CONCERNING THE CAMP MEETINGS
FOUR TO BE HELD THIS YEAR

We have secured information now to where we can announce the four great camp meetings for the year in Pentecostal Holiness ranks. There will be an annual camp meeting and conference held within the bounds of each conference. Indications are that each camp meeting will be a success and that a good attendance will be evident at each camp.

Kansas Conference Camp.
The first camp meeting of the year will be the one for the Kansas conference to be held at Dewey, Okla., July 16 to the 25. Dewey is located four miles from Bartlesville on a paved highway and also two railroads, so it is easily accessible to those desiring to attend. For this camp meeting they have secured Rev. E. D. Reeves of Roanoke, Va., and Rev. Lewis Sawgalsky, a converted Jew, of Greenville, S. C. This will indeed be a treat we are sure for this camp meeting. All within reach of this camp should make a special effort to attend, as this is their first annual camp.

Texas Camp Meeting.
The next camp meeting in order will be the Texas Conference Camp Meeting which is to be held at Gainesville, Texas; in Moffat Park, July 24 to August 8. Bro. E. D. Reeves of Roanoke, Va., and our own Bro. Burton A. Hall are to do the preaching.

Gainesville is located on about two highways and two railroads and is accessible to any mode of travel. The meeting is to be held in Moffat Park, where there will be plenty of shade, etc. This is their second annual camp meeting and should we well attended.

Oklahoma Conference Camp Meeting.
The next camp meeting in order will be the Oklahoma Conference Camp Meeting, which will be held at Oklahoma City in Wheeler Park, August 6 to 16. Rev. Paul F. Beacham, president of Holmes Bible School, will be the principal speaker for the camp. Bro. Beacham is well known for His wonderful presentation of truth. This is the eighteenth annual camp meeting of the Oklahoma conference, and is expected to be well attended. Large crowds are expected. There is plenty of room and plenty of shade in Wheeler Park for all who come. Oklahoma City is on several paved highways; in fact, highways enter the city from most every part of the state, and also six railroads, so it is easily reached.

East Oklahoma Camp Meeting.
The next in order will be the annual camp meeting of the East Oklahoma conference. This camp meeting is to be held at Holdenville, Okla., Aug. 13 to 24. Rev. E. D. Reeves of Roanoke, Va., and possibly Bro. Bishop, of Birmingham, Ala., will be the speakers. This camp will be in a good shady park with ample room at the edge of town. Thrud Holdenville there are highways and also railroads entering from north, south, east and west. This is the second annual camp and a large attendance is expected.

Kindly begin to pray for each of these camp meetings and ask God to make them all huge successes with great refreshings from the Lord, and many souls blessed. Locate the conference you are in and be sure and attend the camp meeting of that conference anyway. By all means you should give your family and your own soul the advantage to be gained spiritually by being present at an old time camp meeting. Following each one of these camp meetings the annual conference will be held.

AN URGENT APPEAL
By Burton A. Hall.

To the Saints of the Oklahoma, Eastern Oklahoma and Texas Conferences of the P. H. Church:
Greetings in Jesus' worthy name.

Dear Brethren and Sisters in Christ—It is needless for men to tell you that because of sickness I have not been able to keep up my work for our school at Checotah. I shall not burden you here with a detailed account of how I have suffered and the trials I have passed. But simply say, thank God, I am back in Oklahoma and engaged in a gracious revival at Enid. I am by no means a well men yet—it is about all I can

FIVE YEARS OLD.

The Pentecostal Holiness Faith is five years old. With this issue we begin the sixth year of its existence. Five years ago, after prayer and consultation with the brethren, the Pentecostal Holiness Faith was launched by Rev. R. B. Beall and the present editor to fill what we felt to be a real need in our ranks in Oklahoma. At the first annual meeting of the conference, after the establishment of the Faith, the paper was given to the conference free. The paper, though small, we feel has been a great blessing to the work in general and to the missionary work and to the local work, and we believe that it has been a blessing to thousands otherwise. Many notes of appreciation have reached us, and some from those who declare the Faith is the only preaching they receive. Only eternity will reveal the blessing the Pentecostal Holiness Faith has been. The publication of the Pentecostal Holiness Faith at such a low price as 50 cents per year has been made possible through the untiring sacrifice of numbers of workers, unseen, unknown to the readers in general—God bless them, they will be gloriously rewarded at the throne. And the sacrifice and interest of those ministers and workers on the field securing subscriptions. We thank you every one. Last November the Pentecostal Holiness Faith absorbed the name God's Messenger and also the subscription list of God's Messenger, formerly published at Elk City, Kan. Brethren, we greet you with Vol. 6, No. 1, and pray that it may be a blessing to thousands.

ZOE, OKLAHOMA.

March 23.

Today finds me saved, sanctified and the Holy Ghost abides. As I read the little Faith paper and find so many good testimonies it sure does fill my soul. I am thankful that we have a wonderful healer that we can trust for our all and all. I live in the Chata Mountain in LeFlore County, and we have not had a meeting since last fall, but praise the Lord, He has called me to preach the Word to the lost ones and I want all the prayers of the saints that God will fill my mouth with the precious gospel.

Your brother and sister in Christ,

CLAUD ENGLAND AND WIFE.

Reports From the Field

Evangelist Willa Short is engaged in an evangelistic campaign at Birmingham, Ala.

Evangelist O. C. Wilkins is conducting a revival meeting at Checotah.

Brother and Sister J. W. Robinson held a meeting near Calumet and were to begin a meeting at Celina, Texas, May 14.

Evangelist C. E. Neukirchner has been conducting an evangelistic campaign at Calvin.

A splendid revival meeting is in progress at the Purcell church, where Brother Foster is pastor. The meeting is being conducted by Evangelist Melvie Ross, and we understand that numbers have been going through to Pentecost.

The Taylor evangelistic party have been engaged in tent meeting in Capitol Hill, Oklahoma City. The Lord has blessed and some have found God and been blessed on different lines. Anyone desiring them for a meeting can address them in care of Box 762, Oklahoma City, Oklahoma.

Some blessed meetings have been held at the Oklahoma City First Church lately. The editor, whose work is usually out of the city, was rained in a week ago Sunday night, and we of course went to the First Church. We found the power falling and the Saints shouting. Many shouted and talked in tongues and the pastor danced in the Spirit. An old time refreshing was enjoyed. The other services are good. Bro. and Sister T. L. Aaron, the pastors, are now to the west and to our Oklahoma people, and are both splendid saints of God.

The Enid church is in the midst of an evangelistic campaign being conducted by Brother Burton A. Hall.

The Oklahoma City First Church is planning on a revival meeting to begin within a week or so. The meeting is to be conducted by Bro. Burton A. Hall, author of "The Promise of the Father, or This Is That." Bro. Hall is a splendid man and a fluent speaker, and a successful evangelist.

A new church has been organized in the Texas conference at Flora, Smith county.

Supt. F. M. Kidd of the Texas conference, and Evangelist J. F. Hively, have been in a meeting at the Lindsay church.

Pauls Valley, Okla.—I am still saved and sanctified and the Holy Ghost abides. Still on the battle-field for Jesus, doing all that I know to do for the Lord in my weak way. Jesus says if you love me you will keep my commandments. I mean to live the life for Jesus by His help. We are bothered with comeoutism and Cook and Hinchism, but God is setting His approval on us. I am still saved, sanctified by His Blood and filled with the Holy Ghost.

Z. N. TATUM, Pastor.

Heakston, Okla.—These few lines still find me enjoying the blessing of the Lord. I will start a meeting at Tishomingo, April 28th, and be there until May 10, then the 15th of May I will go to Nocona, Texas, and will be there until the 7th of June. Pray that the Lord will wonderfully bless me and give me souls.

J. T. COPENHAVER.

Mead, Okla., April 28—I am at home again. Our meeting at Davis lasted four weeks, and I sure did enjoy trying to preach the Word. God has some pure saints there that like to hear the Word, and the pastor and his dear wife, I don't think one could preach too straight for them, and they did not look uneasy, either.

Several souls prayed through in the old-time way. Some made things right as far as they could, and then God forgave them. Glory, I feel like going on. I do not know how many prayed through in the meeting. God has them all 'on His record in His book. Oh, I never did feel any better. Sure did have fellowship with the saints, thank the Lord. I want to go back some time, D. V. I ask you all to pray for me and mine. May God bless the entire Faith family, I do pray.

Yours in Him,

C. L. SMITH.

Muskogee, Okla., May 6.—Just closed a revival at Muskogee. Rev. J. P. Pinkston and wife were in charge of the revival; six saved, one sanctified and seven added to the church. We are praying and working for a church building in Muskogee. We are bothered with comeoutism and Cook and Hinchism, but God is setting His approval on our work. Thank God for His wonderful work. I ask the prayers of all praying people to pray for us. I am still saved, sanctified by His Blood and filled with the Holy Ghost.

Z. N. TATUM, Pastor.

Fayetteville, Ark., April 26.—This morning finds me with glory in my soul, and feel like going on. I closed a meeting at Fayetteville April 22. There were some souls saved and sanctified and tarrying for the Baptism of the Holy Ghost. Those are Council people there, and some stayed away because I preached sanctification, but that did not hinder the sanctifying power, thank God. I begin a meeting at Strain April 24. This is a needy place. Souls are hungry. An humble servant.

ETHEL GRIFFIN.

Apache, Okla., May 5—We are still saved, sanctified and filled with the precious, sweet Holy Ghost. We are here in a meeting at a school house called Mountain Home, where Holiness has never been preached. It's about 15 miles west of Apache. We are having large crowds and

Then there came an urgent request from Sister Sturgeon of Ponca City for her boy, who was suffering so terribly. Lester, the boy was badly afflicted. Here with we give you the result of prayer:

"Dear Bro. Muse: Truly praise God for what He has done for R. P. Wells, whom we requested prayer for. The doctor had no hopes of him getting better; he was bed-fast. He is up now and is gaining back his strength. If God had not undertaken he would not have been here today. To our God be all the glory for His wonderful healing power. Mae Wells."

REMARKABLE ANSWERS TO PRAYERS

There have been some remarkable healings lately, and some wonderful cases of healing thru the prayers of the Faith family in answer to requests in the Faith. Some time back an urgent request for prayer came in for Bro. Wells of the Reeding church, who the doctor had given up and said he would never get up from his bed again. Listen to this:

"Dear Bro. Muse: Truly praise God for what He has done for R. P. Wells, whom we requested prayer for. The doctor had no hopes of him getting better; he was bed-fast. He is up now and is gaining back his strength. If God had not undertaken he would not have been here today. To our God be all the glory for His wonderful healing power. Mae Wells."

Lexington, Okla.—I want to sound a note of praise to my Redeemer for victory over sin and disease, glory to God. I had asked for prayer when I was suffering from appendicitis so very bad. The pain left me in a moment of time, and then I felt asleep, and when I awoke the soreness was gone, glory to God. I was able to take up my work again. I visited homes every day that week and prayed with them and I walked every place I went. Oh, I have no time to be sick, the Lord has so much for me to do. I don’t ask for prayer and then call a doctor. I don’t want any one but Jesus. He is all I need. I am happy in His glad service, and very often I am filled to overflowing. I feel the cream of His richest blessings in my soul as I write. Your humble servant under the Blood. Mittie Hatfield.

REQUESTS FOR PRAYER.

Pray for Mrs. R. L. Adams of Tuskahoma, Okla. Her body is afflicted.

Pray for Bro. Cobb’s little boy at Ponca City who has the mumps and he is in bad shape with them.

We have received the following request for prayer: Pray that Jesus will heal Mr. Jim Smith of Breckenridge, Texas. He has been sick in bed for almost a year. He is helpless and can’t feed himself; can’t move his hands, and can talk only a little. Pray that Jesus will reach this poor needy invalid suffering from paralysis.

MUSSOLINI FORGES AHEAD

While the League of Nations has been talking and quarreling at Geneva Springs, Signor Mussolini has been forwarding his plans for his great Roman empire. To quote a newspaper head-line, he has now "bought up the Balkans," the reference being to a treaty just concluded between Italy and Jugoslavia. "Mussolini's object in all the combinations which he is engineering with Jugoslavia, Greece, and other South and Central European nations is to obtain at least the benevolent neutrality of his neighbors in connection with his great 'Empire' projects in the Middle East. For many years there have been thorny problems in the Balkans, but this new alliance promises to settle some of them, and Musolini appears to be working for a definite amalgamation of these neighboring countries on the lines of the Balkan 'Locarno,' seeking the friendship of Bulgaria, Roumania and Greece." As the writer quoted above says, "Signor Mussolini has good reasons for sponsoring Balkan solidarity, because this would leave him a free hand for the development of his plans elsewhere."—Pentecostal Evangel.

SOME SIGNS OF THE TIMES

Mussolini, premier of Italy, seems to be bent on re-establishing the old Roman Empire with the same boundaries as of old. He has viewed some of the Northern Africa territory formally in the old Roman Empire, and has apparently successfully maneuvered a treaty with the Balkans. He is trying to imitate Caeser as much as possible, and Caeser is his ideal. Some students of prophecy expect the re-establishment of the old Roman Empire in some form or other. We might add also that Mussolini seems to be strong with the Pope at Rome and has all but succeeded in banishing religion from some of his territory except Roman Catholicism.

Another sign of the approaching establishment of the ten kingdoms upon which eventually the anti-Christ will hold sway is evidenced in dispatches published May 13. There is a demand being made upon the League of Nations. Also, though the United States has so far managed to stay out of it, the League of Nations is leaving one seat open for the United States and one for bolshevik Russia. Students of prophecy know that there is to be an establishment of ten kingdoms. This is shown very clearly in the Books of Daniel and Revelation. Putable signs of the coming of Jesus there can be no doubt of the soon coming of Jesus and the Tribulation on the earth that will follow. The morning seems to be almost at the break of day for God's waiting ones, and the darkness, the world's darkest hour is all but here.

REPORT OF EAST OKLAHOMA S. S. CONVENTION.

The Sunday School Convention at Calvin, Okla., April 23-25, was a great success. The attendance was good from the first evening on. Most all the subjects were carried out by the speakers. There seemed to be an unusual interest manifested by all,
both to the old and to the new workers. Many were inspired to do more along the lines of the Sunday schools this coming year.

The Sunday afternoon program was splendid and enjoyed by all. There were numbers of cars from Seminole and other towns. Sister Cora M. Earls came with several good renditions from the Seminole Sunday school. Other Sunday schools helped in the program. Some down from King's College for it. Indeed, these gatherings are inspiring and have a splendid tonic effect in the Sunday school work. Long may they live.

DAN W. EVANS,

OKLAHOMA SUNDAY SCHOOL CONVENTION.
The Seventh Annual Sunday School Convention of the Oklahoma Conference of the Pentecostal Holiness Church was held at Enid May 7-9. The attendance was very good and a splendid convention was had. Interesting talks were given and a very profitable time was had. We take the following account of the convention from the Enid Morning News:

The closing day of the convention was featured by a general assembly in the local church, 414 East Main. A program consisting of readings, songs, cornet and piano solos was given, following a luncheon at the Government Springs park. Those who appeared on the program were Mrs. Basil Scrivner, Oklahoma City; Mrs. Dan T. Muse, Oklahoma City; Mrs. George Browser of Pleasant Valley Sunday school near Drummond; Junior Browser, Drummond; Arthur Campbell, Enid; Mrs. Thurman Vosberg, Enid; and Mrs. Paul Styer, Enid. Rev. Burton A. Hall, who is conducting a revival here, gave the evening address.

Officers elected for the coming year were as follows: President S. E. Stark; vice president, I. E. Landers; secretary-treasurer, N. T. Morgan.

SPECIAL NOTICE
To all the pastors and evangelists of all the conferences: Please take into consideration Bro. Hall's article in this issue of the Faith, in setting aside Sunday, May 23, as a special offering day to King's College, to be used to clear up our bills. As yet some of you have never taken the financial need and burden of the school upon your hearts enough to put it before your church or congregation. We do pray and trust that you dear brethren will join the rest of us on this day and keep it before the minds of your church and take an offering and raise all you can to be in the hands of the secretary-treasurer by the 28th of May. We have all of you in mind who have not sent in anything to the school during the whole term, and it will look too bad for you to let the first term of our school close without your name on the honor list. We have got along and made out without the help you should have lent, but we do need your cooperation and help in the closing of the school. The teachers are not paid. All of you dear pastors and evangelists please keep this day in mind and raise all you can and send to Arthur Smith, secretary-treasurer. Send it to Checotah, Okla. Humbly submitted by request. Dan W. Evans and Arthur Smith.

King's College, Checotah, Okla.

In response to the article in the June issue of the Faith last month, I received "love gifts" from six people on the piano. I am sure more people heard God call on them to help us but "the seed fell among thorns" and the "cares of this world soon chopped that desire to give out. Help us keep our obligations by paying for our piano. I will send in the names of all donors to the June issue of the Faith. Our work is progressing nicely. We have a fine number of faithful students who are determined to finish their year's work with honor. The enemy has tried in every possible manner to stop the progress of King's College, but "If God be for us who can be against us." I love Gamaliel's speech for such disappointing times. "If it be of God ye cannot overthrow it, lest haply ye be found even to fight against God." So our motto is "Over the top for Jesus." Sylvia Smith, Teacher of Piano.

some are under conviction, but no visible results yet, only they are getting ‘tamer’, and we are expecting a wonderful meeting. Please help us pray to that end, as the devil is fighting with great power, but the Lord never lost a battle and never will if we keep praying and trusting in Him, praise His name. We are ready for calls anywhere that there is a people that want a straight, clean Gospel preached, free from finished work and from evolution. We still believe that the Bible teaches salvation from sin and sanctification through the blood of Jesus and that man can have the Holy Ghost with the evidence of speaking in other tongues as the Spirit gives utterance. Some can go and help the finished and the one-godites pray their converts through to their finished work experiences and seem to still keep the blessing, but I preach three definite experiences in the salvation that Jesus bought with His own blood, so I can’t pray for God to take them through on finished work lines, neither can I hold up people’s hands that preach that kind of doctrine. Yours for the truth,

J. G. and F. E. POWELL.

Verden, Okla.—Still enjoying the blessings of God. Saved, sanctified through the Blood of Jesus and the Comforter still abides, praise God forever. Still looking for His coming. We had a real good time with the Lord in our services last night and also Saturday and Sunday. G. W. Roachell

Starin, Ark.—This morning finds me saved, sanctified with the Comforter abiding. Praising the Lord for victory. He has wonderfully blessed us here. The Saints are built up. The revival tide is running high. Lots of conviction among the unsaved. Be glad if I could stay longer, but it seems I must close tonight and go to Draketown, Ark., to begin a meeting Saturday.

ETHEL GRIFFIN.

Tishomingo, Okla., May 8.—The Lord has given us a very good meeting here at Murray school house, five miles southeast of town. This is a new field. Pentecost has never been preached here. Bro. A. C. Thornberry of Celina, Texas, has been helping me in the meeting. Any one wanting him for a meeting will do well to call him, as he is a blessed man of God and a good preacher. My next meeting will be at Nocona, Texas, beginning May 15. This is also a new field for Pentecost. Pray that the Lord will give a good meeting there. Pray that I will be a blessing to the lost. Your brother for Pentecost.

J. T. COPENHAVER.

Oklahoma City, May 10.—Just a word with you dear ones. This finds us still saved and under the Blood, glory to God. Just closed a revival at Bethany, near Calumet. Had a wonderful meeting. God blessed in every service and gave us precious souls. Bless His name. And many others are looking our way. Pray that the Lord will lead them in the right way. The Lord said whatsoever you ask in prayer believing ye shall receive, and bless His name we are taking Him at His word. Pray for us that God will bless His word, as we are beginning a revival at Celina, Texas, Friday, May 14. Saints, pray for us, as we need your prayers. Brother and Sister J. W. ROBERSON.

To all who wish an evangelist or camp meeting preacher: Dr., Geo. M. Ryder, now president of King’s College, will be open for calls in June, July and August. He will do your congregations good. Address him at Checotah, Okla. Yours faithfully. Dan W. Evans.

Blanchard, Okla.—I do praise the Lord today for His great love. Still looking for Jesus to come, glory. As I am bound at home and can’t get out in the service as I would like to, I ask the Saints to remember us in prayer. Papa is bedfast now and has been for some time very poorly. He would be glad to get letters from all who read this and know him. I have the victory over sin. God is blessing. My boy received the Baptism, I sanctified and I was healed in grove service, praise the Lord. We are having good prayer meetings and some praying through. I want to do all I can, but can’t get away from home much this spring. Pray for Papa that he gets well.

IVA HAYS.

Coffeyville, Kan.—I am glad that Jesus saves me now thru the Blood. I surely am enjoying good old time salvation. The dear Lord is blessing me in so many ways. We just closed a meeting at the Niotaze, Kan., Sunday night, April 18. Had a real good meeting. There were four saved, one sanctified and four received the Baptism of the Spirit according to Acts 2:4, and one got a refilling of Pentecost. I can sure count on those who got the experience. They were the best members of the Methodist church in the town. They sure are on fire for God. They shout and dance, talk in tongues. I had to come home after the first week of the meeting, and Bro. Harry Hibbert was in charge of the meeting five nights and did some good preaching, and the people surely love Bro. Hibbert. I can highly recommend him to any church for an evangelist or pastor. The Lord willing, we will go back to Niotaze before the camp meeting and begin another revival. I am ready for meetings now in the Kansas Conference. Your brother in Jesus, saved, sanctified and baptized with the Holy Ghost.

REPORTS FROM THE FIELDS

Enid, Okla. May 12—We are in the midst of a revival. God is blessing, for which we praise Him. Bro. Hall is doing the preaching and it useless to say we are enjoying him. He came to us very frail in body after his long illness, but is gaining in strength for which we are thankful. We are expecting great things from the Lord. Pray for the meeting also Bro. Hall that he may have his health to sing and preach Holiness. He is doing some good preaching.

Bro. Wilkins held us a good meeting, we certainly did enjoy him and his preaching was a great blessing to the church. We certainly enjoyed Miss Berg and Miss Hughes their singing and playing was a great inspiration in the meeting, may God richly bless them in their labor for Him.

J A CAMPBELL and WIFE

Okmulgee, Okla., May 7.—Just a word to let you know that we are still moving forward here at Okmulgee. We closed the meeting last Sunday night with 13 saved, 11 sanctified and 10 received the Baptism of the Holy Ghost, and 12 united with the church. Bro. Wilkins was in the Spirit and power and on the old land mark line. I do praise the Lord for and appreciate our old time preachers who have not let down the standard nor compromised. Bro. Pastors, if that spirit of worldliness is trying to creep into your church and you want an old land mark preacher that will be a blessing to your work, you will do well to arrange for Bro. Wilkins to give you a meeting. There were several fine young people that were saved and went through to Pentecost from high school and who hold good business positions, that laid off their paint and jewelry and came into the church, and the best of it is the evangelist didn’t take all the religion away when he left. The fire is burning and the power is being manifested in the lives of the new converts. There was one young woman saved last night. Bro. Wilkins was here almost a month, and I feel it good to state that he never mentioned his financial needs in any of the services. We praise the Lord for the good meeting and the souls He gave us. Your brother in the Master’s service.

Bro. Neukirchner has been with us here at Ponca City for three weeks. The Lord wonderfully blessed him as he gave out the word. Five were saved or reconciled, one sanctified and several hungry hearts seeking. The saints were wonderfully encouraged. We all like Bro. Neukirchner and hope he will hold us another revival some time in the near future. Pray for the church here at Ponca City.

MRS. MARIE DOTSON

Ponca City, Okla.—I want to thank God through the faith for victory over sin and the devil. Really determined to go all the way, by His grace. Bro. Neukirchner has been with us here at Ponca City for three weeks. The Lord wonderfully blessed him as he gave out the word. Five were saved or reconciled, one sanctified and several hungry hearts seeking. The saints were wonderfully encouraged. We all like Bro. Neukirchner and hope he will hold us another revival some time in the near future. Pray for the church here at Ponca City.

The Promise of the Father. It will certainly pay to preach any more until I get back to God. I know my call was of God. I mean to hold the conference and church up before people, for I know it is right and has been a blessing to me, and I love it. Now I am going to ask the preachers who have talked about me and said things about me while I was saved and preaching in the conference and all church members, since the story has come true, to please talk to God about me in prayer. I wish all who backslides would get down and out and confess to the church and conference they are backslidden. We would have a clean work, that’s what we advocate. I love the Lord and mean to meet Him in peace. May God bless you brethren in your work. I am leaving here.

South Coffeyville.—The Faith paper is sure food for our souls. I earnestly ask each and every one of the children of God to pray for me, and also the little Caney band, for we are surely having a trial. I am glad that Jesus can give us grace to go through and stand these trials and persecutions. Sure get lots of good reading and food for my soul out of the Faith and the Advocate, and also the little book called, “The Promise of the Father.” I will certainly pay any one to subscribe for these papers, and also get the book, “The Promise of the Father.” I mean to press on until Jesus comes. Oh, glory be to Jesus! I mean to press on until Jesus comes. Oh, glory be to Jesus! Still saved, sanctified as a second definite work of grace and baptized with the precious Holy Ghost as Acts 2:4, and healed, praise God. Pray that I will be in the center of God’s will.

A sister in the King’s service.

SPECIAL REQUEST FOR PRAYER.

We have received a request for prayer from Bro. George A. Burns, who was in the East Oklahama Conference, but is now in a backslidden condition, and he asks that we publish this letter:

“I have always taken a stand against a hypocrit in our movement or out of it. I have no use for them nowhere, though I have had to bear the story of not being what I confessed, but I know God was in my soul. But now the story has come true. I have threw my hands up. I haven’t got the victory; I have backslidden. I am sorry, for I love the Pentecostal Holiness Conference and Church. Believe it to be clean. I am not like some of our former preachers who have backslidden, came out and go on and preach and fight the conference and church. I don’t mean to preach any more until I get back to God. I know my call was of God. I mean to hold the conference and church up before people, for I know it is right and has been a blessing to me, and I love it. Now I am going to ask the preachers who have talked about me and said things about me while I was saved and preaching in the conference and all church members, since the story has come true, to please talk to God about me in prayer. I wish all who backslides would get down and out and confess to the church and conference they are backslidden. We would have a clean work, that’s what we advocate. I love the Lord and mean to meet Him in peace. May God bless you brethren in your work. I am leaving here.

BRO. TURNER TO HONG KONG

Rev. W. H. Turner and family, who have been laboring so faithfully in the Kwontung district in South China, are now in Hong Kong. Bro. Turner has been appointed superintendent of all our work in China, and on this account was needful for him to transfer to Hong Kong. Sister Julia Payne has gone to Pakhoi to look after the work there and at Yamchow. Pray for our missionaries in China during these trying times. These missionaries have been faithful and we have some splendid results in China.
do to stand up long enough to preach, but I thank the Lord that I am able to do that.

Now, the object of this article is to say a few things concerning the school. I thank God for the glorious reports that I hear from this institution. People have written me from three states praising God for this school. Of course it is absolutely impossible to run such an institution without some friction now and then, but the power and presence of God has rested upon this school from the very day it was launched. Workers are being trained to preach, but I thank the Lord for the power and presence of God.

How do we go to do it? Well, we have fallen on this plan, namely, to urge each and every one who has pledged money for the school to send it in by May the 23rd. Do it if you have to borrow it. We borrow for everything else, why not for God's cause? Do it brethren and sisters, do it for Jesus' sake.

Then, Sunday, May 23rd, has been set apart as Kings College day for all our churches. Chairman of the board, Bro. Hall, and the Lord just took him away and has shown folks that He can run a school without any one certain person. Praise His name. It is the best thing that could have happened. It threw folks on their own resources.

But now this first term of school is rapidly coming to a close. May 28th, is to be the last day. The expense of conducting such a school as Kings college, where no room rent, board or tuition is charged is of course, enormous. But thank the Lord most all the bills except teachers' salaries are paid so far. But the teachers—God bless every one of them real good—have gone along without pay and without murmur. No one has sacrificed as have they. I suppose some of them have really needed things, but for Christ's sake and for the sake of the school they have done without and kept on teaching.

You will all recall that the board agreed to pay Dr. Ryder and wife the small sum of one hundred dollars per month for their work, and the other teachers the smaller sum of twenty-five dollars per month. This of course, is a mere pittance, but under God they were willing to make the sacrifice and have made it without murmur or complaint.

But I am so sorry to tell you dear reader that we have not paid them even these small salaries. God help us. Are we to send them away from this school May 28th unpaid, disappointed and apparently unappreciated after all their sacrifices? No, no, a thousand times no. By the grace and help of God we can and will send in a sufficient amount to pay these teachers. Our honor is at stake, our future is at stake and God's cause is at stake. We must, we MUST, we will pay this honest debt.

But how are we going to do it? I thank the Lord from this time forth and evermore. Thank the Lord for victory in the school thus far. We are now moving along finely on the last month of the first year of Kings College. God has most graciously been supplying the needs of the school. But the faithful teachers have only received a mere pittance of their dues, and there will be rents, gas and light bills for this last month to be paid. And it is time order to meet these demands and close this first year out of debt, we feel it advisable to set apart Sunday, May 23rd, as Kings College day, and take up an offering for the same; sent in to Dr. G. M. Ryder, president. Give name of donor, so it can be properly received. Yours—Jesus,

DAN W. EVANS,
