The Three Types of Healing

E. W. Kenyon

It is a natural tendency to bring our sick and wounded to the place where many have felt they knew the power of their faith. We have discovered the reason why so many find it to be a real thing. The first is the kind of faith that Thom-

The Three Types of Healing

When the temple of worship was built, according to the sacred demand and pattern given to Moses, the tabernacle and the temple of Solomon dwelt among them, inside the temple was a curtained entrance.

It was a curtain of fine linen.

God is Love.

Why is Love the greatest thing in the world? Because God is Love.
From Our Students

F.E.R., Eastland, Texas

This Course has given me a personal and closer fellowship with God. He has given me the Bible, the book that the Bible now is and of how to live it in my everyday life. My soul has craved the spiritual food of God so much that I have longed for it for so long and I know it is not enough. Satan is my enemy and I know that he helps me to overcome him and give me greater power in my Christian life.

Rev. D. M. Victoria, B. C.

When we begin to live by the lessons from this Course, it seems to me there is a new thing. I am glad to have these things, for they lead my way to a richer life in Christ, and more help in my work. I do not think that there is any teaching equal to it and I would gladly recommend it to all God's people who want to live the life of the Master. I want to be equipped to meet and fight the battle of life. I am safely distanced against these days, for Jesus' people are grounded against the deceitful devil. I got on the run and the defensive side of this battle, and I am glad I have stuck with the Word and the Spirit, we get on the offensive.

Mrs. F. A. Rawlins, South Dakota

In my humble way I shall serve my Lord and the Bible was my heart and mind. I have been served with the Word of the Lord and He has blessed me with this Bible. I am thankful to God for the lessons received from them. They have brought me to a point where I can see the dynamic of the human race, bringing some strength and for answered prayer. He has been good to me.

Mrs. F.H.L., Westmoreland, Tenn.

...I am thankful that this Course has been so beneficial to me. I understand much of the Bible that I probably wouldn't otherwise understand. This wasn't the first Course I have taken, but it was the first that has had such depth in its simple way of making one understand. I am thankful to God I was so blessed by studying it. I now have more light on the Bible and the faith has also been strengthened.

R. E. L. Jeffrey, N.H.

This Course I have just finished has been a great help to me. I have always known that God was my Father, but somehow I didn't realize the depth of my love for God or how I should love Him. This Course has helped me realize it more and made Him so much more real to me. I have found that coming as I have been made to see how much we mean to the Father God and His great love for us has made me want to love Him more. eyed at Aida- and God's plans for us to live that kind of life is so encouraging. I have a greater desire to learn more of Christ and His Word, I realize that we all have to live in the lessons and the Holy Spirit revealing it to me, the signs and things that are happening now are made much clearer. I only wish more students would study this Course.

J. A. 2.22, White Orphanage, and Jeblie, and I will study the rest. He will never suffer any more.
