AWAKE THOU THAT SLEEPEST

Rev. O. C. Wilkins

To all who are in sympathy with the great school that God has given us, the Kings College at Kingfisher, Okla.

This school in many respects is the best this year it ever has been. Can we afford to let that school close for lack of finance when God has given it to us for our children, where they can receive a good, clean literary, Biblical and musical education under such men as Bros. Aaron and Samuell? We can't afford to let it close. First let us pray to God. Who will join me in this? Second, let 100 of us send in \$10 each in the next 30 days, and 50 of us send in \$5 each in the next 30 days. If we will do that I believe our school can run the full term this year and not be in debt when it closes. Of course anyone who can, send in more than I have mentioned. God will bless you in so doing. "Someone will say, "Don't the students pay \$15 per month?" Yes, they do. But \$15 per month is not enough to pay board, room rent, light and fuel bill, much less to pay our teachers. Brethren, this is an opportunity of our lives for a school and this is the only organized church school that we have west of the Mississippi river, and the men who are in authority in this school are all members of the Pentecostal Holiness Church and stand for its teaching. This belongs to you, so let us stand by it. Send all offerings on this appeal to Rev. Dan T. Muse, Box 762, Oklahoma City, Okla. I will head the list with \$10. Your brother in Christ Jesus.—O. C. Wilkins.

P. S.—Any amount larger or smaller than I have mentioned will be appreciated.

WONDERFUL VICTORY AT DAVIS

Davis, Okla., Jan. 4.—We are in the midst of a fine New Year's revival at Davis. We came here last Sunday night. The house was well-seated, and there were about 20 raised their hands for prayer the first night of the meeting, and there was heavy conviction every night, until last night, and God just gave us a real landslide from heaven. There were 16 at the altar, some praying, some weeping, and of course the thing broke out and 13 were gloriously saved, 1 sanctified and 1 filled with the Holy Ghost, so 15 altogether, prayed through. God almost cleared the altar. I tell you it was just fine and we are looking forward to a fine time. Pray for us and the revival here

at Davis. It has been several years since Davis has had a revival, but I believe the time has come for God to give one. Bro. Lee Miller is pastor here and his heart is in this work. I found the church preached up and prayed up ready for a revival, so each message has been direct to the lost. Oh, that all churches could be ready for a revival when an evangelist is called.—Lee F. Hargis.

TWENTY-FIVE SAVED

Wewoka, Okla., Jan. 3.—Just closed a great revival at Fayetteville, Ark. 25 saved and 5 received the Holy Ghost. I am at this writing at the Bethel Church in a revival meeting. I believe we are going to have a great meeting. There was one saved and one sanctified the first service. Pray for this revival. Pray that God will come on the scene and save many souls before it is too late. Those desiring to write me about a revival can address me at my home address, Monte Ne, Ark.—W. O. McDonald.

FROM THE OZARKS

Monte Ne, Ark.—I want to praise God for the many blessings that He has blest the work here with, also for the Faith. It has surely been a blessing to me. The Ozark Industrial College rendered a wonderful program Dec. 23. At the close Mr. Carey Gregory and Miss Etta Lynch, also Mr. Carroll Woodward and Miss Lois Garner were happily married by the pastor, Rev. L. G. Chilcoat. All the students said goodbye and were soon on their way to their homes to enjoy Christmas. School will open again Jan. 6, 1930.

Sister Herbert Baffum of California has been with us for a few days. Several have been blest and several have received the full experience under her preaching, and we have surely enjoyed her songs.

Christmas morning we had a sunrise service. The Lord surely blest us together. We also had service at 11. "He shall cover thee with his feathers and under his wings shalt thou trust. His truth shall be thy shield and buckler."—Pslam 91:4.

This is not "pioneering in China" but in Arkansas. We feel encouraged to do our best in spreading the Gospel all over Arkansas. Bless the precious name of Jesus. Please pray for Arkansas and the school here when you pray. Yours for Jesus—Eula Chilcoat.

REVIVAL AT BOWLEGS CHURCH

Bowlegs, Jan. 3.—The Lord is visiting us with an old-time Pentecostal Holiness revival. There has been 19 saved, some seeking to be sanctified. The revival is still on and we do not know when it will close. The Lord has blessed us in getting our church almost paid out, for which we praise Him. Our Sunday School is building up and we are progressing nicely in every way. Sister Chessie Price is conducting the revival, with some helpers, Sisters Clara Hill and Grace Price. We have been blessed with many visiting preachers during the revival, who have helped us greatly, namely, J. D. Mahaffey, Clarence Neukirchner, Elmer Lorange, Bert Parmer and Dee Price. Also many of the Seminole saints have helped us in the revival. Sisters Magruder and Davis have been a great help in getting payments on the church. We had a blessed service last Saturday night in taking the Sacrament and having foot washing. The Lord blessed and the saints rejoiced greatly for His great love to us. I have the victory. I am saved right now, sanctified as a second work of grace and the Holy Spirit fills my soul.—J. I. Morgan.

Carnegie, Okla.—Glad to report victory in my soul and looking for Jesus to come. We just closed a meeting with Bro. Wilkins lecturing on Revelation. He was made a blessing to the work here. At times some would shout and some would weep, others would manifest their joy in different ways, but most all seemed to enjoy it. Several prayed through on different lines. I am sure Bro. Wilkins would be a blessing to all our churches. Especially do I believe we need the many truths in Revelation brought to our churches. God bless you all.—R. B. Beall, Pastor.

In sending in renewals for the Faith and Advocate, Mrs. Pearl Morris states, "We just can't think of not renewing for the papers. They sure are soul food to us. Oh, how we praise the dear Lord for such papers. May the Lord bless the Editor of the Faith and Bro. J. H. King."

Supt. Ralph Robinson closed a revival meeting at Garfield, New Mexico, Sunday night, Dec. 22. There was a good interest in the meeting and some ten or twelve experiences. Bro. Robinson reports a great interest among the young men of the community.

A CALL TO AWAKEN

Cora Short

O, that people would wake up! I mean God's people. How can we be at ease when we have boys and girls going on down, down into eternity without God? O saints! I feel so burdened for God's children. O that we would wake up! If I could picture this vision to you of the duty of a Christian person and their responsibilities, and what God is going to require of us. We are living in dangerous times. "The great day of the Lord is near, and hasteth greatly, even the voice of the day of the Lord. The mighty man shall cry there bitterly. The day is a day of wrath, a day of trouble and distress, a day of wasteness and desolation, a day of darkness and gloominess, a day of clouds and thick darkness." Zeph. 1:14-15.

If I could cry out that every ear could hear me. O, my God, that I could do something to melt the hearts of God's children. O, the precious mercy of God! How he deals with us and we are so rebellious. Often He has reproved us. O, the God of Heaven, the One that sent His only Son to redeem us!! How can we be so careless?

How can our loved ones and children be saved, unless we get under the burden. If there ever was a time that we needed to pray, it is now. How would we feel if trouble comes upon us and we cannot pray. God is our refuge in time of trouble and how can we pray for someone else when we need to pray for ourselves. I wish that I had words to praise God for His mercy. He is so precious.

The Sun City District met with the Sun City church Dec. 13-16, with Supt. Dean in the chair. Pastors present: Harry Hibbert, J. M. Hopkins, B. R. Dean. Mission Workers: Lucinda Kaminska, Otto Kaminska, Eva Gleason. Delegates: Marie Ward, Sun City; Nellie Boman, Rozel; Eva Gleason, Larned. Next Quarterly Conference will meet with the Rozel church. There was a good spirit in all services. The Lord sure blessed. Our Conferences are getting better all the time. Had several in the altar. The last night one was sanctified in the old-time way. Bros. Dean and Hopkins brought some good messages. We all received a blessing and will look forward to the next time we can gather in Conference. —Otto Kaminska, Sec.

Miss Margaret Thornton writes from Galena, Okla., Dec. 26.—Rev. Tommi Thornton, Sister Clara Classen and myself held a meeting at Perry some time ago, in which about 8 were saved, 4 sanctified and one received the Baptism of the Holy Ghost. We had cottage prayer meeting each afternoon, which were a blessing to most everyone who attended. There were several healed in almost every service. Seven were added to the church. We went from Perry to Three Sands and held a short meeting there. We enjoyed being at both places and truly believe there is pure gold in both places. We returned home and held a two weeks meeting in which all the saints were greatly touched. As there were several just starting out in the work, we each took part in the services, letting God lead the one He would have to preach at each service. We certainly find Sister Classen to be on fire for God and willing to do her best for Him. We also found Bro. and Sister H. W. King, pastor of the Perry and Three Sands churches, very nice people to work with, and enjoyed being with them very much."

Rev. Walter Teague, Sylvania Sta., Fort Worth, Texas, is open for calls to those desiring someone for a revival meeting.

HOW IS IT WITH YOUR SOUL.

ASK FOR THE OLD PATHS

Rev. G. A. Howard, Bendavis, Mo.

"Thus saith the Lord, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls." Jer. 6:16.

And as I stood among the various ways and beliefs of religions in the world, I looked at them, and I heard a voice say to me "Ask for the old paths," and as I began to ask for them I realized that there wasn't but one way, and I said, "Lord, where is the good way?" And I heard a voice say behind me, "This is the good way, walk ye in it. (Is. 30:1). And ye shall find rest for your souls. And as I began to follow the voice and walk in His commandments I found a deep settled peace and rest down deep in my soul. Hallelujah to God for the old-time power. Tonight, as I take a view of some of our Pentecostal churches in various places, it leads me to the writing of Apostle Paul in 2 Tim. 3:1 "This know also that in the last days perilous time shall come." Again, 1. Tim. 5:1 "Not the Spirit speaketh expressly that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of devils." As I view these Scriptures I look at our little church with about 40 members in good standing, a light to the world about 9 years ago. But now as I look at it it is a dead branch on the vine and has been cut off.

Now we look at 2 Kings 6:1-2: "The sons of the Prophets said to Elisha, The place where we now dwell is too strait for us." That is just what a great many are saying about Pentecostal Holiness today. They say it is too straight for them. They won't have it. They say the Discipline of the Pentecostal Holiness Church is too straight, if you will take out some of the rules we will stay with you, but if you don't we will go to Jordan and build places of worship. So many of them turn and go into independence and God sends strong delusions upon them and they believe a lie and are damned.

Jesus said in Luke 15:24, "Strive (strain or press your way in) to enter in at the strait gate, for many I say unto you **will seek** to enter in and shall not **be able**. I am praising God for this **straight clean, narrow way that is called the way of holiness**. Pray for me that I may ever be in the center of God's will, and be at my best for Him.

time to pray.

Take time to be holy, and study His word,

For wisdom and counsel His truth affords;

Mid the hurry and rush of work,
When the task is too heavy to bear,
You can find strength and courage
going to God in prayer.

If loved ones forsake you and friends
prove untrue,

If you take it to Jesus He will carry
you through.

Take time to be holy and you can rest
assured

He will lead to victory, if you rely on
His word.

Whatever the care or trial that beset
your pathway,

You may overcome them if you take
time to pray.

DEATH

Ethel Kidd

"And he died." Gen. 5:27. "I go the way of all the earth." 1 Kings 2:2. Just as it has been said of those in older times "and he died," and "going the way of all the earth," so also it will be said of you and I if Jesus tarries. We will go the way of all the earth, for it "is appointed unto man once to die and after this the judgment." The sentence
