EARTH ON FIRE

The London Daily Mail says:

Shropshire is being gradually consumed by a mysterious fire. Two miles out of Shrewsbury rising columns of smoke are bursting through the surface of farmland. They come from some underground conflagration, the origin of which no one knows, and the cause of which no one can explain.

"The earth is burning, and the fire is slowly eating its mysterious way along an ever-increasing area. to the complete bewilderment of the country and to the dreadful joy of those who champion the old-fashioned idea of eternal punishment."

This is another fulfillment of the Word, for it says, "There shall be signs in the earth, blood and fire and vapour of smoke" (Joel 2:30; Acts 2:19).

Men have tried to get at the source of the fire, but they cannot. "Trenches have been dug in an attempt to isolate the burning part of Shropshire, but the mystery fire just assumes more intensity, and eats its way underground than ever. Men have dug six feet down and still fail to reach the real fire. The earth, however, is so intensely hot that a stick pushed two or three feet below the surface soon chars." All this is a warning that the Day of the Lord draweth nigh, and that the end of the age is close at hand.

"Be patient, therefore, brethren, unto the coming of the Lord. Behold, the husbandman waiteth for the precious fruit of the earth, and hath long patience for it, until he receive the early and the latter rain. Be ye also patient: establish your hearts; for the coming of the Lord draweth nigh."—James 5:7-8.

Okmulgee, Okla.—The Lord reigneth: let the earth rejoice, let the multitude of isles be glad thereof. Psa. 97:1. For the eyes of the Lord run to and fro throughout the whole earth, to show Himself strong in the behalf of them whose heart is perfect toward God. 2nd Chron. 16:9. Praise God His eye is on us. These are wonderful days to serve the Lord and work for Him. I have been in a meeting in Pottersville, Mo., and we had a very precious meeting. I do not know how many got to the Lord but a number. Those old Ozark hills were made to echo the praise of God. One man that we have all been interested in was Mr. Million. and the Lord saved him. I pray that the Lord will soon sanctify him. There are many people there that are hungry for God and to know Him in His fullness. I never was treated nicer anywhere than in Pottersville. I am now in Okmulgee with Bro. Waterfield in a revival sure enough one for folks seem to be prayed up. Bro. Muse was with us Saturday night and gave a stirring address on Foreign Missions, then a soul stirring message on the coming of the Lord Sunday morning, the saints were all happy before he closed. Last night we could not begin to accomodate the people. Souls are going through nearly every service. Pray for us, truly the harvest is white. Yours in His service. W. Short.

Evangelist Sallie Tolbert and other workers closed the Packingtown meeting, Oklahoma City last Sunday night. This was a splendid meeting, despite of all the drawbacks, the high waters and the numerous rains. Scarcely a service but what somebody got through to some definite experience. Several have been saved, and quite a few sanctified. Much good has been done. The meeting closed Sunday night June 10.

Stratford, Okla.—Today finds me on victory side and saved through the Blood of Jesus. I am on my way today to a meeting near Gotebo, Okla., to begin June 9. The meeting at Goins church closed with good victory. We had the foot washing and the Lord’s Supper the last night. There was one saved and two or three sanctified, and we baptized seven in water Sunday evening. May God bless all the Faith family. Your brother looking for Jesus.

C E NEUKIRCHNER

Coffeyville, Kans.—Greetings. I am happy to report victory through the Blood of Jesus. We are still doing our best for the Lord and He is giving us the victory. Since we have been appointed supply pastor of the Pentecostal Holiness church here, the attendance has been steadily improving. Bro. O C Wilkins is here for a meeting. God is wonderfully anointing him in giving out the Word in the old time Pentecostal way. Full house last night that gave good attention. Pray for this meeting that God will bless and strengthen the church and make it a blessing to this town. Yours in His glad service, saved, sanctified and Baptized.

It was the writer’s privilege to visit the Okmulgee church Saturday night June 9 and Sunday June 10, when we preached Saturday night on Foreign Missions, Sunday morning at the church and Sunday afternoon at the jail. There is a fine band of saints at Okmulgee, and they have a splendid pastor in G C Waterfield. The work is getting better. A revival meeting was going on conducted by Sister Willard Short. The attendance was large and the interest good and some were getting to the Lord. We enjoyed the fellowship of the saints and the refreshings from the Lord very much.

During our absence in visiting the Ponca City and Okmulgee churches, Bro. Morton Rose filled our appointment one night at Emmanuel, Bro. N T Morgan at Kansas all day meeting and a memorial address in the afternoon. Bro. John Sonderregger both Valley and Emmanuel.

Two typographical errors were made in this issue of the paper, which we wish to correct. On the opposite page is a report from Walter E Harris. It reads “Bro. Smith did some odd preaching,” and it should have read “Bro. Smith did some good preaching.” The other was in the report from JP Pinkston. It reads “I preached on Sunday morning and my wife preached on Sunday night,” and it should have read as follows: “I returned home and found they had a fine meeting at the Church. Bro. Melton preached on Sunday morning, and my wife preached on Sunday night.”

The Camp Meeting

The Camp meeting time is about here, and we should be laying plans to attend the Oklahoma State Camp meeting which is to be held at Oklahoma City Aug. 17 to 26. The Camp meeting is a splendid time to go on with God. To those wanting to seek God for some definite experience, find great help at the Camp meeting. Plan to be at this Camp meeting.
Reports From the Field

Closed our meeting at Bartlesville, Okla. God gave us a real good meeting considering the bad weather. It rained most of the day we were there, but God saved some folks and gave them grace to testify to it after they got saved. Some were sanctified as a second work of grace, praise God. One auctioneer received the most wonderful experience of Pentecost I ever saw. He intends to give the rest of his life to preaching Pentecost. Praise God or some chosen vessels for God. We will praise Him for what He is doing. We begin in Coffeyville, Kans., June 4. Will be there about two weeks, then go from there to Hebardville, Ga., for a two weeks meeting beginning June 23. We expect to hold another meeting in Georgia after the Hebardville meeting. You that pray for us pray that God will keep my body while I am in the South this summer. After my two meetings in Georgia I intend to go back to Woodville, Okla., for the Woodville Camp Meeting beginning August 1. I don't suppose I will see home any more from the 4th of June until the 13th of August. My desire is that the more you pray the more souls will be saved in the battlefield for God. You who pray for me please pray once a day for God to make me a success for Him. Your brother in Christ seeking a Heavenly City.

O. C. WILKINS.

Ada, Okla.—This morning finds me still pressing on my way to Heaven. We closed out the revival meeting at Wustrtell Sunday night, May 20. The meeting lasted two weeks. We had Bro. Dean and Lillie Smith. Bro. Smith did some odd preaching, although we didn't have much of a rejoicing time. It was more of a diggin' down, and straightening up. Bro. Smith preached straight.Any of you pastors will do well to begin in Coffeyville, Kans., June 4. Will be there about two weeks, then go from there to Hebardville, Ga., for a two weeks meeting beginning June 23. We expect to hold another meeting in Georgia after the Hebardville meeting. You that pray for us pray that God will keep my body while I am in the South this summer. After my two meetings in Georgia I intend to go back to Woodville, Okla., for the Woodville Camp Meeting beginning August 1. I don't suppose I will see home any more from the 4th of June until the 13th of August. My desire is that the more you pray the more souls will be saved in the battlefield for God. You who pray for me please pray once a day for God to make me a success for Him. Your brother in Christ seeking a Heavenly City.

O. C. WILKINS.

Healdton, Okla.—I am sending a note of praise this morning for the good meeting God gave us here at Healdton. Bro. J. A. Cook did the preaching and God wonderfully blessed him in giving out the Word. The devil howled, the saints shouted and God did the saving. This town was stirred. Pentecost has come to stay here. God gave the victory. If you want a live wire get Bro. Cook to hold a meeting. I will hold a meeting here after the third Sunday in June. Pray for us. May God bless the Faith family. Your brother in Christ.

FRANK M. KIDD.
Reports From the Field

Purcell, Okla.—Bro. Elliott, of Texas, and myself closed a meeting at Lawrence last Sunday night. Seven got saved in the old-time way. Three of them got sanctified, and two of them received the Baptism of the Holy Ghost. I am still glad for the way that leads home, and I expect some day to be over there. I am in the race for my Lord, and I enjoy it. Love and best wishes to all.

J. W. MOONEY.

Evangelist Dave Troutman held a meeting at Cross Roads, near Vanoss. We understand that there was a fine interest in the meeting. He was to close out there June 3, and from there to Blanchard the 9th of June for a ten days meeting. From there to Troy Church for a meeting beginning July 14.

The Ponca City Pentecostal Holiness Church has been giving a series of meetings. The saints were built up considerably and some have been seeking the Lord, and some blessed in different experiences. Pastor Arthur Williams, of the Fairview Church, was with them something over a week, and God blessed. The power fell and the folks shouted and had a feast of good things from the Lord.

Evangelist Clarence Neukirchner held a meeting under an arbor with the Goin Church near Purcell. The Goin band of saints had been going through some testing times amidst persecution, etc., but they had a week of prayer in their behalf. Bro. Seymour Miller is their pastor. Some got to God during this meeting, which closed June 3.

Wilson, Okla.—I just want to thank God for the determination I have in my soul to fight on in this evil day. We feel greatly encouraged to do more than ever before. We have just had our Quarterly Conference here and oh, it was food to our souls! Bro. Dan W. Evans was with us and we sure did enjoy his good advice to us preachers and the good sermons he preached while here. Dear saints, pray for Bro. Evans and pray for the work here. It seems the devil is throwing every bomb he can right into Dillard, but thank God, we are still on the firing lines. May God bless all the saints is our prayer. As ever, yours for the Master and lost souls.

Troy, Okla.—Since the first of March we have had some great times in the Lord here. There has been seven come in the Church, one by letter, five sanctified and five got the Baptism of the Holy Ghost. I have been farming, but sold my crop and haven't got a thing to hinder me from preaching anywhere the Lord may lead. I have only one date, that is July 14 with the church here. We have Bro. Dave Troutman engaged to help us. Pray for the meeting. I am an organist and singer, so if any one needs myself and wife to hold meetings or help in meetings we would be glad to do our best. We stand for the doctrine of the Pentecostal Holiness Church of which we are both members. Amen. I have the blessing now. Glory be to Jesus.

J. F. FORGUSON.

Ada, Okla.—Am still saved and enjoying salvation. I sure love the old Pentecostal power. The Lord sure did bless at Ada last night. You might think that we are dead, but we are alive, thank God. I thank God for keeping me. Saved, sanctified and filled with the Holy Ghost, looking for Jesus' soon coming. Pray for me.

LEONA PREWIT.

Roxa Hainlin, Bartlesville, wired for tracts when she saw a "wonderful opportunity to spread the Gospel," and we at once sent them to her, and we feel sure they have accomplished much good. Much good and the salvation of souls have been accomplished through the distribution of tracts. Some of our folks are doing a great work through this channel. Please make the distribution of Christian literature from this office a subject of your private prayers daily. The work provides an excellent method for those desirous of doing some good work. We would be glad to hear from you if you want to conscientiously distribute tracts or papers to the glory of God. We furnish tracts free to those who will in the fear of God use them. Let us know about how many people you will hand tracts to.

W. W. Simpson, missionary in North China, writes in the Pentecostal Evangel, about an outpouring of God's Spirit where "such unmixed glorified joy and praise filled all hearts that it was a veritable holy of holies" and tells of two girls prostrated side by side singing in tongues in perfect union, and adds, "While this beautiful song was still being sung, another girl of about 12 years of age, lying prostrate, oblivious to all around, worshiping God in the Spirit began to sing English. I went close up to hear and this was her song, "Jesus is coming! Jesus is coming! Glorify! Hallelujah! Jesus is coming!" Again and again she sang those wondrous words, thrilling me to the very depths with holy awe and rapturous expectation."

THE PENTECOSTAL HOLINESS FAITH
Bartlesville, Okla.—I praise God this morning, now and forever because He has saved my soul. He found me in the ditch, a drunkard, a gambler and a jail bird, and on my way to hell with a ticket paid in full. But thanks be to Jesus He destroyed the ticket and gave me something better. He saved, sanctified and baptized me with the sweet Holy Ghost, and I spoke in other tongues as the Spirit gave me utterance. Thank our dear Jesus for His wonderful power. We are having a wonderful meeting here in West Bartlesville. Bro. O C Wilkins is conducting the meeting. He is preaching wonderful sermons. Sunday, May 20, under Bro. Wilkins' meeting I received the Baptism of the Holy Ghost, praise God. I am starting in the field to win souls for God. I conducted two meetings here at our little Mission and thank God five souls were saved and two sanctified. It was a wonderful help to me and God gets the praise. Bro. Tims is our pastor here and we love him. He is a God sent man. I expect to preach Holiness as long as God will let me stay on earth, praise His name. I am ready for that judgement day. Pray for me that I may ever be found faithful.

B F VANATTA

Wellston, Okla.—I want to praise God for His many blessings. I am saved, sanctified and filled with the Holy Ghost, I am more determined to go through than ever before. I thank the dear Lord for sparing my life while in sin, that I might enjoy the blessings from Him. I have trials and temptations, but I thank the Lord I can take it to Him in prayer and He will comfort, bless His name. I would like to see Him come any time, but when I think of so many deep in sin it makes my heart sad. I am praying that the Lord will give me a calling to go out and tell the lost of a Saviour that can give them joy and peace. I am sorry that I didn't turn to Jesus sooner. I want all that believe in prayer to pray that the Lord will have His way in my life. Your brother in Christ until He comes or calls.

GILES BYUS

Chocatoh, Okla.—I want to praise the Lord through our paper for what He has done for me. He has saved, sanctified me and the Holy Ghost abides within, praise the Lord. You know He tells us in Nahum 1:3 that the Lord is good, a stronghold in the day of trouble and He knows them that trust in Him. O I am so glad that He knows me, praise our Lord. I am praising the Lord that I am one of the holy people he called (Duet. 7:6-7). He said for thou art an holy people unto the Lord, Thy God, the Lord thy God hath chosen thee to be a special people unto Himself above, all people upon the face of the earth. The Lord did not set His love upon you, nor chose you because ye were more in number than any people, for ye were the fewest of all people. But because the Lord loves you Praise the Lord. I feel that my record is clear and my name is written in the Book of Life, praise the Lord. Pray for me that I may do the Lord's will, even unto the end. Your brother under the Blood.

G F RIGNEY

Covington, Okla.—Am so glad for full and free salvation that keeps me every day. Am so glad I am saved and sanctified and praying that the Lord will baptize me with the sweet Holy Ghost, and ask an interest in your prayers. I feel more like going all the way and doing God's will than ever before. I love the way of Holiness more every day and it makes my heart ache to go to service here where they are too proud to get down on their knees to worship God. I hope someone will be sent here to hold some services to wake up these people here that are careless of their souls and are for style and pride. Pray for my unsaved husband. Your lonely sister.

MRS. MARY WELLS

Carney, Okla.—Want to sound a note of praise for King Jesus this morning, bless the name of Jesus. So glad that I am saved, sanctified and the Comforter abides just now. Am so glad for Jesus for He saves our souls and heals our bodies. Bless the Lord for His healing power. I feel encouraged every day to live more closer at the foot of the Cross for I realize the soon coming of Jesus. Oh how I get home-sick sometimes and want Jesus to come, and then we will be done with the trials and heartaches of this world. Just to go home and be with Jesus is a sweet thought to me and I mean by His help to go when He comes or calls. I want to ask all the readers of this dear little paper to pray for me that I may live more like Jesus and do His will. Pray for my loved ones. Your sister looking for the soon coming of Jesus.

ALLIE DODD

Wagoner, Okla.—Praise God this morning for Jesus Blood that saves me right now. Of glory to His name. Nine years ago I found Him precious to my soul. He saved, sanctified and baptized me, glory to His name. Feel the near approaching of Jesus. I want to be ready when He comes. Pray for me. One of His children.

MR. R E FISHER
The Atonement

The Atonement in the mind of God took place before the foundation of the world, "But with the precious blood of Christ, as of a lamb without blemish and without spot: Who verily was foreordained before the foundation of the world, but was manifest in these last times for you."—1 Peter 1:19-20. Showing that in the mind of God and the foreordination of God that Jesus was the slain sacrifice for our sins "before the foundation of the world."—Rev. 13:8. He not only made atonement for our sins in the singular, but he made atonement for our sins, in the plural (Heb. 10:12). In the mind of God the atonement reached back before the foundation of the world and every one from the fall of Adam on down through the ages that ever got to God, or ever will, have come through the atonement of Christ, "For it is not possible that the blood of bulls and goats should take away sins"—Heb. 10:4. They only pointed to that atonement that was made in the mind of God before the foundation of the world, and later on taken place as an actual occurrence in Calvary. Praise God for the Atonement that covers past, present and future. It is for Christ's sake that our sins have been forgiven (Eph. 4:32). Before the death on the Cross He forgave men for Christ's sake for He knew that Christ would die and the blood of animals pointed to the blood of the Lamb that was slain from the foundation of the world in the mind of God, therefore it is for Christ's sake that we receive forgiveness of sins. The same verse says for us to forgive one another even as God for Christ's sake has forgiven you. Therefore, a forgiving spirit is from God, and it is for Christ's sake. If we appreciate Christ as we should we will be in possession of a forgiving spirit. There are two spirits that God loves. One is a forgiving spirit, and another is a penitent spirit. But there is a spirit that God is displeased with and that is a spirit that is stubborn to repent or forgive either. That spirit sure did not come through atonement. Jesus gave himself for our sins that he might deliver us from the present evil world according to the will of God and our Father in heaven (Gal. 1:4). The only way we get deliverance from the evil that is in this present world is through the atonement. The poor souls that do not accept the atonement cannot hope for deliverance from the evil that is in this world. That is the main reason our world is in the condition it is today because they don't accept the atonement of Christ, and by their rejecting the atonement of Christ they have accepted the spirit of the evil of the world, which is lust, fashion, drunkenness, hatred, murder, profanity, pleasure seeking of the world of evil, immodesty, butchery, sin and debauchery, adultery, greed and sin. God help us to see what the atonement has delivered us from and what it will deliver us from if they will but accept it. Surely he hath borne our griefs and carried our sorrows (Isaiah 53:4). "But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him: and with his stripes we are healed."—Is. 53:5. There is a three-fold blessing in the atonement. One is for our sins. He bare our sins. If we turn them over to Him we don't have to hear them any more than God. Another is He bare our sicknesses (Matt. 8:17). If He bare our sickness it is our privilege to accept the atonement as such and turn our sicknesses over to Him. For He made for them on the Cross. Another is, He hath borne our griefs and carried our sorrows. If He has borne them for me, why should I hear them? There is a blessed privilege to the saint of God, and that is to accept the atonement for our griefs and sorrows, provision having been made in the atonement for all the above mentioned, so let us embrace everything that the atonement holds out to the saint of God. By so doing we will be moving up to our privileges in the atonement. I trust that this short message will be a blessing to some precious heart who is sailing this sea of life. Look up saints, pray more and live closer to God. One day...
Wonderful Healing

Purcell, Okla.—We have so much to praise God for today. Am so glad I've got my trust in the great God of Heaven. One that hears His children when they call on Him. On last Sunday evening while coming home from the baptizing our little girl 7 years old fell out of the wagon and the back wheel ran over her neck. There were 17 people in the wagon, 7 or 8 being grown folks, we all thought she was killed, but we all began to ask Him to save and heal her and glory to God she was soon healed. She hasn't complained any. Her neck didn't even swell. I'm so glad I ever learned to trust Him, hallelujah. Bro. Clarence Neukirchner closed his meeting Sunday night, sinners were convicted of their sins, it was a sad closing. I wanted to fall at the foot of the Cross and weep their way through. Pray much for us that we'll always do God's will whatever the cost may be.

Elmer and Inez Haley Saved, sanctified and filled with the Holy Ghost and ready to meet Jesus.

Evangelist T E Rhea is open for calls for evangelistic work. Write him at Coweta, Okla.

Sister N V Simpkins requests prayer for herself.

Evangelists O M Newby and Geo. Byus were to begin a meeting at Valley View school house June 2. Bro. Walter E Harris was to begin a meeting at Lindsay June 9. Evangelist Annie Carmack has been in a meeting at Wapanucka. Evangelist JW Mooney has been in a meeting at Lawrence. Evangelist OC Wilkins is in a revival campaign at Coffeyville, Kans., following which he goes to Hebardsville, Ga., for a meeting. Evangelist

Humboldt, Kansas.—May God bless you all is my prayer. The Pentecostal Holiness Faith paper is worth its weight in gold to all who will read it. It's a blessing to me, every one I read, praise the Lord. I see in this issue where you are asking aid of any one who is wanting to do something for the Lord, bless the name of Jesus. I am ready and willing to do any thing I can in my weak way, I feel that the work that I can do is not enough so if you will send me some of your free tracts I will distribute them. Also if you will send me a bundle of your sample papers I will do my best to get all the subscriptions for you that I can. I am sure that the Lord will bless us if we do our best to serve Him whether little or much. We are trying to get a meeting started here now. They have the new Tabernacle nearly complete. We have meetings three times a week, good big crowds. Our church had a split-up last fall, we have two Missions here now, one preaches the Grace and Glory doctrine. Oh how I wish some good preacher would come and preach for them and open their eyes that they might see that we might be reunited into one true band of Pentecostal people. Praise the Lord for His goodness to us. The more I read and the more I think of the condition the world is in the more hungry I get for more of God's wonderful love. There is plenty of things to discourage us if we will allow ourselves to look back, but I am praying for God to keep me from looking back. I want to press on and climb higher and have whole armor of God that I may not want to look back for what would I see if I did. Behind us there is nothing but darkness. Our gain is all ahead, we certainly can't find heaven behind us. So let's press on. Please help me pray for my husband that he will be reclaimed again into the church. The burden is so hard for me to carry alone but with God as my leader I am going through, hallelujah. Pray for me that I may receive the Baptism of the Holy Ghost. I need it we all need it. May God bless the workers everywhere. Press on, fight on, pray on is going to be my motto until victory is won. Glory hallelujah. Your sister in Christ.

A blue mark in this space means your subscription has expired. Both a Blue and a Red Mark means this is the last paper to be sent you unless you get a renewal of your subscription.

Writing concerning the Pentecostal Holiness Faith a friend says "I sure can't do without the paper. I had rather do without my meals all one day or one meal every day than to be without the paper. It is food to my soul. I carefully read every page."

A sister from Texas writes "It don't seem like I can do without it."

A brother writing from Oklahoma says "I appreciate the little Faith paper. Don't see how I could do without it, it is food to my soul." And so we are glad indeed that the Pentecostal Faith is proving a blessing. Through the providence of God it has proven a blessing, and is filling a needy place in our ranks. Probably you might get a few subscriptions and help to bless the people with its visits to their homes. At 50 cents per year it is within the reach of most everyone. Let's boost the subscription list. Many subscriptions are expiring at this time, and we ask that you send in your renewal.

The Third Quarterly Conference of the Mountain Park District met with the Dillard P H Church May 18-20, with Conf. Supt., Dan W Evans in chair at each session. Bro. Evans preached Friday night, Saturday night and Sunday at eleven o'clock. These services were a blessing to the church. The first session of business was held Saturday morning from 10 to 12 o'clock and was devoted to a general council on the Course of Study and many other matters relative to the duties of pastors, church officials and evangelists; the tithing system from every angle was explained by the Superintendent. The regular business session opened up promptly at 2 p.m. Rev. Jesse A Cook was elected Sec. pro. tem. On motion Evangalist Jesse A Cook of the Seminole District was granted a seat in the Conference.

Reports from the churches were as follows: Dillard church by Mrs. E M Corbit. Healdton church by S T Ford. Fair Oak church by Bessie Thurmond. Note was made as to how little was contributed to the support of the pastor from this church. Whereupon a motion was made to the effect that the Conf. Supt. be instructed to write the Church Officials of this church and exhort them to do more toward the support of the pastor or else they would be reported to the Annual Conference for failure of their duty as a church on this line.

The Conference voted to have the next Quarterly Conference with the Science Hill Church, near Lexington, Okla.

The following churches responded respectively the amount to the Superintendents needs: Dillard $7.00, Mt. Park $2.00, Lookeba $5.00, Goins $1.50.
