That ye should earnestly contend for the faith which was once delivered unto the saints. —Jude 3

## MANY GET TO GOD IN REVIVAL IN CITY

The Oklahoma City Pentecostal Holiness Church (1st Church) is in the midst of one of the best revival meetings that it has ever experienced. Many people have gone through on all lines, and many people have become interested in Pentecostal Holiness who have never been interested before. The altar services have been good, and many are the shouts of those praying through on different lines. Quite a number have been saved and numbers sanctified and many have received the Baptism of the Holy Ghost and spake in tongues as the Spirit gave utterance. The services are rich, and the crowds are large, and the interest splendid. Numbers of Nazarenes and Holiness and Methodist and other Christian folks have been in attendance and some have become seekers for holiness and Pentecost. Mother Jones, one of the best known and most spiritual of the Nazarenes received the Baptism of the Holy Ghost and spake in tongues on Saturday night. She was a very religious good sanctified woman and when she came into the light of Pentecost it didn't take her long to go through and receive the blessing. Pastor Robinson and wife, of the Oklahoma City Union Mission also became interested in the meeting. Sister Robinson received the Baptism of the Holy Ghost and sang in tongues and also spake in tongues Monday night, Oct. 13th. They are both splendid people and

good workers for the Master. Other Nazarenes and Christian people have been seeking the Baptism, besides the numbers that have been saved during the meeting and are going on with God for the deeper experiences. Praise the Lord. The truth of Pentecostal Holiness is reaching out in Oklahoma City and indications are for a continuance of this blessed work amongst people who have never heretofore been interested in this glorious part of the Gospel. Bro. Burton A. Hall, the evangelist in charge of the meeting, has certainly been the right person for the meeting. Bro. Hall, recently came to movement from the Baptist church, having been sanctified and Baptized with the Holy Ghost at our recent camp meeting. Bro. Hall is an evangelist of note, having held meetings throughout the country, and been a successful revivalist. It has been a pleasure indeed to have him here in the City and listen to his discourses. Bro. Hall is a man of many qualifications, and has ability as a preacher, lecturer and singer. His messages are filled with truth, and he is one of the best preachers it has been our privilege to hear on the doctrine of Pentecostal Holiness. He lays stress on holiness and the speaking in tongues as the initial evidence of the Baptism of the Holy Ghost. Almost every sermon for over a week was on the Baptism of the Holy Ghost, and his messages are

clear, logical and convincing. And he has been able to hold the attention of the people in a marvelous way. He never comprises on sin, nor the doctrine of Pentecostal Holiness, but is a fearless expounder of the Truth. We felt that we should speak this concerning our Bro. Hall, as he is not yet generally known in our ranks, and we are glad to have with us such an humble, sweet, powerful exponent of the faith once delivered to the saints.

In the rush and hurry of these modern times let's don't forget or neglect the last commission of our risen Lord to "Go ye into all the world and preach the Gospel to every creature". Surely if we could feel the worth of an immortal soul, and realize souls are going to hell in heathen lands by reason of our neglect, we would send this great message to the put forth more of an effort to perishing millions of heathendom. Through the Pentecostal Holiness Church every penny contributed goes to the Missionary work. That is it all goes, none is taken out for fees in anywise. Brethren let's dedicate a portion of our means to the Foreign Missionary work.

We have just sent out some tracts for use in revival meeting in Iowa. Pray that God will bless these tracts to His glory.

Let's keep busy at the job of spreading this message of salvation. If it was good for you—it will be good for the other fellow—pass the message on to him.

### MR. MOODY'S CREED

When Mr. Moody first went to Eng-  
land arrangements were made for a  
great campaign in London. He was  
quite an unknown man, and a num-  
ber of ministers wanted to be sure as  
to his standing. As a prelude to the  
campaign a number of ministers met  
him and one of them said to him, "Mr.  
Moody, would you be good enough to  
tell us your creed?" Mr. Moody, in  
his short epigrammatic way, said, "Oh  
yes, I will tell you: it is in print." They  
expressed their gratification that it  
was already at their disposal, and  
asked where it could be obtained. He  
said, "It is the 53rd chapter of Isaiah."

## Reports From the Field

Bartlesville, Okla., Oct. 13—We praise the Lord for victory in Bartlesville already thirteen have been blessed on different lines. Crowds are increasing every night and we can hear the sound of abundance of rain, praise the Lord. Bro. Dean is certainly working hard to increase his congregation and one can easily see the fruits of his labors. The Lord gloriously saved seven Saturday night. The church is new and is large enough to accommodate quite a large crowd. Will you join us in our prayer that many will be blessed in this meeting. We will continue this week and next. Yours for souls.—Willa Short.

Evangelist Susie C. Forbis has been conducting some meeting near Maysville and Wayne. Concerning the meeting recently closed she informs us that she had a "good meeting. Several were blessed along the line of Pentecostal truths. Some were wonderfully healed. There are some blessed saints here who are pure gold, and those whom the community has the utmost confidence in. I feel encouraged to go on, for it is getting better every step of the way. We began a meeting about 6 miles from Wayne last night. It began with good interest, as the saints had a revival prayer down."

Tecumseh, Okla., Oct. 2—I praise God for the victory in my soul. I have held one meeting since Conference. The Lord is still blessing. I ask the prayers of all the saints. My address is Tecumseh, Okla. J. K. Hooly.

Burrow, Okla., Oct. 10—Greeting in Jesus dear name. I can report victory through the Blood of Jesus. The meeting at Washington closed Sunday night with victory. Sunday was a blessed day. There was a brother that lives at Tulsa, and they were

picking cotton about eight miles from Washington, and his wife had ulcer of the stomach. She came near dying Saturday, so he heard that we were having a revival at Washington, and he put her in his truck and brought her over. We took her in the church and fixed her a bed and the saints gathered around and we anointed her with oil and the Lord touched her body and healed her and she got up and shouted and praised the Lord. They came back Sunday night, and she testified to her healing. There was people there said that was the first time they ever saw any one healed. Thank God for His power to heal. We begin a revival here at Burrow Saturday night, Oct. 11, with Bro. Chilcoat. So pray for us. Your brother.—M. L. Dryden.

Westville, Okla., Oct. 13—Greetings in Jesus name. Wife and I stopped here for a service and God began to bless the first service and from one to three or four are praying through every night. Will be here this week. The house did not hold the people last night. The Lord is blessing Bro. Jones here. We are working five together. Pray for us. Your brother in Jesus.—J. P. Pinkston.

Caddo, Okla., Oct. 13—Greeting in Jesus dear name. Glad to report victory in my soul through the Blood of Jesus. Still saved and sanctified and out for King Jesus. I am to stand true, and stand upon the promises of God, though trials and temptation may come fast, we know who to look to and that is Jesus. He is our burden bearer. Let's cast them upon Him. He will bear them all. I was given Liberty and High Hill to pastor. I am still on the job doing all I can for the churches. Had a missionary service at Liberty last night. Bro. Muse enclosed find \$4.23 for Missionary work to help send the

Gospel on to some one that has never heard the Word. Pray for me. Your brother in Jesus.—T. A. White.

Okmulgee, Okla.—I praise God for victory through our Christ this evening. I just arrived home from my meeting at Okemah. I closed there last night after having 17 days good meeting. We closed on account of a show coming to town. The man who let me have the lots for my tent, rented them to one of the shows. There was two in town and they hindered our meeting, but after all old satan could do we had a wonderful meeting. Our tent was packed full and all around. Attendance of about 800, the weather was cool. There was 16 saved, 8 sanctified and one Nazarene preacher received the Baptism. He is now already to preach Pentecost. There was several healed. One baby healed of Eczema and one woman who had been helpless for two years with cancer of the stomach was wonderfully healed. Thank God for the healing power, and for His tender love for all who still trust Him. I feel like going on for Jesus, Thank God for His Son and His blood that keeps us. You all notice my new address. I have moved back to Okmulgee from Henryetta. My street address is 1219 W. 6th St. I am ready to accept any call now for meetings. Your brother all for Jesus under the Blood seeking the lost until He comes or calls. Geo. A. Burns.

Norman, Okla.—This is what most people call Blue Monday morning, but praise God I haven't any thing this morning to be blue over. But the glories are rolling up in my soul until I can't think of much to say, but Glory. I want to thank God because we had the privilege of having Brother Pinkston with our church from Saturday night until Monday night. Praise God for such a good preacher. He certainly did open all of our eyes on things that was our duty to do, and what we owed to God. I

of healing. One brother received the Baptism of the Holy Ghost. The Lord has wonderfully blessed here at Abner Cross Roads in all of the work. He seems more real to us people every service. The saints here are getting to where they just hold on to the Lord until victory comes. The work for the Lord is moving on nicely at this place. Brother Crowell always preaches the Word straight and plain it is easy for people to see the light on holiness. We covet the prayers of all the saints that God will continue to bless and save souls at Abner Cross Roads Church. Saved, sanctified and Baptized. —Ralph Robinson.

Wartlett, Texas, Oct. 9—I am still saved, sanctified, and the Comforter still abides, and looking for Jesus to come soon. I have been preaching some near White Bend near Mabank and Eustace in Henderson county. I am now in Bell county for a few days. God bless you all is my prayers.—J. M. Taylor.

Many individuals have been sending in for tracts for use amongst the unsaved and also the saved. The greatest business of the world is carrying the Gospel of Jesus Christ. Are you joining the ranks of God's faithful witnesses and workers.

By this time our Missionary bretheren, Brother and Sister J. W. Brooks, and Brother and Sister D. D. Freeman, will be hundreds of miles on their voyage to Africa to carry this wonderful Gospel. We recently received the following card from Brother Brooks as they were on their way to port to sail. "Dear Bro. Muse: We have just left for New York, and are now on the train. Will get to Washington tonight and stop there a few days, and then to New York and sail Oct. 8th. We ask you all to pray that we will have a safe voyage." Let's pray for these dear people for their safe voyage and also that God will keep them and make them a blessing to many thousands in Africa. We are glad indeed for this great Missionary work.

## Eastern Oklahoma Conference

Evangelist Geo. A. Burns held a successful revival meeting at Okemah. Evangelist Walter Harris has been engaged in a revival meeting at Lindsay. Evangelist Arthur Williams held a meeting near Hammon, Okla. Evangelist Neukirchner closed the meeting at Gotebo, Oct. 5th. Pastor G. W. Gaither was to go to River Side School house in Delaware Bend, near Dexter, for Saturday night, Sunday and Sunday night. Evangelist M. L. Dryden held a meeting at Burrow, Oct. 11th. Pastor Dave Troutman and the Seminole church are in the midst of a union meeting with the Methodist and Baptist brethren at Seminole. Dan T. Muse, Box 762, Oklahoma City, Okla.

The Wagoner church has joined the ranks of those who have taken hold on the tract work. Pastor G. B. Tims just this week ordered 5 or 6 thousand for distribution throughout the Wagoner territory. Pray for them in this good work.

At the Center Hill Pentecostal Holiness church, where Bro. and Sister Gaither are pastors, they had an all day meeting with dinner on the ground Sunday, Oct. 4th. There was a large crowd and probably 100 took dinner there. The work there we understand is doing fine. May God continue to bless them in all their labors.

An eternity without God is the most terrible thing confronting lost humanity. Will you not devote more time and energy to sending out this wonderful Gospel message. You may not be able to preach like Paul, but you can tell it, and pass on a few tracts containing the message of salvation.

Jesus gave His all for you—even life itself. What are you giving to the Lord.

To the Pentecostal Holiness Church. I just want to praise God for victory through the Blood of Jesus this morning, bless His name. I know I have the blessing this morning. I can feel the joy in my soul. I want to do something for Jesus to help win souls. It means something to have the victory, but more to keep it. So let's do more for Jesus, and come together in our prayers to God for the lost, and for the brethren. Let's live up to the Gospel and keep unspotted from the world. Let's stand for the full truth of the Bible and have our Sunday School literature, and have no fellowship with the unfruitful works of darkness, put in teachers to teach our children that have the blessing, and not be yoked together with unbelievers, nor company with fornicators. Let's separate ourselves from any brother that will not be holy, and let's love one another indeed and in truth, and love not the world, and God will approve of our life and let us enjoy the blessings of heaven, and the ones on contrary side may be ashamed and come to the knowledge of the truth that they may be saved. Yours in Christ.—Harry Anderson.

Warsaw, Mo. (Shawnee Bend Church)—Truly glad that I can report victory, down in my soul. Glad that I have the victory through the Blood of Jesus. That infinite love that is so wonderful that keeps me all the while. So glad that He leads me in the paths of righteousness, and holiness and Pentecost, "Hallelujah". Thanking my God for the love that will cause a man to turn from his filthiness and his superfluity of naughtiness and with love seek that which will save his soul, the engrafted Word of God. Hallelujah. You know some preachers that preach that there is a counterfeit among saints. No doubt, but bless the Lord, I don't believe the devil will ever be wise enough to

counterfit the author of this writing. Praise God. You may wonder why. Not that I am so perfect, but praise the dear Lord, I served the old devil up till I was 27 years of age, in every way, done everything he told me to do. A servant indeed I was, but praise God two years ago I got homesick. I had wandered away, waded out through mother's prayers, but one day I became tired of my job and I told the old devil that I was going to quit, and praise the Lord I began to pour out my heart to God and He heard my cries, Hallelujah. Oh how I feel the presence of the mighty power of God. He cleaned me up and gave me a clean job. He sat my feet on the highway of holiness (Is. 35:8), and opened my eyes toward heaven, and gave me the route of Pentecost. And gave me a hunger and thirst after righteousness, and for the sin-cursed world. Oh this is a joyful way. Peace, love happiness and joys untold. Hallelujah, and now I am living for Jesus and how sweet are the tidings that flow, and sweeps through my soul. Oh can I ever give God enough praise for what He has done. I'm so glad that I am in the way. Therefore I am going to stand and testify of this great salvation, as we find in the four-square Gospel, and of sanctification, and of Divine healing, and of the mighty power of the wonderful Baptism of the Holy Ghost, with the evidence of speaking in other tongues as the Spirit gives utterance (Acts 2:4), and of the soon coming Jesus, and to warn men and women of eternity without God and of an everlasting hell that burns with fire and brimstone. Time and space will not allow me to express my thoughts on that dreadful place where I was once on my way. I didn't realize that an awful calamity that was before me. I am sorry for the unsaved today. They don't realize where they are going. I pray that the unsaved will stop, look and read God's word and pray is my prayer. Asking all the saints to pray for me that the Lord may restore my health again. Your brother in the King's glad service. Ira Fahnestock.

## THE PENTECOSTAL HOLINESS FAITH

### REPORTS FROM THE FIELDS

Continued from Page 3

I think men like him are to be honored in the Lord. O he did do such wonderful preaching, and we are all hungry to get to hear him again for he sure can tell us what we ought to do. There were two added to the church while he was here. Praise God he is adding to our number all the time. We had a wonderful time Saturday night, Sunday and Sunday night. Our pastor, Bro. Melvin, was with us Sunday and Sunday night and also Bro. C. V. Caskey, from Yeager, Okla., and Bro. Bowen and also Bro. Abbott, and their wives. Bro. Caskey preached Sunday morning and Sunday night, and the Lord gave witness to His preaching by the power of the Holy Ghost, falling on the saints. The Lord baptized one sister with the Holy Ghost Saturday night and one Sunday evening. Well praise God it does my soul good to see folks get in earnest and go through. I want to ask all the saints that reads the little Faith to pray for Sister Wright and myself that God will make us stronger and help us to stand behind the church here, and keep it going, for it seems like the devil has taken his pick out on us and we are having to bear the most of the burden, but he doesn't know he is wasting his time when he is talking about me, for I have got something better to listen too, and I wouldn't spend my time listening to what he has to say. Praise the Lord, I feel God in my soul this morning. Please pray for all the saints here at Norman, that God will strengthen them all and pray that we may get the different gifts that God has got His children. I remain your sister in Christ, saved, sanctified and Baptized with the Holy Ghost with evidence of speaking in other tongues.—Mrs. Sulit Ellworth.

Stratford, Okla., Oct. 7—Dear readers of the Faith family. I want to praise God for the victory I have in my soul just now. So glad in my youth I have my heart in Jesus. During this time I have been down in the valley, and clouds have overshadowed

me as dark as midnight, but thank God He said He would never leave us nor forsake us, and the Psalmist David said, "Delight thyself also in the Lord; trust also in him; and he shall give thee the desires of thine heart. Commit thy way unto the Lord; trust also in him; and he shall bring it to pass. So I am praising Him this morning for the full experience of Pentecost. Bro. Chilcoat, our Asst. Supt., was with us from Friday over Sunday, the last of Sept. We enjoyed his visit very much, and God gave the victory in each service. We had a wonderful meeting Sunday night. There was music, shouting, dancing and talking in tongues. Also three additions to the church. We are very much encouraged to know that Bro. Chilcoat is making arrangements to move to Stratford. I desire your prayers for my self and the work at Stratford. Your sister in Jesus.—Lula J. Smith.

Shawnee, Okla.—I can truly say HE is the fairest among ten thousand, the one altogether lovely to my soul. I want to thank God this morning for the camp meeting at Benson Park, and what my heart felt and my eyes beheld of the wonderful works of our God. I began to weigh up what the Lord was doing and it made me to wonder if I am not where the Lord wanted me, yet I was not a member of the Pentecostal Holiness Church, but O how I wanted to be. And thank God for sending Bro. Wilborn to Shawnee to hold us a meeting, and as soon as the opportunity presented itself, and the doors of the church was opened I went in, and praise God I feel I am in the will of the Lord, with the old-time Pentecostal fire burning in my soul. And we have a nice little church started here, expect to be in our place of worship this coming week. Having been having worship in my home for which I am only too glad to open my doors to the service of the Lord. May the dear saints at the City pray lots for us, and that the Lord send us a pastor. We are looking for Bro. and Sister Neukir-

chner. Any time you are in Shawnee you will have a hearty welcome in our home. Mrs. A. H. Highley.

Rush Springs, Okla.—Greetings in Jesus name. I enjoy reading the paper. I formerly belonged to the Campbellite church, and I went and heard the Finished work Pentecost preach and sought the Baptism until I got it, but they didn't tell me to pray through until the Holy Ghost witnessed to my sanctification and I saw there was something lacking in my experience. Oh I became so hungry to just know that God had sanctified me, and called on God and He satisfied every longing of my heart, and now I am saved and sanctified and the Holy Ghost abides, glory to God. God Himself led me into the truth. I do some preaching and I feel like moving where I will be in better unity with the saints. If any of the saints that read this know of a place for rent let me know. I can handle everywhere from 40 to 75 acres. For reference, as to a Christian life, Annie E. Carmack (Address Box 762, Oklahoma City, and the letter of inquiry will reach her). Saints let's draw closer to God and keep ourselves unspotted from the world, and be ready to meet Jesus when He comes. Pray for me and my family. Yours in Christ.—J. E. Stanka.

Warner, Okla.—I want to request prayer for my sister, Mrs. M. Hensley. She is very badly afflicted, and wants all the saints to pray for her. She has another baby that has the asthma. I wrote last winter and had you saints to pray for one of the babies, little Sam, and God completely healed him. Praise His dear name. Little Burk Hensley has asthma. He is 8 months old, and weighs 8 1-2 pounds. He is badly afflicted. Saints please pray much for them. A sister in Christ.—Arby Eckert.

The command is not to "Stay ye"—but—"Go ye". Which way are you acting—the common stay ye, or the Master's "Go ye".

## A GROWING WORK

We are pleased with the tract work for this year. It is indeed encouraging the way our folks are taking hold of this splendid work. At the present time tracts from our free tract department have gone into homes, hospitals, jails, asylums, poor farm, pool halls, depots, terminal station, on trains, cars, on the streets, and in homes, city and country, hotels, and amongst the down and outs, and God only knows what the great harvest will be. Thousands are being taken from boxes at depots. One brother informs me he can place a tract box in a store. One or two have already been using the tracts in their stores. Several boxes are in depots. Praise God for this wonderful Gospel and that it is our privilege, ours and yours, to send it to the world, to hungering humanity. There never was a more needy time than now, and we must continue this good work that has been started. heartily and are finding not only some are entering into the work a real service to humanity but finding it a real blessing to themselves as they pass the glad tidings along to others. It has been tested out and proven beyond question that few people throw a tract down without reading it. Every political meeting should be covered by some one or more handing out tracts on salvation. For a recent political meeting at Seminole, Brother Troutman, the pastor ordered some Gospel tracts to be handed out. One man, after being handed a tract, "The End of the Journey" read it and broke down and cried and said he was going to give Jesus his heart. One man took some and went in where men were gambling and handed them tracts, and they stopped to read them. Let's send this Gospel to the whole world. We would be glad to supply you with tracts for personal distribution, or for placing in a box at railroad depot, hotel, or store. Get permission from your depot agent, especially if your town is a place where much travel goes through and place a

tract box in a conspicuous place. You ministers will also find tracts to be a help to you in your meetings. One million tracts for free distribution. Will we make it this Conference year.

## WORTH OF A SOUL

W. K. Norton, Benares, India.

The worth of a Soul! Who can count its value? Who can appraise its worth? An immortal soul is beyond all price. In money, one soul is of more value than the wealth of the whole world. In suffering, it is better that all the people of the world should suffer all their lives on earth, if by their suffering one soul could be saved. In journeying, no foreign land is too distant or any portion of it too inaccessible for all the people of the world to take a journey there, if by so doing one soul could be saved.

There is no trouble too great, no humiliation too deep, no suffering too severe, no love too strong, no labor too hard, no expense too large, but that is worth it, if it is spent in the effort to win a soul. Of all creations come, the greatest, the most wonderful in this world and in the world to fulfil the most priceless, the most enduring is a soul.

God loves the soul more than all other creation. He fashioned it after His own image, and made it like unto Himself. Every soul has departed from God and gone astray, and God has bought every soul back again with a price. That price was the blood of His only begotten Son, who took upon Himself the sin of the soul, suffered the death penalty, that the soul might be saved, cleansed, and made holy again. God loves every soul with an everlasting, eternal love, greater and deeper than any human love can possibly be.

Satan hates the soul. In Satan's enmity towards God he is using all his energy, using every snare, his utmost cunning, employing every means with the one single purpose of ruining the soul of man, because Satan knows the soul is God's most cherished creation, the very apple of His eye.

A soul will never die. When this earth of ours has crumbled to dust and has passed away into the forgotten past, a soul will still be in its freshness of youth.

When in the fathomless future eternity has become hoary with age, the soul will still be young.

When a million million eternities have each lived out their endless ages and have rolled by into the unthinkable past and time is no more, the soul will still be living, a conscious personal reality, endowed with perpetual youth and perpetual life.

God has said, "He that winneth souls is wise."

If Christians would only realize the value and the immortality of a soul,

and the shortness of this earthly life, they would work feverishly, unceasingly, with all their greatest energy, day after day, year after year, that they might save one.

O, Christians, are there souls passing your way? Are you stirring yourselves in their behalf that they may have eternal life and joy, or are you allowing them to cross your path and pass on unwarned, to an eternal death?

## THE PENTECOSTAL HOLINESS FAITH

### THE OFFICE WORK OF THE HOLY GHOST

The Holy Ghost is the one who convicts us of our sins (John 14:8), and when we obey that convicting spirit we repent of our sins and are led to God, and that is one reason that we stand in need of the presence of the Holy Ghost in our meetings so much today, is that the sleeping multitudes may be awakened to their awful condition and repent of their sins and give their hearts and lives to God, before they sleep their way into hell. Paul says that they that sleep sleep in the night. Night represents darkness. Men are groping in darkness, and if we don't have the Spirit in our meetings and lives in a sufficient way to awaken them and lead them out of darkness into light, they shall be lost for all time to come. It seems to me that I see the need of more of the power of the Holy Ghost in our meetings than ever before. The pure woman in the Bible represents the Church, and a dead woman cannot give birth to a live child, neither can a church that hasn't the Holy Ghost in her midst give birth to live children. 'O God give us more of Him in sin convicting and sin-killing power. We need Him in a greater measure as individuals and as churches, and if we don't contend for His presence more we will be short of one of the most essential things. He witnesses to our acceptance with God (Rom. 8:16). No one can say that they have passed from darkness to light until the Holy Spirit witnesses to the transaction. He is always on hand to witness to whatever God does. Go back into eternity for thousands of years. He was there with the Father and the Son when they made the worlds, and organized the planets, the Holy Ghost was there and has always been on hand at every act of God all down through the ages. Every sinner that has ever been saved through all ages the Holy Ghost has been there to witness to the great work that God wrought upon the heart of mankind. Oh glory to God for the blessed presence of the Holy

Ghost. He doesn't stop at conversion, but He witnessed to our sanctification (Heb. 10:14-15), that should be evidence enough to the world to prove to them that there is a reality to the experience of sanctification, for the the Holy Ghost surely wouldn't witness to anything that was not true and real. Since He has borne witness to so many blessings of the Father's workings and operations, what bears witness to Him comes in His baptismal form? The answer is easy to be had. Speaking in other tongues according to Acts 2:4, also Acts 10:46. He convicts us of our sins. He is with us in regeneration. He is with us in a greater measure in the Baptism of the Holy Ghost, and He will be with us in a still greater measure in the resurrection. He also is the great Comforter that God has sent into the world to comfort the hearts of His children (John 14:16). How many times when your heart has been broken and bleeding, as it were, and no one to comfort you, then and there the Holy Ghost breathes the blessed words of comfort into your innermost being until peace floods our entire being like a river. Oh how the entire human race needs this Comforter. The multiplied thousands in this land of ours that know nothing about this great comforter. Eternity also alone will reveal what He has been to the millions who have received Him. He knows how to comfort when others do not know. He sympathizes when others do not know how to sympathize. Truly He is a Comforter indeed. He is the greatest teacher this world has ever had (John 14:26). Some will say wasn't Jesus the greatest teacher the world ever had. Jesus could only teach one congregation at a time, but the Holy Ghost can teach every congregation in the world at the same time, if they will only let him. I praise God for the great men of God who are such wonderful teachers, but how many precious lessons the Holy Ghost has taught every honest heart. He teaches us some lessons that are beyond man's ability. Not only so, but He maketh intercession for us

with groanings which can not be uttered (Rom. 8:26). When we have prayed until we can pray no farther and yet there is something in our innermost being, we can't explain; it is then that the Holy Ghost takes charge of that unexpressed feeling for us and makes intercession to the Father with groanings that cannot be uttered. Can't you call to mind the time when alone with God that His Spirit would take charge of your spirit and groan and groan through you and all you could do would be to wait before God while the Spirit made intercessions with groanings that could not be uttered. If you have had that experience, you can say with me that it is most blessed to be thus in touch with God. Oh glory to God, for such a Comforter, and such a teacher and such an intercessor. The Holy Ghost is the third person of the Trinity, the one that the Father sent in the name of the Son, and the blessed one said He would abide with us forever. He is so precious to me just now. Pray for me that I may have more of Him in my life. Yours in Him.—O. C. Willins.
