How to Receive Eternal Life

E. W. Kenyon

The greatest human problem is how to receive Eternal Life, the Nature of our Father-God.

Jesus said, "I am come that ye might have Life and have it abundantly."

There are two great words in the Gospel of John. One is Life and the other is Believing.

One is what we need, and the other is how to get it.

Getting Religion, joining a church, being Baptised or confirmed, all have their place but none of them can save a soul or give them Eternal Life.

You may have been very faithful in attendance but there has always been a sense of need, a sense that you had not received the thing that your nature has craved.

Eternal Life is the thing that you need.

Now, how can YOU receive Eternal Life? It is just as easy as accepting a dollar bill from someone.

You know that Jesus died for your sins according to the Scriptures.

You know that He was raised again for your Justification.

You know that the moment you take Jesus Christ to be your Savior and confess Him as your Lord—that moment God takes you to be His Child.

The moment He takes you to be His Child, He gives you Eternal Life.

Let us look at the Scripture now: Isa. 53:6, "All we like sheep have gone astray; we have turned everyone to his own way; and the Lord hath laid on Him the iniquity of us all."

Notice this fact, that God laid upon Jesus your iniquity. That iniquity made Him to become sin who had done no sin.

If God laid your sin on Jesus and made Him sin with those sins, then YOU do not need to bear them.

He was condemned so that YOU might be free from Condemnation.

John 1:12, "But as many as received Him, to them gave He the right to become Children of God, even to them that believe on His Name."

God put YOUR sin on Him, made Him to be YOUR Savior, now YOU take Him as YOUR Savior, and when you do, God takes you to be His Child.

The next step is Rom. 10:9-10, "If thou shalt confess with thy mouth Jesus as Lord, and shalt believe in thy heart that God raised Him from the Dead, thou shalt be saved."

The Confession of the Lordship of Jesus runs parallel to a Bride's confession of the Bridegroom as her husband.

His Lordship includes the thought of Husband as well as master. You yield your Will, your Life to Jesus' dominion.

His dominion is revealed in the Word, it really is the Lordship of the Word over your life.

You confess Jesus as Lord of your life, and the moment that you do it, God gives you Eternal Life.

John 6:47, "Verily, verily, I say unto you, He that believeth HATH Eternal Life."

"Believing" is simply acting on the Word. You act on that Word by openly confessing that you have taken Him as your Savior and Lord.

God then gives you Eternal Life.

1 John 5:13, "These things have I written unto you, that ye may know that ye have Eternal Life, even unto you that believe on the

Does Faith Rest Or Act?

Rev. Max Stowe

In our quest for healing we have been told that we should act upon the Word for it. The Word informs us that healing is in Redemption and so in the mind of God we are healed. All we need to do to have that healing made manifest is to prove by our vigorous actions that we believe it.

This is true, but it is not all the truth and it is not the most important part of the truth. We should act healed and confess it before experiencing it, but this action is futile if it doesn't come from a heart belief that we are healed because the Word says that Jesus bore away our sicknesses. (Isa. 53:4).

Here is a distinction that is of vital importance to God's child who wants to be healed. It is this: we act healed because we believe in our hearts that we are healed—and not in order to be healed. If we act, confess and even praise with the motive of getting God to heal us, we place these policies directly into the realm of works.

The healing of the body is, as is the salvation of the soul, wholly a work of Grace. Grace means that God does it all and that nothing we can do will help us merit it.

"God looketh on the heart." "He understandeth our thought." With the heart man believeth unto righteousness." God's principle concern with us is our heart. His actions in our behalf are determined by our attitude of heart that believes Him regardless of all other evidence.

The Father wants us to trust Him even in complete darkness. That trusting is primarily a matter of the heart, rather than of outward actions.

There is a sense in which this inner trust must and will be outwardly proved. If we believe in our hearts we were healed when Jesus bore away our sicknesses just as we believe we were saved when He bore away our sin, we will act.

This action is the evidence we offer that we do believe God in the heart. This is the "proof of our faith that is more precious than gold." 1 Pet. 1:7.

Name of the Son of God."

Now, praise Him for it.

Go about your home and say, "Father, I thank Thee that Thou hast given me Eternal Life. I am your Child."

(Sent in by May F. Yorke)

Certainly, I will be with thee, My face thou ma'st not see, Yet never shalt thou walk alone, Never forsaken be.

With two or three I there will be, When in My Name ye meet, My presence thou shalt surely find, At the blest Mercy Seat.

Certainly, I will be with thee, When anguish rends thy breast, Look up, sad heart, and find in Me, Thy refuge and thy Rest.

THE VINEYARD

There are many who go to the vineyard.

To answer the call of the Lord, With an eye not alone to the labor, But looking for greater reward, They will work with a zest near the highway

Where those passing by may see

But will drop from the ranks in a moment

If placed in obscurity.

Yet the vines at the back of the vineyard

Were set there with equal care, And the Master has never forgotten

How many He has planted there.

And the Lord Who has called us to labor

Knows best what each man can do,

So be quick to go to the vineyard

Though no one may notice you.

The grapes at the back of the garden

May grow on a precious stalk, That the Lord would not put near the roadside,

Where thieves and the thoughtless walk.

And the place where He bids you labor,

May seem a forsaken plot,

But prove out in the plan of the Master

A specially cherished spot!

Then go out to the place He has given,

Nor question the high decree, But be true to your task 'til the end,

Though no one may know or see.

And the grapes on your side of the vineyard,

May prove to be Eshcol's brand,

When the labor is done and the workers

Before him shall take their stand.

Our action isn't just "acting." It is action upon the Word. The Word must ever be kept in the fore of the mind. As we do it there, we will find that we are acting healed and talking healing because we are healed, not in order to be healed.

This proper adjustment and relationship of faith and works is a most important one. That is why Satan, in his effort to prevent us from enjoying our Redemptive blessings, tries to confuse us at this point.

One of Satan's wiles is that of confusing us about the matter of action and rest. The Scriptures tell us to do both.

"In God have I put my trust, I will not be afraid; What can man do unto me?" Psalms 56:11.

The Divine Presence

And I am near thy prayer to hear, When tears repentant flow, Now go in peace, and sin no more, My gracious pardon know.

Certainly, I will be with thee, When friendship's eye grows cold, And heart to heart no more responds, As in the days of old.

When bitter tears thine eyes o'erflow, And rough thy path may be, Look up, look up, thou'rt not alone, I'm certainly with thee.

"When He, The Spirit of Truth Is Come"

Ruth A. Kenyon

John 16:13 "Howbeit, when he, the Spirit of truth is come, he shall guide you into all the truth."

How we thank the Father for the gift of the precious Holy Spirit. At our invitation, He comes to make His home in us.

Just think of it . . . what it means to be indwelt by the Holy Spirit. It means that He is unto us wisdom. He is our wisdom. In times of stress, in times of grave decision, if we listen to His still, small voice, we cannot err. He will truly be wisdom to us if we will only give Him first place in our lives.

We must be quiet though, before we can hear His voice.

We must put from our minds all things of the senses, all things of the flesh and be utterly yielded to His lordship and then He can will and work and speak through us.

It is a daily growth . . . just as a child in school must start with the primer before he can learn, just as the child grows from day to day even so do we grow in the spirit. It is a constant growth in Grace.

As we let Him loose in us, He leads us into the deep, rich realities of the Word. He makes the Word a living reality in our lives, and He speaks through us Words of Life to a hungry world.

As we become conscious of His indwelling, conscious of the Greater One in us, what a thrill life holds in store for us. Each day is a thrilling new experience, walking with Him . . . fellowshiping with the Father and the Master, indwelt by the Holy Spirit. We are in daily fellowship with the Trinity . . . Father, Son and Holy Spirit.

Our bodies are the very temple of the Holy Spirit. 1 Cor. 6:19.

We become increasingly conscious that "Greater is He that is in us, than he that is in the world."

We know that no matter what the trial, no matter what the temptation, no matter what the problem is that confronts us . . . He is greater, and HE IS IN US . . . our fears vanish, our doubts disappear, and we praise and thank Him for the answer.

As we study the Word, things that we have never understood, suddenly become living truths . . . vital truths. We wonder why we never saw that before. The Bible has suddenly become a new book. The Holy Spirit is leading us into the truth (or reality) of the Word.

As we face difficulties, suddenly we are fearless in the face of trouble, we meet trouble with a song on our lips, unafraid. We know who we are!

We are no longer searching, seeking, striving . . . we have arrived!

"Thank God for His unspeakable gift!"

Love suffereth long, and is kind; love envieth not; love vaunteth not itself, is not puffed up." 1 Cor. 13:4.

"Behold, Jehovah's hand is not shortened, that it cannot save; neither his ear heavy, that it cannot hear." Isa. 59:1.

Faith knows God as a child knows its mother.

"How To Be Cured"

E. W. Kenyon

If you have unwisely acquired the habit of cigarettes and you wish to discontinue, I know that there is deliverance for you.

I have spent many years in lecturing on the unhappy effect of cigarette smoking upon the physical body.

You understand, that when smoke is inhaled, that a substance is formed called "acrolein," and it is taken up by the blood and carried to all parts of the body.

It affects the brain. If you could see the skull removed from an habitual smoker, you would discover little globes of pus. That means that the brain tissues are being broken down. This is the reason that a large portion of the automobile accidents occur — because the driver is unable to act instantly.

For a second he seems paralyzed, and that second means an accident. The brain has lost something through the breaking down of these tissues.

Acrolein acts directly on the lungs and on the throat. We all know that anyone who is an habitual cigarette smoker cannot run very far without coughing and having pain in the lungs. The lung tissues are broken down, and this becomes a permanent injury to the body.

Only God can restore that broken tissue. The heart tissue is broken down, and the heart finds it hard work under excitement or heavy labor to keep the blood circulating throughout the body.

Perhaps the most vicious effect is upon the generative organs.

You will notice that a large percentage of children born to habitual cigarette smokers, especially if the mother smokes, have defective eyesight.

The whole body of the child is affected.

Where the father and mother both are heavy smokers, unless nature performs a miracle the child will have many unhappy reactions from the parents' unwise playing with this enemy of the physical body.

What is the cure?

Go frankly to the Father in Jesus' Name and take your deliverance. You have a disease. This habit has formed a diseased condition that lays hold of your will, your whole motive force. But God, in His great Grace, will bring deliverance to you in the Name of Jesus Christ.

The Holy Spirit and the Re-Created Spirit

Frances E. Phalen

There is a definite distinction between the Holy Spirit and the Re-created spirit. These terms cannot be used interchangeably, for their meanings are entirely different.

It is very necessary that we know the ministry of the Holy Spirit in the life of the Christian and also the facts regarding the Re-created spirit.

The Word teaches us that a man is a Triune being. He is a spirit, he has a soul and he lives in a body. "And the God of peace himself sanctify you wholly, and may your spirit and soul and body be preserved entire . . ." I Thes. 5:23.

The real man is the spirit and when he sinned in the Garden, Spiritual-death, the nature of Satan, entered his spirit alienating him from God.

Now when we are Born Again, it is this human spirit that is re-created and receives Eternal Life. Jesus was referring to this in His talk with Nicodemus when He said: "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit," John 3:6.

It is God's plan that man walk in the Spirit realm where this re-created human spirit governs the mind and body.

There is no permanent change in the mind at the New Birth. It must be renewed by the Word until it is brought into harmony with this re-created spirit. As the body, the home of the senses, is yielded to God this will take place.

"I beseech you therefore, brethren, by the mercies of God, to present your bodies a living sacrifice, holy, acceptable to God, which is your spiritual service. And be not fashioned according to this world; but be ye transformed by the renewing of your mind . . ." Rom. 12:1-2.

The Re-created spirit must be fed and nourished daily with the Word for it cannot function or operate unless it is developed. As the Re-created spirit is built up, the mind is renewed, and the two are brought into harmony and in turn reflect in the body, keeping it well and strong. This functioning of the Re-created spirit is the nature and ability of God living and working in and through us. It is the putting away of the Old Man and the putting on of the New Man.

"That ye put away, as concerning your former manner of life, the old man, that waxeth corrupt after the lusts of deceit; and put on the new man, that after God hath been created in righteousness and holiness of truth." Eph. 4:22 and 24.

The Holy Spirit is not to be confused with this Re-created spirit, for the Holy Spirit is a Person.

He is the Third Person of the Godhead, or Trinity.

Before Jesus left His disciples, He spoke of One who was to come and take His place. He said that this One was then with them, but would be in them. He was speaking of the Holy Spirit Who came to fulfill this ministry on the Day of Pentecost.

On the Day of Pentecost two important things took place. First, it was the birthday of the Church, or the Body of Christ. The Holy Spirit entered the world for the first time. He entered the Upper Room and baptized, or immersed, the 120. John the Baptist spoke of this when he said: "I indeed baptise you with the water unto repentance; but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: he shall baptise you with the Holy Spirit and with fire." Math. 3:11.

The Baptism of John was for the body; it did not re-create the spirit. The Baptism of the Holy Spirit is for the spirit. It re-created the 120 and made them all

New Creations. They received Eternal Life and became members of the Body of Christ. The Holy Spirit imparted this nature to them.

The second important thing that happened was that the Holy Spirit filled each one with Himself.

The Holy Spirit's home is in the body of the individual Christian.

"Or know ye not that your body is a temple of the Holy Spirit which is in you . . ." I Cor. 6:19.

He could not make His home in the body of the man under the Old Covenant because he was spiritually dead, but now He enters this New Creation and takes possession of it.

His ministry today is to convict the sinner of sin, righteousness and judgment and then to impart Eternal Life to the spirit of the one who accepts the Lord Jesus Christ as Savior and Lord.

Then that one has a Legal right to invite Him to come into his body and make it His Home. We ask the Father, in Jesus' Name, to give us the Holy Spirit and He does it as He has promised in Lu. 11:13. "How much more shall your Heavenly Father give the Holy Spirit to them that ask Him."

When He comes in He is the teacher, guide and comforter and does what Christ would do if He were here.

The Re-created spirit is the human spirit that has received Eternal Life and is to be fed and nourished by the Word until it governs the mind and body, but the Holy Spirit is a Person Who, first, imparts Eternal Life to the human spirit and second, indwells that body making it His temple and home.

Defeated With Your Own Lips

E. W. Kenyon

If I knew the background of the lives that had failed you would find that ninety percent of them had failed because of wrong speaking. That may be traced back to wrong thinking or to a lack of intelligent thought.

Prov. 6:2 "Thou art snared with the words of thy mouth, Thou art taken with the words of thy mouth."

Wrong promises will tie a man and tangle him so that life becomes a positive burden.

One can talk about failure and defeat and lack until he becomes a failure, until want comes as an armed man and he is unable to defend his castle.

It is strange that we have never realized the potency of words. You said you could not, and then you couldn't.

You imprisoned yourself with words.

People heard you say that you could not. They heard you talk with doubt in your voice. They did not want you.

It is that joyful, "I can do it" that leads a man into the secret of victory.

If you will guard your lips, say nothing that your own ears can hear but words of victory, success words, love words, healing and health words, you will be amazed at what you will do.

You say over and over, "I cannot do it. It's no use; I am a failure." See what the reactions are.

Then say joyfully, "I can do it. I have the ability, and by the grace of God I will. I am going into it. I can do it. I will."

"I am a conqueror. I have ability and I am going to train that ability until it puts me over."

I have come to know that trained ability has a commercial value. It is not the beautiful voice that you have naturally. It

Attention Prayer Warriors!

"THINK IT NOT STRANGE"

Ruth A. Kenyon

1 Peter 4:12 "Beloved, think it not strange concerning the fiery trial among you, which cometh upon you to prove you."

John 15:18-20 "If the world hateth you, ye know that it hath hated me before it hated you. If ye were of the world, the world would love its own: but because ye are not of the world, but I chose you out of the world, therefore the world hateth you. Remember the word that I said unto you, A servant is not greater than his lord. If they persecuted me, they will also persecute you."

How true it is that we are "in the world, but not of the world."

The world cannot understand us, therefore it either hates us or fears us. The world is ruled by Satan, and the minute we become active, the minute we become a threat to him, that minute we become the target of all the forces of hell.

The more active we are, the more we accomplish for the Master, the more Satan will seek to crush us, to discourage us, to make us lose faith, to render us useless in the Master's service.

How subtle he can be in his attacks. He does not always attack "out in the open," but he will use crafty, insidious means. He will sometimes strike through those we trust, those nearest and dearest to us, to wound us. He may afflict those we love. If one avenue of attack fails, he will try another.

Our warfare is a spiritual one . . . casting down strongholds . . . rebuking the adversary in the Name of Jesus, and breaking his power over the hearts and lives of men.

He may be persistent in his attacks, but thank God, we do not need to bow our heads in defeat before them. We have the mightiest weapon . . . the Name of Jesus. In that Name, and before that Name, Satan himself must bow . . . defeated!

"Thanks be to God, who giveth us the victory through our Lord Jesus Christ," 1 Cor. 15:57.

"That in the NAME OF JESUS every knee should bow, of things in heaven and things on earth and things under the earth (of the world below)." Phil. 2:10.

"Nay, in all these things we are more than conquerors through him that loved us." Romans 8:37.

Let us thank Him for each trial that comes . . . each opportunity to overcome in His Name. Each trial teaches us a lesson, makes us stronger and wiser, better able to stand.

Though the world may not understand us, we must never fail to make our confession before the world that we are the very sons and daughters of God almighty. We must hold fast to our confession of what we are in Him. We must live in the Word and the Word must live in us . . . in our very lips.

We must never for a moment quail before the adversary. The Word of God in our lips is the only weapon we need.

As we go to prayer, let us remember who we are. Let us come boldly, with confidence to our loving Heavenly Father and present our petitions, praising and thanking Him for the answer.

PRAYER NEEDS

- 1. Let us continue to remember the precious boys in the service.
2. Remember also those on the mission fields, also the pastors and christian workers here and in all parts of the world.
3. Pray that the Father will give us such a burden for the unsaved that we cannot rest until they are brought to the Saviour.
4. Pray for Divine Wisdom and

is the voice that has been trained. It is not the natural gifts, but it is the natural gifts plus hours of work and self denial, of self discipline, driving yourself until you win.

Confession

E. W. Kenyon

A very vital thing connected with your faith is that your confession be right.

Christianity is a confession. You confess that you have Eternal Life and you receive it. That is called faith.

My faith is manifested by my confession.

I confess that I am perfectly healed while the pain is still there.

You say, "But that would not be truthful."

Yes it would because there are two kinds of truths, Revelation truth and Sense Knowledge truth.

Revelation truth says, "By His stripes I am healed."

I know that the Word of God cannot be broken and so I stand against the Adversary unafraid.

I know that he cannot put any disease on me.

Why?

Because I am a child of God. I am a member of the Body of Christ.

I am a branch of the Vine. I have Eternal Life the very nature of the Father.

I have a legal right to the use of Jesus' Name, and that Name has all authority in the three worlds.

Jesus said, "All authority has been given unto me in heaven and earth, go ye therefore and preach the gospel!"

You see when you learn to take your place as one of the righteous ones you become a master.

You remember Heb. 10:38 "But my righteous one shall live by faith, and if he shrink back, my soul hath no pleasure in him."

You are His righteous one, and you must maintain a clean cut confession of what you are in Him.

A neutral confession gives the Adversary advantage over you.

A negative confession makes you his subject.

A clean cut confession that you are what He says you are, He is what He says He is, He has done what He says He has done, you have what He says you have, and you can do what He says you can do, will put you over.

Faith Facts

E. W. Kenyon

Faith sees where natural sight is blind.

Faith sees every need met by Love's strong hand.

Faith makes the dependent absolutely independent.

Faith makes us co-laborers with Omnipotence.

Faith lives in the realm of rest, yet ceaselessly works in the power of God.

Faith reaches into the Treasures of heaven and scatters them upon the earth.

guidance for the leaders of our country and for all those in authority.

5. Remember the sick and shut-ins. There are hundreds on our prayer lists . . . the requests are too numerous to mention individually.

6. Remember our work here . . . remember the finances needed for the reprinting of the books. "The New Kind of Love" will soon be coming from the printer, so pray that the finances for that will be forthcoming. We are also out of "The Father & His Family" and "The Two Kinds of Knowledge." "Jesus the Healer" is nearly gone. Several other books will be gone in the near future and must be reprinted. Remember these needs definitely. Pray that the Father will bless the work as never before . . . that it will grow that people may be saved and healed through the ministry of the printed page.

From Our Students

A. A. G., Portland, Me.

I have been a graduate and a Post graduate of Bible schools, but I thank God for the day I came in contact with the Kenyon family. This course has meant so much to me. First of all, this course is one of the best that I know of. It teaches sound truth of our Redemption in Christ that schools do not teach. It has also helped me spiritually, mentally and physically, and now I can say of a truth, I know of what I speak. This course has brought me in closer relationship to Christ and with the Plan of Redemption. I now know my definite place in God.

Mrs. F. B. P., Birmingham, Mich.

I cannot express the joy and spiritual blessing I have experienced through these lessons. My spiritual life has been deepened and my prayer life has been enlarged. I am more conscious of the need of getting the Word out to those who have never heard for I have a real burden now for the lost.

J. T. A., Africa

This course has opened my eyes wide to the Word of God. We do not have adequate words to express what your Father has given to the world. He was sent purposely to help mankind find relief from their woes and sufferings. If the Bible contains such truths, why are we still groping in the darkness? I pray this course will reach our poor Africans and I wish to express my hearty thanks for it.

L. B., Du Bois, Pa.

I never really enjoyed Bible study as I have under Dr. Kenyon's lessons. He uses such small words I can grasp and always tells a student just exactly how to fasten his mind on to these truths and make them his own. That is what I like. With many the teaching is too vague, no reality and no positive assurance but it is not so with Dr. Kenyon. All through his books this is apparent. They grip the heart and really satisfy the inner man. I only wish he were here and I could throw my arms around him and tell him just all these lessons have meant and done for me.

P. H. A., Antigua, British West Indies

I thank the Master for His great Revelation to me through the study of this lesson. I am proud to say it has given me new life and a real zest to acquire the things of the Holy Spirit. It has given me new strength, new courage and a stronger faith in Him. I am fearless of anything that may attack me as I know He is able to do all things for me.

Mrs. M. F., Holtwood, Pa.

I am now sending in the last three lessons of the Advanced Course which has been such a blessing to me. There is much I have learned in the lessons that no preacher ever taught me, and I am trusting the Holy Spirit to keep it ever before me. I am sure I've been kept from much harm through studying God's Word and even if it took me about two years to complete this course, I intend to go on.

Mrs. K. C. M., Zion, Ill.

All of us who have studied this Course together can testify of the blessing it has been to us. We have had this teaching for the most part all of our lives, but it took this Course to bring it out to us in a clear way and to fix it upon our hearts and minds.

Answered Prayer!

HE IS SO MUCH BETTER NOW

Mrs. H. H. Arlington, Wash.

Thanks so very much for your letter and for your prayers for my husband. He is so much better and I praise God for it. He is still bothered with his legs being shaky, but he can do quite a bit of work now. I wrote you that he had Polio two years ago, and it's a miracle how much better he is.

HEALED OF CANCER

E. G., England

I do want to thank you so much for all your prayers for me and also for others. I asked for prayer as I was suffering with a Cancer of the left Breast and six doctors told me I should have it off as it was fatal and a slow cancer. Well, you all prayed for me, and now with recent X-rays taken I am completely healed!

HEALED OF T. B.

E. B. P., San Antonio, Texas

My sister's little son, nine years old, was healed of T. B. after the doctors had taken him out of school. We simply laid hands on him in Jesus' Name and then prayed for the tests to prove his healing so the health department would allow him to return to school. We also saw my sister converted and healed of the cigarette habit. She now goes with me to pray for the sick.

HE WAS HEALED

Mrs. C. F., Anderson, Ind.

Many, many months ago I wrote you asking prayer for our nine year old boy who, according to eye specialists in our own city, plus another eye specialist in Indianapolis, Ind., was losing his eye sight. After believing prayer in a never-failing God, he was healed!

I feel sorry and ashamed that I never wrote to tell you of this wonderful healing. I also have a small daughter, three years old, that doctors said would never walk, if she lived, because she was born prematurely, but when she was seven days old, I saw God place His Hand on her hip and saw, by faith, my little darling walking and running.

Many times in the following months the enemy tried me severely, saying, "When all the doctors and X-rays said she can't walk, you might as well forget what God says." But, oh, the thrill of seeing her first steps, and now she is a perfectly normal child.

RELIEF CAME

J. J. S., Glendale, Calif.

I want to thank the Beloved Lord and you for the prompt reply to our request for prayer. Relief came to me about the same time that the letter reached the mail box, so I want to thank you again and again.

IT IS A MIRACLE

E. K., Chicago, Ill.

A friend of mine was miraculously healed from Cancer after laying on of hands according to your book, "Jesus the Healer." The doctor said the Cancer had covered her organs and showed her friend all that he had taken out. He told her friend that she had two months to live but after they prayed, and he had made his next trip to the hospital, he could not feel the Cancer anymore. When told that they had prayed, he said, "I believe it; it is a miracle."

REPORTS VICTORY

Mrs. W. B., Berryville, Va.

This morning, through faith in God's Word and your prayers, I

can report victory. He always causes us to triumph in Christ. God has wonderfully answered prayer. I am healed of Arthritis, Cancer of the mouth, High Blood Pressure and also an enlarged heart and a Nervous condition. I am now free and completely restored to health and strength.

You'll never know how much your literature has helped me. The book, "In His Presence." I treasure next to the Bible. Your dear Father had a wonderful revelation in the deep things of God. Nothing but this truth will suffice for the present hour in which we live. May God bless you.

Mrs. M. W., Philadelphia, Pa.

We have so much to praise God for. Sister B. has written to you folks to pray for me and my family and God has answered. My husband who was so ugly has completely changed. We could really feel the demons in his life, but now he is a different man.

F. L. M., Los Angeles, Calif.

For a long time now I've been wanting to write to let you know how God has been answering your prayers; so I'm taking advantage of the holiday today.

You remember the request for Miss A. H. to whom you sent "In His Presence". On April 20 she wrote, "I am sending in an urgent request for prayer that God will provide a place for me to live and a living. I only have a few dollars left to live on and not able to get out and work. I have no one to turn to. It's hard to be alone in the world and in bad health. Pray that God will release me and use me in a wonderful way". On May 29 she wrote, "God ruled and over ruled and has brought me out where all my doctor bills are being paid for me. I have a two-room apartment now that is being paid for and also my food. Kind people are beginning to help me this way and that way. I appreciate your prayers more than I can ever express."

Miss W. D. C., E. Tallassee, Ala.

I still enjoy the "Herald of Life". The messages, testimonies and poems in it bring inspiration to my heart and soul as I read each issue. Sometime ago I sent a prayer request to your prayer band to pray that my husband would be saved and the last part of June he was saved.

L. B. M., Alexandria, Va.

Some time ago I wrote asking you to pray for my son who was not working and so unable to support his family. Praise the Lord, he now has a good position and is getting along well.

Mrs. H. M., Caldwell, Idaho

I want to praise the Lord for answered prayer. You know I asked you to pray for my daughter and her husband who were separated. Praise God, they are together again and spent Christmas with us. They seem very happy and we are all so thankful.

Mrs. H. N., Wichita, Kans.

I've neglected writing you that our prayers are answered. I sent you a request to pray that we would find a house and in about six weeks we found a lovely four-room house for which I am thanking God. We had looked and looked and it just seemed we could not find anything, but praise God when the hour seemed darkest, He came near.

HAS NONE OF THE COMPLAINTS NOW

N. W., Stockton, Calif.

I am so happy to inform you of God's answer to fervent prayers. On Sunday I called you to pray for my husband who was very ill with Flu and a head misery that has followed him through the years. His temperature was over 104 degrees at the time I called. The doctors had failed with those high powered medical shots, but, Praise God, in about three hours I noticed a gradual improvement and now he has none of the complaints for which I asked you to pray. He even quit smoking and the cough he has had for more than a year is slowly ebbing away.

Mrs. R. E. P., Dix, Nebraska

It will be two years this June since a little booklet was placed in my hands. It was called, "The Two Kinds of Faith", and I became fascinated with it, reading it and studying it over and over. It declared that we are to act on God's Word and to walk by Faith. It quoted, Isa. 53:5, "By his stripes ye are healed", and said that by acting on the Word sickness would stop being.

In May I had received another little booklet by G. D. stating the same teaching "If you are sick apply God's Word, Isa. 53:5, to your needs and you will be healed." I had never heard such teaching before. I rejoiced in those words and I claimed them. Then the Lord spoke to me and said, "Open my Word, I have a message for you". I opened the Bible asking Him to direct me, and He did to Ps. 30:2. I read it, praised and rejoiced in the Lord. I knew I was healed. I claimed healing for Gall bladder inflammation, which I had had for 16 years, for a skull fracture resulting from a car accident, and for 5 vertebrae which would never stay in place. I didn't look to my feelings or to my pains but continued looking to God's Word until I was healed. I have walked by faith ever since enjoying Divine health.

Mrs. K. W. L., Lenora, Kans.

I can't remember if I wrote you or not but want to tell you that the broken home I requested prayer for has been restored and the whole family is in church regularly.

J. C. U., Nigeria, B. W. A.

Your books and lessons are very interesting and inspiring.

My father was sick for over a year, now he is completely healed since he was reading those lessons you sent to me. I wish to thank you for it.

Mrs. M. E. L., Butler, Mo.

We have read some of your books and they have changed our lives and Christian walk entirely.

Mrs. J. H., Tacoma, Wash.

I have received the books and studied them before, but they are like the Word of God, for each time I receive a great blessing from them. I do not know whether or not you have heard of the great spiritual movement that we are having in many places, but when I hear the messages from these ministers that have just received this great Light I will say, "This is what dear Dr. Kenyon brought to us years ago." If your Father were with us today he would rejoice in others getting what God gave him years ago.

NOTES OF PRAISE

W. L., Durban, So. Africa

I was at a reception party to welcome a pastor and his wife whom I have known for several years. She came and sat beside me for a few minutes to ask some questions. Then I took the opportunity of handing her the booklet, "The Blood Covenant." The next morning she rang me and could hardly speak for joy. She said, "Brother, you were certainly inspired to give me that book. I have never read anything like it. Have you anyone more?"

J. H. W., Vancouver, B. C.

How kind of you, in answer to my request, to send me a copy of "Jesus the Healer." It is of inestimable value and like no other book I have ever read. I know of no other writer on this continent outside of Dr. Kenyon who could have written it. Here is a book that will never die, and I will certainly tell my friends of this wonderful interpretation of the Scriptures.

Evang, C.G.M., Fort Worth, Texas

For some time I have been deeply interested, as a pastor and evangelist, in the revival movement in the earth these past few years. My heart has cried out under the pressure of a deep hunger for sixteen years. Of late I have devoured every good publication I found or heard of. Some were very helpful. The reports from the great evangelists of the day who are enjoying such fruitful ministries only deepened this hunger.

It was while in a meeting in Tyler, Texas I found that the pastor's brother was a member of Rev. T. L. Osborne's church in the Northwest. He told of some messages Rev. Osborne had preached, especially those about the power of the Name of Jesus. Afterward he launched into his present ministry. Somehow this teaching struck my heart. In the very next meeting I found the answer to much of his inspiration, and that of others. It was in your Father's books. Their teachings are superlative! Never have I found anything outside of the Bible that built my faith with more rapidity. There was a sense of confidence and assurance, a fullness and satisfaction I had never known before in them. Here, I knew, without question was the answer to my long search. My only desire now is to realize to the full what God says I am in Christ.

Rev. N.G.C., Newport, Oregon

Ruth, this message which God gave to your dear Father is the one message which the church needs today. The old worn out creeds and doctrines hold sway and keep the mind and heart full until there is no room for the Living Christ. They use His Name to hide their shame, yet, He, the Living Christ, is crowded outside. Not long ago I was in a church where the people were still begging and pleading God for the very things which He has already given to His Church. All He wants is to be let loose in us. How He waits in the inner chamber of our heart and spirit for us to recognize His presence and shut ourselves in with Him in fellowship and love.

He is all we need. Christ will solve our every problem. "His Name is as a strong tower. The righteous run into it and are safe."

Rev. J. S., Tulsa, Okla.

I want to express my great appreciation of the book entitled, "In His Presence". After sixteen years of studying the Word of God, I have found in that book the answer to the cry of my heart.

The Fight of Faith

Rev. Max Stowe

Many very sincere consecrated Christians are putting up a strong fight for Healing and other blessings which they have not received. Some are fighting and have fought for years with no results. Why this long delay when God wants to heal them and meet their every need?

One good reason is that they have been fighting their fight of Faith at the wrong point in the battle line. They are expending their spiritual energy at a comparatively ineffectual point. One of Satan's clever methods of warfare against us is to entice us to dissipate our precious spiritual energy in fighting at the wrong place.

The place where we should fight is here: "I am healed now because God says I am healed." It is an actual fact that as Jesus bore away all the sin of the world, He also bore away all the sickness of the world. Isa. 53:4 and Math. 8:17.

God wouldn't say it if it weren't true. He says it because it is true. He wouldn't say Jesus bore away our diseases unless He had actually done so. God has never told a lie. What He says is always absolute truth. His Word is final on any subject upon which he speaks.

We should say, "I believe Him because of His truthfulness and integrity. I choose to believe Him rather than these aches and pains and weakness. Since He says I am healed—I am healed. Therefore I shall act that way and praise Him for the fact and confess it before men."

The whole battle is to come to realize in our hearts that we do have our healing because God says we do, and so, therefore, we do not have to fight to get it.

It is wrong to fight at the point of trying to get healing because this point of battle lies in the future, and healing is never obtained at this point.

There is considerable difference in these two battlefields. One lies in the future and will always lie there. The other lies in the present and will bring the outward evidence of the healing.

Our fight of Faith is a fight to believe God's Word in its present tense. It says, "I am the Lord that healeth thee." Ex. 15:26; "who healeth all our diseases" Ps. 10:3; and "by whose stripes we are healed." Isa. 53:5.

We can fight a lifetime "trying to get healed" and will never get healing on that basis—the future. This is because healing is by faith and faith is always in the present tense.

When we change our strategy in fighting to believe we have it simply on the evidence of God's Word alone, in place of fighting to try to get it, we can and will win the battle. Faith that persists always wins.

"Who his own self bare our sins in his body upon the tree, that we, having died unto sin, might live unto righteousness; by whose stripes ye were healed." I Peter 2:24.

"And it shall come to pass that before they call, I will answer; and while they are yet speaking, I will hear." Isa. 65:24.

News from Brother Etrata

Dear Sister Kenyon:

Greetings in the Name of our Lord Jesus Christ, the risen coming King.

I am glad to inform you that God's work is still going on fine. By His Grace we are all carrying the victory through our Lord Jesus Christ. God is working in our midst and saving souls. On Oct. 13th we had a street meeting in front of the municipal building and hundreds of people of different sects attended from 7:30 a.m. to 3:00 p.m. Even the priest sat down under the Acacia trees to hear the blessed gospel of the Lord. My voice became very low, but in the morning it was recovered and I was praising God because He is good.

On Oct. 15th, ten were saved and accepted the Lord as their personal Saviour. There were also many children in the service that were new. Two babies were dedicated to the Lord and one was healed by the power of God through faith. Our church is not large enough sometimes and many of them are standing because we do not have enough benches to seat them.

I am glad to report to you that there are several candidates for water baptism if God is willing. Please remember them in your daily prayer. Oct. 20th we had such a wonderful service in the town of Villasis, Barrio of Cararamotan. There were more than a hundred people in the congregation. The women with their children brought cots for children when they are sleeping. The service lasted from 7:30 p.m. to 3:00 a.m. We had a good time in the Lord. The Spirit of God was manifested in our midst. Many of them confessed their sins to God. They were weeping and crying for mercy. I called for an Altar call and every one came. Praise His Name.

Please continue to pray for the street work in the plaza that God will save souls. Pray also for the needs of the church. Our members are very poor and cannot help much. Our offering every Sunday is about 30 centavos. Our crops have been destroyed by mildew and caterpillars so our ricefields were spoiled. This year there are plenty of shells everywhere eating many kinds of plants. They climb up to the plants and eat the leaves. I believe that this is the punishment of God. God help us to save more people.

Yours in His love,

M. A. Etrata, Philippines

"Thou, O Jehovah, art a shield about me; My glory, and the lifter up of my head." Psalms 3:3.

YOUR MONEY

You sent the money across the sea
That bought a Bible for young Sing Lee.
And young Sing Lee, when he'd read therein,
Proceeded to turn his back on sin.

Then he rested neither night nor day
Till his brother walked in the narrow way.
And his brother worked till he had won,
Away from their gods his wife and son.

The woman told of her new-found joy,
And Christ was preached by the happy boy,
Some of the folks who heard him speak
Decided the one true God to seek.

It wasn't long until half the town
Had left its idols of wood and stone,
And the work's not ended yet,
My friend.

You started something that ne'er shall end,
When you sent the money across the sea
That bought a Bible for young Sing Lee.
