THE RECREATION OF THE SPIRIT

E. W. Kenyon

Our spirit is the real man, the hidden man of the heart, or the inner man.

This is part of the work that is called Recreated, Born Again.

The spirit of sin became sin. He imparted to Adam the sin nature so that Adam by nature was subject to death. You remember Adam's body was not in a condition to inherit the life that was in Christ. He was born with a perfect human body, neither mortal or immortal.

When He became Sin His body became mortal, Satan became His master, He became a slave to Satan as was every man from Adam on down. God laid His sin nature on Him as a law of sin and death. It is not physical death because physical death could not touch the soul of the spirit. It was Spiritual Death that prepared the way for the New Creation.

The thing that was ground in the work of Calvary was the sin that had entered Adam's body. Satan had taken over Adam's body and everything he had done since the fall was reflected in the life of Adam's body. When God finally moved and brought Calvary, Satan was finally moved in the body of Christ. The body of Christ was not in a condition to inherit life. He was not in a condition to inherit life because we had life and Adam did not, but we had the life in Christ and Adam did not. We had the life and Adam did not.

Lord of Three Worlds

In the Great Commission, Jesus tells us that He has authority and has been given to Him in Heaven and earth. He has authority and power and we have the power of the authority of the Lord of Three Worlds.

He said after His resurrection, "All authority hath been given unto Me in Heaven and on earth."

Now we believe that Jesus is Lord of Three Worlds.

We have the power and authority of the Lord of Three Worlds.

Kenyon's works are based upon the Great Commission, but we have power vested in the Name of Jesus. We have the fullness of the Holy Spirit, and we have the power and authority of the Lord of Three Worlds.

LAMDS OF CALVARY

Mary E. Ball

Blessed Lamb of Calvary

Jesus prayed for me, Sweat drops of Blood for my transgressions.

In dark Gethsemane

Oh, the grace of God! We do pity the work that was done there. We do pity that we were not there to help. We do pity the work that was done there.

For us who believe, Jesus is the Lord of Three Worlds.

In John 1:29, "Herein is the record of the Word which is the good news of the gospel of the kingdom of God: He should be exalted and should reign over the Gentiles, and all should be saved through Him."

In Eph. 1:20-21 it tells us that He is the Lord of Three Worlds. He is Lord of Heaven, earth, and the whole universe. He is Lord of all creation. He is Lord of the great multitude of creatures.

"Blessed three times in One!"

I will praise the Father, I will praise the Son, for sending me. I will praise the Holy Spirit, for sending me. I will praise the Father, to whom the glory belongs. I will praise the Father, for sending me.
Limitations of Sense Knowledge
In The Substitutionary Sacrifice of Christ

E. W. Kenyon

This study has been of great value to me. The incarnation was God's invasion into the sense realm. God, actually, touched the realm of man. He came as a man so that He could be seen, heard and felt. He identified Himself to men's senses.

John describes in I John 1:11-12, (beginning), that which we have seen, heard and handled, concerning the Word of Life... We have seen and heard declare unto you.

God was manifested in the flesh.

On the day of Pentecost the Holy Spirit came and He manifested Himself to the senses of the Jews.

Yet men hear Him come, it was as the "whitethroat" wind. He let men see the tongue of flame upon each head. He let them speak in tongues. This was in the Sense Realm.

This is suggestive to the thinking believer. When God wishes to reveal Himself to natural man, He must be done in the Sense Realm.

The Jews could not see Jesus face to face, when He was nailed to the cross. "He knew who no sin God made to be." They could not see His spirit made an offering for sin.

They could not see Him "put sin away by the sacrifice of Himself."

They did not know that "He was delivered for our offenses and afflicted, that He was wounded for our transgressions, bruised for our iniquities, the chastisement of our peace was upon Him, and with His stripes we are numbered."

They could not see His spirit made sick. They could not see what was described in Isaiah 52 and 53.

Redemption is a spiritual thing, therefore, a sense thing. Putting away sin is a spiritual thing. Why, the disciples were diseased upon the spirit of Jesus. "Surely he hath borne our sicknesses, and carried our pains, yet did we esteem him stricken, smitten of God, and afflicted."

The disciples stood by the cross and watched Him die. They could not see anything spiritual about it. "He was a root of dry ground to them."

He was cut out of dry ground to the man of the senses today.

They could not see those in the other room were recreated in Christ. They could not see as He was made alive. They could not see the New Creation.

They demanded physical evidence. They saw the signs of that which are doing today. They must see before they can believe.

The surgeon says, "I have operated on many human bodies and have never found God in the human body."

"God saw the human soul, I have never seen what you call a human spirit." But, "I ask the surgeon, "do you ever see love in the human body?"

Oh, no.

"Do you ever find life?" "No, but I have found the effect of life." "As you operated on the human brain have you ever seen anything quite similar to your sense function?"

"No.

"But you know it does exist if you cannot know things like that, how can you expect to know something of Christ?"

You know man does have reasoning faculties whether you can use them functioning or not. You can see the effect of it.

This is what Sense Knowledge said. This gave rise to Sense Knowledge faith on the day of Pentecost.

They knew that He had risen from the dead because they saw His body, and though some seemed to Thomas did say, "I will not believe unless I can put my fingers into the wounds, and see the stripes for the Passion." They knew He ascended into Heaven. They saw a cloud receive Him.

They knew He could perform miracles after His resurrection for they witnessed them. (The multitude of fishes, recorded in John 21.)

They saw and heard the Holy Spirit mighty works of Pentecost. The Senses cannot see us. Разумное создание or made Righteous. They cannot see us. It is almost an unknown fact that this was represented by either one or the other. The only Saviour. They are either in Adam or in Jesus Christ.

The work of Adam brought sin and death. The work of Jesus brought life and restoration. This came to undo the work of Adam which was the foundation of sin and death and hell that we deserved for every man and woman in the world.

Adam and Eve partook of the forbidden fruit and by that act disobeyed God. It wasn't just a matter of the apple; it was an attitude toward God involved and that is the way of sin. Parents plunged the whole human race into sin and resulted in death.

Adam by a single sin blasted the human race like a bomb, but when Jesus came to this world, He was faced by the sin of the world. He finds us sinners. He finds us unclean, unlovable. They filled with sin, our feet walking in the ways of sin, speaking sin, and He has to make it all clean.

Adam's disobedience made all the world sinners; Jesus Christ's obedience opened the way whereby many might be made righteous. Adam's sin brought death to the human race; our Lord's obedience resulted in life, eternal Life. As all men died in Adam and are condemned, every man was justified and that justification in Christ, alone.

What the sinner needs is the sacrifice of Christ. Jesus came as a gift of Grace and demanded the race from not one sin, but the race is never free from sin.

God let sin abound to the uttermost, let man go to the extreme, then sent the law to make us conscious of sin and then needed the Grace of the Lord Jesus Christ. Jesus Christ is too great and no sinner is too great, for where sin abounds Grace much more abounds.

"But God commendeth his own love toward us, in that, while we were yet sinners, Christ died for us." Rom. 5:8.

Kenyon's "Herald of Life" is such a blessing. It is always an inspiration. God has been blesses here, there and everywhere and the people are really hungry and thirsty after righteousness. We praise Him for bringing us to needy hearts who are ravenously hungry for the truth of His precious Word. It is a privilege to see the people drinking in His words. Now I know these books will help them live more closely to the Lord and bring them a wonderful fruit in the lives of these people.

The book, "The Father and His Family," is the most inspiring book that I have ever read. This book was surely written by Rev. Kenyon under the inspiration of the Holy Spirit.

Mrs. H., Kansas City, Mo.
I have a glorious regard for Rev. John A. Rose from reading your books and articles. I have seen his Word cast out thousands of demons, some of the very strong ones.

It was the writings of your father that brought me into this place of active faith.

The work that you are so faithfully carrying on is one of the distinguishing traits of Jesus. I believe that I can speak as one who knows. I have been in ministry in New Mexico and Old Mexico and seen many heathen healed. I have seen the Word cast out thousands of demons, some of the very strong ones.

V. S. W., Forth Worth, Texas
Practically all of the books which you have sent have been away and now I would like to have a few more. So many people are confused and Oh, so hungry! They want something they can hold and believe. I hold of your books supply this need. I am indeed grateful to you for your kindness and faithful-ness in sending me a copy of each of these books.

H. W. P., Tucson, Arizona
My life will never be the same as it was before I read these wonderful books by your father. The desire of my heart is to have the circle family unbroken over here in Arizona. I know that your books will help them live more closely to the Lord and bring them a wonderful fruit in the lives of these people.

I know you are very busy and I have not had a chance to write before, but I do want you to know how much I love your publication. I have every single copy of your paper that I have received from your church. I am so grateful to you! I have received the Book of Revelation and read it with the help of your articles. I have read and treasure it as much as I do.

Mrs. R. R., Clarkston, Wash.
Your paper is much appreciated by me. It is a good spiritual food as I can get. Praise God!

Every day I can see how much your Courses of study have meant to me. I can never tell you the rich blessing it has been to have studied at the feet of your dear father. I have been graduated and now the time has come. I am being graduated and I want to go on to Glory to be with him.

H. L., South Africa
I would like to give you a brief summary of what I have learned from your books: 1. "Sign Posts on the Road to Christ." In this book, I learned to find my place and position in the world, to be punctual and careful. There is a lot of help in your problems and going on to suc- cess. 2. "Identification." When Jesus entered Jerusalem, having conquered death, Satan and sin, it was for me, it was my victory. This is the message of this book. 3. The Bible of God. It reveals the great sacri-fice God made in giving His Son to die for me. I want to live my life so that I may realize now more than ever be- fore what a difference it makes and what a great sacrifice God made for me. 4. "The Light of our Redemption." means so much to me. It has helped me to understand the precious love of God. God has become more of a personal friend to me. I have been experiencing a new awakening of spiritual realities. I have found out what you meant when you said that He has helped me to understand the real meaning of Redemption.

Rev. W.D., Barnett, Mo.
I guess that you thought I had forgotten you. There is a new thing that has happened to me. I am not the same any more since reading your won- derful books. I know now who I am. I have been at the cross and calling and election are made sure. God bless you as you carry on.

**OUR VICTORY**

Rom. 6:7, “He that hath died is justified from sin.” When we died with Christ, we died to sin. Our relation to sin and sickness has ended. “For by the death He died once for all, to all, and to sin, and the power of sin.” So you must consider yourselves as having ended your relation to sin.” Rom. 6:11-12. (William’s Trans.)

SIN and sickness are rampant in the world today, but we have died to them. They exist, but we do not yield to their domination.

We have died to the dominion of sin and circumstances that would hinder our progress. We have died to the dominion of sin and sickness, and in this we share with Christ. Rom. 6:14, “For sin shall not have dominion over you.” It was our victory.

We Were Raised With Christ  
Eph. 2:6, “And raised us up together.”

Our battle today is with principalities and powers. These are the moral, the spiritual, and the physical world rulers of this world, against the spiritual hosts of evil in the heavenly places.

These are the rulers and authorities that Christ disarmed and conquered in Hell.

The Word tells us in Eph. 1:20-23 that when Christ raised from the dead, He raised Him “far above all rule and authority, and power, and dominion, and every name that is named, not only in this world, but also in that which is to come; and he put all things in subjection under his feet.”

Every power of Satan is beneath the feet of Jesus. He has disarmed and conquered, and we were raised with Him.

We were Sitting with Christ  
Eph. 2:6, “... and made sit with him in the heavenly places.”

Christ sat down because Reconciliation was consummated. Before He ascended to the Father, He said to the Disciples, “Now are you the sons of the Father, and He has the One, none other will have; and that is the gift of righteousness reign as kings in life through the One Jesus Christ, the arrayed in royalty.” Rom. 5:17. (Amplified New Testament)

The New Creation is a master. When Christ sat down at the Father’s Right Hand, man had been perfectly cleansed and set free because he had been identified with Christ in the great work of Redemption.

**LIVING EPISTLES**

The life you live, not what you say;  
is what they read day by day.  
Someone is looking each day for  
To show him the Way, so please  
be true.  
A kindly deed plus the Living Word  
And his sinful heart is stirred.  
You do one, none other will  
Do some sin sick soul is looking for  
To show him the way to paths of  
Right up to the glorious Eternal Light.
