Reports From the Field

The P. W. Shaver evangelistic party is now in Fort Worth, where they are holding an evangelistic campaign under their tabernacle. We received word from Bro. Shaver and he informs us that the prospects are fine for a meeting. This evangelistic party is composed of a fine band of workers and they have some very successful meetings. Bro. Shaver has good success in praying for the sick in his meetings. People of various and sundry ailments have been prayed for and found deliverance through the Blood of Jesus. In their last campaign at Shawnee there were some 10 saved, 8 sanctified and 6 received the Baptism of the Holy Ghost and spake in tongues as the Spirit gave utterance. Also there were some 40 healed through the prayer of faith. Some were indeed miraculous healings. We appreciate the good work being done by Bro. Shaver and party.

Too few ministers nowadays that will step out on God’s promises and pray for the sick as God has said. Bro. Shaver is a member of the Oklahoma City Pentecostal Holiness Church and we can recommend him to any city for a meeting. They have splendid music in their services and a large choir. Many wonderful healings have taken place in meetings.

We rejoice at the splendid meeting recently held at Hinton by Sisters Sallie Tolbert and S. M. Weatherford. Many, many sought the Lord and prayed through. In all about 53 definite experiences. Bro. R. B. Beall and some workers from the City went up on th last Sunday of the meeting and Bro. Beall baptized quite a number. A church of some 29 members was organized. Sister Tolbert is to pastor the work.

Enid, Okla., April 19—Greetings. The meeting here was a great success, the visible results were 23 saved, 19 sanctified and 11 received the Baptism of the Spirit according to Acts 2-4.

There were 27 received into the church, praise God.

To the churches and ministers of our Conferences, I can safely recommend our Bro. Burton A Hall as a safe and sane evangelist and he will help your church. Bro. Hall is capable and energetic in his work and rightly deserves all the praise we can give him for his consecrated work for Jesus, our coming King.

Calvin, Okla., April 13.—A few days ago over at Checotah and Shady Grove school house I held a six weeks meeting; in which the Lord sent down His wonderful power. Twenty-nine were saved through Jesus’ blood. Quite a number were seeking the Holy Ghost. One old man was saved who had been a member of the Baptist church for twenty years. This is a hungry field, also a new place, and there is a good opening for a P. H. church in Checotah. Their greatest desire is to be organized. Some of the people there are saints as pure as gold. These people treated me with all kindness and are highly in favor of holiness. They want me for another revival the 12th of July. Pray that many will go through on all lines in this revival. Your brother in the Master’s service until He calls for me to leave this home on earth to go to heaven beyond.

W. O. MCDONALD.

To the Faith family: We had a good meeting at Hazel; one saved, six sanctified and one baptized with the Holy Ghost. Some were healed. Sure are some pure gold there. Never was treated better anywhere. I mean to go back some time. Am now on my way to General Conference. Please pray for us to have a safe journey, and that we may be useful for the Lord in some way.

Yours in Jesus,

C. L. SMITH.

Niotaze, Kans., April 16.—I am praising God today for health and strength to serve Him. He has wonderfully blessed me in my work here. We organized here Feb. 27th, in a small room in a private house, where we had been holding meetings since the 11th day of January. April 12th, Easter Sunday, our tabernacle was dedicated. A large crowd present. Many members from South Coffeyville were present, also some from Coffeyville, Kansas, and some from Caney. Fifteen preachers were present. The dedication sermon was preached by Dan W. Evans, Superintend-
Brethren, we would very much like to keep in touch with your announcements of your meetings. Kindly drop us a card informing us of your meeting just held, and where your next meeting will be held. Don’t forget. Let’s make the list complete.

We are in receipt of another good-sized birthday offering for missionary purposes. This time it comes from the Pauls Valley church, sent in by the secretary, Miss Zealand Branum. The offering was $5.88 and is to be applied on the purchase of the Pak-hoi property on the Tong King Gulf in China. We are glad to note the many missionary offerings that are coming in each issue. We, as Pentecostal Holiness people, should be fully awake to our golden opportunities and our duties in this work. Every church ought to have a regular monthly missionary offering.

The Pentecostal Holiness Faith is owned and controlled by the Oklahoma Conference and the East Oklahoma Conference of the Pentecostal Holiness Church.

FOUR YEARS OLD

Praise the Lord. With this issue the Pentecostal Holiness Faith concludes the 4th year of its existence. Looking back over these past four years we indeed appreciate the many good things from God that we have received. It has been a privilege to help to pass on the blessings of God to others. We appreciate the cooperation of the saints, and ask for a continuation of the same, and let’s pray that God will enlarge the paper’s usefulness.

To any church, or new field wanting a revival meeting, if you will write us we will help you locate an evangelist for the occasion.

It is an inspiration to hear of the good revival meetings being conducted this spring. A great circle of prayer should be continually going up to God for this summer’s campaign that hundreds may be brought into the Kingdom.

We enjoyed a visit from Evangelist A. W. Smith and Bro. McConnell, of Checotah, on their return from a successful revival meeting campaign in western Oklahoma. They are splendid men.

We were impressed with the number of new workers and ministers to enter the Quarterly Conference at Norman last Saturday. Several entered with the expectation of becoming members of the Annual Conference at its session the latter part of August. W. W. Kirk, W. W. Manning, J. E. Stanka and J. T. Wright were recommended to the Annual Conference for preachers’ license. Other workers received into the Conference were M. W. Sullivan, A. D. Wood, Luke Wood, Elvie O’Connor and Ruth Riderous. May God bless these additions to our ranks for the spread of Pentecostal Holiness.

You are writing a Gospel,
A chapter each day,
By deeds that you do,
By words that you say.
Men read what you write,
Whether faithless or true.
Say! what is the Gospel
According to you?
Selected.

t of East Oklahoma Conference. Dinner was served on the ground. After noon services were held and Sister Ethel Griffin brought the message. The evening service was well attended. Bro. Evans again brought forth a fine message which was food for our souls. Monday a revival was started. Sister Ethel Griffin assisted the pastor in the service. Good interest is being taken and many under conviction. Pray for our little band of 14 members here that many more may be saved. Yours in the King's service.

ORA B. SHIVELY, Pastor.

The Wagoner church is to begin a revival meeting on May 4th. Bro. Dave Troutman is to do the preaching. Bro. Troutman is a good revivalist and Bro. Pinkston is a splendid pastor, and we bespeak for them a good meeting.

The Oklahoma City First Church enjoyed a treat one night last week when Evangelist Burton A. Hall and also the Shaver evangelistic party met here in a service. Bro. Shaver is a member of this church at Oklahoma City, and Bro. Hall is a former member, having recently transferred his membership to the Texas Conference.

Bro. A. W. Smith and Bro. McConnell, of Checotah, just finished a few weeks labor in the harvest field of the Lord last Sunday. They had been engaged in a meeting at Mt. View and from there they went to Gotebo, where they had a very successful meeting. God sent many refreshing showers. From Heaven upon the saints, and some sinners were saved, and believers sanctified and some few received the Baptism of the Holy Ghost and spake in tongues as the Spirit gave utterance according to the Bible pattern. One preacher that had been seeking the Baptism for seven years, received the Baptism of the Holy Ghost and spake in tongues. Many of the services were heavenly.

Porca City, Okla., April 27.—Our meeting has just come to a close and I can truly say that the Lord was with us, and in spite of the opposition that we had, God gave us the victory. There were about 22 in number prayed through to different experiences, eight in number going clear through to Pentecost. Sister Dodd and Sister Christy and Bro. King, of Enid, were with us and they supplied a blessing. May God bless them. Bro. Phipps joined us in the last half of the meeting. I can truly say that he is a man of God and has proved a blessing to us in many ways. I wish we had a thousand like him. We sure disliked to see him leave. The first Sunday night that he was here with us the house was full. There were three united with the church and also a number to be baptized in water. Pray for me and the work here. I get hungry to see all the saints, so when you are up this way don’t forget my home and keep it open for you.

Bro. A. B. Smith.

Hinton, Okla. April 19. — I am praising God this morning for victory over sin and the devil. The Lord is wonderfully blessing here at Hinton. Bro. Morrison and I started a meeting on Saturday, March 28, and the Lord began to bless in the first service. This is a new field. Pentecost had never been preached here before. On Monday Sister Weatherford came, and Tuesday Sister Tolbert came, and Sister Tolbert did most of the preaching, and she sure did some good preaching. The people took down her texts and references and went home and read for themselves, and came back and said she sure did preach the Bible. So people began to get saved. On Sunday, the 12th, Sister Tolbert organized a church of 13 members, and on Sunday, the 19th, had baptismal service, 16 being baptized in water. Bro. R. E. Beall, of Oklahoma City, did the baptizings.

Meeting closed Sunday night with an outpouring of the latter rain. There were 22 saved and 22 sanctified, four baptized with the Holy Ghost, and some healed, and several seem to be encouraged. The meeting closed with about 12 in the altar. We intend to do our best to keep the revival spirit going. Pray for us at Hinton. Still saved, sanctified, Comforter abides, and healed up to date, and looking for Jesus to come.

JOHN J. NANCE, Secy.

Mabank, Texas. April 20.—This morning finds me saved, sanctified and Comforter abides, for which I give God the praise. I preached twice yesterday. I preached in Montgomery, Ala., Friday, Saturday, Sunday before last. I am looking for Jesus to come. Pray for me.

J. M. TAYLOR.

Healdton, Okla., April 25.—This leaves me enjoying the blessing. We came from Lindsay, to Healdton, where I taught a singing school. Had a fine time and then preached a week and closed the meeting last night. There is a band of saints here that shall never forget, and one among as fine men for a pastor here as I ever met. K. E. Jolliff. He certainly knows how to treat an evangelist. We had a great time. Five saved, one reclaimed, two got sanctified. There was something out of the ordinary that took place last night at the close of the meeting. Bro. Jolliff took up a collection to get me a tent or a tabernacle. As the people came up to the altar to put what they gave on the Bible, the power of God fell and one old lady got saved and one reclaimed, and the saints shouted and danced all over the altar. Pray for us.

J. F. HIVELEY and

Pauls Valley, Okla. — I want to report the Blood still covers my soul. I have been in the Texas Conference doing some preaching. The Lord blessed. I held a week’s meeting at Walnut Bend, Weatherford, Texas. Had large crowds everywhere. I was with the Center Hill church for five services. Bro. G. W. Gaither.

Bro. Chas. J. Pipps was informing us Tuesday evening of the wonderful meeting at Ponca City. She and three workers were there from Enid when he arrived and folks were praying through, and the attendance was large and many people sought the Lord, and best of all, many went through to definite experiences. A good interest was manifested, and the church is greatly helped in the field and the pastor, a splendid man, is much encouraged.

The church at Gotebo has a new building and have recently conducted a successful meeting. The church building is 24x600, and is valued at $1,000.00. The Mt. God has undertaken in a wonderful way in the building of Pentecostal Holiness churches in this state and we rejoice to see it. We hope to publish soon a more complete account of the church building activity in our midst.

CAMP MEETING TIME!

We have just received definite announcement concerning the location of the East Oklahoma Conference camp-meeting. The camp-meeting is to be held at Okmulgee, Okla., August 14-23, 1925. The ministers in charge will be Bro. E. D. Reeves and Bro. J. H. King. Neither one of these ministers need very much of an introduction to our readers throughout this territory for they are both known as able exponents of the Bible. Following the camp-meeting will be the Conference. The meeting is to
be held in the Okmulgee Fair Grounds, and there will be plenty of shade, and room for wagons and teams. Gas, lights, water and baths furnished free. Begin now to make your preparations to attend.

Then on May 26 I begin a meeting at Dallas, Texas. Pray that these meetings will be a blessing and many souls get to God. From your little brother in Christ, one who stands for a clean Gospel.

pastor. Bro. Gaither sure preaches the Word straight to the church and they measure up to the plumbline. They are on fire for God. The young folks, I am delighted in them there at Center Hill. Bro. Gaither sure has a fine church and they love their pastor, too. Texas is an open field for Pentecost. I expect to go back again soon, the Lord willing. Pray for me that my faith fail not.

J. A. BLACKWOOD.

Vilonia, Ark.—We just held a two weeks Easter revival in the North McAlester Barnett Memorial M. E. Church, South. The attendance was the best in the history of the church. A considerable number of young people and children were converted. Many church members were reclaimed or converted, and an excellent elect lady, a young Mrs. Aston, received the Baptism with the Holy Ghost and fire and spoke in languages she had never learned in earthly schools, in a wonderful way. Uzah tried to steady the ark and Michael became angry at the shouting, but God got great victory, to whom be all the glory. I shall be open for calls for church, or camp meetings, after June 14. I now have three meetings ahead.

G. M. RYDER, Pastor Full Gospel Tabernacle, Morrelton, Ark.

Address: Vilonia, Ark.

Shawnee, Okla., April 26.—I want to write telling of the good meeting Bro. Shaver held for us here. The Lord wonderfully blessed in spite of the enemy. Sixteen saved, eight sanctified and five received the Holy Ghost. I believe Bro. Shaver to be a called man of God, a broad-minded man with a heart of love for every child of God and lost souls. Also his dear wife. They are worthy of your prayers, financial help any anything you can do for them. He has a good band of workers with him. Some where near 30 were healed in the meeting. I was healed myself of head and ear troubles that I had years, could hardly hear. And been bothered with for over 5 years, could hardly hear. And also heart trouble. But praise God I hear perfectly now, and my head does not bother me or my heart either. Also my little boy was healed and saved in the meeting. I sure thank God for sending Bro. Shaver and party to Shawnee.

MRS. A. H. HIGLEY, Sec.-Treas.

Atlanta, Ga., April 11, 1925.

DEAR BRO. MUSE:

It has been some time since I reported through the paper, but I still have the victory in my soul. The rest that I had in the winter has been a great help to me physically as well as spiritually. My health was better than it has been for 6 months. Praise the Lord. After my rest, when I used my voice the first few times I got very hoarse. A man said: "Sister Short, doesn't Christ live in you?" I said "yes." Then what have you got to fear?" Then I told the enemy that Christ was living in me. This was his temple and O, such victory as he gave me. Then the Words of Paul became so real to my heart. "Christ in you, the hope of glory." Praise His name for a singing school ... Hall with us Tuesday ... calls for a deeper consecration, night, April 21. He sure delivered a soul-thrilling message and we have followed up with some hard propositions sometimes which calls for a deeper consecration, but this morning as I sit here in my room, many miles away from home, instead of living lonely at this time I can hear the birds singing ... the sun never shined so bright. I can almost hear the voice of the Lord say, I have gone to prepare a mansion for you. O, hallelujah! I can say with Ruth, "entreat me not to leave thee nor from following after thee." We will follow "until the cities be wasted without inhabitants and the land be utterly desolate." Yea, Master, until "the Lord have removed man far away, and there be a forsaking in the midst of the land." Isa. 61:—, 13. When the light fails will we part from thee. No man can love as thou Lord. O Lord, only when thou as the bright and morning star ceaseth to shine, will we cease to follow thee. Only when thou as the Rose of Sharon's plain ceaseth from thy beauty, will we not fol-

low thee.

No, Lord, we love not these mortals or things of earth more than thee. O, we will love thee from the rising of the sun to the going down thereof.

Surely we know his way, the weariness, the pain, the temptations, the tongues and evil eye of the enemy. We know the judgment hall, the mocks, the taunts, the jeers and the mad, alarming cries of demons, the thorn crown, the purple role. We know His bearing of the Cross, the scourge, the nails and spear, yet we still and forever say, "Whether thou goest, I will go."

The way of man is death and despair, but the way of the Lord is life eternal, and peace like a mighty river, and love forever and ever.

O, I feel I could write for hours of His love, but shall stop here.

I am at this time in a meeting with Bro. Jones in the Atlanta church. Pray for an outpouring of the Spirit.

Yours for souls,

WILLA SHORT.

Healdton, Okla.—We have been having Bro. Hively with us for a singing school and he has been preaching since closing the school. The Lord has been blessing in giving out the Word. We were privileged to have our dear Bro. Hall with us Tuesday night, April 21. He surely delivered a soul-thrilling message and one precious young man was saved. We only wish Bro. Hall could have stayed longer. I know he would have proved a great blessing to this town, indeed. Your brother in Christ.

K. E. JOLLIEF.

NOTICE

Bro. C. E. Wilbourn, of Riveria, Calif. (formerly of Oklahoma), writes that the place where he is in California is a new field for Pentecost and he is anxious to purchase a tent to be used in spreading the Gospel. He asks for contributions to that end, and says that he will certainly return the money in case the tent is not purchased. He gives as references Bro. Dan W. Evans, as well as numerous other ministers who have known him. He will appreciate any help that you may give. Address him at Box 439, Riveria, Calif.
Sunday School Convention

The Sunday School convention held at Shawnee April 17-19 was indeed a success from many angles. The attendance was good, in fact, the largest out of town attendance we have had in our Sunday School conventions. The sessions were held in the large convention hall at Shawnee.

Reports were read and many discussions and thoughts for the benefit of the Sunday School were before the convention. Many of the talks were inspiring and helpful, carrying with them good practical suggestions. On Sunday a splendid program of music, etc., was rendered. At this convention it was deemed advisable by the body as a whole to dissolve the present State-wide Sunday School convention in order that the two Conferences might each organize a Sunday School association within their ranks, which is believed will make for greater success in the Sunday School work. It is understood also that these two Sunday School association leaders arrange for a State convention to meet every four years from the two bodies. The East Oklahoma Conference, upon the adjournment of the Convention, at once met and organized their Sunday School Association. The Oklahoma Conference to organize their association a little later.

GENERAL CONFERENCE

By the time most of our readers receive this issue of the Pentecostal Holiness Faith, our esteemed delegates to the General Conference will all be on their way to that august body. This is to be a great gathering of Spirit filled men and women, and is probably the most important gathering of the movement. Scores of Spirit filled saints will be there. Let us pray mightily for the hand of God to direct their thoughts and plans as they consult together in this great work. The following are expected to be in attendance from the Oklahoma Conference: Supt. S. E. Stark, General Board Member B. B. Beall, N. T. Morgan, C. Wilkins, Mrs. J. M. Colson, Mrs. Grace Henderson. Following are those expected to be present from the East Oklahoma Conference: Supt. Dan W. Evans, L. G. Chilcoat, (Arthur Williams, alternate), Dean Smith, C. L. Smith, M. L. Dryden and Lillie Smith. Following are those expected from the Texas Conference: Supt. F. M. Kidd, Burton A. Hall, Raymond R. Robinson. Pray for these, our representatives.

THE DEFENSE OF MONKEYS

I see in the papers that you human folks have up a hot argument on evolution, and I want you all to understand that we monkeys are interested in that. When it comes to bringing such awful charges against the noble monkey race as some of your scientists have done, it is time for us to speak up and defend ourselves.

A man by the name of Darwin made the statement that you can trace your ancestry back to us monkeys, and according to the latest information I have heard of, you are on the present day accept the Darwinian theory, and claim that the truth of it is too strong to be denied. Being an educated monkey, I have studied Darwin and his followers pretty carefully myself, and I admit they put up some very plausible arguments. Some of their statements are no doubt very convincing to the limited mentality of a mere human, but to the strong intellect of a monkey they are as flimsy as cobwebs.

And now, Mr. Editor, with your kind permission, I will proceed to give you the readers a few monkey reasons why the Darwinian theory cannot be true.

In the first place, monkeys are peaceable folks. We never invented gunpowder, submarines, poison gas and TNT.

We have never had a great world war among ourselves and butchered up and starved 20,000,000 monkeys just to humor the whims of half a dozen monkey kaisers. We have more sense than that.

We hardly ever get sick if we are let alone. It is only when taken captive and kept in your human society that we pine away and die prematurely. Therefore we have no use for doctors and drug stores, hospitals and hot water bottles. We have never had a lawsuit over a line fence, and we don’t need a great army of monkey lawyers to protect our personal interests from other monkeys.

We don’t drink our home “likker” or smoke cigars, chew tobacco or dip snuff. We have more self respect than to touch these nasty things.

We monkeys don’t have to make money in order to live. We don’t have to sweat in dirty factories, nor sit humped up all day counting column after column of foolish figures on paper. We know how to get along and live our lives in peace without so much bother, and I’ll bet five bushels of coconuts against your store teeth that we get more enjoyment out of life than you do.

If you men had half as much sense as monkeys, you surely could see that there is no blood relation between us. Our way of living is simple and satisfactory, while yours is very complicated and unsatisfactory. The differences are far greater than the resemblances, and therefore any attempt to prove a common origin is bound to end in failure.

We made our first trip to the new Valley View church at Easter time, and found a splendid attendance. This is a splendid new church building that the Lord has enabled them to put up in a beautiful location. The attendance at the services is good and we are expecting good results there. Bro. Hively is soon to take charge of the church. On Easter Sunday many were in attendance from other points. A number were present from Yale, and Sister Combs preached in the afternoon. Dinner was spread for all and a good time in the Lord was had. Some were blessed and shouted the victory.

Bro. E. Byus preached at night.

We are pleased to note an increased attendance at some of our Sunday Schools. On last Sunday the Oklahoma City church had an attendance of 255. And Gotebo church had a splendid attendance of 117.

Bro. W. M. Jones, pastor at Purell, informs us of victory at the church there, and that some have been praying through lately, several souls having been saved from sin.
THE SCHOOL PROPOSITION.

(By BURTON A. HALL)

Since writing my first article concerning a school, in the P. H. Faith, a month ago, I have thought and prayed not a little about the subject. Inasmuch as most of our people in the Middle-West live in the state of Oklahoma, it, at first, seemed but natural that the school should be located somewhere in that state. But after more mature thought three or four things dawned upon me. One was the fact that our work is rapidly spreading Southward and Westward. Within two years we will have established churches throughout Texas, Arizona and New Mexico; and some on the Pacific Coast. It is a distance of 750 miles from the Oklahoma state line to the Gulf in South Texas. It is about 1,000 miles from the same line to one of our denominational schools in Georgia. (A distance entirely too long for most of our Middle West students to go.) On the other hand a school located at Westminster would be only 35 miles from Oklahoma, and of course within easy reach. Another reason is the fact, of the students South and West that, although a school has been talked of in Oklahoma for more than ten years, the brethren of that state have not yet been able to agree as to where such a school should be located; some wanting it at one place and others another, and as a result every attempt to build such an institution has met with defeat. At first this seems wholly and entirely human, but I believe God has been in it all. For I do not believe there is a more unselfish and consecrated class of people on earth than the P. H. people of Oklahoma. God knew that He was going to give us this fertile and famous "Black Land" of North Texas. Those of us who would want to buy land here near the school can do so at reasonable prices. It is the best place for poor boys and girls to "work their way through school" that I have ever seen.

The large building is so constructed that all members of the faculty and their families could live in it, thus eliminating house rent. And I should like to add here, that I am also dreaming of an orphanage in connection with the school here. And too, there is ample room on the school grounds for a Camp Meeting site. Praise the Lord.

I have learned since coming home that there would be almost enough students for the college in this immediate community alone to pay for its being run. Glory to God.

I met with the trustees of the building last Friday night. Their price is $25,000, but I talked and pleaded until they are to have another session and consider a reduction. I am sure we can buy it for less than $20,000. A violent thunder storm last evening prevented my addressing a mass meeting of the citizens on the school proposition. Will speak some time this week. Let the brethren of the three Oklahoma and Texas Conferences get together on this work.

Yours, soul, body and money,
for a school.

REQUESTS FOR PRAYER.

The following urgent requests for prayer have been received: An unsaved man, Sam Scroggins, of Warner, Okla., asks prayer for his wife, who has become mentally deranged. Pray earnestly for this sister, who has had this sad misfortune happen to her. Also pray for this brother that God will save him.

Sister Bettie Orum, of Mansville, Okla., asks prayer in behalf of her 14-year-old son. He has lost his speech. Pray earnestly for this boy, and the restoration of his speech.

The writer started a meeting at Norman recently but on account of another meeting already going on only held three services and closed for a couple of weeks. Two received the Baptism of the Holy Ghost. The Norman church has some fine saints in it. Bro. A. E. Melvin is a good pastor.
