HIS APPOINTMENT.

Dear Brethren and Sisters of the Faith Family:

"All things work together for good to them that love the Lord."
"I will never leave thee nor forsake thee." "For whom the Lord loveth He chasteneth and scourgeth every son whom He receiveth. If ye endure chastening God dealeth with you as with sons."

Well, praise the Lord, our disappointments are His appointments. How long and hard I worked, prayed and planned for the Mid-Winter Bible Conference at our new school, which has just closed. I tried and believe I did secure great lecturers who could, I am sure did bless our people who attended this conference. I remained on the field, going through snow and ice lecturing for the school until I just barely had time to run down home and spend two nights with mother, expecting then to return to Checotah for the long looked-for conference. Had also planned to take with me the costumes I brought from Jerusalem so I could dress up five or six people one night during the conference and show our dear people how people dress and live in the Holy Land. Packed my trunk and took it to the depot in the afternoon before I was to start next morning. But, lo and behold, before next morning I was sick, very sick. My fever one hundred and four, every bone in my tired body aching and throbbing with pain. Two days later acute pneumonia set up. A doctor was summoned by my brother, he urged me to go to a hospital at once but I refused (I had rather have my old-fashioned mother with me in sickness than an nurse). The doctor despaired of my life. In the meantime I had sent telegrams to the conference asking for prayers. Thank God, those prayers were answered and I began to improve. Am now able to sit up about all day and am gaining strength rapidly.

Of course, my heart longed and yearned to be at the conference. But I have learned to say from my heart, "Thy will and not my will be done." It required years for me to reach this point. Years of trials and sufferings; but thank the Lord it saves me so much worry.

Letters of sympathy and love poured in from the school and from every direction. Oh, how I love those letters—those words from pure, sanctified hearts. God bless all my brethren and sisters in Christ. To me this earth would indeed be a barren wilderness were it not for the fellowship of the saints. We do not have in our ranks many wealthy or many wise, but praise the Lord we have as clean a bunch as God's sun shines on. I'm glad Jesus did not say, "Blessed are the poor in head but pure in heart." Some of us do not have much brains but we have a clean, sanctified heart.

Now, I tell you truly, there has not been one bit of resentment or grumbling in my heart. Of course.

THE PROMISE OF THE FATHER, OR THIS IS THAT.
The Promise of the Father or "This Is That" a splendid new book by Rev. Burton A Hall, who received the Baptism of the Holy Ghost at the Shawnee Camp Meeting in 1924, is now ready for delivery. This book contains 15 chapters beginning with "The Lost Gospel" and concluding with Bro. Hall's personal experience. In this book he has one chapter on "The Sign of Tongues" and another on the "Gift of Tongues" and also one on "Do all speak with Tongues?". This book is only 50 cents per copy post paid, and should be in the hands of all Pentecostal people. It will be good to buy one and pass it around amongst your neighbors and let them read it. Order from Dan T Muse Box 762 Oklahoma City, Okla.

NOTICE to the Kansas Conference of the Pentecostal Holiness Church:
There will be a Quarterly Conference conducted at Niotaze Church, April 2-4.

Devotional service Friday night and business session Saturday, 2 P. M. All pastors, evangelists, and mission workers are expected to be present; also each church will be expected to send a delegate.

Please come prepared to stay over Sunday. We can make this a real spiritual feast if we will.

Yours in Christ,
B. R. DEAN,
Conf. Supt.

P. S.—The Conference Official Board members are hereby notified to be present for a Board meeting at Niotaze, Saturday, April 3, 9:00 A. M.

The Third Quarterly Conference of the Texas Conference, will meet with the Woodville Church April 2-4. Both districts are combined for this meeting. Let all churches and preachers report by letter or in person.

F M Kopp, Supt.

Evangelist J M Taylor and Ernie Taylor and party held a successful ten-day meeting at Montgomery, Ala. Ten saved. They are now in Texas, intending to hold a meeting at Mabank and Dallas. They have a Gospel tent. Bro. J M Taylor writes that Ernie is doing some good preaching. They are open for calls any where in Oklahoma, Texas or Arkansas.

We certainly appreciate the effort put forth by Bro. Dave Troutman, pastor of the Seminole church, in securing subscriptions for the Pentecostal Holiness Faith. A few days ago we received a list of 20 subscriptions that he had secured for the paper down there. God bless you, Bro. Dave. I wish our other pastors and evangelists would respond in the same way. Probably a little bit of your part may mean a number of subscriptions for the Faith. The Faith should be widely circulated throughout this part of the country.
Evangelist O. C. Wilkins held a week's meeting at the Oklahoma City Second Church.

Supt. Dan W. Evans, of the East Oklahoma Conference, has been engaged in a series of lectures on Revelation at Calvin.

Rev. J. T. Copenhaver has resigned as pastor at Whitesboro, and is now engaged in evangelistic work again. He was to begin a meeting at Henrietta, Texas, March 12.

Evangelist T. J. Collier is engaged in a meeting at Lookeba.

Evangelist T. J. Collier is engaged in a meeting at Lookeba.

Oklahoma City, March 8.

I am sure some readers of the Faith will be glad to hear of our good meeting. Bro. Sawgalsky did some fine preaching. Everyone, saint and sinner, liked to hear him. There was quite a number saved, several sanctified, and one received the Baptism of the Holy Ghost and eleven joined the church. The whole church gave Bro. Sawgalsky a hearty invitation back. Pray for us over here. We are doing our best.

Yours in Jesus,

MRS. C. E. STONE,

Pastor.

A revival began March 7 at the First Pentecostal Holiness church of Oklahoma City with Evangelist Willa Short in charge. The beginning services have been well attended. A goodly number have been coming to the altar each service. Several have been saved, a few sanctified, and two received the Holy Ghost. There have been good results in the healing services connected with the revival. We are expecting God to give us a gracious revival before the meeting comes to a close. The prayers of the Christians are solicited for this revival.

Muskogee, Okla.

We have had a good meeting. Dan W. Evans with us for the past two weeks lecturing on Revelations, which was a feast to all who attended the services. God wonderfully blessed, gave us 12 souls born into the Kingdom of God and left a good interest in the meeting. God is wonderfully blessing us here. I desire the prayers from all the churches. We have the devil on the run and we want to keep him that way. Thank God for victory through the blood of Jesus.

Z. N. TATUM.

A good meeting has been in progress at the Barnes church. The attendance has been very large. Some have prayed through. So far one saved and two sanctified and five have received the Baptism of the Holy Ghost and spake in tongues as the Spirit gave utterance. Several are seeking the Baptism. Among those receiving the Baptism was a mother in Israel about 70 years old. Two men, past 70 years old are seeking the Baptism. Have been having some splendid services.

DAN T. MUSE.

Caddo, Okla., March 11.—In regard to the work at Caddo, the Lord is still blessing in a wonderful way. Crowds are very large at our ordinary services. We have a large wooden tabernacle 40x60 and most every seat was full Sunday night. One sister received the Baptism Saturday night at the church about 12 o'clock and God continued to bless until after 1:00. We are trusting God for great things here. The Lord willing, we will begin a meeting here March 20. Bro. McDonald will do the preaching. We are expecting a wonderful feast from the Lord. Pray God's blessings upon us.

Yours in Him,

A. F. GREENE.

For months this precious Scripture has been such inspiration to me: "Unto him who hath loved us and washed us from our sins in His own blood and hath made us kings and priests unto God and His father, to Him be glory and dominion for ever and ever."—Rev. 1, 5-6. The meeting in Wagoner with Bro. and Sister Pinkston was good. The Lord blessed us with excellent attendance and a blessed spirit. I believe there was perfect unity. I do not know how many were saved and sanctified. One received the baptism.

The dear people entertained us beautifully. I never ate such meals as were prepared by the good women. There were seventeen unsaved in the altar the last night and several were saved. Sister Henderson was with me and is always such an inspiration and blessing in prayer. Bro. Hart of Bartlesville was there to play his cornet and that was enjoyed by all. May God bless dear Sister and Brother Pinkston in the labor of love for the Master.

We are now in a meeting at one... God is blessing... Praise Him.

Yours in Him,

WILLA SHORT.

Hammon, Okla., March 8.

Praise the Lord for victory over sin and the devil. We closed the meeting at Herring, Okla., last night, March 7. I have been out here for a month. The Lord has given us several souls. We organized a church Sunday evening with fifteen members. Praise the Lord. There are several others expected to come in.

I am now on my way home for a few days and then will be at Ponca City, Okla., where Bro. Martin Sturgis is to begin a meeting March 20. Pray for us.

Bro. J. W. Mooney and his good wife live out close to Hammon. They invited me to come. They sure did stay under the burden of the meetings and other saints that helped in the meeting. May God bless them for their kindness to me. I was never treated better. Other places out here are calling for help. The harvest is truly white. I want to be found on the battlefield when Je-

As I have been visiting the Clinton Church and some others in that vicinity, I want to thank God for the way He has undertaken in the way of church buildings. As the Hinton church has greatly hindered in their progress by having no buildings in which to worship, they have purchased a school building and have moved it into town. They now have it ready for services. I am sure the Lord is going to bless there.

Also the Clinton church has only had a very small place in which to worship, which was purchased some time ago, but now they have purchased the Primitive Holiness property, which includes a good sized church, parsonage and other buildings. They now have a desirable place of worship with plenty of room. I see better prospects for the Clinton church than ever before, so let us all pray that God will bless there, and that many souls will find the Lord.

This morning I was on victory side. Praise God. We have had a hard struggle here in Wynona, but I feel like God is going to undertake for us. Praise God. We have a good pastor. He has done some good preaching and stands straight on all lines, which we praise God for. Pray for us that we will come to the top.

I am saved, sanctified, and the Comforter abides. Praise God.

ETHEL DAVIS.
**God Heals**

“And a certain woman, which had an issue of blood twelve years and had suffered many things of many physicians, and had spent all that she had, and was nothing bettered, but rather grew worse, when she heard of Jesus, came in the press behind, and touched His garment. For she said, If I may touch but His clothes I shall be whole. And straightway the fountain of her blood was dried up; and she felt in her body that she was healed of that plague.”—Mark 5:25-29.

**A WONDERFUL HEALING**

Eighteen months ago the Lord did wonderfully heal my body. The doctors treated me for seven months. I became worse all the time. They said I had tuberculosis of the lungs and bronchial tubes. I had several hemorrhages and was very nervous. I was past going part of the time. The Lord told me one day if I would quit medicine and believe in Him, He would heal my body and I tell you when I turned myself over to the Lord, He wonderfully healed me. I have taken no medicine since and it has been eighteen months ago. I am now strong when I was so weak. I only weighed 97 pounds, now I weigh 118. Glory to Jesus, for the wonderful power He has. I work all the time. Last fall I picked cotton and would shoulder 75 pounds at once and carry it to be weighed. I can never turn the Lord down for anything. He can do wonderful things if we will have faith and believe in Him. Praise God forever. I want to be ready when Jesus comes.

Your sister in Jesus,

**CARRIE TURNLEY.**

Barnes Church.

Stock Yards Station, Oklahoma City, Okla.—I praise God for old-time salvation, saved, sanctified, and the Holy Ghost abides just now. Praise His holy name. He is my Healer. Praise God. He has healed me and my family many times. He healed me one time when the doctor said I could not live. He healed my daughter of typhoid fever and the other day she was helping her husband to pile brush and his brother’s axe flew off the handle and cut her foot badly and before they could get her to the doctor she nearly fainted. Her ankle bone was cut off and one of the leaders was cut. The doctor said that she would never walk on it and it might have to be taken off. I requested prayer for her at church and Bro. Phipps and the saints prayed and the Lord healed her. Next morning she got up and cooked breakfast. She said, “Thank God, mother, I am healed.” I praise God for a good praying mother and the good saints at Southwest Oklahoma City.

Your sister in Christ,

**MRS. MARY UNDERWOOD.**

Apache, Okla., March 3.

Thank the Lord for old-time religion. Some folks say this is a new religion, but I am glad this is the kind that the Apostles had. Glad this religion will carry us across the chilly waters of death. I am so glad that I ever learned that Jesus Christ was nailed on the cross for me and I am glad that I ever learned that He could heal. Last fall I had the “flu” and had such a cough I could not do anything hardly and had the saints to pray for me and was healed right there. I thank the Lord for His mighty healing power. I want to say that one month ago I went to church with Bro. and Sister Wright and after church was over we were on our way home when we ran into a truck that was stopped in the road. The car I was in was loaded and I was sitting in the front door. When we hit the truck I don’t know what hurt me but I couldn’t talk or get my breath. I know if the Lord did not undertake I could not live. I began to try to pray. The more I prayed the better I could talk. After a while I got to where I could ask the folks to pray for me. I got some better and we got in another car and went back to the place where Bro. A. T. Kersey was. We prayed and the Lord healed us. Bro. Wright had three ribs broken and his knee hurt.

The Lord healed him. I can never praise Him enough for what He is to me right now. I am glad I am still saved, sanctified and filled with the Holy Ghost.

**MRS. LEE WEST.**

**REQUESTS FOR PRAYER.**

Dierks, Ark.

I am down with what the doctors say is tuberculosis. They say I can not get well, but I have faith to believe that I can. Please pray for the Lord to heal me and let me live to raise my little girl.

Your sister,

**WILLIAM HOBSON.**

Dierks, Ark.

I beg you all to pray for the healing of my body as I am afflicted with rheumatism and also a bad rupture and wife has female trouble and pray also for my daughter who has consumption and Bro. and Sister Wright and after church was over we were on our way home when we ran into a truck that was stopped in the road. The car I was in was loaded and I was sitting in the front door. When we hit the truck I don’t know what hurt me but I couldn’t talk or get my breath. I know if the Lord did not undertake I could not live. I began to try to pray. The more I prayed the better I could talk. After a while I got to where I could ask the folks to pray for me. I got some better and we got in another car and went back to the place where Bro. A. T. Kersey was. We prayed and the Lord healed us. Bro. Wright had three ribs broken and his knee hurt.

REPORTS FROM THE FIELDS

Apache, Okla., March 3.
Bro. M. L. Dryden just closed a meeting here, but on account of so much sickness the people could not come much. He did some fine preaching which we enjoyed. Sister Weatherford was here, too, for which we thank the Lord. I believe there was seed sown on good ground. Apache is a place where there are not but a few saints, so we need your prayers.

MRS. LEE WEST.

Ardmore, Okla.
I want to thank God for Bro. Pendley and his wife. They have just held a three weeks meeting here and the Lord did a great work. Praise the Lord. We have the victory over the devil. Seven prayed through to victory, three sanctified and two got renewed with the Baptism. There were quite a number healed. Pray for the church at Ardmore that it will be a great glory to Jesus. All you saints pray for Bro. Pendley for he is a man of God.

I want to praise Jesus for the love He showered on me one time when He saved me, sanctified me, and filled me with the Holy Ghost and I am looking for the soon coming of Jesus.
Your sister in Christ,

LUVALI HIGHTIGHT.

Shawnee, Okla., March 1.
We are coming along very nicely, considering everything. Of course, we have our opposition, like all others. God is blessing in service, but I will say to you brother preachers, if you want a job as pastor of a church, I can say you can get it at Shawnee if you can dodge bullets and arrows and stones that are thrown at you. You can stay. You surely get them here, but thank God He will stand with us when men fail.
I want to say I am sorry but I have been hindered for various reasons. I will not be able to build the church now. Oh, if God could have people that would get out of self and see the need of a home for souls. Please pray for me. I need your prayers.

Yours for lost souls,

GEO. A. BURNS,
Pastor.

San Marcos, Texas.
We are preparing to begin a meeting at San Marcos, Texas, about the first of April. Would be glad if some preachers or workers from Oklahoma could be with us. Bro. Watt Ellis is with us now. Pray for the work here, as this is a needy field and Bro. Ellis needs some real consecrated workers.

MRS. J. D. ELLIS.

Barnes, Okla., March 4.
I want to praise God for real salvation in my soul this morning. I am so glad that I ever started in this Holiness way for the Bible says, “Without holiness we shall never see God.” That is why I love Holiness, for I want to see Jesus. I want to praise God for the revival Bro. and Sister and Sister are holding at Barnes. I am looking for God to pour out His Holy Spirit on many souls at this place. I praise God for our Sunday School at Barnes, for the Lord has wonderfully blessed this place. I am so glad that Jesus ever saved me, sanctified and filled me with the Holy Spirit.

CARRIE TURNEY.

Henryetta, Okla.
I want to report victory over sin, flesh and the devil. I do praise God for Jesus this afternoon and for the peace of God which I feel deep down in my soul that the world did not give and that it can not take away. Praise God for the Holy Ghost, the sweet, abiding Comforter, for truly He is a Comforter to me. I do so enjoy reading the little Faith. It is food to my soul. I want to ask all who know the worth of prayer to pray for my sister in Wyoming who is afflicted in body and backslidden from God, that she may yield to God and let Him save and heal her for His glory.

MRS. S. G. RAMÉY.

Lovell, Okla., March 2.

S. M. WEATHERFORD.

Purcell, Okla.
This morning finds me saved, sanctified and baptized with the Holy Ghost, glory to God, and determined to go all the way with Jesus. Bless His name.

Bro. P. W. Shaver and wife closed the meeting Sunday night. The meeting was a success. Twenty-one were saved, thirteen sanctified, and fourteen baptized with the Holy Ghost. I praise God for sending Bro. and Sister Shaver this way. Bro. Shaver is a spirit-filled preacher and Sister Shaver is a real altar worker, praise God. Of course the enemy howled as it always does, but God is stronger and always wins. Praise His name. Saints, we are never too poor to pray, never too weak to win if we have Christ within.

May God bless our editor and all the Faith family is my prayer.
A sister in Christ,

MRS. W. H. PALLOCK.
A STRUGGLE

One night as I lay on my pillow, I wondered if it all were true; What I had heard and accepted, the tongues and the healing, too.
Be careful, the old voice shouted, You must use your mind to decide; These people would have you to think, Religion is only the emotional side.

So I got down my dear, old Bible, Once more its pages to read, All reason I had used that night, And prayed that the Father would lead.
I turned first to Saint Matthew, To see what the Gospel did say, I found in three and eleven, A faithful promise He did lay.

There in Acts two and thirty-nine, He said it was for even me, The examples of Cornelius and Paul, Now make it easier for me to see.

Dear Lord, my reason has lead to this, As ever before you have spoken, Your simple words to those who trust, To the child and the simpler folk.

This now, is my prayer, O Lord, Grant that I see Thy holy face, But keep me lowly at Thy feet, And in Thy service find my place.

A C THORNBERY

ARE YOU SATISFIED?

Just over the door of the First Church in Oklahoma City as you leave there is a large sign with the words “Are you satisfied?” that mean much. An essential part of the altar service is getting people to pray until they are satisfied. Amongst some Pentecostal people even there seems to be a tendency to “profess” an experience too quickly. I have met some people in my experience who were rushed “through” before they got the “goods” and they were not satisfied. To all such I inform them that they can be satisfied, that there is a satisfying portion in Jesus. Unless a person prays through until they get the glory themselves it does not do them any good. It is far better to be patient with seekers and stay with them a little longer and urge them to get a good, clear, definite experience themselves.

Celina, Texas. — Greetings in Jesus’ name. I am praising God for victory over sin and the devil. God is wonderfully blessing here. I have set a church in order, wrote Bro. Kidd to come and ordain the deacons, we have a good little church here, nearly all of them have the Holy Ghost and on fire for God, looking forward for a wonderful work here and the spreading of Pentecost in this big and needy field in Texas. We have a fight on for Jesus pray that we might come out victorious. Am praising God for the fire that is burning in my soul. Your brother for the whole Gospel.

A C THORNBERY

the disappointment was keen but I know and I know that I know it was all for the best. Of this one thing I am as certain as I am certain that I breathe today and that is that when a person is all on the altar, nothing, absolutely nothing, can come to such a one that is not for his good and the glory of God.

I am very weak in body and those of you who had the “flu” know how very slowly one gains strength even after one is up and going. It positively will not do for one to go to work too soon after having such a severe spell as I have had. Knowing this I do, having had it five times, I have come down to McAllen, in South Texas, in the Rio Grande Valley, for a month or two of rest. Am gaining a little but still very weak. Pray for me and stand by the school at Checotah.

With love, joy, victory and hope, I am humbly yours in Him,

BURTON A. HALL.

Poteet, Texas.

Greetings in Jesus’ name. Glad to report victory in my soul. Still saved, sanctified, baptized and the Comforter still abides. Bless His dear name. This is my sixth week here with my son, E. L. Long and family. I have kept well, and very busy helping them with their place of business. This is a beautiful winter-garden country, fine farms of strawberries ripening, green fields of grain and vegetables growing, many flowing arsiesen wells of clear, soft water to irrigate with if need be, but rather a Spiritual desert to me. I find no Pentecostal Holiness people here and I miss the dear good meetings, friends, and loved ones at home, also the Bible Conference held by Bro. J. H. King. Hope I can gather some of the gleanings when I return. A good revival meeting of the full gospel is much needed here, and I am praying for God to send the right one.

My Faith paper is great to me. It is like a love letter from home. I enjoy reading every word. Dear ones in the Lord, remember me in prayer, that God will make me a blessing during my visit here that will tell in eternity for good.

Your humble little sister in Christ,

MRS. ETNA BROWN.

OBITUARY

Miss Roxie Annie Phillips was born September 27, 1873, in Leake County, Mississippi. She was married to J. A. Shular in the year of 1889. To this union was born three children, Fred Shular, Myrtle Howell, and Clay Shular, all of Lookaba. Besides these, she had two step children, Maud Barnes of El Reno, and Sadie Scholl of Lookaba; also two brothers and three sisters. Her parents have gone on before.

Sister Shular, with her husband and children, moved to Oklahoma in the year 1900. She was saved at the age of 14 years in the Baptist church and lived a devoted Christian life. She was sanctified a number of years ago and four years ago she received the Baptism of the Holy Ghost. She united with the Pentecostal Holiness Church, 1922, of which she was a faithful and loyal member.

On October 31, 1925, in His wisdom called her to her reward at the age of 52 years, 1 month and three days. Sister Shular will be greatly missed in her church and community and especially in her home, which she loved so dearly. The writer having been in her home many times can say she always had a meek and humble spirit of Christ.

The funeral services were conducted by the writer at the Pentecostal Holiness Church of Lookaba. Her body was laid to rest in the cemetery of Sickels to await the resurrection morning.

The Faith table is spread with good things, dished out to us from far and near, some things are so delicious to our soul, like the honey and the honeycomb, with rich meats that bring fatness to the soul. We find here rich oil poured out on the troubled waters of life. We hear the words of “Peace be still,” and there comes to us a great calm.

We are glad to learn of the fine progress of Kings College, and trust that it may long live to bless the younger generations. We trust it will continue to hold up the standard of “Holiness unto the Lord” in all its branches of education. Such a school is the only hope for a clean education based upon the truths of God’s eternal word. We heartily endorse its rules and we trust they will see to it, that all live up to them in full.

Well, we wish to report that we still love the Lord, we love His cause, we love His church, we love His people. We are still “Pressing toward the mark for the prize of the high calling of God in Christ Jesus.” Bless His dear name. I am still contending for the one faith,” “a three fold, salvation,” and a “four square gospel”.

The saints at Nowata are going on nicely now. We had a hard struggle for the last year to live, but by the prayer of a faithful few and the help and grace of God we are on higher ground and are pressing on. We have a good Bible School on Sunday at 10:30 A. M.—regular services Sunday, 7:30 P. M.—Tuesday nights we have Women’s Bible-Band readings, on Thursday nights we have Men’s Bible-Band readings, and on Saturday nights we have song, prayer and testimony meetings.

We had Elder Wm. Horn and Brother Gene Hacklem on us the latter part of January. Bro. Horn did some strong preaching on Pentecostal Holiness lines. We enjoyed it very much. Bro. Horn is some goer for the Lord, and he believes in others moving some, too.

We would ask the saints everywhere to pray for the Pentecostal Holiness saints at Nowata that they may go on with the Lord in a holy, sanctified life all the way through until Jesus comes or calls.

Your brother in the Lord,

H. S. TRIPPLETT.

Purcell, Okla.

May God bless the Faith family everywhere. This finds me saved, sanctified, and filled with the Holy Ghost. I am real glad for the blessing and mean by the help of God to see the end of this way. It just suits me—Praise the Lord.

Your sister out for lost souls.

Evangelist Melvie Ross is in a meeting at Washington. Sister Weatherford has been helping her.

On account of so many more planning on attending King's College after the first of the year, the lectures on Revelation at King's College to be held by Supt. Dan W. Evans of the East Oklahoma Conference, has been postponed until a later date. Those planning on attending, please bear this in mind.

Pastor Lonnie Smith of Hinton was to begin a meeting at the Mt. View church November 27.

Rev. Lewis Sawgalsky, the converted Jew, is now engaged in a meeting at the Enid church.

Evangelist Dave Troutman has been holding a revival meeting at the Woodville church. Sister Troutman is with him. Sister Troutman was sick unto death a short time back. The saints at Checotah held on to God for her and though her appendix had bursted, God healed at 2 o'clock in the morning, and she is now with Brother Troutman in meeting. Praise God.

Seminole, Okla.—We are moving along fine in Seminole. The last few weeks there has been several prayed through. Brother A. G. Green, pastor of Ada church will begin a meeting December 5. We hope to have Sister Weatherford with us too. Brother Pinkston, pastor of the Okmulgee church was with us last Sunday and preached for us. We sure did enjoy his message. So pray for us.

C. E. NEUKIRCHNER.

Enid, Okla.—Pleasant Valley. Brother McDonald closed a victorious revival at Pleasant Valley Sunday night. He and wife are o'd time Pentecostal Saints. God surely helped Brother McDonald to dig out the devil. There were five saved, seven sanctified and 10 received the baptism of the Holy Ghost. Some of these had lost out and were renewed. If you want a man that will be a blessing to your church, we certainly recommend Brother McDonald. The Lord uses him.

A. J. FINKENBINDER, Pastor.

Muskoe, Okla.—We are still praising God this morning for the wonderful Thanksgiving service we had in our little church last evening. The power fell in torrents. It was easy to start for folks had been praying much, but we confess that we didn't know how to stop the thing! Well, Glory!

We were glad to have Brother Mahaffey with us for two services this week. Hope he comes often.

We are paying for our lots and expect to build a church sometime in the near future. Pray for us.

MATTIE L. MARTIN.

Bartlesville, Okla.—Greetings in Jesus' name. I am thankful for the love of God in my soul. I am glad I have victory right now. I can truthfully say God is our helper, and he surely is helping me. We started a revival meeting here last night, and I am glad it is all ready started in the hearts of the saints. In almost every service they shout, dance, talk in tongues. We are praying for more of the old time Pentecostal fire. I think if God continues to bless we will get started up the mountain and view the Promised Land again.

Brother Lee F. Hargis of the East Oklahoma Conference is doing the preaching in this revival. Those who know Brother and Sister Hargis very well know the spirit of God is on them. They would be a blessing to your church. Do pray for God to save souls, sanctify and fill with the Spirit. We will report this meeting through the paper. Go bless you all.

O. M. MILLSAP.

—Victory has attended our meeting here at Galena. Some have gone through on all lines. Several have received the Pentecostal Baptism as in Acts 2:4. Four different men have offered two acres for a church building and one man offers to give $200, and another man $500. Sunday I came in a snow storm, to come in the church, the saints are on fire for Jesus and Northwest Oklahoma is awakening with a burning faith to increase the kingdom of Christ. As soon as I can turn loose here I am going over near Quinlan to be with Bro. Roberts in a meeting, as per the wish of your letter. Our dear Brother and co-worker, Fred Landon and wife, came Sunday to take me on near Woodward for a meeting and remained to help us finish up the battle. They are splendid workers and we surely do appreciate them. Our dear Brother Tommy Thornton, pastor of the new church here, is on fire and goes about leading the sheep of God here as a true shepherd, and the deacons are doing their duty as men of God. Just as soon as the brethren can decide on the location they will accept, a fine church building of air brick will be built. Praise God. This is more than we could think or ask. Brethren, we have a wonderful Saviour. As soon as I can finish here in this new field, I will go for a Christmas meeting with our dear Brother and Sister Dean Smith at Calvin. Please pray for wife and I that we may be faithful.

Yours in the Master's glad service.

J. A. CAMPBELL and WIFE.

Overbrook, Okla. — In regards to the work in Texas, Sister Gaither of Gainesville and Center Hill churches visited us Monday night the 15th and preached a good sermon and we all enjoyed a great shout together and after preaching service was over she made a short talk on the need of a church building at Gainesville

Amity, Ark.—Please pray earnestly for the healing of a sick woman that has been down in bed for a long time.

A SUBSCRIBER.

Mrs. Jessie Harris, Hatfield, Ark., requests prayers for her health.

Arcadia, Okla.—Today finds me still saved, sanctified and filled with the Holy Ghost, but I am very sick and want you all to pray for me. I am having a spell with my heart. I am sending you a handkerchief to be anointed and sent back to me. I know that God will heal me. Pray for one who is ready for His coming.

MRS. JANE INSEEP.

I want to praise God tonight for His wonderful love. Oh, glory to God. The Lord is so real to me. I sometimes think, how could He be so good to me after my being so disobedient to Him? Praise the Lord. I had the pleasure of being at Center Hill Sunday and Sunday night. We had a real feast. Sister Gaither made a fine talk Sunday morning. Her talk was a real feast to our souls and Brother Gaither brought the message Sunday night. He sure preached a fine sermon. We thank God for Brother and Sister Gaither. They have been such a blessing to me. A week ago tonight I was a backslider, and praise His dear name, He took me back into the fold. That is why I say He is so good to me. Oh, thank God, the table was set and we just helped ourselves. Bless the Lord. You could feel the power when you stepped in the door. Praise the Lord. He is so good to us. We ask the prayers of the saints that I may be humble at His feet, ready to do anything He wants me to do.

Your brother in Christ.

J. L. HALE.

Tecumseh, Okla.—I feel that the Lord would have me send my testimony and request for prayer. I feel the need of special prayer, so please pray for me. I need the leadings of the Lord. I am saved sanctified and baptized according to Acts 2:4 and healed up to date and determined to go through, though it is a forsaken way, yet it is real and God blesses so. God bless you all.

Your lonely brother,

CASSIE NEIGHBORS.

Springdale, Ark.—Glad this Sabbath morn finds me still saved and sanctified. Glad for the precious Holy Ghost. Glad I ever started this way. Oh, how could I live without my precious Savior. I get my Faith paper every month and it is just like getting a letter from home. The first thing when I get my paper I look to see if there is anything in it about the little church at Caney, my dear old home. Oh, I am so glad this morning that I can report victory over sin and the devil. I don't get to go to church very much, but glad I can keep this religion at home. Glad it is good for three hundred and sixty-five days in the year. I want the prayers of all the saints that I may ever be faithful to my Savior and pray that I may get where I can work for the Lord.

Your sister in Christ,

MRS. JESSIE WILLIS.

Stratford, Okla.—I want to praise the Lord for what He is to me. I am so glad that one day he saved me from sin, sanctified me and filled me with the Holy Ghost and I am looking for His soon coming and I want to be comes.

A sister in Jesus' dear name,

LOVIE DRYDEN.
THE PENTECOSTAL HOLINESS FAITH

LOVE'S MESSAGE

Composed by H. S. Triplett,
Nowata, Okla.

Love came by humble birth
To this vain world and sin-cursed earth.
Love came to seek that which was lost.
To save men at an awful cost.
Love, abounding, full and free.
Came seeking such as you and me.

Love now extends to one and all,
An invitation, a pleading call.
Love is now seeking your poor lost soul,
Seeking to bless you with love untold.
Love would save you, oh, children of men,
From the pits, and the depths of sin.

Love found me a sin sick soul,
Far away from the Master's fold.
Love sought me in darkest night,
And brought me into the marvelous light.
Love which abounds to sinful men
Hath saved my soul, and took me in.

Love is the sweetest joy I have known,
Since love sits upon the hearts of men.
Love crowns our Lord within
And gives us victory over sin.
Love leads on, day by day,
To that bright home, not far away.

Love sends forth to one and all
Its warning voice, its pleading call.
Love would win your heart from sin.
And gives you joy and peace within.
Love makes you love this last request,
Come now to Jesus and be blest.

Love opens to you the Celestial gate
Where our loved ones watch and wait.
Love will bring you home to God
In the way the saints have trod.
Love will bless you for evermore
On that bright eternal shore.

Note.—This is the story of Christ's love to one and all
Brother! Sister! Will you hear
loves call? Be saved before it is too late. Be reconciled to God.
What will you do about it? Love awaits your answer. Jesus stands at your door. Love is knocking, I beg you to let love in.

So far there has been only a very few that have taken advantage of the opportunity to give a dollar as a Christmas gift to the missionaries. You could not express your appreciation to God for the gift of His Son to die for you more fitting than to sacrifice of your means toward sending out the gospel of Jesus Christ to a lost world. And there is not a more needy field than the various heathen lands, and there is not a more deserving set of workers in the great harvest field of God than the missionaries. When you read this paper why not send done dollar as a gift to the missionaries. We can assure you that every penny of the dollar will reach the missionaries. Send it in, and we will credit you through the Pentecostal Holiness Faith.

Just as radio messages fill the air and the people are unaware of it, so the spiritual power sometimes fills a place of worship and unbelievers know nothing of it, because they are not "tuned in" to get it.—Apostolic Evangel.

Reeding, Ok.—Praise the Lord, I want to just say a few words to the dear Faith family. I do love the Faith paper. I do get a blessing from the dear Lord when I read the paper. Oh, Faith, that word does mean so much to me, faith in Jesus, blessed Jesus. He is our healer, our strength, our very life, and our ever present helper in the time of trouble. How I do praise His dear name for what He is to me. He has healed me so many times and helped me and blessed me in so many ways. Oh, if I could only tell it to others so they could understand just what a true friend He is to them that put their trust in Him. I am saved and sanctified, and baptized with the Holy Ghost and I do want to ever do His blessed will. Pray for me, dear saints, that I may ever be just what my blessed Lord will have me to be.

MRS. M. E. HICKSON.

Okemah, Okla. — I have just been reading the dear little Faith paper and I sure enjoy reading it. It is a wonderful paper for its size. I hardly ever get to go to church and I feel like I have been in service when I read the paper. I hardly ever get to see any of the saints any more. I still love the Lord and will ask for the prayers of all the saints that I will grow stronger in Him, and also pray for the healing of my body, and that I will put on the whole armor of God, so that I will be able to withstand every conflict that might come my way and pray for my unsaved husband and children to be saved.

Yours in Him,
MRS. EULA SUTTON.

Tuskaoma, Okla.—Oh, I want to praise my Christ for His blessings He sends me. I praise Him the way grows brighter every day. I am so thankful that our Savior can heal. Praise His name. I fully trust Him for my healer. Find no other like Him. Satan an tempt, but I just want to press on the upward way and reach my heavenly home where there will be no more sorrow. Thank God. There are no holiness people here. Saints pray that God will open up a way for us to have a church here as it is a needy field. Oh, for more good sanctified people in this world. Pray for us.

A sister in Christ,
BERTHA PRIDDY.

Lindsay, Okla.—I write to tell you that I am praising God all the time. I love your paper and I am doing all I can to get every one I can to read and subscribe for it, but I am not able to do anything. It takes all the money I get from my pension to live on and I can't send anything for Christmas. I pray God's blessings to rest on our paper, on the Editor, and all the saints, and I request the prayers of all that I may be found always in favor with God and that these my last few days may in some way be a blessing to someone.

Yours for Jesus,
MARIA HOWELL.

Clinton, Okla.—Still love the Lord with all my heart.—F. A. Reeder.

where they could preach the gospel to the public. An offering was
taken to help pay their lots out and several gave an offering. If
they an get the lots paid out the lumber company will build their
church and they can pay it out as they are able. I feel like all
of the Texas churches ought to help bear this burden in getting a
place for the saints to worship. If they can get a building up, they
will have the privilege of preaching to thousands that never did
hear Pentecost preached. Let us invite them over to take up an
offering to pay on their lots.

Yours for His service,
D. P. THURMOND.

Woodville, Nov. 23—Woodville meeting progressing fine. Some are
praying through. Large crowds each service.
DAVE TROUTMAN.

Washington, Okla.—I am here at Washington in a hot battle for
Jesus, the devil is trying to defeat, but we have set to win. Praise
God. Sister Weatherford is helping us. Pray for us. May the dear
Lord help you and yours.
A sister under the blood,
MELVIE ROSS.

Lookeba, Okla.—I want to send in my testimony tonight. I still
love the dear Lord who has done so much for me. Glory to His
name. I do love the work of the church. I still love the church and its
government. Sure do love to tell it to the world, still saved and san-
citized and the Holy Ghost still abides in my heart.

Your sister out for lost souls,
OLLIE DODD.

Galena, Okla. — The ten day meeting held at Galena Pentecos-
tal Holiness church by Evangelist J. A. Campbell closed tonight.
The presence of the Lord was greatly manifested in each meet-
ing. We praised the Lord for the victories won. There was one re-
claimed, two sanctified and three received the baptism of the Holy
Ghost, and three were added to the church. Brother and Sister
Fred Landan of Mutual, Oklaho-
ma, came over Sunday and
worked faithfully in the remain-
der of the meeting, Sister Camp-
bell was present the last night of
the meeting. May the Lord bless
each of them for the help given
us.

And above all, we praise God
for His blessed presence and His
love and mercy shown us.
TOMMIE THORNTON,
Pastor.

Guthrie, Okla.—I want to testi-
fy again for Jesus. Praise His
name. I sure enjoy the Faith
paper so much. We closed a ten
days meeting at Middleforge,
Okla., October 25. One received
the Holy Ghost. It was my sis-
ter, Georgie Lee. Oh, praise
God. The Lord was there most
every service. I am still saved,
and sanctified as a second definite
work of grace. — Romans 1:11.

Paul said, “For I long to see you
that I may impart unto you some
spiritual gift, to the end ye may
be established. 2 Cor. 1:15, “And
in this confidence I was minded to
come unto you before, that ye
to have a second benefit;”
Ephesians 5:17, “Wherefore be ye
not unwise, but understanding
what the will of the Lord is.”
What is the will of God? Let
Paul answer, 1 Thes. 4:3, “For
this is the will of God, even your
sanctification, that ye should ab-
stain from fornication.” Now
some teach we don’t have to be
sanctified before we receive the
Holy Ghost, but Paul tells us in
Hebrews 10:36, “For ye have need
of patience, that, after ye have
done the will of God, ye might
receive the promise.” What is the
Peter said unto them, Repent and
be baptised, every one of you in
the name of Jesus Christ for the
remission of sins, and ye shal1 re-
give the gift of the Holy Ghost.
For the promise is unto you and
to your children and to all that are
afar off, even as many as the Lord
our God shall call.” Brother are
you called, if so the Holy Ghost is
for you, but remember the will of
God. I delight in worshiping God
in the beauty of Holiness. Psalms
96:9. I am sending one subscrip-
tion for the Faith. Pray for me.
Yours for the lost,

The writer and wife have been
engaged in an evangelistic cam-
paign at Union Grove church.
Brother Dewey Dryden has been
helping us. He is an exceptionally
splendid worker. This meeting has
indeed been blessed of God.
The power of God has been in

that stand for the truth. Praise
the Lord. In the service last
Sunday afternoon there was a
beautiful scene. Eleven people
stood up that were past 60 years of age that were Christians. Some
of these had been devout Chris-
tians for 40 odd years, a wonderful
testimony to the faithfulness of
God. And in the meeting some
that had been healed of many
complaints. One man had been
healed of cancer, another saint
had been healed of blood poison-
ing, and two children had been
healed of pneumonia, and many
other diseases had been removed
by the power of God. Praise the
Lord. On Sunday night wife
got up over to Liberty, in Cleveland
County, for a service, where she
had a packed house and good in-
terest, some near 15 giving their
hand for prayer.
