ON EVERY SIDE DOORS ARE WIDE OPEN

In the purchase of the Pakhoi property we entered into a vast mission field in China that has open doors for the spread of the Gospel. In this great inland field there are thousands of people who have never heard of the Gospel or of the name of Jesus. And this is a field where there is a crying need for workers, young men and women who are willing to lay down their lives and follow the Master into these remote places where heathenism holds sway and carry the glad tidings of great joy. Concerning this field, Brother W. H. Turner, one of our splendid sacrificing missionaries says: "In the inland district about us (that is out side Pakhoi) there are hundreds of villages and thousands who have never heard of Jesus, much less believe upon Him. Here heathenism is supreme. There is nothing to hinder its work and horror. And its work is unspeakable. How could we describe it? In my travels it has been my privilege (indeed my sorrow) to look upon some of the work of heathenism in all its repulsiveness, horror and inhumanity! I have looked on with burning eyes and aching heart, acheing as if a knife had been driven there and yet I was powerless to help! We are glad to tell you, though we have no great revival to report, yet we have much encouragement. A man was just in to see me twice recently from three days journey inland and said definitely that he wished to come into the Church and requested us many times to come to his village and open a station. I have reports from two interior stations which indicate reasonable progress. Today I had a visitor, the hinterland, who was a member of the Mission before we came and he asked me to come and open work at Sai Cheung, his home town, of about 3,000 people which has no mission. I have just had news from Nomhong, 36 miles inland, in which friends there wish us to come to them once each month and preach for them. IN FACT, ON EVERY SIDE THE DOORS ARE WIDE OPEN. * * Long before you read this I will be on the road once more. The hot scorching summer is over and now it is cool once more and this is our time to work. Miss Payne is planning to spend several months (or at least two) at our Yanchow station short, days inland). Hundreds of thousands who have never heard the Gospel. Mrs. Turner will be left at home with our four boys and the responsibility of the work at Pakhoi, school and chapel. She too needs your prayers. * * * The people who we are trying to reach, in the most part, have never heard of Christ, and what few have heard know nothing about His saving power. Oh it is so hard for you in the home land to realize this. Also Brother Turner informs us that the three boys of the highest government officials south of Canton are students at our Mission School at Pakhoi. Surely golden opportunities are before us in this field. And the need for laborers is very urgent.

MAKING PROGRESS

We are glad to note the progress being made in the ranks of Pentecostal Holiness in many ways. A stepping forward that we have noticed lately is the determination of many "bands to build them houses of worship. As the years slip by and the modern theology seizing the world with the rapidity with which it is creeping into many of the nominal churches, the real saints of God will in a few years, if Jesus tarries, see the wisdom in thus providing them houses to worship in. And too, at the present time many have buildings rented that are entirely inadequate in the proper housing of the crowds attending our meetings. The church at Shawnee bought property and began to build. The Purcell Church is also in the midst of a campaign to build them a place of worship. The Ardmore church and the Norman church are also both contemplating building, and now we learn that Ada is likewise in the midst of a campaign to build them a house of worship. At Enid by the time this is in print, they will have had their first service in their splendid new church building, size 32x84 feet. The Seminole Church has built an addition to their building in order to accommodate the Sunday School and the crowds at their revival meetings. Okmulgee is in the class that are desiring to secure a better building in a more
The young folks at Norman have organized a "Willing Workers Band" and among their other activities they ordered tracts to distribute over the city of Norman. May God bless these precious young people in their commendable zeal for the Master.

That brings to our mind a great need in our ranks, and that is our young folks. Some of the most splendid young people in the country are in the Pentecostal Holiness ranks. Young people with good, bright experiences and a holy zeal for the Master. And then there are the host of young people that are nominally Pentecostal, that is, I mean, the young people that come from Pentecostal homes and that otherwise are coming practically altogether under the influence of Pentecostal meetings and teachings. There so should be, it seems to us, a special work amongst our young people. Many special efforts could be put forth that would help them in their Christian life, not only in keeping the victory, but in training them for service. Some few churches having seen this need are endeavoring in different ways to provide for these young people. What is your church doing for the young people, and what as a movement are we going to do in a special way for the young people.

As the Pentecostal Holiness movement enlarges many problems hitherto unthought of will confront us, that we must solve in some way. When we were small in number and mostly "old folks" at that, we could be "care-free" in a sense to many perplexing problems, but since we have so enlarged we must meet the pressing needs that are before us.

Possibly the General Conference so soon to meet will evolve some plan that will solve some of our problems, and especially put on foot some definite plan of assisting the young people.

A letter appreciated was from one of our fellow ministers in part as follows: "I so often think of you editors, and I never forget you in the hour of prayer." Trust that there are many others who remember us in their hour of prayer.

We appreciate the co-operation of the dear brothers and sisters of the ministry as well as the co-operation of the Saints in general.

Since writing the above a letter from a good friend at Wilson tells us of a splendid work among the young people at the Dillard church called the "Young People's League" that meets every Sunday afternoon. Thank God for these movements among the young people.

In a letter enclosing a remittance of $12.14 Foreign Mission money from the Dillard Sunday School, Brother C. E. Kennedy, the pastor, informs us that they have a fine Sunday School there now, and growing all the time. Brother and Sister Kennedy are consecrated workers and we are glad for the progress they are making in the Lord's work. Brother Kennedy recently suffered an attack of the hiccoughs, a malady that has been causing quite a bit of trouble in some localities. He had them for 64 hours and God delivered him, thank the Lord.

A meritorious service that we want to mention was that of Brother V. Pendley of Davis, Okla. Brother Pendley secured 20 subscriptions for the Pentecostal Holiness Faith. We indeed appreciate this splendid service and want to thank Brother Pendley for his co-operation and help. Numbers of others are staunch friends of the "Faith" and are aiding much in the circulation of the paper. May God bless them every one.

SUNDAY SCHOOL CONVENTION

Have you been thinking of the coming Sunday School Convention? By all means this should be well attended, and we trust that by next issue we will be able to announce definitely the time and place of the Convention. We would be very glad to get in touch with every Sunday School in our ranks. Drop us a post card telling something of your Sunday Scho. I. Will you do it?

Dierks, Ark.—A message of love to the Pentecostal Holiness Faith and to the evangelist, Mrs. C. E. Ston. I want to tell you all, the meeting held here fast August is still going on. We meet in cottage prayer meetings. The dear Lord meets with us and we have victory, praise the Lord. We will be glad to have Sister Ston with us again. May God bless your labors with many souls. I thank my God for the cleansing Blood that frees the heart from every stain. Glory, praise the Lord.

MRS. J. A. KNOLL

Bakersfield, Calif.—I want to thank and praise the Lord for saving us from a life of sin, and keeps us saved and on the way to glory. Praise His dear name. And keeps us all healed. I want all the praying people that read this to pray for my father. He is a cancer. Pray a special prayer for him. And the Lord will keep us going on and get closer to the Lord. Your brother and sister.

Arthur Snellgraves and Wife.
Reports From the Field

A letter from our good friend, J. A. Campbell, at Enid, informs us that their splendid new church is being finished. This church is 32 feet wide by 84 feet long with Sunday School rooms, etc. The building is a beauty and is located at 414 East Main Street, Enid, Okla., and we rejoice with them in this splendid home for Pentecostal people at Enid. They are expecting a feast of fat things on the Lca as they begin a revival meeting January 16 with Brother P. F. Beacham doing the preaching. Brother Beacham is president of the Holmes Bible Missionary Training Institute at Greenville, S. C., and is one of the best preachers we have ever heard. He is indeed a Bible scholar. The Enid folks extend an invitation for others to come and enjoy the good things of God in this meeting. Following this revival, Brother J. H. King, General Superintendent of the Pentecostal Holiness Church, will begin a meeting there beginning February 10. Brother Campbell says "we are looking for a wonderful time with the Lord." Brother and Sister Campbell are the pastors of this work at Enid and through their untiring efforts the church has been built.

Wewoka, Okla., Jan. 6.—I just closed a meeting at Burrow Sunday night. Preached there about 15 nights. The Lord blessed in many ways. I am at Limestone church with Brother Frank Clark in a revival. The Lord sure did bless in the service last night. The power fell while I was speaking and the Saints shouted and danced and talked in tongues. They shouted so, until I quit and let them have it. It sure was blessed to be there, glory to God for His goodness to the children of men.

M. L. DRYDEN

Pauls Valley, Okla., Jan. 1.—We finished our stay in Okmulgee and left many hungry hearts and came to Purcell where we stayed a week. Had a fine meet-

ing. One saved, two sanctified, and left the Church in fine working shape. We then came home for the first time since last August and only stayed a week and was called to Pauls Valley to help Brother Melton in a meeting here. The Lord is doing wonderful things for us here. People are confessing out their lives and getting right with God. Sister Tolbert came down from the City yesterday and preached last night. The altar was full of seekers. They got through. I shall stop here until the close of the meeting and finish my letter.

January 8.—Our meeting here has been a success. Eight have been saved, several sanctified and four got the Baptism of the Holy Ghost. There has been a deep work wrought among Christian people, some making public confessions and some private and a general cleaning up. The Lord is surely here with this people. I feel like going on. Sister Tolbert came down and preached some for us during the meeting. She is a blessed woman of God. Wife and I shall leave here for a meeting 5 miles northwest of Foster, beginning January 10th. Will be there for a week. Anyone desiring to write us can get us, Route 4, Pauls Valley. Asking the Saints to pray for us. Bless the Lord, my soul and all that is within me, bless His Holy name. Bless the Lord, O my soul and forget not all His benefits. Psalm 103, verses 1 and 2. Your brother and sister:

J. F. and C. F. HIVELEY

Ada, Okla., Jan. 13.—Greetings in Jesus name. I am still saved, sanctified, and Baptized with the Holy Ghost and fire. I am at Ada. I have been here one week. God surely is blessing here. Two have been saved so far and one sanctified. And the Church is surely moving on for God. The most beautiful Spirit of Liberality was manifested a few night ago, I believe I ever saw in the way of giving to God. When after the dismissal of the service they turned on me with a nice offering of $25.00 and then turned on their pastor, with a nice $25.00 offering also and from that they begin to pass a few dollars on to some good widows and other preachers and their wives until they had displayed about $65.00 in about thirty minutes, so it seems the hatchet handle and all was buried. I hope so any way. So God supplied them with means enough to commence building their new church, they are contemplating starting the building today. It will be 40 feet wide by 50 feet long and a very beautiful structure indeed. I am so glad to see Pentecostal Holiness folks get on fire for God and be not slothful in business but serving the Lord. They so much need a place to worship God in as well as in the spirit. I sure love the Saints at Ada and Brother E. M. Roberts, their pastor, is right on the job doing his part. It is a treat to be with Brother and Sister Roberts in their home and to feel the presence of God so great on account of their humility. I will go from here to the Ada District Quarterly Conference at Davis, and from there home at Pauls Valley for a few days. Please pray for me that I may know God's will and do it.

Your brother out and out for Christ.

Calvin, Okla., Jan. 9.—I am praising God for the sunshine in my soul today as it floods my very being with the glory of the dear Lord. Never felt the love of God sweeter and more glorious to me than it is now, as we are drawing nearer home every day, and I feel like traveling onward and upward. Sometimes our battles are hard to win, but thank the dear Lord He is able to deliver for which I am praising our soon coming King. I am real glad to report victory at Calvin, as the dear Saints seem to love and appreciate their pastor and his dear wife. I have been abundantly supplied in a financial way, and best of all the dear Saints took wife and myself by surprise January 5 and they commenced coming in and began to pound us with good

REVISION REPORT

The Second Pentecostal Holiness Church of Oklahoma City is in the midst of a good revival at the present time. Sister Tolbert, the pastor, is using local talent in the revival, among whom is Sister Sparks, a good worker for the Lord. We trust that the revival may grow until many may be brought into the fold.

REJ. P. PINKSTON RESIGNS

At the official board meeting December 31, the resignation of Rev. J. P. Pinkston as Assistant Superintendent of the Oklahoma Conference was accepted, he goes to Westville to take up his work there as District Evangelist for the East Oklahoma Conference. Brother Pinkston is a splendid man and a good preacher. We are sorry to have to give him up but our loss is another's gain. We pray God's blessing upon him in his new field of labor. Rev. O. C. Wilkins was elected Assistant Superintendent to fill out the unexpired term of Brother Pinkston. This work is not new to Brother Wilkins as he has held office before and was proven to be a good official member.

The board unanimously agreed that the Oklahoma Conference should pay tithes to the General Conference Treasurer so from now on this Conference is going to pay tithes. The board also agreed to pay half the expense of Rev. R. B. Beall to the general board meeting.

N. T. Morgan, Secy.

Ponca City, Okla.—We are still on victory side and moving on for God. God is working in the hearts of people here. I still feel in the will of God and that the Lord is pleased for me to be at this place. Not very many in the band, but they have all been loyal and true. For which I thank God. May God help us to never forget that love in the bond and unity of Spirit will ring the bells of heaven, and draw forth a blessing from Heaven that there will not be room enough to receive, praise God. I feel like traveling on. Yors under the Blood.

Kiowa, Okla., Jan. 4.—I just want to drop a note of praise for Jesus. I do love the Lord and lost souls. It is my whole hearts desire to see lost souls come to God, and I am wondering how they are going to hear the Gospel when the folks that have the words of life and fail to send it or carry it to them. You that have pledged $1.00 per month to send a District Evangelist into the neglected places of the Kiowa District don't forget that God heard you make that pledge. You felt that it was pleasing to God when you made it. Do you think He has changed His mind? I judge by you not sending it in that you do. By their fruits you shall know them. Come on, prove yourselves by sending in your pledges. Don't miss a month, for God knows when you do. Your brother in Christ.

J. D. MAHAFFEY
Box 401, Kiowa, Okla.

Westville, Okla., Jan. 10.—We praise God for old time salvation through the Blood of Jesus. I am now having a meeting in Watts, Okla. We have the City Hall. Please pray for the meeting, and pray for me. I am enjoying my work for the Master. This is a needy field and we must be in haste. Now, just a word here to the dear brothers in this conference especially to the Waggoner district. I am needing my car fixed so I can get to these needy places. It will cost about $50 or $60 to fix it up in good shape or as payment with my old one, on a new one. This is something I have never done before to ask for help, but I feel like doing this. I have never driven my car for a pleasure trip since I bought it, and I am using it to the glory of God alone. Now I do not want to be a burden to any one, but if you feel like sending me something on this line I will be glad to announce it. If you can't do anything just pray for me in this work. I will be glad to hear from any one by letter at any time. May God bless all is my prayer. Your brother in Jesus out for the lost.

J. P. PINKSTON

Seminole, Okla.—May God bless you all. We are moving along fine here at Seminole. We are building a new addition to our church here, 22x28. Our Sunday School has grown until we needed the room, and also we need it when we have a revival meeting. The Lord willing, we will have it completed by the time you read this. We have Brother E. D. Reeves of Roanoke, 'a., for a meeting beginning February 8. I am sure a number of you remember Brother Reeves. He did most of the preaching for our camp meeting here at Seminole three years ago last camp meeting. We are expecting a great meeting. We will be able to seat a large congregation. We invite all that want to hear this great preacher. Come praying and ready to do all you can in this meeting. If you can't one, pray for the meeting.

DAVE TROUTMAN, Pastor.

In a letter from Pastor Ollie Hudson of the Henryetta church she informs us of a splendid service they had the night before and that on Saturday night two back sliders were reclaimed. They have services on Thursday, Saturday and Sunday nights. They have organized a Sunday School and are also going to organize a Missionary Society.
things to eat, and it was a real pounding from Heaven, after which I read the 37th Psalm, that precious promise chapter. We all knelt in prayer and the dear Lord surely did bless our hearts. We had a real land slide from glory. Everybody who can come to our Quarterly Conference and Bible Conference at Calvin beginning January 23, lasting until February 1 are invited. Pray for us. As ever, your brother and sister in His glad service.

T. W. Vaughan and Wife, Pastor. Box 61

We just closed a few days meeting at Union Grove in Cleveland County. Quite a number are hungry for Pentecost and some few have received the Baptism and speak in tongues as the Spirit gave utterance. Thank the Lord. There are some good folks here and hungry for God.

DAN T. MUSE

Healdton, Okla., Jan. 12. — I held a week's meeting here at Healdton beginning December 31 and closing Jan 6. The Lord gave me a fairly good meeting. One soul got saved and the Saints were made to rejoice in His wonderful love. I haven' any place to hold any meetings now, and if anybody would like to have me for a revival I would be glad if you would write me, for I am getting anxious to be in another good revival. Pray that I will be a blessing in my Saviour's work. Your brother, one who stands for a clean Gospel.

REV. J. T. COPENHAVER

Okmulgee, Okla. — Praise the Lord for His goodness to us. We are well except wife who is sick, pray for her. We are moving along very nicely here with our work at Okmulgee. Pray that we may soon have a larger church in a more desirable place than the old building that is needing some repairing. The good Saints here are good to us and are trying to hold up our hands. They have been pounding us along once a week which is indeed a blessing to us. Pray that we may be worthy servants of all the blessings that we receive. We do want to be in His perfect will, and be faithful unto the end. I will say to all the churches of the East Oklahoma Conference who have not yet received any of the last Conference at Shawnee, please write me and let me know how many you need and the same will be sent to you. Your brother all for Jesus.

Chicago, Ill.—We are enjoying the blessing of God. Still saved, sanctified and filled with the sweet Holy Ghost, and expect to see the Lord face to face, if we are true to Him just a little while longer. Praise His sweet name. Your sister in Christ.

STELLA REEDER

Oklahoma City.—I want to praise God this morning for ever saving my soul and sanctifying me and filling me with the sweet Holy Ghost. O, praise His dear sweet name forever. I can feel His presence with me now, and want to do something for my dear Lord, because He has done so much for me. He has healed me of so many ailments, glory to His dear matchless name. Your sister in Christ.

MRS. MARY DAUGHERTY

Gowen, Okla.—I praise God for the Faith paper, which is food to my soul. Pray that I may do more for the Lord in this coming year. I have in the year that is closing. Wh hing you all a prosperous new year in the work of the Lord. Your sister in Christ.

MRS. WILLIE CAUDRON.
Is your life a blessing? Why not? At the conclusion of the earthy ministry of Jesus He could say, "I have FINISHED the work which thou gavest me to do." In order to do that it required days of ministration lasting into the night, and whole nights of prayer.

Suppose your earthly career comes to a close tonight—will your work be done?

Many, from various and sundry flimsy excuses, put off the real labor of their life until the shades of the evening time of their life draws near.

Many come to the close of their earthly journey with sorrow of heart—they have done so little.

"So teach us to number our days, that we may apply our hearts unto wisdom."—Psalm 90:12.

Let's shake off the spiritual lethargy—purge out the malaria of indolence and misunderstand God's will—and do it.

Russellville, Ark.—May God bless the one that sent me such a good little paper as the Pentecostal Holiness Faith. I sure do enjoy reading the paper, as I don't get to go to services on account of bad health. After I get through reading the paper I feel like I have been to services. It sure is good to my soul to read the testimonies of the other Saints. I want every Christian to pray that I may be healed. The doctor says I have the pellagra, but I know that it is not impossible with Jesus to heal a person. Pray much. The Lord's will be done and that I may be strengthened in the Lord and keep the perfect love of God in my heart that I may ever live humble at the foot of the cross, and that I may live in the center of God's will. Pray for my little girl. Her little hands look like she might be taking pellagra. Pray that the Lord will heal her. She is 10 years old. I am so glad this morning finds me saved. I praise God for His goodness to me. Pray that God will save my husband and children, that our home will be a home of prayer. Pray for my people that are unsaved. My heart's desire is to walk closer to Jesus and to do His blessed will in this world. May God bless every reader of the paper and the editor and family. Your sister in Christ.

LENA MASON

Allen, Okla.—I am truly glad to say that I love dear Jesus. He has sanctified me and also baptized me with the sweet Holy Ghost, and gave me the evidence of speaking in tongues. Oh, praise His dear name. Oh, yes, the 23rd of this month I was sick with neuralgia in my head and teeth and almost had pneumonia. I told my husband to get the Bible and read some and he did and we prayed and the blessed Lord healed me immediately, and so I got up dancing and talking in tongues and praising the Lord for His wonderful healing power. O, glory to His dear, sweet name. I just can't quit praising my blessed Saviour, He is so good to me. The Lord told me to go to a sister's home and pray for her. I went, and she had a high fever. I went in dancing and talking in tongues and laid my hands on her and prayed for her and the Lord healed her. O, glory to His name. I praise His dear name. Pray that I may ever hold out faithful unto the end. As ever, your happy sister in Jesus.

MRS. J. F. SHOOK

Jasper, Ark.—I am so wonderfully glad for what the Lord has done for me. I have had heart trouble for about 11 years, and the Holiness people prayed for me and the Lord has so wonderfully blessed me that I can never thank Him enough for what He has done for me. I pray for the Lord to bless C. E. Neukirchner for what he has done for this part of the world and it has been the happiest days of my life. We have spent the last dollar we had for medicine. But the Lord has so wonderfully blessed me. I found out that He has helped me more than medicine. There are so many people bedfast and dragging their lives away when the Lord is willing and ready to help us. The Lord knows that I wouldn't be back in that condition that I was in for all this world, for my life was no satisfaction to me. Your friend until Jesus comes or calls.

LELA BRISCOE

Cogar, Okla.—Glad this morning still finds me saved, sanctified and baptized with the Holy Ghost. I do love to mention all three as the full experience is all so real to me. It took all three to satisfy me, thank God forever. Justification, sanctification, and the blessed Baptism of the Holy Ghost. I am so glad for the straight way. That after we get in it and stay will safely land us safely home where we will know no more of the old enemy's deceptions. I feel like this morning that a few more hard battles to fight and victories to win and we can put off these corruptible bodies and put on our spiritual bodies and be ready to step upon the gold paved streets of that blessed city of the New Jerusalem, not to shed any more tears for God is going to wipe them all from our eyes and never let us weep any more. Thank God for these comforting thoughts. Glad that I am not looking for my reward here but at the end of the race and I sure do want to run the race with patience and make the landing sure. I am sending in my renewal. I don't want to miss a single copy as I do enjoy reading the good testimonies. May God bless you all.

MARY J. GARRISON

East Bakersfield, Cal.—I want to praise God for ever saving me from sin. Thank God because He keeps us from sin. We still have the blessing deep down in our souls. Enjoying salvation way out here where there never was a real Pentecostal sermon preached. I want to say a word to the real Pentecostal Holiness preachers, if there is one that can come to Bakersfield, Cal., for the cause of the Lord, to tell the precious lost souls what the Lord can do for them, for they are hungry souls here wanting the truth of God's word. Pray for the Lord to lay it on some one's heart to come out here for a meeting. Pray for us that the Lord will use us to His glory.

central location. Possibly others also are either building or contemplating building new church buildings. Praise the Lord for every step forward that we are taking.

Norman, Okla.—First I want to say thank God. I am still saved, sanctified and Baptized with the Holy Ghost and determined by the grace of God to see the end of a Christian life, praise the Lord. Next I want to say, thank God for the band of Saints we have here at Norman. It seems to me that in my experience as a minister I have never met a band of people so determined to fight the devil at every turn of the road. We are having six services a week, besides Sunday School, and God is blessing every one of them. We are having good crowds at our mid-week services and a packed house Saturday nights and Sundays. One night we started praise service and the power fell in the midst of it. On another night we had a great service and the power fell in the midst of it on one brother and in the midst of it another brother. The interpretation with it, and the other was given as soon as the Saints became quiet enough to hear it. Well, the following Sunday and Sunday nights were just old-time feasts. I want to say a word about our pastor, Brother Alvin Melvin. He is just a real Shepherd of the flock. May God keep on blessing him. We all love him. Amen. Saints pray for us at Norman. This is quite a large town and oh so much that needs to be done, so many souls drifting on to eternity in a devil's hell. Yours ever, A. L. FROST

Davis, Okla.—I am saved and sanctified, praise the Lord, and seeking for the Baptism of the Holy Ghost. Oh, how I praise the Lord for our church at Davis. We have built a new church and have about 28 members here. Have a fine Sunday School of about 45 regular attendance. Sure have a fine superintendent and we are so proud of the end of our pastor, Brother Henry Caves. We also have a few young folks who are trying to serve the Lord, and want to ask the prayers of the Saints for our young folks prayer meeting, praise the Lord. It seems so hard for young folks to keep saved, as the devil has so many ways to lead them back into the world, but praise the Lord I have been saved for nearly three years and today finds me with a greater determination to work for Jesus than ever before. I love Him better every day of my life and want to live closer to Him, and I earnestly desire the prayers of the Saints of God that I will ever be ready to do what the Lord wants me to do, praise the Lord. I have a father, a brother and a sister that are unsaved. Just mother and I are fighting the great battle of sin, so I want you Saints to help us pray for them that they might help us fight for Jesus. Your sister in Christ.

MISS PEARL TYNER

Norman, Okla.—Praise God for what He is doing for us here at Norman. Bro. Melvin just closed a meeting last night. It started Thanksgiving night. There were somewhere near 15 prayed through on different lines. Four received the Holy Ghost and spoke in other tongues as the Spirit gave utterance. There were 10 added to the Church, which makes a membership of 39. I am glad that God blesses the humble servants of His. The meeting closed with a high tide of victory and the altar was filled with earnest seekers. We have one of the best pastors in the State. We all love Bro. Melvin and his family. Always glad to see them come. Bro. Hatcher and Bro. Alvin Melvin also came into the Church with us Sunday night. We are sorry that the Church at Packingtont lost them, but proud of our gain. May God bless all the saints up there and send some one to take their place. I am glad the blessing holds good tonight. Your sister in His glad service, saved, sanctified and Baptized with the Holy Ghost.

SULIA ELLSWORTH

Waggoner, Okla.—I am praising God this evening for victory over sin. Praise the Lord forever. I feel that God has a work for me to do and want all the Saints to pray for me. It truly is wonderful what the Lord is doing here at Waggoner, Okla. I do praise God because He has brought me thus far. The way has seemed rough sometimes but God is still on the giving hand, glory to Jesus. I feel like going on until I meet the Blessed Saviour, glory to Jesus. We need the Lord more every day of our lives. I know that God has many spiritual blessings in store for His chosen people, glory to God. Sometimes it seems like Heaven is not far away. Praise the Lord. We will all have to stand before the Judgment bar of God some time or other, and the Lord give us grace to stand and do the Master's will, that is my heart's desire. Glory to God. Pray for me.

MISS VERA CLARK

Tipton, Okla.—I praise God for victory this morning, praise His dear name. I praise Him, for I know He has kept me from sin up to the present time, since He has saved me from sin, bless His name. Praise Him for the determination He gave me to see the end of this way, bless His dear name. I praise God for saving, sanctifying and Baptizing me with the Holy Ghost, praise His dear name. Your sister in Christ, looking for the soon coming of Jesus.

HELEN WEBER

Hayden, Ariz.—I feel joy and peace within my soul this morning. Glad that Jesus saves and keeps just now. Saints, pray for this place. There are only five or six Pentecostal folks here, except colored folks. But God can save folks in this wicked place the same as other wicked places. Pray that God will send some Pentecostal preacher to this place.
