ABLE TO SAVE TO THE UTTERMOST

"Wherefore He is able also to save them to the uttermost that come unto God by Him."—Heb. 7:25.

God always has been willing to give man a chance, and when He gave the land of Canaan to the children of Israel, He made provision for the man who unwittingly shed the blood of his fellow man by providing cities of refuge where he could flee to and be safe from the avenger of blood. So when man sinned, and was cut off from God, the meshes of sin were without hope, and without strength, aliens from God's kingdom; God made provision for us that we might have a chance. "For when we were without strength, in due time Christ died for the ungodly. But God commendeth his love to us in that while we were yet sinners Christ died for us."—Romans 5:6-8.

A leper, an outcast, hopeless, incurable from a human standpoint, came to Jesus, and prostrating himself, said, "Lord, if thou wilt, thou canst make me clean." Immediately Jesus touched him and said, "I will be thou clean." A leper, a son of the publicans seized his chance, and found Jesus and salvation and immediately became a different man. The imparted man conformed to the will of God and yielded to the desire to drink, the dope head can be loosed from the apple of his eye and the toxic enslave can have the desire removed by the Lord Jesus. You won't have to worry whether you can live the Christian life or not. You make the wholehearted surrender to Jesus and give all your sins and let Him cleanse you from all the things of the world—He will give you victory over every sin and enslavement and make it a joy to live the Christian life. Come taste and see that the Lord is good.

He is able to save to the uttermost all that come unto God by Him. And He can do it, in spite of the fact that you are a drunkard, a thief, a liar, a gambler, a vagabond. Nothing is impossible with God. "Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool."—Isaiah 1:18.

A Touching Story.

We bring you good tidings of great joy. Pardon for all sin; comfort for all trouble, and life for the dead. Shall we now take this Christ into our hearts? The time is passing. Now the time speeds by. Put your hand on your heart—one, two, three. Three times less it will beat. Life is passing like gravel over the plain. Sorrows, hopes like petrels over the sea. Death swoops down, like a vulture, from the mountains. Misery rolls up to our ears like waves. Heavenly songs fall to us like stars. And God grant that in our final moment we may have as bright a vision as did the dying girl when she said: "Mother"—pointing with her thin white hand through the window—"Mother, what is that beautiful land out yonder beyond the mountains, the high mountains?" "Oh," said the mother, "my darling, there are no mountains within sight of our home." "Oh, yes," she said, "Don't you see them—that beautiful land beyond the mountains out there, just beyond the high mountains?" The mother looked down into the face of her dying child and said: "My dear, I think that must be heaven that you see." "Well, then," she said, "father, you come, and with your strong arms carry me over those mountains into that beautiful land beyond the high mountains." "No," said the weeping father, "my darling, I can't go with you." "Well," she said, clapping her hands, "never mind, never mind; I see yonder a shining one coming. He is coming now, in his strong arms to carry me over the mountains to the beautiful land—over the mountains, over the mountains..."—T. DeWitt Talmage.
FOREIGN MISSIONS

We appreciate the many missionary offerings reported through the Pentecostal Holiness Faith this issue. We are glad to see this interest in getting the Gospel to those in heathen darkness. Many a sad heart would be gladdened if we respond to the call of the Gospel. Millions are perishing, for the lack of the Gospel. Let's send it worldwide. The whole Gospel to the whole world should touch our hearts, our prayers, and our pocket-books, until we become great channels of blessing in sending the Gospel to the lost world.

One of the best meetings of the year was that just held at Seminole, where a pastor had denounced the conference, etc., and the new pastor came in and with the faithfulness at that place began a revival. It culminated in being saved from sin, 22 sanctified and 19 received the baptism of the Holy Ghost and spake in tongues, and then some 20 were informed, united with the church at that place. Praise the Lord for these wonderful showers. Here is indeed a lesson. If that church had not stood true in this test many souls would never have been converted, but praise the Lord the church stood and proved faithful and God rewarded them with this great revival.

Evangelist Cebula Messer is holding a meeting at Scipio. He will commence a meeting at Kiowa tomorrow. Evangelist C E Neukircher begins a meeting tonight at Dillard.

There is a good revival now in progress at the Oklahoma City church. Bro. Dave Troutman is doing the preaching, the altar is full every night and quite a number have prayed through to victory on different lines. Praise God for good old time religion.

Second Pentecostal Holiness church, Oklahoma City. Greeting in the name of Jesus. For the past 2 weeks we have been enjoying a feast from the Lord. Our dear Bro. Muse has been with us in a revival, God surely has been blessing. The saints were made to rejoice and praise God for victory; not only that, but many found the Lord on different lines and last Sunday night the altar was full of seekers, the Lord began to bless and 5 prayed through to victory. I do not mean they professed religion but they shfoited the victory, praise the Lord, you will remember the story of Moses, when he returned from the mountain how the glory of God did shine around him; surely

Bro. Muse seemed to have just come down from the mountain to this meeting, for the glory of God has shined around about here and many hearts has been made glad on account of the presence of the Lord. Surely we are marching on to victory, praise the Lord. The meeting ended last night but we trust the revival has just begun. Pray that God will continue to help us here, we need a church building so bad, pray that God will open the way for a church. Oh yes, the need for the true Gospel of Jesus here at this place. Just tonight there was a knock at the door I opened and a young lady and a much expression of grief in her face, saying: Bro. Phipps my baby is in the hospital the doctors say it can't live a lady told me you prayed for her baby, and it was healed will you pray for mine. We had prayer she said I believe the Lord is going to heal it. She can't read or write, she promised she would come to church and seek God. That is only one in hundreds of such cases in this part of the City. Oh the sin that is drawing men and women to destruction. If there was ever a time that we ought to work and not faint it is now. Your brother under the Blood.
Second Quarterly Conference of the Seminole district met with the Seminole church Feb. 22-24. Found a revival going on conducted by their new pastor, Dave Troutman. Friday session was spent in discussing the question of dividing the State Conference, and a better way of evangelizing the neglected fields of the state. Friday night devotional service conducted by L. G. Chilcoat, after which Walter E. Harris gave the message. Several obtained different experiences in this service. Saturday morning session opened with several preachers and delegates present.
