159 Saved and 105 Sanctified
71 Receive Baptism of Holy Ghost
in Wonderful Wagoner Revival

A great revival has swept Wagoner, Okla. The greatest ever held in the county, and probably the greatest real old-time revival held in the state during the year. The meeting was held in the Pentecostal Holiness Church, where Rev. Dean Smith is pastor. The Taylor evangelistic party, with Rev. Emma Taylor doing the preaching, held the meeting. It would be impossible to describe the many hard fought battles and the great sweeping victories as soul after soul was brought into the Kingdom, and believer after believer was sanctified. And the Latter Rain came not in intermittent showers, but rather a drenching Latter Rain that filled and thrilled scores of men and women with the mighty power of the Holy Ghost. Many times the waves of glory swept the congregation until it was impossible for the preacher to preach, and shouts and hallelujahs rent the air and saints shouted, danced and talked in tongues, singing and making melody in their hearts to the Lord as victory after victory was gained. Hardened sinners wept their way through, and chronic seekers went through on the mighty waves of victory that swept the altar services, wherein 159 sinners wept their way through and came up new creatures in Christ Jesus, having through the power in the Blood of Jesus left the paths of sin and found their way into the great Kingdom of God. And 105 realized the power in the Blood of Jesus to definitely sanctify them. While some folks think it can't be done, thousands have proved the fact of definite experiences of sanctification. Some 71 were filled with the Holy Ghost according to the pattern in the Acts of the Apostles and came forth speaking in other tongues as the Spirit gave utterance. A great testimony to Wagoner of the power of the old-time Gospel. Many claim to have the old-time religion, but some get the genuine experiences. Bro. Dean Smith, the pastor, modestly sends us the following concerning the meeting: "Wagoner, Okla. Dear Bro. Muse and Faith family. Greeting. Will give a report of our wonderful revival. On the 14th of November Brother and Sister Taylor arrived to begin the battle, and for 6 weeks we have had sweeping victory. The revival began from the first night on until the close. Old men who have lived here all of their lives said there has never been such a revival here. People have prayed through every night. Truly Bro. and Sister Taylor are fire-brands for God. They are the best evangelists I have ever met. They carry a burden for the lost. Sister Taylor did the best and cleanest preaching I have ever heard. There were 159 saved, 105 sanctified and 71 received the Baptism of the Holy Ghost. 98 joined the church. Closed with sweeping victory and house packed. Many prayed through in the last service. Yours for a great work. Dean Smith, Pastor." This was indeed a wonderful meeting from many standpoints, and we are glad that so many of them came into the church for the protection it affords young converts as well as old. Every man and woman saved needs a church home.

NEW YEARS RESOLUTIONS

I hereby resolve not to let the devil use my mind for a melting pot for his slop; nor my ears for a slop-jar to pour his filth in; nor my eyes to behold scandal; nor my mouth and tongue for a spout to spray his slime over the church or neighborhood.

I hereby resolve not to be related in any manner to the polecat family to always keep a stink in the church or neighborhood.

But I hereby resolve to let my heart be filled with the sweet fragrance of heaven and to let my mind think on pure things, my ears to listen to the voice of God’s word, and to make my mouth drip with honey from heaven and to continually let it pour out sunshine and blessing to mankind.

To smile, instead of frown; to raise, instead of curse; to appreciate, rather than grumble.

To be honest, just what kind of food do you like best; carrion or honey? Had you rather listen to scandal, or to a commendation of some good person?

No news has been received from India concerning Bro. Geo. A. Byus, who was reported ill with fever in India. We feel that God has wonderfully undertaken for him. Thousands of prayers have gone up for him. Quite a number prayed all night when the news of his illness was received. Bro. Byus has a warm spot in the hearts of Oklahoma saints.

“The theater is intended to entertain, the secular lecture attracts and instructs; but it can not be too frequently repeated that the pulpit is neither for the showman nor for the lecturer. Its only reason for being is that it may dip into an unplumbed well of revealed truth, to bring forth things new and old for the comfort of those who labor and are heavy laden—to bring up fresh, sparkling, refreshing draughts of the water of life. An ethical essay, a pious exhortation, a holy entertainment consisting of anecdotes (no matter how well told, and with or without a peg on which to hang a moral), a religious onlooker’s view of passing events—and all similar performances—must be clearly distinguished from the Christian idea of preaching. ‘He alone is a true preacher who is a mouthpiece of the oracles of God.’

Rev. Wm. Quintal and wife are now in South Texas.

Rev. M. L. Dryden has changed his address from Clarita to Route 3, Stonewall, Okla.

Supt. S. E. Stark has been visiting the Trinidad, Colo. church, also the Hammon church, and at present is with the Three Sands church.

A letter from Pastor G. W. Knight of the Gotebo church informs us that they were putting in the new church seats there.

Rev. S. D. Dodd has resigned as pastor at Hinton and Rev. Mollie Wilson has been placed in charge of the work there.

Evangelists Emma and Ernie Taylor were in Oklahoma City for a few days following the great meeting at Wagoner. They are to begin a meeting at Westville, Okla., Sunday, Jan. 1, 1928. Pray that God will continue to bless them in their work and make them a blessing to thousands.

Wednesday night, Dec. 21, we were at the Valley View church with their pastor, Rev. C. Foster, for a Missionary service, and organized a Missionary society. There are some pure gold at Valley View.

Evangelist Willa Short recently held a successful meeting at Greenville, South Carolina, at the Holmes Memorial Church. She spent Christmas at home and preached a splendid sermon at the Oklahoma City First Church, Christmas night. The altar was full of seekers and one was saved. Sister Short leaves in a few days for a series of meetings in the northeast. Her first meeting will be at Sharon, Pa., in the Pentecostal Holiness Church, to begin Jan. 8. From Sharon, she goes to Buffalo, New York, where she is to hold a meeting for the Pentecostal Holiness Church at that place.

ADA REVIVAL

Ada, Okla.—Our revival closed Sunday night, Dec. 4, with good interest. Bro. Bill Dryden did some fine preaching. All the people could not get into the house on several occasions. We were glad to have Sister Weatherford, Sister Carmack and our Supt. J. D. Mahaffey with us. There were 18 saved, 11 sanctified and 10 received the Baptism of the Holy Ghost. Several were healed and 18 additions to the Church. Bro. J. D. Mahaffey also organized a P. Y. P. S. for us. I am glad that our church is on fire for God. I am still saved, sanctified and filled with the Holy Ghost and looking for the soon coming of Jesus.

IRENE McIBROOM.

Rev. J. W. Warren and his wife were with the Oklahoma City First Church and the Oklahoma City Second church Sunday, Dec. 18. Bro. and Sister Warren are raising their fare to go to Africa as Missionaries under the auspices of the Pentecostal Holiness Church. They are fine young people, and we bespeak for them a wonderful ministry in the Lord. A wonderful service was held at the First Church and the congregation has responded with an offering of $117.21 on their fare. We enjoyed having them in our home. God bless them in their labors.

Rev. W. J. Yeager, Jan. 1 to 3; Westville, Okla.

Kings College dismissed school for the holidays and most of the students spent Christmas at home. School is to be resumed again on Tuesday morning, Jan. 3rd. The great revival that swept through the student body embraced almost every one of them. Only a few that were not saved. Pray for the school as they again enter their labors, and for the new students that may be enrolled.

MT. VIEW MEETING

Mt. View, Okla., Dec. 25.—Dear Bro. and Sister York have been holding a revival meeting for us for the last four weeks. They surely have been a blessing to this community, for which we thank God. There has been somewhere near 44 experiences that prayed through on old-time lines. I think we have one of the finest churches in the land at Mt. View. We covet the prayers of all of God's children.

J. H. KERN.

Supt. Chilcoat, of the Texas Conference, writes us from the Monte Ne, Ark., Ozark Industrial College, that his ten-year-old daughter has received the Baptism of the Holy Ghost. Also he informs us that Bro. Lynch has a good Missionary Society at the College there.

Monte Ne, Ark.—Greetings in the name of Jesus. As it has been some time since I have given in my testimony, I will say that I am still saved, sanctified and filled with the Holy Ghost and looking for Jesus' soon coming. I am encouraged to go on. I just closed a revival at Frisco Springs, Ark. There were six saved, one reclaimed, for which I praise the Lord. To him belongs all the glory. Yours in the King's service,

IRA FAHNESTOCK.
THE COFFEYVILLE MEETING

COFFEYVILLE, KANS., DEC. 21.—Greetings to all who have obtained like precious faith. We are in the midst of a revival here at Coffeyville. God certainly has blessed. At the first altar call 10 came to the altar and 4 were saved and 1 sanctified. Folks came crying to the altar and lifted their hands and voices to the best friend a sinner ever had, and cried for mercy, and the Good Samaritan had compassion on them and saved them.

We just came from the Texas Conference, where God gave us some glorious revivals. About 174 prayed through on all lines, 35 came in the churches, and baptized 16 in water. We sure found some real gold there. And they know how to take care of an evangelist. I found some good pastors who did not have any pets and who had hearts to love everybody, and their enemies, too. We were at Abner Cross Roads a few nights, and God moved on us to come to Coffeyville, Kansas.

One night at Abner Cross Roads I was speaking and there was a heavy burden came on me and the altar call was given and one came to the altar and after we dismissed there was a married man came to me and said that he was torn up, and went to crying and left right then. As he got outside of the church God saved him before he got to his car. And we made an appointment and we stayed with it, but they did not know what I had found. Bro. Hively was there praying for me, may God bless him; how he prayed for me. May the Lord bless all that helped me through to Salvation. There was Sister Hively and Grandma Russell, whom I never will forget. By the time another Christmas comes some of us may go to be with Jesus. Sometimes I long to see Him. When you pray for all you can think of, pray for me and my family.

Seminoles, Okla.—Dear Faith family. Greetings in Jesus' name. I am praising our Lord Jesus today for victory over sin. Peace in my soul and joy in my heart. Another Christmas and New Year and I am still determined to go through. Eleven years ago last September at old Love schoolhouse, Bro. A. P. Price was conducting a revival where I found my Lord. Glory to God. I never will forget that night. Some of the boys said that I would not stay with it, but they did not know what I had found. Bro. John Hively was there praying for me, may God bless him; how he prayed for me. May the Lord bless all that helped me through to Salvation. There was Sister Hively and Grandma Russell, whom I never will forget. By the time another Christmas comes some of us may go to be with Jesus. Sometimes I long to see Him. REVIVAL IN CHINA
By George T. B. Davis

In Shantung province there has been recently a remarkable outpouring of the Spirit of God along the lines of the Welsh revival. Mr. L. C. Osborn of Chao Cheng, Shantung, in applying for a grant of 2,000 Testaments wrote:

The missionaries of our station are waiting on God many hours a day for a mighty revival in China. He has revived our own hearts, and we are having the greatest results we have ever known. The Lord has been getting me up as early as 3 o'clock in the morning to watch and pray. God's Word was never so precious. People have got under conviction of sin right in their homes and have prayed through to forgiveness. Our church is a dierent church. Prayers of coming day to be prayed with. The revival is spreading. Praise God! All Glory to Him!

Later Mr. Osborn sent a further account of the remarkable fruitage of the revival in confession of sin, restitution and changed lives. He wrote:

"Restitution money, along with the regular church offerings, including promises to pay back money to persons they had deceived, amounted to around $750 in three weeks' time. During the three weeks, although our church meetings were held practically every day, no one was able to preach a regular sermon. Our Sunday School and regular preaching services were all broken up with the confessing of sins, weeping, praying and exhorting each other from the Word, as different ones were moved by the Holy Ghost.

"It was such a blessing to see open Bible all over the house. Some of the 'sinners' confessed as follows: A young man was so deceived by the devil that he intended to murder his whole family and then to commit suicide. Another stole over $300 worth of narcotics. Still another defrauded a friend out of $100. One church member, before conversion, poisioned two of his neighbor's cows; another confessed to shooting a man.

"The revival spread to the outstations and whole families were united and reconciled to each other. One Sunday there were over one hundred seekers at the altar of mercy. Practically all of these were people who had heard considerable preaching—parents, relatives and friends of the Christians. On this day there was much weeping and people dropped to their knees all over the house confessing their sins. Dismissed church members were praying for mercy, and those for whom we had almost given up hope were mightily revived. People came in for many miles around. God was nour midst. We shall never forget it. But if Jesus tarries and we are permitted to return to our work, we believe we shall see the 'greater things'.

"It may be true that we are now on the eve of an era of unparalleled spiritual progress in China. A missionary writes from Hong Kong that the leading native evangelist of South China recently said, 'There will be a hundred thousand more Christians in China two years from now than there are at present.'"—Light and Life Evangel.

STEPPING FORWARD

We rejoice over the reports of the good work in China in our own Pentecostal Holiness ranks. Many have been convinced of sin and convinced of the Gospel, and surrendered their lives into the hands of the crucified and risen Saviour. All our work in China is forging ahead, and in the work at Shaukiwan Mission (Hong Kong) some 120 have been brought to God within a period of about a year and a half. A total of 130 brought to the Lord in our work in Hong Kong alone in less than two years is splendid work when we recognize that these have been brought from darkened heathendom. In fact, it is a far better report than most of our own efforts in the homeland, where we have so many workers.

During October of this year alone in less than two years is splendid work when we recognize that these have been brought from darkened heathendom. In fact, it is a far better report than most of our own efforts in the homeland, where we have so many workers. During October of this year alone 15 people turned from idols to Christ. The Lord has given to Foreign Missions a total of $215.90. The largest individual contribution was for $100.00 from Bro. Gilbo of Apache. The Lord blessed him and in return he gave $100.00 for the Gospel to those groping in heathen darkness.

When Warren Stratton, son of Dr. John Roach Stratton, of New York City, received the Baptism of the Holy Ghost, it caused his resignation of 5 deacons. The Holy Ghost came and the deacons were left. They should have left sooner, for no man should be a deacon without a case of real salvation. If you cannot stand the presence of the Holy Spirit in your midst, what will you do at judgment? You can run from the Holy Spirit to the world now, then it will be too late; no fire and brimstone for you then.

Prayer is the horse that pulls the GOSPEL plow.

A heathen person is not ignorant of everything.

A person without PATIENCE should never come to Africa as a missionary.

A missionary is like a storage battery, he needs to be charged up occasionally.

Africa is in the need of prayer, more than the need of money.

A person must have more than his testimony to win the heathen to Christ.

A missionary's efforts are fruitless unless he has fervent prayer at his back.

I never knew how to sympathize with Moses until I spent three years in Africa.

Africa is open to the GOSPEL, what we need is more prayer, faith, missionaries and finances.

A missionary in Africa can accomplish very little by himself.

The greatest joy of my life is to see God dealing with a black person with a black heart.

Three of the biggest devils we have to face in Africa are the polyamy-devil, drink-devil and the witch-devil.

One of the greatest joys of mission work is when you are going through the hardest of places and suddenly you feel someone take hold of God on your behalf.

D. D. FREEAN.

Miss F—— had a splendid Christian mother that enjoyed God's religion. Through varied and sunry circumstances, Miss F—— started the downward plunge. Sin gripped her with an iron hand. Mother slipped away to be with the Lord. The merciless hand of sin refused to let go of the wayward daughter. With men and money, and wine and song to plunge her downward, she had virtually surrendered to all the baser sins of life. She became a drunkard, a cigarette fiend, her face drawn and marked with the terrible ravages of a depraved life. She was a frequent inmate of the jail. One day, in the providence of God, while some of the saints from the Oklahoma City First Church were holding services in the women's ward at the jail her heart was touched. She had yearned to know God, but sin had such a viselike grip she could not break its shackles, and she was on the verge of giving up in despair, but now, again she felt the wooing of God's Spirit. She determined by the help of God to wrest herself from the clutch of the devil. She wept and prayed. God touched the heart of the judge and he released her. With a few of the workers she wept and prayed and battled and finally victory came, a smile overspread her features, that soon turned into a laugh, and then a war whoop of victory. A captive soul set free. A mountain of sin removed. She felt, oh so different. Her face no more was haggard, but now beautiful and a-glow with sunshine from heaven. She had found God and peace and rest to her soul.

Henrietta, Okla.—I thank God for the pure, undefiled word of God. And thank God that there are yet some dear ones that still love the Word, and are not afraid to preach it. The devil hates what God loves and that is why Satan and I don't agree. We agreed to disagree and I gave my house a new tenant and praise God we have lived happily ever since. For the tenant I now have keeps the place up well and happy singing praises to the Most High and glory to the Lamb that died to take away the sins of the world, and mine was included. Hallelujah. My soul is rejoicing in the Saviour's love, under the Blood and filled with the Spirit to the outpouring point. Love to the Faith family and may God's richest blessings hover over all is my prayer.

MRS. JOSIE HAMLIN.

Centerville, Kans.—Praise God for old-time salvation that makes you feel good down in your soul. Thank God for the saints at Centerville. We are going over the top for Jesus. Have been here since about the middle of October. Has been 5 new members added to the church. We had the Lord's Supper and foot washing last Sunday and oh what a time we had! Pray for us here and for the Church that God will have His way.

BELLE WRIGHT.
WAR WILL WRECK WORLD

According to dispatches from London, published in The Times, Dec. 30, Viscount Cecil says another great war would mean the break-up of civilization. He says "If another great war is allowed to come, it can only mean the break-up of civilization. The nations' powers for recovering from such devastations are not unlimited."

And according to dispatches frequently printed, it is freely predicted by world-famous men that such a war inevitable considering the conditions now existing in Europe and other parts of the earth. And it is generally conceded, as far as we have read, by military men and scientists that this coming war will prove tremendously more devastating than the recent world war.

To those acquainted with God's word, they know beyond any question that the league of nations, nor any other combination in the world can prevent a conflagration that will envelop the world. Rather, these Godless combinations are definite signals to students of prophesy of the coming conflicts. These puny efforts of man to stop wars without seeking God, and without the cleansing power in the Blood of Jesus applied to the hearts of men, are only that that is preparing for the anti-Christ and the bloodiest conflicts of all history.

Bible students see that blood will flow freely in the coming battles. Most of the prophets tell of this coming conflict that eventually will end in the battle of Armageddon. War such as never was known is just ahead for this world.

The very one that the world is preparing for in the formation of this league of nations will be the very one to begin the butchery and bloodshed that will bathe the world in man's blood.

HEALED OF MENINGITIS

Choctaw, Okla. — Dear Bro. Muse and Faith family, I am taking this means of letting my whereabouts be made known. Blanco is 39 miles from San Marcos, due west, that is the nearest railroad, but Gospel can go where the railroads can't. We have a nice band of saints at San Marcos and wife has a regular appointment there every fourth Sunday. No saints here at all, but we have a union church house where any denomination can preach, so we can have an appointment here every second Sunday. Brother preachers, if you want new territory come this way. There are thousands and thousands of places down here. From El Paso to here a strip two or three hundred miles wide, where people never heard of Pentecost or Holiness. You can't look for any support except from God when you come. If you are soft, don't start, go to the altar. Just as long as Pentecost Holiness preachers lag behind on account of financial support, Pentecostal Holiness will never spread. If you want to be here when some new ground is broken, we have started to play. Praise the Lord. Your brother and sister in His service, WATT and THALA ELLIS.

PENTECOSTAL CHURCH GOES UP IN CITY

Under the above head the Valley World (Weslaco, Texas) gives the following account: "Erection of a neat, new frame church building of commodious size, is being completed by members of the Pentecostal church here, of which the Rev. J. P. Pinkston is pastor. The edifice is being constructed at the corner of Indiana Ave. and Seventh St, southwest of the canal. The Pentecostal denomination has been holding services in the Community House for some months, and under the leadership of the Rev. Mr. Pinkston has greatly increased its membership until the church building has become a necessity."

NOTICE

To the Ministerial and lay members of the Kansas, Texas, Oklahoma Conferences of the Pentecostal Holiness Church:

At the last School Board meeting of Kings College it was voted that all ministerial members be asked to pay $5.00 and all lay members $1.00 each for the raising of funds to pay off last year's indebtedness that was made while the school was located at Checotah. All four of the Conference were represented at this meeting. Now, brethren and sisters, we are all responsible as a body for the indebtedness and those whom we owe deserve their pay, and we have waited so long, and at the present only a small amount has come in. Let us put forth the greatest effort possible to pay this debt. I am burdened about this debt, and I would pay every cent of it out of my own pocket if I had it. But I haven't got it, so let each one do his or her part that this debt may be lifted, and those who labored in our school last year may have their pay, and God will bless you for helping His cause along in this way. Please send all offerings for King College to O. C. Wilkins, Box 17, Kingfisher, Okla.

O. C. WILKINS, Sec.
Verdie Strunk, a beautiful little 4-year-old girl that loved and praised Jesus, slipped away to be with the Lord Dec 22, 1927. She budded on earth to blossom out in glory. The funeral service was held by Dan T. Muse, after which her little body was tenderly placed in the Fairlawn cemetery to await the coming of Jesus.

Mrs. Julia Stoner was born in New York State some 68 years ago. Had lived in Oklahoma City about ten years. Her weary soul took its flight to rest, we believe, with her Lord, Dec 23. Funeral service was held Christmas eve day by Dan T. Muse, and her body was placed in the Fairlawn cemetery to await the resurrection.

Newton Wakefield, aged 73 years, 1 month and 11 days, passed away suddenly the morning of Dec 27, 1927. He was born in Georgia. He is survived by a faithful wife, Sister Elizabeth Wakefield. The funeral service was held by Dan T. Muse Dec. 28, and the body laid away in the Fairlawn cemetery to await the resurrection.

T. A. Eppler was born Sept. 2, 1854, died Nov. 14, 1927. He was a devoted Christian for 48 years. Our dear father, thou art gone but not forgotten, never from our memory fade. Loving hearts will always linger around the grave where thou art laid. There was not the faintest sigh as he left his earthly house, but he whispered ere he left us, “Farewell, children, I am gone.” Yes, he is happy now in glory, as he went to meet Him face to face.

So, let us not be weary, then, For when o' near the work we cease,
Through ceaseless ages we shall bow
And worship Christ, midst joy and peace.

King's College now has just begun,
And its great work shall never end.
With patience, then, our race let's run,
And life beyond with Christ we'll spend.

KINGS COLLEGE

King's College stands, a lighthouse bright,
A saving station, seems to me,
To rescue souls in darkest night,
Adrift upon life's cruel sea.

This little college from God's hand,
By Him supplied, by Him sustained,
Shall start for God a noble band
Which ne'er shall rest till Heaven's gained.

God moves at will among us here,
Through answered prayer He saves.
He rescues souls from darkness drear
So near engulfed by angry waves.

These precious souls from sin set free,
To other souls in love shall go;
And other souls shall rescued be
From lives of sin, from lives of woe.

At home, abroad, where'er God calls,
From out this College souls shall go
To loose the bands where sin enthralled,
And God's great love to sinners show.

And these in turn shall carry on God's wondrous mercy, love and grace,
Till from above we hear "Well done,"

And rise to meet Him face to face.
