This is a tip to the students of the
Waukegan high school, where Latin,
German and French are taught:

Do you wish to learn either of these
languages without any trouble at all?
Of course you do, even if you are
the star pupil, the one favored by the
teacher, the one who gets the high
marks.

Wish to know how?

Consult Evangelist Parham at Zion
City.

Get the gift of the tongue. Feel
the pentecostal spirit. Let the tongue
of fire descend upon you. That's how
to get next to the language game, and
Parham says so himself.

What the gift is.

It's all true, say the people of Zion
City, even some of those who, still liv-
ing in the community, have seen the
evangelist and heard at his meetings.
"That is stronger than fiction," they
say, "and there are cases where and

This morning in the county
attorneys succeeded in getting
in the case of the Chicago &
Line railway against McKeown
Irvine and the hearing will
Monday.

This afternoon the jury left
inspection of the grounds.

The case will be one of the b-
tought that the county has ev-
perienced. Attorneys Stearns,
and Haney are representing
Keown. Attorneys Whitney and
vis are for the railroad.

THE IRRESPONSIBLE PAPER

Fire Chief O'Farrell and Cha-
Fire and Water Committee
Mann, take exceptions to the
ment made in the Gazette last
ing, in effect that the members
fire department in many cases
gone to the alderman to ask per-
sion of leaves of absence rather
going to the chief.

The statement as made in the
Gazette came from a member of the
fire and water committee but he was
entirely misinformed, according to
chief and the alderman.

Chief O'Farrell said: "This
true so far as I know of. When
men wish to leave, they always
my permission, or, if they can not
me, they go to the assistant chief,
Hutton. I have not heard of a
request for privileges being made
Chairman Mann."

Chairman Mann reiterated
O'Farrell's statement that he
not assumed the position of
permission to firemen for any
