A GREAT STEP FORWARD

There are many giant problems facing the Pentecostal Holiness Church at this time. That of the establishing of an educational system throughout the church, with the establishment of a Junior College at Franklin Springs. The ever increasing demands for a forward movement in the spread of the Gospel in the home land, and the insistent appeals from a limitless field in China, India and Africa.

And the hour has arrived when every true soldier must rally to all these problems and put forth every effort, and sacrifice possible to make all these forward movements a success. Every church, as well as every firm, or individual, at some time in their life face a crisis, when it calls for every ounce of energy in their beings, when by a whole-hearted, concerted movement forward they must face and master the giant problems, that once surmounted, will send them on to great successes. We are facing such a crisis today in the ranks of the Pentecostal Holiness Church. And it is a time when it calls for a whole-hearted response from every saint of God in a determined and united effort to put these great problems through to a crowning success for His name's sake. And we believe that the church will do it. Certainly we can sacrifice, for we are doing it for the Lord sake. Certainly we can spend every ounce of energy in these great problems, for it is for His sake. Certainly we can all pull together, for it is for His cause.

One of the major affairs confronting us as a church that we desire to especially present at this time is the ever urgent call of the Master to "Go ye into all the world and preach the Gospel to every creature." And certainly that call is being extended to the Pentecostal Holiness Church in a greater sense than ever before, at this time. Fields, great fields. Cries are coming, "Come over in Macedonia and help us." Young men and young women, full of the fire and power of God, anxious to go. Outstretched hands from China, India and Africa reaching to us with an irresistible appeal, and many yearning, young missionaries anxious to respond to the appeal. The church stands between, with the power to say yes or no.

The church has undertaken a great step forward in this direction this year by the sending forth of Rev. and Mrs. John W. Warren, who sailed a few days back to spend their lives giving out the Gospel to the lost in Africa. Ond with the expectation of sending forth this Fall, Rev. and Mrs. J. M. Turner to the urgent demands of the work in India, and Miss Anna Deane Cole to the work in China. And then, there is such a very present need in China just now, the Board has felt it imperative to send forth Bro. and Sister T. C. Legge to China.

This, of course, will cost money, as it takes finances to get them there and finances to keep them there, but the church must catch the vision of this urgent need and respond in a manner that will make this forward movement possible.

While in the East recently, we talked with Gen. Supt. J. H. King and Gen. Treas. Paul F. Beacham concerning this matter and they are feeling keenly the responsibility resting upon the church in regard to this matter, and expressed an appreciation for any effort in the West that would advance this step forward. We felt that we could assure them that the West would respond with such extra offerings as would greatly assist in making it possible to send these added workers to the mission field. And we are going to pass this on to our many readers.

Would you not like to have a part in this great effort to send these workers to their different fields of labor that they may rescue lost souls? After an investigation, I do not know of any other method of securing greater returns for the money than to invest it in sending the Gospel to the different heathen lands. And personally we desire a part in this great work, so that we can rejoice in that great day with the many that come up from heathen lands washed in the Blood of the Lamb. And we want YOU to also have a part in this great opportunity. Not only give—but sacrifice and give—that those willing workers may have a chance to go. And for this purpose we are going to start a fund for the special purpose of sending out these missionaries. Do you wish to help? If so, just send in an offering—as much as possible—and state that it is for sending missionaries to the field. It will take hundreds of dollars, but your dollars will help. Come on with an offering at once—and let's send them across to carry the Gospel of salvation to begging hearts. Pastors of churches, take this up with your congregations, and saints in places where there is not a church see what you can do among the saints in your community. Let's send these missionaries to the field. Do not diminish your regular missionary offering. Let's give this over and above our regular missionary offering. Don't put it off until tomorrow—do it today.

The great passage of Isaiah 53 ends with a psalm of victory. The servant was given a portion with the great. And I we, like Christ, will patiently endure the rejection, the suffering, and by our humble life be the means of helping bear the burdens of poor, sin-stricken humanity, we are assured that we shall, with Him, be given a throne and a crown, and partake of the richness of the heavenly realms where we shall see the travail of our souls and be satisfied.

Who will suffer with the Saviour, and take the little that remains of the cup of tribulation Jesus drank in dying pains?

YOURS

In one of Dr. J. Wilbur Chauman’s meetings, a man gave the following testimony:

“I got off at the Pennsylvania depot one ay as a tramp, and for a year I begged on the streets for a dollar. One day I touched a man on the shoulder and said, ‘Mister, please give me a dime.’

“As soon as I saw his face I recognized my old father. ‘Father,’ I asked, ‘don’t you know me?’

“‘T’oving his arms around me he cried, ‘I have found you, I have found you, I have found you, I have found you, I have found you, I have found you, I have found you.’

“Men, think of it! That I a tramp, stood beigne my father for ten cents when for eighteen years he had been looking for me to give me all he was worth.”

God’s forgiving love is like that. He searched for us through the centuries and up the rugged side of dark Calvary, and when He finds us He says, “All things are yours.”—The Christian World.

VICTORY AT PAULS VALLEY

Pauls Valley—Well, praise the Lord. The meeting that closed last night resulted in 9 saved, 4 sanctified and 3 claimed to get Baptism. Had large crowds and we had a good meeting considering the rainy weather. Bro. Kild from Healdton did the preaching. He did some good preachin’. Bro. Jackson and Bro. Robinson were with us, and they are fine young preachers and good singers and were good help in every way. I wish we had more like them. Seven united with the Church. We are getting along very well. Pray for the church here. Any of the preachers passing through stop over with us. I am still on the battlefield for Jesus, fighting sin and the devil; got the victory in my soul and mean to keep it there by the help and grace of God.

S. M. WEATHERFORD.

THE LORD BLESSING

Seminole, Okla. May 31.—Greetings in the name of the Lord. Seminole is under the showers of real old Pentecostal Bible spirit filled messages, from Sister Taylor. Our humble sister in Christ, and God’s servant. Conviction on the church continues to grow, and sinners see the real effects of Gospel preaching.

Many have prayed through on different lines, and the church strength is above most anything we have ever witnessed, not so much shouting before the victory is won, but after the battle, praise the Lord. Sister Taylor gave her Bible Land experiences to a full house, with great response. Saint and sinner dried the tears from their eyes as she spoke of the blessed places of God she visited. At the time of the meeting she was called to Hinton, Kans., to the bedside of her mother who was very low, but God heard prayer and she was healed. Sister Taylor returned to us the next day, so she was just out of the meeting one nice. When we said good bye to them with the large congregation present, we sang “On Jordan’s Stormy Banks I stand.” We broke up with shouts, tears and everyone present felt the blessings of God.

The meeting will continue over Sunday and possibly throughout the week, up until the 8th of June.

F. G. BAILEY, Pastor.

THE GAINESVILLE REVIVAL

The Eastern Evangelical Party, led by J. A. Killebrew, continue their campaign at Gainesville, Texas. The rains hindered at first, but since the weather has become more conducive large crowds are constantly in attendance with good attention. Seven testified to being saved in one service. A good
Pursuant to the call of the Chairman, the following members of the Educational Committee of the General Board, elected by the General Conference held in Oklahoma City in May, met in Franklin Springs, Ga., Paul F. Beacham, Greenville, S. C., L. R. Graham, Memphis, Tenn., Dan T. Muse, Oklahoma City, Okla., and A. L. Jackson, Tallapoosa, Ga.

Rev. J. H. King is chairman of the Board, Rev. L. R. Graham, Sec. and R. H. Lee was elected as Treasurer of the Board.

Rev. G. F. Taylor was elected by the Franklin Springs Institute, and at this General Conference as President of the Educational Committee the following were elected to positions on the Faculty for the coming term; Prof. Herman E. Spivey, Mrs. Havens Taylor Spivey, of Chapel Hill, N. C., Miss Tyson, of Carey, N. C., and Miss Ella Gaines, of Royston, Ga.

It was thought of the Educational Committee and the President of the Institute that it would be best for the coming term to teach only 9 grades, the elementary and Junior High, gradually working up to the Junior College in fulfillment of the wishes of the General Conference, as rapidly as possible.

By the full co-operation of the Church and its friends, there is to be in the course of a few years a wonderful Junior College that will be a G. F. Taylor, the president of the Institute, and in the Holiness movement. Rev. G. F. Taylor should have the co-operation of every saint, both in prayers money and influence. A fully accredited College can not be established in a day, as we well know, and we trust that every one will assist in this work in every way that is possible.

In regards to the Sunday School literature. It is well known that Rev. G. F. Taylor the present publisher of the Sunday School literature, made the General Conference a proposition as regards the publishing of the literature, and though not accepting the Taylor proposition in detail, the General Conference made Rev. Taylor a proposition and the General Conference elected him as Editor-in-Chief of the literature. At the meeting of this committee a partial understanding was effected whereby on August 15, the Pentecostal Holiness Church takes over the publishing of the Sunday School literature, and assumes the business conducted by Bro. Taylor. Mrs. Havens Spivey was elected as Associate editor of the Sunday School literature.

Beginning August 15 the Church will have its own literature, edited by Bro. G. F. Taylor. The literature will, of course, be upon the same high order of the Teachers Quarterly. After August 15 all orders should be sent to Franklin Springs, Ga. Until that date all orders should be sent as usual to Rev. G. F. Taylor, Chapel Hill, N. C.

One of the most thrilling books you ever read is "Pioneering in China," by Rev. W. H. Turner, who spent nearly nine years in that country during the trying days of civil war and the effort to drive out the foreigner. If you have not read this book you are missing a treat. Why not treat your family to a copy of this wonderful book? It is only 75 cents per copy, and should be in every home. Order from Dan T. Muse, Box 762, Oklahoma City, Okla.

**A VALUABLE SERMON FOR FIVE CENTS**

We have on hand a number of copies of the wonderful sermon of "Scriptural Sanctification" delivered at the Oklahoma Camp Meeting by Rev. Paul F. Beacham. It is in a neat pamphlet form, and sells for 5 cents, postpaid. It presents Scriptural Sanctification in an intelligent manner. It deals with the various theories advanced, such as the Death Theory, the Growth Idea, the One Work Doctrine and finally, the Two Work Doctrine. A wonderful sermon for 5 cents. Order from Dan T. Muse, Box 762, Oklahoma City, Okla.

Usually it is a very hard matter—requires much labor and exhortation to get a congregation to do very much praying—but it remained for a band of colored people to pray so much and so long, until the colored preacher tried to invoke the assistance of the police force to compel them to quit praying—but such was the case.

Let's send the whole Gospel to the whole world.

THE PENTECOSTAL HOLINESS FAITH

EAST OKLAHOMA CONFERENCE

The First Annual Campmeeting and Conference of the East Oklahoma Conference will be held August 9 to 19, at Okmulgee, Okla., and everybody is invited to come and enjoy the blessings from God as we are expecting them to fall on the people there. Come! And bring your utensil and a few cooking utensils and camp with us. We have a beautiful shady grove in which to hold the campmeeting, and you cannot afford to miss this great campmeeting.

Main Speaker. The main speakers are expected to be Rev. S. A. Bishop, Assistant General Supt., from Birmingham, Ala., and Rev. G. F. Taylor, Editor of Pentecostal Sunday School Literature and The Pentecostal Holiness Advocate. All who heard these two men last year surely know how they made the camp ring out with their holy, inspired messages.

Song Leader. Rev. J. F. Hiveley, of Katie, Okla., and a member of the Texas Conference, will be the song leader. We are expecting many of the students there from Kings College that have played in the orchestra, to help us in the musical program. Come! Bring your horns and let's make a joyous noise unto the Lord. We are expecting good singing and music. We also would be very glad if some good pianist could consecrate their services to this campmeeting and be on hand to play for the services.

Tents and Cots. There will be tents and cots for camping purposes for rent on the grounds, and if you want a tent or cot for use during the campmeeting please write to Rev. C. E. Neukirchner, 31 North Sherman, Okmulgee, Okla., and have him reserve your tent and cot.

Restaurant. There will be a restaurant on the ground for those who wish to take meals there, and the meals will be at cost. There will be plenty of room in the benches and lights will be fixed with electric light.

Arrow Signals. Please watch for arrow signals as you drive into Okmulgee that will point you to the campground. We are expecting the greatest campmeeting this year that we have ever had. Come, praying for God to make the grounds a sacred place to stay.
