

HERALD OF LIFE

Vol. XVII 403 WEST COMMONWEALTH AVE., FULLERTON, CALIF. JULY-AUGUST, 1952 7, 8

THE VALUE OF WITNESSING

E. W. Kenyon

Israel was God's testimony while she lived in Palestine. All the land traffic between Babylon, Damascus and Egypt had to pass through Palestine. They were God's ancient witnesses. It was a sad day when they lost that witness and were carried into captivity.

We are God's testimony today. "Ye are my witnesses," means that individually we are a testimony. It is significant that our faith never rises above our testimony.

If you are afraid to witness, faith dies or becomes feeble and helpless. Your testimony is your faith expressed. "That if thou shalt confess with thy mouth, Jesus as Lord," It is a lip confession. If you confess before the world and maintain your confession, never giving it up, never yielding to a second confession, you are expressing faith.

A second confession is a contradiction of the first. When he tells us to hold fast to our confession, He is striking at the very root of Christianity. You will never grow beyond your confession.

"They overcame him because of the blood of the Lamb and the Word of their testimony."

Sin consciousness has its own confession, just as Righteousness consciousness has its confession.

Satan is the inspirer of the testimony of sin consciousness. Inspiration for the testimony of

Righteousness.

Every testimony of weakness and failure glorifies him who makes you weak. It is Satan's testimony through your lips.

When you confess that your prayers are not answered, you are charging God with falsehood, and you are lending your lips to the devil to give his testimony of his supremacy over God.

When you say, "I have been prayed for again and again and have not received my healing," you are glorifying the adversary. It is your testimony of lack, of unbelief, of failure, that has held you in bondage.

If you had given a testimony of faith, and maintained it in the presence of every provocation that God's Word was true and that "By His stripes you were healed," you would be healed. Your lack of money, your lack of strength, your lack of usefulness in the cause of Christ is the product of your own testimony. Some people have two testimonies. One is for public consumption, and the other is their private testimony. Their private testimony is failure and lack. Their public testimony is feeble, weakened and almost nothing at all.

It is that frank, absolute testimony of the victories in Christ, that gives birth to faith in other people's hearts.

Have but one testimony, and that of the Father, Son and Holy Spirit, and of your absolute confidence in that Word.

NEWS OF THE WORK

Ruth A. Kenyon

The past few months have been times of testing, but through it all His love has overshadowed us, and He has been our supply. We praise and thank Him for it. Continue to remember the work definitely in prayer.

"The Blood Covenant" is again in stock, and by the time this paper reaches you, we will again have "Signposts on the Road to Success," and the paper-bound editions of "What Happened." The printer is at work now on "In His Presence," and we hope to have it by the first part of October.

We have stepped out in faith to have all this printing done, and we are trusting the Father for the finances to meet the printing bills. We will need nearly \$6,000 for these books alone. The need is very great . . . these books must be kept in print, so they can continue to bring blessing and deliverance to hungry hearts. If you could read the letters telling of the blessings received . . . of lives changed . . . of bodies healed . . . you would want a large share in this work. We need your prayers!

We still have quite a few back copies of the "Herald of Life." If you would like a bundle for distribution, let us know. The world needs this message. Would you like to fellowship us in this way?

If you have friends who need this message, send us their names, and we will be glad to

send them a sample copy of the "Herald of Life."

There is something else I hesitate to mention, but I feel led to do it at this time. Many of our friends have bought books in the past few years, and we have extended credit to them. The individual accounts have been small, but they total nearly \$1,000. We cannot carry accounts like this, and we ask your earnest prayers that these good folks will clear up their accounts now. We know this is not pleasing to the Lord. Some of these have been on our books for several years, and have paid nothing on their account. Pray much!

KENYON - GRAMS

If the Holy Spirit comes into your life you can't stay out of fellowship.

* * *

You must love the Word of God in order to find things.

* * *

The man that is in the will of God is "worry proof."

* * *

When your habits rule you, Jesus ceases to be your master.

* * *

The things that you love govern you.

* * *

You must take Jesus Christ as your Saviour now, or face Him as your judge by and by.

When the church stops testifying, she stops growing.

THE FOLLY OF FAITHLESSNESS

E. W. Kenyon

"If ye will believe, surely ye shall be established."

If the weak believer, we mean weak in faith, will use the same amount of time in a careful study of the Scriptures that he is spending in bemoaning his weakness, he will become a power for the Lord.

You may ask what kind of studies will do it.

The New Birth

First, take up the study of the new birth and see what that means in the mind of your Father. See what it means for Him to say, "Wherefore if any man is in Christ, there is a new creation: the old things are passed away; behold, they are become new. But all things are of God, who reconciled us to Himself through Christ."

The new birth means that you are a new creation and that the Father has made you such on the ground of what His Son did for you. If you have been born from above, of course you are in the family of God. You are an heir of God and a joint-heir with Jesus the Christ. As a new creation, you have all the promises belong to a real son of a Father.

Sonship Privileges

Next take up the study of sonship privileges. Go through the New Testament and find yourself that this relationship is not a mere theory, but a reality; and that you are actually a child of God.

Indwelling of the Holy Spirit

Then take up the teaching of the indwelling of the Holy Spirit, and you will make the discovery that the great, mighty Person that raised Jesus our Lord from the dead actually dwells in the believer in all His omnipotence, grace and love.

Satisfy yourself in regard to this thing. Go over the Scriptural evidence so carefully that you cannot be deceived about it.

Prayer

Next take up prayer and you will find that, because you are a child of God and have come into the family, you can now approach the Father in the Name of Jesus and get His guarantee that He will hear your prayer every time you pray in that Name.

Thus you will have found that the Scriptures can be absolutely depended upon, because the God who stands back of them is your Father.

THESE THINGS OUGHT NOT SO TO BE

Rev. Henry L. Brownell

It has been estimated that 75 percent of every congregation of God's dear redeemed children are in need of healing of their bodies in some measure.

This may seem unlikely, but I challenge you to test it out to your own satisfaction. "My brethren, these things ought not so to be."

The precious doctrine of Divine Healing runs like a golden thread through the Bible from Genesis to the Revelation.

The first prayer recorded was a prayer for healing. "So Abraham prayed unto God; and God healed Abimelech and his wife, and his maidservants; and they bare children; Gen. 20:17. The first statute and ordinance God made with His people that He just led out of Egypt (type of the world) and across the Red Sea (type of the New Birth) was for healing. "If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in his sight; and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that healeth thee." Ex. 15:26.

Let us look at a passage in Luke's Gospel for a real spiritual uplift for bodily deliverance. Read and re-read Luke 13:11-17 until every word registers to you.

This woman had a spirit of infirmity. The record says it was of long standing, eighteen years, and "whom Satan hath bound."

She was "bowed together, and could in no wise lift up herself." Jesus called her and said, "Woman thou art loosed from thine infirmity." He laid His hands on her and immediately she was made straight and glorified God.

Notice, this woman was "a daughter of Abraham." This is what every believer is termed by Paul. "And if ye be Christ's then are ye Abraham's seed, and heirs according to the promise." Gal. 3:29.

Her bondage is attributed to Satan. The little five legged word "ought," which is "dei" in the Greek and means "something absolutely necessary" throws a ray of light that makes the doctrine of Divine Healing shine with a brilliancy akin to Heaven.

In Luke 13:1 the same word "ought" is used. "Men ought always to pray, and not to faint."

In Luke 24:26, again it is used. "Ought Christ to have suffered these things, and to enter into His glory?"

In short, it is our duty to take healing. It is our duty to pray as it was the duty of Jesus to go through to the Cross to do His Father's will.

Do you realize, refusing to take your healing provided for you in Redemption is actually robbing Jesus of the heritage of His agony on the Cross. "For by his stripes ye were healed." 1 Pet. 2:24.

Now see the results, "And when he said these things, all his adversaries were ashamed: and all people rejoiced for all the glorious things that were done by him."

Peace That Passeth Understanding

E. W. Kenyon

"Trust in Jehovah with all thy heart and lean not upon thine own understanding."

Trusting in Jehovah only in great crisis periods is not trust, it is really desperation.

The secret of having the help of the Lord in the hard places is to have the guidance of the Lord in all places.

You will not enjoy the fulness of fellowship with the Lord until you have trusted Him with all your heart. Don't just trust Him for one day, but for every day.

You must learn to trust in the Lord with all your heart, and not to lean upon your reasoning faculties.

"But," you ask, "why did the Lord give me a mind?"

He gave you a mind through which to think His thoughts.

You will never have a nervous breakdown if you trust the Lord utterly.

Worrying brings on nervous prostration . . . doubts and fears are the parents of most diseases.

When your heart rests quietly in the Lord, there isn't any place for disease to come in.

I believe that if you and I could lift the curtain in the lives of sick folks we would see that life had been filled with restlessness and fears for years, and that this disease was but the culmination of a mental and spiritual condition.

When these minds of ours rest in the Lord, they cease to be the playground of Satan.

When we walk by faith and not by feeling or reason, then peace that passeth all understanding guards the soul.

GOT ALONG A LOT BETTER

Thank you and your prayer warriors. My daughter got along all right with the operation. She had one about 6 months before and her husband told me she got along a lot better this time. We can thank our Heavenly Father for that.

M. E. G., Kennewick, Wash.

I do want to thank you for your prayers. The answer came just before receiving your letter. The awful crushed feeling and test was lifted. Praise and thanks to our God Who is still on His Throne.

R. S., Granite City, Ill.

Sometime ago I requested prayer for myself and God heard and answered. I am thanking Him for it. May God bless you in your work.

From "Overseas"

J. B. A., Nigeria

I started taking this course about two years ago and it has been of great help to me. I thought I was saved, but was lost. This course has been the means of my receiving the Lord Jesus Christ as my own personal Saviour.

I thank God again that through taking this course the Lord leads me to go out and speak to a soul and each day I do this. I have won many to God. Though I am not glorifying myself about this because the conviction of a soul belongs to God and is met by

Blessed by the Papers

M. M., Grenfell, Sask.

I'm sorry not to have written sooner to tell you what a blessing and comfort the "Herald of Life" has been to me. Only Eternity will reveal the results of the great work you are doing. May the Lord ever bless you and give you strength to carry on.

Mrs. J. J. B., Long Beach, Calif.

I do thank you for the "Herald of Life." I received it today and had it read before two o'clock. It has such good food for the soul and body, too.

Mrs. W. S. N., Anderson, Ind.

I am sending in two names for the "Herald of Life." I think it is the best paper I have ever found. God bless you as you work for the Master.

S. D., Pitman, N. J.

I love your paper, "The Herald of Life." The messages in that paper are worth their weight in gold.

Mrs. R. E. O., Burbank, Calif.

I do enjoy the articles in the "Herald of Life." Thanks for sending it. The last paper had several articles that just "hit the

Mrs. M. H., Arelee, Sask.

I thank you for your regular mail of the "Herald of Life." I read and re-read it and get such a blessing.

Mrs. C. T., Vancouver, B. C.

I am still enjoying the "Herald of Life." It helps to brighten up my life. I am 88 years old and live alone and almost a shut-in. If you could send me some more I would send them to others who need something to cheer them up.

Mrs. K. W. L., Burton, Wash.

I want to tell you what a joy I get in sending your papers and other literature to my friends. I have mailed almost all of the two bundles I have received and have received answers back from some of them. One lady whose home was about to be broken up wrote and thanked me for the papers. She said the articles on Faith were a great blessing to her through her trial. So it pays to send the papers out. I could never tell you in words how I have been blessed with the books and papers.

O. B., Millbury, Mass.

I want to thank you especially for the "Herald of Life" which has come to me regularly. The last three issues have been packed with spiritual food of the most outstanding character. My heart rejoices as I read your dear paper. It has helped me to enrich my life and better understand the Scriptures.

WHAT THEY SAY

Dr. and Mrs. J. F. B.,
West Hartford, Conn.

About three years ago Mrs. Barton and I studied all four of your excellent Bible courses and since then we have read many of Dr. Kenyon's books, some several times. After finishing those courses we wrote to you and expressed our sincere appreciation, for through them we found out that the Bible was a most wonderful Book although we had spent quite some time on it in years past. We were never too enthused and this was due mainly to our lack of understanding it.

Now as we look back after considerable growth in our Christian experience and in the development of our faith in the Power and Love of God, we are realizing more than ever the tremendous value that all of these lessons and books have been toward building that experience.

For years we have been searching for the truth and reality and wondering why "Jesus was not the same today as yesterday." Thank God, in the last three years we have found the answer to our search by studying the Word and "acting upon it." We found also that Christ is the same today as He was yesterday and can do the miracles today that He did then. You helped us so much to build these foundations to grow on. God has wonderfully honored our search and richly blessed us and now He is using us through the Name and Power of Jesus to save and heal others. We are really seeing miracles.

B. E. I., Nigeria

I have to thank you a thousand times for the kind love and assistance you have given me in my training as a Bible student. The thirty-seven lessons were received and successfully completed. I cannot express the benefit I have received in all the lessons. It has rendered a great help to me in the daily service of lay preacher and Catechist in our church here. It is indeed the sure foundation which has built up my life and that of my family. Since I have studied these lessons my faith has really grown and now I am a regular reader of the Bible and also a man of prayer.

Mrs. A. J. M., Portland, Ore.

I am enclosing my last five lessons of the Advanced Course. I cannot find words to express how much these lessons have meant to me. They have opened up so many hidden treasures to me and I can read and understand the Epistles as I never understood them before. I have learned what I am in Christ and what He is in me. I have also learned that if I ask anything in His Name He will do it. By faith in His Word and acting upon it we do receive our requests. What a wonderful Father we have!

E. G., Philippine Islands

We are thanking you for the Advanced Bible Course which we are enjoying very much. We are learning so much from this study and cannot praise the Lord enough for it.

A week after Holy Week we

had meetings in a church about fifteen miles from here. It was one of the most interesting and successful soul winning campaigns I have ever held. I appealed for those who would follow the Lord and almost all that were inside our tent accepted the Lord. There were about sixty people and about the same number of children.

R. S., Norton, Kans.

I have never read any teaching so plain as that of Dr. Kenyon. It was just thrilling to read his books. God had already taught me on Healing and Sanctification as he teaches, but now since I have read his books, I feel more assured about them. Thank you for praying for me, too. I feel fine and could go home now except for a cavity in my lung which didn't close, but the last time I was X-rayed the doctor said he couldn't see it.

C. W. A. N., Johannesburg,
South Africa

Greetings in the Name of our Lord Jesus Christ. I obtained a set of your Father's books and they have been a revelation of the Word of God to me. They have been a wonderful blessing and enlightenment, and have revolutionized my whole Christian life although I have been saved for 8 years.

M. C., Tulsa, Okla.

We are always in the process of reading some of your Father's writings. At the present time it is, "The Father and His Family," and "In His Presence." These two are so wonderful we find that we get the most benefit from reading them and allowing them to soak in, and then re-reading them until we feel like they have become a part of us.

My sister has just visited us for a while and we did rejoice over the blessings we received from your books. She said this, "I never knew until I read these books that I have been blessed with every spiritual blessing. I knew other people could do things, but I never knew I could."

Since reading your books, she has the Adult Young Married class in Sunday School and the two times the preacher has been absent this year he has asked her to take the pulpit, and she only 22 years old and has two small children.

My husband and I have received such help from your books we are always passing them out. We were so hindered where we worshipped that we had to cut away from them entirely so that we might swing free and speak out boldly to help those who were ready to receive. My heart aches for the pollution we can't help but see in Christendom.

Dear Sister, I think your ministry is a most marvelous one and I am one of your co-operators in this glorious work.

Mrs. M. H. S., Edmonton, Alta.

We would not want to be without your "Herald of Life." It is just what we need in these trying days.

TO NORMAL

Recently Jesus revealed Himself to me in a very sweet way. They have been physical and mental blessings, too. My sore eye-lids are completely healed and my vision is back to normal. My shaky hand and nerves are much improved. I think my writing shows that. The best, though, is that I am living day and night so relaxed and calm. Join me in praising God.

EVERY WHIT WHOLE

Mrs. I. W., Chico, Calif.

Your book, "In His Presence," has meant so much to me. Last winter I fell and tore the ligaments of my left foot. It made me very sick to my stomach, but as I prayed and looked to Jesus, I was made every whit whole. Praise the Lord. Sometimes the Devil puts it back, but I rebuke Him in Jesus' Name, and it has to go. I was also healed of Heart trouble.

HEALED AND GIVEN STRENGTH

L. C., India

A few months ago I wrote to you asking your prayers for my health and also that I may decide aright regarding my future course of action. I thank my Father that He has heard and answered the prayer of His Saints. He has healed me and given me strength to do my work. I am back at my job again. He has also shown me where He wants me and what He wants me to do. I am no longer undecided. He has not only shown me the right way, but has also moulded circumstances in such a way that they help me forward. All glory to the Father.

I beg those who have not received the Salvation of their soul to take this course. Unto them who have been saved, I say likewise, because through this course they will ever learn to live and depend wholly on Christ and look to God for all their needs. My education is very poor but through this course the Lord blessed me the more.

My prayer is that this testimony may bring souls unto Him.

R. I. O., Nigeria

I am very thankful unto God for the way He has led me to come into contact with Kenyon's Gospel Publishing Society. God has blessed me very much through taking the Correspondence course, the first course. My heart has been tremendously refreshed through these lessons and my knowledge of the Scriptures has been increased immensely.

At present, I have a more real and deep revelation of the crucified, risen, glorified and exalted Son of God than I have ever had before.

I thank the ones who have contributed to my knowledge through these lessons.

M. N. O., Nigeria

This course has created an indelible impression on me and taught me what I never knew before. It has also taught me about the way to live so as to gain Eternal Life. In short, it has made a great change in me. I started to do most of the good things I found in them which I had not been doing before. I have also started to put a stop to the bad things that I have been doing. May God the Almighty Father help you in your mission.

REMISSION AND FORGIVENESS

Frances E. Phalen

These two words should never be used interchangeably, although they often are used that way.

The word "remission" means "to wipe out as though it had never been." When we are Born Again our sins are remitted. They are completely wiped out as though they had never been. We become New Creations in Christ and the old life of sin is destroyed. We are recreated and receive the very nature and life of God in our spirits.

"Wherefore if any man is in Christ, he is a new creature: the old things are passed away; behold, they are become new." 2 Cor. 5:17

Under the Old Covenant the sins of Israel were merely covered. The word "atonement" means "to cover," and on the Day of Atonement their sins were covered for one year. The blood of bulls and goats could do no more. "For it is impossible that the blood of bulls and goats should take away sins." Heb. 10:4.

But through the Substitutionary work of Christ our sins have been put away, not merely covered. . . . but now once at the end of the ages hath been manifested to put away sin by the sacrifice of himself." Heb. 9:26.

If you have accepted Jesus Christ as Saviour and confessed Him as Lord, the sin problem need never trouble you any more, for your sin has been put away once and for all.

"By which will we have been sanctified through the offering of the body of Christ once for all." Heb. 10:10.

There is a new nature which is the only answer to the old nature. Christ as Lord and receiver of eternal life, God's nature, and His sin is remitted.

"In whom we have our Redemption through His blood, the remission of our trespasses." Eph. 1:7.

Through identification with Adam's sin, he has inherited Spiritual Death, Satan's nature and Satan is his lord, so he confesses Christ as Lord and that lordship is broken. He receives a new nature and a new lord, Christ Jesus.

The word "remission" applies only to the one who becomes a Christian, while the word "forgiveness" applies only to the Believer.

Even though the Christian has a new nature and a recreated spirit, his mind is still unrenewed and he is still in a world ruled by Satan and is still subject to his temptations and onslaughts. He is growing in Grace, but during this growth he may sin and thus break his fellowship with the Father and so retard his spiritual growth.

The Father has made provision for this in 1 John 1:9. "If we confess our sins, he is faithful and righteous to forgive us our sins, and to cleanse us from all unrighteousness."

He confesses his sins to the Father, and they are immediately forgiven and forgotten.

Christ is our Advocate, our lawyer, and when we sin He takes up our case and pleads for us. The Father hears Him and our sins are forgiven and our fellowship is restored.

"And if any man sin, we have an Advocate with the Father, Jesus Christ the righteous." 1 John 2:1.

It is not necessary for the sinner to confess his sins because they were laid upon Christ. The only sin that stands against him is his rejection of Jesus Christ and his union with Satan in judgment.

"He that believeth on him is not judged; but he that believeth not hath been judged already, because he hath not believed on the name of the only begotten Son of God." John 3:18.

His confession must be that of Christ as Saviour and Lord, but after he becomes a Christian, he must confess any sins to the Father in order that his fellowship may be restored and his spiritual growth continue.

STEP BY STEP

Barbara C. Ryberg

He does not lead me year by year
Nor even day by day.
But step by step my path unfolds;
My Lord directs my way.
Tomorrow's plans I do not know,
I only know this minute;
But He will say, "This is the way,
By faith now walk ye in it."
And I am glad that it is so,
Today's enough to bear;
And when tomorrow comes, His grace
Shall far exceed its care.
What need to worry then, or fret?
The God who gave His Son
Holds all my moments in His hand
And gives them, one by one.
