Whatsoever a Man Soweth

REV. J. G. BOND

Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption but he that soweth to the Spirit shall of the Spirit reap everlasting.—Gal. 6:7-8.

This Scripture contains truth that no skeptic or infidel will dare to deny. There are some passages in the word of God that needs no further proof than that we can easily find in our daily experiences. If the Bible were to be blotted out of existence, the words that I have quoted would be abundantly verified by what is happening around us. Look at the daily papers and you can see it fulfilled before your eyes.

I remember giving out this text some time ago and a man in the audience stood up and said "I do not believe it." I said my friend that does not change the Bible. God's word is true whether you believe it or not. A short time after this he was arrested, convicted and sent to prison, and I imagine that he was not in his cell long until he realized that he was reaping some of what he had sowed.

We might as well try to remove the sun from its shining and the moon from its place as to blot this truth from God's word. The law has been enforced for over 6000 years. Did not Adam reap even before he left the Garden of Eden, and Cain shortly afterward and a King on the throne like David, or a Priest behind the altar like Eli. Kings, priests and prophets, preachers and all, every one must reap what he sows.

This text applies to individuals of whatever class, saint or sinner. It applies to the family, to society, and it applies to nations. The results of our actions must be reaped whether individuals or nations. Take the case of Korah. When the tribes rose up against Moses, see what happened. Did Korah reap? Well, the ground opened up and swallowed them. Also Amalek, did he reap, or did God let him pass unnoticed, what was the result of this attack? God ordained that the Amalekites should reap as they sowed, and the nation was all but wiped out of existence during King Saul.

What has become of the great monarchies and empires of the world? What brought ruin to Babylon. Her kings and people would not obey God, and they fell. What has become of Greece and all her power? She once ruled the world. What became of Rome? When her cup of indignation was full to the brim, she dashed to pieces. Look at the Jews, they rejected salvation and persecuted God's messengers, crucified their redeemer, and eleven hundred thousand of them perished at one time. Take the case of France. It is said that a century ago that men spent millions annually for the publication and distribution of infidel literature. What has been the harvest? The Bible was set at nought, hell broke loose, half the children born in France were bastards, more than a million persons were beheaded, shot, drowned, outraged and put to death between Sept. 1792 and December 1795. Since that time France has had thirteen revolutions, in eight years and in the Republic there has been an overturn on an average once in nine months, one-third of the births were illegitimate, ten thousand new born babies were fished out of the outlet of the city sewers in a single year. The native population of France is decreasing. The percentage of suicides is greater in Paris than in any city in Christendom. And since the French revolution there has been an average more than 2500 per year.

Not only does this law strike against nations, but individuals, and with as much force. Take...

Evangelist G V Sheaffer is to begin a revival meeting at the Barnes church Sunday, the 10th.

Rev. Chas. Foster, the minister at 43 years of age

Concrete evidence of the power in the Blood of Jesus is clearly manifest in the two pictures above, showing Chas. Foster before and after the transforming power in the Blood of Jesus made him a new creature.

Chas. Foster was a drunkard of the worst type. A drinker of “canned heat,” a frequent prisoner behind the bars, and a man enslaved to the things of the world. But the Lord got hold of his heart and he surrendered his heart and life to God. He backtracked his life, made restitution when it looked like the penitentiary to do it. God sanctified him and filled him with the Holy Ghost and called him into the ministry, and he is now a tireless worker in God's cause. testifying both to high and low, rich and poor, Jew and Gentile. the wonderful works of God, and His saving strength.

Rev. C E Neukirchner is engaged in a revival meeting at the Stratford church. The meeting started off good.

Word has reached us of good services at the Clinton church.

Mcalester, Okla.—Sister C L Smith has been with us in meeting. The weather was bad, but the dear Lord blessed in every service. Eight souls saved, one sanctified and the saints built up in the faith. Sister Smith was surely a blessing to all, led us out into the deep things of God. We pray the Lord will permit her to be with us again. She has a warm spot in our hearts.

Myrtle Meeks

Weatherford, Okla.—Still love the good old Bible way of holiness, the three fold plan. Praise the dear Lord for what He is to us right now. We are moving along slowly in Weatherford. The Lord still blesses in our midst. I am still saved, sanctified and the Holy Ghost abides. We have many people that say they are Pentecost but they are far from the Bible way. Dear souls let's live out and out for God, Yours out for lost souls.

Let’s send the whole Gospel to the whole world.

Okmulgee, Okla. -- I have been here for 11 days and surely God is blessing and people are praying through in the old time way. At times the power falls until it seems like a real camp meeting. I think there were six prayed through Sunday night in the old time way. On Saturday night a dear old white haired man 69 yrs and 5 months old who had never been saved, knelt at the altar and wept and prayed his way through and was wonderfully saved and got up shouting the victory and was back the next night with a good testimony and seeking to be sanctified. It is a pleasure to hold meetings for Bro. Smith the pastor of this church. He has a good church. The crowds have been good. People come regardless of the snow and ice. Bro. Hively and Sister Estella Beal are helping me in this meeting. They both are used of God and are real fire-brands. I find if we contend for the old paths God will give us old time results. I had an accident during my meeting at Oklahomb City. I fell on the steps of the church and broke one of my ribs and fractured my arm and it still pains me until it is difficult for me to preach or sleep at night. Pray for my complete healing as I am trusting God only for my healing.

HOW IS IT WITH YOUR SOUL
Thunderings of the Approaching Storm

Looking down into the future the prophet of God said "The kings of the earth set themselves and the rulers take counsel together against the Lord, and against his anointed, saying. Let us break their bands asunder, and cast away their cords from us." — Psalm 2:2,3.

The condition in Russia is terrible. It reveals the conditions that immediately follow atheistic propaganda such as has been carried on in Russia; and the enthronement of atheistic rulers. Their persistent blasphemies and effort to force people to become atheist have reached such proportions until the liberal Literary Digest Feb. 15, 1930, speaks of "Soviet Russia's terrible blasphemies against God." This same magazine also states that "No form of blasphemy appears to be repugnant to a Soviet soul. Recently Izvestia, a Soviet newspaper, carried a caricature of God with a pipe in his mouth." They are carrying on an anti-religious campaign saying that God does not exist. Associated Press dispatches state that in Ukraine the government has closed 202 churches in 4 months. Previously 304 churches were abolished in the same territory. Church buildings are being converted into granaries, and religious education denied to children.

The Literary Digest says "in all of Russia no Sunday School is permitted. Priests and churchmen are being executed. Merciless taxes are levied on the religious, it seems, to starve them into atheism, says the Literary Digest. The Baptist says arbitrary taxation is laid on ministers and that their protests are answered with: "Lay down your office, renounce God, and the claim will be cancelled."

And all this is but the thunderings of the approaching storm due to break during the great tribulation period just ahead of us when this Scripture will be fulfilled literally. Speaking of this coming tribulation Daniel says "there shall be a time of trouble, such as there never was since there was a nation even to that same time." Jesus said "in those days shall be afflictions such as was not from the beginning of the creation which God created unto this time."

Satan is using every method to try to dethrone God's religion from the earth. Through the public schools, through literature and every conceivable way. The teaching of evolution in the high schools, colleges and universities is ruining the world by bringing in atheism and its kindred evils. From various parts of the world one can hear the thunderings of the gathering storm that will bring about the most terrifying hour the world has ever known, the great tribulation period.

Forseeing the ungodliness, the blasphemy, the depravity, the suffering, the unparalleled bloodshed, the agonies and misery of the people during this time, Jesus said "Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man." — Luke 21:36.

If there ever was a time when fathers and mothers needed to pray for their children it is now. If ever the church needed to pray for a revival it is now. If ever you need to live close to God it is now. If ever you needed to cut loose from the things of this world it is now. The harvest will soon be past. The condition of Russia will envelop the world.

Report of the Westville church

Our church is progressing and interest is increasing. We have Sunday School with an average attendance of about 100. Bro. Aldridge brings some interesting messages to the church Sunday mornings. We have young people's meeting at six, followed by evening worship at seven. Prayer meeting Thursday night and Bible study Friday night, conducted by our pastor, Bro. Aldridge. The Bible Study is interesting and beneficial to both saved and unsaved. Bro. Aldridge has closed a four weeks revival. There were about six saved and reclaimed and two received the Baptism. Sister C L Smith was with us in the latter part of the revival. She took charge of the services the last few nights, as Bro. Aldridge was called away to conduct a funeral. Praise the Lord for the possibility of life through Christ Jesus. — Ruth Carrington, church reporter.

Recipe for Scandal Mongers

Take a grain of falsehood, a handful of runabout, a sprig of herb of backbite, one teaspoon of "don't tell it", six drachms of malice and a few drops of envy. Stir well and let simmer 1 hour, add a little discontent and jealousy, then strain through a bag of misconstruction. Cork it in a bottle of malivolence and hang it on a skein of street yarn. Shake it occasionally for a few days and it will be ready for use. Take a few drops before going out to walk and you will succeed. — Sel.

the case of Job. His 3 friends reasoned that he must have been a great sinner because they took for granted that the calamities that overtook him must be the results of his wickedness. Remember I pray thee, said one of them, who ever perished being innocent? or where were the righteous cut off, even as I have seen they that plough iniquity and sow wickedness reap the same.

In the Book of Proverbs, we find it written: the wicked worketh a deceitful work, but to him that worketh righteousness shall be a sure reward. And again he that soweth iniquity shall reap vanity, and in Isaiah we find these words, "say ye to the righteous that it shall be well with him, for, they shall eat the fruit of their doings; woe unto thee, it shall be ill with him, for the reward of his hands shall be given him.
