Have You Received the Holy Ghost?

Have ye received the Holy Ghost since ye believed?—Acts 19:2.

It was the great Apostle Paul speaking. He had just found some disciples at Ephesus. And realizing the need and importance of being filled with the Holy Spirit he greets this question, that God has hurled down through the ages to Christians even to the present day.

Few realize the importance of the Baptism of the Holy Ghost and the value to the heart of the sanctified believer. There is an emphasis placed upon the Baptism of the Holy Ghost in all four of the Gospels that should not be overlooked.

John the Baptist, the forerunner of Jesus put a great emphasis on this experience when under his scathing denunciation of sin and preaching of repentance and restitution, many were coming to be baptized in water, he said "I indeed baptize you with water unto repentance: but he that cometh after me is mightier than I, whose shoes I am not worthy to bear, he shall baptize you with the Holy Ghost, and with fire"—Matt. 3:11. And all four of the Gospels begin with this same emphasis being placed upon this ministry of Jesus that He should baptize with the Holy Ghost.

And are Paul and John alone in placing such emphasis on the Baptism of the Holy Ghost. No, indeed. God the Father emphasized this same truth when He told John that Jesus is "he which baptized with the Holy Ghost."—John 1:33.

Jesus enforces the importance of receiving this wonderful Baptism when just before His ascension "being assembled together with them, commanded them that they should not depart from Jerusalem, but wait for the promise of the Father which, saith he, ye have heard of me. For John truly baptized with water; but ye shall be baptized with the Holy Ghost."—Acts 1:45.

The Apostles realized the pressing need for every Christian receiving the Baptism of the Holy Ghost, so that when word came to them of the mighty Samara revival that brought great joy to the city, and the sick were healed, they immediately sent Peter and John "Who * prayed for them that they might receive the Holy Ghost."—Acts 8:15

Reader, have you received the Holy Ghost according to the pattern (Acts 2:4).

The promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.

"And they were all filled with the Holy Ghost, and began to speak with other tongues as the Spirit gave them utterance."—Acts 2:4.

The Bible says 'this is the will of God, even your sanctification', but a lot of folks don't want the will probated.

Too many Christians are leaning over, as Samson, and pillowing their head in Delilah's lap.

There is a vast difference between sanctification and cranking.

Okmulgee Revival Announcement

The Okmulgee Pentecostal Holiness Church wishes to announce that Rev. T. A. Melton of Marion NC, will begin a revival meeting at West Main and Kern on June 18, 1930. We extend to you all an invitation to come over and visit us and assist in this meeting and hear Bro. Melton as he is a new preacher in the West. He can be with us in the West until July 22 so he will have time to hold our meeting and one meeting for any of you who would love to have him. He will be a blessing to you and your church. If you desire him let me know as soon as possible. Pray for us and the revival that God will turn old Okmulgee upside down. uncover her sins, convict her of the same until she is willing to turn away from them and repent. Brethren, we need to pray more one for another in the last days. Pray for us and come and visit us if you can.

Arthur Smith
1206 W. 5th, Okmulgee, Okla.

The Edmond church began an evangelistic campaign Friday, June 6. Evangelist Davenport is doing the preaching.

One was gloriously saved Sunday night, June 8, at the Second church.

The Robinson Sunday School is growing rapidly, there being 60 in attendance Sunday, June 8. In the afternoon the Pastor, G V Sheaffer, baptized 6 in water. At night the service was largely attended.

We understand that Mrs. J W Robertson has been holding a revival meeting at Gainesville.

President Thos. L Aaron is attending the University of Oklahoma at Norman this summer to better qualify himself for his labors in Kings College.

At the First Church Sunday School June 8 there was an attendance of 289, with the Whosoever Will class taking the Senior banner, and the boys class taking the Junior banner. At this service 25 babies were dedicated to the Lord. It was a beautiful sight to see these mothers present their babies to the Lord. It was indeed an impressive service.

Pastor A P Holley reported 53 in Sunday School at Three Sands June 1st.

Silver Springs, Ark—I am glad that the sunlight of heaven is shining in my soul just as bright as it is shining on Silver Springs this morning. Thank God, I am happy in Him. When the devil tries to bother and to hinder the Lord gives me victory over sin, hallelujah. It makes me happy. I am glad for the glory land way I have me a new Gospel tent and I am open for calls. Any one desiring a tent meeting write me at Silver Springs, Ark.

A GOOD MEETING.

Durant, Okla., June 6—We have been in a battle for King Jesus at Durant. We had a hard fight but God blessed. Some of them would not work with us and pulled off from us, and they had services nearly every night that we were there. Pray for the little band at Durant, for they have some pure gold that know how to hold on to God. We had 11 saved and 2 sanctified. God blessed in a mighty way. Pray that God will give them a church to worship in. They now worship in a free mission where they don’t want a Pentecostal preacher to pastor. They wanted us to stay longer. Thank God for the pure gold at Durant. Any one wishing us for a meeting write me at Box 334, Healdton, Okla.

A R Crowell

Seminole, May 16—Rev. Lonnie Smith closed a revival here Tuesday night. It rained nearly every night and the crowds were not as large as desired, but God put His approval on the meeting by saving seven and sanctifying 3. Also the church seems to be built up spiritually. Bro. Smith is a real Spirit filled man of God and presented the Gospel in the old time Holiness way, hewing to the line, and with power and boldness crying out against the sins of this age and a message of warning to the Pentecostal people to beware lest we be caught in the current of modern spiritual decline. If you want a preacher that preaches the truth without compromise and one that does not “soft-soap it” as we say—you can’t beat Bro. Smith.

One thing I noticed particularly was the hardness of hearts of
many who attended the revival. It seemed that regardless of the earnestness of the message, many paid no heed. Saints we are living in a very perilous age and it means much for a soul to find deliverance these days, when the powers of darkness are so great. There were several in the altar last night and one was saved and another one who was seemingly cold prayed through to victory.

P W Kincaid

Weatherford, June 2—A few words of praise to my dear Redeemer: one that hung on the cross for me. He is so real in my life, bless His name. I am so glad that I found him when I did, for it is worth more than a tongue can tell. O how I love my Lord. We are moving along fine at Weatherford, we had foot washing and the Sacrament yesterday, and the Lord blessed.

There was shouting dancing and talking in tongues. Bro. W O Peters preached Saturday night and Sunday morning he preached us a missionary sermon and the Lord blessed him and all the saints. He also preached Sunday afternoon and Sunday night and we had a wonderful time in the Lord. Sister Peters preached May 25 and the Lord blessed. I am still saved, sanctified and the Holy Ghost abides within.

Ollie Dodd

Los Angeles, Calif.—I praise God for victory in my soul this morning. I am determined by His grace to go through at any cost. Pray for me and my unsaved loved ones. The Lord willing will be at the camp meeting in August.

**The Greatest Mystery**

GEO. LIDDEKE

What a great mystery, God is light.

We can see it, still He's out of sight.

His omnipresence we can feel.

Yet can't touch, nor see, still He's so real,

He who this Universe did make,

Would like His abode in our hearts take.

Can you fathom this wonder so great,

If so, you'd love Him at an early date.

Summer is nigh when fig tree greens.

Can't you see the harvest white,

People rushing to their doom,

Believing their church is all right

But with Jesus will find no room

Some say the Church of God.

Some a Baptist I'd rather be,

Others the way of Mormons trod

Rather than the Pentecostal creed

To the tongues crowd I belong.

Methodist think—God deliver me

Catholics think all others wrong

But Pentecostal people are free

All others in like manner think

Their church is the only one.

Jesus to their memory will bring

That the Laodices are all wrong.

Thus the Lord of them has said

While thou art neither cold nor hot

But art loveless and spiritual dead

Will with the devil give your lot

O when wilt thou then learn to consider

That the Lord will spue thee out

Then you in His presence will wither

Having cast you on the hellward route.

Dear reader I think I speak not too strong when I say that a church in this land without the Holy Ghost in accordance with Acts 2:4, its rather a hindrance than a blessing. Depend upon it as long as the church is living so much like the world we cannot expect our children to be brought into the fold. Let us reinstate Jesus in the rightful place which belongs to Him in the church or the church will soon be driven into the wilderness.

Would that every Christian might say down deep in his heart "Lord I want a revival. Let it begin in me. Give me the earnestness, faith and tenderness that I am looking for in others. Make me such a devoted Christian worker as I think my pastor, or brother or sister ought to be." Let the revival begin in me, and begin now. Lord what will thou have me to do? May this be our daily prayer. The strongest argument for the truth of Christianity is a true conscientious Christian, the man filled with the Spirit of Christ. God help us to be such.

If you enjoy the Pentecostal Holiness Faith tell your friends about it.
Himself Took Our Infirmities and Bare Our Sicknesses

There are some 6835 hospitals in the United States with an average of 762,738 patients in them. There are 85,000 physicians connected with hospitals. There are also 250,890 insane people in the United States. Also there are 52,567 people blind, besides the many deaf and dumb.

And then there are over 100,000 drug addicts, or "dope heads".

We not object to hospitals for they certainly have been a means of help to many. But we do fear the church has failed God by not giving to the world the Gospel as relating to healing for our bodies. And this failure has cost the church heavily.

Jesus himself took our infirmities and bare our sicknesses. Yes, just as surely as he took our sins it is just as real. And it has been the privilege of the church, and the duty of the church to give this fact to the world. But the church failed God, and they failed to avail themselves of this needed benefit. And without faith the church turned away from this phase of the atonement and began to build hospitals, seeking entirely the aid of the medical fraternity to rid them of their sufferings. What a loss. And it is a fact that very few so-called Christian hospitals will tolerate much praying.

Due largely to the failure of the ministry to give this truth to the church, thousands of Christians today when they are sick, call the doctor instead of obeying the Bible command to call the elders. "Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord; And the prayer of faith shall save the sick, and the Lord shall raise him up."—James 5:14-15.

And we fear this same thing has invaded the ranks of holiness people to a great extent.

What a loss to the church not to trust God for our bodies. The church needs more faith in God.

We have noticed this amongst holiness people, that when they submit to the devil's suggestion to be examined your trust in God is weakened.

When the pill bag or surgeon's knife enter the front door, faith goes out the front door.

May God give the church more faith, and help us to faithfully give suffering humanity this wonderful truth.

P. Y. P. S.

Frederick, Okla.—We have reorganized our P Y P S with 12 members and a wonderful president, Mrs. T J. Collier. We have a bright class and promising future with golden opportunities all around us, which we expect to grasp and be a wonderful band for God. All that love young people and want them to be Christians please pray for us that we may win more young souls and be a better P Y P S for God.

60 Receive Baptism

Many were saved, a great number sanctified sixty received the Baptism of the Holy Ghost in ten days' camp meeting in Florida, is the report reaching us. Evangelist Emma Taylor was the camp meeting preacher. Sister Taylor is indeed a firebrand for God. 500 were camping on the ground. An attendance of about 3000 at the services. From the camp meeting they went to Tampa, Fla. for a revival meeting. Earnie and Emma are splendid workers.

MANY PRAY THROUGH TO VICTORY

Coffeyville, Kans., May 23—We certainly praise God for the good revival He gave us. One old timber said "he did not know when he had been in a meeting like this one where the Lord poured out His Spirit in every service." Eight grown people were saved, three sanctified and three received the Baptism of the Holy Ghost. There were about 8 children that prayed through. We took 8 in the church the last night of meeting and there are several more who will come in later. I thank the Lord for men like Bro. Wilkins who preach hard and straight. When people pray through under his preaching they get a real experience. Bro. Wilkins will be a blessing to your church.

G W Wassom

Stilwell, Okla.—Today finds me on victory side. I am holding a meeting 7 miles east of Stilwell. We are praying and looking forward for a great time in the Lord, although the devil is stirred at present. One man was over yesterday and said for us to stop the meeting. Afraid of organization, but I thank God for it. I'll stand for it, because it's Bible: We need your prayers and we need help also in this place. Any one wanting me may write me in care of W. D. Bigby, Route 2 Stilwell, Okla. I will be here until the Lord says go. Pray for my lost people. Iva Hays

A GOOD MEETING.

Hartshorne, May 26—We have just closed a meeting at Bethel. Sister Myrtle Meeks and Sister Ruth Iley were the workers. Sister Meeks doing the preaching. We had the best meeting that we have had in some time. Sister Meeks is a real Spirit filled minister and won the influence and hearts of the people in the community. They are to return and hold our summer meeting. Eleven professed salvation, 5 sanctified and 2 Baptized with the Holy Ghost.

F E Isbell

Blanchard, Okla., May 28—we closed a week meeting at Mt. View Sunday night. Had a good meeting, 2 were saved and the saints were encouraged. I am now at Colie, Okla. We begin the meeting May 29. They haven't had any preaching here for over 2 years, until lately. I will go from here to Shawnee.

S M Weatherford

WITH THE EDITOR.

The Editor visited several of the churches recently. At the Seminole church May 30 the good Lord blessed and gave a heavenly shower. At Seminole we met many old friends and enjoyed the good fellowship. Bro. Kincaid is pastor at Seminole.

Wednesday night, May 21, we were with the Shawnee church, where Bro. T M Kay is pastor. Again we met with old friends, and enjoyed sweet fellowship.

Saturday night, May 24, we were at the Emmanuel church. The house was full of friends. Emmanuel is a tender spot to the writer. We have preached hundreds of sermons here. Many indeed are the precious memories. Many times we have seen the power of God fall like rain, and the saints shout, dance and praise God. At the first tent meeting a storm came up and with the rain falling in sheets drenching those who were holding the ropes and poles, and praying for God to help them hold the tent down in the raging wind, the altar service went right on, and souls prayed through. At this same meeting one over-anxious mother stood guard over her daughter to keep the holiness folks away while her daughter was seeking the Lord. Today this daughter is a preacher of holiness.

Many of the old friends have passed on. Some gave bright, glowing testimonies before their departure, but some have gone unprepared to meet God.

What Does Time Mean to Us

W H Hart

Does it ever occur to you that time is on wings, and the world is going toward eternity?

We find one prominent writer who says "To everything there is a season, and a time to every purpose under the heaven—Ec. 3:1

Do you ever review your past life, or consider the present and the future?

Do you remember while in your youthful days, events occurred that made lasting impressions on your memory?

Do you remember how much you enjoyed life, and how free you were from the responsibilities of life? O how different the world seemed to us then. Life seemed worth while. We had a longing for the future to bring us to the age of maturity when we could be men and women. But now, since we have reached the point in life that we must face such perplexing problems, we are inclined to feel disappointed.

Time did not bring to us that which we expected.

Don't worry about the future.

The present is all thou hast:
The future will soon be present.

And the present will soon be past.

Many times we like to review the past, especially the things which so deeply impressed us for that which is good. But as we can't recall the past only in memory, let us consider the present, also the future. The author of our text also says:

A time to read, and a time to sew; a time to keep silence and a time to speak.

When we see and consider the time in which we live, and realize the wings of time are swiftly carrying us to eternity, we feel it is a time to speak.

Sow to yourselves in righteousness, reap in m-ney: break up your fallow ground; for it is time to seek the Lord till He come and rain righteousness upon you.—Hosea 10.12.

Time waits for no one. Wickedness and crime are running at large in defiance of holy warning the law of the government. Politicians are telling us how corrupt our legislative bodies are, but don't give the reason or the cure for such conditions.

We are evidently nearing a time of trouble that will not be subdued through political action.

"Cursed is the man trusteth in the arm of flesh."

God is calling the world to repentance, and it is time to seek the Lord.

Time means everything to us. Eternity in heaven or in hell.

Where will you spend eternity.

Go to Sleep Early to Keep from Feeling Hunger

Rev. D. D. Freeman, Treasurer of the African work writes as follows: 'I truly thank God for the workers we have in Africa. Many of them do not receive enough to live on but they go on in the Master's service. I have had the workers tell me that many times they go to sleep early at night when there was nothing to eat so they would not feel the hunger.

During this year we have had on the pay list 18 pastors and 2 teachers. The government is supporting for us 7 teachers. During the year there have been five schools running with a total attendance of near 375 students. We have 3 new schools to start the first of the year providing there is support available. I am not certain as to the compounds school for men on the Rand, but to the best of my knowledge there are about 100 in these night schools. These schools are taught by our workers who receive nothing from our church. They teach at night and work during the day.

I am also thankful for what the natives have given toward the support of the work during the year. Many have given when they were not able to give. When we were opening a new church one poor old lady brought some of her pots as she had no money. The pots were auctioned off at a good price. When it was reckoned up after the offering was made the pots brought more than any other native gave. This was indeed the widows mite.

We are still working to get our work as much self-supporting as possible. We trust that one day all our old work will be able to support itself, and then we can take the money we receive and move along into new fields.

The above report does not include what has been given by the natives toward new buildings, repairs, printing or conference expenses which amount to quite a bit during the year. There has been one nice brick church built near Potgietersrust. Unfortunately a heavy storm came and blew it down. This did not discourage the natives so they are now making brick to rebuild.

Bro. Rhodes has been able to build one of the nicest churches in Africa, by the help of Mrs. T. L. Aaron, and native help. At our new Mission Station we have enlarged our dwelling and built one large school room which is used for church and school, but it is far too small to meet our requirements. May God richly bless who contribute toward His cause.

TOBACCO CAUSES CANCER

Harrisburg, Pa., June 4—Protracted use of tobacco was called the principal cause of mouth cancer by the County Medical Soc. 'There is no question that the most common cause of cancer of the mouth is the continued use of tobacco.' Dr. Bloodgood of Johns Hopkins—Oklahoma City Times.
