That ye should earnestly contend for the faith which was once delivered unto the saints.—Jude 3

FINANCIAL REPORT OF THE TREASURE IN AFRICA

Doubtless it will be of interest to some to know how and what we use the money for that we receive from overseas, and what we are doing for ourselves there. So I will give in brief a report of all the money I have received and paid out from October 1, 1928 to January 1, 1929.

We are at present supporting and helping support eighteen pastors and two teachers. This does not include the six teachers the government is supporting for us. We have many more pastors who are in need and looking to the missionary for help, but at present we have to say no to them. We have no one to blame for this insufficiency. We thank God and the people back home for what they are doing as much self supporting as possible.

I am glad to report we are moving up financially. The native people have given more during the last year than they have ever done before in the same length of time, and it is our purpose to make the work in Africa as much self supporting as possible.

Receipts
Balance brought forward .......... $ 18.00
Received from native work ........ $50.00
Receipts from rents and other sources .................. 149.00
Mission Board, U. S. A........... 204.00

Total received .................. $3317.00

Disbursements
Paid Native Ministers ............. $2469.00
Paid Native Teachers ............ 262.00
Sanitary rates ................ 155.00
Printing ..................... 23.00
Incidentals .................. 65.00
Transfer of Workers ............ 35.50

Transfer of Workers ............ 35.50
Balance brought forward ........ $ 18.00

Total ...................................... $3317.00

The natives have paid in on repair and new churches in excess to the above nearly $203. They have built one decent church by themselves, and at another place they have made and burned nearly 25,000 brick for a new church. There has also been collected nearly $175 for printing and expenses of Conferences.

The above report will give you some idea of the financial side of our work here in Africa. May God richly bless those who contribute toward His cause.

Respectfully submitted,

D. D. FREEMAN.
Gen. Sec. and Treas. for South Africa.

The Pampa church now has a membership of fifteen and good prospects for a splendid work.

MANY PRAY THROUGH TO VICTORY

Rozel, Kans., March 29.—We are still in the battle at Rozel. We have had a good meeting. Seventeen have prayed through to old-time salvation, 15 sanctified and 13 Baptized with the Holy Ghost as Acts 2:4. Praise the dear Lord. There is power in the Blood to save all that will come. Some come and get under conviction and then stay away to keep from going to the altar. There was a man in this country that has T. B., and took pneumonia and sent for us to come and pray for him. He said that when we were here last winter he came some and got under conviction and got up and left the house one night to keep from going to the altar. He told me he wished he could have one more opportunity. The Lord is undertaking. He is getting better. We will close here Sunday and go to Larned, Kans., for a meeting.

SPECIAL NOTICE

Special attention is called to the change in place of the Mt. View District Quarterly Conference, and the Sunday School rally previously announced to be held at Carnegie, beginning Friday, April 5. The Conference and Rally have been changed to meet with the Gideon church Friday, April 5 to Sunday, April 7, in the place of Carnegie.

A WONDERFUL HEALING

A wonderful case of healing took place in Oklahoma City recently. Everett Jankins lay unconscious for 33 days. Many doctors from over the state had been to see him. His case was hard to diagnose. Finally he was isolated from other patients. Two of the workers from the Oklahoma City First Church, Mrs. L. F. E. Hively and Mrs. J. W. Robertson, went to pray for him. These two workers pray earnestly to God and stood on Matt. 18:19 "That if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven." They battled in prayer for a while, when suddenly God touched the man and consciousness returned, and he that had been unconscious for 33 days began to talk to them and told them of his grandmother that prayed and of her Christianity, but told them that he was not a Christian. Four days later he had his clothes on and walking around. God had completely healed him.

Writing from Rozel, Kans., March 19, Rev. R. S. Roberts says: "We are still in the battle for the Lord. Praise His name. There have been 17 saved, 13 sanctified and 10 Baptized with the Holy Ghost as Acts 2:4. We are having good crowds. Sunday night there wasn't near enough room in the house for the crowd. We have several calls, but we do not know just where we will go from here. We want to go where the Lord leads."

Under date of March 22, Evangelist Iva Hays writes from Weatherford as follows: "I want to report victory in the Lord. Today finds me on the upward way, praise the Lord. I closed at Elliott's Chapel, near Snyder, the 17th, and began here the 19th. There are hungry souls here. We are praying that God will bless. Anyone writing me while I am here, address 420 West Franklin, Weatherford, Okla."

Supt. J. P. Pinkston, of the Tri-State Conference, is doing some pioneering in Arkansas at present, and is engaged in a campaign at Warren, Ark. Under date of March 25 he writes as follows: "Praise the Lord for good old-time religion. Wife and I are 100 miles south of Little Rock in a revival. The Lord is blessing. We had three services yesterday and dinner on the ground. A large crowd yesterday and last night.

There was no room in all the house. The service last night was for the young people. We had fine order and good attention. This is a great field, open for Pentecostal Holiness. More calls than we can fill. People are hungry for the real truth. The Lord is blessing our souls and leading us out in His word. We will be here until time to go to the General Conference, then we will come back."

NOTICE

Rev. Geo. A. Byus, known to most of our readers as one of the Pentecostal Holiness Missionaries in India, and who is doing, we believe, a great work, has purchased a motorcycle. This enables him to go much farther with the Gospel. He can reach many more people and accomplish much more for the Lord. He will be very glad if any of the many friends in Oklahoma and surrounding territory would send him an offering on this motorcycle. The money is needed, and the Pentecostal Holiness Faith will be glad to forward any offering to him on this motorcycle, or if you care to you can send it direct to him.

Let's send the whole Gospel to the whole world.

SUNDAY SCHOOL CONVENTION OKLAHOMA CONFERENCE

Kruegersdorp, Feb. 13, 1929.

Dear Bro. Muse: The year 1928 is gone with all its opportunities and blessings and burdens, so I will give a little report, if you can call it such.

During the year I preached less than any previous year for 15 years past. I preached only between 90 and 191 times. This is by far the lowest for many years. This was greatly due to the condition of my throat which nearly gave out altogether at times and so I saw I had to rest it or give up my work entirely. So I set to work to do this and now I feel better than I have in two years, I think. I have lost pounds in flesh since leaving States, but my throat is now much better and in general I feel well and strong.

Last year was a hard one in many respects and called for lots of traveling and in all I traveled over 10,000 miles. God has been good to me and I have been kept free from accident and harm. I have been building some as well. At Robinson, a few miles from here, we have been able to put a little church. It is a wood and iron building 16x26 feet, with a small room at the back. At another place out in the country we have everything ready to start as soon as the winter opens, as it is feverish out there at present. These are all places very much needed I can assure you. Through the blessing of God and our little sacrifices, wife and I have been able to pay a little over $550 on these places during this year. The reason I haven't mentioned it to the General Board is that it seems they are carrying all that they can all the time, anyway. We are looking to God for the balance we are still due on these places. One other place in Bro. Spooner's district we only helped them with material for the roof, which cost me a little more than $100; the natives are doing the building themselves.

I have conducted five Quarterly Conferences during the year and in some of them we had great blessing. The Annual Conference was in some ways the best we have ever had in this land. Unfortunately I was sick the last day on the closing Sunday and could not attend all the devotional services. But as a whole I think I can see that the preachers and people in general are getting a more intelligent grip of Conference work, and while we do not measure up to the standard of the States yet we are making progress. I want to take this opportunity to thank you and all God's people for the interest you have shown in us during the year. May God bless each in His own way is our prayer. Yours in His service.

JOEL E. RHODES and Wife.

EAST OKLAHOMA SUNDAY SCHOOL CONVENTION

You will notice in the program for the Sunday School Convention that I said the young people's service would be in the afternoon. Sunday, April 25. Please be on time for the entire program, as we will have to take the whole day for the work, and we will likely begin by 9:45 a.m. and occupy the whole day, as there will be so much that we will not have time to get through in the afternoon. Let all of the Sunday Schools who are not able to pay their delegates' fare to the Convention, get in touch with the Secretary and Treasurer, Mrs. Leonia Lawson, 423 W. 7th St., Ada, Okla., letting her know just how much the fare will be, and she will take care of the fare out of the treasury, so you will have no excuse for not having a delegate present at the Convention to represent your Sunday School. Have your report ready and be on hand to be enrolled. We are looking for great things in this great Sunday School Convention this year.

Yours for Greater Sunday Schools,

J. D. MAHAFFEY, President.

She was just a young girl, barely entering into young womanhood. Yet unfortunately she had early been thrown into a life of sin and degradation, until at this early age her life was wrecked and her body giving away rapidly to disease. Her young life had been filled with sin. Some of the workers from the First Church became interested in her and had been praying. Finally, on a hospital bed, she called for some of the saints to pray with her. There, with her young life so early blighted and scarred with a multitude of sins, she poured out her heart to God. And He that saved a weeping Mary Magdalene and cast the legion of devils out of the sin-tossed man in Genessaret, and healed the leper that came falling at His feet, and stilled the raging tempest, washed away every sin through His own Blood and tenderly whispered peace to her troubled soul. And now she is in heaven, safe for eternity. What a wonderful Christ. What a wonderful Saviour.
A GEORGIA PREACHER IN THE WEST

Kingfisher, Okla., March 25.—Dear Bro. Muse and Faith family: Greetings to one and all in Jesus' dear name. I am praising the Lord this afternoon for the opportunity of visiting Bro. King for nine years, and he has assisted me in preaching a good deal, and is worthy of your consideration, either as an evangelist or as a pastor. He has been working here for several months and is now ready to enter into the field for the Master. You will not be disappointed in securing him. He is more than a surface preacher. He preaches with power and also with intelligence, and is a good musician. Let's open our doors to such worthy and talented men lest we let them slip from our ranks.

ARTHUR SMITH.

Frederick, Okla., March 25.—Dear Bro. Muse and Faith family. We just closed a revival meeting at Quanah, Texas, with great victory. We had a hard pull at first, but God who always gives the victory was in the front of the battle. We lost count of those that prayed through, but we know of 41. People were praying through at home, at church, and at prayer meeting. We dismissed one night and God began to work in such a way we made the second altar call and about seven came to the altar and five prayed through. The power fell in a wonderful way the last night. We are to go back the 30th and baptize them and set a church in order. We begin a revival at the church the 31st. Pray for us here at Frederick. We go to Rogers, Ark., to begin a six weeks tent revival June 20. We are looking forward to a great time there.

LEE F. HARGIS.

A LA, Okla., March 26.—Am praising the Lord for His goodness to me. I really love the Lord way down in my soul. Blessed be His precious name. Am still saved, sanctified and the Holy Spirit still abides. It is almost Sunday School Convention time again, and I was just wondering how many Sundays Schools are planning on sending delegates. Let's all do our best to be there the first day. If there is a Sunday School that does not have annual report blanks, be sure and let me know and I will send you some. We are expecting all the Sunday Schools in the West to attend the Pentecostal literature to be present. If there are any Sunday Schools that are not financially able to send a delegate, send one anyway and the Convention will pay their way out of the treasury. Let's make the Convention a success. We are planning on bringing a program. Pray for our church. We are starting a revival the 5th of April with Bro. Luther Dryden.

LEONA LAWSON,
423 W. 7th.

Ponca City, Okla., March 15.—Dear Faith readers: I will give a little report of the last few weeks' meetings. After the Bible Conference at Ada, I began a meeting at Checotah, Okla., where Rev. B. M. Jones is pastor. We had a good time while there. I was treated so nice. I had the privilege of staying in the home of Bro. and Sister Whitaker. May God bless them for their goodness to me. Bro. Jones knows how to turn a preacher loose to preach the Word. He did all that he could do. They have a nice little church building there. We closed out there Feb. 24, and began a meeting Feb. 26 in the Second Pentecostal Holiness Church at Oklahoma City, where Rev. Chas. J. Phipps is pastor. Oh, I enjoyed myself so much. Bro. Phipps is a wonderful pastor. He knows how to feed the sheep and care for the lambs. I had the privilege of staying in the home of Bro. and Sister Russell Eden. I was treated so nicely and dear Bros. Earnest and James, two boys I was boarding there, were so good to me. I met so many of the saints that I knew. Dear Bro. and Sister Quintal. May God bless them. There were a number of others that I won't have time to mention. Yes, Dear Bro. Muse, that true soldier of the Cross. He was so kind to me. He came over and took me in his car over the great city. May God bless him. I am at present in a meeting in the Ponca City church, where Sister Annie Carmack is pastor. There is a good spirit in the meeting. Will be here D. V. until the first of April. Then I begin a meeting at the Pleasant Valley church, April 6, where Rev. T. J. Collier is pastor.

C. E. NEUKIRCHNER.
THE PENTECOSTAL HOLINESS FAITH

Bro. J. D. Mahaffey landed into the battle for souls, with pick, shovel and dynamite, exposing sin, hypocrisy and religious cheat of every kind, but this "acid test" proved to be the very thing that brought many out of their darkness into real repentance and "born again" experience.

How we thank God for this wonderful Gospel which brings deliverance to our souls. How this Kingdom message has stirred our souls and brought action that will last, we believe, until Jesus comes.

Not only was Bro. Mahaffey's message a blessing, and aroused interest where it seemed impossible, but his singing made a great blessing to all. Bro. Mahaffey, with his songs and musical talent, was the means of instilling melody in many hearts.

We shall never forget them. Best of all, the folks are still singing and going on. Our meeting was well attended and a good revival spirit is present.

We say with this, "On with this glorious message of the Kingdom, press it to the gates of the enemy," meanwhile His peace will reign in our hearts until He whose right it is to reign in all the world shall come. Oh blessed day, when all will be peace and the Prince of Peace shall reign over all the tribes of the earth.

REV. W. F. ALDRIDGE.

P. S.—There were 12 saved, 3 sanctified and many tarrying for the Holy Ghost.

ARE YOU INTERESTED IN ACTUAL PICTURES OF SCENES IN THE HOLY LAND?

Rev. Lynch took more than a hundred pictures of historic scenes during the fourteen days he was there. Hundreds of these pictures have been sold to people already. Little albums are now being filled with 25 pictures of the most heart-stirring scenes he saw. You will want these for yourself and your friends. You have doubtless often wanted to see pictures of the tomb of Christ, the interior of Christ's tomb, the Holy City, the Garden of Gethsemane, the Mount of Olives, the remains of the house of Mary and Martha in Bethany, the site of the baptism of the eunuch by Philip, Joseph's tomb, the virgin's fountain in Nazareth where Christ often went for water, and many other interesting scenes. Now you may have these and many others in an attractive little album at the exceptionally low cost of 50¢ each. A full description of each scene accompanies every album. Address all orders to Rev. Lycurgus R. Lynch, Monte Ne, Ark.

GOD HEARS AND ANSWERS PRAYER

Houston, Mo.—We never heard of Pentecost or Divine Healing until a year ago last June a sister came with the message, and husband and I both accepted it after searching God's Word to see whether these things were true. I had been a church member for some sixteen years and my husband some 22 years, but we knew nothing about the divine truths taught in God's Word. At the time we were saved we both were suffering from chronic bronchitis and kidney trouble. I had a torn ligament in my wrist, had been deaf in my left ear some 18 years, was almost blind in that eye, and had an enlarged gland on the right side of my neck and an abscess on the right lung which gave me lots of trouble. After being anointed and prayed for I was soon healed of everything except catarrh in my head, the abscess on my lung and the enlarged gland. They did not heal till this last fall, but praise God, I am healed completely now, bless His holy name, except for innumerable afflictions.

It is healed, as it does not itch, pain or bleed any more, so we are praising God for healing. Our seven months old baby took the whooping cough and God healed her so that she only whooped once and her cough was gone in three weeks' time. Then we all took the flu and at 10 o'clock on the 15th of January, baby became cold-as death. We prayed for her, then rebuked it in Jesus' dear name, but she got no warmer, so we laid hands on her and asked for healing in His blessed name and again the power of God came down. We knew God heard us and thanked Him for healing, though she stayed cold as death till some time between 2 and 4 o'clock, though I wrapped her in hot blankets and kept her near a hot stove till 2 o'clock when I lay down with her, being too sick of the flu myself to stay up longer. When I awoke at 4 though, praise God, she was warm and in a few days was her old sunny self again.

MRS. H. F. FOSTER.
THE PENETECOSTAL HOLINESS FAITH

Fellow's money ringing in your pocket. Recently we have been called upon to assist some in getting things straightened up in their lives. One was for a sum of $250. It looked rather dark and stormy for the party had nothing to pay and was trying to get closer to God. The penitentiary loomed ahead. But God was merciful and after the parties were informed of the situation and the proper confessions made, they frankly forgave the whole thing. Another case of restitution was for two cents. Too small to think of, some would say, but the two cents, taken wrongfully, was as much in the way as a much larger sum. Many others are making restitution. Sometimes, if we are not careful we will put these things off until too late.

Don't let a few oranges or a few dollars keep you out of the pearly gate.

Rev. L. J. Oliver, Supt. of the Florida Conference, is to be present at the General Conference to be held in Oklahoma City in May.

RESTITUTION

There is something about this wonderful religion that when a man gets a good case of it, and keeps it, he begins to straighten up his life, and clean up the old back-tracks. Good, old-fashioned Holiness religion will make a man straighten up old dirty bills, take back the monkey-wrench and a few other things he borrowed when his neighbor wasn't around; confess out lies and apologize, and otherwise make his paths straight. True, some folks get very nervous and touchy when you talk to them about this kind of religion. It is mighty hard for "self-righteous" folks, "good respectable" citizens to take back an axe handle, or confess out some crookedness in their lives. But somehow or other, when a man begins to get close enough to God these things trouble a man until he comes clean and pays up. I remember one time when there was a "small" matter pressing on me. It only amounted to about a quarter, but it was hard enough to confess out. In neglecting it one day as we passed by the place, I just thought I will wait until Monday and then I will fix it up. Immediately a voice whispered to me, "Suppose the Lord should come before Monday." I turned immediately and went and straightened the thing up. Somehow a testimony don't ring good in your soul when you have the other
don't help a lot. That just a little won't be appreciated, as we will thank you and praise God for every bit, wish to finish the building by Pentecost if possible, and have that day rejoicing in our new church.

W. R. MAXWELL

THE TROY MEETING

Troy, Okla., March 20.—I will send report of the meeting I held at Crosswell, Okla., where Sister Brooks pastor. There were 6 saved, 4 sanctified and 3 received the Holy Ghost Acts 2:4. I praise God for the saint there. There are some pure gold things that will help the preachers pull a load. They will fast and pray or anything to see lost souls saved. This is a good work there. I love the Lord this evening more than ever. My heart reaches out to the unsaved. I want to be a soul winner for Jesus, and do I can for the lost and point them to the Lamb of God that taketh away the sin of the world. Glory to God for His mighty love. Anyone wanting a meeting, write me at Troy, Okla.

William Archie Turner was born in Franklin, Ind., May 19, 1854, came to Oklahoma in 1890 and was married to Dora Goodman April 7, 1895. He passed into the great beyond March 24, 1929. He leaves to mourn his departure, his wife, Mrs. Dora Turner, two sons, Charles K. Turner, of Choctaw, and E. R. Turner of Moore; and one daughter, Mrs. Faye Kalkbrenner of Choctaw, and three brothers, Andrew, Charlie and J. H. Turner, and many friends. He was converted Aug. 15, 1911. The funeral service was conducted by Dan T. Muse at the Moore cemetery, March 25, and his body laid to rest in the presence of a large gathering of friends and loved ones.

Mrs. Lula Phipps, daughter of Rev. J. M. and Nancy Bond, was born July 6, 1889, and departed this life March 27, 1929, making her stay on earth 39 years, 8 months and 23 days. She was united in marriage to W. B. Phipps May 6, 1907. To this union was born eleven children, 5 boys and 6 girls, two of the children preceding her to the glory world. She professed a hope in Christ at the age of 11 years, and was true to her profession until death. She was sanctified and received the Baptism of the Holy Ghost almost twenty years ago, and united with the Pentecostal Holiness church at Pauls Valley, Okla., in 1914. Her consecrated life was a blessing to many. Many trials came into her life, yet she bore her cross with patience. She leaves to mourn her departure, a husband, four sons and five daughters; four sisters, Mrs. W. T. Medford, Mena, Ark., Mrs. S. H. Crawford, Anadarko, Okla., Mrs. Sarah Ballard, Okmulgee, Okla., and Annie E. Carmack, Ponca City, Okla., and one brother, Rev. J. G. Pond, Ponca City, Okla. Her father and mother preceded her to glory many years ago, and she leaves a host of relatives and friends. Funeral services were conducted by Rev. Dan T. Muse at the Second Pentecostal Holiness Church at Oklahoma City, in the presence of many friends. Her remains were laid to rest in the Sunny Lane cemetery to await the resurrection of the just. Her sister,

ANNIE E. CARMACK.

"Know ye not that there is a prince fallen this day in Israel?" We thought of this Scripture over and over at the passing of Sister Lula Phipps. She was a great woman, and had fought a good fight and has now entered into her well earned rest. She loved God and the church, and was a woman of prayer and of much patience and kindness. Her place in the church and community will be hard to fill. Her sudden departure was a shock to the many relatives and friends, but she was fully prepared for the summons and had already been looking homemarrow. May God grant her family a safe entrance to that glory world to be with her.

CAMP-MEETING TIME AGAIN:
This great event in our church-life is to begin on Friday night, Aug. 17th. This is only 12 days away. We must make our plans to attend every service possible. God wants us to help someone else to find a deeper walk with him during this opportunity. In so doing we will find that we will be led closer too. So far there has been 74 tents rented to be set up on the grounds.

MISS FOSTER WED TO DARRELL FRAZIER:
As happy as any two young people in the world, Miss Wanda Foster was united in marriage to Mr. Darrell Frazier at 9:30 A.M. Sunday, August 5, 1945. The marriage took place in the Parsonage, Rev. Greene reading the marriage vows. A number of their friends were in attendance. We wish for this couple a happy future.

EAST OKLA. CONFERENCE ELECTS NEW SUPT.:
Rev. Oscar Moore of Okmulgee, Oklahoma was elected to the Office of Conference Supt., at the Annual Session on Monday July 30th. Rev. Moore fills the vacancy left when Rev. C. E. Neukirchner, Supt., for the past eight years offered his resignation. Rev. K. R. Jones is the new Asst. Supt. Rev. Geo. L. Harris retained the position of Sec'y-Treas. Rev. Lonnie Smith and Rev. Dean Smith were elected to complete the Conf. Board.

REV. GEO. WASSON has accepted the Pastorate of the Shawnee church while Rev. Oral Roberts resigned and is moving to the State of N. C.

OUR ANNIVERSARY:
Tonight at 10:10 P.M. twenty years ago I stood before a Nazarene Minister in Ada, Okla. with a beautiful young lady who was hardly sixteen years of age. There, that night we made a vow that we (by the Grace of God) have never forgotten. That young lady was Miss Edith Mae Robertson.

Today after twenty years of married life I feel that this choice has been the choice of God as well as my own. During these twenty years we have suffered together, laughed together, cried together, rejoiced together and that love is far greater today that it was twenty years ago. Two fine boys have been given us from God; one has gone to be with the Lord while the one and us labor together for the benefit of a lost world.

Now that part of our family is here and part "Over There" we are striving to make the Circle unbroken on the Shores of a Land where partings never come. Twenty years of hills and valleys; twenty years of joys and sorrows but some day ETERNITY TOGETHER IN A LAND OF SONG.

BILLY FIELD MARRIED TO-DAY:
Mr. Billy Field and Miss Connie Lively were being married today in Richmond, Calif. in the home of the Bride's Parents. Billy has united with the F. H. Church in San Diego, and has been elected as a Deacon there. May God ever bless this fine Couple and make them fruitful in His Vineyard.

REV. S. E. STARK TO PREACH TODAY:
Both sermons will be preached here today by Rev. S. E. Stark, for Supt. of the Okla. Conf. Let us pray that God will bless greatly.
