Reports From the Field

7 SAVED, 3 SANCTIFIED

Checotah, Okla., June 13.—Dear Bro. Muse and Faith family. I am praising the Lord this morning for free and full salvation. Praise the Lord. A revival began here May 28th and closed Sunday night, June 12th. There were seven souls saved and three sanctified, and nine baptized in water, and four received in the church. Pastor Elmer D. Lorance and Bro. Arthur P. Holley conducted the revival. The Lord blessed them in going out the Word. I am sure they would be a blessing in any community. They certainly preach the Word in its fulness. We praise the Lord for them. They will begin a revival ten miles north of Wewoka, June 28th. They covet the prayers of all the saints for the meeting. Yours in His glad service.

J. W. JENNINGS AND WIFE.

TWENTY-ONE SAVED

Hinton, Okla.—The church at Hinton is moving along fine. Just closed a four-weeks meeting. The Lord gave us some good services. One night Sister Carmack preached a sermon in tongues and the altar was full, and eight prayed through on old-time Bible lines and God wonderfully saved them. There were 21 saved and 4 sanctified during the meeting, for which we praise God. The saints are built up in the Lord and are on fire for God. And we are looking for a wonderful time in the Lord during the Quarterly Conference in July, and ask all the saints to pray for us. Your brother, saved, sanctified and the Holy Ghost abides.

S. D. DODD, Pastor.

Dinero, Texas.

We are in a meeting at Dinero; began a week ago last Saturday night. There have been three converted. Four were at the altar last night for sanctification and Baptism of the Holy Ghost. We have good crowds but this is surely a hard place to move. Six or seven held up hands for prayer last night. We had a good meeting at Clairville. 19 were saved, 10 sanctified and 5 baptized in the Holy Ghost. We can have twenty or twenty-five in a church there now. I started a prayer meeting there. We have two or three young men that God set on fire. They will be preachers in a few months. We ask the prayers of all the Faith family. We are almost sick. Wife is almost down. Pray that God will heal her. We want to be at the Camp Meeting.

REV. R. S. ROBERTS.

Supt. S. E. Stark of the Oklahoma Conference, has been engaged in a revival meeting at Coffeyville, Kans., where Bro. Hopkins is pastor. A letter from him informs us the meeting is only fairly good with a few saved.

WHY DID YOU NOT COME BEFORE?

A missionary said that on his station there was a young man who was wonderfully saved and had a splendid testimony, but many times the missionary found him in the corner, weeping and wailing. When the missionary asked him the cause, he always evaded the question. So the missionary asked him, “Have you any secret sins in your life?” “No,” he replied, “I am saved and the Lord has taken all the burden of my sins from me,” but he did not tell his secret sorrow.

One time the missionary went to him and said, “You must tell me what causes you to weep and wail so.” And the young man answered, “Some years ago my father was on his dying bed and was in such agony of soul. He had never heard about Jesus, and the awful guilt of sin pressed down upon him till he could not rest. He could not die nor could he live. In agony he passed away into eternity.” Then, with an anguish in his eyes, the young man looked into the missionary’s face and said, “Oh, why did you not come before my father died? He would have been saved. The first message of Jesus would have opened his heart and he would have received Christ and gone in to eternity as a child of God.”—Gustave Schmidt in Pentecostal Evangel.

In a future issue of the Pentecostal Holiness Faith we are asking the president of Kings College to write an article concerning the teachers of the college.

We are a little late this issue due to the fact of trying to give you some pictures of Kings College in its new home. We appreciate our readers and trust that if you like the Pentecostal Holiness Faith that you will tell others and get them to subscribe. If the paper is a blessing to you it should be a blessing to them.

After looking over these pictures doesn't it make your heart glad that God has opened up such an opportunity for the Pentecostal Holiness Church. And to succeed in this great undertaking it means we need 100 per cent cooperation from the entire church and its many friends. Shall the school have yours?

Would you like to have a personal view of the property at King's College, then come to the Oklahoma Conference camp meeting to be held on the grounds at Kingfisher, Okla., August 19 to 29.

REV. THOS. L. AARON, A.B., B.D.
PRESIDENT KINGS COLLEGE

KOREAN SUNRISE MEETING

Rev. Thomas L. Aaron, newly elected president of Kings College and School of Theology, we feel is thoroughly qualified to serve in this important role. Brother Aaron is thoroughly Pentecostal Holiness in every way. He has an A.B. degree from Oglethorpe University and a B.D. degree from the Atlanta Theological Seminary. He is also a graduate of the Holmes Bible and Missionary Institute of Greenville, S.C. A man of splendid character and pleasing personality.

Begin now to plan to be present at this first camp meeting on the school ground. This is our Nineteenth Annual Camp Meeting and Conference. The principal speakers will be Rev. Paul F. Beacham of Greenville, S.C., and Rev. J. H. King, general superintendent of the Pentecostal Holiness Church. A hundred or more preachers are expected during the Camp and Conference.

KOREAN SUNRISE MEETING

Rev. William Scott, of the United Church of Canada Mission in Korea, writes of a certain evangelist, Kim Sugno, by name:

"He's all the time at prayer,' said a fellow pastor to me. Such men win a following. I confess with shame that I was not always equal to paying the price he asked but, one morning, after a sleepless night of waiting for the hour, I got up at five o'clock and made my way to the church, about three-quarters of a mile away. Snow had fallen during the night and lay six inches deep, but there, in that little church, I found a hundred and fifty Christians were out through the cold, 'a great time before it was day,' and were now waiting to be led by Kim Sugno into the heart of God. Most of them did this for ten consecutive mornings."—Missionary Review of the World.
Evangelists Sheaffer and Carr closed the meeting at Soldier Creek Wednesday night, June 8th.

Pastor Albert J. Finkenbinder, of the Pleasant Valley Church, and family, were leaving Monday or Tuesday for a trip to Colorado. In a phone conversation with Bro. Albert, he states that Brother and Sister Campbell are soon to begin a revival meeting at Denver, and he expects to assist them a week or so. Prayer is requested for the meeting. May God open up the way for the full Pentecostal Holiness message in that city. Also please pray for Sister Finkenbinder, as she is not well in body.

On the fifth Sunday in May, the writer, together with Bro. Ira Landers and Scott Muse, in answer to a request to come and pray for Sister Newby, went to the Valley View church, where the Lord gave us a gracious service, and then a wonderful healing service and several were mightily blessed of the Lord. There is some of the pure gold tried in the fire at Valley View that we believe will walk with the Lord in white.

NEW CHURCH ORGANIZED

At the request of Bro. Golden J. Wilson, of Walters, Okla., the writer and eldest son, Scott Muse, drove down to Walters Saturday, where we preached at night, and on Sunday morning, June 12th, organized a nice little church there with nine members and others expecting to join later. Bro. Golden has done a wonderful work at Walters since he went there a few months back. He is well liked by the people and preaches a good clean Gospel straight from the shoulder. This church at present is having services in a store building on the main street of the town, and are expecting soon to buy a building and remodel it. There is a great opportunity before this church, and may God prosper them in His service.

NEW CHURCH ORGANIZED

Independence, Kans., June 12—So glad for salvation from all sin. I am at Cherryvale, Kans., in a meeting. Began May 29th. Sister Emma Barnes is helping in the meeting. Am still here. Will close tonight. The Lord willing. Five were saved, 3 sanctified and one Baptized as Acts 2:4. Organized a good church with 19 members. More coming soon. There are three good preachers in the church. They have a good new church and all the trustees came into the church, and are our trustees now. They called Bro. A. L. Hinson as supply pastor. He got the Baptism last Sunday night, and two old men got saved, one of them Brother Hinson's father. So glad to see the old people get ready to meet the Lord. Pray much for this new church, as there is much opposition against Pentecost here. All of our saints passing through please stop and help these dear ones out and make them feel they are welcome with us. Thank God for every one of them. One dear Catholic sister got saved. Pray much for me and mine.

MARIETTA TRADER.

Clareville, Texas.

We closed our meeting Sunday night at Dinero. Four were gloriously saved. One old Methodist Episcopal member got sanctified. He had a hallelujah time at home. He was at the altar but did not get through, so at home the next day he got through. Praise the Lord. We came back to Clareville last night. Will be here tonight, tomorrow night and Thursday night we will go to Kine to preach in a church. So want us to hold a meeting the: We will see when we get the: We ask all your prayers. Wife sick. Request the saints to pray as soon as you can.

A thought bearing on my mind today. How are you? Can people tell how we are the way some do that belong to our rank and other holiness movement. We ought to let our lights shine, tell folks how we are, what we believe and always have an answer concerning our doctrin. Some people are Pentecostal Holiness until some responsible comes to them when they need to put a little kindling on the fire.

THE PENTECOSTAL HOLINESS FAITH

A FEW WORDS ABOUT KING COLLEGE

We believe that the Educational Board of King College was ordered by the Lord when they voted to locate the school at Kingfisher, Oklahoma. It looks as if God has placed in our reach the greatest opportunity the Pentecostal Holiness Church in the Mid-West has ever had along educational lines. God has verified the promise made in Jeremiah by showing: "Us great and mighty things" that we knew not of. We did not know about the college buildings at Kingfisher that were abandoned and left to ruin, but God knew all about it. We give Him all the praise for bringing such knowledge to us. The man with whom we signed the contract for the school property said that he believed he was divinely lead to give us a chance to purchase the property. Brethren, we believe the purchasing of this is of the Lord. Let us thank Him again and again for bringing us the great opportunity that now awaits us in the present location of the school.

The school buildings for which we have signed a contract were built by the Congregational Church. This church maintained a college at Kingfisher about 25 years. During this period of time they purchased one hundred and twenty acres of land, built three dormitories, one large administration building for class rooms, a president's home and a home for the teachers. The one hundred and twenty acres of land has been laid off in lots and this will enable our people to buy lots and build homes right on the school grounds. The college is located in a beautiful section of the country. The land is fertile and the elevation makes it a healthful climate. It is an inspiration for anyone to drive out to the campus and see the splendid college buildings situated on a hill overlooking the city of Kingfisher. I think all will agree that King College has at last been located where God wants it, when you look over the buildings and the campus one time.

Buildings

In the large picture there are three buildings. The building on the left is the girls' dormitory. There are about twenty-seven rooms in this building and a large cement basement. Also, the building on the right represents the boys' dormitory. The boys' dormitory has nearly as many rooms as the girls' dormitory. Both of these buildings are made of brick. The administration building in the center of the large picture will house the most of our classes. The chapel is on the third floor of this building. In the small picture we get a view of a stone dormitory and it is one of the newest buildings on the campus. This building has twenty-two large rooms. The building designated as the president's home is made of stone, also. It has some eight to twelve rooms. The only frame building on the campus is known as the teachers' home. It has about eight or ten rooms. The man from whom we are buying is to build a large dairy barn for us.

Equipment

Every building is to be equipped with new furniture throughout. Each room in all of the dormitories will be furnished with a metal bed, springs, one mattress, pillows, two chairs, one study table and a chiffonier or dresser. The class rooms in the administration building will be equipped with desks and arm chairs. All the dormitories will be equipped with lavatories and bath. Each building will be modern. There will be hot and cold water in each building. All of the buildings will be heated with hot air or steam. The chapel will be seated with the best grade of folding chairs. The walls of every building will be calcimined or papered. The woodwork will be varnished and the floors stained. The buildings are all to be put in first class repair. In short, we are to have everything we need to develop a first class school.

Courses of Study

There will be a graded department in the school for the grade work. We want to arrange the courses in such a way that our people may let the small children enter a Holiness school.

High School

We will have a regular high school course. We expect to bring this department up to the standard of a recognized high school as soon as possible.

Commercial

There will be a commercial course offered also. In this department we shall endeavor to offer courses in bookkeeping, business English, business arithmetic, business law and stenography. Those who take stenography will specialize in shorthand and typing.
Music

In the department of music we expect to give instruction in both instrumental and vocal music. This will include piano, violin and other stringed instruments. Also instructions will be given in wind instruments. This course will cover all of the familiar wind instruments.

Theological

The Theological course will be practically the same as the one offered last year. A fuller description of this course and the high school course, also, may be obtained if you will write for a bulletin of King College.

College Course

Those who are prepared for college will have a chance to take some work in this department next year.

The Future

Several have asked me if our school is on the accredited list. At present it is not. We hope, however, to have it on the accredited list in one or two years. We can not make a sure promise that this will be realized, but we shall work toward that end. The work accomplished during the one or two years preceding the time it is accredited will be recognized as accredited work. Anyway, the school is already on Heaven’s accredited list and we want it there before we are accredited here. We know of nothing to hinder us from having an accredited school within the next year or two.

Something will appear in the columns of this paper about our teachers in a later edition.

The needs of Kings College will be great. We covet your earnest prayers that God may supply every need of the school. Please do not forget to pray for it each day. We want God’s highest will to be accomplished in everything. God alone can cause the work to prosper as it should.

Those who desire to enter the school should write for an application blank at once. We are receiving many applications now and, of course, if you wait too long you may not have a chance to enter school next year. If we can give you any information concerning the school it will be a pleasure to do so any time.

Yours in the Master’s service.

THOMAS L. AARON.

A TRIBUTE

In publishing this issue we much about Kings College School of Theology, it would be complete without a tribute to Rev. Dan W. Evans, superintendent of the East Oklahoma Conference. While many have sired a school, but none have labored so incessantly in prayers and personal efforts as Dan W. Evans. He has untiringly labored towards this end for years and spent much time and money in this work. He has seen known no discouragement. Bless Dan W. Evans for his years of effort in behalf of the establishing of a school in the West.

Together with others he founded King’s College temporarily in Checotah where two terms of school were held. We are sure that we do not have a picture of Brother Evans for this issue.

NEXT TERM OF SCHOOL

THE PENTECOSTAL HOLINESS FAITH

Seminole, Okla.

I praise God this evening for full and free salvation. I praise God because He heard and answered prayer and gave us a revival sent us as fine a preacher as I have heard, Brother T. A. Melton of Pauls Valley did the preaching, which was fine and enjoyed by all. Brother Melton is a real man of God. We pray God's richest blessings on him in his labor for the Lord. There were six or seven saved, three sanctified, and three received Pentecost. The saints were encouraged and built up. He also organized a church here at Carr. with six members and others to come in later. God wonderfully gave us a Pentecostal Holiness Sun. lay School last October and now He has given us a church, so we are few in number and are weak, but pray that God will help us to move on for Him and be a light in this community for Him, that the lost may come to light and be saved.

We will give a brief report of our Sunday School as we are commanded to do so. We only have four classes, but have good interest, but plenty of room for improvement. We have an average attendance of about 35 or 40. It seems to be growing. Please pray for us, as we want to do our best for God. Yours Sister in Christ.

VIOLA BROOKING.

Chanute, Kansas, May 30.

To all those who have obtained the like precious faith. Greetings in His dear name. We have just closed a revival at Wynona and God surely met with us in power. There were large crowds. Thirty-four prayed through on all lines and many new friends were won for Pentecost. When we went there there were just ten members, but now we have a real little church there of thirty-six members and there has been six acres of cotton pledged to build a new church and several others promised to help. All who know how to pray, pray for that church. We are in the Evangelistic work again and are now in a meeting at Chanute. God surely is on our side here, so please pray for us and the meeting.

LEE F. HARGIS,

Chanute, Kansas.

Here I am once more, I thought I would write a few lines, as I have been silent about six months. These few lines find me still enjoying the blessings of the Lord. I have not been out in any meetings for about six months and I am getting anxious to get out in the work for the Lord once more. If anybody would like me to hold a meeting I can hold them one the first of July.

Your brother in Christ,
REV. J. T. Copenhaver.

KANSAS CONFERENCE CAMP MEETING

Bartlesville, Okla., June 4, 1927

The Kansas Conference and Camp Meeting will commence July 15 to 25. Main speakers will be Rev. J. H. King, general superintendent of the P. H. Church of Franklin Springs, Ga., and Rev. Lewis Swagalsky, a converted Jew, of Greenville, S. C. These men are able ministers of the church and are well known among our people. Plan to come and hear their soul-stirring messages. This is a privilege that just comes once a year and we should begin now to prepare to come and stay through the whole camp. The meeting will be held at Coffeyville, Kansas. The tents will rent for $4.50, and cots for $1.00 for the entire camp. Everybody pray much that the Lord will give a real out-pouring of the Spirit.

Respectfully in Him,

Box 633, Rivera, Calif.

I just want to praise the dear Lord for salvation through the little paper. This leaves us still on the front for King Jesus, our soon-coming King. He is our Captain and He never did lose a battle. I am still looking up, for I know He is coming soon for me. Want all the saints to pray for us that we will stand true and fight sin on every hand. If there ever was a time in the world that we need to pray it is now, for the devil has got even the air that we breathe poisoned until we just have to press our way through, so, saints, hold on a few more days and I then we will possess our lot with Him. I am saved, sanctified and filled with the Spirit.

C. E. WILBORN.
TEACHERS WANTED
For Kings College

We are in need of two or three teachers who have had experience with God and who are in full harmony with all the doctrines of the Pentecostal Holiness Church. Those who can meet the requirements and would be willing to sacrifice in order to teach in a Holiness school will please communicate with me at once. We prefer those who have a degree from a college, though this is not absolutely necessary.

QUARTERLY CONFERENCE

The last round of the Quarterly Conference of the Oklahoma Conference will convene as follows: The Oklahoma City District was voted to be held at Norman, but the pastor of said church, after consulting with some members, decided it would be best to hold it at a different place. Therefore the Quarterly Conference will meet with the Enid church, Friday, July 8th to 10th. Please send all reports to me at General Delivery, Enid, Okla.

The Quarterly Conference for the Mountain View District will meet with the Hinton church, July 15 to 17. Send reports to me at Hinton. Devotional services Friday night at each place and a business session will begin at 9:30 a.m. Saturday.

Let every member of these conferences be present, and each church have a delegate and report, as this will be the last Conference for the year! So come, praying that these may be the best of the year. May God bless every church and every member and all the churches, and the sweet peace and harmony that have prevailed in our midst this year. It has been like the precious ointment upon the head that ran down upon the beard of Aaron, and he went down to the skirts of his garments. Praise the Lord. Your brother in the Lord,

MISS GLADYS LANGLEY.

Chickasha, Okla.
I have just read my little Faith paper. I am sure glad to get it, for it fills my soul with joy to read those good testimonies and so many getting saved. Well, I want to report victory in my soul today. I am still saved, sanctified and the Holy Ghost abides and by the grace of God I intend to be at the marriage supper. Yes, Jesus said, “I will neither forsake thee nor leave thee.” Pray for us.

Your Brother in Christ,
Mr. and Mrs. Claude England

Granger, Washington.
I am glad I am saved, sanctified and filled with the sweet Holy Ghost. Bless His sweet name. I enjoyed reading the testimonies and rejoiced to read the ones from the people whom I knew, that is, the State from which I came. There are not any Pentecostal people here. There are some people here who are called Pentecostal and preach the four-square gospel. They don’t preach sanctification, although they are good people. I am sending in a song that someone has requested. Will you please print it in the Faith paper. I will close by saying pray for me. Bless His name.

Your sister in Christ,
MRS. ADDIE BENNETT.
