News of the Work

Ruth Kenyon Iams

As another year nears its close, our hearts are full of gratitude to our precious Heavenly Father for His goodness to us. Even though there have been times of testing, He has indeed been faithful and has met our needs. We know He will continue to do so.

In answer to the appeals in the paper, many have written in pledging regular support of the work. This is a definite answer to prayer, and we know the Father will richly bless them for their faithfulness. It is only as we work closely together, and as you uphold us in your prayers and with your regular offerings, that we can go forward for Him.

Let us pledge ourselves to make this coming year one of real progress for Him. These are years of crisis and decision. In our own political scene here at home and all over the world, men are choosing sides, taking their stand... for God and His Kingdom, or for the adversary. We can see the threat of communism creeping ever closer. How it behooves us to give ourselves to prayer, and to a greater missionary effort than we have ever known. These multitudes must be brought to Christ before it is too late. We cannot go ourselves, but we can go by way of the printed page.

Let me quote from a short article my father published in the December 1942 Herald. Though this was written nearly 20 years ago, the words are just as true as if he were here speaking to you today. Truly, "He being dead yet speaketh".

"God has entrusted us with the message of the age. The Church is in decline. It has lost its grip upon the conscience of the majority.

"Sense Knowledge dominates it. God has never rescued the Church from within itself. It has always been done by some person who dared to step out of the beaten path and point to a higher type of Christianity.

"Our literature will create as great a revolution as Luther did in his day. God has given to us this message. The responsibility of making it known to the world is yours, and with the responsibility goes the glorious privilege of giving to the world a new conception of Christianity.

"This message has been entrusted unto us. Our responsibility is to make the most of our opportunities. Now what are we going to do about it?

"We have thousands of copies now of books that should be in the hands of the clergy, of Bible students and of college men.

"There will not be one of you that read this but what can purchase at least one copy and give it where it will count. We will give you wholesale prices if you wish to distribute them. If you will send the names of people to whom you wish to send books,

and the money for them, we will be glad to mail them from here.

"We wish that you would see that every clergyman has a copy of "The Two Kinds of Righteousness" and "The Father and His Family".

"Every minister should have a copy of "Jesus the Healer". The fact is, every book is vital. Where can you put your money where it will mean so much? Each book will be read by a dozen to twenty-five people. See what that is going to mean as a missionary undertaking. A few dollars may change the lives of multitudes of people."

Truly, we can see the fruit today... we can see the thousands upon thousands of lives which have been changed, enriched and liberated through this message of deliverance which the precious Heavenly Father entrusted to my Dad, Dr. E. W. Kenyon.

Though Dad has gone Home to be with the Lord, these books speak for him today. Wherever these books have gone, lives have been changed. Evangelists have been challenged to step forth in faith, and the great deliverance ministries of today have come into being because of this message.

What a blessed responsibility we have to keep these books in print, that they can go forth to bless the world. What a blessed responsibility you have, as you labor together with us... by your prayers that undergird us, by your offerings and tithes that make it possible for us to carry on.

We have now received almost enough to pay for the printing of "In His Presence". We stepped out in faith, and the Father has spoken to the hearts of His faithful ones, and moved them to send in the necessary funds. How grateful we are.

The needs are still great, as we are still out of "The Hidden Man" and several other books are nearly gone. If sufficient funds are forthcoming, we plan to start printing on the new edition of "The Hidden Man" shortly after the first of the year. This book has been out of print for many months, and we are holding many orders. Pray definitely with us that the finances will come in to get this vital book back in print once more.

Continue to pray with us for all the needs that face us, and for all the prayer requests that come to us daily. Pray for our pastors and missionaries, and for the leaders of our country in these troublous times. As we unite in prayer, mighty things happen. The Word tells us that "Where two shall agree..." Won't you meet with us around the Throne of Grace each morning? God bless you.

At this Christmas Season, our hearts are full of praise to the Heavenly Father for His unspeakable gift. He gave His Son. Let us give Him our hearts and our very lives. Let us make this New

O Come Let us Adore Him!

George Wells Arms

This is the challenge at Christmas time; the call down through the ages. Not only "Merry Christmas", but COME, LET US ADORE HIM!

There would be no Merry Christmas, no time of rejoicing, no exchange of presents, had Christ not come. That is the real reason we give gifts, because on that first Christmas, God gave us His only begotten Son, His unspeakable gift, the Saviour of the world, Jesus Christ.

For many, Christmas fails. Although the day may be hilarious and the children happy, it all falls flat and the world goes back into the same old rut. Why? Because Christ was not put first. There can be no real or lasting joy until first of all we know the peace of the Lord. Then home and life has the warmth and cheer of Christmas every day.

Christmas can be a time of lasting happiness. "Behold, I bring you good tidings of great joy," said the angel, "...for unto you is born this day... a Saviour". (Luke 2:10,11). Not just an example (He is an example, and we should follow in His steps; but an example cannot save us); nor was He born unto us just as a teacher (He is a teacher and the world has been sitting at His feet ever since), but we need more than a teacher; we need a SAVIOUR, one who can forgive our sins and change our lives. Jesus Christ came that we might have a more abundant life.

After 1900 years the nations continue to celebrate the birthday of the King of kings, Christ Jesus, who lives eternally. This is true of none other. He was born to die, to give His life a ransom for many. As the Son of God with power, He arose again and is seated on the right hand of God, interceding for us. We cannot give gifts to the dead; but we can give to a living Saviour the best we have, which is ourselves. Nothing less will do. God has given His best for us. Everything hangs upon that Gift.

"Joy to the world! The Lord has come!

Let earth receive her King!"

But the earth has not received Him. It crowded Him out of the inn, later nailed Him to a cross, and for many He is still a stranger. Yet every individual can let Him

Year one of real service for Him, May He richly bless each one of you, and make this Christmas and New Year the richest and gladdest you have ever known.

Let us hear from you at once if you wish to continue receiving the paper for another year. It is time once more to revise our files, and if we have not heard from you during the past six months, your name will be dropped from the mailing list.

The Christmas Message

E. W. Kenyon

The Spirit through John tells us that God is Love.

The incarnation then is Love manifested in the flesh. It is Love unveiled to the senses of man.

We can see Love, touch Love, hear Love through the lips of the Man of Galilee.

Isaiah 7:14 "Therefore the Lord Himself will give you a sign: behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel."

Immanuel really means Incarnation, and Incarnation means Love living with men. This is the prophecy.

Matt. 1:20-21 is the fulfillment. "And she shall bring forth a son; and thou shalt call His name Jesus; for it is He that shall save His people from their sins."

The eyes grow blinded with tears. The heart swells and chokes. The whole being is filled with strange sweet heavenly consciousness. The Word at last become flesh and is dwelling among us. We have seen its glory. It is the glory of Love.

We have felt the thrill and wonder of it. Never was there anything like this before. God is manifest in the flesh. He is seen by angels and men. The exiled God has come back to His own, though His own do not know Him. They crucify Him, but He comes. It was Love's visit.

I can hear it as though angels were singing it: "God so loved that He gave." What did He give? He gave His only begotten Son that whosoever believed on Him should not perish but have Eternal life.

This is the Christmas message. This is Love's response to human needs. This is Love speaking in the language that man can understand.

A Love gift is never in an unknown tongue. All people can understand giving. Love speaks the mother tongue of every heart. This gospel that we preach is Love's interpretation of the Father's yearning heart.

Love's Visit

I can hear Him whisper, "Lo, in and know His joy and life eternal.

"In this dark world of sin, Where meek souls will receive Him still,

The dear Christ enters in."

"God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." John 3:16.

He said, "Come!" He bids us, "Be of good cheer!"

Those who HAVE come, know the secret of Christmas. If you have not as yet come to Christ, make this your happiest Christmas and know His joy forever by accepting into your heart the One whose birthday we celebrate this holiday season.

I am come to do Thy will."

Love has come. He is among men. The Father's heart is so thrilled that He cries, "This is my beloved Son in whom I am well pleased."

The Spirit is so thrilled that He takes the form of a dove and lights upon the brow of the world's first Lover.

The Lover stops on His way to the Coronation to heal the sick, to comfort the broken hearted, to set at liberty them that were captives, held by Satan through years of torture.

In John 14:9 He says, "He that hath seen me hath seen the Father." The Father is Love; Jesus is Love. The Father gave Jesus; now Jesus is giving. He gives healing and blessing. He feeds the multitudes. He comforts the discouraged. He gives back to a broken-hearted mother, her dead son, clothed with life.

This is Love. It is a new kind of Love that this old broken-hearted human needed so desperately.

John 14:21 Jesus said, "If a man loves me I will manifest myself unto him." You see, the unveiling of Jesus only comes to a Lover.

We wondered why He never unveiled Himself to us, why even His Word was like a closed book. It is because it is Love that unlocks it. It is Love that lifts the curtain. It is Love that makes Jesus bold to come into our presence, unveiled.

What a challenge this is to this heart of mine.

You remember that Eastern women never unveiled themselves except in the presence of Love.

"I am come that ye might have Life." Life means Love. "And that ye might have it abundantly." Jesus came to give us the thing that would make life beautiful and worthwhile... Love!

The New Love Family

Jesus planned to take captive the human heart and hold it in Love's bondage. Then He grew bold and whispered to us in John 14:23, "If a man love me, he will keep my word: and my Father will love him, and we will come unto him, and make our abode with him."

He has captured the individual and now He is going to capture the home, take the home captive by Love.

Who ever dreamed such a dream but Jesus. Who ever schemed such a scheme but Jesus... to take our hearts captive, to take our homes captive, to fill the heart with joy unspeakable and full of glory.

John 15:9-11 "Even as the Father hath loved me, I also have loved you; abide ye in my Love." Here is the secret. Just as the Father loved Jesus, Jesus loves us. The wonder of it!

Now He whispers so tenderly, "I want you to abide in this Love. If ye keep my commandments ye

Notes of Praise

J. T., Cleveland, Ohio
This course has enabled me to be a better testimony for the Lord. I can truthfully say that my spiritual understanding is far better than before. May the Lord bless you.

J. F., Long Beach, Calif.
What a wonderful blessing I have received from the study of the Living Bible Series. It has been a satisfying feast, and satisfied my hunger after the Holy Word. It has been a real revelation into God's Word.

E. P., Ghana
I am sending in my last lessons on Personal Evangelism. The lessons have been a good help to me in the Evangelical field. The Scriptural coordination with certain scientific knowledge of the world itself is wonderful.

We are often faced with learned men who reject the existence of God as a truth, and this course is a good help to me in that part.

I have learned that we must put off the spirit of "holier than thou" when approaching the unsaved. In fact, in past times many an unsaved man has been turned from Evangelical campaigns or services because we condemned the unsaved.

Pray that God will use me in this part of Africa, and in Ghana especially.

Mrs. F. P., Van Buren, Ark.

I am going to send you an offering each month. I will start with \$1.00 each month, and as the Lord prospers me, I will send more. I don't know of any one that I feel I owe more to than you, as your father's books have done more for me than all I have read in all of my life. I wish I was able to send you a large amount each month so you would never have to be out of any of the books, as they are so desperately needed all over the world.

I have all your books, and loan them to everyone who will read them, praying they will do for them what they did for me. I keep them on a little table by my chair and read them over and over and try to live my daily life by them. I pray that the Lord will lay your need upon the hearts of hundreds of Christian people, and that you will soon have plenty of the books for everyone. May God bless and keep you.

H. A. T., Indonesia

I want to thank you for sending the Herald of Life to me in Indonesia during so many years. It has always been a spiritual feast to me as well as the many books of your dear departed father.

M. D. F., Waycross, Ga.

Find enclosed some of the Lord's money to help in the publishing of your books. They are wonderful. I like the teaching so much. I have had good teaching over the years, but this is so simple and plain and easy to understand.

Mrs. J. A. L., Tacoma, Wash.

I received your paper but I must tell you about a dear sister in Christ who told me about how wonderful it was. She said she didn't want to miss an issue of it, for it was the best paper she had ever received.

GOD ANSWERS PRAYER!

LOVED ONES SAVED
W. N. M., Elgin, Ill.

I want to thank you for your prayers that I requested last summer, that the Lord would have His way in my life when I visited my son in California. My son was deep in the Jehovah's Witnesses, as he had been studying with them for about five years. The Lord did have His way in my life, and He filled me with joy, and my heart with peace. My son saw that, and knew he did not have what I had. He began to ask questions and I answered his questions. He didn't push his books very far. He asked me to read one of his books. He said several times, "This just taking the Bible on blind faith, well, that doesn't make sense." I agreed with him and said, "I have with me a little book that I would like you to read", and I gave him the "Two Kinds of Knowledge". That settled it. Then I gave him my last book of "In His Presence". (I thank the Lord that you have more of them in stock now.)

My son and grandson were saved, the following week my son's wife was saved, and so I feel confident the Lord had His way with me. Sometimes I believe that we try to do what only the Holy Spirit can do.

I am enclosing a money order for the greatest Ministry in the World. My prayer is that our Heavenly Father, through the Holy Spirit, will speak to every soul that is blessed through this Ministry to remember that the Lord expects us to help.

I NOW HAVE A NEW JOB
Mrs. W. N., Oak Park, Ill.

Thanks for your prayers. I give Him all the glory and praise. I now have a new job after no work for three months. I am very happy with it. I want to thank you also for your prayers.

THE LORD HAS BEEN GOOD TO US
H. B., Du Bois, Pa.

The Lord has been good to us, giving us a good garden crop and potatoes enough to fill a good sized bin, all from a double lot here in the city. My bees are laying up a good surplus of honey. All in all, I give the Father thanks. I spread my hands over the garden and bees this spring, committing all into His care, protection and development. Many other gardens around here did very poorly. I just love to live, feeling absolute dependence on the Father's care. It is so restful, and it works out so much better than the former way I lived before I was saved.

HE HAS ANSWERED PRAYER
Mrs. E. T., Junction City, Ore.

God bless you for the lovely letter and for the "Herald of Life". They both are so helpful. It truly is a thrill to read the testimonies of what God is doing for others. We are proud to have a little share in so great a work.

Thank you for your prayers for our needs. Knowing that you remember us in prayer means so much to us. We surely have much to thank the Lord for, for He has answered prayer for us.

THE PAIN IS GONE
H. H., Keokuk, Iowa

I just wanted you to know that last Saturday the Lord healed me. I have suffered much pain for several months, and now it is gone. Praise God for His healing power. Thank you for your prayers.

HEALED OF CANCER
D. M. R., Burlington, N. Car.

We are enclosing another small order for books. These are for distribution, as a part of my personal ministry.

God has been very good to us; healing me of cancer and blessing my entire family. During the time when I needed Christ's healing ministry, your book was handed to me. "Jesus the Healer" was the instrument God used to show me His provision for my healing.

Since then I have given many of your books to others, as I will also the books ordered with this letter.

GOD HEALED ME

Mrs. M. M. W., Fresno, Calif.

I surely appreciate these lessons. I pulled a tendon and fractured my left ankle. Your lessons were an inspiration to me to trust God. Some ladies from our church came and prayed for me, and God healed me. I was unable to walk until that time. I feel your lessons helped me to believe. After reading and studying, I felt the least I could do was believe God for deliverance. I put aside my crutches, and I was healed. Glory to His precious name!

HEALED OF CANCER OF THE STOMACH

Rev. M. B., Philadelphia, Pa.

I have been blessed through a friend who thought your books would help my ministry. They have not only helped me, but are helping others as I pass my books on to them. I have been blessed with the healing of my body having a cancer of the stomach and a misplaced bone in my foot. I could go on telling of many more blessings. God has been so good to me.

M. L. D., Torrance, Calif.

I have wanted to write this letter for quite some time to tell you how much your father's books have meant to me. This past summer if I hadn't of had your father's teaching, I would have put in a real miserable summer. By knowing who I am in Christ, Satan did not gain the victory he would have otherwise. My husband was saved through all of this, and I know it was the change in me that made him hungry for God. I have been a Christian for the past nine years, but I never grew spiritually until the last year.

Mrs. C. E. C., Batavia, Iowa

A brother in our church gave me your paper, "The Herald of Life" last night, and I enjoyed it very much. I would like for you to put me on your mailing list. I am very much interested in taking your Bible courses. My husband and I are a young couple with a call from our Lord on our lives. I feel that through your paper and books, we will be inspired to go on about our Father's work. Shortly after the Lord came into my heart, our pastor gave me

some of your books to read, and I believe that that was one thing that helped me to understand the Word of God better and to have the faith to trust God for my husband's salvation. Praise the Lord, about a month and a half later my husband accepted the Lord as his personal Saviour.

B. H., New Zealand

What a blessing your little paper proves to be. On many occasions it has been just the message of encouragement that folks here, required, so we praise the Lord and rejoice to see the joy brought to others through reading the Word. Your paper encourages and drives one to read God's Word, and how we delight when that is so, because we know that what the Holy Spirit reveals to anyone, they never forget it. The Spirit writes it indelibly on the fleshy tablets of their heart, and can bring it to remembrance when necessary.

They Say

J. K., Martinton, Ill.

I have just finished "In His Presence". Hallelujah! I have been searching for, hungering after, praying for a deeper, direct, more blessed walk. Your book has shown me the way. Thank God. There are not words to explain the tremendous change in my believing. It is beyond words. I am so glad I waited for "In His Presence" instead of taking some of the other books. There will be a stir here in Illinois now. I am going to recommend this work to several others living around Chicago. I knew there was an untouched depth for me like looking out at the stars on a clear night. All cannot be gleaned from "In His Presence" in one reading. It will take a few more times. Oh, the unsearchable riches of Christ!

W. N. M., Elgin, Illinois

After studying these wonderful lessons, a great responsibility has made itself known to me. How these truths are needed by everybody and how I thank my dear Heavenly Father for what He is doing in me now. He is helping me to close these natural sense-ruled eyes and through the eyes of the heart see men as He sees them. Your father makes this truth so real in his books. I am sure people do not know how much the Father loves them and I know that is what He wants me to help them understand.

H. M. A., Ghana, Africa

I have finally finished your course on Redemption. I have gained knowledge of many wonderful spiritual truths that money cannot buy.

I have spent many happy hours with God while reading and going over the Scriptures. This course has brought happiness to my family.

B. B. U., Nigeria

I think Kenyon's course one of the greatest sources of inspiration to ministers and other Christian teachers. It brings great conviction to my soul. Thank you for your faithful ministry in sending these spirit-anointed messengers to us here.

Blessings Received

L. A. M., Lakewood, Colo.

I am enjoying the lessons so very much. I want to get a complete set of the first course for native missionaries I write to in South India. I know it will thrill their souls as it is doing mine. I am learning things about my Redemption that I never knew before. I want those dear people in South India to learn more about our Father-God, and His plan all through the ages for us. What I have learned about the Blood Covenant and what it really means to cut the covenant, is worth a lot to me.

The lessons are full of rich food, spiritual food. My spirit was actually starving for this enlightenment. Praise God. He provided the longing soul with all good things.

I have been reading very slowly and drinking in all the good and precious things that are ours through our Lord Jesus Christ in the book "Jesus the Healer". It is wonderful, truly wonderful. I have stopped praying for this and that, as I learned from this book that they are already mine. I just have to thank God for them. My life is richer and a miracle life now that I know what Jesus really did for me, and that He has paid the full price and given me the receipts for all things, "PAID IN FULL!" I just have to accept.

I thank God for your paper ever having fallen into my hands, for if it hadn't, I would not have the wonderful knowledge that I am gaining from your father's writings. God bless you in your work and keep these wonderful books in print.

Mrs. G.E.S., Los Angeles, Calif.

I thank the Lord from the depths of my heart for the wonderful privilege that has been mine in taking your Bible Course on Redemption. Being rather young in the teaching of the Word to the children in Sunday School, I felt a real need of learning to know the Word better. This course has been of great value to me and a real blessing to my heart, as it covers such a tremendous amount of the Word.

The study of the tabernacle blessed my soul, and it brought new life to what used to seem so dead. It has caused Christ, the Lamb, to stand out in a greater way for what He has wrought for us in the sacrifice of Himself upon the cross. It has given me a better understanding of the greatness that is invested in the Wonderful Name of Jesus and our privileges and responsibilities in Him. It has also given me a greater desire to serve Him. I am looking forward to taking your other courses.

My friend is so thrilled with the lessons also. Her son was converted first and the family saw such a change in his life, that the rest of the family was won to the Lord through him. They used to be Catholics. Now he is going to Bible School, and studying to be a minister and the daughter is starting Bible School this fall. She was thanking me so much for ever telling her about your lessons. I know that your lessons have thrilled and helped many others in the same way.

Prophecy is the greatest proof of the inspiration of the Scriptures.

The birth of Christ was prophesied years before it took place. The nature of His birth, His character, His ministry and the entire Substitutionary Sacrifice are clearly given in Old Testament prophecy. His supernatural birth is a fulfillment of prophecy and an evidence of the inspiration of the Word of God.

Jesus' birth was supernatural. He was conceived of the Holy Spirit and born of the Virgin Mary. "And the angel answered and said unto her, The Holy Spirit shall come upon thee, and the power of the Most High shall overshadow thee; wherefore also the holy thing which is begotten shall be called the Son of God." Luke 1:35.

He could not be born of natural generation, for if He were, He would have been subject to Satan and unable to act on our behalf.

The seed must be one who is not subject to Satan, and so this One Who is to take our place and break the bondage of Satan over the human race, must be conceived of the Holy Spirit. The womb of the Virgin Mary was simply the receptacle of the Babe until the day of His birth.

The entire Old Testament was a preparation for the coming of the Redeemer. "But when the fulness of the time came, God sent forth his Son, born of a woman, born under the law."

Gal. 4:4.

The following Scriptures give prophecies and their fulfillment of the birth of Jesus Christ:

Prophecy	Fulfillment
1. To be born of a Virgin	Isa. 7:14 Matt. 1:23
2. Descendant of Shem	Gen. 9:26,27 Luke 3:36
3. Descendant of Abraham	Gen. 18:18 Matt. 1:1,2
4. Descendant of Isaac	Gen. 17:19 Luke 3:34
5. Descendant of Jacob	Gen. 28:14 Luke 3:34
6. Of the tribe of Judah	Gen. 49:10 Matt. 2:6
7. Of the house of David	Isa. 9:6,7 Luke 3:31
8. To be born in Bethlehem	Micah 5:2 Luke 2:4,11

It is deeply important that we consider the truth of the Virgin Birth of Christ, for if Christ were not born of a Virgin, we must look for another Saviour.

If He were of human birth, He would possess human limitations. He would be unable to act

The Virgin Birth

as our Substitute and satisfy the claims of Justice in so doing.

But He was an Incarnation; He was God manifest in the flesh.

There was a union of Deity and humanity in our Lord and so He was able to satisfy the claims of Justice on the one hand and also act in our place.

Christ was the very Son of God; He was not only Divine but He was Deity, for He was God.

The weight of this truth is shown in I John 5:10, "He that believeth on the Son of God hath the witness in him; he that believeth not God hath made him a liar; because he hath not believed in the witness that God

hath borne concerning His Son."

We make God a liar when we do not believe the witness He has given us concerning His Son. This witness is that He was conceived of the Holy Spirit and born of the Virgin Mary.

When we believe this we are consenting to the fact that we need a Saviour and that Christ is the only One who can redeem us.

For the witness is this: "That God gave unto us Eternal Life and this life is in his Son. He that hath the Son hath the life; he that hath not the Son of God hath not the life" I John 5:11,12.

Testimonies from our Students

Mrs. M. L. H., Tripoli

I have just finished the last lesson of the Redemption course, and find that taking the examinations is the "secret" of the studies. This is when it becomes clear and plain and fastens itself in one's mind.

I have been led out of darkness into light since taking this course. I will never be living in the realm of weakness again, because I am acting on the Word through this course and taking advantage of what belongs to me in Redemption, and it WORKS!

I have been a Christian since the age of 14. I have traveled much and have been in and out of a lot of churches. While I have heard many wonderful sermons, read the Bible and a lot of Christian literature, I did not have a coherent understanding of the Bible until I studied Dr. Kenyon's course.

I am amazed as I listen to preachers and teachers who have spent years of study in Bible Colleges and seminaries, and yet they do not understand or know what belongs to them in Redemption.

I have been taught for over thirty years that speaking in tongues was the only evidence of receiving the Holy Spirit. I have given a lot of study to this part of the course, and I believe I now see clearly that this is the truth about the work and ministry and receiving of the Holy Spirit.

At first I thought about this; that I could never teach it in Pentacostal churches because they would immediately reject me and the other wonderful truths in Dr. Kenyon's teachings. But now, I know I must TEACH TRUTH, no matter what.

We received the "tongues" because we got what we asked for, and yet that was all that we knew we had, and the whole world lying sick at Pentacostal doors! Because of the teaching of sense evidence, we did not know We HAD the ability of God, also.

For the next two years we will be here in Africa. My heart is broken as I see Spiritual Death at work in full sway! We are endeavoring to lead the missionaries into the deeper teachings as outlined in Dr. Kenyon's unique studies.

Mrs. F.K.D., Los Angeles, Calif.

Being a baby in Christ when I first began these lessons, and now having gone through all 37 lessons, I feel as though I know my Father God, the creator of this great universe.

These lessons have given me a revelation of Jesus Christ, my

Lord and Saviour who died and suffered for my sins, and the Holy Spirit, who now is always with me.

J. M. B., Ghana

I wish to express my thanks for your marvelous Bible course. It was a blessing and joy to me, and it actually renewed my mind and enlightened my understanding of the living Word of God.

A. S., Brooklyn, N. Y.

I can't tell you how much these lessons have helped me to have a better knowledge of God. I don't have words to express it. I will keep these lessons as long as I live, and I will not ever depart from what I have learned through them. I am telling my friends about these wonderful lessons.

Mrs. A.D.M., Clear Lake, Iowa

Your Bible Course has really been a blessing to me. It encourages one to look forward to something definite every day. I've been a Christian a good many years, but this course has encouraged me and confirmed what I already believed. I wish every Christian would take this course of study. It has been a real blessing to my soul.

C. J. S., Eugene, Ore

This course has really opened up Scriptural truth in a way that no other study has ever done for me. I am extremely thankful to God for it.

V. S., Batavia, Iowa

The study on "The Bible in the Light of Redemption" has been a great blessing and satisfaction to me. It brings out familiar truths in a deeper and wonderful way, and reveals hidden ones that are so clear when brought to the light. I am thankful to God for great men of faith like E. W. Kenyon, that have had the ability to dig deep in the Word and bring out the golden nuggets of truth that are missed by the majority of the professing church.

Faith becomes a thing within our reach when we put God's Word in its rightful place.

THE NEW YEAR

Virginia Brandt Berg

May this age-old benediction Rest upon you through the year,

Through life's joy and through its sorrows

May you feel God's presence near.

And along your future pathway May true happiness be yours,

With the perfect peace and goodness

That His blessed love assures.
