Enter Ye in at the Strait Gate

“Enter ye in at the strait gate; for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat; Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.”—Matt. 7:13-14.

Never have we seen the need greater for preaching the Gospel straight and clean as now. In this age when there is so much “slipshod” methods of getting people to make an idle profession, go through a few ceremonies, etc., and think they are all right. What men and women need is praying through until they hear from heaven. A profession of salvation without an assurance from the Holy Spirit of your acceptance with God, will not do to go to the judgment with. Eternity means too much to a soul to care! Tightly meet the standard and the way narrow, so you know with a God-given assurance as to whether you have the Holy Spirit or not. Don’t stop short of a positive assurance of salvation.

Victory at Ada

Ado, Okla.—I am sending in two more subscriptions and will send in a few more in a few days. Our mission work is just doing fine. Had a good prayer meeting last night. There has been four wonderfully saved since we started the mission. One was a man about 50 years old, and had never been a Christian before. Another one wasa Freewill Baptist preacher reclaimed. The other two were ladies. We are moving along nicely. Several Pentecostal people are moving in here now. Pray for us and our work.

Emmanuel Revival

A good revival has been going on at Emmanuel Church. Quite a few hungry people have been praying through to God on different lines. And such bright experiences! People have been urged to pray through in the old-time way of digging down deep and they are going through that way. Hearts are made to rejoice as men pray through until they come up from the altar shouting and hugging their brethren and their neighbors around the neck and hugging them. The kind that is worth while. And a man just as well to have the genuine. In one week of the meeting some seven prayed through to salvation, six of them being married people that pray through to a happy experience of genuine conversion. Some five or six have been sanctified, and two received the Baptism of the Holy Ghost, speaking in other tongues as the Spirit gave them utterance. The crowds have been getting larger. Truly God has been blessing the meeting and pouring out of His Spirit. Bro. N T. Morgan, pastor of Spring Hill church, has been doing most of the preaching. Other workers aside from the usual workers have been Bro. and Sister Scrivner, Sister Morgan and Sister Muse.

Chickasha, Okla.—Greetings in Jesus name. As I have changed my address I thought that I would let you know. Still have the blessing. The dear Lord abides within, and well in soul and body. Praise His name. May the blessings of the Lord rest with you all on the work He has given you to do. And may He bless you in basket and store, is or prayer. Your little brother and sister.

Many Pray Through to Victory

Coffeyville, Okla., Nov. 9.—Dear Faith family. Greeting. Will report victory through the Blood. Have just returned from quarterly conference at Okmulgee, and came back to South Coffeyville, Okla., where we left a meeting to go to quarterly conference. Two saved, one sanctified first night, making twenty got through since meeting began in South Town. Eighty-four got through since we came to Coffeyville, Sept. 24. I mean to go through. Pray for me that I will be my very best for Jesus. Your brother in His glad service, saved, sanctified and baptized with the Holy Ghost.

Several Pray Through

Yeager, Okla.—Greetings to all the Faith family. Praise the Lord this beautiful day for Jesus and His great love and mercy that He had for lost humanity. We are still here in a battle against sin and the devil. This place is stirred. Several have prayed through. The altar is full, and some have prayed through that had belonged to a church for years. Bro. Murr has done some straight preaching. He hews to the line. Thank God for preachers that will preach the Gospel for Jesus Christ. Will go from here to Elmore City. I am doing my best for God. When we look around and see so much sin abounding, we all need to cry out against it. The battle will soon be over and the final victory won, then we will hear the Gospel for Jesus Christ. Will go through. The altar is full, and some have prayed through that had belonged to a church for years. Bro. Murr has done some straight preaching. He hews to the line. Thank God for preachers that will preach the Gospel for Jesus Christ. Will go from here to Elmore City. I am doing my best for God. In sending in some subscriptions, Bro. A F Greene, of Caney, writes: "This leaves me with victory in my soul. Yes, still saved, sanctified, and the Holy Spirit abides, praise God. Rejoicing and happy in Jesus. Have been having some good meetings. The Lord has been blessing in the old-time way."

At Telephone, Texas

Telephone, Texas—"Bless the Lord. O my soul. O Lord, my God, thou art very great, thou art clothed with honor and majesty."—Psa. 104:1. O how I love Jesus today. Praise God for the privilege of preaching Pentecost where I was born. I never preached to people so hungry for God it seems, they came from 3 or 4 towns near by and all around the country in buggies, wagons, on horse back and in cars. At first I could hardly get a praise out of these Methodist and Baptist, but last night I began to think the dead had come to life, for they praised the Lord, and now the Nazarenes are coming and praising the Lord also. I pray God to give a mighty outpouring of His Holy Spirit. I am in the country holding this meeting, the town near by has not allowed holiness to be preached in it for years, near 20 years they tell me, they will not have it, but some of the dear Methodist and Baptist that thought it ruined their church, have invited me to hold them a meeting and I will preach in that town Saturday. O praise God, I trust they get this wonderful blessing. My mother was sanctified near here over 20 years ago, and when I see the farm where I used to hear her pray, it makes me rejoice that now I serve her God and enjoy His holiness. They have never heard real Pentecost here and know nothing about it, but seem open for all the Lord has for them. I do not know just when I will leave here. I certainly did enjoy being with the Wagoner Church the last of October for 2 weeks. I have some very dear friends there and I know God has some true gold there. The pastor and his wife are blessed people, filled with the Spirit of the Lord. I do love Jesus today, pray for me that I may do His highest will. Yours for souls.

Meeting Near Kiowa
Sulphur, Okla. Oct. 31—I am home again; came in last night, tired and most worn out in body, but still have a determination to press the battle on. I have been down in the mountains, 8 miles southeast of Kiowa, where they hadn't had but 2 sermons preached in over 14 months, and some close to there as we were going said the boys were too rough, that we couldn't have a meeting, but I can truthfully say I never have had a better behaved people in all my rounds. I had lots better meetings, but they listened. 2 saved, some reclaimed, and some seeking to be sanctified. Not go into the details of it all, but some things were to be endured. Had lots of good homes open to us. A poor country; finance awful short there but have many friends. Will say it was another evangelistic trip. Enclose 9 subscriptions. Am your brother saved, sanctified and the Holy Ghost abides. Pray for me. I don't need to be talked about but prayed for.

Meeting at Buffalo School House
Tabler, Okla. Oct. 30.—Dear Faith family in Jesus. Greeting. This still finds me on praying grounds and fighting sin on every hand. Just closed an eight day meeting at Buffalo school and 1 dear soul went her way to Calvary's Cross and went on through and got sanctified by the Blood of Jesus, thank God. Closed with lots of interest and some wanting us to continue to pray for them. On the close we took up an offering of $5.00 for the Foreign Missions. Pray for me and these places up here as there is sin on every hand; has been so much false doctrine preached. Thank God I am on the straight Bible lines and the enemy and all his angels can not turn me. Pray for me when it goes well with you. Yours for His service. CLYDE GRIMESLEY

The Stratford Meeting
Oklahoma City, Okla. Oct. 31.—Just arrived home from Stratford where I have been engaged in a 16 days meeting, where I had a hard battle, but the victory on some lines was most wonderful, eternity alone will reveal what that meeting was to some precious hearts. Some few were saved and sanctified and several healed. One sister took appendicitis and had the doctor and he said she had it. Her father came after us while at the church. 4 of us went as soon as church was out and prayed for her and God healed her and about the 2nd night she was at church and testified to being healed and she attended the rest of the meeting. One child was healed of sore throat and croup. Several others were healed. Bro. Adkison came after 4 of us to go and pray for his little girl who had a hot fever. We anointed her in the name of the Lord and before we said she believed God would save her and about the 2nd hour later, my father died 3 hours later; took place at 6:00 p.m. After he was shot near the house, with ten women and children, myself and brother as witness to the horrible scene, he was brought into the house. He had opposed Holiness, but when he got the fatal shot the first thing was to call for the Holiness people to pray for him, he said he believed God would save him, he forgave every body that offended him and asked God to save his soul. He said a man should not wait to get in that condition to pray, he was very calm and left evidence of being saved, he was only home 2 hours, then sent to the hospital at Muskogee where he died. I was at his side the last few hours he lived. Your brother in Christ.

Checotah, Okla. Oct. 30—Dear Faith family. A mob of four men, brothers, came to our house on Monday Oct. 23 and raised a fuss with my father. Shooting followed, one of the 4 men died an hour later, my father died 36 hours later; took place at 6:00 p.m. After he was shot near the house, with ten women and children, myself and brother as witness to the horrible scene, he was brought into the house. He had opposed Holiness, but when he got the fatal shot the first thing was to call for the Holiness people to pray for him, he said he believed God would save him, he forgave every body that offended him and asked God to save his soul. Checotah, Okla. Nov. 4—We are having good meetings. Six got through Sunday night. One received the Baptism of the Holy Ghost Wednesday night.

Have you embraced the “Go ye” as a part of the Gospel to you yet. The “Pray ye” the “Tarry ye” and the “Go ye” are all vital commands. Leave out either and you endanger your spiritual vitality. How about sending the Gospel to the “other fellow”.

Four Saved, One Sanctified

Evangelists M L Dryden and C E Neukirchner held a revival meeting at Old Johnsonville, out near Byars. They had some hard opposition and also some glorious victories, praise the Lord. Four saved and one sanctified, and one received the Baptism of the Holy Ghost speaking in tongues as the Spirit gave utterance as Acts 2:4. Thank God for Pentecostal Holiness that will stand the test.

At Goin and Fairview

It was our privilege to spend Sunday and Sunday night with the Goin and Fairview churches in the interest of Foreign Missions. We arrived late at the Goin church, but we had a right good service anyway and organized a Missionary Society of quite a few members. At Fairview Sunday night the Lord blessed and we had a splendid service. Bro. Seymour Miller, the pastor at Goin had called in their night service in order to attend the Missionary service at Fairview, and a number of the Goin saints were present. A Missionary Society was also organized at Fairview. Bro. Arthur Williams is the pastor there, and at this we met several saints that we had known for several years. We felt that it was a profitable day.

At Ball Mountain

Arpalor, Okla. Nov. 4—I just want to give my testimony. I am on the victory side and the sweet Holy Ghost abides. Just closed a week’s meeting at Ball Mountain, near Indianola, with victory. Three saved and went through and received the Baptism of the Holy Ghost, praise His Blessed name. Well, Glory to God. Enclosed you will find 50c for my renewal of the Pentecostal Holiness Faith.

Bless His name, I mean to go all the way with Jesus at any cost, Pray for me.

Yours in Jesus all under the Blood.

At Frisco School House

Sulphur, Okla.—Closed a ten days meeting at Frisco school house, near Mill Creek, Okla. One lady was sanctified, The crowds were large and good attention and the very best of order, and a hearty welcome to come back. The ice has been broken. The first time Holiness was ever preached there, There was only one that claimed to be sanctified in the community before the meeting. Now there are two. They hold the first Sunday of each month, and I have promised to preach for them. We had some good help from Bell Wood community a few nights. Bro. Jesse A Cook preached one Sunday night and the Lord did bless him in giving out the Word.

I visited the Reagan Church last Second Sunday and preached three times. Had good services. One lady that came to Mill Creek in our meeting some time back and got sanctified, received the Baptism of the Holy Ghost and spake in tongues. Two came into the church. May God bless every evangelist and every pastor and all is my prayer. Amen. Saved, sanctified and Baptized with the Holy Ghost.

3 Saved, 5 Sanctified, 5 Receive Baptism of the Holy Ghost

Atoka, Okla. Nov. 2—Greeting in Jesus name. I am saved, sanctified and Baptized with the Holy Ghost. Thank God for Pentecostal Holiness. We have been in a meeting at Hart, Had a very good meeting and very large crowds. The Lord pardoned 3, sanctified 5, and baptized 5 with the Holy Ghost, and some were healed, and a fine offering (for this I thank God) and the givers. On the closing day, on Sunday evening, Bro. Geo. Wright and Sister Elsa Walls were happily united together in holy matrimony, and took their leave for Texas on Monday. Bro. Lorraine and Bro. C E Neukirchner helped some in the meeting. A real blessing from heaven for me. May God bless the work everywhere where is my prayer. As ever, your brother in Jesus.

THE PENTECOSTAL HOLINESS FAITH

Reports of Meetings
Bro. Offutt's Report

Sulphur, Okla. Nov. 2—Dear Faith family, greetings to all in the name of Jesus. I feel it the will of God for me to strike a note through the Faith paper. It has been some time since I have written to it. I have met so many of my friends that would say, why don't you ever write to the Faith, that I thought I would take a little space in it this time. I can say I still have the victory and peace within. God is blessing. I went to Bartlesville after Conference and opened fire on old split foot. Had a good meeting and the saints greatly helped up. I sure like to be with the saints there. There is some true gold there. I would like to see a letter from them any time through the paper. It always does my soul good to see the saints working like they are at Bartlesville.

I came to Ada on the 29th of Sept., and opened fire there with Bro. York, and I find him to be a war horse for God. We continued there until Oct. 22nd. It seemed that I did more hard and straight preaching there than any place I ever went, but I thank God for the old straight Holiness Bible way. There were all kinds of people that professed holiness, but when the old Bible straight edge would wade through, they would drop out, and back off. We organized a church with 13 members and several more to come in. I took an offering for the purpose of buying seats to put in the mission and got enough in a few minutes to seat the building and pay the first month's rent, for which I give God all the praise. I am not ashamed of the Gospel and I am not ashamed of our preachers, and if I should have one with me I am sure I would mention him. Some folks want all the praise, but not me. God is exalted and magnified in our lives if we keep dead to ourselves. I sure like the folks at Ada, both saint and sinner, and I know I will meet those Ada saints in heaven. I thank God for Pentecost at Ada, and for a good straight clean pastor like W D York. I left the meeting with victory in it and a hearty welcome from the people at large to come back. I have been home for nine days attending to some work at home, but I leave for Nashoba, Okla., to begin a meeting the 4th of Nov. May God's richest blessings rest on the Faith readers, is my prayer.

Meeting at Hubert

Hubert, Okla. Oct. 30—Praise the Lord for victory in my soul this beautiful morning. I feel like giving God the glory for it all. Wife and I came here the 18th of October, opened fire on the enemy and have been shell ing and bombarding the camps here for 12 days. Some services the power falls in a wonderful way, the saints are made to rejoice in Jesus and just on top of the victory the enemy gets in and weakens the firing line by putting in one of his hypnotics, then we have to fortify in another place against the enemy. So its one victory and one defeat. but thank God He is giving grace and glory to encounter and bear it with patience for which we are praising our loving King. The greatest hinderance is over the building. It was built by the saints that believe in the 3 fold plan of salvation and all who preach it was supposed to be admitted to preach in it but it was built by the unorganizers, who believe in regeneration, sanctification and the Baptism of the Holy Ghost just like Pentecost preach it so I got possession on the true principles of God's Word, but after I got in the Apostolic fighters against the organized had commenced to try to get me shut out because I belonged to the Pentecostal church but God has worked through some of his pure gold tried Saints in our behalf, and give us the building as long as we want to stay, so God is on our side. If God be for us who can be against us. I don't know how long we will stay here, but until God says it's enough.

Pray for God to have His own sweet way here, and pray for us. God's blessings rest on all the Saints and the Faith family in Jesus name. Greeting til He comes or calls.

Yours in Jesus,
T W VAUGHN.

At Gowen

Gowen, Okla. Nov. 7—Just a few words to let you know how we are getting along at Gowen. Our services are improving wonderfully since we came here from Conference. The saints all seem to be united together more and love one another better and services are getting real lively for the Lord, and so we feel that we are gaining ground. Have organized a Missionary Society and our first meeting was the night of Nov. 7. It was the first Missionary service that the saints here had ever attended, although this is one of the oldest churches in the State, but God blessed us and we had a real good Missionary service and a real nice little offering for our Missionaries. We want to make arrangements for you (Bro. Muse) to come down and give us two or three services concerning our missionary work. We feel that we are going to have great things from the Lord, and we are satisfied that we are in the will of the Lord. Will have Bro. Arthur Smith with us for a revival beginning the 17th. D.V. You will find enclosed our renewal for the Faith.

Yours all for Jesus,

MRS. C. E. STONE

Lexington, Okla.—This day finds me one day nearer my eternal home. Still saved and sanctified, fully determined to go all the way with Jesus, regardless what the cost may be. We have many trials and temptations in this life and we hear the devil say on every side that you cannot live a life without sin. Oh glory to God we can live it if we will go down upon our knees every day and ask God to help us live it. Well praise His holy name. Saints I am really glad for the Pentecostal way of holiness. Was born and raised a Baptist and was converted and joined the Missionary Baptist church and lived a Christian life for 12 years in the justified state and was satisfied until there was a Pentecostal Holiness revival held in my community and they preached on sanctification and God opened my eyes and I went to reading God's Book and I saw through sanctification and praise God for it. The devil and all his angels cannot make me believe anything else, glory to God. I have only been in this way since Sept. 24, 1922. Have only heard one holiness sermon preached since I was sanctified. Heard it at Shawnee, Okla. at the Mission and all of the saints seemed to be on fire for the Lord that night, and that is the way we should be. We should be up and about our Father's business, glory to God. Well saints, pray hard that if it be the Lord's will that one day in the near future we can have a Pentecostal Holiness church in my community. My community is principally all Baptists.

Well pray for me that if it be God's will I will receive the baptism of the Holy Ghost and that I will live such a true life that my neighbors will see that there is a reality in Sanctification. May the God of Heaven sustain and bless all of the saints and my family.

Your Sister in Christ, looking for the soon coming of Jesus,

MRS. C. B. BURNETT.

To the members of the P. H. church at Oklahoma City:

Dear Ones—I feel that I have procrastinated long enough thanking you for the kindness to me during the illness and death of my beloved husband who departed to be with Jesus, June 24, and for the beautiful floral offering donated by the church. I am especially grateful to Bro. Wilkins and Mother Hatcher who visited and prayed with my husband during his illness and to Bro. Lott who stood by us at a time when brotherly love is needed most.

My husband came to Oklahoma City in 1898, a stranger, friendless and penniless, having left all his possessions behind. He surrendered his heart and life to Jesus and tho' living alone was very active in Mission work.

I was attracted to him by the beautiful Christ Spirit which beamed from his countenance and we were married in 1904.

He was a hero in his sufferings never complaining, but always praying. His last words were "Jesus, Jesus," and I am sure he is with Jesus now. "That soul, tho' all Hell should endeavor to shake, I'll never, no never, no never forsake." I pray for me, MRS. GRACE BERGLE.

WHO SHALL STAND?

Lord, who shall abide in-thy tabernacle? who shall stand in thy holy hill?

He that walketh uprightly, and worketh righteousness, and speaketh the truth in his heart.

He that backbiteth not with his tongue, nor doeth evil to his neighbor, nor taketh up a reproach against his neighbor.

In whose eyes a vile person is condemned; but he honoureth them that fear the Lord. He that sweareth to his own hurt, and changeth not.

He that putteth not out his money to usury, nor taketh reward against the innocent. He that doeth these things shall never be moved.

—Psalm 15.

El Reno, Okla. Oct. 20—I want to send in a word of praise for my King. This morning finds me saved and sanctified and Baptized with the Holy Ghost just now, glory to God. Sure do feel good in my soul, have victory over sin, flesh and the devil this morning, glory to God, hallelujah, praise His name forever and ever. Find in Jesus all I need. He is my doctor, He heals me and babies. The glory I feel in my soul this morning tongues can not express this heart felt salvation, glory to God, and I want to state that God hasn't forgotten the saints at El Reno. Sure did pour out His Spirit and power Sunday night, some dancing in the Spirit, some talking in tongues as the Spirit gave utter-

ance, some walking and singing and the power came upon Bro. Neal, our pastor, and he talked in tongues and thought he was going to have to preach in them. It sure was glorious. God sure did bless him in giving out the message, praise His name. Sure do believe Bro. Neal is a Spirit filled man. I mean to run this race with patience and see the end of a Christian life by the help of Jesus. He is my coming King and I mean to see Him face to face. All the saints pray for me and family.

**HOW TO KILL A CHURCH**

If the weather does not suit you, don’t think of coming to church. In fact, even when the conditions are ideal, don’t come often. And remember, when you do come, come late.

Never use front seats; sit back.

Complain if some one does not insist on your taking a hymn book, and when you get it, put it aside and don’t sing.

Let the pastor do all the work; he is paid for that, and remember, Christ had reference only to the ministers when he commanded all Christians to witness for Him.

Congratulations yourself that you have outwitted the treasurer and the church and do not have to contribute a thing. Or if you finally decide to give some small gift to the Lord, hold it back as long as possible.

Be selfish in all things undertaken and ask yourself, “What do I get out of this?”

If strangers come to church, glare at them as intruders; Don’t let them know you are glad they came; don’t find a seat for them; don’t give them a book, don’t speak to them after service and ask them to come again.

Never mention the church; never speak of the services to anyone. Continually sigh for “the good old days” when the church was a power. And say emphatically that you refuse absolutely to waste your time working for an organization that is dead.

Never speak a word of encouragement to the minister, and if his name is ever mentioned in public, remember it is your opportunity to expose every defect. Don’t omit a single fault and be sure to elaborate profusely.

When others roll up their sleeves and get to work, say with an injured air that you are not wanted, and that the church is run by a clique.

Make every effort to impair the influence of your pastor, by criticizing him publicly and privately.

Break the spirit of the pastor by your indifference or neglect to meet your obligations to him, and by rejecting the leadership of the pastor when he wants to see the church make progress.

**Tell Us More About Jesus**

“Tell us more about Jesus”. That was the plea a Missionary in India encountered as the Gospel of Jesus was being given out from place to place. Tell us more about Jesus. It’s the message the world needs to hear. More about Jesus. Oh the longing, yearnings in the hearts of men and women that can only be satisfied with Jesus, Search where you will, there is only one way to satisfy the longing of the soul, and that is with a personal knowledge of Jesus and a realization of sins forgiven. It’s Jesus that can bring about the reconciliation with God. It’s Jesus that can wash away the guilt of sin. It’s Jesus that can set the captive free. It’s Jesus that can take away the gloom and shadows and send the joybells of heaven flooding over a man’s soul. No wonder that after the plodding of years to heathen shrines and to heathen gods and to dirty streams of water in vain seeking relief from the load of sin. Tell us more about Jesus. Let’s you and I help to send them the Gospel that they may know more about Jesus.

Westville, Okla.—Dear Faith family. I praise God today for real victory over sin. Today finds me saved and on the highway of holiness. I am glad the Lord can and will save all who call upon Him; and He is the same God yesterday, today and forever. And I also praise God because He will cleanse us from all sin and Baptize us with the Holy Ghost as in Acts 2:4. Sis­ter Jessie Williams is holding a meeting here now and we are praying that many lost souls may be saved. All who read this pray for the meeting that it may be a great success. Your sister in Jesus. BERTHA BROOKS
