My Testimony

By Reba Patterson

Several months ago I was informed by my physician that I had a disease known as Acromegaly. He told me that this condition should be taken care of at once, for it could affect my body and appearance in such a way that my own friends would not recognize me.

For several years previous to that, since the birth of my little girl, my feet, hand, and head had continued to grow larger. It seemed that I could not keep myself in shoes, my rings had to be cut off and made larger, and my teeth became wider apart. My glands also failed to function normally.

I had been going to a doctor in another city who failed to recognize this very rare disease. I kept thinking that perhaps my body would go down, thinking that it was swelled, not knowing that the bones were growing. The doctor who was treating me before I became aware of this disease, was treating me for a thyroid deficiency. I mentioned to him several times that my feet were swelled, and he told me to soak them in hot salt water, unaware that the bones themselves were growing. I then went to my physician who diagnosed the disease. Immediately I went to a specialist for treatments.

After having many kinds of tests and my head X-rayed, they discovered a tumor on my pituitary gland. Since this gland controls the other glands, it controls the growth of the body. The affected pituitary gland began producing growth hormones which caused the soft bones in my feet, hands, and head to grow.

Five specialists, having studied my case, agreed that X-ray therapy would be the best and safest treatment for me. After I consulted an X-ray specialist, I consented to the treatments. In a period of six weeks I was given sixteen treatments. The doctors gave me no guarantee, but I hoped and prayed that they would be successful. The doctors told me that the treatments would not return my body to my normal size, but, if they were successful, the treatments would prevent further bone growth.

About a year later, still having no assurance of the success of the treatments, I went to work for the Herald of Healing.

Many of the employees became concerned over my condition, and on August 21, 1958 there seemed to be a general burden among the employees for me. At the 11:30 A.M. prayer meeting three prophecies were given concerning my healing. I felt the healing power of God going through my body. It felt as if the very hands of our Saviour were on my head, pressing it and restoring it to normalcy, and my hands tingled for several minutes with the power of the Lord. Praise God for His healing power!

Dear Sister Coe,

Greetings in our Lord's precious and matchless Name! I am writing to tell you I have been receiving your fine magazine, and I thank you for such an inspiring magazine as yours, which ever brings to us in here, new courage, hope, and faith. I have been circulating it among some of the other inmates who are open to the gospel messages it brings, and I can truthfully say we all enjoy it a great deal. Sister Coe, in here where it is very easy for a fellow to become bitter and lose what faith he may have in Christ, we certainly need help such as your magazine has been bringing to us. Published monthly by Herald of Healing, Inc., (a non-profit corporation), 2127 S. Corinth Street, P. O. Box 8538, Dallas 16, Texas. This magazine is a voice to cause people to see Christ first, and to help them realize that the fullness of the Gospel — salvation, divine healing, the baptism of the Holy Spirit, and the soon coming of our Lord — is all in the blood atonement of Jesus Christ. It is contending for Pentecost at any cost.

Herald of Healing is the most enjoyed. You can be sure our prayers will ever be for your success in anything you attempt through Christ.

Sister Coe, I would like to tell you a little about myself. Maybe through my mistakes others can avoid the heartaches I have gone through, until I let Jesus come into my life. I cannot honestly say when it was that I really let Jesus take over, and believe me, I fought against it for awhile. I guess it really started in Korea, for there were many times when I thought about Him, and prayed as I never had done before, but then when the danger was over, I would laugh at myself for being such a fool for calling upon an old lady's God, as I then called Him. There were so many times that I actually went out of my way to make fun of either Him, or those who worshipped Him that I guess He figured it was about time to knock some sense into me. And punish me he did. I shall never forget the pain and fear I felt as I lay in the hospital, just knowing every breath I took would be my last. Well, as so many other times, I promised and promised that I would faithfully serve Him, if He would only make me well, and like the other times I forgot my promise and was truly what you might call a son of the devil.

Sister Coe, believe me, I hang my head in shame when I think of the love Christ held out to me so many times, and I in return gave nothing but what really amounted to hate. Need I tell you how miserable my life really was? I was trying to make myself believe I didn't need Christ, and pride wouldn't let me accept His teachings. As I said, I do not know when my hate started changing, but I found myself wanting to learn more, and

I Caught Elijah's Mantle

By Mrs. Jack Coe

Hello! I wonder if you would mind my taking a few minutes of your reading time in a little different way this month? I have preached to you in sermons and written you letters, but today I just want to talk to you. As I sit here writing, rain is splashing against the window and there is an occasional crack of thunder — I feel like reminiscing over the past two years.

Friends, I know we all enjoy the Christmas Season. Children are especially anxious for the time to arrive when they are allowed to open all those beautifully wrapped packages lying around the "manger scene" or the "tree." And I guess all of us grown folks get just as much joy — maybe even more — as we watch those expressions of gratitude and acceptance and happiness that radiate from the youngsters as they open their gifts.

The Christmas Season has come to mean so much more to me than it used to. Just a few days before Christmas 1956, GOD TOOK BROTHER COE TO BE WITH HIM. I could not question God. I knew my dear husband had long deserved this rest. Even though in my mind I was becoming reconciled, it takes months and sometimes years for a bereaved heart to fully accept the absence of the one you love...the one with whom you have shared the responsibilities and heartaches of rearing a family, the one with whom you have dreamed and planned, the one whose ideas and decisions have been yours.

Yet, through all this, the grace of God was sufficient. Even at Brother Coe's funeral, sadness was turned to joy as the

Spirit of the Lord filled my wounded and lonesome heart with the glory of God.

It was only a few days later that my thoughts were turned to Christmas... just a few days until it would be Christmas morning. The children would be expecting gifts and everything that goes with the Christmas Season. Already they were asking what they were going to get for Christmas.

Again I found myself feeling empty, deserted . . . Brother Coe had always taken the lead . . . he had loved to go shopping for the children. I just did not have the heart to do anything.

I guess it was now and during the next few months that I was to realize just how wonderful it is to have friends, relatives, and employees that love you. They arranged for us to have Christmas at the Herald of Healing Children's Home. It was seen to that my children received gifts along with the other children. Being away from the new home that Brother Coe and I had lived in only about a month seemed to help. I began to understand a new way of life...a life that Brother Coe had given his all for. These little children, whose lives had been torn and twisted by heart-breaking circumstances, were beginning to fill in a gap.

As I began to minister during the week and on Sunday in the Dallas Revival Center Church, I saw a new way of life. I had now experienced the ultimate in human bereavement . . . and I felt in a new way the heart cry of my people.

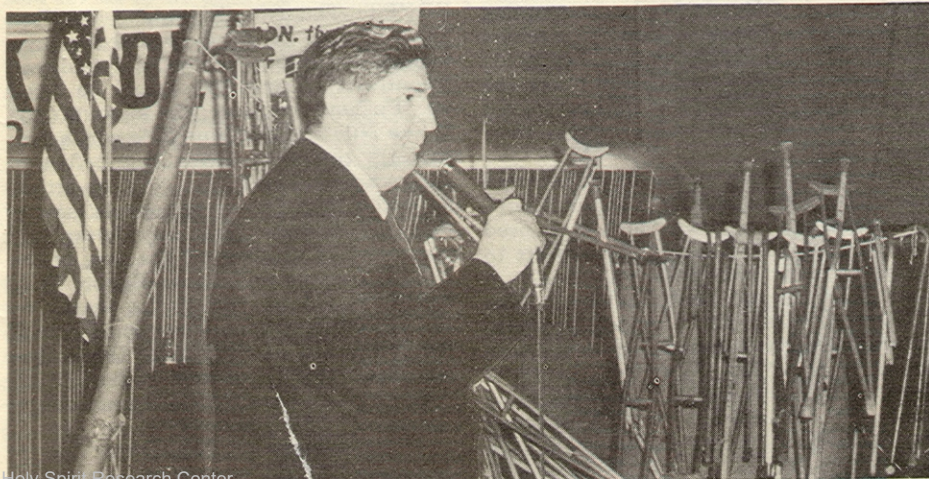

Then I began to familiarize myself with the operations of the Herald of

Healing Office. For years I had been fairly well occupied with the rearing of our family, and I was not completely familiar with all the phases of the great work my husband had started. It was not long, however, until I was made to see the greatness of the work and responsibility that the Lord had seen fit to place in my hands. And yet, I feel now, even as I did then, that this is not my work, but it is the Lord's. I am just a vessel that God is trying to use for His glory.

As I consider the many letters that come in daily asking for prayer, for salvation, for healing, for a broken home, for the habits of drink, tobacco, and dope, for advice concerning divorce and remarriage; I know that we are living in a sin-sick world. My heart is broken and humbled just to know that I can have a part in helping this vast, groping host of lost humanity.

The burden of my heart became so great that I knew soon I would need to preach this Gospel of Deliverance on a wider scale than ever before. During the past year, the Lord has opened the way for me to go to Mexico, New York, Pennsylvania, South Carolina, Washington, D.C., Kansas, Alabama, Maryland, and Oklahoma. During the past summer, we held a tent meeting here in the city of Dallas for two and one-half months in which many were saved, healed, and filled with the Spirit of God. God has marvelously met with us in all of our meetings. Truly the praise belongs to God! Hundreds of dear folks have been saved and blessed in the past two months as I have been privileged to minister in Maryland, Pennsylvania, South Carolina, Washington, D.C., and Kansas.

I guess you too can now begin to see why the Christmas Season has come to have SPECIAL meaning to me. As I look back into the annals of history, I see a Christmas of 1956 which had left me with mixed emotions — but now as I consider the Christmas of 1958, I know that God has laid His hand on me . . . I know that He has a work for me to do. And I know that many of my Christian friends have prayed for me daily . . . I could not keep going unless you did. I JUST HOPE that I can depend on many, many of you to sacrifice during this Christmas Season and Winter, IT IS VERY NECESSARY that I receive your help now and for the next few months

AMERICA'S SUDDEN DESTRUCTION

By Rev. Jack Coe

WHEN YE SHALL SEE JERUSALEM COMPASSED WITH ARMIES, THEN KNOW THAT THE DESOLATION THEREOF IS NIGH. Everyone is preaching that Jerusalem will be rebuilt . . . but the old walled city will never be rebuilt. The Bible says that it will be desolate. The Bible says that the inhabitants of Jerusalem should flee . . . and that those living outside are not to enter therein.

In every church . . . in every portion of the walls and in every tower and steeple, there are armed men sitting with guns ready. Machine guns are mounted in the church steeples. Half of the city belongs to the Jews, and the other half to the Arabs. You are not permitted to enter the Arabian section of Palestine if your visa permits you to go into the Jewish half. Anyone crossing from the Jewish to the Arabian side . . . or vice versa, would immediately be shot. The Bible says that when you see armies compassed around Jerusalem . . . THEN YOU KNOW THAT DESTRUCTION IS NIGH!

When I was in the city, I was told that the iron doors would be closed at 6 o'clock and locked. The doors are guarded by machine guns. No car enters or leaves Jerusalem after 6 p.m. As I stood in the walls and looked across the valley, I turned to the guide and asked, "What valley is that? There isn't a house or building to be seen."

He answered, "That is the valley of Jehosaphat!"

As Jesus stood on the Mount of Olives directly above this valley, He looked across the great walled city and cried, "Jerusalem, Jerusalem, how oft would I have gathered you as a hen gathers her brood, but ye would not!"

DO YOU KNOW WHAT HE MEANT BY THAT? When the rain begins to fall, a hen will ruffle her feathers and raise her wings until she has gathered them safely under. She will then sit in the rain until she drowns, if necessary, to protect those little chicks. Jesus wanted to gather and protect the people of Jerusalem . . . but they would not come to Him.

Jesus then told us of another event that would occur in the last days. He said that the Valley of Jehosaphat would be filled with armies of all nations . . . and that horses would wade in blood up to their bridle bits. I thought at one time this was to occur on the plains of Meggido . . . but the Bible doesn't say that. The plains of Meggido are absolutely flat and the blood could not get bridle-deep on a plain. I believe that an H-bomb exploded among the armies of the nations in that valley will cause blood to

run just like the Bible says it will! An A-bomb congeals blood . . . but an H-bomb does not.

If all the men in the German and Russian armies were shot by bullets as fast as one could pull the trigger, the Valley of Jehosaphat would never be filled with blood . . . because a man shot with bullets does not bleed a great deal and the blood would dry before you could kill enough to fill the valley. **IT WILL HAVE TO BE A GREAT EXPLOSION WHICH WILL KILL MILLIONS OF MEN AND HORSES IN LESS THAN A MINUTE!**

There are some today who tell us, "They won't use horses in that war!"

They will be forced to use horses! There is no other way for the great Russian armies to come through the mountainous terrain north of Palestine. Even today, almost the entire Egyptian army is mounted upon horses. Did you know that Russia has bought thousands of horses from the United States? . . . and they have continued to buy, breed and train horses for their armies.

God knew the armies of today would have tanks and cars . . . but said that **HORSES** would be used in that battle! He also knew that they would be unable to use their modern mechanisms because you cannot get that type of equipment down into the Valley of Jehosaphat.

Because the inhabitants of Jerusalem would not heed the warnings of Jesus and come unto Him . . . He said there was only one possible fate for the Jews, Arabs and Americans who are remained in Palestine . . . and that would be utter destruction in the Valley of Jehosaphat when the H-bomb is dropped!

I sat across the table from the Governor of the Arabian section of Palestine. We talked for some time and I learned many things. He told us plainly that Russia is making a bid for control of the Arab country. Russia is also attempting to absorb the Jewish nation. An Arabian army officer said that Russia has given the Jews 245,000 trucks, 3,500 tanks and 16,500 airplanes. The Russians have even given the Jews 600 ships to win their friendship.

The Jews could never have defeated the Arabs without the help of the American and British supplies which we poured into their hands. Russia fully expects to come through Turkey to Palestine . . . and that will not be too difficult. The Turkish government is already pro-communist. Russia needs to go down into Israel because the Jews have plenty of food, raw materials for manufacturing and mines where important minerals can be removed from the earth. They have

the copper mines of King Solomon. They have oil fields near Iran. By using the Bible, they have learned the source of many natural resources. Only one nation excels Israel in resources today . . . and that is America. Russia knows that she can never hope to conquer us until she has the resources of Palestine. The only outlet that Russia has to the sea is the Mediterranean Sea. If America and Britain closed the mouth of the Mediterranean, Russia would be bottled. The Army officer to whom I talked said, "The Russians told me that they were not going to wait until America could strike . . . but that they were going to strike in 1956! They must have the Dardenelles. They must gain control of the Suez Canal. They want to block America and England out of the Indian Ocean. Control of the Suez Canal would enable them to keep the Mediterranean Sea so that they might ship supplies from the fertile lands on its shores!"

Last year during camp meeting in Dallas, Texas . . . I predicted that the Suez Canal would be taken from the British in 1956. If Russia ever successfully wages war against America and Britain, she must have the Canal and the Dardenelles. Tonight I am going to tell you of other things that God has revealed to me. Recently I told you that Egypt would take the Suez . . . and three days later my prediction had been fulfilled! **I DO NOT BELIEVE IN PREACHING MY OWN CONVICTIONS . . . UNLESS I CAN BACK THEM UP WITH GOD'S WORD.**

Russia will be forced to go down over the Caucasians through Turkey to Palestine and the Suez. Thus far, Russia has not done so because they are attempting to obtain it peacefully through Nassar. Most of the pilots guiding the ships through the Suez are Russian men. Russia will take over the Suez Canal . . . and EGYPT! The Nile River and the Red Sea will soon be dried up and the Suez will be absolutely worthless! I told you recently HOW the Nile would be dried up. England controls the flow of the White Nile and the Blue Nile which join to form the main River just before it enters Egypt. Three days later, an article appeared in a Dallas newspaper saying that the British were considering the possibility of shutting off the flow of the tributary rivers to hamper Egypt. They could thus deny life-giving water to 19,000,000 Egyptians. They could cut off the livelihood of fishermen, the cotton and flax farmers and many others.

Some of you are wondering, no, doubt,

Greater Is He That Is Within You

By Mrs. Jack Coe

Luke 22:31,32. *And the Lord said, Simon, Simon, behold, Satan hath desired to have you, that he may sift you as wheat: But I have prayed for thee, that thy faith fail not: and when thou art converted, strengthen thy brethren.* I Peter 5:8. *Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:*

Once I believed that the devil wanted to destroy every church, every church member, every preacher, and every Christian. I believed he wanted to kill every one of us to get us off of the face of the earth.

I have found that the devil is NOT as INTERESTED IN CLOSING THE CHURCH DOORS, killing preachers, and killing the Christians, AS HE IS IN GETTING CHRISTIANS TO COOL OFF, and be satisfied with a lukewarm experience with God. He wants you to be deceived, and think that you are walking in the promise of God's love, when all the time you are walking contrary to the will of God.

The devil does not mind having a church house full of lukewarm Christians who doubt the promises of God, the things of God, and the Word of God — in fact, HE WOULD RATHER HAVE THOSE KIND OF CHRISTIANS IN CHURCH, THAN TO HAVE THEM IN A BEER JOINT. People who go to the things of the world know they are lost and on their way to hell. Those who attend church on Sunday morning, stand up and sing the songs of Zion, and yet do not have their heart right with God are deceived by the devil. They are patting themselves on the back, and are thinking themselves to be all right.

Jesus gave us a word of warning. He said for us to be sober and vigilant because of our adversary. We have an adversary who is fighting against our soul. He is mustering every force available under his power TO FIGHT AGAINST AND DAMN YOUR SOUL IN HELL.

The devil does not want anyone to be saved. When he sees a soul go to hell, he can laugh in the face of God and say, "Your plan was defeated, and you did not fulfill your plan in that person's life."

God plans for every man and woman to go to heaven. He has no pleasure in the death of the wicked. God wants every man and woman to repent and be born again. He made hell for the devil and his angels. God does NOT want us to go to hell, but, if we are going to follow the devil, then WE WILL HAVE TO GO WHERE THE DEVIL IS.

I read in the book of Job that the sons of God came together, and the devil came

also. Every time the people of God come together, THE DEVIL COMES ALSO. He does not like a back seat, either. He comes down, and takes the front pew. Often, it is hard to get good consecrated workers to fill the front seat, but the devil likes to get a leading position in the church. HE WANTS to be on the DEACON BOARD, and tell the pastor what to do. HE LIKES to be a BOARD MEMBER so that he can run things.

When the sons of God came together in that day, the devil came also. *Then God asked, What are you doing here, old fellow?*

I am walking to and fro on the earth, was the reply.

The devil is walking to and fro on the earth, seeking whom he may devour. He is after your soul. He is after my soul.

If you could pick up my telephone, and hear the conversation of person after person who call us to pray, it would break your heart. Some call and say, "Sister Coe, I am being tormented by the devil. He tells me to do certain things. He tells me what to do, and how to do it. I do not know what to do. He tells me that I do not have power in myself, and I am being defeated by the devil."

You would not have to listen on my telephone to hear it all. You can pick up your daily paper, and see it printed on the very front page. They will say to a certain person, "Why did you do so and so?"

The answer will be, "I do not know. A voice kept telling me to do it. I had the urge to do it."

One person quoted a person as saying, "The devil told me to do it. I did not know what else to do, so I had to do what the devil told me to do."

A mother had shot five of her children. She was getting ready to shoot her baby when the father stepped into the bedroom, and took the pistol away from her. She had planned to kill the other baby and herself. When questioned by the police, she was asked WHY she had killed the children.

She answered, "I was told to do it."

I want to tell you today, this old world is warped. People's minds are warped. They are being DRIVEN on by the DEVIL. They are being captured by his forces. They are being influenced by him, and they do not know what to do. They know not which way to turn. He has moved in, and possessed their lives.

Thank God, Jesus still has power over the devil. THERE IS POWER IN THE NAME OF JESUS!

You can mark it down, the devil is not going to let you alone. You are going to be tempted and tried, until you are under six feet of earth, or until Gabriel blows his horn, and you are translated out of this old world. YOU ARE NOT IMMUNED TO TEMPTATION.

A precious, young person, who had been saved in this revival, came to me and said, "Sister Coe, I had been feeling so happy and full of joy because God has saved my soul. But the last few days the devil has been saying to me, 'YOU ARE NOT A CHRISTIAN. YOU DID NOT GET SAVED.'"

"Did the devil ever tell you that before?" I asked.

"No, the devil has never told me that before."

"Then mark it down, the devil KNOWS that YOU ARE SAVED, or he would not have suggested such a thing."

Peter was a person who felt he was strong. He had great confidence in himself. He did not have confidence in the Lord; his confidence was in himself. Peter thought he could make it through. He did not need the Lord's help, for HE would not sin against God.

One day Jesus said unto his disciples and Peter: "Some of you are going to be offended, because of me this night."

Peter said, "If everyone turns against you, Lord, I will be faithful. MEN may forsake you, but you can count on ME. I am by your side, and I will not fail."

The Scripture says, *let him that thinketh he standeth, take heed, lest he fall.* WE SHOULD NOT HAVE CONFIDENCE IN OURSELVES — our confidence MUST be in God.

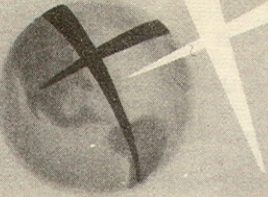

David said, *I will lift up mine eyes unto the hills.* David KNEW his help MUST COME FROM GOD. You and I cannot overcome in our own strength, in our own name, or in our own power. But thank God, we can overcome in the name of Jesus.

Peter stood in the courtyards, and was warming himself by the devil's fire. A maiden came by and said, "Surely you must be one of his followers."

Peter said, "Oh, no! You have got me mixed up with someone else. I am not one of HIS followers. I do not know HIM."

Jesus had already said, *Peter, before the cock crows twice, you will deny me thrice.* The Lord had predicted what was going to happen.

My Christian Friends:

The past few months have been a time of financial strain. There have been several nights my sleep was taken from me.

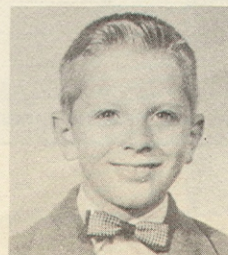

WHY DO I TELL YOU THIS you may wonder. YOU are an important part of my ministry - and so little time left to work. I pray together as never before.

The words of the psalmist have been made more real than ever before. "The Lord is my strength and my fortress, my rock, and my fortress, in whom I will trust..."

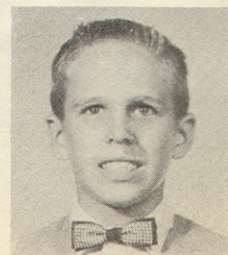

I am truly thankful for those of you who are praying for this work; also for those who have been able to send us offerings and help. I just couldn't carry this load any further if it weren't for you. You have been faithful month after month.

Also, I believe that I've got many friends who are reading Healing Magazine, and have listened to me on the radio. If you've even received a letter from me, please get around to writing me a letter. I don't have a little time right now - write to me - tell me how you are. everytime I preach on the radio, under the influence of the Holy Spirit, souls will be saved and healed.

IF YOU POSSIBLY CAN, enclose a gift for me. I want to enjoy Christmas like other boys and girls. Please help me carry this burden - don't let me down.

SUDDEN DESTRUCTION

(Continued from Page 4)

how the Red Sea will dry up and cause the Suez Canal to be worthless. It will be caused by an earthquake, just as it was when the first Suez Canal was built in the days of the Pharaohs. You can read about the first Canal and earthquakes in your encyclopedia.

SOMEONE IS THINKING, "PREACHER . . . WHERE DID YOU GET YOUR INFORMATION BEFORE THE PAPERS CAME OUT WITH THEIR ARTICLE?"

I got it out of the Bible! There are many who think that it is out of date and fulfilled . . . but it will tell you everything that is coming to pass if we will read it carefully!

Isaiah 19 tells us exactly what Britain will do.

Egypt is 95 per cent Mohammedan . . . but God is going to remember Egypt. He will give them into the hands of a cruel lord (Russia) for a reason! Then, the Bible says, the waters of the sea shall fail (the Red Sea) and the River shall be washed and dried up (the Nile). The reeds and the flags shall wither!

The Bible also says that they (Britain) will turn the rivers far away. The very headlines of our newspapers are right before our eyes.

When that happens . . . and people begin starving and dying of thirst, Egypt will turn against Russia, their cruel master. The Nile is the only source of life for Egypt. The newspaper said that peasants could not produce the long staple cotton necessary for trade without irrigation. Her entire food production would be endangered. **ENGLAND KNOWS THAT.** Those that raised flax for linen would be confounded. Those who depend upon fishing for employment would find no source of food. Egypt will join hands with Palestine and Assyria. God said that He would bless Egypt in that day! Read it for yourself in the 19th chapter of Isaiah.

God calls Egypt His people; Assyria, the work of His hands, and Israel, His inheritance. He will bless the union of the three nations.

When Russia comes into Palestine . . . and they will come . . . they will find themselves confronted by the American, British, French, Italian, Jewish, Canadian and Australian armies. There on the plains of Meggido they will be forced to fight the battle of Armageddon. **THE AMERICANS, BRITISH AND THEIR ALLIES WILL LOSE THAT BATTLE!** The Russians will push on to the outskirts of Jerusalem. Jerusalem is one of the most easily defended cities in the world . . . not because of the walls . . . but because the hills are pitted with caves. The rocks in that area are very hard granite. As the Russians push toward the city, the Americans and others will be forced to withdraw to the Valley of Jehosaphat. As they again close for battle, an H-bomb will be dropped and the Americans and British will take Jeru-

salem! Jerusalem will be trodden down by the Gentiles until the time of the Gentiles shall be fulfilled . . . and THEN shall be signs in the sun and in the moon! We haven't seen these unusual signs in the sun and in the moon! We haven't seen the powers in the heavens shaken! **THAT IS SPEAKING OF THE IMMEDIATE FUTURE!**

WHEN YOU SEE JERUSALEM COMPASSED ABOUT WITH ARMIES . . . THEN KNOW THAT DESTRUCTION IS NIGH. We are living in the day that the Bible is talking about **RIGHT NOW!**

There are many who say, "No man knows the day and the hour when Jesus is coming and when the world will be destroyed. That is true . . . but the Bible does tell us that we will know the times and the seasons of His coming. I believe that we are living in the time and the season of His coming! The late professor Albert Einstein stated that man would never kill everyone with the atomic bomb. He said that only one-third of the world's population would be destroyed by that method. Little did he realize that his statement was in complete agreement with the Bible . . . which says, "One-third part of men was killed by fire, smoke and by brimstone, which issued out of their mouths."

How were they killed? By **FIRE . . . by SMOKE . . . and by BRIMSTONE!** Atoms are "other explosives" . . . which produce these three devastating effects.

When the grass, trees and fish are killed, the people will be hiding in caves, shelters, and under rocks. Everyone who is not will be killed, but two-thirds of the population will survive that explosion and will be alive when Jesus comes to set up His kingdom! The anti-christ will use the A-bomb and the H-bomb. The world is looking for a "superman" even now to bring peace. We are having peace conferences and United Nations meetings continuously. We are asking the Mohammedans, Jeks, Buddhists and every religion to pray. I am surprised that they haven't asked the communists to pray.

I believe there is only one God . . . and that is the Lord, our God! There is only one begotten Son and that is Jesus, the only way to heaven. Buddhism, Fascism, Communism or any other kind of "ism" will never be able to reach God with their prayers for peace, because Jesus is the only mediator between God and man . . . and they that would come to God for anything must come through Jesus! We can never live in peace with people like Malenkov, Bulganin, and other Russian leaders. I saw a drawing of a group of hogs recently. The man who made the drawing had lined them up very neatly along the side of the trough. You could have laid a yardstick along their backs. I thought, "The man who drew that picture has never fed hogs. Hogs never line up evenly along a trough. There are always some of them that get their feet in the slop. Others try to climb on top of the others to get more. Some of them try to lay down in the feed." That's why we will never have peace with the

Russian leaders. They will never stay in line at a peace table. They want to get on top so they can crowd someone out and get a little more! They don't know the real meaning of the word "peace." There is only one way we will ever have peace and that will be when Jesus the Prince of Peace returns to the earth again to set up His kingdom. The Bible says that in the last days there will be wars and rumors of wars! Nation shall rise up against nation and kingdom against kingdom. There shall be pestilence, plagues and earthquakes in divers places. In these last days the anti-christ will use the H-bomb. The Bible says, "Is this the man that caused the earth to tremble? That did shake kingdoms? That made the world as a wilderness? That destroyed the cities thereof?" The anti-christ will cause the trees and grass to burn by using the H-bomb! He will destroy the cities thereof. The last-day destruction of cities and nations is at hand. We are living in the beginning of the end. **WHAT WILL IT TAKE TO AWAKEN MEN TO THAT FACT?**

(Rev. 8-7): The first angel sounded and there followed hail, fire mingled with blood, and they were cast upon the earth and the third part of the trees were burned and all the grass was burned. **THAT WAS CAUSED BY AN H-BOMB.** What is the great mountain burning with fire, cast into the sea . . . causing a third part of the creatures in the sea to die, and destroying one-third of the ships . . . but an H-bomb or C-bomb?

Man is delving into the secrets of Diety. We have dared to split the atom . . . a secret that was never meant for man! I believe that the devil gave man the urge to create the atomic explosives! The devil knows that his time is short and he is desperately striving to cause man to commit suicide . . . before Jesus has time to carry out His plans. Let me tell you . . . Jesus will succeed. Jesus never fails. I know that Satan was there when God created the world out of atoms. Ezekiel 28:14 . . . *Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God: thou hast walked up and down in the midst of the stones of fire.*

The translation of the phrase, **STONES OF FIRE**, from the original Greek is "other explosives" or atoms as we know them. The earth, water, trees, grass and the very air you breathe is made up of atoms! God stated that Satan walked upon the stones of fire. He was there when God created the earth. He knows the secret of the atom . . . and he is urging man to create greater and more destructive bombs so that he will commit mass suicide. Satan hates God and men.

Man will destroy one-third of the population on the earth with the nuclear bomb. He will sink one-third of the ships and kill the fish in the sea. He will burn the green grass. He will scorch the trees . . . and **IT WILL HAPPEN IN THE VERY NEAR FUTURE!**

The Jews are returning to Jerusalem in

Question: What does God declare Himself to be?

He tells us that "I am the LORD that healeth thee" (Exod. 15:26). Again He extends this by proclaiming, through the lips of David as a psalmist, "Who forgiveth all thine iniquities; who healeth all thy diseases" (Ps. 103:3). Thus He is both a forgiving God and a healing God. How beautifully Jesus patterned His ministry upon the Father, as evidenced in the words with a most familiar ring, "Son, be of good cheer; thy sins be forgiven thee... Arise, take up thy bed, and go unto thine house" (Matt. 9:2, 6). Both Father and Son provide us the one certain means to health in both body and soul.

Question: What acts of healing were accomplished by the apostles and disciples?

Answer: The first of the several recorded cases took place by the Temple gate, when Peter cured the beggar who had been lame since birth (Acts 3:2-10).

Then, "by the hands of the apostles were many signs and wonders wrought among the people" in and about Jerusalem. And thereby "believers were the more added to the Lord, multitudes both of men and women." What was, in part, responsible for these many conversions? The answer is given in the very next verse, which explains that "they brought forth the sick into the streets, and laid them on beds and couches, that at the least the shadow of Peter passing by might overshadow some of them." Healing brought out crowds, for there "came also a multitude out of the cities round about unto Jerusalem, bringing sick folks, and them which were vexed with unclean spirits: and they were healed every one" (Acts 5:12-16). There had been intense interest in healing from the beginning of Jesus' public ministry, and it welled up again in the very early days of the church. How natural then that interest should still be very much alive today.

At about this same time, Stephen, "a man full of faith and of the Holy Ghost," destined to be the first Christian martyr of record, "did great wonders and miracles among the people." Surely healing played a prominent part in his activities (Acts 6:5, 8).

In that same year, "Philip went down to the city of Samaria, and preached

Christ unto them. And the people with one accord gave heed unto those things which Philip spake, hearing and seeing the miracles which he did (Acts 8:5, 6).

Several years elapsed, and then Peter, visiting believers in Lydda, a sizeable village near Joppa, healed the man bedridden eight years by palsy (Acts 9:33, 34).

The believers in Joppa hastily sent for the apostle. Dorcas, a fine Christian woman, lay dead in her home. As he knelt by her bedside, Peter performed his finest miracle; for the Lord heard his fervent prayer, and at the command of the former fisherman, the dead widow came alive (Acts 9:36-42).

We must not, of course, forget the devout Ananias at Damascus, who, at the Lord's bidding, put his hands upon the eyes of the blinded Paul and restored that contrite man's sight (Acts 9:10-18).

By the year A.D. 46, Paul was active in the missionary endeavors then beginning to reach into the Gentile world. At Lystra, in southern Asia Minor, a man "impotent in his feet, being a cripple from his mother's womb, who never had walked," was among those who listened to Paul preaching. And when the apostle saw "that he had faith to be healed," he cried out to the helpless creature, "Stand upright on thy feet. And he leaped and walked" (Acts 14:8-10). Healing is of God, but Paul had proven that he was qualified to aid in obtaining this heaven-sent blessing. In fact, the people mistook Paul and Barnabas for gods, and they had trouble in keeping the townsmen from worshipping them.

Seven years later, he loosed at Philippi the damsel "possessed with a spirit of divination" (Acts 16:16-18). Then, during the two years that he taught in the school in Ephesus, "God wrought special miracles by the hands of Paul: so that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them" (Acts 19:11, 12).

The next year in Galatia, he seems to have done much healing, for he later asks in his epistle, "He therefore that ministereth to you the Spirit, and worketh

miracles among you, doeth he it by the works of the law, or by the hearing of faith?" (Gal. 3:5).

He, like Peter, was privileged to restore life, and the opportunity came at Troas, a seaport in Asia Minor. It was the year before Paul was taken prisoner to Rome, and he was indeed filled with the Spirit. At an evening service on the first day, "Paul was long preaching" and a young man, sitting on a third floor window sill, fell asleep and toppled out onto the ground far below. He was taken up for dead, but the great apostle had the exquisite pleasure of seeing this believer returned to life (Acts 20:7-12).

Finally, as he headed for Rome, and martyrdom, there was the shipwreck on the island known today as Malta. The islanders, says Luke in describing the occasion, "shewed us no little kindness." The father of Publius, chief man of Melita, "lay sick of a fever and of a bloody flux: to whom Paul entered in, and prayed, and laid his hands on him, and healed him (Acts 28:2, 8). How pleased the great missionary must have been that God had answered his prayer, and permitted him to be instrumental in thus repaying kindness with mercy.

Question: In what manner was Elijah privileged to perform a miracle of healing?

Having returned from his feeding by the ravens by the Jordan, the Lord sent him to the town of Zarahath, on a hill by the sea, a few miles south of Sidon. There he found shelter in the home of a widow, and his miracles in her behalf began to build her confidence in his powers. Then suddenly her son "fell sick; and his sickness was so sore, that there was no breath left in him." Can it have been a case of angina, in which suffocation is sometimes fatal?

The bereaved mother, certain that she was being punished for her sins, lashed out at Elijah. And the great prophet, whose power was based in his constant communion with God in prayer, quickly besought Him, crying out, "O LORD my God, I pray thee, let this child's soul come into him again."

"And the LORD heard the voice of Elijah; and the soul of the child came into him again, and he revived... And Elijah said, See, thy son liveth. And the woman said to Elijah, Now by this I know that thou art a man of God."

vast numbers every day. More and more of them will return. The thing that is causing a stir in the Holy Lands today is that so many of them are coming into the land that there is no room for them. Therefore, the Jews are having to push the Arabs back in order to make room for them and to obtain more land to farm, in order to support the new emigrants. The Jews fervently desire the property of the Arabians! And thus the

so that I can pay bills that I had to make during the summer recession.

Friends, I want to be a blessing to you. Do not hesitate to write to me concerning your problems and needs. My life is being made complete by helping others. I believe that I can truthfully say that *for me to live is Christ.*

As I think back over these two years since Brother Coe's passing, I can see that much has happened. I have been placed in a position of leadership that I had not before known. I have had doubts and fears, encouragements and blessings. I have been criticized by some and appreciated by others. I have made mistakes . . . yet, I can say with an honest heart that I have been trying to **FOLLOW THE LORD TO THE BEST OF MY ABILITY.** I just thank God for the way He has enabled me to take care of my responsibilities. I thank God because He touched the hearts of so many of my dear Christian friends over the United States and various parts of the world to help me when it looked as if we could go no further.

If I know my heart, my one desire is to follow God everyday . . . one step at a time. I want to stay in His perfect will. I am asking God to give me a "double portion" of the anointing that Brother Coe had. Friends, I do not believe it foolish for me to ask this of God. The Bible says that Elisha asked for a "double portion" of the power that was manifested in the life of Elijah, and the scripture records that Elisha performed twice as many miracles as did Elijah. I believe

"A MESSAGE TO THE JEWS"

Tonight I was awakened
With a message for the Jew
God laid a burden on my heart.
He said to write it, too.

Oh, hasten warn my people
Before it is too late
And tell them I am coming soon
I will not hesitate.

Oh, yes I'm coming quickly
In the twinkling of an eye
To catch my blood washed through away
To meet me in the sky.

I came two thousand years ago
And died upon the cross.
They would not own me as their King,
Go tell them they are lost.

This time I'll come in judgment
On all who from me turn
My wrath I'll pour upon them
Because my love they've spurned.

But tell them I still love them
And want to save them now
For I am their Messiah
And to me they must bow.

For in my book 'tis written
That every knee shall bend
And every tongue shall speak of me
As Christ, the saviour then.

contention continues! They are both direct descendants of Abraham. The Bible says, "My people Israel, I will cause to return to the land that I gave to their fathers and they shall possess."

We are living in a time of perplexity among nations. Even our nation is confused. We have tried the Democrats . . . and they have made many mistakes. We have tried the Republicans and the re-

that **WE HAVE NOT BECAUSE WE ASK NOT.**

Help me pray that the year 1959 will be one of the greatest years for the advancement of the Kingdom of God that we have ever had. I covet your earnest prayers and ask your continued support for this ministry which is dependent upon God through you. **MAY GOD BLESS YOU IN A SPECIAL WAY IN 1959.**

sults are the same. The reason so many people are turning to Catholicism is that so many of our Protestant churches are dry and dead . . . having a form of Godliness . . . but with no power! Most of our present churches have been turned into soup kitchens. They have substituted chili suppers, hot dogs and bridge parties for prayer.

God gave me a vision. I believe in visions . . . because the Bible says that in the last days the old men will dream dreams and the young men will see visions! I believe that God still speaks to His people in dreams and in visions. I saw a vision of tidal waves sweeping across Florida all the way into the highlands. I saw a tidal wave bringing giant ocean liners into the center of New York City! I saw the buildings crumbling and toppling. Washington, D. C., was hit by a great earthquake in the vision. God is going to send destruction to this land of wicked, mocking unbelievers. He will laugh at their fears! America will be destroyed!

I was standing just beneath a tower in Jerusalem where a Moslem priest was calling people to prayer and right beside him stood a man with a machine gun. **THE BIBLE SAID WHEN YOU SEE THAT COME TO PASS . . . THEN REALIZE THAT THE END IS NIGH!**

Friend, if you fear the coming of the Lord . . . **YOU ARE NOT READY TO MEET HIM!** The Bible tells us to lift up our heads, for our redemption draweth nigh. There should be rejoicing in the heart of every true Christian as he realizes that the coming of the Lord is at **HAND. SHOUT THE VICTORY! IT IS TIME FOR US TO LEAVE TO BE WITH JESUS. HE IS COMING SOON!**

TESTIMONY

(Continued from Page 2)

I started asking questions and reading a Bible. Well, about a month after that, we made the jump at Chosen and got trapped. I once again promised to be faithful if I came out of that mess, and once again Jesus saved me, and we got out twenty-seven days later. Not long after that I was due to come home, and I faithfully promised to attend Bible School when I got discharged. How many chances does a sinner get? I forgot my promise and went back to a sinful life, as a result I am now in prison. I am not bitter about this experience, for I know this is Christ's way of giving me another chance to straighten my life out and become a child of God.

I have learned a great deal in the three years that I have been in confinement, and it is my fervent wish to be able to attend a Bible School when I leave here. Once again I am determined to become a servant of our Lord, and this time I will not fail for I have come to know and love Jesus Christ, as my own personal Saviour. Please pray for me, and maybe some day we will meet.
