Evangelist Melvie Ross reports the meeting at the Holiness Mission near Blanchard as follows: "We closed the revival at the Holiness Mission the 11th with real victory in our souls. The good Lord saved 15, sanctified 7 and filled 1 with the Holy Ghost, and I baptized 9 in water. Oh, the Lord is so good to us and we feel so unworthy. We will help a few nights at the Bethany Baptist church east of Lexington. We ask your prayers that God will keep us humble, and where our lives will glorify His name." Bro. A. L. Hinman has been holding a revival meeting at the Cherryvale Church. Millions are calling for the Gospel in heathen lands. Shall we let them die while we enjoy the blessings of God? Or shall we help to send them the good tidings of great joy? Let's send out our Missionaries this fall. How much are you giving toward sending out the Missionaries this fall? You need the influence of Kings College and Kings College needs your prayers and financial aid.

KANSAS CAMP MEETING

The Kansas Camp Meeting and Conference was held in Gordon & Doss Tourist Park, Independence, Kans. The Lord was with us from the first service on Friday night until the close on Sunday night. Bro. B. R. Dean, our Conference Supt., did most of the preaching and he sure did some good preaching which everyone enjoyed. I believe it was the best I ever heard. Bro. J. M. Hopkins, our Asst. Supt., came in on Wednesday, and he did some good preaching. Then Bro. S. A. Bishop came in on Saturday and he also did some good preaching. It was certainly a great Camp Meeting. There was such a sweet spirit among the saints, such unity, and there was not a jar in the whole camp. Everyone seemed to love one another so much. Bro. and Sister Morgan, missionaries to China, were with us from Friday over Sunday and gave us a Missionary service Sunday afternoon which was helpful to all.

The waves of glory rolled over the Camp and one could hear someone praying nearly all the time, some getting the baptism of the Holy Ghost in the small tents and some praying through out in the woods. The last Saturday of the Camp is one to be remembered. The glory of God came down in the early morning prayer service, and was with us all through the day.

In the afternoon, at 2 o'clock, the Conference was organized. Then at 4 o'clock, the Conference Supt. did most of the preaching, and he certainly brought some wonderful messages from the beginning until the close of the Camp Meeting.

OPENING DAY FOR KINGS COLLEGE SEPT 17TH

At a meeting of the Board of Trustees held at Oklahoma City Tuesday afternoon, Aug. 27, it was decided to set the opening day of school for Kings College for Sept. 17, 1929. A program will be prepared and friends and students from far and near are urged to be present.

An effort is to be made to present Kings College before the Pentecostal Holiness Churches more than before, and by the full co-operation of all the churches in the Central West, Kings College can be made a great success, and will prove one of the greatest blessings to the work in the West. Those having children who have not enrolled should get in touch with Rev. Thos. L. Aaron, Box 176, Kingsfisher, Okla., at once.

Those present at the Board meeting were Dan T. Muse, S. E. Stark, Thos. L. Aaron, Elmer Lorance, J. D. Mahaffey, Arthur Smith, W. F. Aldridge, Elmer Jackson and J. A. Killebrew.

FIRST THINGS FIRST

Youth is the best time to seek after the God of David. "Remember now thy Creator in the days of thy youth." Why? Because it is easier to find Him then. "Those that seek me early shall find me." Because it is easier to hear His voice. "Speak, Lord; for thy servant heareth," said the boy Samuel, when he heard the voice of God calling him. Bezaize it is easier to believe God; "Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven." Because it is easier to serve God; "Wherewithal shall a young man cleanse his way? By taking heed thereto according to thy Word." Because others have done it, and become happy and successful; "Daniel purposed in his heart that he would not defile himself; ... Then the king made Daniel a great man and gave him many great gifts, and made him ruler." Because it brings honored old age; "The hoary head is a crown of glory, if it be found in the way of righteousness." Because it gives an abundant entrance into the beautiful city; "Blessed are they that are not defiled; ... For the LORD shall be a refuge for the poor." Because it brings immediate reward; "Blessed are they that have right to the tree of life, and may enter into the city, ... Is there any reason why a boy or girl should not "seek first the kingdom of God and His righteousness?"
REPORTS FROM THE FIELDS

Evangelist Delores Geren writes from Porum, Okla., under date of Aug. 20 as follows: "Just closed an old-fashioned revival in the Woodal community, 7 miles north of Porum. Truly the Lord blessed us in many ways. Thousands came out to hear the old-time Gospel preached. People came from far and near. About 25 souls turned from the paths of sin and gave their lives to God. Old, gray-headed fathers and mothers saw their need of God, and came and humbled themselves to walk with Christ. I am now in an open air revival at Webbers Falls. We are expecting another great revival."

Supt. Ralph Robinson, of the Texas Conference, has been engaged in a revival meeting and reports as follows: "Bellevue, Texas—With a party of others, wife and I began a meeting Friday night, Aug. 9, under an arbor near Round Prairie schoolhouse, in Clay County, Texas, with good interest and large crowds. Some fifty or sixty cars were on the ground Sunday night. This is a needy field. Pray that God will establish a work here. We praise God for the victory through the Blood of Jesus, and for the Comforter and Teacher. Those wishing to write me, may send mail to Ralph Robinson, Box 193, Gainesville, Texas."

NEW CHURCH ORGANIZED

Calvin, Aug. 7—We just closed the revival at Hartshorne, Okla. It was a good meeting. The Lord met with us in every service. There were 25 saved, a number sanctified and some very precious healing. One Catholic woman was wonderfully saved. On Sunday afternoon we had a baptismal service. Bro. Stuart, pastor of the Gowen church, did the baptizing. Sunday night we organized a church with 12 members. Pray they God will continue to bless this place. I surely love the Lord. He has never ceased to be a wonder in my soul. He sweetly saves and keeps. This has been one of the best years of my life. I am really looking for Jesus to come soon. I do want to be in the number when the saints go marching in. May God bless every reader of the Faith and help us to be more like Jesus.

JOSIE WILLIAMS.

MISSIONARY NEWS

Miss Laura Hylton, Pentecostal Holiness Missionary at Pakhrai, S. W. China, writes, "We have early prayers at 6:30 through the week with the Chinese that are present, and on Tuesday night prayer meeting, which we take in turn. On Friday night we have Bible study. On Sunday, 9:30, we have Sunday School, and at 11, preaching service. Four nights in the week I have English class. This English class has given us wonderful opportunities to reach some with the Gospel that likely we could never have reached otherwise. On Sunday afternoon, near 3 o'clock, we have an open air service. Where many are hearing the good news of the Kingdom. Do please pray earnestly that the good seed may fall in good ground and spring up and bring forth fruit a hundred-fold. We have workers who go out most every day, selling Gospels and giving out tracts. I believe this to be one of the best means to reach the people. My heart has been made to rejoice for the good privilege to give out tracts and good literature to these poor darkened hearts. One can never picture to yourself the sinfulness of a heathen land. You have to come and see for yourself. Some of you God will never call to go in person, but, oh, by your holding the ropes while those Divine whom He has called, is that which is such a great encouragement and help. We cannot get along without you dear ones in the homeland. We do appreciate what you are doing for us and the work."

We are glad indeed to announce to our readers that arrangements have been made whereby we can give them the benefit of a bargain price on the Pentecostal Holiness Advocate in connection with the Faith. We are enabled to offer both the Pentecostal Holiness Advocate and the Pentecostal Holiness Faith for one year for $1.50, the regular price of the Advocate. This is an exceptional offer, when you can get both papers for the price of one. We are very anxious to secure a larger circulation for the Advocate in the west. It is the official organ of the entire church, and is well worth the subscription price alone. Rev. G. F. Taylor is the editor. To those who have not been subscribers to the Advocate and wish to try it for six months, we will give you both papers for six months for 75 cents. Both papers, one year for $1.50, or both papers on trial for six months for 75 cents. Be sure to send all orders to Dan T. Muse, Box 766, Oklahoma City, Okla.

M. M. Hoel and wife write from Independence, Kans. as follows: "Am saved and sanctified and Baptized with the Holy Ghost and fire and the fire is burning on my soul right now, praise God. And still healed by His mighty power. We had a wonderful camp meeting and Conference, and God did bless and come in mighty power and the Conference saw fit to give me the Cherubim to pastor. So I am doing my best to feed their souls on the Bread of Life, which is the Word of God. Bro. A. L. Hinman, of Cherryvale, Kans., is holding a revival just now. Started Aug. 19, and will go on until Jesus says stop. We desire the prayers of the saints and Faith family that we will be what God is calling us in these last days."

THE LORD BLESSING

Connerville, Okla., Aug. 3.—I desire to report our camp meeting which was held by Rev. W. F. Aldridge of Bowlegs. It was a 3 weeks campaign launched against the enemy. The preaching was excellent. I believe we have more holiness sympathizers than ever before. We also had better attendance than any previous meetings. There were people from Sulphur, Seminole, Roff, Mill Creek, Tishomingo, Ada and other places. There were not many experiences in the meeting, but the country is stirred from center to circumference. Methodists, Baptists, and even some Christians are realizing a Prophet has been among them. The congregation voted unanimously for Bro. Aldridge to come again.

If any of you evangelists who are so zealous to go preach the Gospel will come this way you will find plenty to do. I am glad to recommend Bro. Aldridge as an able, fearless, fiery Pentecostal Holiness preacher. He is straight on doctrine and a strong advocate of tithing.

W. H. HART.

As I have now been transferred from the North Carolina Conference to the Texas Conference, and as the Texas Conference has called me to be Missionary evangelist, I am now ready to visit any of your churches for Missionary or evangelistic services. I am sure the Lord called me to come West to this big harvest field. God will bless my labors among you. At present am holding missionary and evangelistic services in the P. H. Church at Ardmore, Okla. Anyone wishing to write me, address Gen. Del., Ardmore, Okla.

—Mrs. M. E. Virden.

HOW IS IT WITH YOUR SOUL
there is any. Our furniture consists of trunks and boxes, one book shelf, bed, small stand and some stools. Recently the Lord gave us an oil stove and a Singer sewing machine, so they add to the beauty of our home as well as being very useful. When we first came we spent several nights on a Bengal bed. One must sleep on one to really appreciate them. These beds are made of solid wood just like a table, with legs about eighteen inches high. However, after a long, hard journey and hard work we were thankful for even a Bengal bed. As we slept on this table-like bed, we longed for our spring bed which was coming by freight, that was given us by your friends in Hazaribagh.

The people of this place are very glad that we have come to work among them. Sunday evening we went out with some of our workers to some Santali and Hindustani villages. The people gave us a glad welcome and seemed happy we had come to help them. When we were leaving their villages they followed us a long way, begging us to open schools and to live among them, saying, "If you people live among us you can help us keep down family quarrels by telling us how we should live. We trust to soon open school among these people and visit them daily, helping them in any way we can, but our main purpose is to get the gospel to them.

Yesterday we had a man come to us from Deoghar, one of the holy places of Hindu worship. He had been studying in a Hindu school for some time, but became very sick and while going from one holy place to another seeking healing but not finding it, he decided in his mind there was no God. About this time he was given a Gospel of John and some books by some missionaries on a station platform. By reading this Gospel and these books he came to know of Jesus and His power to save the soul and to heal the body. He is now coming to us for further instructions and wants to preach, telling the Hindus of his new-found peace. Pray for him that God will use him, making him a blessing to many lost souls. Pray for us and the new work.

Yours for the lost of Simultala,

George and Hazel Byus.

Camp Meeting Association

At the Annual Meeting of the Camp Meeting Association Saturday afternoon, Aug. 24, Dan T. Muse, who has served many years on the Board and four years continuously as President of the Association, asked to be relieved of that position, and Rev. N. T. Morgan, who has had years of experience in Camp Meeting work as Secretary, was elected President of the Association. Rev. Chas. J. Phipps was elected Vice President and Rev. Henry R. Samples, Secretary-Treasurer.

The Twenty-first Annual Camp Meeting was indeed a success this year. Many things hindered preparations for the Camp, and the folks were a little slow getting in, but after the first few days the attendance was large, and the Log Cabin Park ground was full of tents, auto tents, cabins, etc. Hundreds came and enjoyed the wonderful Camp Meeting, which closed with the last shout of victory at 4:30 a. m., Monday, Aug. 26. A tremendous crowd was present the last day and night of the meeting, and the last night was spent in an outdoor fashionable love feast, with many of the people hugging each other and telling one another what a blessing they had been to them. It was indeed a wonderful time.

The preaching was of the highest type. It seemed that Bros. G. F. Taylor and S. A. Bishop were at their very best. Their preaching seemed to be perfectly in the Spirit, and such messages of truth that were given to the people. The saint that was privileged to be present and enjoy these messages was indeed blessed and should treasure them up through the coming days. The testimony services were well received by the people, who responded in a fair measure to the Word of God and save about $150 by buying the cloth used. A friend of mine has offered to make a tent to hold meetings in. You folk that read this desire to do some pioneering work with your money, please ask God how much He wants you to help, and send same to me and I will apply it on their account.
