Many Hungry Souls

Good Report of Work in China

Hong Kong, China.

Dear Brethren:

Since you heard from us last the Lord has been blessing, for which we praise Him. We do not desire to paint a picture that would appear too bright, but to say the least that might be said we are steering clear when we say that no such opportunities have ever presented themselves to the Pentecostal Holiness Church in China as there are now. Everywhere we go doors are open wide to receive us. Sunday evening when I started for service I took a small handbag full of tracts intending to have some for the service but before I got to the mission I had disposed of almost the last one. It used to be that when you gave a person a tract that when they found that it was about Jesus they would tear it up without reading it, but not so now.

On one occasion when I had given out about one hundred tracts to a company of people who were waiting for a boat I then passed about among them to see if they were reading them or if they had torn them up, but I did not find a single tract torn up. They were reading them, they were reading a tract the subject of which was somewhat, although he had never had the message explained to him before. He finally asked how he might be saved and become a member of the mission.

After preaching in the Mission the other night I took a street car back to town, and seeing the second class full of people I went back there and preached to them and then gave out tracts. It all seemed to be received gladly and the tracts were read with interest, the people were glad to get them. And so it is every day; on the boat, street cars, steamers, in the mission, on the street, and everywhere we go people seem glad to hear the gospel message. Even while I am writing this letter a letter comes to me from two hundred miles inland asking me to come and hold a revival meeting. My dear brethren, the doors are certainly open wide to us. Please help us to fill them. We need tracts, they cost money; we must travel if we extend the Kingdom, and to travel costs money. We look to you brethren at home to help us.

It has been our long desire to open work inland this winter, but we have just heard from our General Board that it will perhaps be impossible to do so for the lack of funds. While we wait thousands are dying who have never heard of the gospel. Could you not give as much for this work as you spend for gasoline for your automobile? As much as you spend for refreshments?

Above all things pray for us, ask God to give us a great revival. We need it.

Yours for China's lost millions,

W. H. TURNER.

17 Saved in Revival

Some Sanctified and Baptized

The revival at Emmanuel Pentecostal Holiness Church from November 5 to November 22 was splendid. The results were good. Some 17 were saved, and about 9 sanctified and 4 received the Baptism of the Holy Ghost and spoke in tongues as Acts 2:4. A splendid feature of the meeting was the brightness of the different experiences. Almost invariably the seekers would pray through to shouting victory, and get the glory in their souls. Numbers of times when I have been anxious to see folks hurry through, God has told me that if they didn't get the glory it would not hold good. And it is so. And it delights our souls to see folks pray until they get the glory with the different experiences. Most every one praying through in this meeting were grown folks. Some had been sinners for years, and it was worth much to hear them shout and praise God, and rub over their hearts and tell folks, "I've got it!" One man who had been diligently seeking to be saved for several days was saved and began to shout as they were singing. "Oh, the precious love of Jesus, how it thrills my ransomed soul." and for several minutes singing ceased and a general rejoicing took place over this miracle of grace. Others dug deep in prayer and came through with good victory. The last conversion in the meeting was during the final handshaking as we were bidding each other good-bye, and one sister shook hands and said, "Pray for me. I am so hungry for God." And instantly God came into her life and she began to shout. Bro. and Sister B. B. Scrivener and Mrs. Dan T. Muse were good workers in the meeting. Bro. N. T. Morgan did most of the preaching.

Praying Through on All Lines

Elmore City, Nov. 22.—There is great victory in the meeting at Fair Oaks. We are in a good meeting. It is in full blast, and the power is falling and people are shouting and dancing, and praying through on all lines, Rev. E. G. Murr is doing the preaching, and he is hewing to the line, and the devil is howling, and God is blessing, and people are lining up with the straight old Word. Thank God for His Word, for it will stand forever, and it always will bring results if it is preached straight and clean. There will be a number unite with the Church Sunday night, Pray for us here at Fair Oaks. Yours for the cause,

D. P. THURMOND, Pastor.

11 Saved, 8 Sanctified

Hulbert, Okla., Nov. 22—I am praising the dear Lord for real victory in my soul this lovely sunny morning. The sun is shining inside and outside all at the same time, praise the Lord. I came here October 18 and opened up the battle against the enemy, for the lost and Jesus, and have been on the job firing and shelling the camps continually, and it has been a real battle, and that's no joke either. For eighteen nights before any one prayed through, but thank God for patience to go on. Since the first one got through the power has been gradually falling up to the last four services. It fell in old Pentecostal style. Eleven were saved, eight sanctified, and one received the Baptism of the Holy Ghost. The saints shouted, danced, leaped, cried, laughed and talked in tongues as at Pentecost. Having large attendance. The altar was crowded last night; had a wonderful meeting, for which we are praising God. I don't know where it will stop, in Heaven I trust. Pray for us. Still saved, sanctified and the Comforter still abides. Open for calls. Home address, Wagoner, Okla.

T. W. VAUGHN AND WIFE

Standing Rock and Liberty Hill

Tushka, Okla., Nov 25—I am glad to report victory through the Blood of Jesus. I am glad to say that Bro. Stark visited our churches at Standing Rock and Liberty from the 8th to the 15th. However I am sorry that it rained out 3 services at Liberty Hill. We feel that the churches were much benefited by his visit. I ask the prayers of all the saints. I am all out for the Lord. A H LUCAS.

God-Blesses in Okmulgee Meeting

Okmulgee, Okla (Nov. 25)—Bro. Wilkins gave us sixteen days preaching from the book of Revelation, and God sure made him a blessing in each service. On the last night of the series of sermons, he took the 21st and 22nd Chapters of Revelation, on the renewed earth, and God just lifted him completely out of self, and let the saints get a little foretaste of Heaven. Almost every service you could see eyes filled with tears, and hear sobs from weeping hearts, and the last night some were weeping and some shouted and others dancing in the Spirit. Praise God for His great love. When Bro. Wilkins got through with Revelation we just went on with revival services and God is blessing Bro. Wilkins in these services. Some are praying through on all lines. Pray for the work in Okmulgee.

Your Bro. in Christ,

G C WATERFIELD.

Strain, Ark., Meeting

Paris, Ark., Nov. 24—Greetings in Jesus name. Glad to report victory today. We have just closed a meeting at the Strain church, near Harris, Ark. Had a real good meeting, and the saints were wonderfully built up. There is some pure gold there and they know how to entertain a preacher. They have had many things to discourage them, but they are moving on with the Lord. We held street meeting in Fayetteville, Ark. People are anxious to hear the truth. One of the leading Methodist preachers of Fayetteville asked me what church we were with. I told him the Pentecostal Holiness Church. He said that it was the best church in the world. We have greater opportunities to spread Pentecost than ever before. Wife and I are trying to make this the best year of our lives. God is wonderfully blessing us in health and in the battle of the Lord. Any one desiring us for a meeting may write us at Wagoner, Okla.

Yours for the lost,

DEAN and LILLIE SMITH.

Okmulgee, Okla., Dear Faith Family: Greeting in Jesus name. Will report victory through the blood Am at home for three or four days. The Lord willing will move to South Coffeyville, Okla. Been wonderfully blessed since being at Coffeyville, wonderful band of saints at both Coffeyville, Kansas and at Coffeyville, Okla. Several young preachers there though not in Pentecostal Holiness but seem on fire and believe and preach Pentecost.

We mean to still be in the evangelistic field and will be open for calls in the future, say by Christmas, as have meetings up until that time. The ones that were reported praying through at Coffeyville, Kans., and So. Coffeyville, Okla, just prayed through to one experience and not on all lines, but are all still wanting more of God.

Saved, sanctified, baptized, Lon Wilson, Home address, So. Coffeyville, Okla.

Pastor Sallie Tolbert was to begin a revival at Rossville Church Nov. 28.
7 Saved in Hart Meeting

Vanoss, Okla, Nov. 12—To the Faith family scattered abroad, I want to report victory in my soul once more. Glad I’m saved and sanctified and the Holy Ghost abides just now, and I am trusting God as my healer just now, praise His dear name. Glad I ever found this way and ever got in the way and on the end of of the way I am going to get my pay, glory to God. We have been having a meeting at Hart school house. The Lord wonderfully blessed. I got saved for which we thank God. Bro. Clarence Neukirchner did the preaching except one night and Bro. Roberts preached. They both preach it straight and clean. Thank God for preachers like these brethren. Pray that God will undertake and use them at the front of the battlefield for Jesus fighting sin and the devil, and also pray for me that I may be at the front more this coming year than ever before. Pray that God will give me more wisdom and knowledge and understanding of the Word. As ever your brother in Christ out for the lost.

Ada, Okla.—I just want to say a few words in the way of apology. Should any one think that we haven’t thanked them enough for what they have done in helping us get the work started here at Ada, will just say many thanks to all, from the least to the greatest. First Bro. Jimmie Ferguson and wife, Bro. Luther Dryden, Sister C L Smith, Bro. Emrie Offutt and wife and Sister S M Weatherford. So may the Lord bless and keep you all is my prayer. I remain as ever your sister.

DOLLIE YORK
A poor old woman in China, who had been converted, but who seemed unwilling to be baptized, was asked why she hesitated. "Why," she replied, "you know that Jesus said to his disciples, 'Go ye into all the world and preach the Gospel to every creature.' Now I am an old woman. I can tell my husband about Jesus Christ, and I can tell my son and his wife, when he has one. I am willing to speak to my neighbors, but I can never go to all the world. Now, do you think He will let me call myself a disciple, if I can do no better than that?" When she heard that the Lord asked only for the best from each of His disciples and does not require from any one more than he can do, she said gladly, "Oh, then I am ready to be baptized whenever you think best." If all disciples of the Lord were as conscientious there would be no lack of missionaries.—Selected.

My ambitions are rising higher and I can see things in the Lord I never saw before—Willard Short.

Prayed Through on All Lines

Seminole, Okla., Nov. 28—We had a wonderful meeting near Elmore City, Okla., where Bro. D P Thurmond is pastor. Well, glory, people went through on all line. Young men and old men and all kinds fell under the power and come up telling about the soon coming of Jesus. My next meeting will be at Mt. Park starting the 2nd of Dec. Yours in Jesus name. Good Meeting at Gowen

Gowen, Okla., Nov. 27—Dear Faith family, peace be unto thee. I want to praise our God for this good old time religion that makes us happy soul and body. We closed our meeting at Westville on Tuesday night, the 14th, with victory. There were several prayed through and were saved and sanctified. Sister Williams did some good preaching for us. She sure knows how to get under the burden for souls. Wife and I came on here to Gowen on the 17th of Nov. and began a meeting Saturday night the 18th for Bro. and Sister Stone. Up until last night there had been three saved and two sanctified. Last night the Lord gave us a wonderful outpouring of His Spirit, the clouds of mercy were lowered and the power of God was present to save two souls, sanctify about nine through His precious Blood and baptize one woman with the Holy Ghost and fire. The saints were made to leap, dance, talk in tongues. Bro. Troutman did most of the preaching; he was sick, yet God would anoint him in preaching service. One precious girl, almost forsaken, God wonderfully saved her and sanctified her. She sure did shout the victory. 5 added to church and the saints wonderfully helped. We also had our church meeting or Conference, one dropped, notice above 5 came in his place. I sure do like to have a good clean church, praise God for Pentecostal Holiness and its rules. Hallelujah to God. Your brother saved, sanctified and Baptized with the Holy Ghost. WALTER E HARRIS

The Oklahoma City Revival

The Oklahoma City church is in the midst of a revival. For some time back there has been a digging down, and it has been bringing results. Within about a week's time at the prayer meetings and the regular services some 17 experiences (definite) were obtained by seekers wanting to be saved, or sanctified or filled with the Holy Ghost. God has been blessing the saints and there seems to be a revival in our midst. Evangelist Willard Short is now holding a two week's revival, and is doing some splendid preaching. Great things are expected.

The Bethel Meeting

Wewoka, Okla., Nov. 27—Greetings in Jesus name. This morning finds me with victory in my soul. The meeting is moving off fine. About 30 in the altar last night. 5 or 6 prayed through since Saturday night. I go from here to Calvin, Okla., for a meeting. Your brother in Him.

Revival at Coweta

In a letter received from Evangelist T E Rhea he tells something of how the Lord is blessing at Coweta where himself and wife are in the midst of a revival. He says, "The Lord is blessing us in Coweta. About 5 or 6 got through on all lines so far. Good interest. Big mission and full every night. Last night people were standing in the aisles and some could not come in. I believe we are going to have a great revival."

Meeting at Coweta

Coweta, Okla. Nov. 20—Dear Faith family. Greetings in the name of the Lord. Still in the battle against the world, the flesh and the devil. Just started a meeting at Coweta. There sure is a fine church here. We took part in the Lord's Supper and a big foot washing Sunday. God wonderfully blessed. Sure glad I am one of them. The last place we held a meeting was with a backslidden bunch of use-to-be Pentecostal people. I felt led to tear off some hide and did so and they stopped me, said for me not to preach any more to the saints that I was teaching up the Mission. Said if I wanted to hold a meeting there I would have to just preach to the sinners. Bless the Lord, I told them if I could not preach to pretended, living like the devil, I would move on to the next place so I did. Some of them are living like the devil wants them to, and won't even kneel when you pray. Brothers and sisters I intend to preach the Word if it takes my head. Pray much for us. We are open for meeting anywhere the Lord leads and are willing to stay just as long as the Lord leads. Your brother and sister in Christ Jesus.

How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?

And how shall they preach, except they be sent?—Rom. 10: 14-15. What are you doing towards sending the Gospel to the heathen world.

Blanchard, Okla.—Dear saints and sinners and readers over the land. I just thank and praise God this blue Monday morning for full and free salvation. Oh I am so glad I ever started in this way. I am so glad I ever took Jesus as my all and all. Praise His dear name. I can feel the fire burning in my soul just now. I want to say that God has put in my heart to send in some reports of a meeting we have had here at Buffalo school house. Bro. Clyde Grimsley did the preaching. He sure did give out the Word straight and plain. Sister Grace Richey was gloriously saved and sanctified in the meeting. She said she had got the kind of religion she had wanted for a long time. I am glad to say that people were made to believe the devil was made mad and said he believed in people being holy but didn't believe in the tongues. Well praise the dear Lord. I am so glad it is real whether every body believes it or not. Glad I am saved and sanctified and the Holy Ghost abides just now. Saints pray for this place and for us there are not but just a few of us in number. Pray for my husband that God will save him before it is too late. Too late as the old song says, too late, too late, poor trembling soul, Too late, too late to be made whole. Too late when death has barred the door. Your mourning can't be heard no more. From a sister in Christ.

Mrs. Josie Moore

Westville, Okla. Nov. 19—To the dear Faith family and Christians scattered abroad. Greeting in Jesus name. I would like space in the good little Faith this evening for a few words of testimony. I am still saved and sanctified through His precious Blood and the Holy Ghost still abides, glory to His precious name. A word to the fault finder and we seem to have lots here of late. When you find a fault somewhere you just get up before the glass and look yourself in the eye and if you can't find any fault in yourself you might watch for other's fault. Our revival closed a few days ago that Sister Josie Williams let loose; some say "hold"; that is the trouble with some meeting now they are "held". She preached it straight and clean, the best I ever heard. May God bless her as she holds up the standard of salvation. There was lots of conviction but they would not yield. You saints that know how to pray, pray that God will get such a hold on them they will have to give up and let God save them. some of them were 54 years old, and the most of them were fathers and mothers. Pray for me and mine that we might do God's will at all times. Your brother in the Lord.

The Westville Meeting

Dear Faith Family,—Greetings in Jesus dear name. All week my soul has been breathing from the mountain peak of Beulah. I don't know how long the dear Lord is going to let me live in this heavenly atmosphere, but it is wonderful. I don't feel a shadow anywhere. I'm just home from Westville, Okla., where I have been holding a meeting for Bro. and Sister Arthur Smith, who are the good Shepherds at Westville. The Lord gave us a good meeting. God has some precious people there who will do all they can in every way they can for the Lord's work. There were quite a number saved and sanctified. I am not prepared to say how many. I made my home with Bro. and Sister Smith and I must say it was heavenly. They did all they could and so did the church, to make me feel welcome and at home in the Lord. Bro. and Sister Smith are good pastors and they love their people and appreciate them. I have held five revivals since our Annual Conference. I never felt more like doing my best for the Lord than I do now. The fields are white and the cry, "come over and help us" can be heard from every side. Am home resting a few days.

Bro. and Sister Campbell are getting along nicely in the mission here, interest is good for which we praise the Lord. Pray for husband and I to do our best for the Lord.

Yours in His service,

Mrs W A Williams,
R. 6, Enid, Okla.

Bro. Lon Wilson, who has been used of the Lord in meetings at Coffeyville, Kans., asks that we announce the organization of a church at Coffeyville of 25 members, and that Bro. L T Wright has been placed in as supply pastor. May God bless Bro. Wright and the church at Coffeyville, and continue to pour out His Spirit upon them.

Caddo, Okla.—This evening still finds me sanctified and filled with the Holy Ghost. I am not tired of the way. I intend to go all the way with Jesus. He is all in all to me. You will find enclosed 50 cents for the renewal of my paper: I see my time is out, and I do not want to miss a number, for it is real food to my soul. I want to ask all the Faith family to pray for my husband who has stomach trouble. He thinks he is getting worse, but we know that the Lord can heal. The doctors say they cannot do him any good. Pray much for us that we may hold onto the Lord for his healing power, and also for husband to be filled with the Holy Ghost. He is hungry for the Baptism.

Your sister in Jesus,

Mrs J L Bell.

One sister writes as follows: "I am anxious to get the papers again as they have been such a blessing to my family, as husband and I both have been saved and I was baptized a short time ago, and the papers are partly what converted us."

GOD'S HOLY BIBLE

It is said concerning the death bed scene of one American patriot who had attained to a high place in the annals of his country but who had neglected the vital issues of life and facing eternity alone, he pointed to the Bible and said, "Here is a Book, the greatest ever written. It has been my misfortune never to have read it." The world today is starving for the Bible. Like a drowning man tossed about by the onrushing torrent the world is floundering from Darwinism to Spiritualism, to Christian Science, Occultism, and no-hecism, and infidelity because people have not applied themselves to the study of the Bible. The modern churches are more or less permeated with Darwinism and skepticism because the ministry has failed to preach the deep things of God and declare the truth of the Bible. Instead of believing and digging down and obtaining the experiences taught, the ministry has been busy trying to excuse sin and saying the "Bible doesn’t mean this and that,” etc. Like a ship without a compass the world is wandering and people know not what is coming next. Having lost the vision much of the professing Christianity is devoting their time to opposition to Holiness and Pentecost and the deep things of God, and are rapidly slipping into decay. What we need is an-old-time getting back to the Bible. It is Bible conviction and Bible conversion and Bible faith people need. Bible Holiness and Bible healing and Bible Pentecost are balance wheels to guide you through. It is said of a couple in Oklahoma City that they come to the conclusion that they couldn’t live as the Bible taught so they said they would not read it and then wouldn't know what it said. Read it or not, it will meet you at the Judgment. The Bible is the food this world needs. Without it you will flounder deeper in the mire. Read your Bible, study your Bible. It has been truthfully said that the Bible is "the mind of God, the state of man, the way of salvation, doom of sinners, and happiness of believers.” Its doctrines are holy, its precepts are binding, its histories are true, and its decisions are immutable. "Read it to be wise, believe it to be safe, and practice it to be holy. It contains light to direct you, food to support you, and comfort to cheer you. It is the traveler’s compass, the pilgrim’s staff, the pilot’s compass, the soldiers sword, and the Christian’s charter. Here Paradise is restored, Heaven opened, and the gates of Hell disclosed. Christ is its grand subject, our goal, its design, and the glory of God its end. It should fill the memory, rule the heart, and guide the feet. Read it slowly, frequently, prayerfully. It is a mine of wealth, a paradise of glory, and a river of pleasure. It is given you in life, will be open at the Judgment, and be remembered forever. It involves the highest responsibility; rewards the greatest labor, and condemns all who trifle with its holy contents."

6 Saved, 3 Sanctified, 1 Received Baptism of the Holy Ghost.

Seminole, Okla.—We closed our revival here Nov. 19. Had a blessed meeting. Rev. J W Thomason, the Superintendent of the Memphis Conference did the preaching. The Lord made him a blessing to our church. There were 6 saved, 3 sanctified and one received the Baptism of the Holy Ghost. Our church is moving on fine. It is yet alive, although the report has been that it is dead. Our Sunday School is good. The Lord willing I will go to Woodville Dec. 1 for a ten days meeting. May God bless our Conference, Your brother in Jesus.

Holland, Mo. Dec. 4—To the Faith family, Greetings in Jesus name. I want to praise God for the paper, for it always brings a blessing. If I may have your paper I want to sound a note of praise for my visit to the church at Seminole and for the good meeting we had there in November. Several prayed through, some on all lines. There is a good band of saints there. I never shall forget them. May God's blessings rest upon them. I believe they have the cleanest church I ever saw. My prayer is, Lord give us more like them. I heard the church was dead, but if it is, I would like to have been there before it died. I tell you it is not dead, if so, give us dead ones all over the Conference. I tell you they are pure gold. It is a pleasure to preach there, for when you are preaching they are praying for you. I must say before I close I never met a man that I love any better than the pastor. May God bless him and his good wife, they were just like brother and sister to me. I am glad I was in their home. May the Lord bless them and their work is the prayer of my heart. And I must say the saints all love them said to them they had the best in the Conference, or I meant to say as good. Most any of us can get out in a brush arbor and have a good meeting but when it comes to pastoring a church we fall short. I do I'm sure. Please pray for me. I am your brother out for the lost.

Glorious Victory at Okmulgee

Oklahoma City, Okla. 210 W. Chick, St.—I have just returned home from a 4 weeks battle at Okmulgee, where Bro. Waterfield is pastor. The first 16 days I lectured on Revelation and the rest of the meeting was on a revival line. God gave a revival for which we praise Him. There was 30 experiences in all and God gave the victory in every service. We never had better liberty in our life in giving out the Word. Our stay in Okmulgee was a pleasant one. There is a good band of saints there and they have a fine Sunday School and they all seem to love their pastor and God is making Bro. Waterfield a blessing to the church. Every one pray that God will give them a larger building as the church is not large enough to accommodate the people. Bro. Waterfield sure knows how to treat an evangelist as he has been in the evangelistic work himself. May God bless the Okmulgee church for their kindness, they gave me the 2nd best offering I ever received.

Pray for me. My next meeting is at Carr church, then we go to Texas, then to Ada, Okla. Your brother in Christ.

Many Ways in Which to Help

The Missionary work has a friend in Bro. Gay Menasco, of Sulphur, Okla. For several years we have corresponded with Bro. Menasco and met him from time to time, and he is a real friend towards sending the Gospel to the whole world. In September a sow and her litter of pigs died, with the exception of one, and he gave it to his wife and she said she would raise it for the Missionaries. It required quite a lot of work to get it up in the night and feed this baby pig to keep it alive, but Sister Menasco was ready to do it in order to raise the pig for the Missionary work. The intention was to sell the pig about next Conference time and turn the money in the Missionary work. However lately while Bro. and Sister Menasco were at church a car ran over the pig and killed it. But nothing daunted by the killing of the pig, Bro. Menasco promptly substituted a larger pig to be raised for the Missionary work. From experience I know that you will meet opposition when you are trying to obey the command of the Lord to "Go ye into all the world and preach the Gospel to every creature." I like the above. And I trust that it will inspire others to do something for the Missionary work. Many that say they have no money to give, just try giving a pig and raising it and selling it and giving the proceeds to the Missionary work. The sisters might give all their Sunday eggs, etc. Let's sacrifice, let's get into this work of sending the Gospel to the whole world in reality. We can do it if we will.
Greenville, S. C. Nov. 30—Dear faith family, I feel like praising God this beautiful Thanksgiving day for all His goodness to me. I have so much to praise Him for that I don’t know just where to begin. But I praise Him first of all for salvation. I know I am saved, sanctified and the Holy Ghost abides to comfort, and cheer. Bless His dear name. Jesus is more real to me today than ever before. I thank God for what this day has meant to me. It indeed has been a blessed day of my life. I praise Him for the way He has kept me since last Thanksgiving day.

We met this morning in the chapel for prayer instead of going to breakfast, and we were greatly blessed by doing. The Lord met with us in a wonderful way. As we prayed for men everywhere where our visions were enlarged of the great need of this sinful world. After prayer we had a good program rendered by our High School literary society which consisted of good songs, talks, and a Missionary drama. This was followed by a very helpful sermon by our president P. F. Beacham, and many testimonies from the students. I’m sure we all praise God for what this day commemorates, and our hearts are made glad as we think of His goodness to us. But it is sad to relate the sinful condition of our fair land today. God help us to do our best in the wide white harvest field of our Master. I am making some progress in my studies for which I praise God. It takes a fine intellectual demonstration to comprehend the profound lectures that are given out daily from day from God’s Word. It is a blessed privilege to sit under the teaching of Bro. Beacham. I praise God for the great privilege of being in this good school. All who read this please pray for me. As ever your humble Missionary from Oklahoma.

Lexington, Okla.—Bro. J C Call was born Aug. 18, 1853, Died Nov. 18, 1922, at his home northeast of Lexington, after an illness of about 3 years. Bro. Call has been for 57 years an earnest and devoted Christian. Although he has suffered much of late, he remained true to God until the end. He leaves behind a companion, 5 boys and 3 girls, with other relatives and friends to mourn his death. Funeral services were conducted by Bro. Lonnie Smith. The remains were laid to rest in the Chapel Hill cemetery. Thou art gone, our precious loved one, to that home beyond the skies. Where there will be no more sad partings, and there will be no more good byes. But where all is joy and gladness and no tear drops dim the eyes. And where loved ones are awaiting for the golden bye and bye. Where no sadness grieve our loved ones and where all is blissful gain. There we know that he is waiting for the angels’ glad refrain, so we will meet them all up yonder in that happy home on high. So when we, like him, should slumber and shall sleep in Jesus name, May we be prepared to meet him where the roses bloom again. Where God’s light is all that’s needed, in that happy home on high. So what we should long and look for is the golden bye and bye.

South Coffeyville, Okla., Dec 6—Greetings in Jesus name. We have moved to South Coffeyville. Okla. Pray that God will make us a blessing here. We will evangelize just as we have been. Any one wanting our assistance write us here. Think that I will begin meeting at Coffeyville, Kansas, this week. Pray for us. I praise God for the old-time power as first fell on Pentecost that makes people dance, shout and talk in tongues. Glad for the victory over the devil. Your brother in His service, saved, sanctified and baptized with the Holy Ghost.

Greenville, S. C. I desire to sound a note of praise to our Lord and Saviour Jesus Christ this beautiful day. I am saved and sanctified as a second definite work of grace, and filled with the Baptism of the Holy Ghost and looking for Jesus to come and catch His waiting bride away. I feel very grateful to the Lord for permitting me to see this Thanksgiving day which I have enjoyed very much. We have a society here (namely High School Literary Society) which met this morning at 9 o’clock. We had several talks from the students, which were enjoyed immensely by all. The society closed at 12 o’clock. At 1 o’clock we enjoyed a fine dinner that was prepared by the Virginia Conference and our dear Virginia friends. We thank them for it. May the Lord bless them bountifully so that they will be able to be a blessing to the world, and help carry on all worthy institutions as this one is. This is my second term here in the Holmes Bible and Missionary Institute, and I praise God for it. This term is much better than the last. The Lord is carrying His work on here in a wonderful way. I would that we had more institutions like this one where young men and women could go and sharpen their swords, as it were, and go out on the battlefield for our King, and conquer the enemy of our souls. I am a member of the Pentecostal Holiness Church at Elm Valley, near Vinson, Okla. I have been a member of said church almost two years, and have been saved, sanctified and filled with the Holy Spirit ever since August 2, 1920, and I am not tired of the way. I feel more like going on every day. I solicit the prayers of all that know the worth of prayer. Your brother in Jesus,

God Blesses at Ponca City

It was our good pleasure to visit the Ponca City church on Sunday, Dec. 3, through the kindness of Bro. and Sister B R Dean, pastors. And we feel that it was a good day in the Lord. A Missionary service was held in the morning and a Missionary Society was organized with Sister B R Dean as President, Sister Ethel Hardy, Vice-President and Sister, Willie Hardy as Secretary-Treasurer. The Society started off with 15 members. Their meeting nights will be the last Tuesday of each month. The offering for Missions was $16.76. At the night service the power of God fell and saints shouted and danced and talked in tongues and in fact we had a real feast with the Lord, and several were in the altar seeking the Lord, and numbers of hungry people gave their hands for prayer. The Ponca City church has some of the pure gold, and is a good band, and we pray that God will continue to bless them and their pastor and his wife.

Missionary Society at Wagoner

Wagoner, Okla., Dec. 3—We have a meeting of the Missionary Society of the Wagoner Pentecostal Holiness Church the last Tuesday night of every month, and always have a fair offering. Our last offering was $7.50, for which we praise God. We are praising God for what He is to me every day of my life. It seems like salvation is more to me than ever before. Saints pray for me and my family.

Meeting at Oakman

Okemah, Okla.—I want to sound a note of praise to our soon coming King. Oh, how I praise God for Jesus and His precious Blood, glory to Jesus. Thank Him for sweet victory in my soul. Glad that I love Jesus above every thing. Am still on the battlefield against sin. Just closed a meeting at Oakman, God wonderfully blessed in giving out the Word. Had good crowds and good interest, although Pentecost had never been preached there. The devil howled, but God gave wonderful victory to the saints. One man got sanctified and quite a few gave their hands for prayer to get the full experience. We have a nice Sunday School here in the oil fields and I am preaching here and I ask all the saints to pray for me here. Oh, how I want to stay humble at Jesus feet and do His sweet will. If any one wants me to hold them a meeting just write me and I will gladly come. I do want to do all I can to help some one to Jesus. Your sister in Christ, still saved and sanctified and healed and the Comforter abides, thank God. Bless His sweet name.

Fayetteville, Ark. Nov. 29—I am praising God for victory in my soul this evening. I am thanking God for this full and free salvation, because if it wasn't free I would be left out. I can't thank God enough, He has done so much for me. This still finds me saved, sanctified and filled with the wonderful sweet Holy Ghost and on my way to glory. I believe with all my heart that Jesus is soon coming, won't that be wonderful. Praise His name. It seems like the devil is trying every way to get me to turn back but by the help of Jesus I am going through. Glory to God. All who read this pray for me. Your sister under the Blood.

Paden, Okla.—Dear Faith readers. I want to praise God for what He is to me. I know that He sweetly saves and keeps me each and every day. Altho I am not where I can attend church very often I am glad for the peace I have in my soul and I am glad that Jesus can be with us in our homes. O I love Jesus tonight, I love to serve Him, it is the height of my ambition to do something for my Master. I love to read God's Word, I can feel God's presence with me. I do desire to live that my daily life will be a living testimony to my friends and loved ones; also my neighbors that they might be saved before it is too late. I love Pentecostal Holiness and am not a bit ashamed to tell people what church I belong to. I love my brothers and sisters every where and how my heart does hunger to be in a good meeting again. I realize my weakness tonight and ask an interest in the prayers of God's people, also request prayer for my husband, he desires to be saved but there are some things seems like he can't give up. Please pray for us. Your sister in Christ Jesus.

Delivered from Tobacco After Using it for 62 Years

Lebanon, Okla., Dec. 8—Greeting in Jesus dear name. I just want to sound a note of praise this morning for the deep settled peace I have in my soul. I am 69 years old. Therefore being justified by faith we have peace with God. In Aug 1869 I found peace with God, joined the Missionary Baptist Church and lived in that church until 1922. Then I heard Pentecostal Holiness preached clean and straight by Sister Annie Carmack, and it taught me that there was a deeper work of grace, and I began to pray for a deeper experience and bless his dear name in April I was sanctified, was that all, nay verily. On the 9th day of Sept bless His dear name I was baptized with the baptism of the Holy Ghost and talked in other tongues as Acts 2:4. Glory to God for Pentecostal Holiness. Dear Faith family I was a great slave to the use of tobacco. I used it about 62 or 63 years, I quit it the day I got the Baptism can see now how filthy it was, Bless God this morning that I can say I have heard Sister Annie Carmack preach about 85 times. She organized a church at Pawell and I am one of the members. So pray for our little body that each one of us may grow stronger in faith and in the knowledge of the truth and such may be added to the church that may be saved. Your brother in Christ... J. C. "Died Abner as a Fool Dieth"

"Died Abner as a fool dieth."—II Sam. 3:31. There are a story about the story of Abner, gallant hero that he was, renowned in his country for his prowess, remarkable as a warrior, attaining to the commander-in-chief of the army of his king. Evidently sharp-witted, keen-sighted, when it came to the affairs of this life. But despite all his successes, despite his having attained to such fame and honor, Abner died as a fool dieth. Hebron was a city of refuge, and Abner died just on the gate. So near the haven of refuge and yet missing all. With a pitiful ending. How sad, yet a striking reality. "Died Abner as a fool dieth," so the record reads. Keen-sighted, yet be left just outside the haven of refuge. How strikingly true it is today of so many men and women. Keen-sighted in the affairs of the world paper and yet missing all. Many of them make manly struggles for honor and respect and for success in this life, but the sad part of it all—the struggle—struggle—neglect to find anchorage in the haven of refuge—Jesus. Every day they are dying just outside the haven of refuge. Within reach—yet—but Abner, they fall just outside the gate. Many of them do not intend—but that arch-enemy of your soul—neglect—putting off salvation to some future hour—robs your soul and death overtakes you just on the outside of the refuge for souls—the Blood of Jesus.

Our hearts were made sad for several days on account of a tragedy that happened in a nearby city which we visited recently. A young man, brilliant and of a pleasing person-
