FAMILY IN FRENZY OF JOY AS CRIPPLE BELIEVED TO BE CURED BY RELIGION

Born a cripple and told by some of the best surgeons in the state that her case was hopeless, Beulah Turner, 15 years old, today is cured—as the result of a revival conducted by the Pentecostal Holiness Church, Turner, Okla.

The whole family in a frenzy of happiness. They said, 'We are all healed. We have felt the touch of the Lord.'

When the family observed this taking place, Mrs. Simpson says they all fell to their knees on the floor and started shouting the praises of the Lord.

When the second foot was cured Sunday night at the tabernacle, in full view of all who attended the meeting, Mrs. Simpson said, "Suddenly, a hush came over the audience that lasted for nearly two minutes."

"I couldn't take my eyes off Beulah's foot, for, praise the Lord, it was straightening out, too. Everybody in the audience was watching, too, and when it stopped, they all just shouted the praises to the Lord," she concluded.

Suddenly, she told, one of the girls started talking in an unknown tongue. While the strange sounds were issuing from this girl's mouth, a strange sensation came to the crippled girl. She called attention to one of her feet. It was straightening, she said! She could feel the transformation taking place in the limb which up until this time had been almost useless!

When the family observed this taking place, Mrs. Simpson says they all fell to their knees on the floor and started shouting the praises of the Lord.

"And Praise God," she said, addressing the reporter, "You would have done the same thing, too, if you had been here."

The second foot was cured Sunday night at the tabernacle, in full view of all who attended the meeting, Mrs. Simpson said.

Mrs. Simpson told the first part of the story with eager haste, although she left out none of the details.

"I was right beside Beulah when we all started praying for her," Mrs. Simpson said. "Suddenly, a hush came over the audience that lasted for nearly two minutes."

When the cure was taking effect, it is told, the limb was seen to be jerking, gradually straightening out until it assumed natural shape—Kiowa County Review, Hobart, Okla.

The above miracle occurred in the revival meeting being held at the Hobart Pentecostal Holiness Church.

THE KANSAS CONFERENCE ANNUAL CAMP MEETING AND CONFERENCE HELD AT CHERRYVALE

Niota, Kansas—The Third Annual Camp Meeting and Conference of the Kansas Conference of the Pentecostal Holiness Church was held in Logan Park at Cherryvale, Kansas, July 18-30, inc. Rev. J. H. King and Rev. L. R. Graham, General Secretary of the Pentecostal Holiness Church, were the main speakers. Bro. King was only with us the latter part of the meeting. Bros. King and Graham did some wonderful preaching. This was the first time many of us had met Bro. Graham, but we certainly learned to love him while he was with us. We are always glad to have our dear Bro. King with us. The camp meeting was certainly a success and was a great blessing to all. There were about 35 or 40 experiences on all lines. Twelve or fourteen received the Baptism of the Holy Ghost and spoke in tongues as in Acts 2:4. There were eight states represented, Illinois, Iowa, Tennessee, Georgia, Oklahoma, Kansas, Missouri, Texas. There were 36 tents up on the camp ground.

The following ordained ministers were present: B. R. Dean, J. M. Hopkins, Harry Hibbert, A. J. Shannon, Ora B. Shively, Annie M. Downing, M. M. Hoel, Marietta Trader, H. S. Triplett, G. A. Howard, B. MANY PRAY THROUGH TO VICTORY

The revival meeting conducted by the Taylor evangelistic party at Wagoner came to a close Sunday night, July 29. This was indeed a great meeting and wonderful results attended the preaching of the Bible. There was a total of 71 saved, and 29 sanctified, with 36 receiving the Baptism of the Holy Ghost, and speaking in other tongues as the Spirit gave utterance, according to Acts 2:4. Bro. and Sister Taylor are good evangelists and have had a good year's work.

At a business meeting of the Oklahoma City First Church the following delegates were elected to the Annual Conference, to be held at Kingfisher Aug. 27 and 28: J. O. Crawford, Ira Landers, J. W. Beal, Joe Oden, Mrs. Armstrong, David Rooms, Russie Hughes and Letta Edson. Dan T. Muse was again called as pastor for the coming year, subject to ratification by the Annual Conference. The Oklahoma City Second Church also again called Rev. Chas. J. Phipps for the coming year.

Konowa, Okla.—Dear Bro. Muse: Polly, my daughter, and I are here at Konowa in a meeting with Bro. and Sister Dinnagon. There is fine interest manifested and of course the devil is stirred. Began the meeting the 28th. Pray for us that God will bless in saving souls.

FROM THE TEXAS SUPT.

Healdton, Okla.—Our Texas Camp Meeting has come and gone, and each one of the Texas Conference members have been assigned their places, so let's begin this year determined to make this the best year of our life. As your Superintendent I want you co-operation in this great work. Let's go over the top for Jesus this year. I hope that each of you will do your best for God. Let's all pay our tithe so we can have money to run this work. Also if you have a friend in the Texas Conference that wants a meeting, let me know and we will do our best to get them a preacher. We invite preachers of other Conferences to come into this new field and help us out. If any of the readers of the Faith have friends that they want to hear this Gospel, write me and I will try to send a preacher that way. Pray for the Texas Conference.

P. M. KIDD.

Caddo, Okla.—I want to praise the Lord for the two weeks revival that closed last Sunday night. The revival was conducted by Sister Williams. She is a good preacher, for she preached the word clean and straight. For which we praise the Lord. Sister Wil-
PEACE ON EARTH
By R. B. Bade

The above is the title of an article I just read in a Miami newspaper, and I am sure you have been reading of the peace pact the world is making such a fuss about and doing all they can to have it signed by the first of August by most of the leading nations of the world.

In this peace league they promise to the world no more bloody wars, but to the saints who are better posted this means sudden destruction, catching away of the saints, resurrection of the righteous dead. Surely we see the near approaching of Jesus. If the nations of the world sign this peace pact as hoped for, and turn to the world and declare peace and safety, what more need we look for but the second coming of Jesus? My prayer is to be ready and help others to be ready. I am at present in Vero Beach, Florida. God is manifesting Himself in power. Good crowds, altar full, and some going through on all lines. Some going through to Pentecost, shout and talk in tongues till past midnight. I have meetings in Georgia and Florida until August 20 and then will return to Oklahoma for the last part of Camp Meeting and Conference.

HE SMILED AND WAS GONE

Lloyd Edward Hively, son of Mr. and Mrs. L. E. Hively, departed to be with the Lord Saturday night, Aug. 4, 1928. He was just 8 years old the day of his death, and had been sick for many days with diphtheria, the toxin poisoning going through his body. He had suffered much, and began sinking the night before he died. The writer was with him shortly before he died, and with his boyish face toward heaven, he repeated, "Praise the Lord" a couple of times, of his own accord, and then "Glory to Jesus." He seemed to brighten up some and finally when the end arrived he looked up and clapped his hands to the Lord Saturday night, Aug. 4, 1928. He was just 8 years old the day of his departure, his father, two sisters, three brothers, mother and step-father. He took sick June 12 and was converted June 23. Through her suffering she would call for the saints to pray, praying earnestly herself. Relief always came. The last prayer about 10 hours before her death, complete relief came. Just before unconsciousness came she looked up and said, "Your face is welcome. Your face is welcome. Ain't it sweet? Your face is welcome." Her spirit took its flight so quietly that those who watched could not discern the moment. "Precious in the sight of the Lord is the death of his saints." Hazel was a sweet girl, to know her was to love her.

Funeral services were held at the Pentecostal Holiness Church, June 29, in the presence of a large and sorrowing congregation by Rev. S. E. Stark of Oklahoma City and W. T. Thurmond, pastor. Many and beautiful were the floral offerings, but the most beautiful of all was the quiet restful repose of the sleeper that seemed to say "O, Death, where is thy sting? O, Grave, where is thy victory?"

IDA M. THURMAN.

Adam J. Reiter was born in Troutville, Pa., Oct. 15, 1856. Was united in marriage to Miss Anna Hoag March 20, 1881. He leaves to mourn his departure 3 sons, Willis G., Amos L., and David L. Reiter, and one daughter, Ella C. Adams. He had been a faithful and devoted father and companion to his home and leaves many friends and loved ones to mourn his departure. He praised the Lord until the last breath. His soul was anchored in Jesus. A precious one from us is gone, the one we loved so well; the soul has fled to its home above, where there is peace and love. No smiling face and loving voice we hear on earth no more, but God knows best, his soul to bless, with a home in heaven.

MRS. LIZZIE STONE.

Billy Franklin Owens passed to Heaven and was buried in the Sunny Lane Cemetery July 23, 1928. Funeral services were conducted by Dan T. Muse.

Gent, Ark.—Bless your dear heart. How I wish I could step down in the basement of our church where the Faith paper is being edited, printed and mailed out by the faithful hearts and hands to help spread Holiness over this sin-cursed world and be a blessing to everyone it comes in contact with. I pray God's richest blessings upon each one who writes a word and each one who reads the paper. Let's do all we can to make each paper a better one and try harder to encourage the discouraged and revive every drooping spirit we can. Dear ones, time is so short, we have such little time to work, let's do our best for every mother, father and child we can to rescue them from the burning pits of hell, which are being heated hot for the coming of everyone who will not obey the Word of God. Well, I have been busy doing all I can. I haven't held any meeting as I couldn't leave daughter yet. She is improving slowly, so keep praying for us. God has given me some souls for my hire and some have been healed and I intend to do my best until Jesus says it's enough, come up higher. Now I would like to take time to talk to each one separately, but for the lack of space will desist. May God ever hover over each of you is the prayer of one who loves you all. Pray for us. If any of you feel lead, write to me; I will be so glad to hear from you. I pray God's blessings on the Camp Meeting and each worker. I am praying that God will open the way for me to come, so you help me, will you?

**PEACE AND SAFETY**

For when they (the world) shall say peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child, and they SHALL NOT ESCAPE.—Thess. 5:3.

It is pitiful the inconsistencies the individuals or the nations that are in darkness are continually putting forth. As our readers well know, for several years there has been a peace and safety movement from the world. They cry disarmament and destroy hundreds of the old battleships, at the same time building others more powerful. Outwardly they cry for peace, and secretly they manufacture arms, ammunition, airplanes, poison gas, etc. Recently many people were killed in Germany through a leakage in a large tank of poisonous gas made and stored for the future. They have also secretly made the most powerful airplanes in the world. They cry peace, and see to it at any cost without Christ.

There is a gathering of delegates from the nations of the world to sign a peace pact agreeing to not war on any nation except in self-defense, and at the same time this outward appearance of peace is being put forward, the British, French, German and Russian governments are experimenting on silent, almost invisible airplanes capable of silently appearing above cities and impaling gorging unsuspecting populations with sudden showers of deadly gas or bombs. Experts predict its early development. An almost soundless motor has been produced, and a new type of propeller is being evolved, that will virtually be noiseless, and that will enable these deadly planes to appear over a city and pour invisible deadly gases upon the unsuspecting inhabitants. With this deadly instrument of war millions would drop dead on the streets and in homes from a silent, invisible, deadly gas.

It's a bloody hand the world extends, crying peace and safety, with a dagger clasped in the other! May God Almighty help us to be ready for the coming of Jesus that we may escape the terrible things to come upon this world. God says they shall not escape. And they will not escape.
