That ye should earnestly contend for the faith which was once delivered unto the saints. — Jude.

Ambassadors for Christ

Now then, we are ambassadors for Christ, as though God did beseech you by us. We pray you, in Christ's stead, be ye reconciled to God. For He hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him. — 2 Cor. 5:20-21.

The Apostle gives as a reason for being an ambassador the fact or reason that God had made Jesus to be sin for us that we might be made the righteousness of God in him. Such possibilities in the atonement of Jesus. The salvation provided by our Lord Jesus Christ is the greatest fact of history, and is worthy of every effort being put forth to send it to the uttermost parts of the earth. Such astounding possibilities. Sinners, wicked ungodly men and women, sinners of any and all descriptions, can come to Jesus and be made righteousness of God in him. Can there be any greater fact of history? Sinners made the righteousness of God. And this is our way out. This is our escape. Sinners that have been snatched in the network of sin, loaded down with the unseemly desires of the world and bound for an endless hell, can find a way of escape here, for God hath made Jesus to be sin for us that we might be made the righteousness of God in Jesus. Yes. God commends His love toward us, in that, while we were yet sinners, Christ died for us. (Rom. 5:8). The Lord Jesus assumed our sins and assumed our guilt that we might go free. Think of it. The Lord hath laid on him the iniquity of us all (Is. 53:6), and the Lord "His own self bare our sins in his own body on the tree, that we, being dead to sin, should live unto righteousness." — 1 Peter 2:24. "Whom God hath set forth to be a propitiation through faith in His blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God." — Rom. 3:25.

No need for humanity to go to hell. No need for you to go on in sin and still a sinner's grave, when you can be made the righteousness of God in Jesus Christ. You cannot wash your own sins away. You cannot subdued your own heart. You cannot redeem yourself, but you can come to Jesus and by virtue of His atonement He will wash away your sins, and give you a new heart and a new life. Thousands have experienced it.

Realizing the great possibilities in the atonement of Jesus we should have the message to a lost and dying world. God is intent on trying to reconcile the world unto himself, to save men and women from going to hell. And men and women who do not receive this fact in their lives, men and women who do not embrace the atonement of Jesus, are surely bound for an endless hell. Quick, people are dying all around us. Let's heed this wonderful message of salvation out to the lost. "While we were yet without strength, in due time, Christ died for the ungodly" and there is salvation for every sin-oppressed soul that will come to Him.

105,000

Praise the Lord! Praise the Lord! Surely, we are making rapid progress toward the goal of a million tracts for this conference year to be distributed. To our glad surprise the tract work has increased by leaps and bounds. The Lord has enabled us to send out approximately 105,000 tracts for free distribution since the Conference. Just think of it, in about a month's time 105,000 messages of salvation through the printed page have been sent over the state and country! Yes, it means lots of work, but think of the many souls that will hear of Jesus through these thousands of tracts. We are well pleased with the response, and only hope that we may become more zealous for this great work of reaching people with the Gospel through the printed page. Only eternity will reveal the results of this work. Erroneous doctrines are flooding the country not with their literature, and have placed boxes in depots, etc., and we should meet them with a hearty response in the circulation of God's truth. Many a person has been brought to God through the reading of a tract. Every minister ought to have a supply of tracts in every meeting he holds, and they will help to get the Gospel to the people. Every lay member can have a part in this method of spreading the Gospel if he will. Those who are slow of speech, distribute tracts and let the printed page talk for you and with you. Have you distributed any Gospel literature around your neighborhood? Are you interested enough in your neighbor's soul to pass him a tract telling him of salvation? The tract will go where you cannot. Remember the goal: One Million Tracts, and let's enter into this work with a determination to carry the Gospel as fast as we can to a lost and dying world. One Million Tracts! Do you want a part in this work?

The greatest message of the hour is this glorious Gospel. Let's hasten the message to our neighbors and to other communities, and to heathen lands. How many tracts have you passed on to others carrying the message of salvation?

65 SAVED

The meeting closed in Memphis Sunday night with great victory. So many were hungry for God we most felt like weeping as the time came to close. At least 65 were saved and 14 or 15 sanctified and received the Holy Spirit. The crowds were very large the tent was not anything like large enough it was said by some that there were three thousand people there some nights. Bro. Graham is indeed a fine pastor to work with, and my stay in their home was delightful. My next meeting is in Bartlesville, and in November will go to Birmingham, Ala., to Bro. S A Bishop’s church. I love Jesus today He is very real, praise Him. Yours for souls.

WILLA SHORT

The revival at the Oklahoma City church (where Bro. Beall is pastor) is on, having begun Sunday night, Sept. 28. Quite a number are going to the altar and the indications are good for a great revival. Evangelist Burton A Hall, who has been until recently a noted Baptist evangelist, but having come into the light of holiness and Pentecost accepted the truth, walked in the light, and was sanctified and Baptized with the Holy Ghost at our recent Camp meeting, is doing the preaching, and is taking well with the people. Pray for the meeting and attend if you can.

S. E. STARK’S DATES

Ada, Okla.—Will write you a few words to the good little big paper, as I have never seen a letter from our church. I am a member of the Pentecostal church at Oakman. Our church is getting along very well. We are all pleased with our pastor, Bro. Bill Dryden. He has preached for us once. I want to say that I am saved from sin and sinning, sanctified by the Blood of my dear Saviour, filled with the Holy Ghost, and feeling fine in my soul, and I take Jesus for my Divine healer and my family physician. I desire, the prayers of all the saints that I may stay at the foot of the cross, and also pray for my children and husband that we may all live for God. I am looking for Jesus soon. I have been without the paper for some time and I sure do miss it. Find enclosed one dollar for which send me the Pentecostal Faith for two years.

Dexter, Texas—I am having a wonderful meeting here near Dexter.—D. P. Thurmond.

Washington, Okla.—I am here at Washington in a revival. Good interest. Several in the altar last night (23rd).—M. L. Dryden.

The Second Pentecostal Holiness Church, of Oklahoma City, has moved to larger quarters, and is now located at 2209 Exchange Ave. Sister Tolbert is the pastor of the church this year.

Just closed a two weeks meeting four miles west of Ada. One saved. Had good crowds most of the time. It was sure a hard battle.—Iva Hays.

Evangelist O. C. Wilkins held a meeting at Okmulgee since the Conference. The meeting lasted three weeks. Among the results of the meeting were six saved, five sanctified and four baptized with the Holy Ghost and seven united with the church. Bro. Wilkins is a splendid preacher.

Evangelist Susie C. Forbis has been holding a meeting at Maysville. She writes: "I am at Maysville. The Lord is blessing. We had a healing service last night and God wonderfully manifested His healing power. We prayed for an invalid girl who had never walked without crutches. While we were praying I felt that she must walk and I helped her from her chair. I held her for a few minutes and she walked so fast that I turned her loose and she took several steps alone. The power of God fell and the saints began to shout and we had a wonderful time. Others were also healed. I am trying my best to give the "Thus saith the Lord" as far as I can. My next meeting is to be a few miles from where I am in another community."

--Seminole, Okla., S pt. 15—Dear Faith Family: May God bless your precious hearts. My very soul doth magnify the Lord and rejoice in the love of Christ our Saviour. At this time I am in a revival at the Carr church. Have been here one week. Four have been saved, one sanctified and one Baptized with the Holy Ghost. Last night we had a landslide. A beautiful sight was some little girls under the power of the Holy Spirit. I will close the meeting here the 19th and go to Bethel and be with the saints there Saturday night, Sunday and Sunday night, then D. V.) I will go to Mead, Okla., and conduct a meeting for our dear Sister C. L. Smith. I never felt more hungry than I do now to see souls get saved and healed, sanctified and filled with the Holy Spirit, and made ready to meet our Saviour, the Prince of Glory, whose coming will surely not be delayed much longer. When my soul is enriched with the love of God as it is this afternoon I feel I must hasten with the message to others. Truly salvation does give us a missionary spirit. When we find the Christ we are always glad to go and find others and bring them to Him. Pray for me that I will win souls for Him apart from my pastoral work. I will conduct one revival meeting a month. Those who desire my services, please write me at Calvin. May God bless the Faith paper and its editors. I mean to be a booster for the paper. I covet your prayers. Am faithfully yours for a lost and suffering world.

MRS. W. A. WILLIAMS.

Westville, Okla.—Greetings in Jesus' name. I praise God this morning for all His goodness to me and mine. Am still saved, sanctified and the Comforter still abides. We have been almost continually in the fight for Jesus since we came from camp meeting. Bro. Colvin was in a meet-

ing in an arbor out on Schell branch, two miles south of town, when we got back. We assisted him some, then went into meeting three miles southwest of town in an arbor. Bro. Ben Hill, of Stilwell, and Bro. B. M. Jones, our pastor. Bro. Colvin and myself. Five saved and one sanctified.

Closed last Tuesday night. Started again yesterday, the 21st, at Ballard, eight miles north of Westville. Bro. Colvin and Sister Ethel Griffin will do the preaching and we are expecting great things from God at this place. We ask the prayers of God's people everywhere. Yours in the fight for lost souls.

J. W. TULLIS.

Oklahoma City.—Wife and I have been holding a meeting at Mishak with Bro. Conley. Closed out Sunday morning, Sept. 28. This was in a community that has had a hard name for years as a very wicked place, with lots of moonshining and drinking and dancing. Many Catholics live in the community and there is one Catholic church. But we found some good people there and the folks unsaved and all gave good attention as a whole. There was a good interest in the meeting, and some Catholics became interested in this Gospel. The dances dispensed with during the meeting. Several were saved, and the meeting closed with good interest. Pray for us as we labor in these neglected fields. Some of them are in a way almost inaccessible but God being our helper, we intend to reach them with this glorious Gospel. It fills our souls. And the anticipation of His soon coming is a great incentive to keep at the job of carrying the message of salvation.

DAN T. MUSE.

Seminole, Okla., Sept. 25.—May God bless you all. We are still on victory side here at Seminole, moving along fine. Our meeting north of town was short on account of being so cool so we thought best to close. Just held a week. Closed with victory and a fine interest. The Lord willing, we will be in a union meeting here the first Sunday in next

S. E. STARK,
Conf. Supt.

Evangelist J. P. Pinkston spent Saturday night and Sunday with the church at Shawnee. They were to open their mission hall for the first service Saturday night.

A baptismal service was held at the Oklahoma City First Church Sunday morning, Sept. 21. Quite a number were baptized and the Lord blessed and every one baptized shouted and some talked in tongues. One sister baptized went under the water talking in tongues and came up still talking in tongues. It was a splendid service. Bro. Beall is the pastor of the First Church and Bro. Marvin Oden is assistant.

Bro. Stark, our Conference Superintendent, has certainly been on the job since the Conference and we should stand by him with our prayers and also our means. It would be for the advancement of our work if every preacher would keep in touch with Bro. Stark all the time and he could possibly help you to arrange for some meetings in needy fields. Brethren, we must go forward. The months are slipping by and Jesus is soon coming. Let's hasten with the message.

Keep busy at the job of sending out the message of salvation.

To the brethren of the Eastern Oklahoma Conference, we want to keep in touch with you all the time. Keep us posted, will you, that we may make mention of your meetings in this column? Let's make this an interesting column.

The Bartlesville church seems to be a progressive church. They are alive on the foreign missionary work and also on the home missionary work. In fact, they go hand in hand, these two great phases of the Gospel work. This church certainly has some live wires in it that are filled with the "go tell it" message of salvation. They have been extensive tract distributors and just a short time before Conference they ordered 10,000 tracts, and just a few days ago came another order for 10,000 more tracts. They are determined that everybody within their reach is going to hear or read about this Gospel. Would that other churches would respond as readily to sending out the Gospel.

Ada, Okla.—Here I am at the Wostrel church praising our great King. I find some good saints here and of course it just makes me want to live with them, but will soon have to say good-bye, and move on for Jesus' sake to the next place of service. Love to all. I am as ever.

L. G. CHIL O T.

Saved, Sanctified, Baptized with the Holy Ghost.

Sulphur, Okla., Sept. 15.—Praise the Lord for victory over sin and sinning. I have just returned from Ardmore church, feel greatly encouraged about the work there. Sister C. L. Smith (my dear auntie), held us a few days meeting, and God certainly gave us just the very things we needed. She was certainly a blessing to us. The crowds were fairly large and good order. We had plenty of preachers to visit our meetings, about five different kinds, some were no God-ite and some unfinished work and some decorated with stick pins and rings. The devil wanted to run the meeting but we were not willing for the devil to have the meeting, and he sure did puff and blow and made some awful displays in trying to bring himself in notice. There were three saved, one sanctified and one received Pentecost; five baptized in the Santa Fe lake. We thank God for them. Children's service every Sunday evening at 6:30. All children are invited. And Sunday night the house was packed until the people could not get in and a large crowd was standing in front when the porch gave way and fell. One man was hurt some. We all love Sister Smith and would be glad to have her come again and stay longer. We are moving right on with 33 members, and Jesus for our captain, we are sure to conquer as long as we let Jesus lead. 'He knows the way, because He is the way, the truth and the life. Amen! We are located on S. E. 500 block. Preaching every Saturday night, Sunday and Sunday night, except first Sunday. Sunday School every Sunday at 10 a.m. We invite Pentecostal Holiness preachers to call on us when in Ardmore. I mean real Pentecostal Holiness preachers. We covet your prayers. J. C. Corbit, Pastor. R. H. Blaylock, Deacon. S. S. Allen, Secretary. Ardmore, Okla.

Have you reached everybody that you could with the Gospel today? If not, why not?
REPORTS FROM THE FIELDS

...month (Oct. 5) in the high school building. Our pastors of Seminole, Methodist, Missionary Baptist and Holiness have come together for this great campaign. Everybody will be welcome. Come, let us expect a great meeting. This may sound like a dream, but you remember miracles are not passed yet. We covet your prayers. We want God to get the glory out of this. We feel it is God's will. I have many calls, and some I don't answer. All remember I am placed here as pastor and preach every Sunday and Sunday night. Please don't think that I don't want to answer or come either, but I am doing the best I can and I feel I am in God's will here. Your brother in Christ.

DAVE TROUTMAN,
The Plow-Boy Preacher.

Lokeba, Okla., Sept. 26.—I want to sound a note of praise through the Faith paper to my Saviour for His goodness to the children of men. He is still blessing the people at the Pentecostal Holiness church at Lokeba. We have just had a great feast with the Lord. Our dearly beloved brother and conference superintendent of the Oklahoma Conference, S. E. Stark, was with the church Sept. 20-23. He gave us some good and timely messages from the Lord, while the saints sat and drunk in the word of God, and on some occasions some of them couldn't keep still while he preached, but the power of God would fall on them and they would be on the floor shouting. Then on Tuesday evening, Bro. Stark held a business meeting for the purpose of electing the church officials and also a pastor (as the church was left to be supplied) for the present year, and the dear Lord put His approval on the meeting. Praise His name. The folks voted Bro. Stark back to conduct a 10-day meeting beginning about the last of November, D. V. Pray for this meeting. Also let's all pray much for our conference superintendent and hold him up in both by prayer and financially, for he sure has the burden of the Conference at heart, I believe. May our God bless you one and all with the richest blessings for Heaven is my prayer. Yours in His glad service.

C. A. ENGLES.

Allen, Okla., Sept. 27.—This finds me saved, sanctified and filled with the sweet Holy Ghost. I am here at McCasel in a revival. We are having a very good meeting. My next meeting will be near Scipio, Okla., beginning October 3. As I did not get to hold the meeting at Allen, Sept. 12, I will begin there October 15. I am sending in a bunch of subscriptions for the paper. I will close my testimony by asking the prayers of all the saints to pray for me that I will be a blessing to everybody. Your brother in Christ.

J. T. COPENHAVER.

Healdton, Okla.—This leaves me with real victory in my soul. Wife and I opened fire against the devil Sept. 4, at Katie View, Okla., near Elmore City. Closed the meeting Sept. 14. Not a great deal of visible results, though Pentecost had never been preached there. In the surrounding community the people had been led off after this one-God theory. So we preached to one God people, and Millennial Dawn, and Campbellites, Methodists and Baptists. So you see we had a mixed up crowd, but in the midst of all of that, two got sanctified, and I feel sure some have a different view of Pentecost as to being the Bible route, than what they had before. I feel sure we could have had a wonderful meeting if we could have got the crowds, but people were so busy picking cotton and gathering crops and roads so bad that few saints there were in the surrounding community couldn't get there without going from one to six miles around out of the way, so they just couldn't come. People were looking after their crops more than they were the salvation of others. I am saved, sanctified and the Holy Ghost abides. Looking for Jesus to come.

J. W. and F. M. CROSS.
Box 74, Healdton, Okla.

PURCELL, Okla., Sept. 16.—We closed here at Fairview church last night. The meeting was not what I wanted it to be, but God blessed in giving out the Word. Only one saved, but we trust that there was unseen good done that God will bring out in the near future. Am sending you two subscriptions.

G. C. WATERFIELD.

Spring Hill, La., Sept. 19.—Sending greetings in Jesus' name. I am still saved and sanctified and healed and on the way to the glory world. Just closed out the meeting at Shawnee last week with two saved, one sanctified, and organized a Pentecostal Holiness church with five members and three more came in while I was there, and more to come in later. We stopped at Center Hill church (Texas) and preached there the 13th and 14th. And now I am at Spring Hill, La., to begin a meeting Saturday night, D. V. So pray for us much. I have about 60 days of leisure time and if any one desires my services may write me at Spring Hill, La., Route 1, Box 54. As ever, yours for Jesus and His cause.

W. J. WILBURN.

We have the greatest message in the world—the message of salvation to a lost and dying world. Let's act like it and not be careless and indifferent or as drones. Let's be live wires for God, sounding out this good tidings of great joy. Let's reach our neighbors, and the surrounding country, and let's don't forget those in heathen darkness.
Mayfield, Okla. Sept. 28—I am at a graded school house near Mayfield in meeting. I think I will close to night, I don’t know just where my next meeting will be, it might be at Sayer. Some people like the way of holiness here, and some don’t, but all must have it before they can see the Lord in peace, so I am glad I got in while the waters were troubled. I am desiring all the saints to pray for me. My home address is Tipton, Okla.

J. G. Powell

Okeham, Okla., Sept. 16—Report of the Banner revival recently held by Bro. Geo. Byus. He sure did some fine preaching, and preached the Bible straight and clean. Oh, I would to God there were a lot more young men to step out on the promises of God and believe and obey Him, as the young man has done. I know he did his best here at Banner. No one got saved. One woman said she got sanctified, but never testified any more. I believe this is a seed sowing time. He married his first couple while here. Everybody seems to love him. I hope he will come back again. He is going to school the first of October at Greenville, S. C. He preached a missionary sermon Sunday night. It was just grand. And he took up a missionary offering of $3.50, which I am sending to Bro. Muse for the missionary fund. I still love the Lord and want to be just what He wants me to be. Please pray for me and my husband that the Lord will save him, and four of our children that are in sin. May God bless and keep and strengthen His children the world over.

Your sister in Christ.
MRS. EULA SUTTON,
Secretary.

Calvin, Okla., Sept. 22—I want to report victory in my soul this morning. We sure have had a good meeting here at Calvin. Several got through on all lines. Bro. Vaughn baptized 11 yesterday. Several came into the church. We praise God for all He is to us. Pray for me that I may be in the will of the Lord at all times. Rev. W. O. McDonald and myself are on the evangelistic list. If any one desiring a meeting and would like to have one or both of us to hold it, please write us at Calvin, Okla., and we will consider it. As ever, your brother in Christ, out for the lost.

Las Cruces, N. M., Sept. 20.—This morning finds me still praising God for His goodness to me. Oh, I do love Him and His cause. We have come to Las Cruces, N. M. Landed here last Saturday, the 13th. Had services the first night we got here. It is wonderful how God does bless and He is here in New Mexico same as in Oklahoma and everywhere else. Any one desiring to write to us, our address is Las Cruces, N. M., and I sure would be glad to get a letter from the loved ones at home. God bless the little paper and all its readers is my prayer. THE PENTECOSTAL HOLINESS FAITH

BEWARE OF LIGHT CONVERSATION.

A dying man called a minister to his bedside and related the following:

Twenty years ago at the great "prayer-day" you preached so touchingly it went through my marrow and bones, and I desired to give my heart to God, to make my confession of faith before you. For that reason I waited outside the church door and when you came out with a friend, said:

"I would like to speak to you. When can you give me a little time?"

You replied, "Wait a little, and I can speak with you, for then I will have time."

So I waited a while, and talked quietly by your side, and heard how disgracefully you talked with your friend about my church members and it cooled my ardor.

When we reached your door, I said, "I have considered the matter, and do not need to talk with you now."

Since that time I have fallen into a sinful life, and today I shall die without God, with ut a living hope. I called you that I may curse you. You placed your hand on the letter, and said, "Take your friend about your church Advocates."

I believe he is a God-sent preacher. Bro. Mahaffey has been pastor over this little place the past year. I believe he is a God-sent preacher. Bro. Mahaffey and Bro. Ensey held a one-week meeting after conference. Was not any one saved, but the saints were made to rejoice. We hate to see them leave the community. I hope and pray that the Lord will lead someone to come and preach for us. My prayer is that the saints may come to Jesus before it is too late.

MRS. C. C. McCORD.

Tecumseh, Okla.—Still saved, and trusting my all to Jesus' keeping. Oh, what a grand thing to trust all to Jesus. When one does He is ever true to supply your need and heal all your heartaches and sufferings. Praise God from whom all blessings flow. Your sister in Jesus, waiting for our soon coming King.

T. L. HOLLINGSWORTH.

How many tracts have you given out? We should use every means for the salvation of souls. Opportunities that are yours today may be gone forever tomorrow.

MISSIONARY NEWS

The Pentecostal Holiness Church is sending out several new missionaries this fall to foreign fields. Bro. J. W. Brooks and wife and Bro. D. D. Freeman and wife are to sail for Africa from New York City on October 8, the Lord willing. Bro. Brooks and Bro. Freeman are both splendid young men, and we firmly believe will make real, genuine missionaries that will accomplish much in their labors. These two brethren visited Oklahoma during the summer, and made many friends during their trip. Let's remember them in prayer and also with ur means, that their labors may be fruitful. Bro. and Sister T. L. Robertson were to sail for India as our missionaries the first part of September and are probably well on their way to their chosen field of labor by this time. Let's put these missionaries on our prayer list and remember them at the throne of grace.

From the Pentecostal Holiness Advocate we learn that Bro. T. H. Roussan and family are to leave Hong Kong, Nov. 20, and are expected to land in Vancouver, Dec. 8. They have been granted a furlough after having been in China for five years.

We just received lately a very encouraging letter from Bro. W. H. Turner, who has charge of the South China work, with headquarters at Pakhoi. He says in part: "We are opening a boys' home here this fall and a girls' school in Yamchow. I believe that since I wrote you we have opened our new mission or chapel in Pakhoi, in addition to the church in the Compound, and here many are for the first time hearing the good news." This work is a very promising one, with opportunities to reach thousands of people with the Gospel. We appreciate the labors and sacrifices of our missionaries and would that we in the home-land would respond as fully to the call of the Gospel. One of our missionaries in hina walks as high as thirty-six miles in one day and then preaches at night, and talks and explains the Scriptures, until a late hour. Only eternity will reveal the sacrifices the missionary makes, and the great results from their labors. Let's join them in sending the Whole Gospel to the Whole World.

My heart was sorry and burdened, To the altar I did go. There I gave my heart to Jesus, Then He made me white as snow. Next I sought for sanctification; I'm so glad I got my fill; isn't it good that Jesus said, Just whosoever will. Then there came the great camp meeting, And I went to it you see, for to get the sweet Baptism for I knew it was for me and praise God, I know I got it, out beneath the old elm tree. And of these three great blessings, the one I love most, is the old-time Baptism of the sweet Holy Ghost. Now may my light be trimmed and burning every night and every day, that it may guide some poor lost sinner to the straight and narrow way. Amen.

Elmore City, Okla.—I am still on the Lord's side. I desire the prayers of all who read the Faith that I may get strong in the faith of the Lord and that I may do His precious will at all times.
