto you, Ye must believe on me, that ye might have life through my name."—John 11:26.

"The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light."—Rom. 13:12.

"Seek ye the Lord, all ye meek of the earth, which have wrought his judgment; seek righteousness, seek meekness: it may be ye shall be hid in the day of the Lord's anger."—Zeph. 2:3.

Scipio Meeting

Scipio, Okla. Oct. 6

To the Faith family and its readers, the great family of our Lord and King: who is soon coming to catch away His bride, I am truly glad I can report victory in my soul this morning. Just after Conference I arrived at Limestone, Okla., had a two weeks meeting with a very good interest, quite a great fight against sin, but God blessed in giving out the Word and the saints were encouraged to go on in the good fight of faith. From there we went to Calvin, joined Bro. Dean and Lillie Smith in a battle for lost souls, Had a pleasant time with our old friends several got to God while there. Came to Scipio from Calvin joined in a battle against sin and the enemy with dear Bro. Stephens and the saints at Scipio. Have been here a week. 2 have been saved, 1 sanctified and some seeking the Baptism of the Holy Ghost. Say it is a battle indeed but God is more than a match for the enemy. Pray for the saints here, for they have a hard fight, so much opposition against Pentecost. God bless the faithful few at Scipio. We are contemplating on going to Hulbert, Okla. from here for a meeting. Saints pray for us at Hulbert. We want this year to be the best year of our lives for Jesus and lost souls. God help us to be at our best for Him. We earnestly covet your sincere prayers.

AT KIOWA

Kiowa, Okla. Oct. 12

Greeting. Just want to report victory in my soul this morning. Wife and I and Bro. D P Thurmond and wife just closed our meeting here Sunday night. We had a hard pull here, do pray for this little church. I do believe they have had the hardest pull here of any place I ever saw. It seems like the devil and every old hell hound he has has been on their trail, but thank God, in spite of it all there are some as good men and women in Kiowa as ever lived, We are thanking God that He ever sent us this way the people of Kiowa sure has been good to us for which we give God the glory, and we long to see the day when we can come back and visit this people again. So may God's richest blessings rest on them and their pastor, Bro. Green is our prayer. With love and best wishes to all of God's children, we remain as ever yours for the Master and lost souls.

A Few Words

It was our privilege to spend Sunday, Oct. 8, with the Hill Top and Calvin churches in the interest of Foreign Missions. At Calvin they are to take up Monthly Missionary offerings, arrangements to be made this coming Sunday. Bro. G B Tims who was holding a revival meeting at Purcell invited me to come down there Saturday, Oct. 7, but much to our regret we were not able to go on account of another appointment. It brought regret to my heart that I could not go. Pray for the Missionary work.

REVIVAL AT ENID

In a personal letter from Rev. J A Campbell, of the Enid Mission, he states: This finds us very busy, as a great revival has broke out here among our people. One man received the Baptism in the S S class. Some have got ten through on all lines, praise God. The devil is mad and has threatened to stop the work and blow it up with dynamite, but we have one who is stronger than dynamite, praise His name.

25 GET THROUGH

Purcell, Okla. Sept. 27
Dear saints of the most High.
The meeting that was held at Fairview by Sister Josie Williams and Bro. Luther Chilcoat was a blessing in many ways. Just how much good was done I am sure eternity alone will reveal. Some 25 got through on all lines and several was healed, and many were seeking at the close of the meeting. I have been in the meeting at Lexington some. The power is falling and folks getting through to God on all lines, it seems like it is God's time in this part of the country. A meeting is going on at Purcell I will join them tonight, so pray for this meeting. As ever your brother looking for the soon coming of Jesus.

VICTORY AT MT. VIEW

Mountain View, Okla.
Greeting in Jesus dear name. I want to thank and praise the Lord for what He is to me, I find He is a great friend indeed, bless His dear name. I love Him tonight more than anything in this world. Bro. E G Murr closed a revival here last night which is to be long remembered in Mt. View. There were 20 got through on all lines. Meeting closed with 24 in the altar. Bro. Murr sure is a God sent man, he done some wonderful preaching while he was here. The Lord sure did bless him. There was 6 baptized in water. Ten came in the church. He certainly was a great help to the church while he was here. Pray for us here that we may ever be found doing the things that are pleasing to the Lord. Pray for my loved ones that are in sin and pray that I'll ever get to the place where Jesus can Baptize me with the Holy Ghost.

LOLA HENLEY, Sec.

Mountain View, Okla.
To the Faith family. Greeting in Jesus name. I am real glad I am one of them this morning, praising God for His wonderful power to save and keep saved. I am so glad that God sent Bro. Jesse Cook to Mt. View one year ago and God preached Pentecost through Bro. Cook and gave me an honest heart and I believed and God sanctified me, praise God forever. And dear people I understand there are some that doubts the healing of Bro. Jesse Cook of cancer. I want to say while Bro. Cook was here one year ago the cancer was so bad he could hardly preach, I saw the blood through his shirt; and praise God the Lord led him back to Gotebo, Okla., the first of August this year and praise God I went to his meeting and can say the cancer was gone. The Lord sure did bless in Bro. Cook's meeting near Gotebo, People came for 20 miles around, I am praising God for Baptizing me with the Holy Ghost in that meeting. Thank God for such men as Bro. Cook and Bro. E G Murr. Bro. Murr closed his meeting at Mt. View Sunday night with wonderful interest. The altar was full, praise God. I never heard the Word preached with such wonderful light before.

About 15 or 16 prayed through on all lines. Bro. WO Peters baptized 6 in water Sunday afternoon, we received 9 in the church Sunday. So I am praising God for His wonderful power. This is the first time to write to the Faith. I am asking the prayers of all the saints for me and my household that we may be a blessing to other people and God. Your brother in Jesus.

MANY SEEKING GOD

Duncan, Okla.
I praise God for the old time Holy Ghost power. This morning finds me in Duncan, Okla. on my way to glory. The meeting here is moving off just fine, having large crowds, more than the tent can seat, and for a distance around it, fine order and good interest. Many are seeking God, and going through to God. There has been almost everything preached here seems to me, and people's minds are all confused, but there. are some who have been professing even to having the Holy Ghost that are coming to the altar and seeking God. They say they never have had a thing. I praise God for the old time Bible way of Pentecost that will stand up anywhere. There is quite an interest among the Nazarenes. Many are seeing that they didn't get the Holy Ghost in sanctification. May God bless all the Faith family and true Pentecost everywhere. I covet your prayers to hold me up. The one who means to meet you at the Great Supper of the Lamb, Jesse A Cook
Sulphur, Okla.

I am saved, sanctified and the Holy Ghost abides, looking for Jesus to come soon. By the grace of the Lord I expect to go with Jesus when He comes after His own. I love the way of holiness better than the world. It just suits me. Pray for me. May the Lord bless you all.

Well praise the Lord. The meeting is doing fine and souls getting through to God most every service. The power is falling and saints are shouting the victory. VICTORY AT CALVIN

Wagoner, Okla.

Dear Faith family. Greeting in Jesus name. Glad to report victory in my soul today. We have just arrived home since leaving for the camp meeting. Came by Shawnee for a few days and from there to Calvin where we began a meeting on the 8th of Sept., closed on the 1st night of Oct. with 5 converts, 1 sanctified, 3 united with the church, 4 Baptized in water. Many were blest in a wonderful way. The town and surrounding country were stirred for miles. We were invited into some of the nicest homes in the town. Many people are interested in Pentecost.

There sure is a live band of saints in Calvin and they know how to make one feel at home. We had our meeting in the park and I never saw better attention in my life in an out door meeting. There are sure some fine people in Calvin and they know how to behave at church. We had the good will of most every one, while we tried to preach clean and straight and cried out against sin in every form. They said that was what they wanted. The people did a good part by us with their means. Any one passing through Calvin will find a welcome in the church there. All who read this pray for us that we may obey the Lord in every way. We are out to do our best for the Lord, We are going to make this the best year of our lives by the help of the Lord. Any one wanting us for a meeting may write us at Wagoner, Okla. As ever yours for the lost.

DEAN and LILLIE SMITH

ALABAMA CHURCH

Okmulgee, Okla. Oct. 1

To the Faith family and its many readers. Greetings. I want to praise God for victory through the Blood of the everlasting Covenant of Jesus. Well I didn't get to go to the camp meeting and Conference, but there has been several clouds passed through here that left a shower for me. Since I have been assigned to the Alabama church I have had two Sundays the 3rd and 4th. We sure had a fine time last Sunday. Bro. Lon Wilson went down with me and the Okfuskee County singing Convention was on and they sang all day and had dinner on the ground. Had a real good time and Bro. Wilson preached in the evening on the signs of the coming of Jesus. The Lord blessed in giving out the Word. Brother Walter Harris was with us part of the day. We had service, Saturday night before the 4th Sunday, good service, Sunday School and preaching next day. Sunday night the Lord gave special liberty in giving out the Word. I preached on the preparation of the saints, after which we opened the doors of the church and 4 new members came into the church for which we thank the Lord. Some say this is a hard place but I am not complaining, I told you I would do what the Conference said. So you needn't try to discourage this preacher for I can see the victory ahead. There are about 15 young girls and women seeking Pentecost and I am looking for a real shower down there soon. Bro. Dave Troutman will commence a revival on Friday night before the 4th Sunday of this month. Let every one pray for this meeting. I am ever your brother in Christ. O M MILLSAP

FAIRVIEW AND CYRIL

Cyril, Okla. Oct. 6

Dear Faith family, how are you all, moving on for God I trust. The meeting was a real meeting at Fairview, the power was prayed down in the old time way, many went through on all lines. It was truly wonderful to be there. Sister Josie Williams did most of the preaching, it went home to hearts for which we all thank God. I left Sister Williams to close that meeting and I came to Cyril, Okla. and joined a few dear saints four miles out in the country under a brush arbor. God put His hand on the third service the power fell on the Baptized saints, they danced, talked in tongues and magnified the name of Jesus, well glory, it pays to stand for a full Gospel. Sister Williams came in on Monday and did the preaching until Sunday night. It was a blessed seed sowing time. Brother S L Posey came in on Friday night to sing with us. It was cool under the arbor and the people was scattered, so with the seed sowing we left a date for next August 5th, to finish the meeting. May the blessings of Heaven rest on the dear people of that community. I came by Oklahoma City stayed a few hours in Bro. R B Beall’s home, it just seemed like the dear Lord had it ordered for us to meet a number of the saints and of course we had prayer and it pleased the dear Lord and He blessed, thanks be to His name. When I reached home, made a trip to the churches it was sure blessed to see what a dear charge God has permitted me to have. I trust I will be a pastor indeed. So love to all the dear Faith readers. I am for His cause.

LUTHER G CHILCOAT

Saved, sanctified and Baptized with the Holy Ghost.
Maysville, Okla.

I would like to add my testimony to the many that will be in the paper this issue. I truly do love the dear Lord with all my heart. Am praising Him for health and for our dear Jesus who came to this world and hung on the rugged cross of Calvary that we might live a life here that we nor He will be ashamed of. When I think how near His coming is and how necessary it is to be ready. It makes me pray more to be more like Him. One of my school mates held a precious meeting down here and five were saved for which we praise Jesus. And Sister Susie is still here holding prayer meetings on Wednesday and services in the church on Saturday night, Sunday and Sunday night. People are very interested. Dear saints pray much for this place, we would like to take this place for Jesus. Sister Susie is looking forward to the time to hold a meeting at a school house five miles from here. Pray that God will open the way, and that many may hear and believe the Gospel. Pray for me and my husband that the dear Lord will have His way in our hearts and lives.

Mrs. Bertha Chester

Ashland, Oregon.

Dear Faith family. Greeting in Jesus name. Just a few lines to the dear home saints scattered abroad. First I must admit that I'm very timid about writing especially a testimony as I always feel my inability to express my self. But I do enjoy reading the saints' testimonies so much. First I must tell I'm still in love with the old time way, every way I look in this western country I'm face about with "new light" so called. But I've always been able to say "we have too much new light, give me the old paths!" Oh praise Jesus because He has kept me firm in the faith which was delivered unto us in the beginning. God's Word tells us to remove not the old land mark our fathers have set. I haven't compromised or let down the standard in order to get to preach in any church. This leaves me weak in my body as I've been sick about 10 weeks. But I'm perfectly healthy spiritually, thank God. Now concerning the work here. First I must say this is a valley of "dry bones", but I said as Paul of old said where sin abounded grace did much more abound. How earnestly I have prayed ever since I've been here that God would send some able person here, but it takes an able person. Can't some of you able preachers hear the Macedonja cry. Oh that God would send just the right one. It seems that I can't stand it much longer. I'm preaching when I get a chance, helping in the street service, but seems like the progress is so slow. A revival is being held here by Dr. Price. He is one of Mrs. McPherson's converts; he is a very able man and I believe he is a real child of God. While I don't agree with him on one of his doctrinal points. He preaches justification but teaches sanctification and the Baptism as one experience. He calls it the second work of grace but believes speaking in tongues is the evidence of the Holy Spirit. Now of course I can't agree with him on that point but the Lord has blessed the Word and his efforts in trying to win souls, God has honored him with some real miraculous and wonderful healings. I have seen deaf ears unstopped, the dumb tongue to speak. cripples to walk, blind eyes opened, goiters, tuberculosis healed, doctors give written statements of such; but I long to hear the Word preached by the old standard. He has most of the ministers of Ashland and Medford on the stage with him excluding the Pentecostal people. I've found some very precious saints here but divided in doctrines. My heart is made to bleed when I view the scenes for it reminds me of a fold of sheep without a shepherd and wolves scattered the flock. O Jesus give us a real shepherd; one that will bind up the wounded gather them gently together in one fold pouring on oil and wine bind us all in bonds of love. You don't know how I long to be with you in the Camp meeting and conference. But praise the Lord I hear the rustle of the wind in the Mulberry trees and the Ark is coming up the road. I feel determined to lengthen the cords and strengthen the stakes for God. Pray the Lord to touch my body if it's His will and keep me strong spiritually. Yours in the glad service of our King.

AT PURCELL

To the Faith family. Greeting in the name of our Christ. I want to report I still have victory over the devil and enjoying full salvation. I am in a meeting here in Purcell, my old hometown. Have been here 2 weeks. Having large crowds and good attention, but haven't seen much visible results yet. On account of rain we had to move into the court house one night. Some people said the people in Purcell would not go to the court house to a holiness meeting. But the Lord is working in Purcell and the courthouse wouldn't hold the crowd. The devil is stirred, but we expected that. We are here to fight sin and the devil; and preach Holiness pure and clean. We go from here to Bartlesville, and Elk City to take up our work there. Saints pray for us. Your brother in Him. G B Tims

AT STALEY

Haldon, Okla. Oct. 3

I take pleasure in writing a few words to the paper in regard to the meeting I just closed at Staley, Okla. We had a very good meeting. God helped us give out the Word straight and clean. Pentecost had never been preached there much, and they were made to wonder. They invited us to come back in the near future and hold them another meeting. If any body feels like they wanted me to hold them a meeting I would be glad to come at any time, for I intend to be in the evangelist work all of this year. I will close by asking the prayers of all the readers of the paper. From your brother in Christ.

J T COPENHAVER

AT COFFEYVILLE

Coffeyville, Kans. Oct, 3

To the Pentecostal Holiness Faith. Greetings. May the Lord abundantly bless you all, glory to God in the highest. Well I got here in Coffeyville, found Bro. L T Wright with meeting already under way. I learned before I found the place that Bro. Wright had been refused the right to preach in the other Mission because he preached sanctification as a second work of grace. So we preached the first night we got to the Mission song service was going on. So God has wonderfully blessed and gave the victory and saints shout and dance and talk in tongues and every one that belongs to and comes to this Mission testifies to the two works of grace and the Holy Ghost as a filling. Souls are in the altar every night and are getting through on Bible lines. Nine middle aged men in altar besides others. The house crowded to capacity and cars bring people from adjoining towns. Independence was represented by five car loads Sunday. God is certainly blessing and I do praise Him for being loose for Him and I do believe God is honoring our work more than ever before, Pray for me that the Lord will make me a blessing also pray for wife and family while I am away. Several accepted healing. Don't know how long will continue here until God says it is enough praise His name for the victory. Saved, sanctified and the Holy Ghost abides. Your brother in His glad service. LON WILSON

KEEP THE HOME FIRE BURNING BRIGHTLY

(Tune—"Let the Lower Lights Be Burning")

By Claude Roberts

Just beyond the ocean billows,
In the gloom of heathen night,
Countless souls in darkness,
Longing for the Gospel light.

Chorus
Keep the home fires burning brightly,
Send assistance o'er the wave;
Many helpless, hopeless heathen,
We can rescue, we can save.

Over there our Missionaries
Strive with consecrated might;
And we too must do our duty.
We must keep the home fires bright.

Strong the chains of heathen bondage,
In those dark lands o'er the sea;
But our Christ can break their fetters,
He can set sin's captives free.

Holtville, Calif.

As I have just finished reading the little paper, I thought in my weak way I would try and express the joy I feel in reading the experience of so many of God's children enjoying salvation. I have never written to the paper before as some of you know, the devil tries to defeat by saying, "what good would your little testimony do. But tho' it doesn't help anyone I feel blest to say something. I suppose what is my greatest failing, letting other people do too much of my saying and I the listening. But even though I am keeping silent I surely enjoy reading the paper. I am enjoying God, a presence in my soul. I have heard people say, "I am sure California is such a worldly state it is hard to live a Christian life." But thank God He is the same here as anywhere if people will only give Him a chance; of course it is true California has many inducements that other states don't have. But Mother Tolbert can tell you there are some true children of God here. As I look out over the world, and see so many unsaved people going to eternity unprepared it makes my heart ache. Oh unsaved friend only stop and give God a chance to talk to you about your soul. What will it profit you if you gain this whole world and lose your soul. A day in pleasure for an eternity in hell doesn't seem to me would appeal to any one. Oh I do thank God for a dear Christian mother who sat and prayed over me when I was but a babe. How often she has talked to me about giving my life to God. It was through her prayers that I am a child of God today. Oh for more mothers that will talk to their children when they are young about their soul. I have met with mothers that say they are Christians and they have a family of children and you never hear them talk to them about being saved. If our mothers haven't any influence over us who has. I believe there would be more Christian people today had their parents instilled in their minds when young the wages of sin. I want to be found at my post of duty. The Lord being my helper I want to cut every shore line and launch out on the promises of God. I know He has promised never to leave me alone. Though the fight be hard and long and the enemy be strong I am determined to go through.

SOME SAVED

Mounds, Okla.

I wish to report victory in Jesus name. I am just back from my second appointment at the church at Banner. The Lord met with us and we had good services each time for which I praise the Lord. There was one saved the first appointment and one this time. Bro. Stark was with us this time and did the preaching. We are always glad to have Bro. Stark with us. God surely did bless him in giving out the Word. Bro. and Sister Burns was also with us. There was a wonderful case of healing. Sister Lillie Burns was taken suddenly unconscious and speechless at the 11 o'clock service. We laid our hands on her and prayed and anointed her with oil in the name of Jesus, and the Lord healed her and she shouted and gave the great God of heaven the praise. Saints please pray for me and for the work at this place that all things may be done to the glory of God. G W Knight

VICTORY AT FAIRVIEW

Dear Faith family. Greetings in Jesus dear name. This morn ing while the sun is flooding the world with its light the sun of Righteousness is flooding my soul with His love and power. Oh how sweet to feel the abiding presence of the sweet Holy Ghost. I do want to tell you about the good meeting the dear Lord gave us at Fairview church near Pur cell, Okla. Bro. Luther Chilcoat of the Bethel church, was one of the workers in this meeting and he is surely a blessing wherever he goes. His help in this meeting was invaluable, and Bro. and Sister Arthur Williams are the pastor at this church. I have been in a number of battles with them and they are true soldiers of the Cross. How the dear Lord did rain His power down. It just came in flood tides some times. Souls prayed through on all lines. I am not prepared to say how many. The last night of the meeting God's power was so great in the testimony service it looked like some of the saints would almost be translated in this meeting. I never saw saints work better together. There sure are some saints at Fairview who will go through. They have endeared themselves to our hearts. Their sweet sacrificing Christian spirit was an inspiration to me. May heaven's richest blessing rest upon each one is my prayer and may the revival spirit last till Jesus comes. I begin a meeting at Washington church Oct. 2nd. From there I will go to Purcell to hold a meeting in a M E church. Pray for me. I do need your prayers. May God bless the dear little paper and its editors is my prayers.

AT KIOWA

Kiowa, Okla.

Dear Faith family, Greetings in Jesus dear name. We are having a meeting at Kiowa. Bro. G W Gaither, wife and Bro. D P Thurmond are doing the preaching. But as this is the first revival we have had since the quarterly conference that was held here in May things have been awfully dull and we have had much opposition and Holiness has been greatly abused here at this place. The meeting began Tuesday 19th. The Lord has blessed in giving out the Word straight and clean. Saturday the 23rd we had a street meeting. A large crowd to talk to and the Lord wonderfully blessed the saints as they testified to the cleansing Blood of Jesus and the blessed Holy Ghost. Sunday night we had a house full of lis-teners. Bro. Gaither preached on the two appearances of Jesus. We are earnestly contending with God to revive this place and save lost souls. Pray that God will work out things here to His own glory. A sister in His love.

And in Hell He Lift Up His Eyes

"And in hell he lift up his eyes, being in torments, so the record reads in Luke 16:23, describing the condition of a man who neglected God and "lived his own life" and "had a good time." Did he expect to land in hell? No. This poor soul undoubtedly thought he would make it all right. Thousands of men, women and children, too, are expecting some time to get saved and make it home to heaven, but the demon neglect has a big hold on their soul and the "more convenient time" will never come, and before they scarcely realize it they will slip out into eternity. You are traveling to eternity. You are traveling to a long home, for God says "man goeth to his long home." And much as you dislike to make the journey sooner or later you are going to step off the stage of action, and what next? God tells us "it is appointed unto men once to die, but after this the judgment."—Heb. 9:27.

"The hour is coming, in the which all that are in the grave shall hear His voice. And shall come forth; they that have done good, unto the resurrection of life; and they that have done evil unto the resurrection of damnation."—John 5:28-29. In Revelation 20:12-15 is a description of the judgment and the concluding verse tells us, "And whatsoever was not found written in the book of life was cast into the lake of fire." No excuses go there—not one—just plain facts. "Whosoever was not found written in the book of life was cast into the lake of fire." What an eternal home—lake of fire—brimstone—weeping and wailing and gnashing of teeth—yes, and ten thousand times worse than you can picture. And every one of them had the price of their salvation paid for by the Blood of Jesus—or others neglected the Blood of Jesus—others neglected the Blood—said time enough yet—some said they didn't need it—some ignored the Atonement—and some one thing and another—but they all landed in this horrible place for their eternal home—in hell they lift up their eyes being in torments. Tonight at the right hand of God there is a Saviour who died to save men—and He invites you to come to Him and find life. And He says, "And whosoever will, let him take of the water of life freely." Seek refuge in Jesus.

Wagoner, Okla.

I praise God for victory in my soul. I love Him with all my heart. I praise Him for His keepin me off the devil. I am more determined to go through with God than ever before in my life. This old world is getting more wicked. When I look out over this sin cursed world and see what sin is doing it makes me want to pray more and stay closer to Jesus. I want to thank God for sending Bro. Finkenbinder to Wagoner. We all like him fine. I am saved and sanctified and Baptized with the Holy Ghost, glory to God. I feel good in my soul even if I do feel weak in my body. "Though this life is often lonely, yet with Jesus as my guide, I will bear my cross with patience, 'til I reach "the river side" and there no tears will dim the eye, glory to God. I love this way with all my heart. I intend to go all the way with the Lord. Pray for my body to be healed, if it be God's will. I have been suffering with my head and with kidney trouble for three months, I want all the Christian people to pray for my unsaved family. Your sister looking for Jesus to come.

Pauls Valley, Okla. Sept. 29
Greetings in Jesus name. Just got home from Bartlesville. Had a wonderful meeting and several got through to God, and the town was stirred. They said that was the first Gospel they had ever heard in Bartlesville. Bro. Offutt sure did some good preaching. Praise the dear Lord the battle will soon be over. I am at home now, Don't know when I can go again. The devil has got the way blocked now and I want you to have special prayer for me that God may open up the way for me to get out again. I have so many calls and can't do anything, my hands are tied. I know God is able to open up the way again. I want to get a work here, the Lord wills. If I can't go I will try and send some one. I never saw such times in my life. The devil is doing everything he can to drag us down, but oh, I don't want to give up. I want to go on. Pray much for me. I am sending 6 subscriptions.

ATTENTION PLEASE

In a letter from Conference Secretary Jas. A Campbell he informs us that the Conference Treasury is in need of funds to meet some obligations. Brethren God said to bring all the tithes into the storehouse, and should we be prompt in doing that we would have "meat" aplenty. Come Bro. Preachers let's send our tithes in to Bro. J A Campbell, 505 E Maple, Enid, Okla., and help to pay these necessary expenses.

We are getting out a ten-page paper this time. While it means more labor, yet we felt it would be best to issue ten pages this time. We appreciate the reports of meetings this time especially. They seem to be about the right length, and as a whole to the point. That enables us to get many reports in. We would be glad to have even more short, juicy reports from the evangelists on the field, also from the pastors etc. It has been necessary at times to hold back for a few issues at least some testimonies that are too lengthy, and that would require so much space. The short-juicy testimony is a blessing and enables many others to testify also.

THE PENTECOSTAL HOLINESS FAITH
Something of Our Work in Africa

Realizing that the major portion of our readers have not seen one of the Missionary Manuals of the Pentecostal Holiness Church, we feel that it will be to our advantage to give the following extract from a report published in said manual from Bro. Joel E. Rhodes, of Krugersdorp, Transvaal, South Africa.

“Starting at Krugersdorp Church, which is located in the new location at this place, we have 29 members. Here we have a good brick church. **Also a house on the same property of three rooms for the native minister living here. We have a day school of about 50 regular attendance, and a Sunday school.**

“At Randfontein we have 19 members, a night school of about 5 to 12 attendance. We have no building there. **The work here is small, but very promising.**

“At Sophiatown (Johannesburg) we have 12 members. There is a good brick building there. **The church is located on the Sorgberg (Johannesburg) there are 29 members, and a night school. There we have a good iron church.** • four rooms built at the side.

“At Veregenoeg, six miles from Zeerust, we have 28 members, no church building.

“At Hartbeesfontein we have 32 members. This place is 12 miles from a place called Boons o n the railway line. Zeerust.

“At Tarlton, 8 miles from Krugersdorp, we have 12 members, and no church building.

“At Vrededorp and Zevenfontein we cant say at present exactly how many as I was hindered on the account of wife’s illness from going down there to hold the Quarterly Conference, so cannot state exactly how many, but there are not less than 200 people at the two places. At Masquer we have an old brick church of 18x28 feet with iron roof. At Zevenfontein, 12 miles of Bloemhof, we have a nice church with straw roof. In the Transvaal we have two places, Telarana and Bikanke. At Talepe we have 21 members, and at Bikanke between 70 and 80 members. No church building. The other little places we have a few members scattered about, but there are the principal places.

“In all, we have 29 workers, meaning from ministers down to mission workers. Some of these workers we support and some we do not. **Among some of the best centers in South Africa to do Mission work, and we are trying to do our best, but we are in need of some to some and help us push the work with more success. You who read this, please remember us in prayer, that God may make up a blessing around us who are without God or hope in His Son. Yours in the service of the King, J. E. AND V. E. RHODES, **Krugersdorp, Africa.**

The above article will give you some food for thought, and will give you some idea whether or not it is worth while to send your dollars for the carrying of the Gospel. What is needed is more consecrated dollars and more consecrated men and women who are willing to go or send as the case may be. Your dollars and prayers will help.

Victory at Clinton

Clinton, Okla., Oct. 2

Greetings in Jesus:—I have been here in a battle against sin and come-out-ism for the past 10 days, and it has been a battle sure enough, but I am glad that God will bless the Truth, and place His approval upon the right thing. Twenty-five saved and nine united with the church. They are all good material, praise God! I will be here for the rest of this week, the Lord willing. Several times the power of God has fallen and the saints shouted, danced, talked in tongues and wept and cried. Oh glory, for the presence of God that makes some laugh, some weep and cry, some shout and some dance and talk in tongues; and it makes the devil and some of his young ones mad.

Oh, brother and sister, I see the need of standing by the old land marks. It is an easy matter to sugar coat it a little, and instead of preaching straight on sanctification and Pentecost, just to preach at it a little, then no one gets offended, and the come-outers, the finished workers and the tobacco-soaked folks will pat you on the back and call you a fine preacher. Come on, you precious ministers of God, who won't compromise for love or money, and let us raise up the handles of the old Gospel plow; let it run deep and turn up the soil that will amount to something for God. I was raised in Mississippi on a farm, and my mother always told me if I wanted to raise good corn to plow deep, so I plowed according to his instructions and we always had corn in the crib. This shallow Gospel plowing won't do. When hot trials come your crop will wither, but let the Gospel plow run deep and your crop will flourish and be no weed. Brother Thurman has stood by me in this battle and has manifested a blessed spirit all the way through. May God bless him and re- turn him accordingly. Upon this stirring, I go to Okmulgee November 5 for a series of lectures on Revelation. After that I go to the Carr Church for a series of lectures on Revelation. Pray for me. Your brother in Christ, O. C. WILKINS,

Home address, 210 W. Chickasaw, Oklahoma City.

Jesus has said, “Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven.” What an opportunity before us to become rich in heavenly treasures by putting our dollars to work for the Master by helping to spread this wonderful Gospel!

Bro. Ed Manning of Chandler, Okla., and Mrs. Artie Ladd, of Clinton, Okla., were united in holy matrimony Sunday afternoon, September 5, at Rossville, Mrs. Sallie Tolbert officiating.

VICTORY AT CALVIN

Calvin, Okla., Oct. 4.

Greetings in Jesus' Name:—Dear Bro. Dean and Sister Lillie Smith have just closed a meeting here with victory. The interest was good. There were 5 saved, 1 sanctified, 4 baptized in water, united with the church 2, transferred from Eilli Top and 1 new member. The meeting was an eye-opener to the entire town. Had the hearty welcome of the spiritual members of the other churches, which was much appreciated by the Lord. I want to say if any one wants a revival meeting they will do well to...

NEAR MAYSVILLE

Maysville, Okla. Oct. 2

Dear Faith family. I wish to witness for King Jesus in the little paper this a.m. Truly I find Him sweeter every step of the way. I mean to make this year the best year of my life in the service of the Lord. I am 5½ miles from Maysville where I held a meeting just before the Conference. Evang. C T Reece and I just closed a meeting a week ago. This is a new field where Pentecost has never been preached. There has been five saved, two sanctified and two re¬claimed, also several seeking a higher experience. By the help of the Lord we are going to start a Sunday School next Sun¬day, and also have services each Saturday, Sunday and Sunday night, with cottage prayer meet¬ing once a week. I am praying that we may capture this place for Jesus. Dear saints pray for me for I want to always keep in the center of God's will. I wouldn't get out of His will for any thing if I knew it. We will be glad for some of our real "Pentecost Holiness" preachers to drop in some time and give us a lift. The Lord bless those who read this. Yours 'for the truth.'
