Camp Meeting Time!

Camp meeting time is fast approaching, and preparations are now in order. Begin to make your preparations and attend at least one of these great events. The Texas camp meeting will come first and is to be held at Gainesville, Texas, from July 29 to August 9. The next in order will be the East Oklahoma Conference camp meeting which is to be held at Okmulgee from Aug. 14 to 23. Then next comes the Oklahoma Conference camp meeting at Oklahoma City, Aug. 21 to 30. So far as we can guage in advance these will all be good camp meetings. A good array of ministers are engaged. For the Texas camp meeting at Gainesville, Rev. J. H. King and Rev. Burton A. Hall will be in charge. For the East Oklahoma Conference, Rev. E. D. Reeves and Rev. J. H. King will have charge. For the Oklahoma Conference camp at Oklahoma City, Rev. Paul F. Beacham and Rev. E. D. Reeves will have charge. You can not afford to miss this feast of good things.

TOUCH ME, GOD

Touch my lips
That they may speak
Messages from above;
Touch mine eyes
That they may see
The glories of Thy love.

Touch my feet
And make them swift
To bear the message far.
Touch my hands,
Make them clean,
Lest Thy work I mar.

Touch me God,
Body, soul,
This, my one desire.
Fill me,
Thril me, God,
With Thy heavenly fire.

—Burton A. Hall.

To Advance the Work.

There has been an opportunity presented itself to us to further the spread of the Gospel in South Africa. The brethren there have been handicapped in getting to the different stations, and congregations by the lack of convenient method of transportation. Now then we understand that a motorcycle will be worth a great deal to them in reaching the different congregations. It will enable them to spend time preaching where otherwise it would be taken up to a great extent by them walking. We are for these things that will facilitate the work on Mission fields. We have assumed the responsibility of raising the money to present these brethren a motorcycle. I would like to be able to present it to them as a gift from the West. Many of our folks are familiar with these two brethren who have consecrated their lives to carry the Gospel into Africa. I wonder how many people would like to have a part in helping to secure this motorcycle. How many would like to know that they have invested in enabling these dear ones to reach more hungry hearts with the Gospel. I am going to ask our readers pray and send in an offering on this. Send this offering direct to myself or the Pentecostal Holiness Faith and we will credit you with the amount through the columns of the paper, and will

So many hearts are becoming calloused, and so much formalism. But pray, pray for revivals this summer. The call of the Gospel is urgent and we should put forth every effort we can to reach people with the Truth. Every evangelist should plan as extensive a campaign this summer as possible for him to do so. Every layman should pray and give as much this summer toward the spread of the Gospel as is possible for him to do so.

WARNING

There is an individual, claiming to be a “crown prince,” etc., from India, going over the countries and preying upon Pentecostal bands especially it seems. He appears at service and “wants to give in his testimony.” We want to warn our readers to not permit him to speak in your church. In our estimation he is a fake and money given him is worse than thrown away. Beware of “slickers.” He has appeared at different places in Oklahoma and “got away” with some outlandish statements. Statements so utterly false than any saint should have detected them. Know who a person is before letting him in your pulpit.

“Hands full—too full to bear the Bread of Life to starving souls; eyes full—so full of the dross of earthly vision that they fail to see shepherds and multitudes; ears full—so full of the rattle and roar of commercialism that the voice of the Eternal in the night never reaches them; hearts full—so full of the world and its spirit that heathendom’s shivering nakedness wins no response, unless it be a shrug or a sneer. God help us! Does Gethsemane with its agony and bloody sweat, and the judgment hall, with its crown of thorns and scourge, and Calvary, with its cross and broken heart, mean no more to us than this? Are these but the symbols of a creed, or do they stand for a life to be lived out before men? Shall we forever crucify the Son of God afresh on the cross of our own convenience? God forbid!”—Ex.

WITHOUT ANY CHANCE?

God is very merciful, but He is just and righteous as well. When men disregard warning and treaty, then law steps in. I remember when I was living some years ago in Burnley, a woman—a very good woman she was—told her husband. who had always kept aloof from things religious, about a man whom they both knew very well, having just died very suddenly. The man remarked, “What a terrible thing, to be called away like that without any chance of getting ready!” And this woman could not help replying: “Without any chance of getting ready?” Why, he has had fifty-four years of chances!”—F. S. Kirkness, in the Sunday Circle.

Reports From the Field

Evangelist Chas. P. Phipps and Bro. and Sister Yarberry, workers from the Oklahoma City church, have been holding a meeting 8 1-2 miles southwest of Lawton. Bro. Phipps write: "Good crowd out Sunday night, and fine interest. A fine prospect for a meeting if the weather is fair."

The saints seemed on fire for God. Jero. Troutman, their pastor, having asked me downtown for that day. They have a splendid church there, and a good building, and they have also a parsonage, and this is almost entirely paid for. The saints seemed on fire for God and are moving on in their Christian experience. We did not arrive in time for Sunday School, however, we noticed on their record board that the attendance that day was 192. The service in the morning was splendid, and in the afternoon we went out to Liberty, about 5 1-2 miles north, where Bro. -McPherson has an appointment, where also we had a good service. At night at Seminole there was a large congregation. A treat indeed was the "flag drill" of the nations, and two or three other exercises that brought very forcibly to our minds the needs of heathen countries for the Gospel message. At night we talked on the Missionary work. The lightning and approaching rain greatly hindered this service, and we were forced to close. But we enjoyed the day and was glad to meet with this splendid church and be in their pastor’s home. After service at night we started for home in the rain, and made it through fine after driving through rain over slick roads.

Sulphur, Okla. May 7—Want to report that I still have the victory over sin and the devil, and still on the battlefield for Jesus. I am now in a meeting at Sulphur, where Bro. B V Pendley is pastor. I’ll tell you Bro. Pendley sure is on the job doing the duty of a pastor well. He has the work on his heart. There has been 2 saved and sanctified, one woman healed of pelagra and stomach trouble. I will be in Ardmore May 16th to 17th. Anyone desiring me for a meeting please write me.

J D Mahaffey
Pauls Valley, Okla.

Gotebo, Okla., May 7—I am praising God for His many blessings He bestows upon us each day. The Lord is wonderfully blessing here at Gotebo. Our meeting still going on, Bro. A W Smith and Bro, McConnell conducted the first 2 weeks and our pastor Sister Annie Carmack now has the meeting in charge. There has been 11 saved, 5 sanctified and 2 received the Baptism of the Holy Ghost. There are many hungry souls here, pray that God will continue to bless in the work here. Some of the Mt. View saints are helping us in the meeting. Your sister in Jesus.

Mrs. May Cox
Westville, Okla.—We praise the Lord today for old time salvation and for all His goodness to us in every way. He is our guide and also our healer, praise His name. How we love to serve Him. Bro. Haden Colvin and myself are holding a meeting in Watts, in the City Hall, just started the 5th and expect to go on as long as we feel it will please God. We are having good crowds and good attention, folks seem to love to hear the truth preached. We expect to go Ballard next, will hold this meeting under a brush arbor. We are expecting a great outpouring of the Spirit in both meetings, and ask the prayers of all God’s people that souls may be saved in these meetings.

J W Tullis

Evangelist Susie C. Forbis writes from Washington, Okla., under date of May 5th: “I started a meeting at Woody Chapel last night. We had a fine meeting near Mountain View. My next meeting will be a few miles from Civit.”

Evangelist Chas. J. Phipps held a meeting in the 2nd church, Oklahoma City, where Bro. Reece is pastor. There were not many professions, but Bro. Phipps hewed to the line in giving out the Truth.

Payson, Okla., May 12.—I want to praise God for His love to the children of men. He is good to us. We have started our church building. We are moving along nicely. God has enabled us to raise money enough to build it, except $100.00. But I am sure we will get this by the time we finish the building. We have some fine people here that love God. I sure love our church. They stand for straight Bible truths, and a clean church. We love each other and God is blessing our labors here. Our church building will be 30x40. We have a fine Sunday School. All the teachers are filled with the Holy Ghost. We love the people here. Pray for us here while we live a life of sacrifice here that we may do the work God has laid out for us here. And that we may bear our cross with a smile. May God bless you all is my prayer. Yours in His service under the Blood, seeking the lost until Jesus comes or calls.

Stecker, Okla., May 11.—As I haven’t wrote to the paper in some time I will write about the good meeting the Lord gave us at Bethel church, where Sister Josie Williams is pastor. The Lord gave us somewhere between 15 and 20 that got saved, and 7 or 8 got sanctified. The saints do know how to help pull. May God bless them for their kindness to us there. They gave us about $96.00. I am at

Camp Meeting, August 21-30, 1925. Ministers Paul F. Beacham and E. D. Reeves.

Mt. Park District will meet with the Gotebo church, May 29-31.

Evangelist O C Wilkins is to begin a meeting at Holland, Mo. Sunday May 17. And from there he goes to Coffeyville, Kans., for a meeting. Evangelist Susie C Forbis began a meeting at Orlando, Civiit.

Evangelist T. E. and Lela Rhea began a meeting at Orlando, Civit.

The following churches and delegates reported, Enid church, Mrs. Roy Sibley, Pleasant Valley Chas., Caldwell; Ponca City, Okeene, Clinton, El Reno and Reeding. The Enid church was in the midst of a great revival being held by Rev. Burton Hall of the Texas Conference. It was truly wonderful how God was moving on hearts of both saint and sinner. Those that knew God were made to see their privilege in Christ and to hunger and thirst after deeper things of God. Sinners and professors of religion that knew not God, sat and listened to the Bible truths as Bro. Hall so forcibly presented them awakened to find themselves lost and on their road to a devil's hell. Some of the saints felt their call to the great harvest field and began to say as the prophet of old "Here am I Lord, send me" or thus seemed, for as an opportunity was given Mrs. Mary Dodd, Mrs. Mary J Davis, Mrs. Cora E Brown, Mrs. Rose Baldwin, Mrs. Ruth Christy and James Keith presented themselves for Mission Workers license which were granted them. Bro. Hall was granted a seat in the Conference. The need of a district evangelist and singers was discussed. The Conference by a unanimous vote decided the church could not afford to do without the Quarterly Conference.

Bartlett, Tex. April 30—This morning finds me well saved through the Blood of Jesus and the Comforter abides, looking for Jesus to come soon. I expect to preach in Texas this summer.

present at Stecker, Okla. I have been here two weeks. There has been about two saved. This is a hard place. We were going to have a dinner on the ground and a baptizing Sunday, May 10, but it rained us out of service all day. My next meeting will be near Hammon, Okla., where Bro. Walter Mooney lives. The meeting begins May 16th. Pray for us. May God bless the Faith readers. Your brother for the lost.

C. E. NEUKIRCHNER.
Home Address, Stratford, Okla.

Ardmore, Okla., May 12.—I want to sound a note of praise for the King of Glory. He has redeemed my soul from sin. I am with the Ardmore church in a meeting. The weather has been bad, but the Lord has been in every service. The people at this church are moving out for God. They have the real blessing of Pentecost. Pray for me that I will be a success for the Lord.

J. A. BLACKWOOD.
No. 417 N. Cherry, Pauls Valley, Okla.

Lebanon, Okla., May 11.—We are out here in another battle for King Jesus. We had a real heart-searching time yesterday. The dear Lord sent down His Wonderful power and sinners were weeping and crying over their lost condition. Pray much for us out there that God will save souls, and make us a blessing to the world wherever we go. Bro. Sebourn Posey and his daughter are with me. He is a blessed man of God. We are on the field all the time. Our next meeting will be at Woodville, and they want us for a meeting in Lebanon. We are now out in the country at Powell school house. Your brother all out for Jesus. Expect by His grace to make heaven my home.

W. O. McDONALD.

The writer, together with other workers from the City, have been engaged in a meeting at the Norman church, where Bro. Melvin is pastor. The meeting has been handicapped some by weather conditions. Some two saved, and one of these went on and received the Baptism. Three received the Baptism of the Holy Ghost.

Bro. W. R. Maxwell is now living in Francis, Okla., and has organized a Sunday School and opened up a mission with prayer meeting Tuesday and Saturday nights. They are badly in need of some Sunday School literature, and will appreciate any Sunday School literature, any surplus they have, as Bro. Maxwell can not secure literature from Bro. Taylor until the 3rd quarter.

Orlando, Okla. May 8—Dear ones in the Lord. I am very glad to announce to you all that I entered into the firing line again. I am to begin a meeting in the town of Orlando the 9th of May. It will be a hard battle as Pentecost has never been preached here before and I am all alone, but the Lord is very nigh to me and has opened the way. I heartily invite any workers or ministers to stop in and give me a lift. But above all remember me in your prayers as I am expecting to stay all summer in evangelistic work. I will be glad to receive calls from anywhere. Determined to be an overcomer. Your brother in the Lord.

JOHN SONDEREGERG
Care of Oscar Long, Orlando, Okla. R R 1.

Newlin, Texas—Glad to report victory in my soul, saved, sanctified and the Holy Ghost abides. Praise His dear name. Have been attending a revival here at a County school house, the pastor doing the preaching. He sure did preach the word straight and clean. There are a few holiness people scattered over west Texas. Sure do need a preacher that will preach God's word to hold a revival here, people out here don't know what real Pentecost is. Pray for me that I will stand true to God and do His blessed will. Your sister in Christ.

MRS. ADA HAMLEY

GOD HEARS AND ANSWERS PRAYER

Hickory, Okla. May 4—We have been having some real live services here of late. Dallas Hays, a son of Sister Hays of this place, was greatly afflicted with high blood pressure, one of the best doctors in Ada said there was no chance for his recovery after he had spent his last dollar in a hospital. Sister Hays called the saints together to pray for his healing. We anointed him with oil in accordance with James 5:13-15, and he was completely healed and is now working. This great event is the talk of this community.

REQUESTS FOR PRAYER.

Wagoner, Okla.—I am writing a request for prayer for my father, Mr. N. N. Grant. He has a cancer of the stomach and is now in the sanitarium at Wagoner. Was operated on Monday and the doctors say he can't live over one or two months longer. But I know the Lord has power to heal and he seems to have a lot of faith in God. Pray earnestly for him. He is a true Christian and member of the Methodist church for 30 years and says he is ready to die.

MISS ADDIE GRANT.

Barksdale, Texas.—I want to praise God this morning for saving me and sanctifying me and filling me with the sweet Holy Ghost. Oh praise His matchless name forever. I can feel His presence with me now. And want to do something for my dear Lord, for He has done so much for me. He has healed me so many times, O glory to His name. Pray for me that I may know His will and do it.

MRS. E. C. EVANS.
THE PENTECOSTAL HOLINESS FAITH

Marlow, Okla.—This evening finds me o n the Lord's side, saved, sanctified and the sweet Holy Ghost abides, praise the Lord. Glad that I ever found the way of Holiness, for it just suits me. I am glad the Word says if we have respect of persons we sin. I am glad that I love everybody. Glad to live a holy life we have to live straight and clean, praise the Lord. We might claim holiness and live dirty lives, but I thank God the Word says: "Be sure your sin will find you out." And it will, too. Shame on holiness mothers who will dress their children up like some of them do and bob their hair, and then some of them preach holiness. The Word says to bring them up in the way you would have them go and when they are old they will not depart from it. So you see they are bringing them up like they want them to go. I don't blame the girls or children at all, but I just thank God because He opened my eyes and I quit the thing. "Well, more place for good work to be done, and that we need a Pentecostal work started here. So far I haven't found a Pentecostal person here, and hope to know that we will soon have a deep minister here in the work. I had the pleasure of meeting Bro. and Sister Kineaid and Bro. Smith of Okmulgee, in December at Rocky Hill and heard some wonderful sermons. I also met Bro. and Sister Burns at Okemah last fall. I hope to meet some of them again soon and be in a real revival again as I am now ready to join this holy band. I give God the praise, and thanks to Jesus also for the revival in my soul today. Saved, sanctified and baptized with the Holy Ghost and a believer in His wonderful healing power.

MRS. C. M. PATTON.

Bowling Green, Ky.—Please send me your paper, the Pentecostal Faith. Please send one that is good for my son. Oh, I want him to soon find the Lord. I went to the Pentecostal meeting while out in Oklahoma and was sanctified. Got a wonderful blessing. Praise the Lord. Pray for me that I will soon get the Baptism. I want the old-time religion. Do hope you will send a good Pentecostal preacher out here this summer, for Bowling Green needs one badly, one full of the Pentecostal fire. I believe if there was one Pentecostal meeting here my son would soon be a changed man as well as others. We sure need a real stir-up meeting. Praise the Lord. Please send a good preacher here with some good workers. Your sister in Christ.

RENA E. THOMAS.

Gainsville, Texas.—We have had another hard battle against the forces of darkness here, was forced to close our Mission. I am praising God this afternoon for the love that is flooding my soul, glory. I feel like going on and having the Holy Ghost and a glasses, and being a believer in His wonderful healing power.

MRS. OLLIE WILLIAMS.

Mounds, Okla.—I am sending in my renewal for the Pentecostal Faith as I do not want to be without the wonderful Gospel news it brings to me. I have missed all issues since Jan. 1 and am so anxious to get my paper started again. I moved from Okmulgee to Mounds Jan. 16, and haven't heard a Pentecostal sermon since. I have been here and you all know earnestly we faith-seekers are to hear deep Gospel preached. I have heard one Missionary Baptist preached here and will say I believe this is one more place for good work to be done, and that we need a Pentecostal work started here. So far...

Lindsay, Okla.—Greetings in Jesus dear name. This morning finds me saved from sin and sinning and on my way to Heaven. Praise God I feel more like going on and fighting the battle for Jesus than ever before. I am just so glad for this wonderful salvation that keeps us free from sin, glory to Jesus. I truly praise God for the Pentecostal Holiness church in Lindsay. I mean to stand true till Jesus comes or calls for me. Pray for me that I will get the full experience of the Lord and pray for my loved ones that are out in sin. Your sister in Christ.

Norman, Okla.—I want to praise God for victory through the Blood of Jesus. Thank God for the gift of His Son. I want to praise God also for our little church at Norman. We have been having some good services here, although our pastor has been absent for three weeks on account of Sister Melvin getting hurt in an automobile accident. The Lord was with us yesterday. We all love Bro. Melvin and his family. We would be glad if he could move to Norman and be with us all the time. Besides Bro. Melvin being absent, also Sisters Wright and Miller and Bro. Manning have all been absent. They have been holding a meeting at Pahoi. Your sister in Christ.

also send the list to the brethren over there. A good motorcycle can be secured for them. In fact, there is one already offered to them at a greatly reduced price. Three hundred dollars will pay for it, side car and all. It will be used by Bros. John W. Brooks and D. D. Freeman in their work there. Below we give you an extract of a personal letter that is worthy of your time to read:

A GREAT WORK

Krugerdorp, Transvaal, South Africa.—** To give you an idea of how bad we need a machine of this kind (motorcycle) I will give you an outline of one Sunday's work. The other Sunday I left the house at five-thirty and walked two miles to catch the train. I rode the train for twenty miles, got off and walked about another mile to where we were going to have services. I had three services at this place. Then I walked back to the train and rode about 5 miles to another place. I walked two miles to the church. Had service in the church then I walked back to the station which is two miles. Then I caught the train and went about 15 miles to another place. This was a new place. Understand everywhere I go I have to take my interpreter. When I go on the train I have to pay his fare, which is very expensive. When I got to this place the natives were having a dance. I took up my cornet and began to play "Onward, Christian Soldiers." The natives quit dancing and came and sat down on the ground in front of me. I wish I could picture this scene to you. Out in the front of me were numbers of natives. The power of God began to fall before I got through preaching. I quit preaching and give an altar call. Some came up to be prayed for while others knelt on the ground. I have never heard in my life such pleading and seeking God.

It seemed like the whole compound was going to pray through to victory. I don't know what would have happened if the police had not come to see what was the matter. The officers beat the poor natives if they find them doing the last thing wrong. So when the officers came the natives got scared and got their mind off the Lord. I might say that every one that came to the altar prayed through to victory. I do not know how many more got through that did not come up for prayer. I have not had the privilege of preaching at this place but twice, and every time I have a service some are saved.

At present I have eighteen members at this place. I have not organized there yet, but expect to in the near future, D. V. I walked back to the station after this service and caught the train for home. When I got back to the station I had to walk two miles home. I reached home at eleven o'clock that night.

Set down now and send in an offering to help purchase a motorcycle for these two brethren. Do not take this from any of your regular missionary offerings, but let this be an extra offering.

MY CHURCH

My church is where the Word of God is preached, the power of God is felt, the Spirit of God is manifested, the love of God is revealed, and the unity of God is perceived.

It is the home of my soul, the altar of my devotions, the hearth of my faith, the center of my affections, and the foretaste of heaven.

I have united with it in solemn covenant, pledging myself to attend its services, to pray for its members, to give to its support, and to obey its laws.

It claims the first place in my heart, the highest place in mind, the principal place in my activities, and its unity, peace and progress concern my life in this world and that which is to come.

I owe it my zeal, my benevolence, and my prayers. When I neglect its services, I injure its good name, I lessen its power, I discourage its members, and I chill my own soul.

I have solemnly promised in the sight of God and men to advance its interests by faithful attendance, by reading the Holy Bible, by never neglecting its ordinances, by contributing to its support, by incurring with my fellow members, by watching over their welfare and by joining with them in prayer, praise, and service; and that promise I this day renew, before God my Father, Christ my Redeemer, and the Holy Ghost my Sanctifier.—John Bunyan Smith.

Tecumsch, Okla.—Please renew my subscription for the Holiness paper as it is food to my soul, praise the Lord. Those letters from Africa are fine. How I thank the dear Lord He is blessing them, helping others to give the true way of holiness. I am still enjoying victory in my soul and the full experience of Pentecost. I was a church member about 12 years. I want to say when I received the full experience of Pentecost that I do know the Lord, and by the help of the Lord I expect to shout the glad tidings throughout eternity, where the Lord gives us a crown that fades not away. Everything will be perfect in heaven, where we will meet our dear friends to shout for evermore. May the Lord bless all the true workers for Him is my prayer. Pray for me when it goes well with you, as I want to be just what the Lord wants me to be. Your sister under the Blood.

Stringtown, Okla.—I want to praise God today for the way He is working on the people here. We are having good interest in our cottage prayer meetings, and the people are getting interested in having church and Sunday School. We are trusting that the Lord will open up a way for us to have a house. If any one knows where Sam Slaughter is, please write and let me know at once for Joe Slaughter, his son, is here now at Stringtown. He has been hunting for his father for a year. He said that he was raised to hate his father. He hasn't seen his father since he was 5 years old. He says he is a Christian man now and he wants to find his father. He says that he heard that his father is now a preacher. I am still praising God for the full experience of Pentecost. Glory to God.
